Ex-Sergeant Arthur W. Blade, who recently resigned from the Police Force to take a more remunerative position with the Standard Oil Company, was last evening, in the Court-Room at the Police Station, presented with a handsome silver casserole by his former brother-policemen. Mr. Blade, although taken completely by surprise, replied in a few words, expressing his thanks, and his regret at leaving the force, after the years of pleasant association with his brother-officers. The presentation was made by Sergt. J. Reid, and a short address made by Chief Thompson, who spoke of the pleasantness and harmony that had always existed amongst the officers and their regret at losing Sergeant Blade.

THE ALLIES MEET WITH DIFFICULTY

(Canadian Press.)

CONSTANTINOPLE, March 13.—Greek, Italian and French forces of occupation in Smyrna, Adala and Adana, Asia Minor, are holding their own with difficulty against Turkish nationalist troops, it is indicated in reports received here. Fifty thousand Allied troops are in Constantinople and vicinity it is estimated. This force being sufficient to protect city, straits and sea of Marmora, with cooperation of naval units here. Strength of Mustapha Kemal, nationalist leader, is rapidly growing in the interior and advices state Arabs, Kurds and other tribes are carrying on guerrila warfare. Failure of French to reach Diarbekr is pointed out by nationalists as being typical of experience any occupying army may encounter.

FINAL REFERENDUM

(Canadian Press.)

TORONTO, March 13.— Final referendum on closing Ontario tight on liquor question expected by the last of June.

SIX GREEK DIVERSIONS

(Canadian Press.)

LONDON, March 13.— Greek Premier has offered six divisions for service against the Turks.

"SLOAN'S LINIMENT NEVER FAILS ME!"

Any Man or Woman who Keeps it Handy will tell you that Same Thing.

ESPECIALLY those frequently attacked by rheumatic twinges. A counter irritant, Sloan's Liniment scatters the congestion and penetrates without rubbing to the afflicted part, soon relieving the ache and pain.

Kept handy and used everywhere for reducing and finally eliminating the pains and aches of lumbago, neuralgia, muscle strain, joint stiffness, sprains, bruises, the result of exposure to weather.

Sloan's Liniment is sold by all druggists, 35c, 70c and $1.40. Made in Canada.

Sloan's Liniment Keep it handy

OUCH! LAME BACK

Rub Backache, Lumbago, Soreness and Stiffness Away—Try This!

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! That's lumbago, sciatica or maybe from a strain, and you'll get blessed relief the moment you rub your back with soothing, penetrating "St. Jacobs Oil." Nothing else takes out soreness lameness and stiffness so quickly. You simply rub it on and out comes the pain. It is perfectly harmless and doesn't burn or discolor the skin.

Limber up! Don't suffer! Get a small trial bottle from any drug store, and after using it just once, you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 60 years.

PRINTING Done Here

COMPARED WITH ELSEWHERE

You'd startle your tailor if, when you wanted a suit of clothes, you asked him to submit a bid in competition with a dozen other tailors

"Why," he would say, "this is ridiculous. This man knows what kind of a suit of clothes I give him. He knows he can depend on the quality of the material, the make, the fit. He knows me, and has proved my work. Some fellow around the corner may underbid me—but what will he deliver?"

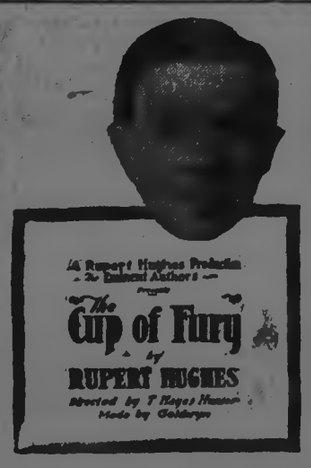
You don't buy tailoring that way. No man does. You know your tailor you rely on him, you trust him, you give him your work just as long as he turns out good work at prices that are fair.

Do you buy your printing as intelligently? Do you make it your business TO FIND A GOOD PRINTER as you do a good tailor, and then rely on his experience, his ability and his judgment?

Men who do, get good printing. Men who buy printing here and there, wherever the price is shaved closest, are the ones who have printing worries

The Examiner

PHONE 1600 - - PETERBOROUGH



This breath-taking picture is the work of a dramatist-interpreter of to-day's happenings — those events that mere newspaper accounts give us no grasp of them. "THE CUP OF FURY" is a truly great picture, a picture whose story will linger in your mind for months after you have seen it.

GRANITES LOST A HARD FOUGHT GAME WITH HAMILTON TIGERS

FLUKE SHOT AROUND THE NETS WAS THE DECIDING FACTOR IN THE GAME—GAME WAS DEVOID OF SENSATIONAL FEATURES.

(Special to The Examiner.)

HAMILTON, March 13.—Nothing short of highway robbery gave a 2 to 1 verdict to the Tigers against the Granites in the first of the O. H. A. Senior final games here last night. The teams travelled at a dizzy pace throughout the sixty minutes and what edge there was rested with the Queen City sextet.

With the score a tie in the final period, Cooper dashed down the side. When Laflamme skated him into the corner and behind the net he shot. Addison was slow in clearing and the goal judge raised his hand, signalling a goal. The referees held a consultation, upheld the goal judge's decision, and presented an unearned victory to the Allan Cup holders.

Tigers were favored to win by four or five goals, but they reckoned without the Granites ,and the latter, backchecking fiercely from bell to bell, gave them one of thier greatest battles of the season. The curlers were not daunted by the fact that the Tigers were regarded as invincible here ,and went into the gam determined to humble the locals. That they failed was no fault of theirs for the majority of the play was certainly in their favour.

Both defences stood up well against the attacks, and again and again outguessed them. The forwards, coming back at break-neck speed, also played their part. The surprising feature o the game was the fact that Tigers' vaunted team play got them no results. Granites checked so closely that some of the local players showed a reluctance to retain possession of the puck for more than a few seconds at a time. Cooper was the worst offender ,and although he was credited with tallying both the Tigers' goals he was far below his usual form. Two stiff body checks handed out to him in quick succession in the first five minutes by "Jerry" Laflamme took all the ambition out of the local sharpshooter, and thereafter he steered clear of the Granite defence.

The game was devoid of the sensational features common when Dentals and Tigers meet, but for close and hard checking it has never been surpassed here. In the early stages, Romeril, Aird, Laflamme and Watson used their weight with good effect, and Tigers learned to respect them.

The teams lined up as follows:

Granites—Goal, Addison; defence, Laflamme and Fox; centre, Romeril; right wing, Jeffrey; left wing, Aird; subs, Watson and Fowler.

Tigers — Goal, Reaume; defense, Reise and A. Smith; centre, Reid; right wing, Cooper; left wing, Boyd; subs, Max Smith and Parker.

Officials — Tom Moore, London; Geo. Van Horne, Kingston.

"LISTEN, LESTER"

With a whirl of merriment, song and dance, and music that is rich in melody sung by a score of unusually pretty girls, artistically dostumed, "Listen Lester" John Corts musical comedy success with the entire New York cast, chorus, production and special company orchestra which for a year kept audiences at the Knickerbocker Theatre in New York agog to keep pace with it, comes to the Grand Monday evening. The book and lyrics have a quality of light-heartedness that distinguish them as sure-fire recipes, for merriment, and the music is tuneful, and what is more, distinctly original, which would of course be true of any play which lays claim for being from the pens and minds of Harry L. Cort, Geo. E. Stoddard, and Harold Orlob.

Nothing has been spared in securing for this attraction the most gorgeous costuming and settings that could be procured and the result is a colorful kaleidscopic projection against which, distinctly and surely the story stands forth, a story of real dramatic value, centering around a package of leters written by a flirty Colonel to a wise and canny lady who decides to make the best use of them she can, and drawing along with them love affairs, comedy situations, clever dialogue, and whistlable hummable music. Mayme Gehrue, Miriam Folger, Jean Thomas, Cecil Williams, Ann Ott, Folrence De Barr, Frances Anderson, Florida Bellaire, William Sellery, Joseph Mack, William Wayne Gus Shy, John L. Lyons, Murry Hart, Mark Thompson, and Andrew Leigh portray the various characters, each one making the most of his lines and the "business" given him, with a keen appreciation of comedy and artistic values. There is dainty chorus that sings more than half the time, dances most of the time, and looks pretty all the time.

"AN ADVENTURE IN HEARTS" IS FILMED FROM FAMOUS NOVEL

Anthony Hope's Book is Basis For Robert Warwick's New Film Production.

Anthony Hope's exciting romantic story, "Captain Dieppe," has reached the movies. First published as a novel, the adventures of the dashing young secret agent proved a worthy companion of the author's earlier book, "The Prisoner of Zenda," which was the starting point of a flood of pseudo-historical literature. The popularity of "Captain Dieppe" led Mr. Hope to dramatize it and the stage play was produced both here and abroad. Recently the story was made into a scenario and under the title of "An Adventure in Hearts" it will be shown at the Grand Theatre, Tuesday and Wednesday of next week with Robert Warwick in the starring role.

The picture tells an entertaining yarn of adventure, love and plenty of excitement in a nobleman's castle in northern Italy. The hero is a sort of D'Artagnan, escaping from the agents of a Government that has refused to pay him for a hazardous task which he accomplished and which it is anxious to keep secret. Mr. Warwick is said to be ideally cast. He is supported by Juan de la Cruz, Winifred Greenwood, Helene Chadwick, and others. The picture is a Paramount-Artcraft and was directed by James Cruze.

BELMONT CLUB WON LAST NIGHT

DEFEATED 57TH REGIMENT BY A SCORE OF 16-4.

The Belmont Club won their second game in the City Indoor Baseball League when they defeated the 57th Regiment in the Armouries last evening by the score of 16-4.

The game looked like a neck and neck affair when it started but the 57th blew up in the fourth and from then on the Belmonts knocked the ball all over the floor.

Harrison was in the box for the Belmonts and had the 57th swinging at empty space.

Dunkerly pitched for the 57th but was unable to hold the Belmonts while his team gave him weak support.

The score by innings was:—
57th — 2 1 0 0 0 0 1 0 0 — 4
Belmont—0 2 2 2 4 1 2 3 x—16
Umpires—Perks and Dodds.

Line-Up.

The teams lined up as follows:—
Belmont—Darling, Barrie, Harrison, Holyman, Stuart, Jobbitt, Head, Lowe, Haskill.
57th—Griffin, [illegible], Dunkerly, Poole, [illegible].

JACK SPEILL AGAIN

Last week a man from Otonabee came into the office and said that Gallagher's Kidney Remedy was getting a great name in his neighborhood. He said that about two months ago a neighbor was crawling around on his hands and knees, he had rheumatism so bad, and now was back at work again after taking our Kidney Remedy. If you have rheumatism it is certainly worth trying.

Your friend.

JACK SPEILL.

OVER SOUTHERN MOUNTAINS NOW ON CANADIAN ROAD

Roughest of Canada's Roads are Like Paved Streets in Comparison with Deserts and Mountain Trails on which New Canadian-made Automobile had its Initial Tests—Invention of New Springs Promises to Revolutionize Light Car Construction.

'Tis a far cry from the sagebrush of Arizona and the mountain trails of California to the prairies of Western Canada and town and country roads of all the other provinces between British Columbia and Prince Edward Island. Yet automobile tests of the severest kind ever attempted over mountains and through streams and the roughest of American country— had much to do with a car that is now being made in Canada by Canadians and for Canadians.

The car in question is the Overland 4, which had 250,000 miles of that kind of testing before the factory at Toronto sold a single car. Since the Canadian factory reached a basis of quantity production, hundreds of the same car have been subjected to rigorous tests on the roughest Canadian roads—with the same result. The car has shown its strength, and has proved a sensation from the standpoint of riding comfort. The explanation given by the manufacturers is that its Triplex Springs—an entirely new invention—give it all the comfort of a long wheelbase car while retaining the economical and other advantages of a car of short wheelbase.

The Overland 4 is now being sold in every province in Canada.

OBITUARY

MR. A. BEATTY.

The death occurred yesterday afternoon of Mr. A. Beatty, at the home of Mr. G. N. Moncrief, on the Gravel Road. Mr. Beatty was 28 years of age, and his home was in Otonabee Township, but for the past year he had been living with Mr. Moncrief.

The deceased is survived by his wife and one daughter, Edna, both of whom are at Mr. Moncrief's home, from which the funeral will be held on Monday afternoon.

EMILY THOMPSON.

The death occurred last evening of Emily Thompson, after an illness of about a week's duration. The deceased was a Barnardo Home girl, having come to this country nine years ago, and was 19 years of age. She had had a brilliant career since coming here, and had made many friends. At the time of her death she was employed at the Young Women's Christian Association.

The funeral will be held on Monday afternoon.

MRS. ELIZABETH POLLOCK.

The death occurred yesterday morning of Mrs. Elizabeth Pollock at her residence, 537 Walnut street, after an illness of several months duration.

Mrs. Pollock, who was one of Peterboro's oldest residents, was born in Smith Township, 80 years ago. Early in life she moved to North Monaghan where she lived for the greater part of her life. Her husband predeceased her 18 years ago, and for the past ten years she has resided at her late residence.

She is survived by two daughters, Miss Bessie Pollock, North Monaghan, and Mrs William M. Thackery, 465 Stewart street.

The funeral will take place on Monday afternoon at 1.30 o'clock from her late residence.

MR. GRANT CORBMAN.

Mrs. T. R. Kennedy, 332 McDonnel Street, received word of the death of her nephew, Grant Corbman, aged 30 years.

Mr. Corbman's death took place in Edmonton, where he had been employed but a short time, following an attack of influenza and pneumonia. He was the only son of Mr. and Mrs. S. H. Corbman, former residents of this city, who now reside in Vancouver, B.C.

Interment took place in Vancouver, B.C.

VOICE OF THE PEOPLE

Editor of The Examiner:

Sir.—The Globe of March 11th contains a full account of the bitter war raging in the ranks of the prohibitionists. Thus does God show how futile it is for men to try to supersede the divine plant and to escape the consequence of their acts.

J. H. BURNHAM.

MR. M. PAPPAS IN TORONTO REAL ESTATE

Mr. M. Pappas has returned from Toronto, where he has been looking after some of his real estate properties on Danforth Avenue, next to the new Allan Theatre, a lot 135 x 135 feet. Mr. Pappas was fortunate in purchasing this lot last fall, and he has been offered a spot cash offer of $375.00 per foot for it, but refused the offer, as it is the only lot now obtainable on Danforth Avenue, between Pape Ave and Broadview Ave. He expects to sell it inside of a month for from $550.00 to $600.00 per foot.

FOUR HUNDRED THOUSAND ON STRIKE

(Canadian Press.)

PARIS, March 13.—It is estimated by the Federation of Labor officials today that nearly 400,000 persons are on strike in France at present time. Number includes silk mill hands, coal miners and building workers.

WHEN JOBS GO BEGGING---

PROBABLY YOU THINK right now that the pay you are receiving is not in proportion to the work you are doing—in other words you believe you are poorly paid. And, perhaps you are right.

BUT what is it that governs the amount of your wage? Is it not the law of supply and demand—the same law that governs the cost of merchandise?

THE TROUBLE is—there are more men than jobs—a fact which causes so much trouble at the present time.

A CITY IS PROSPEROUS to the fullest extent when there are more jobs than men to take them. Get busy, therefore, and help bring about this ideal condition. Whenever you go into a store ask for the Peterboro City Brand of the Article you want. Insist that your wife and all your family do the same. Thus you will be laying stones in the foundation of a greater Peterboro City—a Peterboro City having enormous factories which will employ thousands of people and cause millions of dollars to be distributed right here at home.

BEGIN NOW!

DON'T JUST THINK ABOUT IT!

Allied Troops May Occupy German Industrial Districts

GERMANY IS DIVIDED IN ALLEGIANCE TO THE NEW AND FORMER GOVERNMENT

SOME OF THE SOUTHERN GERMAN STATES HAVE NOT ACCEPTED THE NEW REVOLUTION--GRAVE CIVIL WAR IN PROSPECT.

GENERAL STRIKE HAMPERS PROGRESS

By Carl Groat.
(United Press.)

BERLIN, March 15. — Reports here early to-day indicated that Germany is divided in allegiance to the new revoluttionary government, established here Saturday, and the old Republican government of President Ebert.

The southern German States, according to advices, have not accepted the new revolution.

There was fear in many quarters that Germany is at the beginning of a grave civil war. Reports from Essen said disturbances have occurred there and that thirty persons have been killed, more than eighty wounded and hundrds of stores looted.

Another report declared that Dr. Von Kapp, dictator of the revolutionary government is ready to resign and will charge a coalition of parties to form a new revolutionary government.

STRIKE CALLED BY OLD GOVERMENT

(United Press.)

The general strike called by President Ebert and Gustav Noske, his Minister of War, before they left Berlin Saturday, was largely effective here early to-day. Trains stopped running, the water supply was cut off in many districts, restaurants were closed and suffering beginning to be acute, particularly among the poorer classes. In some quarters there was a disposition to believe that the revolution may be short lived. The effectiveness of the general strike was believed by many to show that Kapp has not the support of the majority of the people.

Herr Metroker, under orders of Ebert will go to Berlin and summon Von Kapp to re-establish the constitutional regime, it was reported here.

LOYAL FORCES ARE COMPELLED TO RETIRE

(United Press.)

FRANKFORT, March 15. — The counter revolution is meeting with varying success in Western Germany, according to unofficial reports received here to-day.

The old government has been defeated in several cities, following bloody fighting, it was said.

Forces loyal to the Ebert administration were said to have been compelled to retire from Sheringen. At Weimar the new government was also said to have been victorious. The counter revolutionary flag is flying over the barracks at Mulheim and a volunteer corps is supporting the Von Kapp regiment

A workmen's council, apparently owing allegiance to neither the Ebert nor Von Kapp governments, assumed power in Bochum and disarmed the inhabitants.

Following declaration of a general strike in Hanover, workmen and students engaged in a sanguinary battle. The students occupied the railway buildings

THE DUTCH WILL INCREASE GUARDS

(United Press.)

AMSTERDAM, March 15 — Advices here indicated that the Dutch government will take no chances with the former Kaiser of Germany and his son, the former Crown Prince

Alarmed by reports of the monarchistic tendencies of the revolution in Berlin, the Dutch authorities, despatches said, have increased their guard around the former Emperor's retreat, adding a detachment of mounted police to the sentries already on duty.

Weiringen despatches state that the former Crown Prince was watching all reports from Germany with the closest interest. Freihirr Von Zoebelitz, a close friend of the Prince, arrived at Weiringen Saturday evening it was said. The Prince's aide de camp announced that the prince has no connection whatever with the revolution

NEW GOVERNMENT OFFER TO NEGOTIATE

(United Press.)

LONDON March 15.—The government of President Ebert has consused tto negotiate with the Berlin revolutionists. Ebert declared in an interview at Dresden according to a despatch here today.

Ebert was quoted in the interview as expressing full confidence in the

(Continued on Page 5)

VETERANS OPPOSE GOVERNMENT ACTION

Move on Foot to Enfranchise Japs Who Fought in War.

(Special to The Examiner.)

VANCOUVER, B.C., March 15. —No question before the British Columbia Legislature this year has caused sharper public discussion than the proposal to enfranchise aproximately one hundred and fifty Japanese who fought with the British Columbia units in France.

The Vancouver branch of the Great War Veterans Association espoused the cause of the Japanese soldiers, and on their request the Government brought in legislation.

To-day, however, some other G. W. V. A. organisations in other parts of the Province were heard in onposition to the plan.

If the Government goes ahead with the amendment, it will probably be on the understanding that special recognition of these men carries with it no further obligation towards Orientals in general, and that the vote is given them in much the same way that medals which some of them earned might be pinned on them.

STOCK MARKET OPENED FIRM

ALL MOTORS WERE STRONG—STERLING EXCHANGE.

(United Press.)

NEW YORK, March 15.— Prices were lower at the stock market opening to-day Crucible, however, was up 5 at 246.

U. S. Steel opened at 98 3-4, off 1-4 Great northern pref. 83 1-2 off 5-8; Baldwin 110 1-4 unchanged; American Woollen 127 off 1-2; Corn products 91 1-4 off 1-8; Republic 94 1-4 off 1-2; Texas and Pacific 41 1-4 off 5-8; American Smelting 65 1-8 off 1-2. Utah Copper 72 off 1-2; U. S. Rubber 106.

NEW YORK, March 15.—Foreign exchange quotations were lower than Saturday's close at the opening.

Marks demand opened at $.0112 off $.0114, demand sterling at $3.65 1-4 off 1-4, franc cheques at 13.52 off 9 centimes, lire cheques 18.24 off 4, Belgian cables 13.10 off 20, and the U. S. dollar on Canada $1.13 unchanged.

Crucible sold as high as 252 before 10.30, and shorts in many of the high-priced industrials, disappointed at the opening, proceeded to cover their stocks. American Woollen ran up to 120 3-4 and American Car Foundry to 142. All motors were firm, and difficulty was experienced in keeping General Motors below 320. Barret Common ex dividend 2 per cent. opened 123 up 1 1-2

Standard Oil of New Jersey sold at 602 and Standard Oil of New York at 476 here to-day Both are new highs.

After touching 252, Crucible reached more than 4 points

The first call money renewal quotation was 6 per cent against 7 Friday. The call rate on that day ran up to 15. High call rates were attributed by bankers to the fact that to-day is the last day for filing in come tax returns and making payments. In some quarters a six per cent. renewal rate is expected by Monday.

Baldwin became the feature around noon at 124 1-4 up 5 net. Studebaker at 148 3-4 and Chandler at 152 made new record highs.

FOREIGN EXCHANGE.

Early trading in German marks was confused. After dropping to $.0105, the quotation reverted to $.0112. The lowest quotation was still fractionally higher than the record low of $.0101 made January 28th.

CHILDREN DROVE FATHER OUT.

This was literally done but in a loving way last week. The children coaxed so hard that the father, in order to keep peace in the family, immediately came to our office and bought a gramaphone The result is that they would rather listen to music than eat and in our estimation that is to use a slang explanation going some for children

Moral—Don't overlook placing music in your home, and remember Nelson sells records at prices within the reach of all.

The New Cabinet

SEVERAL APPOINTMENTS ARE DELAYED IN BRITISH MINISTRY UNTIL NEW PARTY FORMED-

A CONFERENCE

(Canadian Press.)

LONDON, March 15.—Joint manifesto which will be signed by Lloyd George and Andrew Bonar Law will be issued in a few days stating the principles of the new party to be led by the Premier, says the Daily Mail. It will be accompanied, the newspaper declares, by an important reconstruction of ministry and it is said that for this reason announcement of appointments to portfolios of labor, food and Board of Trade, now vacant have been postponed, according to present intentions. The name of the new party will be "National Democratic".

In addition to meeting of Liberals next Thursday arrangements are being made for conference of Unionists at which Bonar Law will announce his resignation from leadership of that party and will invite members to join the new organization. Unionist leaders who have been adherents of the premier are said to have decided to support him but there are indications. That party will not be united in adherence to the new combination. Revolt under the leadership of Lord Robert Cecil and Marquis of Salisbury is expected, says the Mail.

GOVERNMENT PROCLAMATION ISSUED TO-DAY

(Canadian Press.)

BERLIN, March 15.—Proclamation issued by the new government this morning says:

In order to completely exterminate the Monarchist idea from the minds of the German people the former government and especially Socialist members, poured out their venom and contempt on the flight of Emperor William, which they characterized as desertion of colours, although that flight was accomplished in circumstances justifying less severe condemnation. That same government has now forsaken its duty and left Berlin without so much as an attempt to defend itself, as it had every possibility of doing. This desertion will stigmatize the old government in the eyes of the German people and will make its return impossible for all time.

Monarchy Re-established.

(Canadian Press.)

PARIS, March 15. — Re-establishment of the Bavarian Monarchy has been proclaimed at Munich, according to telephonic message received in Berlin from the Bavarian capital this afternoon and telephoned to "Temps."

Reinforce French Army.

(Canadian Press.)

PARIS, March 15.—Latest advices to French Foreign Office from Berlin, it was said to-day, indicated that the revolution in Prussia had thus far been confined to military and pan-German party and was without other political support Leaders of Conservative parties it was declared had condemned the movement

France contemplates sending three more army corps to Rhineland thus doubling her forces along the Rhine, according to the Petit Parisian. Information received here would seem to indicate utmost calm is prevailing in Germany, although severe censorship in Berlin may be responsible for lack of detailed news from that city. Advices from other sources indicate that reactionary movement began Saturday is confined to Berlin. General strike affecting all public service has been called at Kiel, Bremen, Hamburg and Regensburg, while public sentiment in favour of Ebert government is declard to be increasing in Cologne, Dusseldorf, Essen, Dulsberg, Spandau and Frankfort. In these cities a general strike is expected to-day.

DISCUSSED THE NAVAL POLICY

(Canadian Press.)

OTTAWA, March 15.—Canada's naval policy is to be discussed it is understood at a caucus of government supporters to-morrow morning. It is expected there will be full discussion on Admiral Jellicoe's report and that it will have much to do with drawing up of naval bill by government. Liberal members of house will also meet in caucus to-morrow morning when it is expected their discussions will be along somewhat the same lines.

"REDS" PROCLAIM SOVIET REPUBLICANS

Thirty Persons Killed in the Fighting in Essen

(United Press.)

COPENHAGEN, March 15.—German radicals have seized the opportunity to proclaim Soviet republics in Holland Schweffurt during the confusion resulting from the counter revolution, according to reports received here to-day. These advices said the Soviet forces were preparing to march on Hamburg.

Thirty persons have been killed and eighty wounded in fighting in Essen, and fifty killed in Kiel, meagre dispatches reported.

Brutal Murder

FARMER ALLEGED TO HAVE COMMITTED ONE OF THE MOST REVOLTING MURDERS IN CRIMINAL HISTORY.

WAS ARRESTED

(Special to the Examiner)

REGINA, Sask, March 15.—Murder under the most revolting conditions is alleged in connection with the death of Albina Jalbert, a French Canadian, from the province of Quebec, who was slaughtered by her husband on Friday evening, according to the statement of the Provincial Police. The details of the crime if substantiated will make the murder as the most terrible and revolting in the criminal history of the West. With his wife sleeping or at least resting on the bed in her farm home on section eighteen, township fourteen range, three west of the third, in the Coderre district of South Saskatchewan, Oscar Jalbert, her husband, according to what neighbours allege Jalbert told them, ripped her open with a pair of scissors and without even stunning the victim of his brutality disemboweled her.

According to Corporal Mortimer, who was on the scene of the tragedy early on Saturday summoned by neighbors to whom Jalbert is alleged to have visited immediately after the crime and to whom he unfolded the details of the murder. Jealously was the motive.

Had One Child.

The couple had one child, aged seven months and within a few months had the women lived, another would have been born it is stated. Jalbert, it is claimed had doubts as to his wife's chastity and it is thought that this preyed on his mind and was the motive for the horrible action which he took. According to the information which Corporal Mortimer of the Provincial Police secured from the neighbors Jalbert on Friday evening entered his home about seven o'clock and busied himself with some chores. His wife was resting or sleeping on the bed. Without a word of warning it is alleged, he seized a pair of scissors and made a deep gash in her abdomen and then disembowelled her throwing her intestines on the floor. Next he twisted the heart out and then the lungs, throwing them against a chair and completed his horrible crime by tearing everything out of the corpse of the woman from the thorax down to the abdominal cavity. Throwing the entrails about the house. The little child was in the house asleep and ignorant of the fate which had overtaken the mother

Washed and Dressed.

Then the man washed and dressed in his best clothes entered the house of a neighbour about half a mile distant, according to the neighbour he walked in seemingly quite calm and collected, lighted his pipe and after greetings had been exchanged he began to reveal the details of his crime, relating every phase of the butchery according to statements of the neighbour to the constable.

The neighbour communicated with the Provincial Police and Corporal Mortimer with a coroner from Gravelburg, went to the scene of the crime They found Jalbert attending to his seven months old baby. The body of the woman was on the bed with the heart, lungs and intestines strewn about the floor just as Jalbert is alleged to have left them the night before. The man arrested and brought into Gravelburg on Saturday morning He assaulted the constable in his cell striking him over the head with a cup in which the constable had given him a drink of water. He was soon got under control and late last night was reported to be apparently sane, and fully realizing what he had done

Jalbert came to the Coderre district from St John, North Dakota, and his wife, nee Alvina Rabage, from Quebec Province. The dead woman was 23 years of age The inquest will be held in Tuesday

Vote on Measure

PROHIBITIONISTS DEMAND BONE DRY REFERENDUM FOR BRITISH COLUMBIA.

ALL IN ONE DAY

(Special to The Examiner.)

VANCOUVER, B.C., March 15. — Though British Columbia prohibitionists at a recent convention in Vancouver demanded there the bone-dry referendum for this province "at the earliest opportunity," it is understood that nothing will be done by the government until the end of the year at the earliest. Probably there will be reference to the electorate in April of next year. The Oliver government will probably go to the people at the same time. Government leaders favour settling everything the same day. In any event there is not the slightest chance of a bone-dry referendum this summer on a date to coincide with that already tentatively selected in two prairie provinces. The government still adheres to its proposal out lined some time ago to submit a plan for open sale in government stores at the same time as the bone-dry referendum is placed before the electors.

$180,957.23 SPENT ON HUNTER STREET BRIDGE TO MAR. 9

UNUSED MATERIALS, ESTIMATED SALVAGE AND OTHER ITEMS REPRESENT ASSETS OF $775.75.

The total expenditure on the Hunter street bridge up to March 9th was $180,957.23, according to the statement of the city accountant, Mr. Alex Elliott. This includes the stock on hand such as timber, steel and other materials estimated at the value of $50,605. Another asset is a salvage estimate of $20,000, and the temporary bridge and other items bring the total of the credit side up to $77,575, which would bring the actual cost of the work done up to the present to $103,382.23.

The following are some of the items in the expense account: Concrete $45,958.32, excavations, piling, etc., $32,489.54, forms, false work, etc., $37,918.67, the Russell Townsend Company's Commission $14,600, granite finish $5,573.53, wrecking of old bridge $1,942.66, office expense $3,873.13, new roads $4,027.56.

The item for the dismantling of the old bridge represents a saving in contrast to the estimated cost of that demolition, and has been referred to as one of the phases of the work that justified the winter operations.

CASE OPENED THIS MORNING

(Canadian Press.)

OTTAWA, March 15.— Defence of section seventeen of the Combines and Fair Prices Act investing the powers of the court of criminal law in the Canadian Board of Commerce, was made this morning before the Supreme Court in full session by W. F. O'Connor, K.C., Acting Chairman of the Board and appearing as counsel for it. His argument was based on the power of Parliament to enact legislation to control the combines and in interests of public good what is termed "big business."

Hearing in the Supreme Court today is of reference to test the jurisdiction of the Board of Commerce as appointed under Combines and Fair Prices Act and array of counsel will plead

SUDDEN DEATH OF T. C. ROBINETTE, K.C.

TORONTO, March 15.— Thomas Cowper Robinette, K. C., the most prominent criminal lawyer in Toronto, whose cases throughout his long career have attracted widespread attention, died at his residence, 60 Spadina road, early yesterday morning, following a stroke on Saturday. For the past few weeks Mr. Robinette's health has been failing and his death yesterday was the culmination of a long period of ill-health

Mrs E M Robinette, who before her marriage was Miss Edith May Lindsay of Pickering, and whom he married in 1899, four sons and one daughter survive His eldest son, Thomas Lindsay, is at present a student-at-law in his father's office

The funeral service will be held Tuesday afternoon at the First Methodist church

REVOLT HAS BROKEN OUT AMONG JAPANESE TROOPS STATIONED IN SIBERIA

SOLDIERS RIPPED OFF THEIR SOLDIER STRAPS AND SUBSTITUTED RED STRAPS.

MANY ARRESTS

(Canadian Press.)

LONDON, March 15.—Revolt has broken out among several units of Japanese troops in Siberia according to wireless despatch sent out by the Soviet government at Moscow. Soldiers ripped off their shoulder straps and substituted red straps, the despatch says. The growth of the revolutionary movement in Korea is also reported by the despatch, which says that Japanese authorities have made many arrests. At the same time, Soviet mesage asserts, Japanese government is taking special measures to fight communist movement at home.

PROGRAMME FOR THE CONVENTION

Ontario Executive of the G.W.V.A. Here To-day.

The Ontario Executive of the Great War Veterans is expected in the city this afternoon and will go into session immediately, preparing for the opening of the convention of the G.W.V.A on Wednesday morning

The Programme.

The programme for the convention will be:

Wednesday, 9 a.m.—Mayor McIntyre will deliver the address of welcome, followed by the presidential address by President C. E. Jeakins of Brantford, after which the secretary's report and financial statement will be received.

At 2 p.m the session will re-open for general business, the reports of committees and a discussion on re-establishment.

At 8 p.m reports of committees will be received and general business discussed.

Thursday — The morning and afternoon sessions opening at 9 and 2 p.m. respectively, will be occupied with general business, and in the evening a theatre party will be held.

Election of Officers.

On Friday the morning session will open with general business, followed at 10 by the election of officers.

At 2 p.m. general business and reports of committees will be received.

At 8 p.m a civic banquet will be held at which all leading dignitaries of the city are expected.

LOCAL REGIMENT IN THE NEW LIST

WAR BATTALIONS WILL BE REMEMBERED,

The announcement is made of the re-organization of the infantry units in Military District No. 3, which includes the 57th Regiment Peterborough Rangers in its list of district units. The regiment will have one active and two reserve battalions and in this way the difficulty encountered in the re-organization has been smoothed over for the first battalion will bear the name of the 2nd Battalion, the second that of the 93rd and the third the 24th.

Other units in this district are the 14th Regiment Kingston, the 45th Victoria and Haliburton Regiment, Lindsay, the 40th Durham Regiment, the 47th Frontenac Regiment, the 50th Grenville Regiment (Lisgar Rifles), the 59th Regiment Stormont and Glengarry the 43rd Regiment (the Duke of Cornwall's Own Rifles) Ottawa, and the 70th Regiment, becomes the Hull Regiment.

CANADIAN REPRESENTATION

(Canadian Press.)

LONDON, March 15.—Daily Mail understand that the question of Canadian representation at Washington at last has been settled by agreement of foreign office to appointment of Canadian minister plenipotentiary who will be immediately under British Ambassador to United States and in the absence of the ambassador will be in charge of embassy.

Inflammatory Rheumatism
Cured by B.B.B.

Rheumatism is a constitutional disease, caused by the uric acid in the blood. It manifests itself by pain and lameness attacking the muscles and joints of the body, which often swell and become hot and inflamed.

Anyone who has suffered months after months, and perhaps year after year, with rheumatism, and who has tried remedy after remedy in the hope of relief, and without success, should not give up hope.

Burdock Blood Bitters, by invigorating the digestive organs and eliminating the uric acid from the system, will give prompt and permanent relief.

Mrs. D. Barry, Purlbrook, Ont., writes:—"I feel it my duty to let you know of the great benefit my husband derived from using your Burdock Blood Bitters. He had been suffering for the past two years with inflammatory rehumatism. He tried many medicines but got no better. A friend advised him to take B. B. B. He did so, and after taking five bottles he felt like a new man, and was able to go to work the same as ever."

Burdock Blood Bitters has been on the market for over 40 years. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

(Canadian Press.)

LONDON, March 15.—A despatch from Hamburg states that the naval commander at Kiel has handed over German fleet to the new government.

DRUGS EXCITE YOUR KIDNEYS, USE SALTS

If Your Back Hurts or Bladder Bothers, Drink Lots of Water.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water— you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

TORONTO SAVINGS AND LOAN CO.

PETERBOROUGH.

"THE WINDS BLEW AND THE FLOODS CAME".

Three years right in a row now, the good citizens in the vicinity of McDonnel, Downie and Reid streets, have had to put up with what is termed, even in the "City Hall", as the "Annual Downie Street Flood."

Even old Brother Noah in all his glory, is faded by some of the residents, who undoubtedly should have some recognition for their ability as savers of lives of chickens, pigs, etc.

And that is not all.

When the freshet flows in the back door and out of the front, damaging rugs, carpets, furniture etc., forces people to vacate the lower story of their homes, leaving out the inconvenience of having a modern swimming pool down around the furance, and on a day like Saturday, a skating rink in the yard) it surely is time for something to be done.

Who wants to pay taxes for such privileges, when places like the Y.M.C.A. and Brock street rink are provided.

I would like someone in authority to tell me whether or not the duties of the City Engineer are supposed to cover problems such as the construction of ditches ,culverts, canals,—or whatever you want to call them—to carry away the water, whether or not he has it in his power to make others through whose property the natural course for the water runs, keep it free from obstruction, or whether after the damage is done this job is to detail so many men clad in rubber boots and armed with various weapons to go to the scene of trouble to open up a couple of measly traps, and to build dams with snow across front gates, etc., etc.

I am glad to see that our worthy council got as far as a "motion" in their meeting on Friday night. I understand too that this much progress was made last year.

Motions with a pick and shovel plus a little grey matter for laying plans are the ony kind that are going to be of much benefit.

If the city is to blame we would like to see a little action on the part of the city officials. If some one else is to blame it is a darn funny thing that the city would stand for that party making a raceway of the thoroughfare.

To say that the grievance cannot be remedied is a pipe dream. The creek has been there as long as I can remember (and I was not born since the war either) and not until 3 years ago did it give any trouble.

Houseboats are all right in the 100 in the shade days for those whose means will stand the pressure. But who, even over and above the residnets of Downie, McDonnel and Reid streets, want such a luxury in the middle of March.

I venture to say that the trouble is far from being over this spring. Has anything been done to prevent a recurrence of Friday night's flood? Let us see a little action.

FLOODED.

TENDERS FOR CARE OF PARKS

Sealed Tenders addressed "Ald. H. Gainey, Chairman Parks Committee," and endorsed "Tenders for Parks", will be received at the office of the undersigned up to five o'cock p.m. on Tuesday, March 23, 1920, for the care of the Central, Victoria and other parks. SOME PUBLISHERS refer advertisers to "Government Statements" of circulation.

They mean their statements to the Government, which is a very different thing.

The Government does not make any statements in regard to circulation.

Statements to the Government, in the absence of verification, are valueless to the advertiser.

There is one method and only one of ascertaining the facts regarding the circulation of a paper.

And that is by referring to the reports of the Audit Bureau of Circulations.

A publication that quotes its statement to the Government in lieu of an A. B. C. report is evading the issue.

Ask to see the A. B. C. report on the EXAMINER.

"Peterborough Presents Possibilities Unsurpassed."

MONDAY, MARCH 15TH, 1020.

THE C.G.E. BY-LAW.

Ald. Crowe, in discussing the C.G.E. by-law the other night, hit the nail squarely on the head when he asked what was the use of going after new industries if this measure was defeated. Certainly a manufacturing plum of the nature promised by the Canadian General Electric Company is a prize that any city would be glad to capture and if it was offered to Peterborough as a new industry there would be not the slightest doubt of the result of a by-law to put into effect the concessions asked for. Why then should there be any hesitation in voting for a measure that will result in a huge extension to the city's biggest manufacturing plant, provide employment for hundreds of workmen andadd thousands in taxes to the city's revenue? Especially when the concessions that are being made are only carrying out a specific agreement made with the company ten years ago, by which there was to be a fixed assessment of $150.000 for twenty years. It is true that the Ontario Legislature reduced the period of fixed assessment to ten years, pointing out that at the end of that time there would be no reason why the privilege should not be extended for a further ten years. The first ten year period expires this year, and without any promises of further extensions the city might reasonably be expected to keep faith with the company. And now Peterborough has a chance by making effective a promise made ten years ago, to secure a million dollar addition to the present plant.

Ald. J. J. Turner, President of the Board of Trade, in a letter to the press on Saturday, covered the whole situation thoroughly, presenting the arguments in favour of an affirmative vote for the C.G.E. by-law so clearly and logically that the proposition should appeal to every rateayer as a measure to be supported..

THE HOUSING PROBLEM.

An early statement by the Ontario government as to its policy in connection with the housing problem is being eagerly awaited by the scores of municipalities who are anxious to do something to meet the situation. Premier Drury has given no intimations of the intentions of his government and the cabinet ministers, although some of them are not at all backward in discussing public issues, are strangely reticent as far as the housing question is concerned. It was significant that there was no mention of the subject in the address from the throne, nor were members of the Opposition successful in drawing out the government. As matters stand at present Ontario's share of the Federal grant and the approriation set aside by the Hearst government have been expended and there is at present no mony with which to meet the many demands from municipalities seeking loans for housing purposes.

In so far as Peterborough is concerned the housing question is a vital one alone. According to City Clerk Armstrong only about one-half of one per cent. of the houses in Peterborough are vacant, and some of these are scarcely fit for habitation. New industries cannot be attracted to Peterborough under such circumstances, for housing accommodation for their employees is one of the first requirements a manufacturing firm looking for a location will insist upon. In an effort to meet the situation a Housing Commission has been appointed and the Legislature is being asked for a loan of $200,000.

The next step depends entirely upon the Ontario government. Nothing can be done until the government policy is announced. The answer may be a refusal to provide any further financial assistance, in which case the housing schemes of many Ontario municipalities will collapse and the problems will have to be tackled in another way.

SIR SAM'S POLICY.

If the selection of Sir Thomas White as leader of the Unionist party depends upon the vote of Sir Sam Hughes, then the ex-Minister of Finance can be counted upon to remain among the private members, Sir Sam, while convalescing in hospital in Toronto, has been airing his views on many subjects, including his favourite topic, the Ross Rifle. The only subject that can lure him away from discussing the wonders of that famous weapon which the Canadians at Ypres threw away in disgust, is the White boom. Mention Sir Thomas and the member for Victoria and Haliburton goes over the top without any preliminary bombardment. The General has declared that he could name fifty men to take Sir Robert Borden's position, but he has no place in his list for Sir Thomas White nor for his National Liberal-Conservative party either. Sir Sam believes the old Liberal-Conservative organization can and should be revived. At present, he says, it is only in a state of "suspended animation," "not dead but sleeping," as it were The doughty member from the neighboring constituency wants to summon the clans together, build a new platform, with the old national policy of course as the principal plank, choose a new leader and declare war on all and sundry. As for the Liberals who joined the Union government they may stay in if they subscribe to the party doctrine, but otherwise out with them. Sir Sam forgets, however, that it is not so easy to rally the "boys" as it used to be With the Civil Service Commission usurping the power of the private members to make appointments the old gathering place around the pork barrel and underneath the plum tree has lost its attractiveness for many of the crowd that used to flock to the standards of Sir Sam and his associates in former days of battle. And all the General's eloquence is not likely to save the demoralized Conservative organization.

ANOTHER GRATUITY SCHEME.

In view of the fact that the gratuity question will be one of the most important matters to come before the Provincial convention of the Great War Veterans there this week, it is interesting to note that the Calgary G.W.V.A. which originated the $2,000 gratunity scheme now supported by the United Veterans' League, has evolved another method of war bonuses. The Calgary Veterans propose that every nurse, soldier, sailor or airman who served in the Great War shall receive a bonus based at the rate of $1.00 per day of service provided he or she reached a belligerent front, 80 cents per day for service in the British Isles or Siberia, and 50c. per day for service confined to Canada, the bonus to be paid in addition to whatever has been received up to the present time in the way of pay and allowances, gratuity, clothing allowance, etc. The Calgary G.W.V.A. believe that no difference should be made between married and single soldiers.

In referring to the new scheme, President Woods of the Calgary branch, says:

"I base my argument not so much on the actual necessity which has already been proven, as the fact that the soldier who bore the brunt of the war, was the only individual concerned with the war, whose wages were not increased. Assuming a miner received $4.00 per diem in 1914, which was increased to as high as from 7 to 10 dollars during the campaign, for performing work of national importance of a hazardous nature, how much more then should the soldier have received an increase in his wages? I feel confident that every citizen in the country will agree that $2.00 per day is little enough to pay their troops for their part in this campaign.

"It may be said that the general reason for the soldier's dissatisfaction, is that while he was serving his country faithfully, every mail brought press notices to the effect that strikes were prevalent throughout the Empire and it is a generally accepted fact that the only thing that restrained the soldier from striking was that in doing so, firstly—he knew that he would be jeopardizing his country, and secondly— he felt sure that should victory ultimately come, his country would adjust such a small thing as his remuneration.

"Care must be taken that this bonus does not conflict with pensions in the minds of returned soldiers. Instances will be given where a soldier who was gassed at St. Julien and discharged within one year would only receive a gratuity under this plan of $365.00 If, however, this is to be reagarded as an increase in the soldier's wages it must in no way be allowed to be confused with the pensions. I am of the opinion that we could request an increase in pensions commensurate with the high cost of living, and not rest until every soldier is receiving an adequate pension for his disability.

This bonus is to be used for re-establishing purposes and has nothing to do with pensions for disability. I would further suggest that the sum of $1,500.00 be set as a lump sum gratuity payable to every soldier's widow, dependent parents or orphaned soldier's children. I do not believe that it is right in the case of a soldier who has fallen in action for us to base the bonus on the number of months he has served.

EDITORIAL NOTES.

Spring fashion note— Germany is setting the pace in spring headgear with a new Kapp. But will it fit?

Telling what the Union Government has done is not such a strain on the newsprint supply as telling what it has not done.

Sir Sam Hughes' affection for Sir Thomas White evidently does not approach in warmth Sir Sam's admiration for the Ross rifle.

The Aladdin Company may help to solve Peterborough's housing problem.

The pessimists who say the winter is never going to end should take heart. The baseball clubs are beginning to organize.

The Farmers' party in the Dominion House are learning politics rapidly. They left the task of opposing the eight-hour resolution to the former members of the goverment.

A debate on the eight hour day between J. H. Burnham and J. A. Sexsmith, Unionist members for West and East Peterborough respectively, under the joint auspices of the U.F.O. and the Independent Labour party would be a popular drawing card.

READY TO ATTACK

CONSTANTINOPLE, March 13.—Turkish waters swarming with warships ready to co-operate with land forces.

MANITOBA'S PULP WOOD.

Legislator Says There is Enough of Last America Fifty Years.

In a bulletin issued recently by the American Chamber of Commerce in Canada, John Morrison, member of the Manitoba Legislature for Ruperts Land, states that there is enough pulpwood in the forests of Northern Manitoba to supply all the newspapers in the United States and Canada for the next fifty years.

"Moreover," added Mr. Morrison "there is enough undeveloped water power in the rapids and cascades of Nelson River alone to operate a thousand paper mills—enough to run all the machinery in Canada to-day. In view of the worldside demand for print paper, these vast pulpwood forests are now focusing the interests of capitalists. The completion of the Hudson's Bay Railway this year makes these wonderful natural resources available for industry. The opening of this road from Port Nelson on Hudson Bay to a connection with the Canadian National Railway at The Pas will, I believe bring a number of big paper mills into the country and make a shortage of print paper impossible in the future."

Mr. Morrison lives at Grand Rapids at the mouth of the Saskatchewan River, on Lake Winnipeg. In coming to Winnipeg to attend the present session of the Legislature he travelled 110 miles by dog sled with Indian drivers to the railway at Mafeking.

PILES Do not suffer another day with Itching, Bleeding, or Protruding Piles. No surgical operation required. Dr. Chase's Ointment will relieve you at once and as certainly cure you. 60c. a box; all dealers, or Edmanson, Bates & Co., Limited, Toronto. STUDEBAKER
ANNOUNCEMENT
To The Canadian People

THE existing prices of Studebaker Automobiles were determined, as they have always been, on the basis of exact equality of value between the American and Canadian dollar. Prices will not be increased to cover losses in exchange unless they become considerably more serious than they are at present, which we believe is unlikely. This corporation is a Canadian industry, employing Canadian labor, investing its surplus funds in Canadian Government securities, depositing its working capital in Canadian banks, and paying large taxes to the Canadian Government. It respects and values the good will and patronage of the Canadian people, and will not take advantage of a temporary emergency to increase the prices of its cars.

STOCK INSURANCE.

Farmers in the West Considering a New Venture.

VICTORIA, B.C., March 13.—British Columbia dairy farmers are seriously considering the launching of a mutual live stock insurance company of their own. To prevent the spread of tuberculosis amongst cattle many valuable animals are slaughtered each year, and the provincial government's compensation for such amounts to but one-third of the present value. The proposal calls for payment by farmers into a general insurance fund. No shares will be issued; no dividends paid. The idea is merely to create a compensation fund on the theory that all slaughtering of infected cattle promote the welfare of the entire industry.

CONTRIBUTIONS TO ARMENIAN FUND

LIST AT THE EXAMINER OFFICE IS CLOSED.

Since last reported in our issue of March 4th, the following contributions have been received.

The readers of the Examiner have subscribed the handsome total of $3,656.80 to the fund; in addition, liberal amounts have been forwarded through the banks of the city:

R. Hendry	$5.00
F. E. Derry	2.00

DAIRY COMPANY IS BEING FORMED

At a meeting of the provisional directors of the United Dairymen Co-operative, Limited, the company through which it is being proposed to effect the amalgamation of the cheese factories in the Central Ontario district, whicgh was held in Belleville on Friday, it was unanimously decided to make immediate application for charter, and to proceed with the sale of stock, and complete the organization of the company.

So far 11 factories have definitely made application for the appointment of valuators, a naehtdpt jthe. of valuators, and the patrons in some seven or eight other factories are known to be favourable. Meetings are being called in still other factories The reports made by the directors yesterday, were that the reception the movement has received so far, has been so universally favourable, that it is only a matter of time until the company will be organized and ready for business.

The presidents of several of the cheese factories in the Belleville district were invited into the afternoon meeting yesterday, and took part in the discussion. Some of them, who were opposed to the project when they entered the meeting, though not fully understanding it, were so well satisfied with the explanation they received, that they announced their intention of going home and calling meetings of their patrons, to discuss it. Several presidents are going to urge their patrons to support the movement. Messrs. W. H. Crough, of Ennismore, J. E. Galvin of Lakefield and H. B. Cowan of Farm and Dairy, Peterboro, were in attendance

The company will be capitalized at $250,000, but it is expected that this capitalization will soon have to be increased. An executive committee composed of Messrs. John McCaffery of Madoc, H. Maloney of Marmora, and H. B. Cowan, was appointed. Mr. Cowan is acting as the secretary-treasurer of the company.

Snow-white fleecy blankets

Its easy to keep them that way. It's the best way, too, because pure, clean blankets wear longer. It just means using that purest, surest, and gentlest of all cleansers—

Sunlight Soap

It washes without rubbing, twisting, or wrenching the clothes. It's a wonderful work saver as well as a clothes saver

CLOSE PENITENTIARY.

Convicts Will be Moved From Edmonton to Saskatchewan.

EDMONTON, Alta., March 13. — Official instructions have been received from Ottawa that the Alberta penitentiary is to be closed down and the convicts removed from the Edmonton institution to Saskatchwan penitentiary at Prince Albert and the Manitoba penitentiary at Stony Mountain. There are 147 convicts at present doing terms of imprisonment.

LUMBER INDUSTRY.

PRINCE RUPERT, B.C., March 13.— The lumbering business has grown to such proportions that it rivals the fishing industry despite the remarkable growth of the latter. Many millions of feet are being shipped. This spring will see about 500 fishing craft operating out of here, ranging from iron steamers to small wooden boats, carrying a few men and two or three dories

GOSPEL HALL NOTES

The special meetings postponed because of illness were resumed last evening, when a large and appreciative audience listened to Mr. Harper continue his messages on the chart, "The Two Roads and the Two Destinies."

Previous to the delivery of the address a male quartette gave a message in song.

"The relation of the return of the Lord to Christendom", was discussed by the preacher. Reading Matthew 25:1-13 and taking verse 10 as his text it was pointed out first that Christendom was the scene of profession. "There is much to-day," said the preacher earnestly, "that while it takes the name of Christianity it lacks the living power which real Christianity gives. Many there are to-day who have a name to live but are dead."

It was noted that those who went up when Christ came had been made ready and that that readiness was accomplishe by no work of man but by the work of Christ on the Cross, and the work of the Holy Spirit in the heart of the believing sinner.

The marriage supper of the Lamb was pointed out as that to which the sinner is invited and the doom of the one who refused the call was emphasized.

The audience was urged to accept Christ at once.

No meeting to-night but on Tuesday night at 8 p.m. Mr. Harper will speak on "The judgment seat of Christ."

HEART SO BAD

WAS NOT SAFE TO LEAVE HER ALONE

Miss Eva P. Yatem-n, Keugersdorf, Ont., writes: "I feel that I must write and tell you of the great benefit I have received from Milburn's Heart and Nerve Pills. About four years ago I was taken terribly bad with my heart, nerves and fainting spells, and was down in bed for about six months. I doctored with two different doctors and seemed to get better although the fainting spells would not leave me. I would take such terrible falls wherever I was, that it was not safe to leave me alone at any time. At last I decided to resort to proprietary medicines, and took several different kinds but seemed to receive but little benefit from them. One day noticing the advertisement of Milburn's Heart and Nerve Pills I decided to try them. Before I had taken more than two boxes I could see that they were helping me. I have taken about ten boxes and am almost cured of those terrible spells. I sincerely feel that your medicine has proved a blessing to me and I advise anyone troubled with their heart to try them as I am confident they will find relief."

Milburn's Heart and Nerve Pills are 50c a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited. Toronto, Ont.

READY FOR DOG DERBY.

A Searchlight and Huge Bonfires Will Light Up the Trail.

THE PAS, Man., March 13.— The 1920 Hudson Bay dog derby will be started here at 10.30 p.m., on Tuesday, March 16th, with a searchlight and huge bonfires lighting up the trail on the banks of the Saskatchewan. A field of 21 entries is looked for, comprising the finest breed of huskies obtainable in the north. It is a non-stop race of 100 miles and the various teams are being trained to sprint from the start. The trails are reported to be heavy and drifted in spots and the race executitve will send out a few teams the day before the race in order to break such parts of the trail that requires it. Distemper has afflicted a number of the racing dogs, but no fatalities are reported, and the teams are stated to be rounding into shape rapidly.

Ravenna, Italy, now four miles inland, was once a seaport town. It has been made so by the delta of the River Po.

WATCH YOUR GUMS—BLEEDING A SIGN OF TROUBLE

Medical science knows how serious is the sign of bleeding gums. For it knows that tender and bleeding gums are the fore-runners of Pyorrhea, that dread disease which afflicts four out of five people over forty.

If the disease is unchecked, the gum-line recedes, the teeth decay, loosen and fall out, or must be extracted to rid the system of the Pyorrhea poisons generated at their base—poisons which seep into the system and wreck the health. They cause rheumatism, nervous disorders, anaemia, and many other ills.

To avoid Pyorrhea, visit your dentist often for tooth and gum inspection, and use Forhan's For the Gums. Forhan's For the Gums will prevent Pyorrhea or check its progress, if used in time and used consistently. Ordinary dentifrices cannot do this. Forhan's keeps the gums firm and healthy—the teeth white and clean. Start using it today. If gum-shrinkage has already set in, use Forhan's according to directions and consult your dentist immediately for special treatment.

35c and 60c tubes in Canada and U. S. If your druggist cannot supply you send to us direct and we will mail tube postpaid.

REGULAR MEETING OF DUMMER COUNCIL

The third meeting of the council of the Township of Dummer for the year 1920, was held in the Town Hall on Friday, the 5th day of March, beginning at one o'clock in the afternoon.

Present: Chris J. Darling, Reeve, and J. J. Crowe, George Barr, Edwin Hamblin, Councillors.

The following list of accounts were passed for payment:

Albert Hendren, gravel, $3.75, Stephen Miles, gravel, $4.80; J. W. McMillan, gravel, $3.75; R. W. Payne, gravel, $16.35; Mrs. Jordan Crowe, gravel, 45c; Mrs. W. H. Moore, gravel, $2.40; William Armstrong, gravel, $10.80; A. F. Choate, allowance for auditor, $5.00; E. Hawthorne, allowance for auditor, $5.00.

Application was made by Edwin Payne to furnish engine power to operate the stone crusher at the wages of $9.00 per day of ten hours, if the bins are not used with stone crusher, but if the bins are used the wages are to be at the rate of $10 per day for operating and moving the crusher and the attachments. On motion the application of E. Payne was accepted.

A bylaw to commute the statute labor in the Township of Dummer at $1.50 per day, to be expended by a superintendent or overseer appointed by the council in compliance with the Ontario Highways Act, 1915, and a bylaw to appoint Franklin Jory, as Road Overseer, was passed in due form and numbered Bylaw No. 877.

On motion a bylaw was introduced in compliance with the Colonization Roads Act to expend the sum of $1000 on main and leading roads in the Township of Dummer during the year 1920, requesting the government to contribute the one half of this amount, the roads intended to be benefited thereby, are designated as following:

Road No. 1—The second line from lot No. 6 to the boundary $100.

Road No. 2—The 4th line opposite lots 9 and 10, $100.

Road No. 3—The sideroad between lots 12 and 13, to Warsaw, $200.

Road No. 4—The second line from lot 17 to Bethel Church, $200.

Road No. 5—The third line oposite lots 22, 23, 24, 25, $200.

Road No. 6—The side road through con. 3, at lot 19, to the 4th line, and thence north to Zion church, $200.

Council adjourned to meet on Tuesday, April 6th, at 10.30 o'clock in the forenoon.

Torture of the Inquisition

A Modern Example of Suffering

People suffer—suffer torments—with help at hand. Gin Pills can overcome pain in the most marvelous way—all the suffering which follows in the wake of weak or diseased kidneys, such as rheumatism, sciatic neuralgia, stone in the bladder, excruciating backache, stiff and swollen joints and ankles yields quickly to the soothing, healing strengthening power of Gin Pills which contain Juniper and seven other valuable diuretics and antiseptics.

Mr. Arnold McAskell, of Hants N.S., writes as follows:

"For a long time I suffered from a pain in my back and could not move without agony. I grew worse until confined to bed. A friend advised me to use Gin Pills. Before I had used one box I began to feel better. By the time I had finished two, I was completely cured. I cannot say too much in favor of these pills and I recommend them strongly to anyone suffering from kidney trouble."

At the first suggestion of pain in the back get Gin Pills from your druggist or dealer. Each box is guaranteed to relieve—or money back. 50c a box Free sample, sufficient to show its value sent on request.

Grove's O-Pen-Trate Salve

Opens the Pores and Penetrates

A Remedy for Chest Colds, Head Colds, Sore Throat, Stiff Neck, Earache, Spasmodic Croup and kindred ailments. Apply freely to the skin just over the affected parts and rub it in.

GROVE'S O-PEN-TRATE SALVE

is also an Excellent Germicide for the Nose and Throat.

It should be applied to the nostrils so that you will be continually inhaling the vapors while in the presence of patients who are sick with contagious diseases, or when you are entering crowded cars or other public places during an epidemic of Grip or Influenza. Any Grip or Influenza germs breathed through the nose are destroyed by this germicide salve before the germs can reach the throat.

FOR THE SICK

Place One Level Teaspoonful of GROVE'S O-PEN-TRATE SALVE in a hot saucer in the sick room. The Antiseptic Vapor rising from the heated salve makes breathing easy for the patient. It induces sleep and is a great comfort to anyone suffering with Spasmodic Croup, Asthma, Bronchitis, Sore Throat, Coughs, Colds, Whooping Cough, Diphtheria or Pneumonia. The Healing Effect of the Vapor relieves the patient and is very comforting. Price 35c per box. If your Druggist hasn't any, send 35c in postage stamps to Paris Medicine Company, 193 Spadina Ave., Toronto, and a full-size box will be mailed to you promptly.

The Telephone Situation

Serving as Many As Possible

In communities in which telephone development is greatest, there is very general use of two-party line service. Four-party service for residence purposes is also widely used.

We are recommending two-party service at this time because of the world shortage of telephone material. We wish to serve as many applicants as possible with the cable and central office facilities available. The general use of two-party service will mean double the number of installations that would be possible if we devoted all our facilities to individual line connections.

Similar conditions of material shortage are being met everywhere. It is one of the inevitable results of the colossal waste of war.

In extending two-party development we are endeavoring to meet a trying situation in a manner that will provide the convenience of telephone connection to the maximum number of applicants.

Balance—$1.86.

A hearty vote of thanks was tendered to the retiring officers. The next regular monthly meeting will be held on April 14th, 1920 at the Labour Hall. Members are requested to bring their birds for comparison.

Arrangements are already under conside ration for next year's show.

GERMANY IS DIVIDED IN ALLEGIANCE TO NEW AND FORMER GOVERNMENT

(Continued from page 1.)

outcome of the present situation.

"The new Berlin government already has offered to negotiate with us, but we have refused absolutely," Ebert said, according to the despatch. "We take the ground that the new new government in Berlin does not represent any party group but is merely a few partisans who have seized power temporarily."

HAS NOT ABANDONED HIS ALLEGIANCE

BERLIN, March 15. — Herr Von Handiel has taken over the affairs of the Foreign Office, left without a head when Hermann Mueller was ousted, and announced that he was offering his technical services in the interests of the nation, but had not abandoned his allegiance to President Ebert.

It is reported that many Reichswehr generals, including Von Olderhausen, have resigned rather than serve under the revolutionists. Laborers at Karlsruhe have struck as a protest against Von Kapp, it is understood.

BELIEVES REVOLUTION WILL BE SHORT LIVED

(Canadian Press.)

BERLIN, March 15.— The conviction has prevailed from the first among men not identified with the present revolution that it will be short-lived, as it is outwardly without support of Conservatives or reactionary leaders, and it is viewed in many quarters as a "trial balloon," which will collapse shortly.

Most immediate danger is recognized as a general strike throughout Germany, which has already been proclaimed in many of the principal cities, including Berlin. In the meantime the old government is recovering its nerve and seems to have very liberal support from Federal States.

SOVIET GOVERNMENT.

(Canadian Press.)

PARIS, March 15. — Independent Socialists and Communists met yesterday at Mannheim and decided to take advantage of the present situation in Germany and proclaim a Soviet government, according to advices from Bahle, news having reached that city by telephone.

REACHED AGREEMENT ACCORDING TO REPORTS

(Canadian Press.)

BERLIN, March 5 — Unconfirmed report was current late last night that the new German government had reached an agreement with the Ebert government in order to avert a threatened railway strike. It is reported that South German generals and Saxon troops have given their adherence to Gustav Noske, Minister of Defence in the Ebert government.

RECOGNITION REFUSED.

(Canadian Press.)

LONDON, March 15.—One of the first acts of the new government in Berlin was to request recognition from Allied Commissions in Germany according to an official British message to-day. Request was ignored, commissioners asking attitude that they would not extend recognition even to extent of answering communication.

An official message filed at Berlin last night said there was no confirmation of reports that sailors at Kiel and Alton had gone over to the new government.

GERMAN MARKS LOWER TO-DAY

(United Press.)

LONDON, March 15.—The value of German marks dropped from 290 to the pound to 270 to the pound here to-day.

NURSING SCALE UP

ACTION OF NURSES CREATES CONSIDERABLE DISCUSSION.

CALGARY, Alta., Mar. 12—Discussion is rife here over the action of the Graduate Nurses' Association in raising the charge per week for the nursing of influenza cases to $50.00.

The nurses justify their action by the heavy duties which devolve upon the nurse, whole families often being stricken at the same time.

Mrs. C. R. Edwards, convener of the Public Health Committee of the Local Council of Women, strongly protests saying that if the resolution of the nurses is put into effect, it will be cheaper to die than call in trained assistance. She argues that the humanitarian side of the question is the first thing that should be considered.

VICTORY FOR DRY FORCES

WOMEN HAD A VOTE IN THE RECENT YUKON PLEBISCITE.

DAWSON, Yukon Territory, Mar. 12.—The pronounced victory of the "dry" forces in the recent plebiscite means that the vast Yukon Territory, extending from the Arctic Ocean to British Columbia—comprising an area equal to that of Ontario—has linked itself to the great North American Sahara—drying up the Continent from Mexico to the North Pole.

The Yukon voted against the sale of liquor of any kind for beverage purposes.

Women had a vote in this plebiscite, as well as for Legislative Assembly; and the dry vote, it is declared, was due largely to their efforts.

One woman Prohibitionist, Mrs. G. Sharp, travelled 100 miles to cast her vote.

OCCUPYING GERMANY

(United Press.)

PARIS, March 15.—Marshal Foch has recommended that Allied troops occupy the Ruhr industrial district and Essen, according to unofficial reports circulated here to-day.

MOUNTED RIFLES HELD A BANQUET

On Friday evening the Peterborough Branch of 8th C. M. R.'s held a banquet in Hooper's Palm Parlours to welcome home Capt. Fred Hubbs, one of the old 8th, who has recently returned from Siberia. A large number of members were present, including Major S. T. Medd, who commanded the local squadron of the 8th C. M. R., also Capt. T. D. Johnson. After a dainty repast had been served, Captain Hubbs gave a most remarkable talk on his experiences throughout the East, which were numerous and at all times dangerous.

Several musical items on the programme made the evening a very enjoyable one, which will always be remembered in the history of the 8th C. M. R. After congratulating Capt. Hubs on his safe return and a hearty welcome home, the pleasant evening came to a close by singing the National Anthem.

RESULTS ARE IN FAVOUR OF HUNS

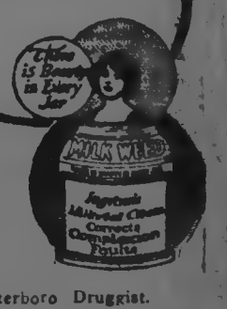
(United Press.)

COPENHAGEN, March 15.—The result of the plebiscite in the second division of Schleswig has been announced unofficially as follows, a despatch here to-day said:

Germany 48,148, Denmark 13,025.

Ingram's Milkweed Cream

Improves the skin-health. It has remedial action on pimples, freckles, blotches, eruptions, blackheads, etc. It relieves redness, roughness and irritation.



50c and $1.00 Jars

At All Peterboro Druggist.

HOHENZOLLERNS GUARDED.

(Canadian Press.)

THE HAGUE, March 15.—Ex-Kaiser and Crown Prince are being heavily guarded by Holland troops.

Stiff Joints Sore Muscles

Limber Up Quickly Under the Soothing, Penetrating Application of Hamlin's Wizard Oil

In cases of rheumatism and lame back it penetrates quickly, drives out soreness, and limbers up stiff, aching joints and muscles.

Wizard Oil is an absolutely reliable, antiseptic application for cuts, burns, bites, and stings. Sprains and bruises heal readily under its soothing, penetrating qualities.

Get it from druggists for 30 cents. If not satisfied return the bottle and get your money back.

Ever constipated or have sick headache? Just try Wizard Liver Whips, pleasant little pink pills, 30 cents. Guaranteed.

BLISS NATIVE HERB TABLETS

The pain from Rheumatism is usually the result of the failure of the KIDNEYS to remove the uric acid crystals, and also because you are CONSTIPATED. BLISS NATIVE HERBS TABLETS are the product of Roots, Herbs, and Barks that act on the bowels and kidneys, removing the waste product that poisons the blood. One BLISS NATIVE HERB TABLET at night will relieve you the same as it did G. I. Kelly, Nace, Va., who says: "For one winter I suffered with muscular rheumatism. I tried all the remedies I heard off without gaining relief, and I can't tell you how I suffered. A physician prescribed for me, and I also tried electricity. But nothing relieved me permanently until I used BLISS NATIVE HERBS as directed. Thanks to DOCTOR A. O. BLISS, I shall always praise BLISS NATIVE HERBS. Each box contains a GUARANTEE coupon, and is sealed with a blue seal bearing signature of ALONZO O. BLISS. For sale by all leading druggists in boxes containing 200 doses for $1.00 and a smaller size for 50c. Made by A. O. BLISS CO., WASHINGTON, D.C. 13

Voice Of The People

THE HOUSE BUILDING SCHEME.

Sir: The people who put their money into houses are not making much money out of them. The aim to own the house you live in is a good one, but the inducement to build houses to rent is not sufficiently attractive to cause a building boom. The people are buying the old houses that were built when lots were cheap, labor cheap, lumber, hardware, etc., cheap. The people who sell are getting as much or more than first cost; they are contents, but if they attempt to build they quickly find out that in selling they made a great mistake.

To replace the house they sold they must buy a new lot at an advanced price and when finished they find the new home cost 125% more than their first house cost. That is a house and lot that cost $1500 will now cost $3... No wonder that people are not b... ing to rent ... rent's may be ... come back and have reported, but there is no enthusiasm. Suppose the city borrows money and puts up a lot of houses, they will be filled, but when the installments are called for there will be many in default.

It is said the average houses with lots will cost $6000. Such a home to pay sinking fund, insurance, wear and tear and taxes, will call for about $400 a year. Can ordinary mechanics furnish the new home that Providence has sent him, live, rear a family, pay for water, gas, fuel, taxes, interest and sinking fund, and make up their bit of ground, for less than 12½, say $300 or $400 a year?

Let an accident happen to the head of the house. Let the Doctor be required, as is inevitable. Let there be a death or a strike, or any of the accidents that were not looked for, happen—what then?

Will the corporation be cruel, or hard or even hard-hearted? The occupant was a soldier! Surely this soulless corporation won't turn the widow out—surely the corporation will wait—and wait and wait—how long will they wait? Property has fallen in value and can't be sold at cost. Who will foot the bill?

If the city is wise it will let people get their own homes—as the first people did—the best way they can—and perhaps it will turn out the best way in the end and certainly the most profitably. SANEX.

Editor of The Examiner:

Sir,—In view of the fact that the German Government has actually fallen, I trust it will prove of general interest to your readers to know that I predicted this about eight months ago in St. Thomas, Ontario. When interviewed by the St. Thomas Journal, I made the following statement: "The fall of the present German Government is inevitable. From what I know of the Germans and German conditions, this present Government cannot be lasting. If it continues for a year longer it will have done well."

I say this not in a boasting spirit. I don't belong to the class of people who say, "I told you so." This is only one more of my predictions pertaining to the world war and the world's conditions generally that have come true to the letter.—Yours,

L. Joffe.

WANT FLAX STRAW

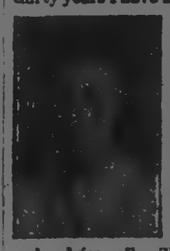
AN EFFORT WILL BE MADE TO SECURE LARGE QUANTITY.

WINNIPEG, Man., Mar. 12.—The resources department of the Canadian National Railways is in receipt of a letter from the American Fibre Company, asking for 4,000 tons of flax straw from Western Canada.

Inquiries are now being made in an effort to find where such straw can be secured in order to secure the market which this request opens to Western Canada.

NERVOUS PROSTRATION

May be Overcome by Lydia E. Pinkham's Vegetable Compound — This Letter Proves It.



West Philadelphia, Pa.—"During the thirty years I have been married, I have been in bad health and had several attacks of nervous prostration until it seemed as if the organs in my whole body were worn out. I was finally persuaded to try Lydia E. Pinkham's Vegetable Compound and it made a well woman of me. I can now do all my housework and advise all ailing women to try Lydia E. Pinkham's Vegetable Compound and I will guarantee they will derive great benefit from it."—Mrs. FRANK FITZGERALD, 25 N. 41st Street, West Philadelphia, Pa.

There are thousands of women everywhere in Mrs. Fitzgerald's condition, suffering from nervousness, backache, headaches, and other symptoms of a functional derangement. It was a special spirit for health and ...

"LISTEN, LESTER"

No end of colour and sprightliness go to make "Listen Lester," the John Cort musical comedy by Harry L. Cort, Geo. E. Stoddard, and Harold Orlob, with the entire New York cast, chorus, production and special company orchestra, which will be the attraction at the Grand to-night so great a success that during the entire year at the Knickerbocker Theatre in New York is played to capacity business. It is gay and breezy, with speed and variety, a variety that embraces all the essentials of a good musical piece, including amusing comedy, tuneful music, good songs well sung, a dainty and dancey chorus, excellent staging and costuming, and versatile dancing, so much of it that this play might be styled a "dancing musical comedy." The missing papers good old remnant of melodrama, form the basis of the story but they are served in a way that is different and altogether new and unexpected, with a lively galaxy of players surrounding them and adding a special dash and flavor. Through two acts these papers lead everyone a merry dance, but finally in good old musical comedy fashion fall into the right hands, as do the young lovers into each other's arms, which is even better.

It is played with charm and fitness to be expected from such artists as Mayme Gehrue, Jean Thomas, Miriam Folger, Cecil Williams, Ann Ott, Frances Anderson, Florence De Barr, Florida Bellaire, William Sellery, Joseph Mack, William Wayne, Gus Shy, John L. Lyons, Murry Hart, Mark Thompson and Andrew Leigh,

SOCCER GAMES NOT IMPORTANT

CUP SEMI-FINALS ANXIOUSLY AWAITED—LEAGUE GAMES ON SATURDAY.

LONDON, March. 14—The League competitions were interesting, but there was no sensational disturbance of championship positions. The leaders in the First Division, West Bromwich, made their place more secure by defeating Burnley, their nearest opponents, 4 to 1, and they have four goals more than Burnley and have played two matches less, there is every prospect of their ultimate success.

Liverpool and Sunderland, third and fourth respectively in the list, did not much improve their figures by drawn matches, but Chelsea's defeat of Notts County gave them a useful lift, all the more satisfactory as their attention is more centred at the moment on their great Cup fight with Aston Villa than on League possibilities.

Tottenham's defeat by West Ham was unexpected, but it can hardly affect their ultimate position as champions of the Second League. Their nearest rivals now are Birmingham, 7 goals behind. Birmingham had a wonderful week defeating Notts Forest 8 to 0 on Thursday and Lincoln 7 to 0 on Saturday.

There was heavy scoring in the Merthyr-Watford Southern League match. Watford were one down at the interval, the score being 3 to 2, but ran away with the match in the second half, winning 6 to 3.

CTIY BAIL LEAGUE MEETING WEDNESDAY

The annual meeting of the Peterboro City Baseball League will be held on Wednesday night in the Empress Hotel at 8 o'clock. All the League officers and representatives of the League teams are urged to attend as important business is to come up for discussion.

PREVENT SLEEPING SICKNESS

DE LAVAL BENEDICTS DEFEATED BACHELORS

De Laval Married Men's hockey team gave the Single Men a big surprise on Saturday afternoon by handing them a whitewash score of 8 goals to 0, which proved—although the Benedicts have not played hockey for years—that they have speed and hockey ability still. This being the third time these teams met gives the Benedicts the championship of the factory, the other games ending both in ties—the first game ending 5—5 and the second 3—3. The Benedicts being determined on Saturday not to again end in a tie, handed the Singles a whitewash instead.

Captain A. Frick, F. J. Allan, and Ralph Turner proved to be the stars for the Bachelors, while W. Lightheart, their goaler, saved in a splendid manner, or otherwise the score would have been higher.

For the Benedicts Jack Murray, A. Meehan, H. Allan, B. Garside were the stars, with Capt. J. Creighton in goal, who was determined not to let a single goal go by by his splendid work in the nets, helped to put the whitewash over the Bachelors. A. McWilliams and James Downing although out of the game for five years, did excellent work for the Benedicts, and showed they have not forgotten how to check and pass the puck. Ray Rose handled the game in a splendid manner. The teams lined up as follows:

Married Men.		Single Men.
	Goal.	
J. Creighton (capt.)		W. Lightheart
	R. Defence.	
A. McWilliams		H. Scribber
	L. Defence.	
J. Murray		A. Frick (capt.)
	R. Wing.	
B. Garside		F. J. Allan
	L. Wing.	
H. Allan		H. Turner
	Centre.	
N. Meehan		W. Scribber
	Subs.	
Jas. Downing		H. Simmons
W. Williamson		A. Clark

Referee—Ray Rose.

De Laval hockey club challenge the Little Lake Flyers or the Fire Hall club for a game, or any other hockey team. Adress all letters to Mr. D. Pirie, secretary, De Laval Hockey Club.

SUDBURY JUNIORS DEFEATED BY 10-1

TORONTO, March 15. —Toronto Canoe Club, junior champions of the O.H.A., defeated Sudbury by 10 to 1 on Saturday afternoon and retained possession of the Ontario Association Memorial Cup. The Northerners made a splendid showing in the opening period, but in the second they were outplayed by a wide margin and scored only one goal, as against six by the Red Ringed team Next Friday night T. C. C. will defend the cup against Loyola College of Montreal.

HOCKEY

Teams representing Thornton Bros. and Jopling's will clash in mortal combat in a hockey match at Brock Street Rink to-night, between 6 and 7 o'clock. The Thornton Bros.' team will line up as follows:

Goal, Lane; defence, Laing, H. Thornton; forwards, Scully, Pethick, and F. Jopling.

CHALLENGE ACCEPTED.

The following teams will play on Wednesday of this week from 7 to 8:

Little Lake Fliers—Goal, Le Vasseur; r. defence, Foley; l. defence, F. Collins; r. wing, Killoran; l. wing, N. Collins; centre, Ranger.

Unknown Y.M.C.A. — Goal, Bergone; r. defence, Lawson; l. defence, Herbison; r. wing, Thirnbeck; l. wing, Hamilton; centre, McDougall; sub, Hensley.

GEORGE STREET SERVICES

23 Young People Volunteer to Give their Lives to Definite Christian Service, as Missionaries, Deaconesses or Social Workers.

Large congregations and services full of inspiration and blessing to many was the record for George St. Methodist church yesterday. Rev. W. E. Millson preached morning and evening and also addressed a large mass meeting of the young people at 4 o'clock, as a result of which over 100 young people signified their willingness to commit themselves to God, and to do His will whatever that will might be. Twenty-three volunteered to give their lives to definite Christian service as missionaries, deaconesses or social worker.

A strong appeal for decision for Christ was made following the services at the evening service to which about thirty responded.

Services will be held every night this week excepting Saturday, beginning with a song service at 7.45 p.m. This will be the last opportunity of hearing Rev. Mr. Millson, who will sing and speak at every meeting.

These meetings are not for George street people only. They are for the city of Peterboro and it is hoped that everyone young and old will take advantage of this opportunity to hear Rev. Mr. Millson. He is a strong, virile speaker with a heart searching message for everyone. Visitors are extended a very cordial invitation. No collection is taken.

At the large mass meeting in the afternoon Mr. Millson's subject was "The Sin of Waste," taking his text from Phil. 3:12, "I follow after, if that I may apprehend that for which also I am apprehended of Christ Jesus."

This epistle was written by Paul from Rome under exceptional circumstances, and yet even under these circumstances Paul is making it his chief business to know what is God's purpose and plan for him.

In leading up to his main points on the sins of waste Mr. Millson gave several illustrations. He spoke of how wastefulness was brought home to us during the war and of the commissions which were appointed to go through the country preaching thrift and economy.

Another incident cited was that of the great wastage at one time in connection with the petroleum refineries at Petrolea. It was finally discovered that the material which used to run down the ditches was of even more value than that from which the coal oil was made.

A few years ago master mechanics representing the great machinery industries of America met in convention in Toronto. One delegate who was present said he would guarantee any plant there represented that by the proper education of the men employed and without any increase in the number of men, to increase the output of the plant at least ten per cent. The method of instruction would be to teach a man the relationship between his brain and his muscle, the tool he worked with and the stuff with which he was working.

Up until recently we have been endeavoring to put all our children through the same mould in the matter of education. Now, however, we are beginning to talk about vocational training, etc., which simply means the cultivation and development of the natural tendencies of the individual which God has put there.

"The message which is on my mind and heart," said Mr. Millson, "is that God Almighty has a plan for everyone of you a distinct place for you in the world.

The place is there and He has given you the ability to fill it. The biggest job that any young man or woman can do in the world is first of all to know God, and then find out his plan for them. "I believe that every man is called to a definite and specific business," said Mr. Millson. "If God has not a definite place for you in the world you are the only thing which He has created for which He hasn't a specific place."

Important as it is to discover the wastages in the business world it is much more important that we should not waste our lives in doing things which God never intended us to do. "Don't you see the absolute waste in your life," he said; "if you go on doing the things now that will unfit you for what God wants you to do."

Mr. Millson told his audience that he left school when he was eleven years of age, thinking he knew all the teacher could teach him. When he was 21 he went back to public school to get his Entrance. "I often think," he said, "that I might do something really worth while for God if I had not wasted so many years. I am letting you into my inner secrets in order that you may avoid doing likewise."

How may we know what is the plan which God has for us? By an absolute commitment of ourselves to God—an abandonment of self and a willingness to do what God wants us to do. "If you want to be the happiest you can be in this world," he concluded, "be in the place God has for you. At the evening service Mr. Millson opened his discourse with the statement that he was going to make a straight, honest appeal to those who were not Christ's followers to take a stand for Him.

Taking as his text, Luke 14:17—"Come, for all things are now ready," he said: "To-night my brother and sister out of Christ, I invite you to a glorious feast. The Lord has the banquet ready and has been waiting patiently for many years for some who have been delaying their decision. I am glad," he said, "that no one need leave the building to-night without first feasting on His love."

Mr. Millson then spoke of the wonderful love of Jesus Christ which compares to nothing so much as the love of a mother for her son. Many mothers have sons who are break their hearts through careless living. Yet the mothers are praying for those boys and hoping they will come back. Young men are led astray by companions who sneeringly accuse them of being tied to their mothers' apron strings. "Young man," said Mr. Millson, "you had better be tied to your mother's apron strings than be tied hand and foot to some evil habit which will damn your soul." The cry of a mother's heart is "Find my boy and bring him with all his blight." I never saw a boy whose mother forsook him; yet if there be such an one, Christ says, "When thy father and mother forsake thee, I will take thee up." Such is the wonderful love of Jesus.

Not only is Christ ready, but the Holy Spirit is ready, the great wooer and prompter of men's lives. There is an idea that the spirit of God does not strive with people as it once did. "Don't fool yourself," said Mr. Millson. "There is not a good impulse in men which is not prompted and given by the Holy Spirit." There are people who do not hear the call as they once did, but they may have become calloused, and are freezing to death spiritually. Just as a man who is freezing to death physically feels warm and comfortable. Any call one hears and does not obey, in a short time by refusing to obey it, one ceases to hear it at all.

The Church is ready to receive the penitent sinner. It is not perfect; it has its faults; but there are men and women in it who are praying Christians and whose hearts throb for the salvation of the people. Not only is Jesus, the Holy Spirit, and the Church ready to welcome the penitent, but "there is joy among the angels over one sinner that re[pents]." "I believe," Mr. Millson [said] that if the angels joy over [one] sinner, then our departed [ones] glory hear it. Many a son has [prayed] his mother on her dying [bed] meet her in heaven, and the[y] lives should be kept."

Everything has been [done] by God for us, even to His [great] gift—Jesus. Anything [left] to be done by the individual [is] responsible for the step.

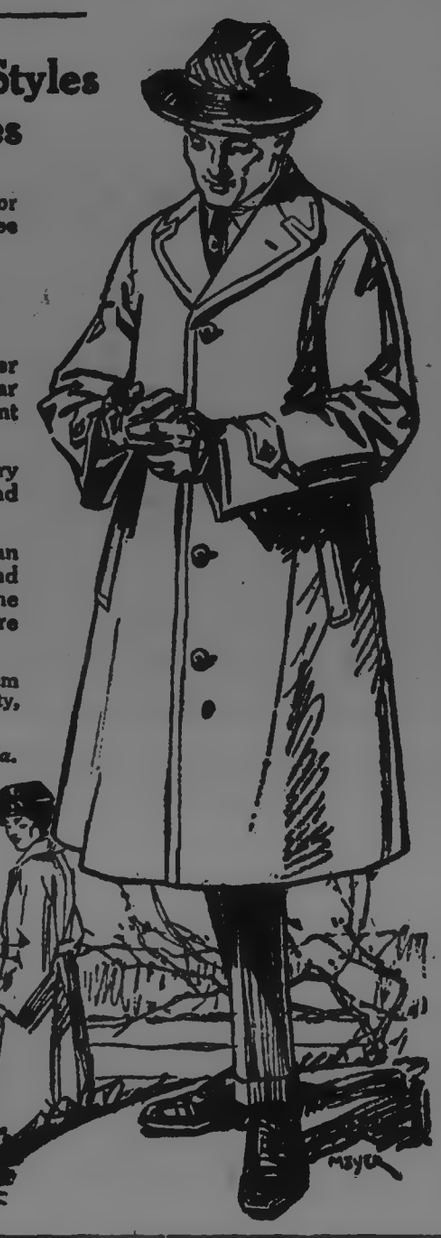
Dominion Raynsters

s G "Made-in-Canada" Raincoats

We
Cloth ve You Popular Styles at Popular Prices



normous increase in the demand for "DOMINION RAYNSTERS" has made three things possible.

—a greater variety of styles
—more patterns from which to choose
—a wider range of prices.

For spring, "DOMINION RAYNSTERS" offer a complete line of new models at popular prices, as well as a more extensive assortment in other grades.

"DOMINION RAYNSTERS" are for every member of the family—for men, women and children.

They are Canadian made, by skilled Canadian hands. They are smart and stylish—easy and comfortable—and give you just double the service of the usual coat because they are absolutely waterproof.

The guarantee label of the Dominion Rubber System is in every garment as an assurance of quality, workmanship and satisfaction.

Sold By The Best Stores Throughout Canada.

SANDRA THE JEALOUS

BY JANE PHELPS

HYACINTHS PLEASE SANDRA.

CHAPTER LXXII

Walter Kemp called again. I was really glad to see him, and took no pains to hide my pleasure. He brought me a great glowing bunch of purple hyacinths. Right away I thought he was different from most men, and told him so.

"Why am I *different*?" he asked, with an ingratiating smile.

"It would have been either roses or violets with most of them. Men seem to think they are the only flowers a woman cares for."

"And it isn't?"

No, indeed! Why, I would much rather have the hyacinths. There is something so individual about them. Some way it seems that you took thought as well as money to buy them."

"That's a very pretty compliment, **and quaintly said,**" he returned, delighting me. I was glad to find someone who thought me at least **intelligent.**

I called for tea, and we chatted and laughed together for an hour or more.

"I have not spent so delightful an afternoon in a long while if ever," Mr. Kemp said, as he rose to go. "Now that I know you were not injured, I cannot feel at all sorry for our accident."

"... forget poor Thomas, our chauffeur, or are you hardhearted?" Some way it was easy for me to talk to ... I knew I had acquitted myself well.

"Thomas doesn't count in my scheme of things—you do," he replied with a little laugh, but also with a meaning glance that thrilled me and made me blush. I was always ... myself when I blushed. It was another sign of youth. Irma Barton said a man ... her ... could blush if a man said something nice to them, or paid them a compliment.

While he stood talking to me, Hetty announced Mrs. Garry. I couldn't help but wish he had gone before she came; then at the same time was glad she would find me entertained by so charming a man.

They were acquainted, and chatted a moment together before he took his leave. Then she shook her finger playfully at me and said:

"Naughty—naughty! Kemp has a reputation, you know."

"No, I didn't know. I find him charming."

"Of course! That goes with the reputation. You never knew an uninteresting man to be talked about, did you, unless he were a murderer or a burglar or something?"

"What do they say about Mr. Kemp?"

"It isn't so much what they say as what they imply. He has had a good many affairs. They do say"—lowering her voice, "that one woman took poison because of him."

"How thrilling!" I returned, forgetful that I knew her for a gossip, and that Everett had warned me against talking to her save on the most ordinary topics.

"Did he bring you those wonderful flowers?"

"Yes—aren't they lovely?"

"Lovely and—distinctive."

"That's just what I told him."

"I've been told that is one of his weapons of conquest. Doing the unusual thing, or the usual thing in an unusual way."

"What do you mean by weapons of conquest?" I was honestly puzzled.

"Oh, you baby! Don't you know he prides himself on making a woman fall in love with him if she is attractive? I expect he has designs on you. Where did you meet him? He isn't in Mr. Graham's set at all—too young and too—fast."

I told her of the accident, and that Mr. Kemp had called to inquire after me. I didn't tell her it was his second visit. She might have thought one sufficient.

"Quite romantic, isn't it? Does your husband know he is calling?"

"I shall tell him when he comes in."

"Do! If you do not, someone else surely will and make something out of it, too. People aren't very considerate, my dear."

After she left, I recalled her gossiping proclivities, and wondered if she would spread the fact that I had entertained Mr. Kemp. Anyway, I would tell Everett as soon as he came in. I would "get my story in first," as Rose Grandon used to say she did when she was afraid her mother was going to scold her for something she had done.

(To Be Continued.)

MANITOBA BLUE SKY LEGISLATION

Among the bills now before the Manitoba legislature is one to amend the Sale of Shares Act, but just what change will be made is not yet certain. Giving evidence before the law amendments committee on March 2, C. A. Millican, who is secretary of the Gabrielle mine, Pine Lake, said that he was in favor of elimination of wild-catting by promoters, with promoters' stock. Mr. Millican stated that the mine he represented had controlled the promoters' stock by pooling and declining to register a transfer or sale of stock from one stockholder to another.

The proposition, as Mr. Millican explained it, was that a few individuals purchased a mining site for $500. They forthwith organized a company with a capital of $2,000,000, of which they appropriated $1,000,000 to themselves as promoters or vendors' stock This stock cost them on the basis of the $500; they had expended a very low sum. The company then proceeded to put the other half of the stock or development stock on the market and the proceeds of this sale was applied to the development of the mine. At the same time, however, the promoters unloaded their private stock, at probably a much lower figure, which would, however, give them an exceedingly large profit. The idea of the amendments, said Mr. Millican, must be to prevent this sale of the promoters' or vendors' stock until it was justified by the development of the mine.

Another recommendation put forward by Mr. Millican is that the public utility commission would be utilized by the government as a central office to which all mining companies would be required to send a monthly report, these reports to be open for public inspection, and if advisable, published in the daily press.—Monetary Times.

IF THIN AND NERVOUS TRY BITRO-PHOSPHATE

While excessive thinness might be attributed to various and subtle causes in different individuals, it is a well-known fact that the lack of phosphorous in the human system is very largely responsible for this condition

It seems to be well established that this deficiency in phosphorous may now be met by the use of Bitro-Phosphate, which can be obtained from any good druggist in convenient tablet form.

In many instances the assimilation of this phosphate by the nerve tissue soon produces a welcome change—nerve tension disappears, vigor and strength replace weakness and lack of energy and the whole body loses its ugly hollows and abrupt angles, becoming enveloped in a glow of perfect health and beauty and the will and strength to be up and doing.

CAUTION:— White Bitro-Phosphate is unsurpassed for the relief of nervousness, general debility, etc., those taking it who do not desire to put on flesh should use extra care in avoiding fat-producing foods.

GOOD RECITAL AT THE CONSERVATORY

DECORATIONS CONFORMED TO THE 17TH OF MARCH,

Regardless of the disagreeable weather, a large number attended the musicale in the Conservatory of Music Hall on Saturday afternoon, and the charming programme arranged by Mrs. G. N. Gordon was thoroughly appreciated by all. The table, like the programme, savoured of the 17th of March, and the appointments were carried out in green and white, with harps and candles. The hostesses of the afternoon were Mrs E. L. Goodwill and Mrs. Fred Roy, assisted by Mrs. Wightman, Miss Mabel Patterson, and Mrs. J. W. McDermid.

The Programme.

The following programme was presented:

Vocal — "I Hear You Calling Me (Childs Marshall)
Mrs Maurice Park

Piano Solos — (a) "Merry, Merry Lark" ..... Nevin
(b) Valse in A major, Schubert-Liszt
Mrs. Porter

Vocal—"A Little Bit of Heaven," Ball
Mr. Walter Evans

Violin Solo—Paraphrase on a Bohemian Folk Song ..... Frail
Miss Harrington

Vocal Solo—"There are Birds in the Valley" ..... Lyman
Mr. Maurice Park.

Miss Ida Sanderson acted as accompanist for all numbers.

Volcanic peaks which do not reach the surface of the ocean are more frequent in the ... than in ...

RELIGION IS NOT FOR SUNDAY ONLY

THE WORLD IS NOT A FRIEND TO MEN SEEKING GOD.

Rev. Walter E. Millson, who is conducting the special evangelistic services at George Street Methodist Church, was the speaker at that church yesterday morning. Rev. Mr. Millson took as his text, Romans xii., 2 and 3: "Be ye not conformed to this world; but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God." "Be not overcome of evil, but overcome evil with good."

Demonstration, Not Profession.

Rev. Mr. Millson said that religion was not a question of profession but of demonstration. With some people church-going was the important thing, the seemly thing. But what of the life of those people on Monday? Too many people were susceptible to the influences of the world. But the world was no friend of Christ to lead a man to God. He who desired to live the Christian life would find himself confronted with difficulties in quarters where he had never expected them. The susceptible person who was conformed to this world was like a piece of putty, and his actions were shaped by the views of others, and his desire for popularity.

On the other hand, the person who was transformed as Paul had said was exemplified by a bulb which, placed in the earth, grew and sent forth shoots until it had become a beautiful plant. It was not moulded by external influences, instead, its development was from within.

Stimulus to Overcome.

Continuing, Mr. Millson stated that God intended His children to be overcomers, and that if one put himself in God, He would give the stimulus to overcome. Our religion should be positive, definite and aggressive.

In closing, Mr. Millson made a plea for co-operation in the work of the week and the services which this week would bring to an end.

PUBLIC MEETING IN SPRINGVILLE

There will be a public meeting held in the Presbyterian Church, Springville, on Tuesday evening, 16th of March, commencing at 8 o'clock, for the purpose of discussing the establishing of a consolidated school.

Mr. R. Lee, public school inspector, Mr. O'Dell, of Northumberland, and a representative of the Department of Education, Toronto, with others, will address the meeting. The public are cordially invited.

The trustees of Brailey's School, Elmdale, Cairo, and Fairmount are especially requested to attend.

TAG DAY RESULTS WERE $1,041.35

A total of $1,041.35 was realised by the workers on Tag Day (Saturday) in aid of the Orphanage, or $61.56 more than last year, when the receipts totalled $979.79. The ladies in charge stated that had there been more workers the sum would undoubtedly have been much larger, as the public was exceptionally sympathetic in the response, few citizens refusing the appeal. The box containing the largest sum was that carried by Mrs. Lane and Miss A. Simons, which contained $131.05.

Paid a Tribute.

At the morning service in the Cathedral yesterday, Rev. C. J. Phelan referred to the generous response made by the public, with special reference to the co-operation of friends other than members of the Catholic Church.

ROME TO HONOR VOLTA.

Movement Is Started to Erect Monument to Pioneer Electrician.

ROME.—Alessandro Volta, the inventor of the Voltaic pile and after whom the electric volt was named, is to be honored with a monument in Rome, which will probably be unveiled in 1927, the hundredth anniversary of his death.

The movement for the recognition of the services of this pioneer Italian electrician to humanity was launched at a recent dinner of the Italian Alpine Club by Luigi Spada, Secretary of the Rome branch of the club.

Volta was a native of Como and won fame as a professor of physics both at Como and Padua. Although he made many discoveries and inventions in electricity his Voltaic pile is the one upon which his fames rests chiefly.

"And Mother Says to Send Over Some Pure Gold Jelly Powders"

The children know the name of their favourite dessert and never tire of it. You can't fool them with imitations, either. The rich flavour of luscious fruits in genuine Pure Gold Jellies is not easily forgotten.

The kiddies—and grown folks as well, have a great habit of sending their plates back for more whenever these delicacies are served. Give them all they want. They're absolutely pure, and so good for them.

Better get a supply and have them handy. Raspberry, strawberry, lemon, orange, red currant, pineapple, cherry and vanilla.

A Big Land Deal.

Farm in the West Sold For $56,000.

REGINA, Sask., March 13.— One of the biggest land deals in the district of Regina during recent weeks was the sale of the R J. Boyd farm, about three miles south and west of this city. This farm, composed of five quarter sections, was sold for a total of $56,000, with a large payment in cash.

PRISON FOR SELLERS OF POISON WHISKY.

Four Who Sold Deadly Liquid in Hartford Sentenced to Varying Terms

HARTFORD, Conn., March 13. — Nathan Salzberg was sentenced to from eight to twelve years in prison here; Frank Rose, three to five years; Saul Joseph, three to five years, and Jacob Bronerwine, one to three years.

The four men charged with the sale of wood alcohol whiskey which resulted in thirteen deaths here at Christmas time. The particular charge was that they caused the death of Anthony Charkozich. They did not contend when charged with manslaughter.

The quagga, or striped ass resembling the zebra, has become virtually extinct, due to slaughter by Boer farmers.

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies specially prepared for grown-ups are not interchangeable ... was the need of a remedy for the common ailments of ... and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

WEDDING BELLS

SKUCE—BURKE.

A quiet wedding was solemnized at Spruce Hill Farm, Reaboro, on Monday, March 8 at 3 p.m., when Levada Ellen, daughter of Mrs. George Burke, and Elmer Russell Skuce were united in the bonds of holy matrimony.

The bride entered the drawing room leaning on the arm of her brother, Huber to the strains of the wedding march played by her sister, Mrs. A. E. Barrie, of Peterborough.

Rev. Mr. Coumans, Superintendent of Baptist Home Missions, Toronto, performed the ceremony.

During the signing of the register Huber Burke sang "A Perfect Day," after which a sumptuous repast was served.

After a pleasant evening the young couple departed for their new home in South Ops amid the best wishes of the assembled guests.

OBITUARY

INFANT DAUGHTER.

The death occurred on Saturday of the infant daughter of Mr. and Mrs. David Fenn, 182 Lock Street.

The funeral took place this afternoon at 3 o'clock from the family residence, 182 Lock Street, to the Little Lake Cemetery, Rev. James Price, of St. George's Church, officiating.

SUSAN SQUIRES

The death occurred in Nicholls' Hospital this morning of Susan Newton wife of James Squires of Cobourg. Mrs. Squires was 75 years of age and leaves to mourn her loss five daughters, Mrs. Gregory of Winnipeg Mrs. Lytle of Calgary, Mrs. Thomas Flannery of Peterborough, Miss Pearl of Toronto and Marjorie at home and one son, William of Toronto and Victor at home. The remains will be taken to Cobourg to-night where interment will take place on Wednesday.

JOHN MACFARLANE.

John Macfarlane, a resident of the city for the past three years, died this morning at his residence, 543 Water Street, aged 54, after a few days' illness, from pneumonia.

Deceased was born in Eastern Canada. He was a member of the Foresters, and a faithful and consistent member of George Street Methodist Church. He leaves of the immediate family his wife and four daughters, Laura, Amy, and Marion of this city, and Lillian of Toronto.

The funeral will take place on Wednesday morning, the time to be announced later.

JOHN LOCKHEART.

One of the most well known residents of this city passed away Saturday night in the person of John Lockheart, aged 88 years, and for some seveity years a resident of Peterborough.

The deceased was born in Ireland, but came to Canada at early manhood, settling in Peterborough, where he conducted for many years a carriage business under the name of Lockheart and Chowen on the present property, the site of the terrace at the corner of George and Murray streets. For some twenty years he had lived retired with his son-in-law, Mr. A. E. Micks. His wife predeceased him twenty years and his only daughter, Jennie Micks, also predeceased him. One brother is believed to be living in Ireland.

The late Mr. Lockheart was intimately associated with the church work of George street Methodist church, where he was a regular atendant. For many years he had been a member of the Trustee Board ,and was ever zealous in the advancement of the church and its ideals. His life has been an example to all who were acquainted with his upright character ,his kindness of heart and zeal in any worthy cause.

The funeral took place this afternoon at 3 o'clock from the residence of Mr. A. E. Micks, 425 Stewart street, to the Little Lake cemetery. Rev. A. J. Thomas of George street Methodist church, officiating

GOOD LUCK SAVED FIRST U.S. CONVOY

REAR ADMIRAL SIMS TESTIFIES BEFORE INVESTIGATING COMMITTEE.

Canadian Press.

WASHINGTON, March 15. — Only a measure of good luck brought the first convoy of American troops safely to France, Rear Amiral Sims today told the Senate Investigating Committee.

The Admiral recounted the series of blunders made by the Navy Department in connection with the convoy of troops.

The policy of the United States Government in this connection, admiral Sims declared to have been its insistence upon making decisions based upon complete misinformation.

German submarines were enabled to attack the first American convoy, Admiral Sims stated, because the department insisted upon using an unsafe code which was easily intercepted and deciphered by the enemy. This despite his warning and fact that all the other allies were using new war time codes.

The United States code had been in use for many years but the Washington officials had refused to change it.

The commencement of the sailing of the first American destroyers was printed in Berlin four days before they arrived at Queenstown, declared the officer.

The United States naval attache at Paris had obtained his first word that troopships were sailing from a woman whose husband had read the information in a business message

Mr. and Mrs. W. McKee Bingham leave to-day for their cottage at Rice Lake after spending the winter in the city.

MR. LOUIS JOFFE AT ST. JAMES'

Mr. L. Joffe was the preacher at the morning service at St. James Methodist Church yesterday. His subject was "God is Love" and he took as his text the 13th chapter, 1st Corinthians. His sermon dealt with the fall of Adam, who was primarily made perfect by God and there was no sorrow nor pain nor death. Adam and Eve were perfect creatures capable of enjoying the limitless bounty of Our Father's love. God only demanded one thing from our first parent, obedience that he should not eat from the tree of knowledge. What life would have been had Adam not fallen is beyond our present conception. We can only have a faint idea when we look back in our lives to the stage when we were innocent rejoicing children. Augment this a hundred fold and we have an idea of what life will be when Christ comes again to become the King of life and redeem the fallen world.

Man fell through knowledge and knowledge in part is painful. Hence human suffering by his own choice All the bloodshed, all the envy, all the strife and diversion between man our hardness in a word everything that comes under the name of sin is explained in the final analysis as being due to man's imperfect knowledge and imperfect judgment.

Of course man being God's supreme masterpiece dragged down with him all the lower forms of life, hence the tooth and claw in the criminal world. But these conditions will not last forever as promised by the word of God which has been fulfilled in the first coming of the Lord Jesus Christ who being perfect and without sin was crucified by imperfection and sin and thus God provided a means in his infinite love by giving His only Begotten Son as a ransom for many and that through him men might have eternal life. And though things appear to be very gloomy at present yet is it but the deep darkness which comes before the dawn a great and wonderful day is approaching fast. They that stand on the heights can see it. Alas! below in the valley deep darkness still prevails but as the sun dispels all shadows so will the Son of Man in His radiant glory come triumphant to reign in love.

Will you give yourself now to that divine love? Do you want to be part of the body of Christ? Come! The time of Grace of the Gospel age will not last forever. The Word of God tells us that it will be with drawn some time more especially for the Gentile world. God says to you "Look I have not spared my beloved people the Jews. I have laid them prostrate that they might become as a stepping stone for you to mount the heights." Read the 11th chapter of Romans and the mystery of the Jew will be explained to you. "I have not spared my only Begotten Son and allowed Him to go through the Valley of Death and take upon Him your sins. Come unto me for I am love."

In the afternoon Mr. Joffe gave an interesting address to the Sunday School. It was highly appreciated.

MINERAL OIL
FOR CHRONIC CONSTIPATION
By buying this produce from us you can get the highest in quality that can be procured at an ESPECIALLY LOW PRICE.
There are many thin oils on the market that are not suitable for internal use; other oils have irritating qualities which render them also unsuitable. The one we are selling is guaranteed thick and entirely pure.
It is recognized that a good grade of Mineral Oil is one of the best remedies for CHRONIC CONSTIPATION that is being used. It acts mechanically and does not irritate the intestinal tract, nor does the dose have to be constantly increased as is the case with ordinary purgatives.
It is much better and cheaper than Castor Oil as a laxative for children, since Castor Oil has two effects, the first of which is purgative and the second or after-effect, which is Constipating.

Band To-Night At Brock St. Rink Fine Ice

SITUATION IN GERMANY IS STILL VERY OBSCURE STATE THE DESPATCHES

A COMPROMISE IS REPORTED BETWEEN PRESIDENT EBERT AND THE REVOLUTIONISTS---HINDENBURG MAY BECOME PRESIDENT.

ELECTION TO BE HELD IN GERMANY

United Press.

PARIS, March 16. — The situation in Germany to-day was still obscure.

A Berlin despatch declaring that a compromise agreement had been reached between President Ebert and the revolutionists in control of the capital, was contradicted by a despatch which asserted that Ebert had repudiated the Berlin negotiations, and denied the announcement of a compromise.

The French foreign office, however, was inclined to believe that events will bear out the announcement of the compromise, believing that the Von Kapp group realizes that it cannot obtain the support of a majority of the people.

The despatches said that a meeting of the Ebert cabinet was held at Stuttgart yesterday. The president and vice-president of the National Assembly and the Wuertemburg ministers attended.

DEPEND UPON THE PRESS FOR THIS INFORMATION.

United Press.

LONDON, March 16. — The officials in the German embassy here today continued to depend upon the press for their information as to the events in the revolution-torn Germany.

The embassy has received no direct word from either the revolutionist government or President Ebert, officials said. They refuse to declare whether they will accept the Von Kapp Government should it be successful.

Regardless of what may happen, they said, the treaty of Versailles will be observed. The officials admitted however that there may be significance in Von Luettwitz's statement that the treaty will be observed so long as "compatible with German honor."

VON HINDENBURG MAY BE PRESIDENT.

United Press.

PARIS, March 16. — The German delegation in Paris had no confirmation of the despatch reporting the compromise but said that it had received the report from other sources.

French officials saw a strong possibility that Field Marshall Von Hindenburg may become the president if the report that Ebert has agreed to call a new popular presidential is certain.

The officials in the foreign office believe that his election is certain if he should become a candidate.

The said they believed this was the reason Ebert has consistently opposed a popular election of president.

STREET FIGHTING WAS REPORTED.

United Press.

PARIS, March 16. — The workers' federation in Stuttgart has demanded a Soviet dictatorship and will submit the plan to a vote of all workers to-day, a Berlin despatch asserts.

Serious disorders have occurred in large cities throughout Saxony, the despatch says. Street fighting was reported in Dresden.

HOSTLITY IS NOW GROWING IN BERLIN.

United Press.

BASLE, March 16. — Hostility is growing in Berlin against the Kapp Government according to unofficial despatches received here to-day.

An important faction of the security guard, the main reliance of former War Minister Noske, was said to be agitating against the new administration.

The Spartacan element also was alleged to be manoeuvring preparatory to bringing about a coup

General Ludendorff, according to advices, wired Chancellor Kapp that he could no longer rely on the support of the Reichswehr, detachments of which were cooperating with the guard in patrolling the government buildings when Kapp's marine guard marched into the city.

Under Secretary of State Peters was reported to have handed a high functionary an ultimatum directed to Kapp, demanding that the latter abandon his position to avoid "catastrophe and bloodshed."

SUNKEN TREASURE BEING RECOVERED

Fifty Million Pounds Recovered From the Sea.

(Canadian Press.)

LONDON, March 16. —Sunken treasure worth fifty million pounds has been raised since the war began around the British Isles. The Restorer and Reliant, two sailing vessels that were bought by a British concern from the American navy, have a new device; an oxy-acetylene flame which is worked under water for cutting holes in the sides of submerged vesseds. Each ship has twenty-five electric pumps, capable of pumping one million gallons of water an hour, and carries two divers, searchlight line, throwing guns, electric welding plants, rock drills and other accessories. Each diver is equipped with telephone. The Restorer lately recovered one million pounds in gold from the Laurentic off Lough Swilly, and both vessels are now operating off New Haven on the Channel coast.

HANDSOME TABLET WAS UNVEILED

ARCHDEACON DAVIDSON PARTICIPATED IN THE CEREMONY.

Last evening in St. George's church, Hastings, a handsome tablet erected by the congregation of the church and the I.O.D.E. of the town to the memory of those of the parish who paid the supreme sacrifice during the war, was unveiled at a largely attended meeting.

The unveiling was done by Captain Hubbs, while the dedication and unveiling service was conducted by Archdeacon Davidson who, with Rev. T. McKim, rector of the church, conducted the service for the evening. In a short address Archdeacon Davidson referred to the splendid record Hastings had made during the war in sending her sons to the front and to the inspiration the church has been in sending men later supporting them by boxes and cheer and subsequently by erecting such memorials as that unveiled last evening.

The I.O.D.E. has been instrumental in erecting several such tablets about Hastings.

THE EXECUTIVE IS IN THE CITY TO-DAY

Opening Preliminaries of the G.W.V.A. Convention

The Ontario Executive of the Great War Veterans which arrived in the city yesterday afternoon, went into session this afternoon. Six delegates from Ottawa arrived in the city this morning at 4.30 and were met by special car; arrangements having been made with the Radial Railway Company to have special cars meet all early easterly trains.

Mr. H. L. Howe, circulation manager of the "Veteran," arrived in the city to-day to attend the convention.

Liberal Caucus

GOVERNMENT -MEMBERS DISCUSS JELLICOE REPORT ON NAVAL POLICY.

(Canadian Press.)

OTTAWA, March 16.—At the conclusion of the Liberal caucus this morning, J. A. Robb, Chief Liberal Whip, stated that the Liberal members had discussed the proposed Government legislation. This would include the Franchise Bill and proposed amendments to the British North America Act.

Liberal members stated that there had been no discussion of the naval policy or the Jellicoe report.

It is understood that at the caucus of the Government supporters this morning a proposal to establish some form of naval air service was given much support.

The Government members in caucus this morning discussed the Jellicoe report on Canada's naval policy. Sir George Foster subsequently announced that the opening of the caucus had been taken on the question of the naval policy, and the majority had expressed an opinion along certain lines. What the lines were, Sir George refused to state.

It is understood, however, that the majority view was opposed to any great enlargement of the naval policy this year.

EIGHT-HOUR DAY.

The Dominion Parliament, generally speaking, has no right to enact an eight-hour day law, in the opinion of Minister of Justice Hon. C. J. Doherty. He gave as his personal opinion when the subject was under discussion in the House last night as the result of a resolution brought in by J. H. Burnham (Peterborough). However, under the British North America Act, he believed that if Canada entered into some treaty under which it was bound to enact some particular legislation, Parliament would have power to legislate for the purpose of giving effect to such an obligation.

Hon. Mr. Doherty said that on the question of legislative jurisdiction there were some very strong opinions held by those who speak for some of the Provinces adverse to that which he had expressed. In view of that condition of affairs, he said it might become necessary to have the question authoritatively passed upon.

In concluding the debate, Mr. Burnham said that the opinion of the Minister simplified the task of the Drury Government, which intended to refer the subject to a Commission. "Now, then, let the Provinces go on and let labour get after them," he declared. Finally, he withdrew the resolution, Hon. Mr. Rowell having contended that the member had succeeded in gaining his purpose of having Parliament's duties defined.

NINETEEN KILLED

(Canadian Press.)

LONDON, March 16 — According to an Exchange Telegraph despatch General Ludendorff attended a meeting of the Cabinet Council of the new Government last night.

Further reports of the clashes in Prussia were received to-day, nineteen persons being reported killed and many injured in the Berlin suburbs.

In Hamburg, thirty persons were killed, including some women and children, during the fighting between the civilian guards and Baltic troops. Among the killed was Captain Berchtold, commanding the Baltic troops.

A Copenhagen despatch to London states that the new Government was formed yesterday at Munich Bavaria, composed of Democrats and Centrists.

During the demonstration at Leipsic yesterday troops fired on the crowd, killing more than twenty persons and wounding [illegible] a correspondent of the Central News.

The Centre Party Executive Com[illegible]

Militia Clashes

ARMED FORCES OF TWO GOVERNMENTS HAVE NOT COME INTO COLLISION.

Civil war seems imminent in Germany as result of the refusal of the Ebert Government, now sitting at Stuttgart, to carry on negotiations with the reactionary regime, which seized the power suddenly last Saturday morning.

The unconditional surrender of the men directing the new Government is demanded by President Ebert.

Berlin is in the grip of a general strike, called by the Socialists and and Labour leaders as a counter-stroke to the assumption of power by the Government headed by Dr. Wolfgang Kapp, who has issued a decree threatening all strike leaders and pickets with death if there is interference with the vital public services.

Extreme measures will be taken under the decree from four o'clock this afternoon, and it is possible the crisis of a new revolution will quickly follow.

Details of the situation throughout Germany are somewhat obscure, but there seems reason to believe that the Ebert Government still controls the Southern and the Western sections, while the Kapp regime is rather firmly entrenched in North-eastern Prussia and in Silesia.

Figting is reported at various points, and it is said that there was bloodshed in Berlin suburbs yesterday. The clashes so far have been between the militia units and disorderly crowds.

So far as is known, the armed forces of the two Governments have not come into collision.

TELEGRAM FROM MR. J. H BURNHAM

REFERS TO FATE OF DEBATE ON HIS EIGHT HOUR DAY RESOLUTION.

The following telegram was received from Mr. J. H. Burnham, M.P.:

"The debate on my eight hour day resolution came to an end last night when the Minister of Justice made the all important declaration that the Federal Parliament had no jurisdiction in the matter and that such legislation rested with the provinces. Mr. N. W. Rowell also made the important announcement that the Washington conference had decided that its labour programme, including the eight-hour day, should apply to industry only and that agriculture is not an industry. The three callings which it decided as outside its labour legislation are agriculture, seafaring and transportation. The tangled question of jurisdiction has never been settled in Canada. My resoltion established what industries are to be considered industries and what power will deal with them. Four-fifths of the House was against an eight-hour day and about thirty spoke against it. Canada alone, of all the powers represented at the conference, has taken this stand. The conference adopted the eight-hour day.

J. H. BURNHAM

FIRST ARRIVALS REACH CITY

The executive of the Great War Veterans who went into session this afternoon to appoint committees were Comrades Turley, provincial secretary, C. E. Jeakins, president, Hossack, Harrison, Abbott, Appleyard and Harvey Staunton. The committee will be announced this evening

Delegates in Town.

The delegates who had registered at the G.W.V.A. rooms this afternoon other than the executive were Comrades J. J. Bateman of Cobalt, F. Pitts of Chapleau, eGorge Cole, G. P. Ennis of Cobalt, J. Firth of Ottawa, H. G. Howe of Ottawa, Hull of Sault St. Marie, J. Hatton of Penetanguishine, George Payton, Bancroft A. H. Peart Hamilton, E. G. McFeat, Ottawa, J. Rigby Ottawa, J. B. Seggie Ottawa, and A. Wilsher of Chapleau.

AT THE EMPIRE.

"Oh Boy," the nim musical comedy at the Empire, was greeted by a capacity house last evening and proved to be a most entertaining picture, bringing out all the points of the original musical comedy coupled with some splendid scenery and a stronger plot built up from the original. Added to the feature picture some excellent motion views of a trip from Belle River through the Lake [illegible]

ASSEMBLY HELD A MEETING YESTERDAY

Ebert Administration Refuses to Negotiate With Opposing Faction.

(Canadian Press.)

STUTTGART, March 16.—Refusal to negotiate with the reactionary faction, headed by Wolfgang Kapp, was decided upon here yesterday by the Council of the old Cabinet, over which President Ebert presided.

The unconditional resignation of the leaders of the new Government was demanded by the Ebert Cabinet, which arrived here yesterday afternoon on a special train from Dresden.

The National Assembly will meet in this city on Wednesday afternoon at four o'clock.

Kingdom Created

SYRIA PROCLAIMS HER INDEPENDENCE--A GREAT ARABIAN FEDERATION.

BEIRUT, aMrch 16—(Via Constantinople.)—The independence of Syria was proclaimed here by the representatives of the Syrian people. Emir Feisal was declared King, with Palestine part of the Kingdom.

Mesopotamia Involved.

The Syrian banner consists of a seven-pointed white star placed in the red field of the Hedjaz flag. Two similar stars placed in the same way will compose the pennant of Mesopotamia, which is reported also to have declared its dependence, with Emir Abysmal as King and Emir Zed as Regent. They are the third and fourth sons of King Hussein.

Big Arab Federation.

Lebanon has adhered to this program, and apparently a sort of Arab Federation has been arranged. Emir Feisal, in accepting the Kingship, said his purpose was disinterested service.

The flag was raised and 101 guns were fired. Then the army passed in review. The new Monarch will take the oath to-morrow as King Feisal I of Syria.

KING FOR BAGDAD DISTRICT

LONDON, March 16. — Simultaneously with the proclamation of Prince Feisal as King of Syria, Abdulla was proclaimed King of Irak (Vilayet of Bagdad, and including the city of Bagdad) an of Mesopotamia, according to a despatch to The London Times from Cairo.

British Interest Threatened.

The latest despatches lend an even more serious aspect to the occurrences, since British interests are especially threatened by the development in Mesopotamia, where another Arab Kingdom has been formed and has declared its independence.

The outlook for continued peace is apparently dark in these regions and in Persia which is threatened by two Soviet armies under command of old and experienced Generals, who displayed brilliant military ability during the first years of the war.

SUMMARY OF JUDGMENT EXONERATING MR. GOODWILL

MR. JUSTICE ORDE FINDS THAT HE WAS NOT ENGAGED AS SOLICITOR BY MR. JOHN I. DAVIDSON---INCIDENT OF PAYING ALLEGED ACCOUNT WAS OBVIOUSLY A TRAP CREATED TO SECURE EVIDENCE.

PLAINTIFF TO PAY COSTS

The tolowing is a summary of Mr. Juistce Orde's judgment in the Davidson-Goodwill case, which he dismissed with costs. The judgment is a sweeping one, covering some fifteen pages, and is a complete vindication of Mr. J. E. L. Goodwill:

The plaintiff was aware of the fact that Mrs. Kendry was trying to sell her shares quite early in the spring of 1919. She had told him so, and he knew that she held the controlling interest in the Company. The plaintiff says that she told him she was getting or expected to get $200.00 per share.

Prior to the 17th June, 1919, the plaintiff had never employed the defendant professionally. He had very seldom consulted a legal adviser, but about two years before he had his will drawn up by Mr. E. H. D. Hall, a practising barrister and soliciter in Peterborough and he had his papers and securities, including the certificates for the Auburn shares in a drawer or box in Mr. E. H. D. Hall's vault.

The plaintiff swears with a positiveness and a particularity as to detail, which is in striking contrast to his failure to recollect many other things and to the fact that his recollection of other events was clearly incorrect that when the interview with Mr. Ormsby was over, Ormsby went out into the hall with Miss Davidson and that as the defendant got up to go the plaintiff followed him and said to him, "What would you advise me to do?" and that the defendant's exact words in reply were :"Take the cash" Miss Davidson says that being in the hall she heard nothing of this conversation. This is rather odd, as both the plaintiff and the defendant are deaf, and had to speak loudly to be heard by each other. She says that Ormsby had gone out through the open door to the verandah, and that when the defendant appeared in the hall he said to her that he had advised her father to take the cash, that he was an old man and that it was better for him to get out of these companies The defendant denies this conversation completely, and says that both the plaintiff and his daughter are mistaken. He says that he left the room first with Miss Davidson in order to telephone to Mr. Meldrum (another shareholder) that Ormsby was going to see him, and that Ormsby followed him into the hall Ormsby corroborates the defendant in this respect and says he heard no such conversation as is alleged by the plaintiff, and did not hear the efendant say to Miss Davidson what she swears tiff, and did not hear the defendant said something to Miss Davidson about her father's improved health.

Confused Two Interviews.

If the plaintiff's version of this conversation rested on his own recollection of it I would be inclined to think that his memory was at fault, but Miss Davidson's evidence impressed me by its sincerity, and if the case really turned upon that conversation I would be greatly troubled in arriving at a conclusion to what really occurred, because I was equally impressed with the sincerity of the defendant's evidence throughout. It was suggested in argument that both the plaintiff and his daughter confused this interview with a later one which the plaintiff had with Mr. E. H. D. Hall, when the latter advised the plaintiff to take cash, and it is possible that this suggestion may furnish the solution of the difficulty. If I were bound to make a definite finding as to what really occurred I should feel obliged to come to the conclusion that the plaintiff had failed to prove to my satisfaction that the defendant had [illegible] shareholders He was [illegible] al solicitor He acted for me because I asked him his advice and he said to take the cash."

I am satisfied that whatever took place at the interview on the 17th June the plaintiff did not then think he was consulting the defendant professionally, but that in some way the latter had under some obligation to protect the minority shareholders. The plaintiff never knew that [illegible] place on the 4th of June with Goodwill [illegible] Mr. Hall. The plaintiff [illegible] the impression [illegible] that the defendant [illegible] signed [illegible] in the [illegible] [illegible] [illegible]

437 GEORGE ST.,
PETERBOROUGH.

LOCAL IMPROVEMENT NOTICE

TAKE NOTICE THAT:—

1. The Council of the Corporation of the City of Peterborough intends to construct as local improvement a sewer on the following streets between the points herein described, and intends to assess the cost upon the lands abutting directly upon the said lands respectively.

2. The estimated cost of said work, and the sum with respect to said work, which is to be paid by the Corporation, are set out below, and also the estimated rate per foot frontage for the said work. The special assessment is to be paid in thirty annual instalments.

Monaghan Road, from the present end of the sewer south of Romaine street, 125 ft. southerly. Estimated cost of work, $530.00. To be paid by corporation, $250.00. Estimated special rate per foot frontage, $2.00.

3. A petition against the said work will not avail to prevent its construction.

S. R. ARMSTRONG, Clerk.
Dated March 16th, 1920.
1d-64-8202.

THE MAJORITY of the publishers of this Country believe that their advertising space is a real commodity and well worth the price demanded.

They believe that the right price of space should be determined by circulation.

They invite the closest scrutiny of their product and provide positive proof of its value and by their membership in the Audit Bureau of Circulations.

Through membership in the A.B.C., they also endeavor to discountenance the unfair competition of publishers who misrepresent circulation facts to advertisers.

The advertiser who buys space in an A.B.C. paper invests his money wisely and encourages a high ethical standard in the publishing business.

The EXAMINER is a member of the Audit Bureau of Circulations. Its A.B.C. report is furnished to advertisers on request.

HONEST OPINION

The Rev. "My personal opinion of Zam-Buk is that I know of nothing like it! Moving amongst sick people of my charge, I have proved it an absolute fact that for old wounds, cuts, eczema, and skin diseases, Zam-Buk is really marvellous."—Rev. A. D. MacLEOD, Harcourt, N.B.

The Magistrate "Eczema was my trouble, and I suffered for years. Tried practically everything (in vain! Zam-Buk cured me; and from the day the last sore was healed there has been no trace of return of the disease."—J. E. ARSENAULT, J.P., Wellington, P.E.I.

The Nurse "Speaking professionally, I would apply Zam-Buk to all cases of eczema, ulcers, abscesses and allied diseases. I have proved Zam-Buk able to cure the worst cases."—NURSE KEITH, Olds, Alta.

THE MOTHER "Give me Zam-Buk! It is the finest all-round healer known. It cured me of a poisoned hand, my 3 children of bad scalp sores, and my husband of a badly crushed finger. No home should be without it."—MRS. VILLIERS, Stadacona St., Montreal.

Zam-Buk is purely herbal, and for piles, eczema, cuts, burns, baby's sores, ulcers, and all skin diseases and injuries is the best known and quickest cure. 50c. box; all druggists and stores. The opinion of the majority of the mothers in the Dominion is—

We all need ZAM-BUK

DRUGGISTS & STORES EVERYWHERE

PETERBORO HAS TOO MANY GOOD PLAYERS TO EVER GET TOGETHER INTO ONE BAND

MR. F. H. DOBBIN REVIEWS THE BAND SITUATION IN PETERBORO AND THE CITY'S EARLY ATTEMPTS TO FORM A BAND--- BAND PLAYERS PUT UP A TORNADO OF CLAIMS.

(By F. H. Dobbin.)

Life is just one blamed thing after another. No sooner do we get the under-pinning and classified substrata of the East pier for the overloaded bridge settled, and a glimpse at the geological formation that is assumed to underlie the site of the West pier, than folks begin to get into the papers in a wordy wrastle over the Blessed Bands question. History repeating itself, you can be jolly well sure. This present imbroglio is about the steenth time that this community has been torn up and exposed to a tornado of claims and contentions of men immured in one band or the other. For there always has been, and ever will be, despite fire and water, heat or cold, or any kind of political convulsion, that other band. It may not be much of anything, in committing music. It may only muster in times of privation, a cornet, one trombone, second tenor, a hasty bass, to say little of the big drum and cymbals, but it is there. The other band has lived through all kinds of musical privation and the fellows in it have been just as touchy and thin-skinned and resented any imputation as to ability as any King's Counsel with a liquor case on his mind. The other band, mind you, has always been made up of men who would not play unless they got their own way, even indifferent as that way proved to be.

The Old Reliable.

Then there was always the old reliable. It perpetuated the name under which it had been created. Had something of ancestry and a Past. A past brings traditions, and any band that has no traditions has not much to brag about so far as interest in holding together. Take the patriotism, comradeship, loyalty to tradition out of a band and the result is punk. Men join, practice, play, burst into glory on the 12th of July, attend parades, funerals and all public occasions, and do it willingly because they have the musical bee in the bonnet, and because they are loyal to their fellow bandsmen and will not see them stuck. That is the spirit that keeps a band together. It is not for the money there may be in it, for the money is never there. If a band has had a successful Past then it is the band to line up with that has been may repeat itself.

It may sound as a paradox, but just now it is true, that Peterborough has too many good players to ever get them together into one band. It can't be done. Human nature will not permit. There are cornet players of admirable skill. Saxaphone players to listen to whom it is a treat. Trombone men who can fire a volley that will carry into the next township, for that is the function of the trombone when it gets a chance. These men will not come together under one bandmaster. Each considers himself so excellent—and may be quite right as to ability—but he will not be bossed. The tried, proved, successful way is to get together men of some musical ability, keep them in practice, coach and help, bring them along, encourage and hold in line, and gradually you will get a band that will work together without friction and expostulation. Experience tells us just that. And bandsmen will all agree. The question of public support in the way of grants is another question. Generally it is safe to say that the tail and hoofs should go with the hide.

Possibly there are several, probably enough men in this city who would like to know of the very beginnings of bands that have lived, fought and bled died and survived. What we have all known as the 57th Regiment Band has come up to us from the past with local tradition behind it, and has been in the years that have gone a worthy successor to the band when it was organized.

Nobody Knew.

For a long time the writer tried to get at the basic facts as to the institution of the band. No one seemed to know. There was much of conjecture and things that one had told the other. After persistent effort the information loked for came from Rev. R. S. Patterson, living (retired) in England, who wrote his recollections of the organization of the very first band and in which he was implicated. Here is the story. Prefaced by a short reference to the organization of Peterborough Rifle Co. No. 1, with W. A. Scott as Captain. The date is given as February, 1857. Capt. Scott held command of the Rifle Company until November of 1861, when Lieut. Edwin Poole was made Captain. Mr. Patterson tells of the band, he having joined the Rifle Co.

"When the Company was well organized it struck me that there was one thing that it and the town needed very badly and that was a brass band. I consulted with Col. M'Donald who was at the time living at one of the local hotels and we set about getting our band. This was about October 1858. The idea was favorably received and a committee was formed and I was appointed secretary. In fact the work of raising the money, buying instruments and engaging a bandmaster fell into my hands. A subscription list was passed around, and generous subscriptions were obtained from the town and citizens so that in a short time I was in position to enquire about instruments for the band

The First Band.

"My memory rather fails me, but I think that it was a firm called Murdoch that we found most reasonable as to prices. At any rate it was a Kingston firm from which we eventually obtained the instruments. I knew that there was one of Her Majesty's infantry regiments stationed there and I enquired from the music people if by any chance they knew of any military bandsman who were about to leave the service and would accept one of them, the position of instructor to our new band.

"They replied at once that they were glad to be of service in the matter and that they had spoken to Band-Sergt. A. H. Rackett, of the regiment, who had served his time and wished to remain in Canada. I placed myself in communication with the Sergt. found that he had an excellent character, was quite capable of teaching a band and his terms were moderate. It was therefore decided by the committee to engage him and a guarantee of a sufficient amount to pay his salary was obtained.

"We then consulted him as to what instruments would be required for a band of twenty-five members and we bought what he recommended. Mr. Rackett proved to be an excellent teacher and a success in every way, while the instruments gave every satisfaction. So that in a short time the streets of Peterborough echoed with the welcome sounds of "God Save The Queen," "British Grenadiers," and tunes suitable to the marching of men.

"A number of new members joined the Company with the idea of becoming bandsmen. Also several of the rank and file who had been with us and who were musically inclined were permitted to place themselves under instruction of the bandmaster do that in a short time our twenty-five instruments had all players and the strength of the band was completed. Neither did our Company suffer, for many joined the ranks attracted by the glamour of military music."

A Loyal Member.

In addressing his contribution to the writer, Mr. Patterson states that at the moment (1915) he is writing at his club, in London, and outside the streets are ringing with the strains of "Tipperary," as the British troops march to the station to entrain for the sea coast and cross to France. In affectionate remembrance he adds a note in reference to one of the most helpful and loyal members of the Rifle Co. Band, William N. Kennedy, who did much to hold the band together, to replace men who fell out, to instruct beginners and was in fact a sort of asst.-bandmaster, working for love of the work and his delight in music. "Mr. Kennedy, as many of the older citizens will recollect, went with the Red River Expedition in 1869-71, as Lieut. in the Ontario Battalion. He remained in Winnipeg after the disbanding of the Eastern battalions, organized the City Battalion, there, and further on accompanied Field Marshal Lord Wolseley on the Nile Expedition, as paymaster of the Canadian voyageurs, and returning to England died in London, where the body was interred.

Mr. Rackett remained as bandmaster for nearly two years, when being offered a lucrative position in the States resigned. At the time there was at Port Hope a very excellent band under the leadership of Bandmaster Wm. Philip. He was engaged to carry on as leader at Peterborough, and handled the two bands acceptably. It is a far call back to the day of the visit to Peterborough of the Prince of Wales, in September 1860, but the writer less than a month ago had the pleasure of a talk with Mr. Philip, who was bandmaster on the occasion, and who is now living at Guelph, Ont., and teaching in music and leader of the Guelph band. Hale and hearty virile and active, he asked to be remembered to many of our older citizens who knew him by the familiar name of "Bill" Philip.

Military Spirit.

With the military spirit that was aroused at the time of the Fenian Raid, (1866) it was felt that Peterborough deserved larger recognition than as being the headquarters of one or more companies of volunteers. This feeling presently was recognized

THE ARGUMENT IS STILL UNDER WAY

ALBERTA HAS REPRESENTATIVE AT BOARD OF COMMERCE HEARING.

(Special to The Examiner)

OTTAWA, March 16.—The Attorney General of Alberta, for whom E. Lafleur, K.C., is appearing before the Supreme Court in the matter of the application of the Board of Commerce for a decision as to its status and jurisdiction, is the only Provincial Attorney General represented at the hearing.

Mr. Lafleur, in continuation of his argument Monday afternoon, viewed the Combines and Fair Prices Act as an infringment of Provincial rights. He said Section 92 of the British North-American Act set forth that the provinces have a certain sphere of legislation, but if the court accepted the principle of the right of parliament to regulate trade and commerce, in the manner claimed by Mr. OConnor and Major Duncan, then the Fair Prices and Combines Act would appear to override Provincial rights in the legislative field

The argument in this case may not be concluded till Wednesday.

BUY OGILVIE'S ROYAL HOUSEHOLD.

SCIATIC PAINS QUICKLY RELIEVED

Keep Sloan's, the World's Liniment, Handy to Allay Aches.

THOUSANDS of men and women, when the least little rheumatic "crick" assails them, have Sloan's "crick" assails them, have Sloan's *Liniment handy to knock it out.* Popular a third of a century ago—far more popular to-day.

That's because it is so wonderfully helpful in relieving all external aches and pains—sciatica, lumbago, neuralgia, overstrained muscles, stiff joints, weather exposure results. A little is all that is necessary. For it soon penetrates without rubbing to the sore spot. Leaves no mess, stained skin, clogged pores. A bottle to-day is a wise precaution. Keep it handy.

All druggists—35c, 70c, $1.40. Made in Canada

Sloan's Liniment *Keep it handy*

Pathephone

The complete phonograph—it plays all records perfectly—it plays *Pathe* records with a permanent Sahppire Ball—no needles to change.

The Phonograph that does not play all makes of records is not a complete Phonograph and the purchaser of such an instrument limits himself as to choice of records.

The Pathephone plays all makes of records and plays them perfectly, thus placing at your disposal the world's store of music.

In addition to being a supreme musical instrument the Pathephone is a beautiful and correct piece of furniture.

Pathe Adam Model $175.00

Pathe Model C $132.50

Every Pathe record is guaranteed to play at least 1000 times. Pathe records offer you the inimitable art of such internationally famous Artists as: Schipa, Muratore, Gall, Note, Clement, etc. You are cordially invited to call and hear the Pathephone.

Pathe records are played with a round Sapphire Ball that fits and fills the grove exactly and cannot scratch the record.

"Peterborough Presents Possibilities Unsurpassed."

TUESDAY, MARCH 16TH, 1920.

THE LATE ADAM HALL.

The death of Mr. Adam Hall, head of the firm of Adam Hall, Limited has removed from the business and manufacturing life of Peterboro a well-known figure and from a very large circle of friends and acquaintances a popular and highly respected citizen. Mr. Hall was one of Peterboro's veteran citizen, having resided here for over forty years. He played a considerable part in the activities that marked the development of Peterboro from a small town to the present progressive city. For a number of years he served his fellow citizens as a member of the Council, he lent his ability and energy to the Board of Trade and in many other movements his support was of great assistance. Mr. Hall's passing leaves another gap in the number of old-time residents. One by one the pioneer citizens have answered the inevitable call and their places are difficult to fill.

DAYLIGHT SAVING.

The vote taken among the employees of local manufacturing concerns proves the contention of the Examiner that the workers of Peterboro are heartily in favour of daylight saving. Although the figures are not yet complete the census among the factories indicates that a very large majority endorse the local adoption of the new time for the summer months. The City Council will therefore have a valuable indication of popular opinion on this subject to guide them when the question comes before them for discussion as it undoubtedly will in the near future.

In this connection, however, the Council should take notice of the general opinion that the period of daylight saving should not be prolonged beyond the beginning of September. The majority of citizens favour the adoption of the system from May 1st to September 1st, feeling that during those four months daylight saving can be enjoyed to its fullest advantage.

Another factor that will of course enter into the discussion is the action of the Canadian railways in regard to the new time. Last year the Canadian lines, to co-operate with the American railways adopted daylight saving. This year, however, the American roads will operate by standard time, and the probabilities are that the railways on this side of the line will follow their example again with the result that there will be a certain amount of confusion if Canadian urban centres adopt the new time on their own account.

A NEW LAND MAP.

A third edition of the Land Districts Map of Northern Alberta has just been issued by the Natural Resources Intelligence Branch of the Department of the Interior. This may which is in great and increasing demand has been brought up to date and is one which nobody looking for Alberta lands between Lat. 50° 50' and Lat. 60°, that is to say a little below the parallel of Edmonton to that of Fort Smith on the Slave River, north of Athabasca, should be without.

Beyond the material found on most maps, colours clearly define the areas specially reserved for soldier settlement, Dominion Land Districts with the officers of the Government Agencies, and also the area in which lands becoming vacant by cancellation or abandonment are reserved for further soldier settlement. The number of quarter-sections in each surveyed township that are available for homestead entry whether in lands specially reserved for Soldiers or not is also definitely stated.

The areas shown on this map as already set apart for returned soldiers lie mainly north and west of Edmonton and through the districts of Peace River, Grande Prairie and the Peace River Block in British Columbia. These lands are included in the great northward loop of the summer isotherm of 55° Fahr., the line of greatest heat passing two degrees further north through Fort Vermilion on the Peace River, 350 miles north of Edmonton. This climatic fact, taken together with large areas of fertile soil and a sufficient rainfall even in a dry year such as this, makes the country well suited to grain growing, stock raising and general farming. The result is an increasing stream of intending settlers. As a publciation which might be described as a map of the vacant lands in Northern Alberta, it is valuable and timely.

A copy of this map may be obtained free by applying to the Superintendent, Natural Resources Intelligence Branch, Department of the Interior, Ottawa, Canada.

The Real Story of Porcupine's Riches

WELCOME, VETERANS.

To the officers of the Provincial Executive of the G.W.V.A. who arrived in the city yesterday and to the scores of delegates from all parts of the Province who are reaching Peterboro today for the Provincial Convention, the people of Peterboro extend the heartiest of welcomes. The feelings of the citizens will be officially voiced by Mayor McIntyre in his address at the opening of the convention tomorrow morning and the veterans should feel that the words of His Worship's address are echoed by every resident.

Peterboro is honoured by having a chance to extend hospitality to such a gathering. In the delegates whose home addresses cover all sections of Ontario, is personified the spirit of the thousands of soldiers from this province who went forth to fight for the Empire's cause. They represent not only many centres in Ontario and many different and famous units of the Canadian Expeditionary Force but what is more important still they are the accredited representatives of the whole body of Ontario's soldiers. Peterboro welcomes them for their own splendid service overseas and for what they represent the "heroes and gentlemen all" of the Canadian Corps.

In extending greetings to the veterans the Examiner wishes at the same time to express the hope that their convention which opens tomorrow may go a long way towards settling the problems of the returned soldiers. For these men are not here on a joy-riding expedition—they are here for business of great importance to consider ways and means of improving conditions for the wives and children of their comrades who did not come back, for the soldiers who have returned shattered and broken by the wounds of warfare and for all the men who fought. We put them in that order because it is in that order that the G.W.V.A.—different from other orders of the returned soldiers puts them. The G.W.V.A. believes that the first consideration should be given to the families of their fallen comrades, and next to the men most seriously wounded, afterwards the problems of the men who came through the campaign more luckily can be and should be tackled. That is the spirit of the G.W.V.A. and it is in that spirit that the business of the convention will be carried out.

That the visit of the veterans to Peterboro will be such as to cause the delegates to carry away with them the most pleasant recollections of their stay in the city will be the wish of the citizens generally.

Nature's First Law

is order—regularity.

Obey it in your own body.

Keep your liver active and your bowels regular and natural. Good health is possible in no other way.

One pill a day is the regular rule. Two—perhaps three—now and then, if necessary.

BLAZING A TRAIL.

Men of independent mind, men who see a better way than any hitherto trodden and who venture to tread that way because in their own judgment it is reasonable and right to go that way, are genuine Empire makers. By far too many men, particularly men in public life, are afraid to call their souls their own, and lack the stamina to father their own ideas. Before they venture forward they carefully try out the probable effect of their new step upon the minds of their contemporaries, or blow the dust off the records of men who have been similarly situated to themselves. Such public men break no bonds, build no new bridges, dig no new wells, and lead no people to possess any land of promise.

Take the matter of party government as an illustration of this fact. For centuries Britons have believed that party government is the only way in which affairs of state may be carried on. Canadians, the heirs of this belief, have seized upon the ideal with a fervor and a tenacity unknown to England, Ireland and Scotland. Good has been wrought by the system but, all that has come of it has not been good. Such evils as degrading public business into a game between the ins and the outs, such a vicious principle as "to the victors belong the spoils," and the maddening spectacle of seeing the minority in Parliament hindering and tricking the party responsible for administration have appeared again and again to the utter hurt of the commonwealth.

Ontario this hour has the opportunity of blazing a new trail. Premeir Drury leads what is pre-eminently a people's government, and he has so declared himself. There is not now and there never was in Ontario any occasion for party government. Ontario's legislature is made up of men to do the business of the province. Who dares say that for the discharge of that business it is necessary or reasonable for those elected men to divide themselves into hostile bodies to trick or trip or hinder or mislead each other? How far would such a policy carry the directorate of a bank or of a railroad or of an insurance company? Graft and reptile funds and ward-heelerism tell the mischief wrought in Ontario and in Canada by such uncalled for division among the men elected to manage the affairs of the whole people. Should Ontario's new Legislative Assembly rise to the opportunity now afforded of her best elected sons uniting to do her public business according to good principles, not only will lobbying and grafting disappear but professionalism in politics—the bane of everything good in public life—will be no more heard of. Criticism of men and of measures and principles there must be; for side-stepping and playing for party advantage there is not now and there never was even the shadow of an excuse. Children may play at politics as they play at war or Old Maid as the humor suits them, but men in Parliament are expected to put away childish things and to think and act like men. Mr. Ferguson and Mr. Dewart as well as Mr. Drury have a unique opportunity to play the Statesman. Should they prove themselves as big as the occasion that confronts them, they will not only make history but win a high place in the ranks of constructive statesmen.—Farmers' Sun.

SOUTH AFRICAN SEPARATISTS BEATEN.

If British power had not kept the ocean free and completely protected South Africa from the ravages of the Hun, the agitation against British connection would never have given the loyal Boer Government a day's anxiety, much less risen to the danger point. The wildest spirits might have rebelled as they did in the early days of the war; but as long as the German eagle was flying around, the Boers as a whole were mightily glad to hear the lion roar.

But for British protection, the South Africans could never have destroyed the German danger on their flank and conquered the colony that Germany had planted in the hope of over-running all South Africa when "the day" should come.

Not even the most ignorant of the Boers wished to exchange British for German connection. But they could not have got rid of the one without saddling themselves with the other.

Holland herself, if Germany had won the war, would have become a mere dependent vassal of Prussia. Only the forms of independence would have remained. The German chieftains were resolved to keep the whole North Sea coast opposite England under their own control.

The South African federation, built up by Hollanders and British, first in competition, would have fared not better, but worse. It would as a matter of course have been incorporated in the German Empire, and we all know what that was,—a vast military conglomeration, the outlying possessions used and misused for the benefit of the Fatherland.

The ruling caste of Germany, despotic by nature, had no liking for the British system of granting autonomy to every part of the Empire capable of governing itself. A brotherhood of free and independent nations, such as form the British, is foreign to German traditions and experience.

Whatever forms of self-government might have been left to the South Africans, Germany would have seen to it that her new colony behaved with strict regard to the selfish interests of the fatherland. She wanted South Africa's gold and wool and diamonds, and she would have taken good care to get them.

A stream of well organized and well-sifted immigrants, from Germany herself or from the German settlements under foreign flags in northern South America, would have been directed to the new possession. The South Africans, British and Boers alike, would speedily have found that real independence under the Union Jack had been exchanged for a mere shadow of independence under the German flag. Imagine a German colony allowed to levy a protective tariff on German goods!

If British power had not protected the country quite so thoroughly, if South Africa had felt just a scratch or two of the eagles claws, if a German invasion, even on a small scale, had actually occurred, the least imaginative Boer would have awakened to a sense of the impending doom. Instead of that the Boers slept peacefully in their beds; and, having waxed fat, they felt free to kick. That dense ignorance of the world outside their horizon, which enabled President Kruger to hold them solid against reform and to lead them in blind defiance of the whole British Empire, still clouds the mind of thousands. Even if these reactionaries are dimly conscious of the danger they have just escaped, they doubtless imagine that no danger can ever occur again, and think they can best realize the old dream of absolute Boer supremacy by cutting adrift from the power which granted and guarded their liberty.

The situation, however, would have been by no means hopeless even if the Government had been defeated—and according to the returns so far received, that is not the case. The South African party, led by General Smuts, is opposed by two incongruous elements,—reactionary Boer Torydom at one extreme, and impatient Labor at the other. But the great majority of the Labor rank and file are believed to be strong for British connection, and of course on this issue Union party is more enthusiastic than the South African party itself. It is doubtful whether a cut-adrift policy, even if favored by a majority of the legislators, would have carried a majority of the people on a plebiscite vote; and without explicit confirmation by such a vote a resolution of the Legislature would hardly have been allowed to tear the whole country from its moorings. — Montreal Star.

EDITORIAL NOTES

"The laddies who fought and won" are heartily welcome to Peterboro.

The passing of the Canadian General Electric bylaw means much to the city. The measure should be heartily supported when the vote is taken a week from to-day.

The cost of the Hunter street bridge seems to be going up much faster than the bridge itself.

While the Germans are busy with political revolutions they are not likely to do much towards paying off those indemnities to the allies.

Now that the Tigers have been crushed Hamilton will have to depend as far as fame is concerned on the fact that she is the home of Hon. Mr. Rollo.

The next bout will be between Hon. Adam Beck and the Farmers' Sun with Hydro radials as the bone of contention.

"The Egg Crate Wallop" is the title of a coming moving picture. A crate of eggs at the present prices certainly carries a punch.

The treatment of the housing problem will furnish a good test of the new government. The farmers are not directly interested in the question but will they be big enough to do justice to the urban dwellers to whom the situation is most serious?

According to Admiral Sims, the war was won in spite of the United States Navy Department.

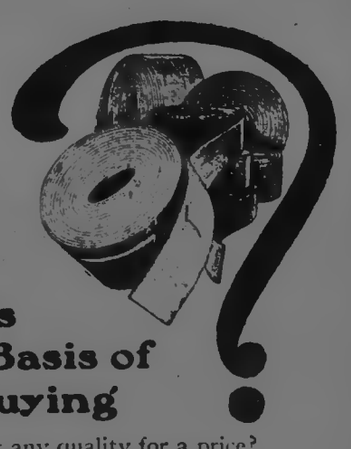
CATTLE MARKET

(Canadian Press.)

TORONTO, March 16.—Cattle receipts light, trade steady. Heavy beef steers, $14.00 to $14.50. Butcher steers, choice, $13.50 to $14.25. Butcher cows, medium, $8.75 to $9.50. Calves, $19 to $22.50. Ewes, $10 to $15. Lambs, $18 to $22. Hogs, fed and watered, selects, -19.75.

SLOT MAHCINES HAVE TO BE ADJUSTED

When the size of the Canadian one cent pieces is changed to the proposed smaller coin one Ottawa man will suffer a dead loss of $30,000 or more, besides the closing up of a lucrative business. Several other businesses using sloth machines in Ottawa and throughout the country will be losers to a smaller extent, while the Post Office department is faced with the necessity of changing the mechanism of stamp vending machines, which at present represent an investment of over $100,000.



What's Your Basis of Belt Buying

Is it any quality for a price?

Is it known efficiency in your power transmission?

Is it on the recommendation of someone else?

Is it on sentiment?

Or is it on a thorough knowledge of what it will accomplish?

A poor belt will cost you more in lost power, lost time, lost efficiency than the price of a good belt—therefore you should eliminate the element of guess by specifying the correct type and size of

Dominion Friction Surface Belting

But unless you are thoroughly acquainted with belting requirements—the thickness and width to carry a given load, and other such technical subjects—you should profit by our experience, which may be had for the asking.

A phone, wire or letter to our nearest service branch will bring to your plant, at your convenience, and without cost, one of our belting engineers, who will analyze your transmission requirements and specify a belt that will efficiently and satisfactorily meet your needs. Send that request today.

SANDRA THE JEALOUS

BY JANE PHELPS

WALTER KEMP AN UNDESIRABLE ACQUAINTANCE,

CHAPTER LXXIII

I rearranged the hyancinths, recalling the compliments Mr. Kemp had paid me, and the ease with which I had conversed with him.

"It is because he is nearer my own age," I said aloud, "and because he doesn't treat me like a child. But he isn't nearly as handsome as Everett." I was still young enough to believe that a handsome man was very much to be desired as a husband.

When Everett came in I told him at once of Mr. Kemp's call, and mentioned the flowers.

"You recieved him again after what I said"

"Why yes—you didn'tsay I shouldn't," I was cowed at once, in spite of my resolution not to be.

"Well I say so now. Do not receive Walter Kemp in my absence. It is such men as he who cause trouble." He said nothing of the flowers, but went up to dress.

"Eat your dinner, Sandra," he said when after a few moments we sat down to dinner. After dinner Everett left the dining room quickly, and as I followed him, said, "I am going out."

"Please take me, Everett. It is so lonely alone."

"That is impossible."

"Will you be late?"

"I do not know. Go to bed by 10 o'clock."

He kissed me carelessly and left me to spend the long evening alone. I wouldn't go it! I'd call up someone or go somewhere.

I called Alice Sloane then Dagmar Stewart. Both were out. Then a sudden impulse seizing me, I called Barrett Edmonds. He said he would come, and thanked me for asking him.

I was already dressed, so asked him to come early.

It was'nt quite 8.30 when he appeared. I was awfully glad to see him, and told him so. He, like others, had read of my accident, and the burglarly. Later he told me he had cut my picture from the paper an had framed it.

"You were very brave," he said when I had answered all his questions anent the burglar. "Most women would have screamed. Had you done so, he might have killed you. He was desperate or he would not have shot the butler."

"He was not bad-looking, young and dark. I saw his face quite plainly once."

"So that you would know him again?"

"No—at least I do not think so. His features—no, I could not recall them. It was just an impression of a young man more than anything else."

Barrett had brought some music and we played and sang until about half past ten. Then he rose to go. I did not urge him to remain longer—Everett might come in and be unpleasant.

"I was nearly ready for bed when he finally came home. I had loitered over my preparations, and it was nearly 12 o'clock.

"I thought I told you to retire early." He did not kiss me—just stood and glowered at me

I had a caller. I couldn't very well go to bed."

"Who called?"

Barrett Edmonds." Then I recalled that Hetty's aunt had said that Loela, Everett's first wife, never tried to hide anything she did—that no matter if she knew it would make Everett awfully angry, she told him, and that altho he would try to make her promise not to receive people again, or to go places, he never could. I would do the same. So I added:

"I called him up and asked him to come."

"You mean that you telephoned him after I had gone out?"

"Yes. I called Alice Sloane and Dagmar Stewart, but both were out, then I called Barrett. We had a delightful time. He brought some music. But you mustn't blame him because I was up. He left about half past ten. I have been dawdling thinking. I did not realize it was so late. Where did you go?"

"Never mind where I went. Get to bed."

As he turned away to his dressing room, I thought I heard him mutter: "I will not let another"—then the door closed.

I could not sleep for some time trying to make out what he had meant. Did he think I was going to be like Leola, and have my own way be indiscreet in spite of him? I hoped so.

VENERABLE PATRIOT

Western Town Pays Last Tribute to Sergeant Patrick Noon.

(Canadian Press.)

VIRDEN, Man., March 16.—Virden and district has paid its last tribute to the venerable patriot, Sergt. Patrick Noon, born at Mount Bellah, County Galway, Ireland, March 17, 1847, a veteran of the Imperial army in the early Victorian days. He enlisted in the 61st regiment in the year 1847, and followed the fortunes of his regiment for 21 years, going through the whole of the Indian Mutiny, and being present at the seige and capture of Delhi. Sergt.-Noon came to Canada in 1871, and spent 11 years in Ontario, coming to Virden in 1882.

Made Her Feel Like a Different Person

WHY MRS. MILES WOOD RECOMMENDS DODD'S KIDNEY PILLS.

She had kidney troubles and her feet swelled but she states she found the relief she looked for in Dodd's Kidney Pills.

ARDEN, Ont. March 15th.—(Special.)—"Dodd's Kidney Pills made me feel like a new person." That is the statement of Mrs. Miles Wood, a well known and highly respected resident of this place.

"I was troubled with my kidneys" Mrs. Wood continues, "and my feet swelled. I tried Dodd's Kiney Pills with the result that the swelling is nearly all gone and I feel better in every way.

"To any person who is bothered with kidney trouble or with their feet and legs swelling I would say 'use Dodd's Kidney Pills.' "

The women of Canada have come to look on Dodd's Kidney Pills as a standard remedy for their kidney ills. They act directly on the kidneys. They are purely and simply a kidney remedy. By putting the kidneys in good condition to strain all the impurities, all the seeds of disease, out of the blood they carry good health to every part of the body. Ask your neighbours if Dodd's Kidney Pills do not help all kidney ills.

ENDED WITH HONORS EVEN

Rattlesnake and Pet Cat Staged Battle Which Caused Death of Both Combatants.

William Lessig, gateman at the Erie railroad crossing east of Ramapo, N. J., tells a story of a battle he saw between a rattlesnake and a pet cat. It ended fatally for both.

Mr. Lessig saw a rattler about four feet long going toward the river. He picked up a club and was about to start for it when, he declares, a cat leaped out ahead of him and set upon the snake.

The cat got a fine hold on the back of the rattler's head. But the snake fought desperately and got in a sting which caused the cat to release its hold and crawl away.

In twenty minutes the cat's body was swollen almost twice its size and the poison finally caused death.

The snake had been so severely wounded it was unable to find cover and when a crow discovered it lying in the open field it was too weak to offer resistance and was soon swinging in the air as the bird made off with it.

The Better Maxim.

"Look on your best friends with the thought that they may one day become your worst enemies," was an ancient maxim of worldly prudence. It is for us to reverse this maxim and rather say, "Look on your worst enemies with the thought that they may one day become your best friends."—Dean Stanley.

HIS WORD OF REAL WORTH

World Would Be Better If There Were More Like This Omaha Business Man.

An Omaha newspaper man has a motor car, remarks the World Herald of that city. Last spring he had it painted. Not long ago the surface began to develop an amazing series of cracks like the "crow's feet" about an old man's eyes. The man greeted the cracks with amazement rapidly becoming disgust. Every time he looked at the car he lost his appetite and his good temper.

The other day the car was taken to the paint shop. Its owner was fully prepared to hear that he had used the wrong kind of polish, that he had let the car stand out in the sun, that anything and everything had spoiled the paint except that the paint itself was at fault.

The painter looked the car over.

"If you'll bring it in, I'll do it over," he said. "The varnish must have been bad."

It was all over in two minutes. The man's faith in human nature jumped several hundred per cent. The sky was clear; the whole world was set in rosy hue.

Here was a man who didn't dodge responsibility, who tried no excuse, who backed his work with his word and made good his word.

Isn't a pretty good policy?

ESCAPED FROM RUSSIA

YOUNG SLAV WILL BECOME CITIZEN OF ENGLAND.

Remarkable Story Illustrates the Condition of the Country Now Ruled by the Bolsheviki — Girl Had Fantastic Adventures and Hardships In Escaping From Her Native Land.

THE thrilling tale of a heroic Russian girl who, after a series of almost fantastic adventures and hardships, managed to escape from the scenes of Bolshevik terrorism, and is now safe in England, is told by a correspondent in the Manchester Guardian. The correspondent writes:—

"I had just crossed Finland, travelling on my way home from the Esthonian front near the Peipus Lake; and as I sat in the cabin of a ship that was threading her difficult way through the ice-bound channels of the Aland Islands, a girl, apparently in the early twenties, wrapped in a long coat of wildcat skin—white with black markings—came and sat down opposite me.

"Her curly hair was cut short about her head, and she was pale with the pallor which you may see this year in most of the town-dwelling women and children of Eastern Europe.

"But none of her fellow passengers could overlook her beauty; and I, at least, could not miss the charm of the Russian speech in which from time to time she addressed her companion.

"Both of us were writing, and it was more than an hour before, upon some chance question of hers, we came into conversation together. I found that she and her mother were freshly escaped from Petrograd, having driven forty miles and walked six through the snows of the Finnish frontier. Now she was coming to England to join a sister there, and probably to marry an Englishman.

"I helped the two of them, as best I could, through the difficulties of Scandinavian travel; and several times, when her mother had gone to rest between stages of her journey, the girl and I explored the streets of foreign cities, and I listened to her stories of the life from which she had so lately escaped.

"So the three of us travelled as companions till the night came on which we were to strike the English coast. Then it was that she spoke most vividly of the life she had left behind her. Little more than a year before she had gone by herself apart to live in a mountain cottage in the south of Russia. A very old peasant and his wife had looked after her, setting out for her each morning baskets of fruit for her daily bread; and she had given herself up to wandering in the mountains, attended only by a great dog that was half a wolf, which she had called upon once only to protect her from a band of wild gypsies.

"But with him she strayed about the hillsides alone, climbing after flowers, lying and watching small animals at work among the rocks and leaves, collecting snakes and tortoises and bringing them home into her room, to the dismay of her aged hostess, who discussed with her whether she was not really a witch.

"She had made her room, she said, into a garden of changing wild flowers; and there between her wanderings she had read a multitude of books. From time to time she had gone to stay with her sister in a neighboring town; and once, for several weeks, she had danced each night a solitary dance before the Bolsheviki in the local theatre, black robed but for her red shoes, and won their applause and earned money to help pay for her journey back to Petrograd, for by now she had decided that her happy lonely life in the mountains must end and that she must go back to arrange her mother's escape to England.

"Her friends told her that Petrograd was full of dangers and violence, and that in any case it was impossible for her to travel so far through Russia alone. But she had been determined to go, and so, in a long, delaying journey, had crossed the full length of Russia and joined her mother again. She told me much of that journey.

"One night her carriage had been so crowded that there was no room for any one to climb unaided to the upper berth to sleep. A huge Russian peasant, without speaking a word, had lifted her up in his arms and set her down above the heads of them all to rest; and she, before she slept, had struck a match that lighted up a crowd of ghastly, watching faces, all round the carriage below her where she lay.

"On another day she had been almost the only passenger in the train and a crowd of threatening Bolsheviki had approached her. But she, clutching her revolver, had talked to them for more than an hour of life and death and politics, till they, astonished at her strange speech, had gone away and left her unmolested.

"Once again, at an unlit railway junction, the porters had come into her carriage by night and taken away her luggage.

"But she had pursued them and joined her fellow travellers, with her; and so, jumping under railway trucks in the dark, she and her company had caught up with the robbers and carried her belongings triumphantly back.

"Three times in the course of her journey she had been formally asked in marriage—once by a doctor travelling homeward from an Austrian prison, who, on her refusal, had wept bitterly. But at length, after many days' journey, she had come, protracted, like Una, by her own single heart, safely to her mother's house.

"In Petrograd she had set herself to secure their escape, realizing that their money could not last them for many months longer. She had been stricken with typhus, and while still weak had walked the long, tramless streets of Petrograd in search of permits that would allow her to cross the frontier.

"All her family had told her that she would kill her mother if she took her away. Once again she had danced before the Bolsheviki—great lovers, she said, of the theatre—in a parody, this time, of the ballet.

"But at length she had got into touch with one of the secret organizations which, for a price, will convey refugees across the frontier; and so, after six months' waiting, she and her mother, leaving Petrograd itself with only a small basket, by virtue of some permit to go and seek food, had escaped across the frontier and came safely to Helsingfors."

Loves His Melon.

Watermelons have been high in price this season, but "Uncle Joe" Cannon has gone right ahead eating them. It is a habit acquired by him when he was a small boy in North Carolina.

Consequently the eighty-three-year-old statesman waits each year for the arrival of the watermelon season and just as soon as the ripe ones begin to arrive Uncle Joe may be seen sticking a big chunk of something red into his mouth. Sometimes he goes at it "coon fashion" and plays a solo with his lips on a long red slice, throwing away such implements as knives and forks.

Uncle Joe can tell when a watermelon thumps right and knows by the color and general appearance whether the melon is sweet and juicy or was pulled too green.

COMPROMISE WITH BOLSHEVIKI MEANS BETRAYAL OF ANGLO-SAXON TRADITIONS

STANLEY WASHBURN, WAR CORRESPONDENT, SAYS SOVIET SYSTEM REPUDIATES EVERY TENET OF DEMOCRACY—CONDEMNS PROPOSITION TO RECOGNIZE THE GOVERNMENT OF LENIN.

WASHINGTON, March 12—Major Stanley Washburn, war correspondent with the Russian armies and a member of the Root Mission to Russia, condemned Bolshevism and the Soviet form of government in an address delivered to-night before the National Press Club. Out of the wealth of his experience in Russia Major Washburn warned against the proposal to recognize the Soviet Government at Moscow.

"We are now facing," he said, "the undisguised proposition to recognize in amity and friendship a system of thought and a form of government which repudiates, root and branch, every tenet on which our State was founded and for which our race has struggled for 150 years."

Major Washburn strongly condemned this proposition as dictated by "fear and trade," which demanded its thirty pieces of silver. It would mean, he asserted, the cracking of the stamina of the civilized world and the betrayal of every tradition in the history of the Anglo-Saxon race inherited from our fathers. "If this comes about," he said, "then indeed has the war ended in neither peace nor victory."

Greater Danger Than Pan Germanism.

To recognize Soviet Russia, said Major Washburn, meant that "our sacrifices have been in vain and we face a situation far more dangerous in its consequences than pan-Germanism ever did or ever will represent." He sketched the fundamental principles of Bolshevism, pointing out how a small minority of the enormous population of Russia was able to rule under this system and backed up his condemnatory statement by references to official documents of the Soviet rulers.

"The question of Bolshevism and Soviet Russia," said the speaker, "is not one to be handled with abuse and invective. I do not propose to deal in rumors as to atrocities and misery in Russia. The pro-Bolshevists deny this. What I state in regard to Bolshevism is from official documents and quotations from the leaders themselves. What I say therefore is not open to discussion, nor do I believe it is subject to correction.

He then said Bolshevism was destructive of the four elements essential for social progress. It was destructive of religious life, of the home, of representative government and a sound economic system. He quoted from Bolshevist laws and other documents to prove his points.

"Lenin and his followers have openly stated that the only hope of success for their ideas is world revolution. Zinoviev, one of the leaders of the movement, is credited with the statement that a truce was absolutely essential to Soviet Russia in order that they might have a breathing space in which to recuperate and reorganize for further efforts and revolutions. With commendable frankness he added that any truce which would be signed would be merely a scrap of paper and bind them only as long as was convenient for themselves.

Sacrifice Versus Trade.

"In November, 1918 men from every quarter of the globe were in Europe preparing to sacrifice their lives to beat the material strength of Germany. We must not confuse the policies of leaders in this war with the genius of the men who fought it. No doubt there were sordid and sinister aims in the various foreign offices of Europe, but 3,000,000 men of English blood did not voluntarily join the colors and offer their lives to promote commerce. The Canadians and the Australians did not go overseas and die in Flanders for trade reasons. The French have not buried a million dead to gain a commercial advantage over Germany. Nine million Russian peasants did not suffer that Russia might expand and, incidentally, 4,000,000 Americans did not join the service for commercial purposes.

"All these men went to France, believing that if they died the sacrifice was made to perpetuate a better world in which to live. We in America were told that we were fighting to make the world safe for democracy. You in this audience who were making Liberty Loan speeches know as well as I do myself why it was that our men went willingly to France, and why it was that our people were willing to invest billions of their savings in Liberty bonds. Perhaps it was not to fight for the particular slogan enunciated by Mr. Wilson, but it certainly was because they felt that civilization demanded the sacrifice. I know this to be true, because I have seen the men of these armies and I know what was in their [illegible]

"If the world now makes this compromise it will be forced by two factors, both the most powerful known to human nature. The first, fear of what Bolshevism propounds may do to the world which prompts men to buy them off by granting terms of peace; second the pressure of mercenary individuals who wish to sell in Russia, and coin dollars at the price of abandonment of every aim that has made the Anglo-Saxon race supreme in the world to-day.

"What do you imagine will be the result upon the psychology and morals of America if all our high endeavor and protestation of virtue is proved to be mere cant and verbiage when fear and trade demands its thirty piece of silver? I know not what may be your conclusions, but my deduction is this, and I would state it categorically and without reservation, that it means the cracking of the stamina of the civilized world and the betrayal of every tradition in the history of the Anglo-Saxon race which we have inherited from our fathers."

MELODY AND MOZART

Melody with Mozart was a pure gift and one which never failed him. Probably nothing in the whole range of his work may exemplify this better than the "Menuetto" recorded by the Elman String Quartette. This delightful selection, at a cost of $1.25 may be had in the Victrola Parlors of Ye Olde Firme of Heintzman & Co., Limited, George and Hunter Sts., Peterboro, Ont.

WILL REPRESENT PRESS

Australian Delegates to the Empire Press Conference.

(Canadian Press.)

VANCOUVER, B.C., March 16.—A Sydney, N.S.W. cable to a local newspaper says that the following will represent Australian newspapers at the Empire Press Conference to be held next August in Canada: H. R. Denison of the Sydney Sun; D. D. Braham, Sydney Telegraph; J. C. Fairfax, Sydney Herald; Theodore Fink, Melbourne Herald; Wm. Wright, Bendigo Advertiser; Godfrey Syme, Melbourne Age; Chas. Davis, Hobart Mercury; J. J. Knight, Brisbane Courier; Norman White, Brisbane Daily Mail; Sir Langdon Bonython, Adelaide Advertiser and G. H. Varley, Grafton Examiner.

AN EARLY SPRING

Shortage in Farm Machinery is in Prospect.

(Canadian Press.)

WINNIPEG, Man., March 16.—An early spring is likely to precipitate a serious shortage in farm machinery and tillage implements generally dealers declare. The demand is active now and is likely to be abnormally large by the time spring opens up. Farm implement factories both in Canada and the United States have been held up in their production through shortage of materials and difficulty of obtaining delivery. As a result gods which have been ordered months ago by local firms have not been delivered yet.

AIRMEN BREAK ICE JAM

Bombs Scatter Susquehanna Barrier —Floods Start in Ohio.

PORT DEPOSIT, Md.—The tremendous ice jam in the Susquehanna River, extending from this town to Havre de Grace at the river's mouth, finally succumbed today to the heavy bombardment from airplanes of the last three days, combined with the influence of mild weather, and passed out into Chesapeake Bay.

It is believed that the dangerous flood menace to this town has been removed and the citizens are planning a banquet to the army aviators in appreciation of their work.

FAILED TO CONFIRM COLBY.

(Canadian Press.)

WASHINGTON, March 10—The Senate failed to confirm Bainbridge Colby, secretary of State. The Government is now without a Secretary of State.

A chemise frock with ruffled sides has straight panels back and front.

TRADE BALANCE WORSE

Canada Bought More in U. S., Than a Year Ago.

NEW YORK, March 13—According to figures just issued by the Bureau of Commerce, Washington, Canada purchased from the U.S. in January of this year goods to the value of $72,857,056, as compared with $55,095,952 in the same month last year. The U. S. imports for the month were $43,050,938 as compared with $42,266,793 in the same monthe last year. Thus the adverse trade balance against Canada in January was $29,806,118, as compared with $13,429,159 in the same month of 1919.

BISHOP O'BRIEN TO VISIT ROME

It was announced on Sunday that His Lordship Bishop O'Brien would visit Rome shortly. This visit was deferred in 1914 owing to the war. A Peter's Pence collection will be taken up for presentation to His Holiness.

744th Bargain Annex Event

Bargain Annex
Registered

Wednesday, March 17th, 1920

LADIES' SHOE SHINE STAND —SECOND FLOOR

DEALERS IN LEISHMAN CLOTHES FOR MEN

Seasonable Annnex Merchandise That Shows a Fine Disregard for Advancing Prices

IT is the purpose of this Bargain Annex to supply your requirements when needed, and supply them at the minimum price. Often some of our lines are placed on sale by request. For instance, a lady asked us last week when we would have Damask Table Cloths on sale, and here they are for her choosing. We appreciate these enquiries and always try to fill a request. You will find many lines here that are presented at an opportune time, such as: Dress Goods, Wash Goods, Underwear, etc.

LEADER.

$2.25 and $2.50 Serges, Resilda, Crepes and Diagonal Serges, $1.49 Yard

We have assembled these broken lines and taken them from our Dress Goods Department to the Annex for clearance.

Naturally, when we have decided to make a clearance, we have placed a Clearance Price on them. The colour range includes: Green, Brown, Tan, Pekin Blue, Grey and Black Mixtures, and Black. They are All-Wool, although it sounds impossible.

LEADER.

40c and 45c Figured Crepes and Voiles, 29c Yard

The width is 27 inches, and the designs are small Floral patterns on light grounds. To-day we could not purchase a Floral Voile of any quality to sell less than 45c yard. These were a last year purchase. There are also a few pieces of Gingham in the lot.

The Same Good 85c Quality Crepe de Chine 59c Yard

It is three years since we first introduced this Cloth to Annex buyers, and it never fails to bring in response a number of eager buyers. It is adaptable for Ladies' or Children's Dresses, Blouses, etc. The colour range includes: Pink, Maize, Pale Blue, Ivory, Brown, Black, Nile Green, Reseda Green, Slate Grey, Navy Blue, and Myrtle Green.

Two Laundry Soap Values That Will Prove Their Worth on Wash Day

PROCTOR & GAMBLE'S NAPHTHA AND SUNLIGHT LAUNDRY SOAPS— 10 BARS FOR 89c

Far-sighted Housewives are securing a good supply of Laundry Soap while these prices continue. Soap prices are uncertain, and an advance might take place any time.

(No 'Phone or C.O.D. Orders can be taken at this price, and One Lot to a Customer.)

LEADER.

Palm Olive Toilet Soap, 3 Cakes 25c

A large purchase makes this price possible. This is the reason why for all our Soap Values. You have used Palmolive, no doubt, and are familiar with its merits.

Not more than One Dozen to One Purchaser, and No 'Phone or C. O. D. Orders.

Crisco in One Pound Tins, 37c Tin

"Crisco" can be used successfully in every recipe that calls for either Butter or Lard. It is excellent for Cake making. Its worth is vouched for by the makers—Proctor & Gamble.

Good Sweeping, Long Wearing Green Corn Brooms at 48c

Like all good things they have made a name for themselves and are making themselves useful in hundreds of homes in the city.

They are made of a good quality Green Corn, and are substantially bound with four strings. The quality of the Corn and the finish of the handles is even better than the original shipment that we received months ago.

Examine Your Suit Case! See If You Need a New One

IF YOU DO — TO-MORROW WE OFFER $2.40 VALUES FOR $1.69

They are made of a Strong Fibre and have reinforced corners, double brass fasteners, safety lock, and a strong leather handle. The size is 24 inches. A worthy article at an extremely low price.

Men's $1.50 "Merino" Underwear 95c Garment

It is the correct weight for Spring wear. The colour is a light natural shade, and the finish of the Garments is excellent. All sizes, from 32 to 42. Vests and Drawers.

Men's $5.00 Combinations, $3.59

Watson's Klosed-Krotch Combinations for Men. They are guaranteed unshrinkable. White in colour and a medium weight. Sizes 34 to 44.

Men's $2.50 and $3.00 Combinations $1.95

They are an ideal weight for Spring wear. They have a closed crotch, and are made by one of Canada's best undergarment makers. All sizes, from 34 to 42.

Ladies' Balbriggan Vests and Drawers, 47c Garment

This is an opportune time to offer these excellent Garments, for they are a suitable weight for Spring Wear. They are a value well worth while at the above price.

Boys' and Girls' Ribbed Hose, 39c Pair

The Brand is called "Winner" and they are all that the name implies.

They are elastic ribb and fast dye; strong and durable, suitable for School Wear. Obtainable in sizes from 6 to 10.

65c, 75c and 85c Runners, Squares and Tray Cloths, 49c

The Squares are plain hemstitched, and the size is 30 x 30 inches.

Tray Cloths, 26 x 17 inches, and are also plain hemstitched.

Runners, 50 x 18 inches, and are plain centres and lace edged.

—All lines are worth their former prices, and in some cases even more, To-day

30c Canton Flannel at 19c

Unfortunately, we are down to the last Two Pieces of this excellent material that has been such a favourite. It is 27 inches wide, and is Unbleached. To-morrow will be your final opportunity to secure a piece of this Good Flannel.

Remnants from Our Staple Dept.—500 All-Told

Some are Mill Ends and others are Sold-Outs from our Main Floor Department. In the assortment you will find Flannelettes, Nainsooks, Cottons, Prints and Ginghams. Both short and long lengths, but all Remnants, of course. Sharply reduced, every one.

$2.95 Bleached Damask Table Cloths, $2.29

We cannot sell them for less, for they are down to the lowest possible price right now. They are full bleached, hemmed, and ready for use. Size 66 to 86 inches. A splendid assortment of Stripe and Floral patterns is yours to select from.

LEADER.

$1.85 Brusselette Rugs, $1.49

This is a larger Rug than our last week's leader. Unfortunately we have only a limited quantity. Come early.

The predominating colours are Brown and Green, the ends are fringed, and the pattern is a Medallion design. The size is 60 x 27 inches.

$4.50 Go-Carts for $1.00

These Go-Carts are slightly damaged, but nothing wrong that will impair their service. They are fitted with rubber tires, and have an adjustable back. The wheels alone are worth more than To-morrow's Annex Price.

$1.49 and $1.75 White Voile Blouses, 98c

Every week sees what was once a huge stock of these excellent Blouses diminish. There is still all sizes and a good range of patterns. The man who made these Blouses was in our store the other day and couldn't sell us a Blouse that could be re-sold for anywhere near this price. We could receive double the money for these if we cared to ask for it, but when we purchase a bargain, we like to pass it along and give our customers the benefit.

Second Annex Leader Sale of $1.69 Taffetine Underskirts, 99c

You'll be pleased with the Material and pleased with the Style. The bottom is finished with a neat pleated flounce, and they are obtainable in the following colours: Purple, Rose, Copenhagen, Navy, and Black.

Dollar Value Bungalow Aprons, 73c

They are made of a good quality of durable Print, and are cut on a smart, convenient style. They button at the back and are caught in at the waist line, and the round neck is finished with White Piping. An excellent garment at a low price.

Large Economies on Small Articles

Lenox, small size, Soap—12 bars for	49c

The CRESSMAN Company Limited

MONTHLY MEETING OTONABEE COUNCIL

WILL CONSIDER ABOLITION OF STATUTE LABOUR.

The regular monthly meeting of the Otonabee Council was held. All the members present except Mr. Gillespie.

The minutes of the last meeting were read and confirmed.

Moved by Mr. Lawrie seconded by Mr. McIntyre that the auditors report be received and adopted and one hundre copies be printed.—Carried.

Moved by Mr. Lawrie seconded by Mr. Sargent that no action be taken in regard to an account presented by Michael Ross for medical attendance re small pox.—Carried.

A meeting of the rate payers of the township of Otonabee will be held in the Town Hall, Keene, at 2 o'clock on Wednesday the 24th March for the purpose of considering the abolishing of Statute Labor. Full information will be given of the percentage the government will pay for all moneys expended on Township roads.

All interested will please attend and take part in the discussion.

Moved by Mr. Lawrie seconded by Mr. Sargent, that the following accounts be passed: D. H. Moore, disinfecting and placarding $16.00. Peterboro Examiner Co., printing, $27.70.

Council adjourned to meet the third Monday in April.

JOHN J. MOORE,
Clerk

FARM LABOUR VERY SCARCE

A SUMMARY OF FARM CONDITIONS IN ONTARIO.

The following is a summary of the reports made by Agricultural Representatives to the Ontario Department of Agriculture:—

The trying time for fall wheat and clover has arrived, as many fields have been more or less uncovered by the thaw of the past week. So far, however, these crops are said to be in good condition.

Wenworth states that up to the present no complaints of winter injury have been made by fruit growers.

Live stock throughout the Province are remarkably free from disease and are otherwise in fair general condition, considering the close feeding that has been practised owing to the shortage of grain.

Notwithstanding the scarcity and dearness of concentrates, dairy farmers are meeting fairly well their contracts with town and city milk dealers.

Wentworth reports local packing houses as paying 18.75 a cwt, for bacon hogs. Lower prices are being paid in less favored localities.

Several carloads of horses have been shipped from Lambton during the past month at prices ranging from $175 up.

Hay is being carefully fed. In some of the southwestern counties, owners are asking pressers from $22 to $30 a ton in the barn. In Timiskaming the keen demand has sent prices up to from $35 to $40 a ton.

Potatoes removed from pits in Lambton have been found to be in generally good condition. Wentworth reports seed potatoes as being in good demand. Prices in Timiskaming are given as from $3.50 to $4.75 a bag.

The Lambton representatives says there are local indications of an increase in the acreage of sugar beets over that of last year. Good farm labourers are hard to procure at [illegible]

MATERIALS FOR EXPERIMENTS FREE FOR THE FARMERS

The members of the Ontario Agricultural and Experimental Union are pleased to state that for 1920 they are prepared to distribute into every Township in Ontario, material for experiments with fodder crops, roots, grains, grasses, clovers and fertilizers. Fully 2500 varieties of farm crops have been tested in the Experimental Department of the Ontario Agricultural College, Guelph, for at least five years. These consist of nearly all the Canadian sorts and several hundred new varieties and new strains, a few of which have done exceedingly well in the carefully conducted experiments at the College, and will be used for the cooperative experiments throughout Ontario in 1920.

Each person in Ontario who wishes to join in the work may choose any one of the experiments for 1920, fill out the accompanying form of application and return the same to the director of the Cooperative Experiments in Agriculture at as early a date as possible. The material will be furnished in the order in which the applications are received until the supply is exhausted. A sheet containing the instructions for conducting the chosen experiment and the blank form on which to report the results of the work, will be sent to each experimenter at the time the fertilizers or seeds are forwarded. All material will be furnished entirely free of charge to each applicant, and the produce of the plots will of course become the property of the person who conducts the experiment. In return the Committee on Agricultural Experiments desires to ask that each experimenter will sow all the plots belonging to the particular experiment which he has chosen for 1920 and that he will be very careful and accurate in his work and forward to the director a complete report of the results obtained from the tests as soon as possible after the plots are harvested. Application should be made to C. A. Zavitz, Agricultural College, Guelph, Ont.

INTERESTING DEVELOPMENTS

(Canadian Press.)

REGINA, Sask., March 10.—Interesting developments are looked for this year in connection with the operations of the Lignite Utilisation Board of Canada. The object of the board is to develop the Saskatchewan lignite fields and give the people of the west cheaper and better fuel than is possible at the present time, as well as placing the briqueting industry on a commercial basis. The Federal, Manitoba and Saskatchewan Governments have appropriated $400,000 for the use of the board, one half of this amount to be paid by the Federal Government and one-quarter by the two Provincial Governments.

EGG MARKETING ACT

Eggs Must be Candled Before They Are Sold to Dealerh.

(Canadian Press.)

REGINA, Sask., March 10.—After the first day of June, 1920, in accordance with the new Egg Marketing Act every dealer in eggs in Saskatchewan either wholesale or retail who purchase eggs directly from producers, must be licensed, and after that date no eggs may be purchased by such dealers until they have been candled and all eggs unfit for human food rejected.

(Canadian Press.)

BERLIN, March 10.—Soldiers used rifles and machine guns in suburbs late yesterday evening. A number of persons were killed and wounded.

NEW MONSTER GUN IN FRANCE

PARIS, March 16.—A monster gun, with a range more than twice that of the famous "Big Berthas," used by the Germans to bombard Paris, has been invented by the French engineer, Delamere. The first of the new type has been constructed in the Belgian national foundry at Liege and has astonished artilery experts by its marvellous prouperties. The speed of the projectile is increased forty per cent. by the new device employed, it is claimed.

Intestinal Indigestion!

A Form of Dyspepsia Usually Resulting From the Inability to Digest Starchy-Food.

A great many people are severely bothered with intestinal indigestion due to the fact that the starchy foods, such as potatoes, rice, white bread, etc., are digested in the small intestine and not in the stomach as is generally supposed.

To relieve this condition Stuart's Dyspepsia Tablets are well supplied with an intestinal digestant so that instead of practicing severe diet you may eat these essential, nourishing foods without distress.

In the small intestine the pancreatic juice acts upon the starches and ordinarily, in a state of health, possesses the power of converting them into grape, sugar and dextrine. Starch must be so transformed before it can be of use to the bodily economy. Remaining as unchanged starch, it either passes through the alimentary canal, and proves a useless burden to the system, because it resists absorption, or it causes intestinal indigestion, the food products becoming acrid through putrefaction, which often sets up a catarrhal inflammation of the intestine, resulting in diarrhoea.

In a complaint of this character many persons use paregoric, bismuth and tannin to relieve the diarrhoea, all powerful astringents and they stop the trouble suddenly, "locking up" the morbid secretions throwing the toxic intestinal poison back on the system, and often causing auto-intoxication.

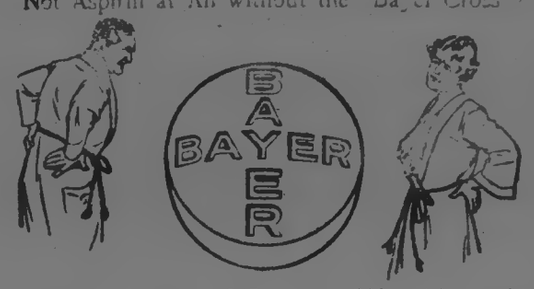
STUART'S DYSPEPSIA TABLETS contain among other powerful digestives, a substance called pancreatin, which thoroughly digests starchy foods in the small intestine, thus preventing intestinal indigestion.

These tablets also contain calcium carbonate, which is a mild though effective sub-astringent and which by its antiseptic properties removes the intestinal poisons that are always present in intestinal indigestion and diarrhoea.

Not only are the starches digested by the use of Stuart's Dyspepsia Tablets, shut through the action of other ingredients they relieve stomach indigestion and dyspepsia. Buy a package from your druggist today, 60 cents, and note the quick relief that follows, in most cases.

ONLY TABLETS MARKED "BAYER" ARE ASPIRIN

Not Aspirin at All without the "Bayer Cross"



For Colds Pain Lumbago Stiffness Neuralgia Toothache which contains complete directions. Rheumatism, Sciatica, Neuritis, Earache, Then you are getting real and for Headache. Neuralgia Tooth Aspirin the genuine Aspirin-proved ache Earache, take Aspirin marked accepted by physicians for over nine with the "Bayer" for you are been years. The World Of Sport

THE POOR OLD PITCHER!

Efforts of Rule-Makers Always Directed Against the Slab Artists.

The pitcher has been the object of suspicion by the rule makers of baseball since the inception of the game. He always got the better of the batter no matter what restrictions were placed on him. In 1876, the first year of the existence of the National league, he was handicapped by the underhand delivery, compelling him to deliver the ball below the shoulder. He was also compelled to put the ball over the plate at the height demanded by the batter, either high, low or fair. A high ball was between the belt and the shoulder, a low ball between the belt and the knee, and a fair ball anywhere between the shoulder and the knee.

But the pitcher then had the advantage of being only 45 feet distant from the batter. A box six feet square was marked out for him, in which he could romp around at will, but dared not overstep te boundary lines. The underhand delivery he conquered by leaning far to one side, then taking a hop, skip and jump and letting the ball go while his face was turned toward any object except the batter.

Three years later the box was cut down to four by six and it was made compulsory for him to face the batter while delivering the ball. This change hurt a littel at first, but the pitcher soon gained the ascendancy once more and mastered all the handicaps.

Pitching Distance Increased.

In 1881, the sixth year of the National league, the pitcher was moved back five feet, and was now 50 feet distant from the batter, but none of the former restrictions were removed except that the underhand delivery was abolished in 1884.

In 1887 the jumping-jack antics of the pitcher was done away with. The box was cut down to 5½ by 4 feet and he was compelled to keep one foot in contact with the rear line of the box and could take only one step in delivering the ball. As a salve to his injured dignity the high, low and fair ball delivery was cut out, and he was allowed to put the ball anywhere between the shoulder and the knee of the batsman, which rule is still in vogue.

In 1883 the most radical and lasting change was made, a change that was the downfall of many who had previously been the most effective pitchers. First of all he was moved back *over ten feet; then the box was entirely thrown away.* Instead of a box a simple rubber plate, 12 inches by 4, was sunk in the ground 60 feet 6 inches from the batter, and there he stands to the present day, this ordinance having never been rescinded. As formerly, he was compelled to keep one foot touching the rubber plate and take only one step in delivering the ball. In 1895 the dimensions of the rubber plate were fixed at 24 by 6 inches and so remains to this day.

In a little while the pitcher had mastered these changes and threatened once more to get the batter thoroughly under his thumb. He acquired the knack of feinting to a base and with the same motion to let the ball go to the batter. He was ordered to pause after such a feint, especially toward first base. This was in 1898, but in 1899 he was compelled to throw the ball to first base or be charged with a balk provided he stood on the rubber. Off the rubber he was allowed to feint to his heart's content.

Relief, But Not Sympathy.

In 1901, much to his astonishment, perhaps, he was given the semblance of relief by the rule makers, who decided that every foul hit by the batter should be called a strike, provided two strikes had not been already been called. This was done not so much to relieve the pitcher as to exped the game. For the same reason the rulemakers that year ordered the catcher to remain back of the batter during the entire game. In the old days the catcher would not go behind the bat until the batter had three balls or two strikes called on him. At all other times the catcher allowed the back fence to stop the ball, and thus he had an easy time of it compared to catchers of the present day.

During all this time comparatively little attention was paid to the ball, which was in some instances shamefully abused. A new ball was so led at will. At last a rule was made preventng players from deliberately darkening the sphere, but up to a late date it had no effect. It was good ground to grow the present freak deliveries, which sprung up under all sorts of names. One of these has brought upon itself much disfavor. It *it the spitball, which will be allowed* to live a year longer. But the others, no matter by what fantastic names they are known, are legislated out of existance.

HIGH ROLLERS TAKE TWO FROM DE LAVAL

Last night in the ten pin league at the water street alleys the High Rollers took two out of the three games from the De Laval. For the De Laval Fitzgerald was high man with 517 Carter next 506 For the High Rollers Thompson was high man of the evening with 540. Solomon next with 544 Byers pulled off three very hard spares. Barrette also made the 5 and 10. The following are the scores:—

High Rollers.

Thompson	139	212	108—549
Byers	125	161	123—409
Miller	162	150	151—463
Thomas	138	148	146—432
Solomon	165	191	188—544
	729	862	806-2397

De Laval.

Ruiter	198	140	142—480
Murray	133	139	148—420
Fitzgerald	137	188	192—517
Barrette	143	178	133—454
Carter	178	158	170—506
	789	803	785-2377

TORONTO STORES CLOSE EARLY

Toronto grocery and fruit stores are to close every night with the exception of Saturday at seven o'clock Such is the mandate handed out by Judge Morson in his final decision in the long-drawn -out trial of the city vs. Grocers.

The police are instructed to arrest the owner of any store where the majority of stock is composed of fruit or groceries who keeps his place of business open after seven o'clock in the evening.

The working of the by-law will be watched with interest by every merchant in all lines of business to see just how the foreign fruiterers will adapt themselves to the new order as they were the business people who so strenuously fought the early closing by-law.

G.W.V.A. TEAM WON FROM MACHINE GUNS

In a City Indoor Baseball League game the G.W.V.A. team last night defeated the Machine Gun Company by 30 runs to 29. As the score shows the game was in doubt until the last man was out.

The line-up follows: ....

G. W. V. A.

Fields 2b, Rootes lf, Jackson. W. 1b, Russell ss, Shannon cf, Rush 2b, Wolfe rf, Perks p.

Machine Gun.

McMillan cf, Fraser 1b, Galvin 2b, Cobb c, McWilliams rf, Oliver ss, Dodds 3b, Brookes p, Harkness lf.

HAMILTON LOST TO THE GRANITES

THE TIGERS WERE COMPLETELY WHITEWASHED.

TORONTO, March 16.—The Tigers, the far-famed, much-feared Tigers, who hail from Hamilton, have sung their "Nunc Dimitis" and departed in silence and in grief. The big electric sign, without any bulbs, which hangs outside the entrance of Mayor Booker's downtown residence bade them "Welcome" when their special passed through the tunnel early this morning, but there was no cheering crowds, no torchlight procession, no bands to greet the conquering heroes. For there were no conquering heroes. As for Belgium, or rather those dreams of Belgium, the Tigers will be lucky if they get a postcard from Antwerp. Granites saw to that last night. They grabbed the swishing tails of those jaunty Bengals, they gave them five hard twists, and they sent the pride of Hamilton back to their native city mewing like a housecat caught drinking the baby's milk. In other words Granites just stepped into the Tiger tea mlast night, and when the smoke of the contest had blown away, Granites had scored five goals, while the Tigers had failed to find the net. Failed to find it! Why, they didn't even score a "Hamilton goal." Up in the Church street club the John Ross Robertson silver challenge cup will rest on the mantelpiece for a year, while the team which carried Toronto colors to the senior championship again will try to keep beside it the famous Allan Cup, which they have earned the right to defend.

The greatest crowd that ever saw a hockey game in Canada looked on last night. There were no less than 8,549 persons in the Arena, or 447 more than saw St. Patrick's go down to defeat before lining up at three o'clock in the afternoon, and as many more were left outside when the gates were closed and the S.R.O. sign hung out. But they got their money's worth. All except the Mountain delegation, who never had a chance to raise a cheer all evening. Even their famous yell was drowned by the multitude of voices which acclaimed every move the Granites made. It was a sad, sad night for Hamilton.

The score was 5-0 in favour of Granites.

LIVER TROUBLE AND HEARTBURN

All liver diseases of whatever character are diseases of the highest importance and demand close attention.

The liver is the largest and one of the most important organs of the body. Its duty is to prepare and secrete bile, and serve as one of the filters of the body, cleansing it from all impurities and poisons. Therefore when the liver gets out of order it is the starting of trouble in nearly every part of the body.

Keep the liver active by using Milburn's Laxa-Liver Pills and you will have no heartburn, constipation, biliousness, sick or bilious headaches, dull, yellow eyes, brown blotches, sallow complexion, coated tongue, jaundice, catarrh of the stomach, or the painful protruding, internal or bleeding piles.

Mrs. John Kadey, Chipman, N. B., writes: "I have used Milburn's Laxa-Liver Pills for some time and can recommend them to anyone suffering from heartburn and liver trouble. I tried other remedies but they only relieved me for a short time. I always recommend Laxa-Liver Pills to all sufferers as I think that they are a valuable remedy."

Milburn's Laxa-Liver Pills are 25c a vial at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

SITUATION IN GERMANY IS STILL VERY OBSCURE

(Continued from Page 1)

GERMAN PAPERS DENY COMPROMISE.

United Press.

FRANKFORT, March 16. — Denial that the new and the old German governments have opened compromise negotiations was received from both factions b ythe "Frankfort Zeitung" here to-day.

A despatch from Stuttgart stated that the reports of negotiations for a compromise with the Kapp government were fakes.

Simultaneously the newspaper received a despatch from Berlin saying it was authoritatively announced that any statements regarding a compromise between Kapp and Bauer were "pure inventions."

NO CONNECTION.

Canadian Press.

COPENHAGEN, March 16 — Marshal Vn Hindenburg has made a public declaration that he is not connected with the counter revolution of which he disapproves, says the Hanover Tageblatt.

TROOPS REINFORCED.

Canadian Press.

BERLIN, March 16. — Heavy reinforcements were received yesterday by the new government. Soldiers marched into Berlin from various nearby garrisons. Chancellor Kapp has thus far been able to produce only military backing for his government. Mathiaser Ezerberger has been placed under arrest.

GENERAL STRIKE.

Canadian Press.

PARIS, March 16. — A general strike is effective throughout Germany and only food trains are now running, according to the advices received. Severe fighting is reported from Dresden, Leipsig, Drandenburg and Chemnitz.

CHARLES RAY FILM FURNISHES TREAT FOR FIGHT FANS

YOUTHFUL SCREEN STAR SHINES AS PUGILIST IN "THE EGG CRATE WOLLOP."

If Charles Ray, the famous motion picture star, ever wants to quit the pictures, there's a great future waiting for him in the prize ring. That was the verdict of some five hundred California fight fans who watched the filming of the big scene in "The Egg Crate Wallop," Mr. Ray's latest Paramount-Artcraft photoplay, which will come to the Grand Theatre on Thursday, Friday and Saturday.

Both Thomas H. Ince, who produced the film, and the star himself, insisted that the prize fight which the scenario called for be a real, knock-down-and-drag-out battle, and so it is. The fistic duel between Charles Ray and Jack Connolly, which goes five rounds to a knockout, is declared to be the fastest, most exciting mill ever picturised.

According to the story, a girl and the clearing up of a mysterious theft is at stake. When Ray put over his famous "egg crate wallop," it carries a happy ending for the picture with it.

MUSIC AND DRAMA

LISTEN LESTER.

Nimbleness of foot, rather than nimbleness of wit, was the distinguishing feature of "Listen Lester," the John Cort musical comedy production at the Grand last night. There was no place in the caste for anyone suffering from rheumatism, for everyone had to dance, and several of the company had to be acrobats as well, the production moving in jazz time from the opening curtain. The dancing features supplied the chief merit for the performance, for the book was only an ordinary one, and whoever wrote the lines cannot be congratulated on their freshness of wit nor in some instances upon their fragrance. However, the agility of the company, with the assistance of some tuneful music, carried the production through to success and a capacity audience seemed to thoroughly enjoy the programme.

A dainty little person, Virginia Watson charming both in personality and as a singer and dancer, made a decided hit as Mary Dodge, and was ably assisted by Bert Gardner, who was a splendid lead. There was more perspiration than inspiration about the work of Gus Shy, who was the acrobatic hotel clerk of the production and performed stunts in dancing and tumbling that kept himself and the audience breathless. Joseph Mack was the "Lester" of the caste, contributing some very clever eccentric dancing, while the comedienne was Maymie Gehrue, who has not been seen here since she periormed the "Yama Yama" dance in "The Three Twins." She is as lively as ever in spite of the intervening years

The musical score contained a number of gems that had the gallerytes whistling. "Waiting For You," by Miss Watson and Mr. Gardner, was the big hit, but Miss Folger won much favour by her singing of "When Shadows Fall" "I'd Love To," "Sweet Stuff" and other song numbers were much enjoyed

THE CUP OF FURY, BRILLIANT STORY

There are many thousands thrilled by "The Cup of Fury" as a novel will find it a greater thriller as a picture. It was seen at the Allen Theatre yesterday by an appreciative audience. Helen Chadwick has the leading feminine role as Mamise, the pretty American girl who ran away from her early environment of squalor and want to seek a stage career. Success in time leads her abroad where she becomes an innocent factor in a German conspiracy, proving her patriotism on her return to America by defeating a traitorous plot to destroy a newly launched war vessel.

Rockcliffe Fellowes plays opposite Miss Chadwick as Davidge, a young shipbuilder whose admiration for Mamise is not shaken by the cloud of suspicion which hangs above her. His loyalty is rewarded by a truly romantic way. The supporting cast includes Sydney Ainsworth, Frank Leigh, Clarissa Selwyne, Kate Lester, Herbert Standing, Florence Deshon, Dwight Crittenden, H. A. Morgan, Marion Colvin and others.

TWO BOYS GIVEN CHANCE TO WORK

The two young men who last week left the bright lights of Toronto and the home fires for the more alluring attractions of Montreal via the tender on the C.P.R. local and whose joy ride was rudely terminated by the police eventually ending in a week on the hill on the charge of vagrancy faced the Magistrate again this morning

The case was explained more fully. The younger boy aged 15, George Wallenger, who gave his name to the police as Robertson lives in a good home in Toronto, but went off on a wild goose chase with the elder boy, who is aged 19 whose home is in England. The younger boy desired to work till he could pay his fare to the city and his attitude towards his home had undergone a remarkable change in a week and he expressed his desire to return home. The eldest boy wanted to stay here and work so Adjutant Buntin promised them both work and a chance to make good. The boys had no previous record the Chief said.

"Shame for boys not to be working as there is so much work," said His Worship as he adjourned the case for two weeks

What the Doctor Says about Twin Beds

IT is no new thought with you, of course—the idea of a separate bed for each member of the family.

This has been the custom with thousands of families for years—a rapidly spreading custom ever since *Twin Beds* put the separate bed at the service of households where space is limited.

* * *

IT is a thing, too, that doctors have long been urging. Not only for the warding off of infections, such as coughs, "sore throat" or grippe, but for the sake of *sound sleep*.

The restlessness of one sleeper does not disturb the other. And there isn't any loss of vitality—as there is when children sleep with old people, or invalids with the healthy.

But even in a separate bed you will never sleep soundly unless your bed invites *perfect relaxation*.

There is not a person anywhere but will sleep better for doing away with the creaky wooden bed or loose-jointed noisy metal bed and getting a Simmons Metal Bed instead—with Waldorf Box Spring, and Simmons Mattress and Pillows.

The Simmons Bed is *noiseless*. It locks firm at the corners. The corner locks are made of pressed steel—fit true and snug—not a creak, rattle or feeling of unsteadiness.

It is perfectly rigid—feels and moves like one solid piece.

The Simmons Pressed Steel Corner Locks are protected by basic patents—*exclusive with Simmons Limited*, not to be duplicated or imitated.

* * *

THE Waldorf Box Spring really *does* what you have always wanted a spring to do.

It invites *complete* relaxation.

It supports the body *at ease* on fine resilient spring coils—each coil conforming freely to the contours, so that the spine is perfectly rested, whether one sleeps on the back or on the side.

Simmons Waldorf Box Spring is covered with ticking of the finest grade and great wearing quality, in new and attractive designs.

It fits firmly on the bed—never sags or humps, never loses its resiliency.

And Simmons Mattresses and Pillows are in every way worthy to go with Simmons Metal Beds and Waldorf Box Springs.

* * *

THOUSANDS who for years have been "light sleepers," relax completely and sleep all night on a Simmons Metal Bed.

If you've been thinking of separate beds, you may be glad to know that Simmons Limited, are specialists in *Twin Bed*

You'll find Simmons Metal Beds, Waldorf Box Springs, Simmons Mattresses and Pillows at your leading dealers.

Simmons Beds offer you unusual assortments in brass, colored enamel and natural wood effects—to harmonize with the interior decorations of the day.

And when you are selecting your Simmons Beds with an eye to their appearance in the room, you will see that Simmons has for the first time established *beautiful and authoritative design* in Metal Beds.

If you do not know the Simmons merchants in this section, we shall be glad to send you their names.

Sleep is a big subject! Write us for the brochure, "What Leading Medical Journals and Health Magazines Say about Separate Beds and Sound Sleep." Free of Charge.

GUARANTEE BONDS FOR HOUSING WORK

GOVERNMENT SAID TO HAVE NEW FINANCING PROPOSAL.

TORONTO, March 15.—A form of Government guarantee of municipal bonds will, it is stated, be the plan the Drury Government will adopt to assist the carrying on of municipal housing after the money now on hand for that purpose has been exhausted. No official announcement of the policy will be made, probably, until the housing bill is laid before the House, but the plan to be followed has, after a good deal of careful consideration on the part of the Provincial Secretary, Hon. H. C. Nixon, been practically completed.

The backing of municipal bonds, if resorted to, would provide a fairly satisfactory method of financing for the municipalities without committing the province to tremendous direct borrowing. Municipal bonds cannot, of course, be placed at a price that will give as low an interest rate as the 5 per cent. now being paid for loans secured from the Federal appropriation, but most of the larger municipalities could probably borrow around 6 per cent., if given provincial backing, and the province is now paying very close to that for money.

BELL ISLE SCHEME IS IMPRACTICABLE

"Forty years ago Mr. James Cupar, a naturalist, residing in Montreal, attracted some attention in a series of letters to a project of blocking the Straits of Belle Isle, between Newfoundland and Labrador, and according to his theory, so modifying the climate of northeastern Quebec that it would have seasons like those of New England. The scheme was one of those geographically attractive ones which map students delight in conceiving," says the Montreal Gazette. "The Straits of Belle Isle, at its narrowest part, is only a few miles wide; but to erect across it an embankment strong enough to resist the storms and tides of the North Atlantic would be a tremendous work; and no one has spoken with authority to give assurance that the result would be what was expected or would be a recompense for the cost involved. The scheme is to the fore again, however, this time in connection with a railway propect to connect the systems of the continent with northern Newfoundland. The old theories advanced by Mr. Cupar are revived. The Artic current, it is declared, were the straits blocked, would be defected into the Atlantic and lost, and the Gulf stream, holding closer to the shores of the continent, would give Newfoundland and southern Labrador milder seasons. The confirmation of the coast does not support such theory. The Labrador or Greenland current does not all pass through the Strait of Belle Isle. Much or most of it sweens along the eastern shores of Newfoundland, bringing with it great icebergs that sometimes blockade St. John's and often embarrass sailors in the neighboring waters. With the strait blocksd this phase of the Atlantic problems might be made worse. The situation is too vague to issue a prospectus on. Not even a Canadian parliament, the world's easy mark for railway promoters, would vote a subsidy on what is certain in connection with the scheme, or on what is likely to be known for many years."

NEW BINDER TWINE PRICES ARE LOWER

Sharp advances in prices continue to effect many basic hardware commodities. Among the most important lines affected are: Horse clippers and sheep shearing machines, saddlery hardware, roofing, tractor oil, accelerators, cut-outs, brake shoes, nut and pipe wrenches, stair plates, galvanized clothes line wire, auger bits, Kiddie-Kars, carpenters' tools, washing machines, wringers, blacksmiths', straight shank and bit stock drills, carpet sweepers, hand vacuum cleaners, steel copper rivets, solder axes, calf weaners, household scales, shears rubber wringer rolls, tub stands, cut lace leather, sweat pads, tackle blocks, wash boards, flashlight bulbs, galvanized sheets, corrugated iron, white lead in oil, and putty.

New binder twine prices have been issued and are considerably lower than those of last year. The difficulty of procuring raw material for the manufacture of goods of iron or steel is said to be the chief factor for higher prices, although the exchange situation must not be overlooked.—Hardware and Metal.

MOTOR LICENSE FEES.

(Canadian Press.)

VICTORIA, B.C., March 16.—Motor license fees in British Columbia are to be substantially increased by legislation and the full amount used for road improvements, Hon. J. H. King, Minister of Public Works, told members of the Good Roads League.

Be Careful What You Wash Your Hair With

Don't use prepared shampoos or anything else, that contains too much alkali, for this is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain mulsified cocoanut oil, for it is pure and entirely greaseless. It's very cheap, and beats anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy, and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.

TRAVELLED ALONE.

Nine Year Old Youngster Travels From England to Winnipeg.

(Canadian Press.)

WINNIPEG, Man., March 16.—Arthur George Glazebrook, a sturdy youngster of 9 years old arrived here after travelling from Godalming, England, alone. This young gentleman adventurer was put on the boat by his parents and is travelling to British Columbia where he will visit his grandfather at Chilliwack.

PETERBORO FAIR GROUNDS

Since my last letter anent this subject I have had many expressions of approval from leading citizens. To me it is of such importance that I feel justified in continuing the subject. We have each year an agricultural show at Lakefield and at Norwood in addition to the larger Peterborough show. The question naturally arises, is it worth while encouraging these little shows? The display of horses and cattle at our last show was very fine, and I take the improvement of our stock is and should be the principal motive of the shows.

The "hoss trot" has little value; the mountebank business adds nothing to the show, but to induce the attendance of people who go, not to learn, but to gratify curiosity or a morbid taste.

Toronto has the finest show on the continent, and it is an education to attend it, yet until late years this show has not paid its way, and if it was not backed up by a city of half a million and by great annual grants it would soon go to the wall. The immense exhibit of manufactures at Toronto invites business men who want to keep abreast of the times, but little places should not aim at the impossible. It only suggests the fable of the frog that in attempting to swell itself to rival the ox only succeeds in bursting itself. Yet if people want the shows let them have them, but not at too great a cost. A show outside, but near the town, will answer all purposes. Let it be in a large park within two three miles of the city.

First, put the park in the right place, then aim high but don't have it a nuisance. Philadelphia has one park 15,000 acres, but it was gotten when that city was very small.

The Toronto Exhibition grounds, if I mistake not, was a government military reserve.

Our parks at and around Peterborough are very small and unsuitable. The Jackson park is only thirty acres. A couple of hundred more acres could easily have been added to it had there been foresight the creek could have been damned and half a mile of fine boating water adde to it, at a cost of $15,000 or thereabouts for land and all.

If our citizens think a fine fair desirable, all right, but don't blight the town by planting a fair ground right in the midst of the city, where it is already nearly surrounded by growing suburbs that must before long be taken into the city.

All permanent structures and expenditures on the present fair grounds will be wasted money, for it will be forced out of the place it occupies to make way for our new growth. Let our active leading men think carefully and long over this matter before plunging into what will very soon demonstrate the mistake, but alas! will also show a great loss in money and a great loss in opportunity in this that the chance of getting what is wanted is now open but when wanted hereafter, will be gone.

When the wise ones put the graveyard in the centre of this town a great mistake was made. When the church sites were put across the street, blocking them a great mistake was made, when lanes were not put at the rear of the George street lots a mistake was made; when the city plunged into an expenditure of $300,000 to gratify a whim of the Quaker Oats people a huge mistake was made; when the city plunged into an expenditure of $250,000 for a school that in 2 or 3 years could be built for less than half the present cost, a huge mistake was made.

Let Peterborough cease making such mistakes. Let the counsellors take time to think. Let them call together their best thinkers and go slow in expenditures, and we will be less burdened with strangling taxes. The city is now flooded with people trying to rent houses, but there are none to rent. No one will build at present cost of labour and material and present crushing load of taxes. What next? Who knows? Answer—Go slow, double up, and don't confiscate peoples property by unnecessary expenditures, which means unconscionable taxes.

SUMMARY OF JUDGMENT - EXONERATING MR. GOODWILL

(Continued from page 1.)

blank so far as those two documents are concerned

I am satisfied that the plaintiff's recollection of what took place on that day is at fault and that in spite of what he says the documents he signed and handled that day were the option and the proxy and not the stock certificates. It is rather significant that the option is made in favour of the defendant. This is, of course, not necessarily inconsistent with the alleged relationship of solicitor and client between the plaintiff and the defendant, but when that relationship is denied by the defendant, the fact that the option is so drawn, and that it was signed in the office of another solicitor cannot be overlooked.

Was Never His Solicitor.

The defendant says he never considered himself as the plaintiff's solicitor with regard to this transaction, nor had he ever acted for him professionally at any other time He made no charges in his books against the plaintiff and this was verified by the production for my inspection of the defendant's docket. By way of explanation of what followed the plaintiff says that he had had no account from the defendant but that he thought the defendant ought to be paid for his advice. He accordingly asked his daughter Katie to go to the defendant's office and pay the account. She did so on the 9th of December, 1919, and brought back an account for three dollars duly receipted by the defendant. The body of the account reads as follows: "To amout of account for professional services, advice and atendances re Auburn stock, etc., $3.00." There is no date to this item. The account is dated the 9th of December, 1919 ,and it is receipted as of the 10th of December, but this latter date is a slip as the making out of the account and its payment took place on the 9th.

The Defendant's Story.

The defendant's explanation of this account which is substantially corroborated by both his stenographer and his book-keeper is as follows: On the 9th Deceber, 1919, a lady came into his office and said she was a daughter of Mr. J. I. Davidson. He had not met her before. She said her father was seriously ill and that she had come from Montreal and had been two weeks nursing him; that her father had a matter on his mind which worried him a great deal; that he owed the defendant some money and tht she had come to pay it. The defendant told her that her father owed him nothing; that he had done no work for her father and there were no charges in his books against him.

As the defendant says, at this juncture he alowed his sympathy to run away with his better judgment He called in his stenographer and dictated the account to her in the form set forth except that the words "re Auburn stock" were not in. Miss Davidson then said she wanted the account to mention the Auburn stock and he added these words She then offered to pay him $3.00, but he declined to take the money She then said her father would ask her if she had paid the account and that she did not want to tell him a lie The money was accordingly paid and went through the defendant's ledger, being credited not to any account in the plaintiff's name but as casual revenue to "profit."

I took it for granted that at the close of the defendant's case the plaintiff would call Miss Katie Davidson, but the plaintiff's counsel then applied for an adjournment of the trial on the ground that they had received a telegram that Miss Davidson was ill in Montreal and that her physician would not allow her to come to Peterborough. Counsel for the defendant pointed out that the telegram had been received by counsel for the plaintiff before the trial had begun and that plaintiff was aware from his examination for discovery of the defendant's version of the interview of the 9th December and they urged that any application for a postponement should have been made before the trial had commenced I took the same view and refused to adjourn, and the case was accordingly closed

Was Obviously a Trap.

Whether the plaintiff is responsible for what took place on the 9th of December or not, it is impossible to say, but that it was a trap designed by someone for the purpose of creating evidence that the defendant was the plaintiff's legal adviser is too obvious for further comment. As I pointed out at the trial the ent can be disregarded; it adds nothing to the plaintiff's case, because I believe the uncontradicted story of the defendant and his two employees; nor can it hurt the plaintiff's case, if in fact he had employed the defendant professionally But the incident was a decidedly unpleasant one, and reflects no credit upon Miss Katie Davidson or upon any other person who may have suggested the idea to her.

The plaintiff consulted with Mrs. Kendry, and Mr. E. H. D. Hall as to what he ought to do. If the plaintiff had any legal adviser at all it was Mr. Hall, who had drawn his will a year or two before, and in whose office he kept his papers. It is most signficant that through the further course of the transaction, the plaintiff communicates with the defendant through Mr. E. H. D. Hall, and executes the option and proxy in Mr. Hall's presence, and that the latter says that he did not look upon the defendant as the plaintiff's solicitor.

Was Not Engaged.

Upon all the facts, I come to the conclusion that the plaintiff never employed or retained the defendant as his solicitor, and that there was nothing in the course of the negotiations to justify the inference that the defendant was employed or retained by the plaintiff, either as solicitor or in any other capacity.

On this finding I need go no further; but even admitting that the plaintiff's version of the interview of the 10th of June is correct, I am of the opinion that that conversation would not create the relationship of solicitor and client. The plaintiff says that he said to the defendant: "Take the cash." Can that, under the circumstances, constitute a retainer, and in consequence render the defendant liable for negligence for the advice then given? If so, a solicitor walks in jeopardy every hour. He may be overtaken on the street by a friend who tells him he has been offered a certain sum for his house, and asks whether or not he should accept it. He says "Yes," and is sued because the friend finds he might have obtained a higher price. There can, of course, be no doubt that if a man calls at a solicitor's office, and after telling him he has received an offer for something he has to sell wants to be advised professionally as to whether or not he should acept the offer, then though that sort of business may be strictly outside that ordinarily done by a solicitor, the solicitor would be under a retainer as such.

It is proper to add in conclusion that upon all the evidence it is not at all clear that the advice to take the cash, if it ever was given by the defendant, was not, under all the circumstances, quite proper and sound.

Not Interested in Company.

When the charges that the defendant was interested in the promotion of the new company, and was getting a large commission from Ferguson & Ormsby, are shown to be unfounded, it is reasonable to ask what possible motive could the defendant have had for advising the plaintiff negligently as alleged by the plaintiff. So far as the defendant was concerned, his sole interest was to see that the sale of Mrs. Kendry's shares went through. The success or failure of those negotiations was in no way dependent upon the sale of the plaintiff's shares.

The plaintiff, on the flimsiest and most unsubstantial evidence, builds up a series of charges against the defendant which reflect upon his professional and personal integrity and honour. They are proved to be unfounded, and I cannot, throughout the whole transaction, see anything which casts any discredit whatever upon the defendant. If he could have foreseen the possibility of this litigation, he might perhaps have safeguarded himself on several different occasions, but men are not called upon to foresee a law suit as the result of every unguarded act.

The action will be dismissed, with costs.

SCHOOL-DAYS ARE JOY-DAYS

for youngsters whose bodies are made strong and sturdy by rational exercise and proper food. The boy that is stuffed with foods that have been robbed of mineral salts is a dull boy. Shredded Wheat is the perfect food for growing children because it contains all the brain-making, tissue-building material in the whole wheat grain. A breakfast of two Shredded Wheat Biscuits with hot milk gives a zest for study and play-costs only a few cents.

SYRIA NOW INDEPENDENT.

(Canadian Press.)

BEIRUT, March 16.—Syria was declared independent late yesterday and Emirfeisal declared king. Palestine is included in the kingdom.

A Smooth, Hairless Skin for Every Woman

(The Modern Beauty.)

With the aid of a plain delatone paste it is an easy matter to rid the skin of unsightly hairy growths. The paste is made by mixing some water with powdered delatone. This is applied to the hairs not wanted and after 2 or 3 minutes rubbed off and the skin washed, then every trace of hair will have vanished. When you go to your druggist for delatone, be sure you get the genuine article.

EBERT BACK AGAIN.

(Canadian Press.)

BERLIN, March 16.— Frederrich Ebert has again assumed the Presidency and an election takes place within six days.

PALE ANAEMIC GIRLS AND BOYS

Need the Tissue Building, Blood Making, Strength-Creating Elements Contained in Vinol

Druggists Guarantee Vinol Will Make Them Strong, Robust and Rosy, or Return Your Money

It is not natural for a child to be pale, sallow, thin, ailing and puny, with no appetite, and with little limbs, thin and scrawney.

What such children need is more iron in the blood and the strength-creating, tissue- and body building elements of good, old-fashioned cod liver oil, without the oil, such as is contained in VINOL, together with other vitality-making ingredients.

VINOL increases the red corpuscles and enriches the blood, quickens the circulation, increases the appetite, aids digestion; soon the cheeks regain their rosy hue and the little limbs fill out round and plump and instead of being thin, sickly, ailing, your child is transformed into a happy, healthy child, strong, robust and rosy.

Mrs. L. Andrews, of Bainbridge, N. Y., says: "My little daughter, 10 years old, overworked and was run-down, tired all the time, nervous, had headaches, couldn't eat and had to stay out of school. VINOL has built her up. She has a good appetite, no more headaches and has returned to school."

For all run-down, nervous, anaemic conditions, weak women, overworked men, feeble old people and delicate children there is no remedy like VINOL.

PETERBORO HAS TOO MANY ETC.

(Continued from page 3.)

in the organization and establishment of a new Battalion to be thereafter known as the "57th Battalion." Further on an addition was made to the name of "Peterborough Rangers." The application for recognition, to the militia authorities, was subject to some bungling, otherwise the title number of the new Battalion should have been the 16th.

During the spring of 1867 the Battalion officers met and considered the formation of a band. The usual committee was named, subscriptions taken the officers contributing from private means. Mr. A. H. Rackett, who had grown tired of the States, was re-engaged as bandmaster. A fine set of instruments was ordered from a Boston manufacturer. These on arrival were put into the hands of members and practice began about the beginning of July. Citizens of musical proclivities and who had been implicated in the old band came forward and in two months the band was in a fair state of proficiency.

Eventually Mr. Rackett resigned from the band and took the leadership of "A" Battery band, (regulars), at Kingston, Ont. Further on to charge of the 46th Regt. band at Cobourg. Again to the States and finally passed away.

Held Together.

During the years that followed the 57th Band held together, encouraged by the officers of the regiment and by the sparse allowances from the Militia Department in the wa yof funds. A Mr. Guthrie, as bandmaster was an indifferent success. He was followed by our friend Mr. Finch Millar, who came out from England and for twenty-four years was in charge. The band had its ups and downs. It drew to the ranks many players. At times the band achieved considerable prominence as one of the notable bands in Ontario. It followed with the fortunes of the Regiment and never failed to attend in force the Annual Drill. Following the resignation of Mr. Miller, the bandmaster now in charge, Mr. Rupert Gliddon was engaged. Under his direction the 57th Band reached a position of excellence that made it distinctly one of the best bands in the Province. The membership has held together during the break-up following and during the war.

A band to keep up must have something on which to stand. It must have some parent organization on which it can rest, that will assist in looking after and financing. That will recognize that when the men have given their time and ability and enthusiasm to making music that they have done a fair share. We have now the re-formtion of the permanent regimental activity, under auspices of the Department. There must be and will no doubt be kept up a band in connection. Just how good that band will make itself and make Peterborough something creditable depends on support. Not altogether money, but as well, recognition. True, there are others. Each must be left to work out its purpose and with the support behind each There are claims of course But as we know, recognition of all these claims means that the funds, help, assistance that should result in making one good band that we can all be proud of is dissipated and accomplishes very little for permanancy. On the other hand all give service that is never and never will be paid for. The Huntsville Band is an outstanding instance of a musical organization nurtered, coached and kept up and has reached a position of excellence not equalled by any band in the Dominion. We can all admit this, even when we know that the cost of keeping up that remarkable band and its high-priced bandmaster, is serenely tucked on to the price of the leather that we wear

Have Curly, Wavy Hair Like "Nature's Own"

Women who have trouble keeping their hair in curl, or of securing the desired wavy effect and especially those who realize the harm that the hot iron does to the hair—will do well to try the new silmerine method. In no other way can they acquire such pretty waves and curls, having all the appearance of "Nature's own." And the hair, instead of being singed, ragged or dead looking, has such a lively lustre and wholesome beauty. The curliness is more quickly acquired than when a waving iron is used, and it lasts considerably longer. When the hair is combed out it is nice and fluffy. The hair will be quite manageable, no matter in what fashion it is done up.

If one will get a bottle of plain liquid silmerine at any drug store and follow the accompanying directions, she will be simply delighted with the result. This product is of course perfectly harmless and there is nothing sticky, greasy or unpleasant about it. It is also prized as a splendid dressing for the hair. As so small a quantity is required at a time, a few ounces will last for months.

TRANSPORTATION TIED UP.

(Canadian Press.)

THE HAGUE, March 16.—Transportation facilities are paralyzed throughout Germany.

Don't Suffer With Eczema Cuticura Soothes at Once

First bathe the affected part with Cuticura Soap and hot water. Dry and gently rub on Cuticura Ointment. This treatment not only soothes, but in most cases heals distressing eczemas, rashes, irritations, etc.

Soap 25c. Ointment 25 and 50c. Sold throughout the Dominion. Can. Depot: Lymans, Limited, St. Paul St., Montreal. Cuticura Soap shaves without mug.

CHILDREN'S COUGHS QUICKLY CURED

It is very hard to keep the children from taking cold. They will run out of doors not properly dressed—play too hard and become overheated—get their feet wet—kick the bed clothes off at night.

There is nothing so good for children's coughs, colds, croup, whooping cough or bronchitis as Dr. Wood's Norway Pine Syrup. It is so pleasant to the taste the youngsters take it without any fuss, and at the same time its promptness and effectiveness in loosening the phlegm, and healing the lungs and the bronchial tubes are such that the cough is checked before any serious trouble can possibly develop.

Mrs. Harold Acker, Lake Pleasant, N. S., writes: "I have three children, the eldest eight years old and the baby ten months old. They all had a bad cough. I knew of quite a few persons who had used Dr. Wood's Norway Pine Syrup with good results so I got three bottles. I am glad I did so as it is a sure cure for coughs and colds. A home where there are children should never be without it I highly recommend it to those who need a quick cure."

Price 25c and 50c at all dealers Manufactured only by the T. Milburn Co., Limited, Toronto, Ont.

GUELPH HOUSING BOARD TO APPLY FOR $500,000

GUELPH, March 14 The Guelph Housing Commission has decided to ask the City Council to make application to the Ontario Housing Branch for an additional $500,000 with which to erect houses in Guelph this year.

The request of the commission will come before the City Council on Monday evening. Last year the local Housing Commission applied for and received $250,000 from the Ontario Government, and of this amount $66,000 was expended. The balance of $184,000 is not considered enough to erect the required number of houses needed here this year. It is also the intention of the commission to advise local manufacturers to form an individual housing commission, as it is believed that this year will be the last in which the Government will grant financial assistance to a housing scheme

WANTS TO KNOW WHO'S GOT THE BUTTER

OTTAWA, March 15—The amount of butter held in cold storage in Canada on the first of this month, by companies engaged in the manufacture of oleomargarine, and the amount held by these companies on 30th September, 1918, 1st July, 1919, and 1st November, 1919, is a question to be asked in the House on Monday (today) by Donald Sutherland, member for Oxford South.

The amount of butter held in cold storage in Canada on 30th September, 1918, is also asked for.

DOPE FIENDS

Clever Scheme to Conceal Product From the Police.

(Canadian Press.)

VANCOUVER, B.C., March 16.—In their aggressive efforts to stop the illicit peddling of "dope," local police recently brought to light a clever device employed by an Oriental named Yung in concealing his stock-in trade. Persistent search of Yung's home resulted in the finding of three thousand dollars worth of drugs and hypodermic needles secreted in a huge pocket bored in the top of a heavy door.

DON'T LET YOUR COLD DEVELOP INTO LA GRIPPE OR INFLUENZA

Don't give it a chance to lay you in bed for several weeks with a bad attack of Grippe or make you fight for your life to escape the clutches of Pneumonia. "A simple little cold" is a very easy condition to help.

Stop the cold as soon as it appears. Drive it out of your system with DOMINION C.B.Q.

These Tablets of Cascara Bromide and Quinine break up a cold in a few hours—clear the head—relieve the Headache and Neuralgia. They are specific for colds and may be relied upon to give quick relief.

Have you a C.B.Q. Red Box in your house? If not get one to-day at your druggist's so that if you do feel a cold coming on you can get rid of it with a few doses of DOMINION C.B.Q. in the red box. National Drug and Chemical Co. of Canada, Limited.

DOMINION C.B.Q.

The Tablets in The Red Box 25c.

RELIEVE Colds, Coughs Grippe Headache Neuralgia

SAGE TEA DARKENS HAIR TO ANY SHADE

Don't Stay Gray! Here's an Old-Time Recipe that Anybody can Apply.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance this simple mixture was applied with wonderful effect.

But brewing at home is mussy and out of date. Nowadays by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

JOKING FRIENDS HANDCUFF PAIR ON WEDDING TRIP

CODY, Wyo., March 15.—Friends of Mr. and Mrs. Fred McGee, after their wedding here, threw old shoes at them and emptied all of the grocery stores of rice. As the newly-wedded couple were about to board a train for their honeymoon journey the serenaders seized them and locked them together with handcuffs and then assisted them aboard the train.

FALLING? HERE'S WHERE IT SHOWS

Don't Worry! Let "Danderine" Save Your Hair and Double Its Beauty.

To stop falling hair at once and rid the scalp of every particle of dandruff, get a small bottle of delightful "Danderine" at any drug or toilet counter for a few cents, pour a little in your hand and rub it into the scalp. After several applications the hair usually stops coming out and you can't find any dandruff. Your hair will grow strong, thick and long and appear soft, glossy and twice as beautiful and abundant. Try it!

LIFT OFF CORNS WITH FINGERS

"Doesn't hurt a bit and costs only few cents

Try Freezone! Your druggist sells a tiny bottle for a few cents, sufficient to rid your feet of every hard corn, soft corn, or corn between the toes, and the hard skin on bottoms of feet, without soreness or irritation. Freezone is the discovery of a Cincinnati genius.

The picayune, a small coin worth 6¼ cents, has not been current in the United States since 1857.

Infanticide, as regards female children, until recent years, was a common crime in India and China

RETURNING THANKS.
The ladies who took charge of Tag Day campaign wish to return thanks to all those who in any way made Tag Day the splendid success it was. Especially to managers of street car service, conductors and motormen for their usual courtesy to all manufacturing companies of the city for their kind assistance, especially to Mr. Parker of the Albion Knitting Works for his splendid donation of children's sweaters, besides his donation to taggers, and our sincere thanks to our Normal young ladies who turned out in such goodly numbers to help us; we appreciated their help very much. To all workers and lunch contributors, and also to Examiner and Review for their splendid write-up.
We feel assured the givers will have it returned to them a hundred fold.

OBITUARY

OLIVE EDNA PEACOCK.
LAKEFIELD, March 16. — Olive Edna Peacock, the youngest daughter of Mr. H. E. Peacock, died on Monday afternoon after a prolonged illness. She was about 4 years of age.
A especially sad feature of the case was that Mr. Peacock's sister died just one day before.

MRS. REDMOND CAREY
The death occurred Sunday afternoon at her home in Otonabee of Mrs. Redmond Carey, the deceased had been ailing for sometime but her death will come as a shock to her many friends.
She leaves to mourn her loss besides her sorrowing husband,— three daughters Anna and Margaret at home and Sister Eucelia of Mt. St. Joseph city, five sons, Gratton of Buffalo, Stanley of Winnipeg, Robert and William of this city and George at home.
The funeral will take place to-morrow morning from the family residence to Sacred Heart Church and St. Peter's Cemetery for interment.

CHARLES GRYLLS.
On Sunday evening one of the oldest residents of Lakefield passed away in the person of Mr. Charles Grylls, aged 90 years and 3 months.
Mr. Grylls was born in Egleskerry, Cornwall, England. He married Miss Annie Down in 1853, who predeceased him four years ago. Immediately after his marriage, he came to Canada, locating on the 6th Line of Smith. Later he moved to the 8th Line of the same township. He moved to Lakefield 47 years ago, and he has been a well-known and highly-respected resident of the village ever since.
He was of a kindly disposition, and was one of the landmarks of the village. He was a faithful and consistent member of the Methodist Church and a staunch Conservative in politics.
He is survived by two sons, Charles of the village and Fred of Westmeath, and Miss Laura, a faithful and devoted daughter, who made her home with her father.
The funeral will take place on Tuesday afternoon at two o'clock from the family residence on Regent Street to the Hillside Cemetery.

ADAM HALL.
The death of Adam Hall at his home 378 Reid street on Monday morning removed a prominent citizen who had been actively engaged in the business and general affairs of Peterboro for forty years. He became seriously ill in January and for some weeks his family and friends realized that there was no hope for his recovery.
Mr. Hall was 74 years old. Coming to Peterboro in 1878 he opened a retail stove and tinsmithing business in the store now occupied by C. M. Moncur, next to the Royal Bank which he built up into a sound establishment. For a generation his was a household name not only throughout the city but in this entire district. He achieved a success that was enhanced by the reputation for honesty and reliability he gained in the community and by the many friends he made in business and other associations.
In 1910 Mr. Hall entered the manufacturing business forming the company known as Adam Hall, Limited, manufacturing on a larger scale the well-known stoves the demand for which had outgrown the premises on George street. The factory is located at the corner of Simcoe and Bethune streets. This enterprise in its first ten years of development has progressed steadily, securing a good market and demonstrating the executive abilities with which Mr. Hall had gained his earlier success.
Mr. Hall had many interests in Peterboro. His life was an energetic and a broad one. He was for several terms a member of the City Council, he was one of the old guard of the curling club, to whom the younger members feel grateful for the fine traditions they fostered and handed down. Mr. Hall was also a member of Peterboro Lodge A.F. & A.M. In politics he was a Liberal of the old school and in religion a member of St. Paul's church.
Mr. Hall is survived by his wife two sons, William T. Hall and A. E. Hall, respectively vice-president and secretary-treasurer of Adam Hall, Limited, and two daughters, Mrs. E. Burns and Mrs. D. Fairbairn, all of whom live in this city, and a brother, William of Cambray, Ont., and a sister, Mrs. Rogers of Peterboro, also of Cambray. Mrs. Hall died [illegible] Mrs. W. G. Fearman and Miss Hall, who reside with her.
The funeral will be held on Thursday afternoon from the residence of the deceased. Mrs. Keith, friends are requested not to send flowers.

MRS. C. L. BINNINGTON.
The deepest regret has been expressed throughout the entire township of Dummer at the sudden death of Mrs. Charles Lionel Binnington, aged 29 years, of Clarina, Dummer.
The deceased was visiting her brother, Mr. H. E. Peacock, proprietor of the Commercial House, Lakefield, when she contracted pneumonia, and succumbed on Sunday after a short illness.
Mrs. Binnington's sudden death has roused expressions of sorrow for all who knew her and the sympathy of the entire community will go out to her grief stricken husband and the little children, and to her immediate family, who also mourns the loss of her little niece, Olive Edna Peacock, who died on Monday morning.
Mrs. Binnington was formerly Miss Ethel Rose Peacock, and was born in Lindsay, later residing in Toronto. She was married to Mr. Binnington eleven years ago, and besides her husband she leaves two children, Thelma, aged nine, and Pearl, aged eleven. Three brothers Mr. H. E. Peacock of Lakefield, Mr. W. H. and Mr. Charles Peacock of Toronto, survive; also two sisters, Mrs. Wm. Armstrong of Clarina and Miss Emily of Lakefield.
The funeral took place this afternoon at 2.30 o'clock, from the home of her brother to Lakeleld cemeterp, for interment.
An impressive ceremony was conducted at the home by Rev. Archibald, of the Anglican church, Lakefield. Among those attending the funeral from out of town were Mr. W. H. Peacock, Toronto, Mr. Charles Peacock, Toronto, Miss Ida Binnington of Toronto, Mr. and Mrs. Geo. Russell, of Peterboro, and Mr. Cecil Wilson, of Toronto.

War Veterans' Convention Opened Initial Session in the G.W.V.A. Hall This Morning

MOST OF THE SESSION WAS TAKEN UP WITH SPEECHES AND ANNUAL REPORTS—THE CONVENTION WILL GET DOWN TO BUSINESS THIS AFTERNOON

OVER THREE HUNDRED DELEGATES PRESENT

Speeches and messages of congratulation opened the annual convention of the Provincial Command of the Great War Veterans' Association this morning, when about three hundred delegates answered President C. E. Jeakins' summons to the opening session in the G. W. V. A. Hall.

The visiting delegates were all over the building, and were loud in their praise of the G. W. V. A. Hall and its appointments.

It did not take many minutes for the Sergeant-at-Arms to convey to the delegates Comrade Jeakins' opening call to arms, and a few minutes later the well-oiled convention machine was running smoothly.

The convention was opened according to the constitution, and was followed by the Lord's Prayer, led by Comrade Archdeacon J. C. Davidson. It was decided to appoint a special committee to deal with all resolutions pertaining to the re-establishment question.

Comrade Martinson, of the Manitoba Command, was officially welcomed as a visitor to the convention.

Mayor McIntyre's civic address of welcome was the next item on the programme. (This is reported in another column.) The Mayor was accompanied by Aldermen Frank Whitehouse, Joseph Crowe, G. N. Gordon, J. J. Turner, and H. Gainey, also Mr. A. J. Bolwell, president of the Trades and Labour Council.

The introductions were made by Comrade S. Whatley.

Three cheers and a tiger was the convention's answer to the Mayor's remarks.

PRESIDENT MUIR.

President R. H. Muir, of the Peterborough Branch, followed with an address of welcome. Comrade Muir enumerated some of the early episodes connected with the formation of the G. W. V. A. Comrade Muir's initial efforts to form a soldiers' organisation did not meet with the success that was anticipated. "Now they respect and honour me," said the speaker. "The city has recognised the G. W. V. A. organisation and placed it where it stands to-day in the community," said Comrade Muir in conclusion.

Comrade E. D. O'Flynn, vice-president of the Provincial Command of the G. W. V. A., and a charter member of the Peterborough Branch of the G. W. V. A., on behalf of the convention, responded to the addresses of welcome. Comrade O'Flynn referred to the war efforts of Peterborough city and county and his connection with a local battalion. Comrade O'Flynn said the organisation was still fighting for the principles for which the G. W. V. A. was organised. The G. W. V. A. is not working for the healthy man, but for the disabled and the dependents of those who failed to return.

In conclusion, Comrade O'Flynn expressed the hope that the G. W. V. A. would continue to hold the confidence of the public.

Non-Partisan.

Ald. G. N. Gordon paid a stirring tribute to the men who represented the G. W. V. A. "The members of the local G. W. V. A. have avoided all matters of a contentious nature, and they have stood behind all those who needed help," said Mr. Gordon. "This is one of the reasons why they stand so strong in the community. They could not be accused of being partisan."

Ald. Gordon also referred to the able work of Comrade Secretary Whatley and Comrade R. E. Layfield. The latter, as chairman of the Build Committee, was largely responsible for the success of the G. W. V. A. efforts to secure the present building.

Ald. Joseph Crowe followed with a few words of commendation for the veterans who had sacrificed so much in the interests of the country. He extended a hearty welcome to the visiting delegates.

Mr. A. J. Bolwell, President of the Trades and Labour Council, on behalf of organised labour, extended the hand of fellowship to the visitors.

Lasting Benefit.

Mr. J. J. Duffus, vice-president of the Peterborough Board of Trade, followed with a few remarks of welcome. "The work accomplished by the veterans has laid a permanent foundation, which will have a lasting benefit for Canada."

Comrade C. J. Wilcox, of Oshawa, paid a tribute to the local press and its efforts to promote the interests of the Peterborough Branch of the G. W. V. A. Comrade Wilcox was formerly a member of the local branch.

MAYOR McINTYRE'S WELCOME TO VISITING MEMBERS OF G.W.V.A.

At the opening session this morning, Mayor A. A. McIntyre addressed the meeting in the following terms:

Mr. President and members of the Great War Veterans' Association:—

"It gives me the greatest pleasure to welcome you to this city on behalf of the Council and the Citizens of Peterborough. We have looked forward to this gathering since nearly a year ago when you decided to hold this convention here. We were glad that you decided to come here, we are glad that you have come, and we want you to feel that you have the warmest welcome that we are capable of giving.

No place in Canada, and no place in the British Empire or in the countries of the Allies took a deeper interest in winning the great war than did the people of Peterborough. Among our citizens were a number of British Army reservists, and they hastened to answer the call to arms, and they were quickly followed by large numbers of volunteers, for the enlistments here were among highest in Canada in proportion to population. Nor did the people of Peterborough forget their soldiers after they were gone. Those who were unable to go did more than keep the home fires burning. We did all we could for the men at the front and for their families at home, through the Red Cross Society, the Patriotic Fund and in other ways. I can assure you, and I know the Peterborough soldiers will endorse the statement, that the women of Peterborough were behind none in their earnest and indefatigable efforts for the care and comfort of those who were fighting the battles.

Our people heartily welcomed the soldiers when, after their great victories, they returned home, and this building is an evidence that the interest of our people in the soldiers did not die out when they returned as veterans.

Canada was proud of her citizen soldiers and Peterborough was proud of the men who went from here. We were glad to see so many come back, but we have had to mourn for many gallant lads who did not and will not return. They did not give their lives in vain, but made the sacrifice for a great cause, and their sacrifice will always be remembered.

We hope that your visit to Peterborough will be most pleasant. You have come to transact the business of your Association, and we know that you will attend to that, and we wish you all success in your deliberations, but at the same time we want you to feel at home here, to enjoy yourselves so far as you have time, to carry away the most pleasant impressions and recollections, and to return again before long.

A. A. McINTYRE, MAYOR.

and experienced some of the early trials of its inception.

Comrade Martinson, of the Manitoba Command, was invited to address the convention. The speaker favoured closer co-operation between Provincial units. "We are all working for the same purpose, but we feel that there is no sufficient unity and co-operation between the different Commands," said the speaker.

A Bulwark Against Bolshevism.

President C. E. Jeakins, of Brantford, sounded a high ideal of public service in his address, in part as follows:

Comrades: For the fourth time it is my privilege to preside over the annual convention of the G.W.V.A. in the Province of Ontario. Each convention in turn has had its own special and peculiar problems which have had tremendous effect on the well being of our Association. But never yet has there been a convention of the G.W.V.A. so fraught with responsibility, so faced with big problems of such vital interest to the dependents of those who have fallen, and those of us who are home again, as this present convention now assembled.

The members of this Association played their part in the struggle for liberty and peace and these were won not by man-power only, but by spirit-power. Liberty itself is only a foundation; to build on it a worthy and enduring fabric needs the same "spirit-power," which won the war.

Bolshevism refuses to admit the existence of any other bond between man and man than the economic and material interests. The only real bond between men is the material; that is to say the economic. Thus considerations of justice, honor, brotherliness have been swept out of court. The only right is the right of might— the right of the big fishes to swallow the little ones.

The G.W.V.A. stands absolutely four-square against any such conception of national life. The G.W.V.A. would proclaim to the citizens of this Dominion that its members, bound together as they are by the strongest bonds of blood-welded comradeship, will do their utmost to prevent the spread of such Bolshevistic principles, as well as positively assert that their Association is an association governed by moral ideas which place justice, honor, right, good-will and brotherhood as amongst the things of life that are worth while.

The members of the G.W.V.A. are pledged by the sacrifice of those who gave their all, by the disability of those who gave much, and by the victory won at so fearful a cost, to act in their councils in such a manner that the citizens of Canada will realize that there is in their midst the greatest safeguard against the materialistic tenets of Bolshevism—an association of men whose ideals and aims and objects are to make Canada great in the only way in which real greatness may be achieved. There are tremendous tasks before us—difficult tasks. The G.W.V.A. will have a great part to play in carrying out these tasks.

The ideals of the G.W.V.A. are worthy of a high place in the body politics of the Dominion of Canada, if we can keep them from the taint of materialism and develop them along the lines of moral and ethical principles. I have noticed much out-cry and many resolutions on the part of local commands against the spirit and the development of Bolshevism in our land. Yet unless we are most careful this spirit whether known by Bolshevism or any other name, may eventually rule our Association. That, I believe, would be disastrous, not only to ourselves, but to the land which claims our allegiance and which we claim as a great nation among the nations of the world. The programme of the Bolshevist is merely the application of a materialistic conception of life and the proclaiming of it as the fundamental principles of all human society.

We have to secure state insurance for those comrades unable to secure this protection for their families under existing conditions. There is the matter of increased pensions for the dependents of our fallen comrades, and for all disabled men. There is the subject of further assistance in the way of re-establishing the returned soldier in civi llife.

One other matter of deep interest to all members of this Association is that of making the G.W.V.A. a beneficiary society whereby the members shall receive sick and insurance benefits. This is a tremendous problem. There are many difficulties in the way.

(Continued on Page 3.)

ALLIES AWE THE TURKS

CONSTANTINOPLE OCCUPIED BY TROOPS AND WARSHIPS COMMAND BOTH SIDES OF STRAITS.

NO SIGNS OF ALARM

(Canadian Press.)

CONSTANTINOPLE, March 17.—Allied troops have occupied this city and the great guns of the British dreadnought Benbow and other giant allied warships moored to quays or anchored in the Golden Horn, command both sides of the Bosphorus. Every ship is cleared for action.

The actual arrival of allied forces caused little alarm, nor were there any signs of panic, except in Stamboul. Shopkeepers near the War Office there closed their places of business when it was heard the allied were coming, but the troops inspired confidence and the stores were soon re-opened. All the allied powers participated in the movement, being under orders from the British Commander-in-Chief; the Italian contingent including detachments having Moslems on their rosters. Four thousand blue jackets and mariners were landed by British warships.

MUNICH CROWDS ARE REPULSED BY SOLDIERS

TWENTY-THREE KILLED IN HAGEN. AND ESSEN WORKERS MAY EMULATE BOLSHEVIKI.

Special to The Examiner.

PARIS, March 17. — Twenty-three persons have been killed and many wounded in clashes between the soldiers and the citizens at Hagen, Westphalia despatches received here today said. The fighting occurred when the soldiers arrived to occupy the city.

Munich despatches described the situation there as critical.

The crowds attempted to penetrate the Diet but were repulsed by the soldiers with some casualties.

In Essen the Workers' Revolutionary Council was reported to have constituted an executive committee of 30 members to negotiate an alliance with the Socialist parties in the Lower Rhine districts and Westphalia, for the purpose of establishing a dictatorship of the proletariat.

GERMANS WERE REFUSED ACCESS TO THE KAISER.

United Press.

THE HAGUE, March 17. — Several prominent Germans arrived in automobiles at Amerongen yesterday for a visit to the former Kaiser, according to the advices received here today.

They were not admitted to see their former Emperor, despite repeated attempts.

THE WATCH ON THE RHINE SUFFICIENT FOR EMERGENCY.

United Press.

MAYENCE, March 17. — Marshal Foch and the allied commanders have decided that the allied forces now along the Rhine are sufficient to meet any emergency caused by the German revolution. Foch has returned to Paris.

SOVIET THREAT CAUSED VON KAPP'S RETIREMENT

United Press.

PARIS, March 17. — Threat of the immediate establishment of a Soviet Republic and an attack on Berlin was responsible for the decision of Dr. Wolfgang Von Kapp and General Von Luettwitz to resign as heads of the revolutionary government according to a Berlin despatch received by way of Frankfort to-day.

700 Killed, Many Wounded In German Counter Revolt

HEAVY CASUALTIES IN KIEL WHEN CRUISER BOMBARDED THE CITY DURING DEMONSTRATION BY ANTI-KAPP GROUPS—REVOLUTION BELIEVED NEAR END TO-DAY.

RESIGNATION REPORTED

Nearly 700 persons have been killed and hundreds wounded in the fighting that has resulted from the German counter-revolution since Saturday according to the compilations by the United Press to-day. Unofficial despatches revealed the casualties, distributed as follows:

Kiel, 400 to 500 killed, many wounded.
Berlin, 60 killed, large number wounded.
Dresden, 50 killed, several hundred wounded.
Essen, 30 killed, many wounded.
Hagen, 23 killed, many wounded.
Frankfort, 20 killed 200 wounded.
Duisberg 14 killed 80 wounded.
Leipzig, 9 killed.

By Ed. L. Keen, U.P. Staff.

LONDON, March 17. — The German revolution headed by Dr. Wolfgang Von Kapp, was believed to be near its end to-day.

Despatches said that Von Kapp, faced with growing opposition on all sides and deserted by many of his early supporters, had tendered his resignation.

There was every indication that the action of the dictator was barely in time to avoid widespread civil strikes.

Scores of lives have already been sacrificed and hundreds of persons wounded.

From 400 to 500 persons were killed in Kiel when a cruiser bombarded the city, according to a Kiel despatch to the Morning Post by way of Copenhagen. The cruiser opened fire when anti-Kapp groups staged a demonstration, the despatch said.

Heavy loss of life was reported in other parts of the country.

Scores were reported to have been killed in clashes in the Berlin, Hamburg and Dresden districts.

MR. TOOMS ADVISES CAUTION IN CITY'S HOUSING SCHEME

Believes Government Has Reached Limit of Bonusing and Cost of Materials Are Considered Prohibitive.

Legislative Assembly, March 16, '20.

To the Editor of The Examiner:

Dear Sir,—I would suggest that Peterborough go carefully with regard to the "housing scheme" for the present as I believe the Government has borrowed all they can for the time being from the Dominion Government.

In my conversation with members from other municiapilties, their opinion is that material is at a prohibitive price, and working people should give very serious consideration to this matter before plunging into such an investment at the present time.

I feel sure that this government will institute some scheme to help out the housing situation, such as guaranteeing municipal bonds or some such thing in the near future. Would it not be wise to wait and see just what that scheme really is and if the municipality can accept it.

Yours,
THOS. TOOMS.

BRITISH VESSEL SHATTERED ON NEWFOUNDLANDS COAST

"TEWKESBURY'S" CREW OF 30 TAKE TO BOATS--HAVE LITTLE CHANCE OF RESCUE ALONG STEEP CLIFFS--DISASTER WAS SUDDEN.

A 2,740 TON SHIP

(Canadian Press.)

HALIFAX, March 17.—The British Steamer Tewkesbury piled up in St. Mary's Bay Newfoundland, during last night and broke up immediately the crew of approximately thirty taking to the boats with small chances of their rescue, owing to precipitous cliffs which line shore.

The Tewkesbury, 2,740 tons, began to break up shortly after striking and that crew of approximately thirty men seized their one opportunity and took to the boats in an endeavour to find shelter at the base of two hundred foot cliffs, which line Newfoundland coast at this point. The disaster overtook the ship with such suddenness that it was impossible to render assistance and it will be some hours before help arrives at the scene.

At 4.30 a.m. the wireless operator aboard the Tewkesbury reported that the steamer was ashore and at 3.07, thirty seven minutes later he reported that the crew had been forced to take to the boats, in an endeavour to land at "Bay Last". The last word from the Tewkesbury previous to her going ashore was received at noon yesterday when she asked for and received. Her position from directional finding stations at Cape Race and Canso. She was then 42 miles south of St. Pierre, Miquelon.

RUSS SOVIET TO SUPPLY PAPER TO LONDON HERALD

(Canadian Press.)

STOCKHOLM, March 17. — The Bolshevist government in Russia has authorized its local agent, Strom, to furnish to the London 'Daily Herald,' the organ of the Laborites, 5,000 tons of print paper at the Soviet government's expense. It is asserted that this arrangement was made by George Lansbury, editor of the Herald, who recently visited Russia.

DESPATCH DENIES KAPP HAS RESIGNED.

Canadian Press.

PARIS, March 17. — A despatch from Berlin timed in that city at 10.30 o'clock this morning, says the report that Chancellor Kapp has resigned is false.

ONTARIO'S QUARANTINE WILL END ON FRIDAY.

The Ban Along the Border Against Smallpox in Force Since November.

BUFFALO, Nov. 17. — It is officially announced that the smallpox quarantine against Canada will be removed on Friday at midnight, under orders received by the Federal Health Officers along the border today. The ban was established on November 26th on account of the serious outbreak of disease in Toronto and other Ontario cities.

BARBER SHOPS WILL CLOSE AT 7 P.M. NOW

Except on Saturdays and on the Eve of Holidays.

The barber shops will close at 7 p.m., instead of 8, on every day except Saturdays and the days preceding holidays when they will close at 10 p.m. as at present. A by-law providing for this early closing was passed by the council last night.

BELMONT MAN CHARGED WITH HAVING "STILL"

George Albert Parsons, a settler in Belmont township north of Havelock found that the arm of the law was longer than he thought when he was arrested yesterday, by the local revenue officers and this morning he found himself before Magistrate Langley charged with having in his possession on Sept. 19 last a mash for making liquor without a license, contrary to the Inland Revenue Act. Last September his alleged distilling was captured by the Collectors of Customs, Belleville and the inspector from Toronto but it is said that he escaped arrest until the Peterboro officers got the net around him yesterday.

Mr. J. A. O'Brien representing Parsons elected summary trial pleading not guilty.

Crown Attorney Hutton asked for a week's remand and on the request of Mr. O'Brien consented to six days, that is till Tuesday next.

Bail was granted at $4,000, two of his own and two other sureties of $1,000 each provided by others.

Meanwhile the necessary evidence from the officers at Belleville and Toronto will be prepared and these officers will be produced for the prosecution.

GERMAN ASSEMBLY MAY BE DELAYED

MEMBERS MAY BE UNABLE TO REACH STUTTGART FOR SESSION.

STUTTGART, March 17. — It is doubtful whether the German National Assembly will be able to meet here to-day because of the railway strike. Many of the members will be unable to reach the city in time for the opening of the session. In government circles there was much optimism over the situation this morning.

VON KAPP CONTROLS 70 OF THE 400 MEMBERS.

Canadian Press.

LONDON, March 17. — Observers here pointed out that the Von Kapp sympathisers control only about 70 of the 400 members of the National Assembly which was to convene at 4 p.m., to-day in Stuttgart.

The line-up, it was announced, was as follows: Centrists 91; Radicals, 75; Majority Socialists and Democrats 165; Independent Socialists, 22; National Liberals, 22 and Conservatives 38.

East Prussia and Pomerania probably will not be represented, it was believed, since these districts already had adhered to the revolutionary regime.

MINISTERS HAVE BEEN RELEASED

EMBARGO ON BERLIN PRESS LIFTED CONDITIONALLY.

(Canadian Press.)

BERLIN, March 16. — This afternoon Chancellor Kapp ordered the release of Bauer Cabinet ministers who had been detained, also the release of the other individuals under detention, with the exception of Prince Joachim Albrecht and Dr. Levy, Communist leader.

The embargo on the Berlin press also were lifted, but the editors were warned that their journals would be suppressed if they were found guilty of malicious criticism of the new Government.

THE MAJORITY of the publishers of this Country believe that their advertising space is a real commodity and well worth the price demanded.

They believe that the right price of space should be determined by circulation.

They invite the closest scrutiny of their product and provide positive proof of its value and by their membership in the Audit Bureau of Circulations.

Through membership in the A.B.C., they also endeavor to discountenance the unfair competition of publishers who misrepresent circulation facts to advertisers.

The advertiser who buys space in an A.B.C. paper invests his money wisely and encourages a high ethical standard in the publishing business.

The EXAMINER is a member of the Audit Bureau of Circulations. Its A. B. C. report is furnished to advertisers on request.

H. W. BORING, a well-to-do Kansas farmer, says he has gained twenty pounds in weight and is in better general health than he has been in years since taking Tanlac.

"Since Tanlac has overcome my troubles I have gained twenty pounds in weight and am in better general health than for years past," was the straight-forward statement made a few days ago by H. W. Boring, a prominent and well-to-do farmer living at Overland Park, Kans.

"During the two years I suffered I tried everything I knew of to get relief, but nothing seemed to reach my case until I tried Tanlac. My appetite was poor and my digestion was so bad I could hardly retain my food Nothing agreed with me, in fact I was almost a confirmed dyspeptic. My whole system seemed to be out of shape. I would have pains across the small of my back so bad at times I could hardly move around.

"My nerves were all unstrung and I would become up-set at the least little thing. I seldom slept well at night and, finally, became so weak and run-down that I lost weight rapidly. I was also troubled a great deal with catarrh and of mornings had to spend a half hour or more clearing up my head.

"This is just the condition I was in when I began taking Tanlac and it certainly has been a blessing to me. It just seemed to be made especially for my case. I improved from the very first. My digestion now is perfect and regardless of what I eat I never suffer any bad after effects.

"The pains across my back have entirely disappeared The cat arrh has left me, too, and my head is perfectly clear. I am no longer nervous and rest well every night. I have regained my lost weight and am feeling better and stronger than I have in years. I am going to keep Tanlac in my house, so it will be handy at all times."

Tanlac is sold in Peterborough by W. B. Warne Drug Co., Ltd., in Havelock by A. C. Denike, in Lakefield by Tanner Drug Co., Ltd., in Fowlers Corner by W. A. Hunter, in Gelert by A. J. Scott, in Westwood by G. Pringle & Son.

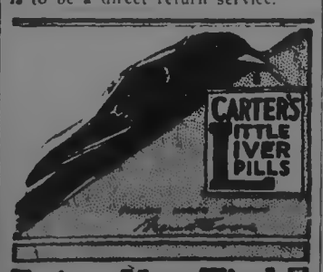
SHIPS TO WEST AFRICA.

Freight Service to be Inaugurated the Last Week of May.

Canadian Press

MONTREAL, March 17 — A. E. Cook, the Assistant Manager here of the Elder-Dempster Line, who has just returned from a visit to England, reports that West African merchants in London have received favorably the plans of his company to inaugurate a freight service between Montreal and the West Coast of Africa. If the Canadians can meet competition in prices and put up the right kind of commodities, the assurance was given that the merchants in London hope to be able to support the new trade route. The class of commodities likely to be shipped includes flour, provisions, lumber, all classes of hardware, enameled goods and cement.

The first ship to inaugurate the service will leave Montreal in the last week of May and will be followed by another in two months' time. There is to be a direct return service.



Are You Tied Up Indoors?

If so, your whole system naturally gets tied up too.

A lazy liver and constipated bowels are bad things, dangerous things.

Exercise as much as you can—but keep your liver and bowels up to the mark all the time.

Take one pill regularly—until you are sure you are all right again.

Colorless faces often show the absence of iron in the blood. **Carter's Iron Pills** will help this condition.

WAR VETERANS' CONVENTION OPENED INITIAL SESSION IN G.W.V.A. HALL THIS MORNING

(Continued from page 1.)

Yet the mind of the members of the Association is concerned about it and I feel confident that some scheme could be devised which shall bring the benefits suggested above. I do not think this or any convention is in a position to work out the details of such a proposition, and so place the Association on a sound financial basis This is rather a work for actuarial experts. Yet his convention can set the ball rolling and recommend the Dominion Command to prosecute this question with the utmost vigor.

Political Action.

The Dominion Command has authorized the elimination of those clauses in our constitution which prevent political discussion. In view of the present conditions I think they have done wisely. But here again is great need for "making haste slowly." There are two ways which are open to the Association in reference to political action. One way leads to the formation of a definite political party with a definite platform and a political leader. It would mean the placing of a soldier candidate or rather G.W.V.A. candidate in any constituency that was thought desirable. It would mean the raising of a large party fund. It would mean, of course, the direct opposition of the present political organizations Personally, and speaking frankly, I believe such political action would ruin the Association. The other way open to us is to retain our independence, to refuse to tie ourselves up to any political party, and yet be free to endorse any candidate whether a member of the G.W.V.A. or otherwise, whom we consider worthy of support and who will endeavour to carry out the same policy of the Association, in its efforts for the betterment of the social and economic conditions of Canada.

I am convinced that our real strength in political life of this country is, whilst permitting political discussion in our assemblies to retain our absolute independence, and to keep ourselves free from any alliance with the present political parties, whether Liberal, Conservative, U.F.O or Labour.

In the same connection I wish to give an equally frank statement concerning the results of the municipal elections and votes on by-laws, which took place at the beginning of this year. In nearly all cases the soldier candidates for municipal honours were beaten and the money by-laws relating to returned soldiers' organizations were voted down. Many reasons might be advanced for this general defeat of our projects. I have not time to mention any of them. A recent number of "The Veteran" covers the ground very thoroughly. But I would like to point out the moral, and the moral is this: It does not follow that because a man wears a button of this or any other soldier organization, he is fitted for and capable to governing the municipality, Province or Dominion. The returned soldiers' button in itself is no criterion for capability of service, in the governing councils of our land. If we persist in this attitude we shall only alienate public opinion and never reach our objective. It is folly to try and fit a round peg into a square hole. The cure for this attitude is that the members of the G.W.V.A. should realize that they are first of all, citizens of this country, men with obligations to others ,and returned soldiers second, using that last only to forward the first.

Secretary W. E. Turley's Report.

During the past year the Ontario Provincial Command of the G.W.V.A. has continued its efforts on behalf of widows, orphans, soldiers' dependents, returned men, and the general public. The aid of this Association has been ungrudgingly given to all those seeking it in good cause. Close touch was maintained with the D.S.C.R., Soldier Settlement Board, Government Labour Bureaus and other organizations interested in our common problems. The support of this Association was given to the movement which resulted in continuance of Governmental efforts to control and equalize the distribution of fuel in Ontario. The Provincial Command continued its efforts to obtain the best possible treatment for comrades in hospitals and other institutions. It supported the request for and was directly represented at the enquiry recently conducted into the management and treatment given veteran patients at Hamilton Asylum

The Command has never relaxed its efforts to obtain a higher pension scale and is entitled to a full share of the credit for obtaining supplementary gratunity and refund of exchange loss for Canadian citizens who served in the Imperial forces together with refund of cost of transportation for those dependents of Canadian soldiers who obeyed the request of the authorities and returned to Canada from England prior to the Armistice. Enquiry by this Command brought out facts which had an important bearing on the reduction of sentences inflicted on comrades overseas for offences committed after November 11th, 1918, and strong representations were made to the responsible authorities which were taken into consideration when pay and allowance was granted to the dependents of comrades qualifying for the Federal Land Settlement Loan.

Resolutions requesting the deportation of aliens expressing seditious vices proved of value, and suggestions emanating from this command were taken into consideration by Federal, Provincial and local governing bodies when the high cost of living became subject of investigation and attempted regulation.

The Command has repeatedly made efforts to obtain better pay and conditions for comrades in the public service and has continued to press for the abolition of technical and theoretical examinations now insisted upon by the Civil Service Commission before permanently appointing comrades who as temporary employees hve proved their practical qualifications. We have consistently supported efforts made to secure better pay and conditions for comrades taking vocational training, and helped to secure an increase of salary for engineers and firemen on the staff of Military Hospitals in the Central Ontario Military District.

Active in Housing Scheme.

Since the spring of 1918 the Command has been very active in instigating and supporting State Aided Housing, and as a result of representations made by the Command, direct action was first secured in the Province of Ontario in June, 1918. Following a conference of interested organizations, Sir William Hearst stated that the Provincial Government was prepared to set aside two million dollars for the purpose of assisting municipalities to provide homes for its citizens of moderate means at cost. The agitation in Ontario spread to other Provinces and in December, 1918, the Federal Government set aside twenty-five million dollars for loan to Provincial Governments, accepting some responsibility for the housing of their people. Up to date the Ontario Housing Commission has approved loans totalling -10,629,000, to ninety-nine municipalities. This province was granted $8,753,291.93 as its share of the Federal appropriation. At least $8,-000,000 more is needed to carry out the requirements of Ontario during 1920.

In Favour of Amendments

In November last the Command sought to obtain a referendum vote in Ontario on the following questions:

(1) Are you in favour of amending the Constitution so as to permit political action?

(2) Are you in favour of amending the Constitution to permit any person who has served honuorably in the forces of Great Britain and her Allies to become members of the G.W.V.A.?

Returns were requested for December 1st. but up to December 10th we had only received results from 82 branches. giving the following figures.

Question One—Yes 3,750; No. 609.
Question Two—Yes, 3,580; No. 780.

By January 1st reports received from 111 branches were as follows:

Question One—Yes 5,942; No, 990.
Question Two—Yes 5,633; No 1,295.

On March 1st the total returns sliowed the following figures: 124 branches voted as follows:

Question One—Yes 6,401; No 1,040.
Question Two—Yes 5,984: No 1,344.

101 branches failed to advise us if they voted or not.

There were seventy-six branches of the G.W.V.A. in Ontario January 1st, 1919. One hundred and forty-nine branches have been formed since then, and the total number of branches in Ontario on March 1st, 1920, was two hundred and twenty-five, with a fully paid-up membership of 30,263.

Twenty-nine circular letters and telegrams have been sent to all branches in Ontario during the past year and them according to the best of their ability and judgment, twelve thousand four hundred and twenty-one other communications to correspondents in Ontario and elsewhere.

Direct aid to branches involved an expenditure of $6,479.50 up to December 1st, 1919.

Standardised stationary pamphlets and supplies issued free to branches up to December 31st, 1919, cost the Command $3,911.15.

The Command have adjusted nine hundred and seven claims for pension, post discharge pay, back pay, etc., amounting to $30,634.89 up to December 31st, 1919 $16,997.95 being secured during 1919. Hundreds of adjustments involving amounts totalling not less than those given above have been secured but are not recorded as the parties concerned have failed to advise us of settlement.

The wonderful degree of success obtained by the Association in the Province of Ontario during the past year is largely due to the effective co-operation of the Dominion Command, members of the Provincial Executive, salaried and honorary officials of local branches, and members of the office staff.

NEW CONSTRUCTION

(Canadian Press.)

EDMONTON, Alta., March 17.—That the proposed $500,000 for the construction, operation and maintenance of the Lethbridge northern irrigation project is an extreme outside figure is discernible in the report of George C. Henderson, the United States irrigation expert employed by the Provincial Government to make a full report on the subject.

GOVERNMENT NEEDS AUTOMOBILE FEES

In a letter to the City Council regarding the Provincial automobile licenses, Hon. Mr. Biggs wrote that the Government would need the entire sum collected for its comprehensive good roads scheme. If part or all of the money was returned to the municipalities, its equivalent would have to be raised by direct taxation, which would be aplied to everybody, and not merely the owners of motor cars.

Mr. Biggs stated that the improvement of the roads was itself a benefit to the people of both the country and the city because of the better facility for marketing produce.

DRURY GOVERNMENT'S LITTLE SURPRISES

APPOINT MEMBERS OF OLD PARTIES TO TWO COMMITTEE CHAIRMANSHIPS.

TORONTO, March 17. — The selection of J. Walter Curry, K.C., the Liberal Opposition member for Southeast Toronto, as chairman of the Public Accounts Committee of the Ontario U. F. O.-Labor Legislature was the surprise of the slate of Committee Chairmanships announced in the Legislature this afternoon.

Charles McCrae, the Conservative member for Sudbury, was elected as chairman of the Legal Committee.

ICE JAMMING AGAINST THE TEMPORARY BRIDGE

Yesterday afternoon found Downie Street Creek is trying to equal its performance of last Friday.

It is said that residents north of London Street and near Victoria Avenue had their cellars flooded again. The Creek carried the water away well south of London Street, and no flooded cellars are known of.

City Engineer Parsons explained that the danger of a flood on the main creek is when the ice that is some three feet thick at the bottom of the creek comes up, and as the water runs so high, piles up against the bridges. This ice is still solid, however, and if the water goes down, everything will work smoothly.

The temporary bridge across the river is suffering a hard pummelling by the ice these days, and to-day large masses are piled up against it. Several men have been blasting and working steadily trying to free the ice, but no sooner does it seem to be dislodged than a new floe rushes in and jams up.

Some trouble occurred on Munroe Avenue in East City yesterday afternoon and a few flooded cellars resulted, but the creek has now been opened and the ashes and other garbage stopping its free flow has been removed.

PRISONER GOES QUIETLY WITH CRIPPLED CAPTOR.

(Canadian Press.)

KITCHENER, March 17. — Leo Voll, of St. Agatha, was arrested here on a charge of attempted murder

It is alleged that on the evening of 1st March he offered a girl with whom he had become infatuated a glass of whisky, which she proceeded to drink, but the mixture burned her tongue before she swallowed the contents of the glass.

Voll denies any attempt to poison the girl, but merely gave her the whisky to cure her cold.

When returning to Kitchener with his prisoner, High Constable Huber's sleigh overturned and threw the officer and his man out, the former fracturing his left arm. Voll made no attempt to escape.

Constable Huber delivered his prisoner before the fractured limb was set.

When The Day Is Over

When the household cares and the worries of everyday life have dragged you down, made you unhappy, and there is nothing in life but headache, backache and worry, turn to the right prescription, one gotten up by Dr. Pierce fifty years ago.

Everything growing out of the ground seems intended for some use in establishing natural conditions. Dr. Pierce, of Buffalo, N. Y., long since found out what is naturally best for women's diseases. He learned it all through treating thousands of cases. The result of his studies was a medicine called Doctor Pierce's Favorite Prescription. This medicine is made of vegetable growths that nature surely intended for backache, headache, weakening pains, irregularities, inflammations, and for the many disorders common to women in all ages of life. Dr. Pierce's Favorite Prescription is made of lady's slipper root, black cohosh root, unicorn root, blue cohosh root and Oregon grape root. Dr. Pierce knew, when he first made this standard medicine, that whiskey and morphine are injurious, and so he has always kept them out of his remedies. Women who take this standard remedy know that in Dr. Pierce's Favorite Prescription they are getting a safe woman's tonic as good that druggists everywhere sell it, in liquid or tablet form.

CAR OWNERS TAKE NOTICE

MESSRS. GEORGE PINN and HARRY SMITH HAVE NOW OPENED THE GARAGE on CHARLOTTE STREET (next to Ticks' Gasoline Station), where they will OVERHAUL or REPAIR Any Make of Car.

Mr. Pinn has many years' experience in this work, having worked in Toronto for a number of years on the best make of Cars.

Mr. Smith Is well known in the City, where he worked on Cars prior to going overseas and since his return. Both men are late of the Service Garage.

We trust that Car Owners who want a good job done will patronise us. No job too small—none too large.

TOOTHACHE STOPS

When "ABSORBINE JR." Is Placed in the Cavity.

The same reliable home liniment that takes the soreness and stiffness out of sprained, strained arms and legs—and reduces swellings and soft, inflamed bunches on any part of the body—will give quick relief in Toothache, Headache, Neuralgia and sharp attacks of Rheumatism and Sciatica.

For Toothache, saturate a little cotton with "ABSORBINE JR." and place in the cavity—rub "ABSORBINE JR." on gums and face. It is a vegetable germicide that is safe.

For Headache, Neuralgia and other pain and inflammation, rub the affected parts with a few drops of "ABSORBINE JR."

$1.25 a bottle—at most druggists or sent postpaid by W. F. YOUNG, Inc., Lyman Building, Montreal. 28

TOO LARGE A RISK.

Will Move House Into the Centre of the City.

(Canadian Press.)

CALGARY, Alta., March 17.—Because the Government Housing Scheme places too large a risk on the municipalities, Commissioner Sanus proposed to use, if possible, any such money borrowed, for the purpose of range of the city utilities into the area range of the city utilities, int the area where the ratepayer would have every convenience, instead of extending the utilities to meet the scattered population.

BITRO-PHOSPHATE IS GOOD FOR THIN NERVOUS PEOPLE

A PHYSICIAN'S ADVICE.

Frederick S. Kolle, M.D., Editor of New York Physicians' "Who's Who," says that weak, nervous people who want increased weight, strength and nerve-force, should take a 5-grain tablet of Bitro-Phosphate just before or during each meal

This particular phosphate is the discovery of a famous French scientist, and reports of remarkable results from its use have recently appeared in many medical journals.

If you do not feel well; if you tire easily; do not sleep well, or are too thin; go to any good druggist and get enough Bitro-Phosphate for a two weeks' supply.— it costs only fifty cents a week.

Eat less; chew your food thoroughly, and if at the end of a few weeks you do not feel stronger and better than you have for months; if your nerves are not steadier; if you do not sleep better and have more vim, endurance and vitality, your money will be returned, and the Bitro-Phosphate will cost you nothing

SAYS RIVERSIDE PARK WOULD BE BIG ASSET

Mr. Burnham's interest in Riverside Park prompted him to write Mr. Robert Stuart of the Quaker Oats Company, and the reply from Mr. T. A. Potter of Chicago, was placed before the Council last night. Part of it follows: —"While we believe that it is desirable to make provision so that part of this park could be used at a later date for industrial purposes we understand that there is sufficient land in the southern part of the town known as Burnham's point for industries, and this section would be in the direct line of the canal. We feel that the park where it is located will be a great asset to the city. Mr. Stuart has asked me to reply to you in as much as he has gone west for several months."

Ald. Turner was informed that the deed of the raceway had not yet been received from the Quaker Oats company.

CATTLE MARKET

TORONTO, March 17. — Receipts fair; trade dull; prices generally lower. Quotations:

Butcher steers, $13 to $14.75; medium butcher cows, $10.25 to $11.45; choice calves, $18 to $22.50.

Ewes, $10 to $15.

Hogs, fed and watered, selects, $20.25.

Tells How to Stop a Bad Cough

Surprising results from this famous old home-made syrup. Easily prepared and costs little.

If you have a severe cough or chest cold accompanied with soreness, throat tickle, hoarseness, or difficult breathing, or if your child wakes up during the night with croup and you want quick *help*, try this reliable old *home-made* cough remedy. Any druggist can supply you with 2½ ounces of Pinex (50 cents worth). Pour this into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. This recipe makes 16 ounces of really remarkable cough remedy. It tastes good, and in spite of its low cost, it can be depended upon to give quick and lasting relief.

You can feel this take hold of a cough in a way that means business. It loosens and raises the phlegm, stops throat tickle and soothes and heals the irritated membranes that line the throat and bronchial tubes with such promptness, ease and certainty that it is really astonishing.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, and is probably the best known means of overcoming severe coughs, throat and chest colds.

There are many worthless imitations of this mixture. To avoid disappointment, ask for "2½ ounces of Pinex" with full directions and don't accept anything else. *Guaranteed to give absolute satisfaction or money promptly refunded.* The Pinex Co., Toronto, Ont.

Soda put into water in which vegetables are cooked destroys the color and much of the flavor of the vegetables.

PRINTING Done Here

COMPARED WITH ELSEWHERE

You'd startle your tailor if, when you wanted a suit of clothes, you asked him to submit a bid in competition with a dozen other tailors

"Why," he would say, "this is ridiculous. This man knows what kind of a suit of clothes I give him. He knows he can depend on the quality of the material, the make, the fit. He knows me, and has proved my work. Some fellow around the corner may underbid me—but what will he deliver?"

You don't buy tailoring that way. No man does. You know your tailor you rely on him, you trust him, you give him your work just as long as he turns out good work at prices that are fair.

Do you buy your printing as intelligently? Do you make it your business TO FIND A GOOD PRINTER as you do a good tailor, and then rely on his experience, his ability and his judgment?

Men who do, get good printing. Men who buy printing here and there, wherever the price is shaved closest, are the ones who have printing worries

"Peterborough Presents Possibilities Unsurpassed."

WEDNESDAY, MARCH 17, 1920.

ST. PATRICK'S DAY.

This is the day when 'Irish eyes are smiling." The natal day of the patron sain of old Erin always brings a sparkle to the eye of every Irishman no matter where he may be found, and he holds his head just a little higher than usual and walks with a prouder step. And those who cannot trace ancestry to the Emerald Isle rejoice with them and join in the hope that soon there shall be reached a readjustment of the conditions in Ireland that will make of the Irish people a happy and united brotherhood.

A SPLENDID ADVERTISEMENT.

Although they may not have realized it at the time, the citizens of Peterborough developed one of the best advertisements the city has ever had when, by means of a civic grant and the generosity of private subscribers, the splendid headquarters of the Peterborough branch of the Great War Veterans was established. The building is a credit to the city—its fine rooms ,splendidly furnished and equipped, its magnificent assembly hall, the striking appearance of the exterior, all combine to show visitors that the people of Peterborough appreciate what the citizen soldiers have done and have not been slow in indicating that appreciation in a practical form.

For the first time, the Ontario Provincial Command is able to hold its convention in a G.W.V.A. Hall. In other cities it was necessary to engage a suitable building — the G.W.V.A. headquarters could not provide the accommodation. Here, however, the Veterans' own building is admirably adapted for the purpose and the scores of delegates who inspected the premises yesterday were delighted with the hall and the quarters generally, unanimously pronouncing it the finest G.W.V.A. building in the province. The visitors, when they return to their respective branches, will carry the fame of the Peterborough G.W.V.A. Hall into all parts of Ontario and the result will be advertising of the very finest kind for the city, for Veterans everywhere will be told that the people of Peterborough believed that nothing was too good for their soldiers.

THE EIGHT HOUR DAY.

"Now let the provinces go on and let Labour get after them," declared Mr. Burnham of West Peterboro in withdrawing his eight hour day resolution in the House of Commons on Monday after the Minister of Justice had announced his opinion that the Dominion Parliament had no rights to enact an eight hour day. Mr. Burnham having succeeded in his favourite pastime of "passing the buck," is no doubt satisfied. He has been successful in bringing the contntious shorter hours question into provincial jurisidiction and providing thereby a very dangerous little problem for the Drury government. If Labour, in view of the decision of the Dominion Government was to take Mr. Burnham's advice and "go after" the Provincial Legislature for the passing of the eight hour day there would be all the elements of a perilous breach in the ranks of the new Ontario Government. True the Labour members of the Government have decided not to press for an eight hour day at the present session but then the Independent Labour Party, under whose standard they were candidates, does not represent the whole body of Labour and the Trades Council might easily precipitate a crisis by asking for the shorter work day, in which case the Labour members of the Legislature would find themselves in a rather embarrassing position. The farmers of course are solidly against the eight hour day. It would not apply directly to agriculture but nevertheless the problem of keeping sufficient help on the farms, already acute, would be intensified if an eight hour standard prevailed in urban industries.

PILES Do not suffer another day with itching, Bleeding, or Protruding Piles. No surgical operation required. Dr. Chase's Ointment will relieve you at once and as certainly cure you. 60c. a box; all dealers, or Edmanson, Bates & Co., Limited, Toronto. Sample box free if you mention this paper and enclose 2c. stamp to pay postage

ANOTHER COMMITTEE.

The Federal Government is anticipating the requests for further re-establishment bonuses and gratuities that will be hurled at it by the G.W.V.A., the United Veterans' Leagues and other bodies of returned soldiers during the present session. The announcement has been made by Hon. N. W. Rowell that it is the intention of the Government to appoint a Parliamentary Committee to consider changes in the pension laws and other matters affecting returned soldiers. This will sidetrack a lot of discussion in the House for undoubtedly the grievances of the Veterans as manifested by the representation that will be made from the conventions of the returned men would provide topics for a long and heated debate. The Government is not anxious that these complaints should be ventilated on the floor of the House and has provided a safety valve in the form of the Committee announced by Hon. Mr. Rowell to which all complaints and requests will be transferred. That there is much room for improvement, especially in the pension regulations, does not seem a debatable question. The point brought forward by Capt. Powers, M.C., of Quebec, is one example. Capt. Powers wants the Pension Act so amended as ot "provide that the pension of a widowed mother of a member of the forces who has died on active service shall not be reduced on account of her income and further that the pension shall be granted her if right, whether or not there are other living children." There will be general recognition of the justice of this contention, especially in connection with the case involved in the last clause of the resolution. And there are other pension regulations that are equally in need of revision. There are cases of hardship in every district of Canada in connection with pensions that should be remedied. The practice of transferring the consideraton of such cases to a Parliamentary Committee whose findings are more or less ignored, may be an easy way out of the difficulties for the Government but it is poor satisfaction for those who are directly involved. Apparently the same method is to be followed during the present session.

A BENEFICIARY SCHEME.

One of the most important features of the splendid address by President Jeakins of the Ontario Provincial Command of the Great War Veterans at the opening of the provincial convention this morning was the suggestion brought forward by the President that the convention endorse the principle of converting the G.W.V.A. into a beneficiary society. Undoubtedly the proposal will be discussed with a great deal of interest, and a preliminary canvass of a number of the delegates indicates a strong opinion in favour of this important change in the constitution. The Provincial convention can not do more than endorse the plan and forward it for the consideration of the Dominion convention.

With the huge membership of the G.W.V.A., it is believed that a beneficiary system could be successfully adpoted, although the details would, of course, have to be carefully worked out by acturial experts, and the cost might be found to be too great. The advantages of the plan do not need to be elaborated. For one thing it would serve to cement and permanize the organization for it would provide benefits by which the members would be anxious to be protected. Many veterans have had difficulty in securing insurance because of disabilities sustained overseas, and while a state form of insurance is said to be a possibility it is so sure to be surrounded b the usual red tape that the objects for which it is to be inaugurated may not be reached. A benefit scheme under the auspices of the G. W. V. A. would solve the problem for hundreds of soldiers who have been unable to secure protection for their families in the form of ordinary insurance policies. The suggestion of Capt. Jeakins is a valuable one, and if concrete results follow the one proposal would be ample return for the holding of the convention.

Flower slips wrapped in moist cotton and put in a baking powder can, with the cover on, can be successfully mailed.

CONTEMPT OF COURT.

The trial of Rev. Wm. Ivens at Winnipeg, for contempt of Court is an instance of the exercise of a judicial power which has, fortunately, very rarely had to be used by Canadian courts.

Our courts have no physical force at their disposal. What could an elderly and frail student of books do; even though we call him by the honorable name of "judge," if suddenly those about him decided to attack him. What is the High Court or Supreme Court of a Canadian Province? Simply a half dozen, or so of quiet, elderly gentlemen, whose combined physical strength could hardly overcome one husky workingman, if the workingman should decide to disobey them, and if they were obliged to personally enforce their orders.

The only weapon our judges wield is law, and the law of Contempt of Court is part of the law of the land. It is no personal power, arbitarily used by a judge in resentment of a personal affront. The nation gives the judge the power to punish for any unjustifiable or improper attack on him in the exercise of his high office. He is not the only public officer thus protected; a policeman making an arrest on a street is protected against interference; and the law punishes for the unauthorized interference.

No part of our public law is wiser or better founded than the law which makes improper interference or intimidation, by conduct or by words, a punishable offence. And this offence, which is called Contempt of Court, does not consist merely in an attack by words or conduct on a judge; it is committed also by a man who attacks a jury or a single member a jury in such a way as to intimidate that jury, or that juror, or juries or jurors in general.

What would be the good of courts if people might bully, threaten, or abuse them with impunity? If our courts could not protect themselves, we should either have a condition of anarchy in which the relatives of convicted felons would wait for the judge with sticks and stones or worse; or else the judge would have to have a guard; which would be the next thing to martial law.

We must never forget that our whole system of law, courts and trials and punishments rest for security on the patriotism and good sense of the people. If a rabble may cheer in a court room; if a reckless demagogue may hold meetings to denounce a verdict given by the Court even then in session to give other verdicts, wyh, then, the essential condition upon which alone we can hope for justice for all men, is gone; the will of the people has no fixed method of expression, and the violent fantasy of the latest agitator has as much chance of recognition as the wisest and best of laws.

It is as well to recall these facts because it is a sort of fashion now to complain of this power of the judges to punish for Contempt of Court. Some stupid people seem to suppose that they should be free to abuse a judge with whom they disagree as freely as they would abuse any other man who displeased them.

Rev. Wm. Ivens, of Winnipeg, seems to have felt that way about it; and that is where he made his mistake. And if his tears in court last week are to be trusted, he realizes now that he has made a mistake. Indeed, he has made a great many mistakes, and probably aided too many people to make some.—Canadian Freeman, Kingston.

The water in which carrots have been boiled contains nourishing qualities which are very good for small children.

EDITORIAL NOTES.

The G.W.V.A. is not founded on a platform of self interest, which is a pretty sound guarantee that the Association will continue to prosper.

Delegates to the G.W.V.A. convention from all parts of Ontario declare that the local G.W.V.A. Hall is the finest in the province. The citizens who helped to make the headquarters possible have their reward in the admiration of the visitors.

Union Government for Germany is the next possibility. Even the Germans' most bitter foes would not want to see them with a Union Administration like Canada's.

POST OFFICE JOBS OPEN IN WINDSOR.

WINDSOR, March 17. — Postmaster Wigle found himself short of clerical help last week and inserted a notice in a local paper to the effect that there were some positions open and that returned soldiers would be given the preference.

Yesterday an even dozen applicants applied for further information, concerning the work to be done. They were told that the pay was $2.50 a day for an eight hour day with a yearly bonus in addition of $325 for unmarried men and $425 for married men.

Eleven of the applicants said they would consider the proposal while the twelfth promised to report for work this afternoon. He failed to show up and the jobs are still open.

The postmaster points out that in addition to their pay carriers are supplied with shoes and clothing.

GROW DISEASELESS PLANTS

Cambridge, Eng., Scientists Also Develop a Triple-Yield Wheat.

CAMBRIDGE, England. — Cambridge University botanists maintain that it is now possible to breed disease-proof plants. A special body of investigators who have been devoting themselves to the practical testing of the Mendelian heredity law, are engaged in immunizing wheat, oats, barley, potatoes and roots ,the result of which will be shown in the Summer to a distinguished assembly of medical men.

The "plant doctors," as they are called, have already succeeded in breeding a new wheat known as "Yoeman", which has yielded twelve quarters (96 bushels)to the acre three times an ordinary crop.

Open A Housekeeping Account

with The Merchants Bank, and pay all bills by cheque. By depositing a regular sum in a Savings Account, you know exactly how much is spent on the different branches of housekeeping.

When you settle by cheque, you avoid all disputes as to payment, as the cancelled cheques are receipts and prove the payments.

This business-like method of home finance often prevents paying the same bill twice.

Savings Accounts may be opened in sums from $1 upwards on which interest is allowed.

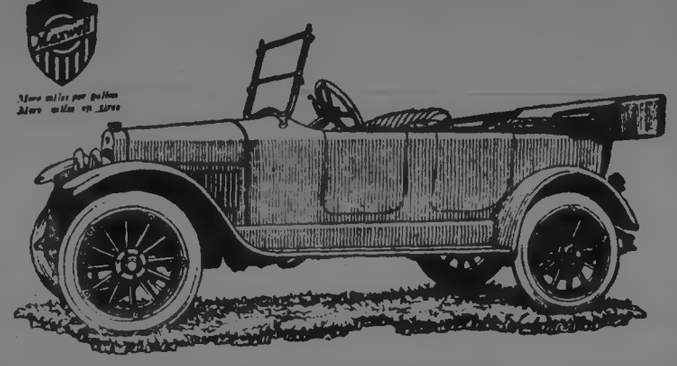
MAXWELL

Has Won Its Following Through Its Quality



THE metals used in the Maxwell chassis compare favorably pound for pound with those in the best cars that the world has produced, according to metallurgists.

There is a real reason for this quality in a Maxwell.

The fundamental purpose of the Maxwell is to carry the same passenger load over the same roads and at the same speeds as larger and more expensive cars.

But it must perform this mission *in an extremely economical way.*

Therefore the Maxwell has to be light. But to make it strong as well as light only the very best of materials can be employed.

Hence, the quality metals.

And it is through the quality of its metals that Maxwell has developed its following.

This is a following that began five years ago with a foundation of 5,000 and now reaches a mark of 100,000 new Maxwell enthusiasts in 1920.

300,000 Maxwells now on the highways of two continents are a daily endorsement of the merit of this great car.

SANDRA THE JEALOUS

BY JANE PHELPS

IRMA BARTON INVITES SANDRA TO LUNCH,

CHAPTER LXXIV

The sort of unholy joy I had felt at the idea of being like Leola, was short-lived. In the morning after Everett had gone I wandered into his room. To my astonishment he had not referred to the night before in any way. It made me feel queerly uneasy.

His dinner clothes were lying upon a chair. I suddenly wondered what he had in his pockets. He had left his key. I had not forgotten my determination to look at the contents of that black trunk in the attic. But so much had happened that I had not been able to plan anything.

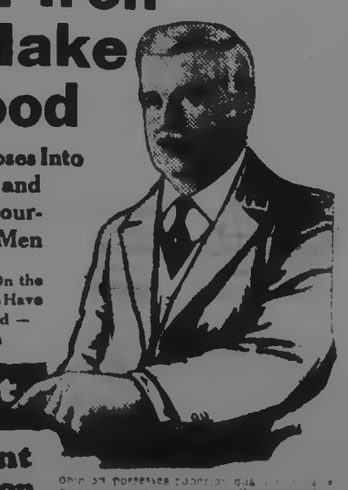
I did not find the keys, but I did find a note, from Irma Barton, which I shamelessly read. It had been sent to his club.

Dear Everett: You told me you were to be at the club to-night so I am taking the chance of your getting this note there. I have something to tell you that I want to talk about that you mentioned the other night. I think you are nursing unnecessary fears. She is very strong, and appears very innocent. I know your experience has been a sad one but I am sure she will not be deceitful. But perhaps I can help you, dear friend, about some

Nuxated Iron Helps Make Red Blood

The Kind That Puts Roses Into the Cheeks of Women and Force, Strength and Courage Into the Veins of Men

Watch the People You Meet On the Street—You Can Tell Those Who Have Plenty of Iron In Their Blood — Strong, Healthy, Vigorous Folks



Cut this Out

Sworn Statement of the Composition of the FORMULA of Nuxated Iron

It is conservatively estimated that the remarkable formula is now being used by over three million people annually. Among those who have used and strongly endorsed it are many physicians who have been connected with the best hospitals and medical societies, former United States Senator and Vice-Presidential nominee, Chas. A. Towne, of Minnesota; Ignace Jan Paderewski, Ex-Premier of Poland and master pianist; Judge Atkinson of the United States Court at Washington;

Wm. R. Kerr

Newspapers everywhere are invited to copy this statement for the benefit of their readers. It is suggested that physicians make a record of it and keep it in their offices so that they may refer to it when answering questions of patients concerning it. Everybody is advised to cut it out and keep it. A copy of the statement above will be sent to anyone who writes for it.

Manufacturers' Note: Nuxated Iron is sold by druggists everywhere. It is not a patent medicine nor a secret remedy in any sense of the word, as its complete formula is printed in plain English on every package or bottle.

ANOTHER EPIDEMIC OF THE SPANISH INFLUENZA

A great many authorities have predicted a return of that terrible plague which swept Canada from one end to the other not long ago and left a long list of deaths in its wake, and those who did survive were left in a great many cases with some serious after effect such as weak heart, shattered nerves, impoverished blood and a general weakened and exhausted condition of the system.

If you are run down, heart not just right, nerves a little shaky, take a few boxes of Milburn's Heart and Nerve Pills and fortify your system against this terrible plague.

If you had the "flu" before and it left you with any bad effect Milburn's Heart and Nerve Pills will bring you back to health and strength.

Mrs. C. C. Palmer, Keppel, Sask., writes: "I wish to inform you of the great good Milburn's Heart and Nerve Pills did for me. After I had an attack of the Spanish Influenza my heart and nerves were left in a very bad condition. I got two boxes of your pills and found that they are the best I ever used, and I have taken a good many different kinds. I will always keep Heart and Nerve Pills in the house."

Price 50c. a box, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Voice Of The People

After Mr. Harper's talk the subject taken by Mr. Harper the other evening, at a service held in the Gospel Hall. After reading a report of Mr. Harper's talk, I was moved upon to combat serious error inferred, if not directly stated. Endless torment for the unrighteous, that is, those who have not accepted Jesus Christ as their peronal Saviour, in this present life, and endless happiness for the righteous. This seemed to be the finality of his discourse. I must believe that he did not come to this conclusion by sane reasoning, common sense, Scripture or the sure guidance of the Holy Spirit. Possibly he may be preaching that, that in his inmost being he does not give credence to.

I know another preacher who resides here in our city who not a great while ago, said in my hearing, that the Gospel of the Lord Jesus was a success because a vast number of children died in infancy, and went to heaven, notwithstanding that millions upon millions were in hell, being endlessly tormented, and millions more going to the same awful place. Here's what the preacher said in effect if not in exact words. I leave his statement with my readers for them to judge of its sincerity.

It is easy of course for those who are too indifferent or cowardly to think and act for themselves to accept tradition, opinion of leaders who have used in the past or leaders who are now upon the stage of action. We are quite well aware that there are more followers than leaders among men. How necessary it is that those who pose as leaders should be able confidently to say, we speak of that which we do know. In my limited sphere I meet with people who are commencing to exert themselves in regard to the position they should take. Some are questioning the authority of the present religious leaders; others are in a quandary in regard to religious life. I am satisfied to believe that many are hungry for the real bread of life. Who shall dispense and pass around the life-giving bread to the hungry, starving, dying men? When will preachers [illegible] kinds of [illegible] and learn to preach Jesus? [illegible] the light [illegible]

SANDRA THE JEALOUS

BY JANE PHELPS

IRMA BARTON INVITES SANDRA TO LUNCH,

CHAPTER LXXIV

The sort of unholy joy I had felt at the idea of being like Leola, was short-lived. In the morning after Everett had gone I wandered into his room. To my astonishment he had not referred to the night before in any way. It made me feel queerly uneasy.

His dinner clothes were lying upon a chair. I suddenly wondered what he had in his pockets; if he had left his keys. I had not forgotten my determination to look at the contents of that black trunk in the attic. But so much had happened that I had not been able to plan anything.

I did not find the keys, but I did find a note, from Irma Barton, which I shamelessly read. It had been sent to his club.

"Dear Everett: You told me you were to be at the club to-night so I am taking the chance of you getting this note there. I have something to tell you that I want to talk about that you mentioned the other night. I think you are worrying unnecessarily. She is very young, and it appears very innocent. I know your experience has been a sad one, but I am sure you will not be repeated. But perhaps I can help you. Your friend always, Irma."

I read and reread the note. What did she mean? Was I referring to it? Was I the cause of a difference between them? It was very puzzling, and—something else! It looked as if Everett cared more for her than for Leola. I was glad and relieved. He told her about me, consulted her about me, that was the best sign of all. But he had said he meant me. My sad experience should have meant his first marriage to Leola. But if he cared so much for Irma Barton, her advice, her society, why in the world had he married me?

The gossips were right. It was because I was young and he longed for a family. I tightened my lips as I folded the note and returned it to his pocket. Then I put on my hat and went down to the hospital to inquire about Thomas, my heart sore, my eyes burning because I thought once more that Everett cared nothing for me; and because Irma Barton was clever and beautiful, he spent his time with her, confided to her more than to me. My jealousy flamed as I walked along. I had refused to take the car when Mrs. Gray suggested it. I wanted to walk—the exercise would calm me, and also give me time to think.

Everett had not scolded me the night before. He had been angry, I knew, but had not given it vent in words as he usually did. Was I getting on a little in the path I had laid out—to follow Leola? If I only could keep on, perhaps in time he would love me as he had the fascinating Leola. I decided, just as I reached the hospital.

Thomas was doing nicely, would soon be out. After chatting with him a moment, I left and as I was very near the shops, I went into one to do an errand. I was startled when a cheery voice said:

"Good morning, Mrs. Graham."

It was Irma Barton, the woman whom I had decided my husband loved.

"Good morning," I replied shortly.

"How IS fortunate I was intending to drop in and see you this morning."

"Yes," then realizing the right thing to do at ease, I added: "I have been to the hospital to see Thomas."

"Yes, I know. Everett told me all about it."

My face flamed as I turned to speak to the saleswoman. That he dared to call my husband by his first name and in that tone, was almost more than I could bear.

"Will you lunch with me, now that I can not call upon you?" she asked when I had finished my purchase. "I wish you would, I want to tell you something, talk to you." She had said the same to Everett. Suddenly I made up my mind. I would go, and I would ask her all about Everett's first wife. I would not let her patronize me. I would go to satisfy my own curiosity. So I said not graciously:

"I have to lunch somewhere, so I will."

To-morrow—Irma Barton Tells Sandra of Leola

Voice Of The People

Sir,—After reading what appeared on the subject taken by Mr. Harper, the other evening, at a meeting held in the Gospel Hall. After reading a report of Mr. Harper's talk, I was moved upon to combat a serious error inferred, if not directly stated. Endless torment for the unrighteous, that is, those who have not accepted Jesus Christ as their peronal Saviour, in this present life, and endless happiness for the righteous. This seemed to be the finality of his discourse. I must believe that he did not come to this conclusion by sane reasoning, common sense, Scripture, or the sure guidance of the Holy Spirit. Possibly he may be preaching that, that in his inmost being he does not give credence to.

I know another preacher who resides here in our city who not a great while ago, said in my hearing, that the Gospel of the Lord Jesus was a success because a vast number of children died in infancy, and went to heaven, notwithstanding that millions upon millions were in hell, being endless, tormented and millions more going to the same awful place. That is what the preacher said in effect, if not in exact words. I leave his statement with my readers to seem to judge of its sincerity.

It is easy, of course, for those who are too indifferent or cowardly to investigate for themselves to accept and trail upon opinion of leaders who are weak upon the pledge of action. We are quite well aware that there are more followers than leaders among men. How necessary it is that those who pose as leaders should be able confidently to say, we speak of that which we do know. In my limited sphere I meet with people who are commencing to exert themselves in regard to the position they should take. Some are questioning the authority of the present religious leaders; others are in a quandary in regard to religious life. I am satisfied to believe that many are hungry for the real bread of life. Who shall hesitate and pass around the life-giving bread to the hungry, starving, dying men. When will preachers [illegible] preach Jesus?

"RED" LITERATURE NOT IN DEMAND AT THE PETERBORO PUBLIC LIBRARY

THERE HAS BEEN AN INCREASING DEMAND FOR BOOKS ON TRAVEL AND HISTORY.

There is absolutely no demand for Red literature at the local Public Library, Mr. F. M. DelaPosse, Librarian, told this morning. At one time there was an odd request for such literature but none have come in lately.

Speaking of the general demand for books on travel and history, the result no doubt of the return of soldiers who awoke an interest amongst their friends in the lands they visited and history of the nations involved in the struggle.

A strange feature of the demand is the fact that when socialism is one of the outstanding topics of the day there is very little demand for books dealing with the subject. An odd request comes from persons interested in the subject who come to get in touch with both sides but there is no indication of the demand spreading. There are several books available on the subject of socialism such as those by Karl Marx and Henry George. The shelves are therefore destitute of Bolshevik literature as the board will not order such.

Returned Men's Literature

Owing to experience created by the change in the returned men's taste Mr. DeLaPosse said that as far as the library here has yet gone. Those who cared for light literature have returned to carry on their taste of that kind, and those who cared for heavier like use. There are of course exceptions to every rule to this but it is the general rule to make no change.

DOURO TOWNSHIP COUNCIL MEETING

SEVERAL BY-LAWS PASSED—APPOINTMENTS MADE.

Minutes of the Douro Council held March 8th, 1920.

Council met at the town hall, Douro, on Monday, March 8th, pursuant to adjournment.

On motion the minutes of the last meeting were read and confirmed.

On motion of Messrs. Mahoney and Quinlan the auditors' report was received and adopted and the Clerk authorized to have a necessary number of copies printed for distribution.

The following Municipal By-laws were passed, viz:

By-law 881 appointing Overseers of Highways, Poundkeepers and Sheep Valuers and By-law No. 882 authorizing the Reeve and Treasurer to borrow certain sums as required for school purposes. By-law No 883 authorizing the expenditure of Six Hundred Dollars on the main and leading roads in the Municipality in accordance with the provisions of the Colonization Roads Act was read a first and second time.

The following were appointed Overseers of Highways:—Peter Watson, Vincent Dunford, W. Hunter, R. Darrow, Robt. Charlton, B. Denell, W. Down, H. Ingram, W. E. Brooks, John D. Kennedy, M. McManus, J. McMurray, J. Leslie, J. Crowe, W. Anderson, W. J. Dunford, H. Abbott, Thos. O'Brien, H. Hochaday, Geo. W. Dunford, Jas. Moher, J. F. Galvin, Joseph Allen, J. Mahoney, D. Kennedy, Geo. Rutherford, Wm. Forsythe, J. Walsh, Fred. Fitzgerald, Archie Lidford, M. J. Leahy, F. O'Connor, R. Shudan, Jr., W. Heffernan, P. O'Grady, Jos. Sheehan, A. Carveth, W. H. Allen, Geo. Russell, Lewis Russell, Lewis Sullivan, P. Fitzpatrick, Thos. Miller, John W. Condon, B. Condon, James Moher, Jr., Jos. Garvey, John Coughlin, E. Leahy, J. P. Condon, Frank Heffernan, Denis McCarthy, Geo. Whibbs, Jos. Moloney, J. Dwyer, Robt. Heffernan, Geo. Hamilton, W. Barry, A. Maher, F. Nolan, J. Lorons, M. Leahy, Wm. Heffernan, R. Bracefield, Wm. O'Brien, H. McCall, Paul Moloney, R. Bolton, John Ball, S. Sewart, M. Regan, Jos. Coughlin, M. Ryan, Wm. Simpson, Oran Campbell, H. Girven, S. Edwards, A. Dick, H. Quinn, Alex. Conroy, Harold Cranley, John Meade, Jas. Collins. Pound Keepers:—Wm. R. Condon, Stephen Scott, Wm. Hayes, W. E. Chamberlain, Alex. Millage, Herb. Abbott, Fred. Walsh, Jno. R. Allen. Sheep Valuers.—Wm. McKiever, Geo. Hamilton, M. Ryan, Wm. Frankish.

The following accounts were passed, viz:—

Maurice Condon and Geo. E. Wilson, salary as Auditors, $12.50 each; Peck, Kerr & McElderry, legal advice, $20.00; The Examiner Printing Co., printing, $1.10; Edward Hogan, plank, $1.00; Peter Moloney, 1 3-4 wood for John Hough $20.00; P. McMurray, starting fires in the town hall, $3.00.

Council adjourned to meet at call from the Reeve.

Warsaw Correspondence

WARSAW, March 16.

Rev. Hugh Brown and Mr. Ed. Hawthorne attended the meeting of the Presbytery held in St. Paul's Church, Peterboro, last Tuesday.

Mr. David Rose's many friends will be glad to know he is recovering nicely from his recent serious illness.

Miss Margart Miller, who spent a few days with Mr and Mrs. T. Cullen, Smithtown, returned on Wednesday.

Ernest MacDonald, M.P.P., and Mrs. MacDonald went to Toronto last Tuesday.

Mrs. Jacob Payne, Lakefield, is visiting at the home of her brother, Mr. Charles Frankish.

Mr. Oliver Douglas, who has been very ill with Flu is able to be up again.

Mr. and Mrs. Stark, who have been visiting Mrs. Stark's sister, Mrs. Robert, returned home last week.

Miss Gladys Tucker is visiting her cousin, Miss Elsie Tucker.

The thaw last week did not put much water in the wells, the ground is frozen so hard the water cannot seep through. There is still lots of water on most farms.

A lot of saw logs have been taken to the saw mill lately.

Roads Bad.

By Friday night the thaw had cleared many of the tracks away in the fields and the roads are still unbroken so that it was difficult to get around. Saturday's snow, however, helped the roads a wee little, only a little, as the light cold melted most of the snow and left glare ice.

Spcial Meeting.

A special meeting of the U.F.O. was announced for Friday last Mr. MacMillan, a U.F.O. worker is to have addressed the meeting, the roads were such that he could not get out however, so the meeting had to be cancelled.

The Methodist League are holding a little social evening to night in the Church basement.

The women of the Methodist Missionary Society, Warsaw, are working hard to have a good supply of useful and fancy articles for the sale of work and bazaar to be held on Easter Monday and will have a variety of things, including candies, for the evening a good supper will be served. The ladies had charge of the Mission Band on Sunday last.

Church Services.

There was no services in the Anglican Church yesterday.

The Presbyterian Sabbath School was fairly attended, also the preaching service. Mr. Brown took for his text, Is. 58, 13-14, and preached a practical and helpful sermon on, "Keeping the Sabbath Day Holy." There should be private devotion and attendance upon the sanctuary but the rest of the day is not our own and should not be spent in idling and worldly conversation. He cited blessing, spiritual and even temporal, which followed on observing the Lord's Day as commanded.

Mr. Windson, of the Baptist Young Men's Bible Class, Toronto, conducted the service in the Baptist Church. Mr. Roberts is now ill himself.

The Methodist Sunday School and preaching services were fairly attended.

There was not a very large meeting of the Warsaw and Cottesloe congregations last Monday evening. The night was too rough and the roads too bad.

Women's Institute

The regular meeting of the Warsaw Women's Institute was held on Thursday afternoon. A good attendance of members was present. After the opening exercises, Mr. Richard Deen addressed the ladies on some of the laws regarding women, especially the vote. He explained that if a woman were entered as joint owner of property with her husband there might be objection raised to her voting in municipal elections, she needs a small amount of property deeded to her. This has the disadvantage of adding a little more statute labour, but of course, that makes for better roads. The value of the property to give a vote must be $100.00. Women without the municipal vote may be elected on the trustee board for schools. A woman may be school attendance officer. Mr. Deen practically asked for a volunteer for that office for this township.

Mr. Deen very kindly answered several questions asked by the ladies and these questions showed earnest thought.

At some time when the roads are good, Dr. Jessie Bernie and Mrs. Kate Morris of Peterboro will address the Institute.

After Mr. Deen left some business was done. Among other things [illegible] was voted to be given to the War Memorial Fund. Notice had been given last month that this motion would be made. This brings the total subscribed in Warsaw up to about $400.00. It is hoped that there will be many more subscriptions. If each of the 612 ratepayers in the township would pay but $6.00 there would be more money than is needed, without asking the Council for anything. The Memorial Committee hopes at least $10000.00 will be subscribed. The money will not be needed for some time yet.

There was not much time to devote to the School Fair, except to urge that the prize liste be out by the end of April anyway. Some schools have sent word they would pay $3.00 extra towards prizes.

The cugite has not been working properly for the rink lately so there has been no skating.

The Warsaw hockey team were quite pleased with the game in Peterboro last Tuesday—they won with a score of 6-3.

Lose Your Fat, Keep Your Health

Superfluous flesh is not healthy, neither is it healthy to diet or exercise too much for its removal. The simplest method known for reducing the overfat body two, three or four pounds a week is the Marmola Method, tried and endorsed by thousands. Marmola Prescription Tablets containing exact doses of the famous prescription, are sold by druggists at $1, for a large case, or if you prefer you can obtain them by sending direct to the Marmola Company, 864 Woodward Ave., Detroit, Mich. They are harmless and leave no wrinkles or flabbiness. They are popular because effective and convenient.

"All in Favor of Ice Cream Say Aye"!

Says the U.S. Department of Agriculture

Ice Cream is beautiful in its rich attractive colors, and tastes even better than it looks.

Made of pure wholesome delicious cream, milk and sugar, and flavored to suit the taste. As a dessert it is unexcelled; As a food it ranks among the very best. We like it with cake or without cake. Everybody likes it. Everybody eats it. Like the manna that came from heaven, it is sweet, nourishing and palatable.

Yes, it is good and tastes good.

A healthy boy or girl, a spoon and a large dish of delicious Ice Cream make a splendid combination. The frozen cream disappears rapidly, but as it goes it nourishes and gives rosy cheeks, bright eyes, health, strength and happiness.

It is a real food for all classes and conditions of people, sick or well, rich or poor, old or young, we can all enjoy Ice Cream.

Will you give us the opportunity of convincing you of the delicious Ice Cream being made at the Plant of the

Peterboro Milk Products

Just try it and you will be convinced how good it is.

In Bricks as well as Bulk.

Phone your order to 1900 and it will receive prompt attention.

LINDSAY WANTS PROVINCIAL HIGHWAY TO PETERBORO

DEPENDING ON CO-OPERATION OF PETERBORO COUNTY AND CITY—WM. STEVENS APPOINTED TO LIBRARY BOARD—MORE DAMAGE SUITS IN PROSPECT.

DEBENTURE RATE INCREASED

William Stevens, secretary of the Trades and Labour Council, was appointed by the City Council a member of the Public Library Board succeeding the late Frank Sollitt as the city's representative. The motion by Ald. Gordon, seconded by Ald. Gainey was carried over an amendment by Ald. Turner and Ald. Jones nominating David Spence.

Will Seek Damages.

Mr. J. F. Strickland, solicitor for C. W. Russell and Walter Bromwell owners of property adjoining the Wilson farm on which the city purposes building the sewage disposal plant, notified the Council that he would bring action for damages if the plant was erected there.

Mr. Middlemist's Report.

H. W. Middlemist, engineer for the Ontario Railway Board, reported that on March 13th he had made another inspection of the piers for the main arch of the Hunter street bridge. The west half of the foundation of the eastern pier showed the same material as stated in a previous report. In the east half of this foundation concrete has been poured to a depth of six feet, and the west half of it will be filled to the same level in a few days. Mr. Middlemist wrote that there was nothing definite yet from the drilling on the west side of the river.

Lindsay's Initiative.

Lindsay Council proposes that an application be made to the Minister of Highways for a provincial road between Peterboro and Lindsay as soon as the Peterboro County Council asks to have designated for that purpose a road from this city to meet the County Provincial road in Victoria County which terminates at the Emily township border. Referred to the Board of Works.

Increase Rate of Interest.

To meet competition in the bond market the city's rate of interest on

A Muddy Way.

[illegible] called attention to the [illegible] of the highway to Ashburnham stating that [illegible] driving through it splashed the [illegible] men and women on the sidewalk.

Ald. Hamilton was empowered to provide some protection for pedestrians. City Engineer Parsons said until the weather dried the roadway the only and guard he could suggest was a close board fence along the railing. Automobile drivers, he added, should have consideration enough for the public not to drive fast over this road.

Guide to House Numbers.

To guide persons looking after dark for the street numbers of houses Ald. Crowe recommended that the numbers of the nearest houses be shown on electric light or telephone poles following Toronto's method.

"There are many people" he said, "who have to get around at night and to find a certain number they have to light matches on verandahs. The suggestion was referred to the Board of Works.

To Indicate Alarm Boxes.

Ald. Morrison's request that red lamps be placed over the fire alarm boxes to locate them at night was referred to the Fire, Water and Light Committee. "There are 37 boxes now in use, and the cost would be $6 each a year."

An Advertising Album.

The Manufacturers' Committee will consider Ald. Whitehouse's idea of securing for City Clerk Armstrong an illustrated book showing the city's industries and other features that might impress manufacturers looking for a Canadian site.

Has Block of Land For Sale.

Joseph S. Bell of Vancouver wrote that he would sell the city a block of land on the south side of Lansdowne street west of the Monaghan road, and lying between a lot owned by the Episcopal corporation and May's school. It extended south to the G.T.R. and was a desirable site for manufacturing plants. Mr. Bell did not quote a price, but his communication will be considered by the Manufacturers' Committee.

Eyes human and spiritual

ORIENTAL people suffer greatly from diseases of the eye.

TWENTY years ago—Dr. Wille, a most eminent Danish oculist, gave up all the honour and financial rewards of his European reputation to join this Organization, and consecrate his life and skill to the eye afflicted people of Java and other Oriental countries.

HIS labours have been wonderfully crowned for they have enabled the Salvation Army to spread the knowledge of Christ in places and among peoples that were in outer darkness, literally and spiritually.

INTERESTING ADDRESS BEFORE LOCAL WOMEN'S CANADIAN CLUB

REV. W. E. MILSON TOUCHED ON A NUMBER OF MATTERS OF VITAL INTEREST TO PETERBORO AS A COMMUNITY.

While the attendance at the Woman's Canadian Club meeting yesterday afternoon was not large due to the several other meetings which were held at the same time unlimited enthusiasm was aroused by the address by Rev. Walter E. Milson who spoke upon the duties of adults to the children of today. The speaker was introduced by Mrs. James Kendry who occupied the chair and explained that the speaker was a member of the Board of Evangelism and Social Service of the Canadian Methodist Church.

An Incident.

The speaker based his remarks upon an incident which occurred about three years ago which illustrated the fact that all persons are not thinking of their own pleasure but many are devoting and are anxious to devote their activities to the uplift of mankind. The incident referred to was a delegation of representative young ladies who waited on the Board in Toronto and after confessing that their time heretofore had been devoted to selfish pleasures asked that they might be allowed to assist in lifting the mortgage from a home which orphans were received in the city and in which the young ladies had become interested. The desired permission having been given not only did they assume the debt and pay it but they have since assumed the responsibility of erecting a $40,000.00 addition to the building.

There is nothing which has to do, he continued, with our relationship to one another today but is in some way tied up with social service. He contended that the person who lives today and does not leave the world not only better but safer for the nations yet unborn has lived in vain. We must be impressed upon the audience here for the future.

Two Propositions.

In dealing with the question as to the child he said there are two propositions to discuss, first as to how the child should be born and second that it should have a fair chance. In the province of Ontario there are 11,000 children for whose care the state is responsible. Of these 82 per cent are children of parents who should not have been mar-

ried. Here the speaker referred to the Hodgin's report on the feeble minded which proved his point of irresponsible marriages and their result in children who are a menace to the state. We confer, he said a great benefit to the nation when we transfer a person from being a menace to a benefit, the transformation is wonderful indeed but better still is the prevention of a person becoming a menace.

No New Theme.

Children being born well is no new theme but we have given it little thought up to the present and it has now become a very acute question. We are indebted to military authorities for bringing it to the front by means of drawing the nation's attention to the large percentage of men who were turned down mentally or physically unfit for service due to no fault of their own.

Only Question.

There is only one question confronting the country in which there is no division and that is the need of asking the government for a law regulating the conditions of marriage. When recently a delegation waited upon the government for such the members of the delegation were asked to wait until they had public sentiment behind them, to educate the public to the need of such legislation then return when the government promised to do all possible to take action. How many or how few people, Mr. Milson asked have any idea if there should be a law regulating marriage and yet it should be a matter none should be slate to discuss. He pointed out that any action which should be taken to [illegible] the enforcement of a law compelling any couple who are about to enter [illegible] a contract of marriage to undergo [illegible] medical examination as to their mental and general welfare before [illegible] and spoke at the conclusion.

Mrs. Kendry thanked Mr. Milson for his interesting and timely address.

HAD ECZEMA For Over 28 Years

Eczema or Salt Rheum manifests itself in little round blisters, which contain an extremely irritating fluid. These break and subsequently a crust is formed and the intense burning, itching and smarting especially at night or when the parts exposed to any strong heat is almost unbearable.

The success which Burdock Blood Bitters has met with in skin diseases of such severity is due to its wonderful blood cleansing and purifying properties, and we know of no other remedy that has done or can do so much for those who are almost driven to distraction with the terrible torture.

Mr. James Walker, 152 Niagara St., Hamilton, Ont., writes:—"I have been using Burdock Blood Bitters for some months past, and find it an excellent remedy for skin eruptions. I have suffered with eczema for over 28 years, and have tried almost everything you could think of. I was recommended to use Burdock Blood Bitters, and I am now clear of my skin trouble. It is certainly a good remedy and I shall recommend it to all my friends."

Manufactured for over 40 years by The T. Milburn Co., Limited, Toronto, Ont.

ANNUAL CONVENTION.

(Canadian Press.)

CALGARY, Alta., March 17.—The annual convention of the Alberta Provincial Association will be held in Calgary April 6-8. Sir R. A. Bull, [illegible] president of the Provincial Council, has been elected to preside, and addresses at the convention [illegible]

Blood Poisoning

Hamlin's Wizard Oil a Safe First Aid Treatment

How often lockjaw and blood poisoning result from the neglect of a slight scratch or little cut! Hamlin's Wizard Oil is a safe and effective first aid treatment. It is a powerful antiseptic and should be applied immediately to wounds of this kind to prevent danger of infection.

It is soothing and healing and quickly drives out pain and inflammation in cases of sprains, bruises, cuts, burns, bites and stings. Just as reliable, too, for stiff neck, sore feet, cold sores, canker sores, earache and toothache.

Get it from druggists for 30 cents. If not satisfied return the bottle and get your money back.

Ever constipated or have sick headache? Just try Wizard Liver Whips, pleasant little pink pills, 30 cents. Guaranteed.

MEN'S SOCIAL CLUB FORMED IN APSLEY

REV. C. A. G. SPENCE ENCOURAGES ORGANIZATION TO BRING YOUNG MEN TOGETHER.

APSLEY, March 10.—A men's social club was inaugurated at Apsley by the Rev. C. A. G. Spence, a week ago and is meeting with much success. It is purely undenominational. Mr. Spence has given the use of the Parish Rooms with billiard table, games and library of 120 books, besides magazines and the members meet every Wednesday night, when refreshments are also provided. The membership fee is only 25 cents for the season and already fifteen have received membership cards.

The following are the officers: [illegible] Rev. C. A. G. Spence, Vice Pres. Mr. Stanley Woodley, Sec. [illegible] Mr. Harry Mahaffy, Committee: [illegible] and Messrs. John Coones and Hugh McKay.

Mr. Spence is indebted to Mr. [illegible] Devenish for a gift of books which made the club a possibility and would be very glad to receive further donations of books, games etc. from any of his old friends and well wishers in the city.

ADDRESS BY SCHOOL NURSE.

SAYS HOME AND SCHOOL ASSOCIATIONS ARE A GREAT ASSISTANCE.

At the regular monthly meeting of the Queen Mar. Home and School Association held on Friday afternoon last Miss Jory, the school nurse gave a most interesting and instructive talk on her work, pointing out to what an extent Home and School Associations in all of our schools could be of assistance in this way, as well as along other lines of work.

[illegible]

PRINCIPLE OF 8-HOUR DAY WAS ATTACKED

MR. BURNHAM SAYS THE POINT OF HIS RESOLUTION WAS IGNORED.

Mr. J. H. Burnham's eight-hour day resolution in Parliament with the opinion that the Ontario Government had the power to enact legislation for a shorter working day if they wished.

All this talk about whether or not the farmer would stand for it has nothing whatever to do with the question. It was all very interesting, although I knew it all before personally. As to the point: Is the eight-hour day desirable?—strange to say, among all the mighty legal minds in this House not one of them has fastened upon the essential word in the introduction of the resolution. A condition, as I understand it, to enable the House to give academic [illegible] I wanted them to consider. If they said it was desirable then the next step was to be taken. If they said it was not desirable, that would have finished it. But they did not and would not consider whether or not it was desirable. They simply attacked, almost every one of them, the principle of the eight-hour day.

The object of the resolution has been fully attained, and as it serves further purpose than that declared by the Minister of Justice I beg leave to withdraw the resolution, Mr. Speaker.

Is Being Considered.

A letter from Mr. Toonis to-day bearing on this question says:

"Mr. Ferguson, leader of the Conservative Party in the Provincial House, read from the Toronto Globe the speech of Mr. J. H. Burnham, of Peterborough, in the Dominion House in the eight-hour day.

"Mr. Burnham [illegible] the Province going to do?

"In view of this statement what [illegible] going to do?

"Premier Drury announced [illegible] got home [illegible]

T. Toomis

LAST OPPORTUNITY

of Obtaining High-Class Furs at the Old Prices

Owing to the very decided increase in the prices of all Skins, we will, for a short time only, continue to sell the balance of our Stock of Furs at the old prices.

Intending buyers should avail themselves of this chance.

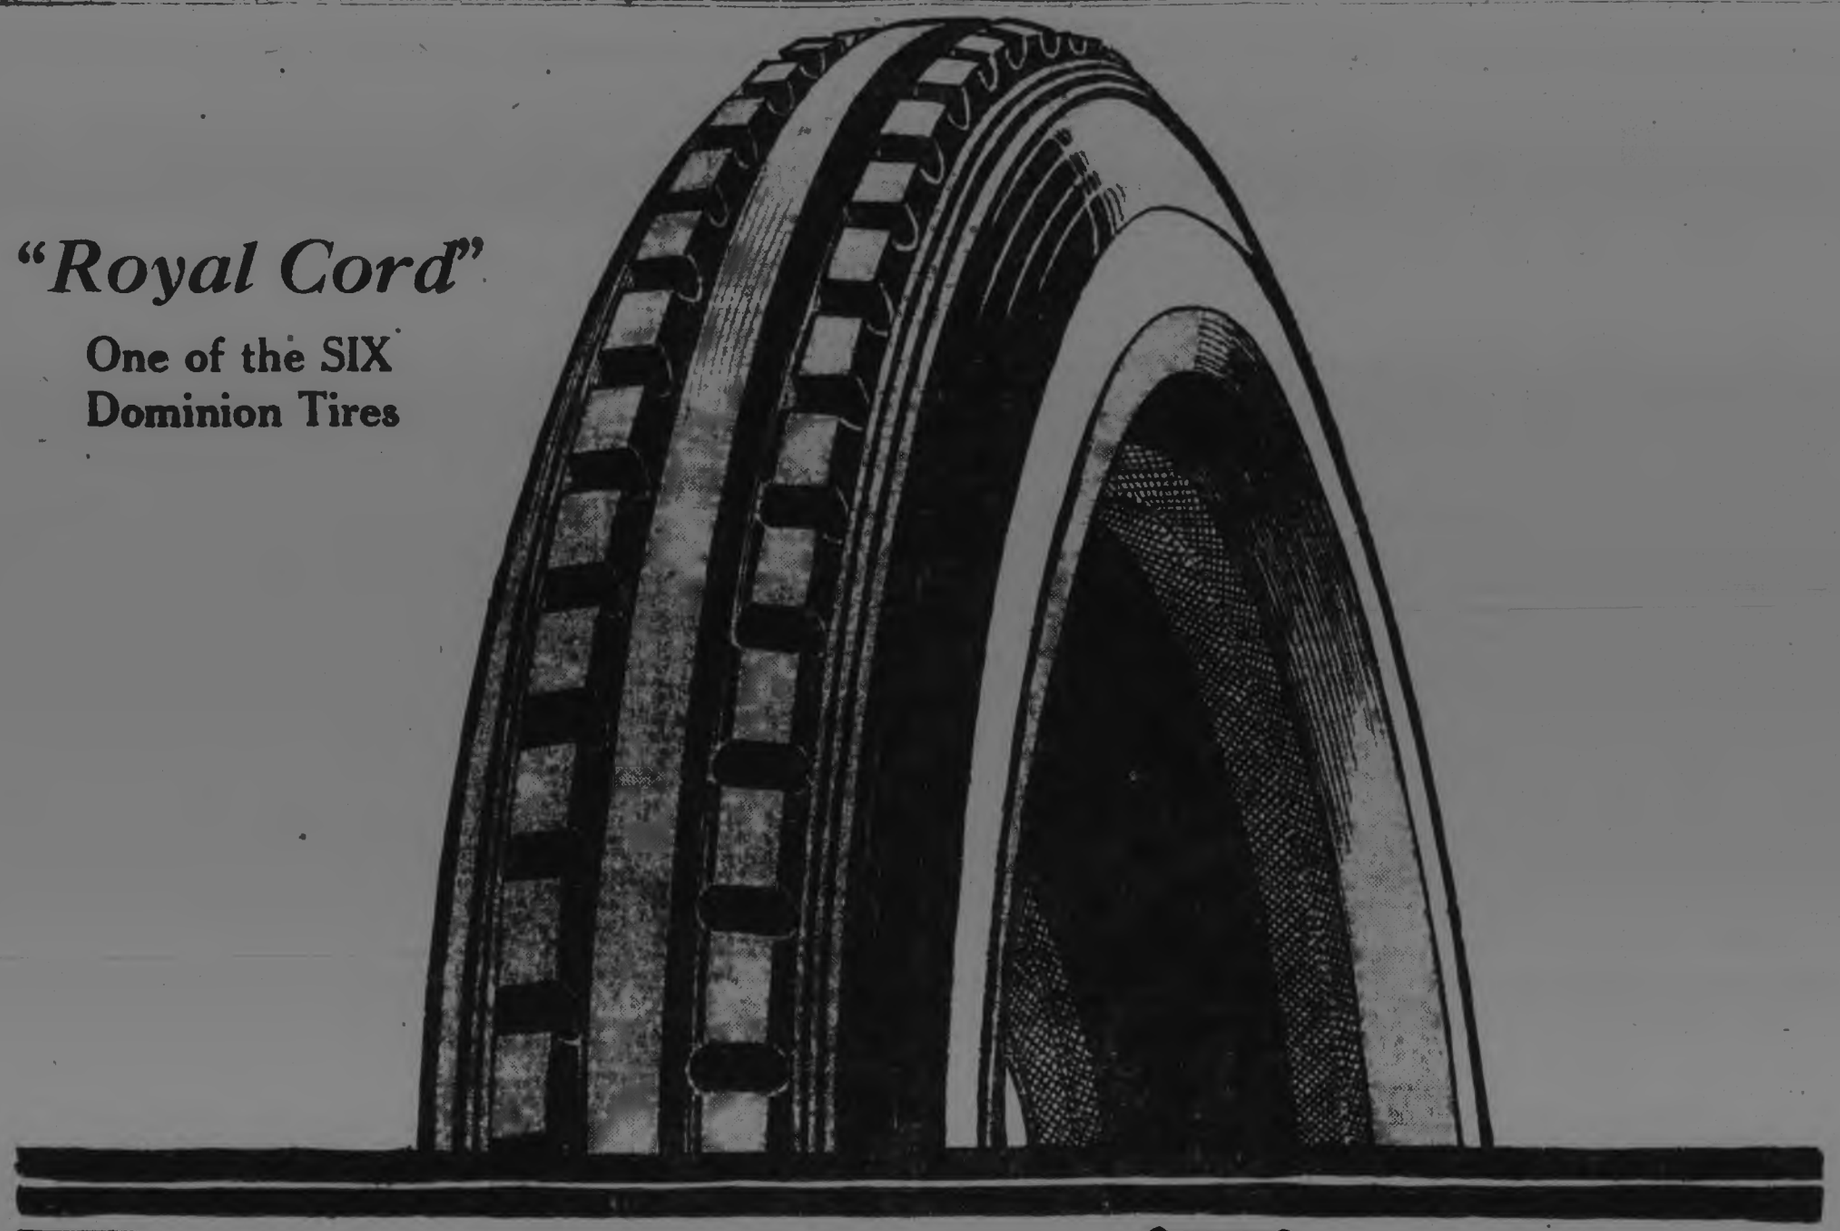
One of the SIX Dominion Tires



DOMINION TIRES are GOOD tires

Why shouldn't they be good? They have behind them the greatest Rubber System in the Dominion, if not in the Empire. They are planned to fill every need of the motorists of Canada. They are built by experts in a great modern factory.

DOMINION Inner Tubes fit all Dominion Tires and ensure perfectly balanced tires. To add comfort to your car and mileage to your tires, always insist on having Dominion Inner Tubes.

And their dependable quality and workmanship are proven by the fact that Dominion Tires have the largest sale in Canada among experienced motorists. They have proved their economy, their easy riding, their long mileage on every road in Canada.

DOMINION Tire Accessories include everything you need to close a hole, plug up a bruise, or heal a cut in your tire. These helps will make your tires last longer. Carry a supply in your car.

Dominion Tires, Inner Tubes and Accessories are distributed through Dominion Rubber System Branches and sold by the best dealers throughout Canada.

DOMINION RUBBER SYSTEM AND ASSOCIATED COMPANIES

TAXES DUE MONTH EARLIER THIS YEAR TO SAVE INTERFST

COLLECTIONS ON JULY 1ST AND SEPTEMBER 1ST—ALD. TURNER MENTIONS ADVANTAGES.

Peterboro's tax rate of [illegible] mills was finally fixed at 35 mills at last night's special meeting of the council. The details of the budget have already been published as the committee presented its estimates for the year's work.

Ald. Turner suggested that taxes be collected two months earlier, one on the 1st of June and the remainder on the 1st of August, instead of August 1st and Nov. 1st as at present. It would enable the city to save [illegible] on its overdraft. Toronto had made the change and found that it did not impose a hardship on the tax payers.

Ald. Gaines said that many citizens brought their coal supply in May. Bringing forward the date for the payment of taxes to June 1st, would prove a hardship to them. He was willing to change the dates to July 1st and September 1st.

"I would rather try the proposal made by ex-Ald. Edgar last year for collecting the taxes in three payments instead of two, with the first as early as June," Ald. Gaines remarked.

Ald. Gordon—That would make quite a lot of extra work.

Ald. Gaines—I believe a lot of workingmen, especially those who are not steadily employed during the winter would not like to have to pay taxes as early as June 1st.

Ald. Wadsworth—I think it would be hard on men depending on outside work. The crowd at the opportune time to take such money is June 1st.

Ald. Gordon—Everybody seems to get a dollar at that time. The change from taxes in a week.

On a show of hands the motion, Ald. Turner, not the committee's report, to collect taxes on July 1st and September 1st this year and if the variation from custom will be tried for a year at least. It is expected to save [illegible] interest that would be paid on the city's overdraft.

ARMOUR INSTEAD OF CONCESSION AS STREET NAME

ALD. GORDON ADVOCATES CHANGE AS MEMORIAL OF AN OLD PETERBORO FAMILY NAME.

A request from resident of Brown street in the north end that its name be changed to Auburn street because it conflicts with Brown street in the Byersville suburb was approved on a motion of Ald. Turner, seconded by Ald. Gordon. A bylaw for that purpose will be prepared for the next meeting, and Ald. Gordon suggested the changing of Concession street, Ashburnham to Armour.

Concession street, said Ald. Gordon had an unattractive name and had nothing to do with the city, whereas the name Armour would commemorate one of Peterboro's old families.

Ald. Gaines contended that he had heard no objections to Concession street from the people of the ward.

"Concession street was named by the old village," he said. "We have lost nearly everything we had since joining the city.

"They have [illegible] their side city to some extent [illegible]"

Aldermen Gaffey and Morrison

Ald. Gaines objected that the question should have been deferred until all the members were present.

It will come up again for by-law by Ald. Gordon reminded.

The World Of Sport

LACROSSE FANS TO MEET FRIDAY

PLANS FOR SEASON WILL BE DISCUSSED AT A MEETING IN THE Y.M.C.A.

All local lovers of lacrosse are urged to attend a meeting in the Y.M.C.A. on Friday night, when plans for the season will be discussed. It is hoped to revive Canada's National game in Peterborough and to have an intermediate and perhaps a junior team in the Ontario Lacrosse Association. Much, however, depends upon the interest shown at Friday's meeting, and every lacrosse enthusiast in the city city should make it a point to attend.

A CITY LEAGUE MEETING TO-NIGHT

All officers of the City Baseball League and representatives of the teams are reminded of the meeting to-night in the Empress Hotel at 8 o'clock. Important business is to be discussed.

BONSPIEL STRUGGLING AGAINST WEATHER

Last evening the curlers played off the finals in the first group of the local bonspiel, Metheral defeating Foote by two shots, 10 to 8. In spite of the difficulties in getting a good sheet of ice on account of the warmth of the past few days, Angus McIntosh had the best sheet of the winter on Monday night, and last night the ice was fair.

The two rinks were as follows:

F. J. Overend	R. B. Hamilton
J. E. Smith	F. Brownscombe
A. H. Webb	R. M. Hamilton
H. F. Foote	J. H. Metheral
Skip 8	Skip 10

Yesterday marked the end of three months of excellent curling. The rink was first opened on December 16th and in the whole three months there have only been three days when the ice wasn't good enough for curling, and great credit is due to Mr. McIntosh, the veteran ice-maker, for the way in which he has provided the curling surfaces this year. If the weather permits the games of the second group will be played off to-night.

LACROSSE AGAIN TO BE TAKEN UP

MOVEMENT ON FOOT IN THE CITY BY OLD TIMERS—MEETING LIKELY CALLED NEXT WEEK.

The good old game of lacrosse is likely to be revived here during the spring and summer if present indications count for anything. There are those in the city who have participated in the game in years gone by who believe it to be the best body builder of any of the more strenuous sports and not only a body builder but a character builder as well.

Some of these men are now anxious to see the present generation of boys have the same athletic advantages as they had in days gone by, and an endeavour will be made next week to organize on a really sound basis. Particulars will be given later.

BOWLING NEWS

POST OFFICE WINS CHAMPIONSHIP IN BUSINESS MEN FIVE PIN LEAGUE

Last night at the Water street Alleys, the Post Office defeated the Lawn Bowlers in two straight games and won the championship in the Five Pin League placing the Lawn Bowlers in second place. The game was exciting all the way and witnessed by a large crowd. On Thursday night the Pastimes and Brinton Carpet will play off for third place. Tonight the blind score of 150 drawn from the League games will be played off, starting at 8 o'clock sharp. Following are the names: McGee, Roberts, Gillespie, Herbison, Rightmyer, Allen, Arrowsmith, Woo, Perry, Ballard, Anderson, Thorndyke, Lafave, Leether, Aithins, Carroll.

Bowling at the Y last night between the team from Murray street and the Excelsiors was run off according to schedule, while two of the games went to Murray street: The Excelsiors were compelled to roll a dummy score which pulled them down somewhat.

Loomis rolled the high single for the night at 233 while McCracken held high average at 171.

Next games will be played: Thursday, March 18 at 7.30 St. Paul's vs George street, Friday, March 19, at 7.30, All Saints vs. St. Andrews.

Scores:

Murray Street.

DE LAVAL BASEBALL CLUB IS ORGANIZED

The first meeting of the De Laval Baseball Club of the season was held Tuesday, March 16th. A large number of fans and players were present. The following were elected:

President—D. R. Wren.
Vice President—W. McGee.
Treasurer—J. A. Robinson.
Secretary—M. A. Fitzgerald.
Manager—E. J. Ruiter.
Captain—R. Rose.
Executive committee—C. Prest, G. McDonald, J. Murray.

CLOSE GAME IN SCHOOL HOCKEY

In a fast game played on soft ice on the Brock street rink yesterday afternoon from 4 to 6 o'clock, the Queen Alexandria team beat the star South Central team by a score of 1-0. The only goal scored was a disputed one. Bert McGill umpired the game.

S.O.E. CARPET BALL LEAGUE IN 2ND ROUND

Social Activities Are Attracting New Members.

The members of Lansdowne Lodge continued the second round of their carpet ball tournament after their regular meeting last night. The tournament is proving a great success and the interest shown by the members will increase as the final round approaches. The members who were winners in the first round were Bros. E. Smith, R. Stevens, H. Willford, P. G. Webb, W. G. Shiner, A. H. Daniels, F. Rathbone, A. Folin, R. Biggs and W. H. Dowson. The winners of the second round up to last night were Bros. F. Rathbone, P. G. Webb, E. Smith, R. Stevens. The winners of the consolation round were Bros. C. Wood and J. Townsend. The remaining games of the second round and the consolation round will be played next week.

The lodge membership is steadily growing, thanks largely to the efforts of the Social Concert committee, and it is hoped that during 1920 at least 100 members will be added.

COMRADE C. E. JEAKINS,
of Brantford, President of the Provincial Command of the G. W. V. A. Comrade Jeakins appeared in the convention hall this morning minus his moustache, which is responsible for his somewhat altered facial appearance.

590,572 ENLISTED IN CANADA 1914-19

TOTAL OF 60,224 PENSIONERS AT FIRST OF THIS YEAR—$11,949,043 PAID.

OTTAWA, March 17.—There were 590,572 enlistments in Canada for the Canadian Expeditionary Forces, from 1914 to 1919, Brig.-General Griesbach (Edmonton) was informed at question time in the House to-day.

Hon. Arthur Sifton stated that no definite information could be given until all the documents had been returned from overseas, but he gave the following returns for enlistments, 1914 to November 15, 1919, obtained by returns rendered by telegraph and allotted to the Provinces from which such recruits were obtained): Ontario, 243,677; Quebec, 82,793; New Brunswick, 25,864; Nova Scotia and Prince Edward Island, 33,342; Manitoba, 50,310; Saskatchewan, 37,666; Alberta, 36,746; British Columbia, 51,436; Yukon, 347; total, 590,572.

There were a total of 60,204 C.E.F. pensioners in Canada as at 1st January, 1920. These were divided among the Provinces as follows: Ontario, 26,666; Quebec, 6,111; Manitoba, 3,411; Alberta, 6,296; Saskatchewan, 4,383; British Columbia, 6,436; Prince Edward Island, 384; New Brunswick, 2,053; Nova Scotia, 3,315.

The total amount paid to these pensioners to 1st January, 1920, was $11,949,043.84, divided by Provinces as follows:

Ontario $5,001,200.00; Quebec, $1,212,493.41; Manitoba, $1,073,596.31; Alberta, $1,243,832.80; Saskatchewan, $960,709.65; British Columbia, $1,276,-096.76; Prince Edward Island, $76,-780.44; New Brunswick, $407,335.73; Nova Scotia, $637,739.15.

BELIEVES C.G.E. CO. WILL NOT EXTEND IF BY-LAW DEFEATED

ALD. GORDON ENUMERATED CONCESSIONS THE COMPANY HAD OBTAINED FROM THE RATEPAYERS.

Referring to Ald. Turner's letter to the ratepayers urging them to vote for the C.G.E. by-law, Ald. Gordon discussed at some length last night the proposition outlined by Senator Nicholls, the concessions the company had received from the municipality, and the various bonuses that had been given to other industries in this city.

Ald. Gordon said he believed that if the by-law was defeated the C.G.E. company would not proceed with their plans for extensions to the plant and equipment. On the other hand the ratepayers should be fully possessed of the facts of the assistance the company had already received.

The C.G.E. company's assessment is now $1,051,000, and they are seeking the renewal for ten years of the fixed assessment they now enjoy.

One Million Exemption.

"With the natural increase in assessment this year that means they are asking for an exemption of $1,-000,000. At the present rate that would be approximately $20,000 a year taxes the city would remit to the C.G.E. The company has other concessions than a fixed assessment. In 1910 they obtained a lease of the waterworks dam, for which they pay $2,000 a year for twenty years. At the end of that period the power plant, including machinery, reverts to the city. There was a by-law passed enabling the C.G.E. to sell some of that power to the Otonabee and Auburn Electric Companies. We don't know how much power they produced or how much they sold. But there was something, maybe $10,000 a year, which, less the $2,000 they pay, leave $8,000 a year they get from that source from the city."

Mr. Gordon reviewed the city's expenditures for such as the construction of a drain and the purchase of a siding right of way at a combined cost of $14,000. The original factory site was bought for $11,000 and given to the company.

Within the next few years most of the factory exemptions would expire, the Bonner-Worth in 1927, De Laval in 1922, Henry Hope in 1922, Vermont Marble in 1923.

No Moral Obligation.

It had been suggested, Mr. Gordon continued, that if the by-law was defeated the city would break faith with the company. When the application for the extension of the fixed assessment was made twenty years ago a term of twenty years was sought, the city and company both knowing that the Provincial government would not approve of that long period. They told the company they could come back for a renewal at the end of ten years.

"If the by-law is not carried it will save us a mill and a half on the tax rate," Ald. Gordon said, and at the same time we can count on the extensions not being made. I think the ratepayers should take all these facts into their careful consideration in voting on the by-law."

SWIMMING EXHIBITION AT Y.W.C.A. NEXT FRIDAY

With the disappearance of the snow and the coming of spring weather, many girls are wanting to learn how to swim. But after the swimming exhibition at the Young Women's Christian Association next Tuesday, they will all want to make themselves experts in this line.

Miss Payne, the new swimming instructor, will demonstrate correct swimming strokes and life saving, and will explain each. She will also do trick swimming and diving and there will be relay races. Make no other engagements for the evening of March 23rd.

CITIES TO ASK PREMIER FOR POLICE COURT FINES

Deputation will meet Him To-morrow

Peterboro will be represented in a deputation which will meet Premier Drury to-morrow with a sheaf of requests including the revision of the police court fines to the municipalities in which they are collected, the holding of the municipal elections on the second Monday in December, legislation for the commission form of municipal government and a provincial allowance of members of municipal councils acting on a local commission.

This city's representative was directed to support the last request and instructed to use his discretion in regard to the others.

COMRADE E. D. O'FLYNN,
of Belleville. The Vice-President of the Provincial Command is well known in Peterborough, having been associated with the formation of the 247th Battalion in this city.

At this morning's session Comrade O'Flynn was responsible for the following story:

"Some people are under the impression that the War Veterans are always asking for something, which reminds me of the married man who complained that his wife was always asking him for money. 'What does she do with it?' inquired a listener. 'Why, I never give her any.'"

SENATORS AND PRESS MUST QUIT LOBBIES,

OTTAWA, March 17.—In future Senators and members of the press will be excluded from the lobbies while the House is in session.

This order was the result of a private meeting of the House of Commons before the galleries were thrown open to the press and public.

The action of the House was approved by the three Leaders—Sir George Foster, Hon. Mackenzie King, and the Hon. T. A. Crerar.

NICK BAWLF ENGAGED AS COACH AT CORNELL.

Canadian Press.

KINGSTON, March 17.—Nick Bawlf, who coached the Queen's University hockey teams this past winter, has accepted the position as coach of the Cornell University hockey team and will leave for Ithaca to-morrow.

COUNCIL AROUSED BY COMPLAINTS OF FLOODED DISTRICTS

CITY ENGINEER DELIVERS REPROACH THA THIS DRAINAGE APPROPRIATION WAS CUT IN HALF.

"I asked for $5,000 for surface drainage work this year and you cut me down to half that sum," said City Engineer Parsons last night, replying to Ald. Morrison's query as to whether anything would be done to prevent a recurrence of this spring's floods.

A deputation composed of R. Cottrell, John Burns, J. G. Hadill, A. Full and T. Fredenburg had complained to the Council earlier in the evening that the annual overflow of the Downie street creek was intolerable. The creek, they declared, wasn't large enough to carry off the freshets, and its incapacity was aggravated by obstructions in the water course through Mr. D. W. Dumble's property.

Ald. Morrison reported that in the district north of the C.G.E. around Patterson and Wolfe streets many cellars were filled with water and the residents were wrathy.

Mr. Parsons mentioned other sections that were in a similar plight.

"Armour's hill seems to be about the only dry place in the city," Ald. Crowe commented.

"Monroe avenue, at the foot of Armour's hill, has troubles of its own," Mr. Parsons replied. "This afternoon some of the cellars were three feet full."

Must Rebuild Drain.

"The old Edison drain on Rubidge street" he continued, "a drain of lumber and must be replaced. Last year part of it collapsed and was rebuilt west to Aylmer street. The reconstruction of the rest of it will take every cent we've got. If that was blocked all the drains to the north and west would be useless."

Aylmer street north was also complained of by residents drained into it. Mr. Parsons' review of the condition of the city's surface drainage system seemed to be suffering from years of careful consideration by succeeding Councils, and a woeful disparity of action.

Ald. Turner intimated that he was impressed by the numerous reports of flooding in different parts of the city and submitted a motion seconded by Ald. Whitehouse, that the Board of Works prepare a report of the aggregate cost of surface drainage that is needed by the city. He stated if the situation warranted the expenditure debenture for $25,000 or $50,000 could be issued to provide for the work required for an extensive surface drainage system.

Asking Favors Of Mail Order House

Interesting Results Might be Obtained by Making Certain Requests

Local Merchants Helpful

Do All the Things for the People of Their Community That the Catalogue Concerns Will Not Do

(Copyright, 1917, Western Newspaper Union.)

It has been said that three fourths or nine-tenths, or some such big proportion—the exact figures do not matter—of the business of the world is done on credit. If this was not true there wouldn't be much business done for no currency system could be devised that would furnish enough money to meet the needs of commerce if every article sold had to be paid for in actual cash. The amount of money in circulation in the United States is only $47 per capita and this would not go very far if everyone had to keep enough cash on hand to pay for all that he might buy.

The greatest of financiers need credit. They keep their resources employed and at times are in need of ready cash. The same thing is true at times of men of smaller means. The credit system, as it is used sometimes, especially in the smaller communities, is abused and works a serious hardship upon the business men of the town. Some merchants, to avoid that loss that results from such abuse of the system or possibly to enable them to sell goods at a lower price than their competitors, operate strictly on a cash basis, but the great majority of merchants in every community give those customers who are responsible and honest the privilege of a charge account and the chances are that some sort of a credit system properly safe-guarded, will always continue to be a feature of legitimate trade

Ask Catalogue House for Credit.

You who have a reputation in your community for being at least fairly responsible and upright know that when you desire it or need it you can obtain credit from at least some of the merchants in your town. But some article of merchandise and are a little short of ready money, order what you want from a mail order house in Chicago or some other city and ask them to please charge it till the first of the month. The experiment will be interesting at least, and the answer that you receive may cause you to give a little thought to the difference between trading with the mail order house in some far-off city and buying from the merchants in your own town.

Some mail order concerns are now operating a so-called credit system, but it is not a credit system such as is maintained by most retail merchants. These mail order houses will sell certain merchandise on the installment plan, but they not only demand an initial cash payment, but require the purchaser to sign a contract which operates as a mortgage not only on the merchandise purchased, but upon any other property that the customer may possess. There is nothing in this system that bears any similiarity to the open credit system that is used by the majority of retail merchants.

There are some other requests you might make of the mail order man when the occasion arises and the response might be equally interesting. For instance, you, Mrs. Farmer, who bought that box of groceries from the catalogue house last month, might write the manager and ask him to buy your butter and eggs. Of course, it would be a considerable more trouble to pack them for shipment to the city that it is to take them in to your local grorer, who is always ready to pay you the market price for them, but then maybe the mail order man would pay you enough more than the market price to pay you for the extra trouble. And then again, maybe he wouldn't.

And then, there is that mowing machine that you, Mr. Farmer, have been figuring on trading in for a new machine. Suppose you write to the mail order man from whom you bought that wire fencing and ask him what he will allow you for your old machine on a trade for a new one. Of course, the local hardware dealer in the town where you find a market for your farm products will allow you a fair price for your old machine, but what's the use of asking him to do it. The mail order man surely will be glad to do that much for you, will he not? Yes, he will not.

List is Endless.

There are a good many things the mail order man will not do for you The list would be too long to crowd into one issue of a newspaper. He will not give you credit, however much you may need it. He will not buy the farmer's produce. He will not pay a dollar of taxes to help support your schools or build your roads. He will not contribute a cent to the support of your churches or your charitable institutions. He will not lend you a helping hand in time of trouble.

The local merchants in a community will do everything for the people in that community that the mail order man will no do for them. This fact should make it easy for the people of the community to decide which it is to their interest to do business with.

Make Our Garage the Home for your Auto. We handle a full line of Accessories, Tires and Gasoline. We do Auto Repairing, any make of car, and are Local Distributors for the McLaughlin Automobiles. Quick and efficient service is our motto

KAPP QUITS, REIGN OVER

SPEEDY RESTORATION OF EBERT GOVERNMENT IS EXPECTED—SOVIET SOUNDS RUMBLING.

NEW YORK, March 17.—The Kapp administration at Berlin, realizing the futulity of attempting to hold the reins of power has decided to give up its short lived dictatorship. At one o'clock this afternoon Chancellor Kapp decided to resign according to official advices from the German capital. Expressions of confidence in the speedy restoration of Ebert Government to complete control.

Come from headquarters of that Government declaration that they are ready to retire in order to avoid bloodshed, dispatch says.

Noske to Restore Order.

General Watter, commander of Reichewehr in Rhenish Westphalian industrial region has convened workmen's councils to aid in maintaining order. Gustav Noske, minister of defence in the Ebert Government is confident of his ability to restore normal conditions in Germany within comparatively brief time, according to an exchange telegraph dispatch quoting an interview with him at Stuttgart.

"Large contingents of Imperial defense troops are at our disposal", Noske is quoted as declaring. "I am confident we will succeed in restoring order in Germany within six or eight days."

RUMBLES OF SOCIALISM

(Canadian Press.)

BASLE, Switzerland.— A dispatch from Chemnitz, industrial centre in Saxony with population of more than two hundred thousand, says the Republic of Workingman's Council has ben proclaimed there. A committee of action was formed comprising communists, six Indpendents Socialists, four majority Socialists and one Democrat. All Bourgeois papers in city have been suppressed.

69 KILLED AT SPANDAU

LONDON, March 17.—German machine gun firing was heard in the capital between eleven and twelve o'clock last night says message from German Capital. During day detachment of soldiers passed through Brusnenstrasse headed by band playing "Heil Dir im Siegerkranz" Workmen immediately charged troops and a skirmish ensued, in which number of men were killed and others wounded, message adds. At Spandau 69 persons, nearly all workmen were reported killed and the fighting is continuing.

BLOODSHED IN MANY PLACES

(Canadian Press.)

PARIS, March 17—News that came through during the night from Berlin and other German points, telling of Sanguinary clashes at Essen, Dortmund, Leipsic, Mannheim, Frankfort and Brunswick together with report that the council of workman, had assumed power at Chemnitz, has given the impression there that there is more to be feared from a revival of Spartacan movement than from activities of the Kapp Government in Berlin.

According to the latest dispatches, the military movement has resulted in bloodshed in 24 German towns. The Spartacans are reported to have risen in Dresden, where a clash with troops is declared to have resulted in a casualty list of one hundred dead, and three hundred wounded. Fighting in Dreslau, Hamburg an Kiel also is reported.

FRANCE IS VICTOR ON VARIOUS FIELDS

Guillemot is Regarded as Fitting Successor to Jean Bouin.

PARIS, March 17.—The French newspaper are devoting considerable space to victories achieved by France in sporting events last week. The French army Rugby team defeated a British army team by a score of 15 to 6; Guillemot, the crack French middle distance runner, led a field of 223, of the best English runners in a ten-mile race on Windsor Park, England, and yesterday a tennis team from Paris defeated Copenhagen with the greatest ease.

The French sporting world looks to Guillemot to make a sweep of everything from the five-thousand metre run to the Marathon at the Antwerp Olympic games. He is regarded here as a worthy successor to Jean Bouin the noted runner who was killed during the war.

The correspondent has watched Guillemot work over an eight-mile course. He runs with the easy motion of Alfred Shrubb, the great English distance runner, and doubtless will force his opponents at the Olympic games to do their best up to 15 [illegible]

PORTRAIT OF CALDER.

The Cabinet Maker Has Commissioned Old Country Artist to do the Work.

(Canadian Press.)

REGINA, Sask., March 17.—Inglis Sheldon-Williams, an artist of London, England, formerly of Regina, has been commissioned by the Provincial Government of Saskatchewan to paint a life sized portrait of Hon. J. Calder, LL.D. Minister of Immigration. It will be placed in the Saskatchewan legislature building at Regina with others of those who have been notable in connection with [illegible]

OUT FOR INCREASES

Twenty public school teachers threw a bomb into the Board of Education meeting at Oshawa when Secretary Pushon read a letter from them asking for increased salaries. The amount of increase asked for is $300 each per annum, and the reason advanced is the exorbitant cost of living.

In the petition, the teachers also asked that they might be paid on the first day of each month, except when vacation interferes.

ALL SAINTS' GIRLS HELD SOCIAL EVENING

A very enjoyable event took place last night when the "Buds of Promise" of All Saints Church, entertained Mrs. A. Lightheart's class to a social evening in games and music concluded by a bountiful supper, and the affair was a great success every way. During the course of the evening several interesting addresses were given. Miss Edith Jenkins, president of the Buds of Promise, spoke on "Organization," and Miss V. Tucker's address on the "Esprit de Corps of the Home" proved very interesting and instructive.

For the beautifully decorated tables for the supper which was served at 9.30 great credit is due to the reception committee and also to their untiring efforts to make the evening a success.

Rev. R. B. Grobb in a short address after supper, complimented both classes on their growth and expressed his hope that nothing but success would crown their efforts, after which the party was brought to a close about 10.30.

The "Buds of Promise" extend a hearty invitation to all young ladies of the city to join their class which is held in the church at 3 o'clock on Sunday afternoon.

AH! BACHACHE GONE! RUB LUMBAGO AWAY

RUB PAIN FROM BACK WITH SMALL TRIAL BOTLEE OF OLD "ST. JACOBS OIL."

Ah, Pain is gone! Quickly? — Yes. Almost instant relief from soreness, stiffness, lameness and pain follows a gentle rubbing with "St. Jacobs Oil."

Rub this soothing, pentrating oil right on your painful back, and like magic relief comes. "St. Jacobs Oil" is a harmless backache, lumbago and sciatica cure which never disappoints and does not burn the skin.

Straighten up! Quit complaining! Stop those tortuous "stitches." In a moment you will forget that you ever had a weak back because it won't hurt or be stiff or lame. Don't suffer! Get a small trial bottle of old, honest "St. Jacobs Oil" from your druggist now and get this lasting relief.

BOOST SASKATOON

(Canadian Press.)

SASKATOON, Sask., March 17.—To place the merits of Saskatoon and its business advantages before a greater section of the public, the Board of Trade have made arrangements for an half-page advertisement and a skyline cut of the city to be inserted in the Manchester Guardian at a cost of $670.

Combing Won't Rid Hair Of Dandruff

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this to-night, and by morning, most if not all, of your dandruff will be gone and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.

LOYALISTS LEAD IN S. AFRICAN ELECTIONS

(Canadian Press.)

LONDON, March 17.—Advices from Cape Town giving the latest available returns of the elections of March 10th for the South African House of Assembly, say that Unionists won 19 seats South African party 24 Nationalists 21, Laborites 1 and Independents

CREAM FOR CATARRH OPENS UP NOSTRILS

Tells How To Get Quick Relief from Head-Colds. It's Splendid!

In one minute your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more hawking, snuffling blowing, headache, dryness. No struggling for breath at night, your cold or catarrh will be gone.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed-up [illegible]

COMRADE W. E. TURLEY,

of Toronto, Secretary of the Provincial Command of the G. W. V. A., who is one of the busiest men at the convention now being held in this city.

PLAN TO SEND FOOTBALL PLAYERS TO OLYMPIC GAMES.

The Olympic Committee of the United States Football Association at a meeting held at the Hotel Astor, New York, went on record to the effect that the national body should send a team of twenty amateur soccer players, citizens of the United States, to Antwerp, for the matches August 29th to September 5, with the aid of a fund approximating $20,000 to $25,000, and that such a step be recommended to the Council of the United States Football Association, which will meet in St Louis, on May 20th to 22nd. The various State organizations are to be entrusted with the selection of the players and the arrangement of trial and benefit games. The appointment of financial campaigns in different sections whose duty it will be to raise funds through contributions by associations, leagues and individuals is suggested. It is understood the American Olympic games committee will furnish one-half of the total amount of the expenses and that the United States Football Association will contribute a sum up to three fourths of its resources at the close of thisseason.

NEW YORK STOCK MARKETS

NEW YORK, March 17. — The stock market opened higher. U. S. Steel opened at 99 1-8, up 5-8. Anaconda 60, unchanged; General Motors 526, up 4; Reading, 86 1-2, up 1 1-8; Pan-American, 97, up 1-2; Atlantic Gulf, 103, unchanged; Mexican Petroleum, 190, up 1 1-2; Studebaker, 102, up 1 3-8; U. WHEN JOBS GO BEGGING---

PROBABLY YOU THINK right now that the pay you are receiving is not in proportion to the work you are doing—in other words you believe you are poorly paid. And, perhaps you are right.

BUT what is it that governs the amount of your wage? Is it not the law of supply and demand—the same law that governs the cost of merchandise?

THE TROUBLE is—there are more men than jobs—a fact which causes so much trouble at the present time

A CITY IS PROSPEROUS to the fullest extent when there are more jobs than men to take them. Get busy, therefore, and help bring about this ideal condition. Whenever you go into a store ask for the Peterboro City Brand of the Article you want. Insist that your wife and all your family do the same. Thus you will be laying stones in the foundation of a greater Peterboro City—a Peterboro City having enormous factories which will employ thousands of people and cause millions of dollars to be distributed right here at home.

BEGIN NOW!

DON'T JUST THINK ABOUT IT!

LENTEN SERVICE AT ALL SAINTS'.

At the Lenten service at All Saints' to-night the Rector will continue his series of illustrated addresses on the life of Christ.

OVERSTEPPED MARK.

In its rush for expansion, Belleville has evidently overshot the mark. The expenditure for 1920 in that city will amount to $1,300,000, and the citizens are wondering where the money is to come from.

The members and lady friends of the Caledonian Club will hold a special event to-night in Woodmen of World Hall at 8 o'clock prompt. A select number of artists will provide an excellent programme and during the evening the memorial shield will be unveiled.

BILLY SUNDAY SAYS:

Good resolutions without works will eventually bring a person to everlasting punishment. Jimmie Monday says, people who intend to give local merchants business, but buy outside, should be consigned to everlasting punishment. This is an open question, but we think all things being equal or nearly so, local merchants should have the preference of good intentions put into practice.

JIMMY, at NELSON'S TYPEWRITER OFFICE, 332½ George Street (old Opera House Block).

Milliners Attention!

A fine chance for a Millinery Department at Lakefield. A splendid opportunity for a good milliner in a nicely furnished Millinery Room. No opposition. Apply personally, letter or phone to R. Graham & Son, Lakefield. Phone 19.

REAL ESTATE TUR OVER IN EAST CITY

IMPORTANT PURCHASE OF FINE BUSINESS PROPERTY—WILL BE RENOVATED.

The business block at the corner of Hunter Street and Driscoll Terrace, the property of the estate of the late William Collins, situated just at the eastern approach of the new Hunter Street Bridge, has been purchased by Mr. John Speer, grocer, on Hunter Street, Ashburnham.

It is understood that Mr. Speer will thoroughly overhaul the property and occupy it about 1st May next. Increased activity in Ashburnham real estate is expected with the approaching completion of the bridge.

SOCIAL AND PERSONAL

A very pleasant evening was spent at the home of Mr. and Mrs. Thos. A. Lang, 544 Elm street, on Tuesday March 16, 1920, when a number of girl friends to Miss Amy Lang gathered together and presented her with a miscellaneous shower prior to her approaching marriage; after which a social evening was spent and the gathering broke up at an early hour by the singing of Auld Lang Syne and the National Anthem.

Miss Dorothy Hilliard and Mr. George Hilliard, Lakefield, were in the city to-day.

The marriage of Miss Joyce Barlee, daughter of Mr. and Mrs. Fred Barlee, formerly of this city, and Mr. Harry McKenzie, was solemnised in Grand Forks, B.C., to-day.

Mrs. Jack Strickland, Lakefield, was in the city to-day.

RAILWAYS REFUSED PREPAID FREIGHT

WOULD SUFFER LOSS THROUGH ADVERSE EXCHANGE.

(Canadian Press.)

OTTAWA, March 17.—An early decision by the Railways Commission in the complaint of Canadian Shippers against the non-prepayment regulation of Railways was indicated this morning. Following argument by railways in support of their regulation, Chief Commissioner Carvell requested that any interested parties who had decided to submit written statements should do so without delay Both sides completed their case before board this morning. The Chief Commissioner, at close of case, remarked that he hoped for decision next week. The situation as it stood was causing great deal of trouble and the sooner the board was able to define its attitude in matter the better.

Shippers protested against the railways' regulation whereby the latter have instructed their agents to refuse prepayment on freight consigned to points in the United States. Before the hearing had been long in progress it became evident that Chief Commissioner Frank B. Carvell was far from being satisfied that the railways were not justified in taking the ground that they should not be called upon to suffer by reason of the adverse exchange conditions now prevailing for Canadian money in the United States.

COL. ADBY'S CAMPAIGN.

One of the best of the series of meetings held thus far at the S. A. Temple since the campaign opened was conducted last night by Colonel Adby.

To-night another special meeting will be held at eight o'clock sharp.

At 7.30 the Colonel will meet the trapped in the flames. Three children every Corps Cadet is requested to be present, if at all possible.

WE[illegible] WED

ROSE—ARGUE.

St. Peter's [illegible] church, Cobourg, Ont., was the scene of a quiet wedding on Wednesday morning, March 17th when Rev. F. J. Sawyers, Rector, solemnized the marriage of Miss Vera Irene Argue, younger daughter of Mr. and Mrs. A. J. Argue, to Mr. Burrist Alexander Rose, of Windsor, son of Mrs. S. W. Rose, Peterboro.

The bride wore a smart navy blue suit with close fitting flower trimmed hat and corsage boquet of roses and violets.

Mr. and Mrs. Rose left directly for Montreal hence to New York. On their return they will reside in Windsor."

LILLICO—BRYCE

A quiet but pretty wedding took place this aftern on at 4.30 at the home of Mr. and Mrs. James Bryce, East City, when their daughter Edith Agnes was united in marriage to Mr. Ivan T. Lillico, son of Mr. and Mrs. Thos. Lillico of this city, Rev. Mr. Pogue performed the ceremony in the presence of only the immediate relatives.

The bride was charming in a suit of navy blue tricotine with small hat to match and wearing seal furs trimmed with moleskin. She carried an armful of Ophelia roses. A dainty luncheon was served after the ceremony and the young couple left on the afternoon train for a short trip to New York after which they will reside in Toronto.

The groom is a Peterborough boy who had two years service overseas with the Canadian Engineers. He is now accountant in the Bathurst street Branch of the Bank of Montreal, Toronto.

TROTTER—WOODS.

APSLEY, March 16.—The home of Mr. Alex Woods, Chandos, was the scene of a very pretty wedding on Thursday, the 11th inst., when his eldest daughter, Gertrude Olive Elizabeth, was united in the holy bonds of matrimony to Mr. George Trotter son of Mr. Joseph Trotter, also of Chandos. The marriage was solemnised in the presence of a large number of friends, under an arch of evergreens and roses, by Rev. C. A. G. Spence. Miss Marjorie Spence and Miss Hazel Woods, sister of the bride, acting as bridesmaids, while Mr. Edwin Fletcher supported the bridegroom.

After the ceremony the guests partook of a sumptuous repast, tables being very tastefully and effectively decorated, and later a reception was held at the bridegroom's home, which was largely attended.

The popularity of the young couple was demonstrated by the large number of presents which were received by them The bridegroom's present to the bride was a gold locket and chain, set with diamonds, to the bridesmaid a gold bracelet, and to the groomsman a gold signet ring.

Mr. and Mrs. Trotter will reside in Chandos.

OBITUARY

MRS. JOHN MEADE

Mary Allen, beloved wife of John Meade of Douro Township, died yesterday after an illness of only a few days from pneumonia. Deceased was born in Douro Township forty-one years ago and is a daughter of John W. Allen, a former well known resident of that township but now living in this city. Eighteen years ago she was married to John Meade, of Indian River and besides her sorrowing husband she leaves seven sons and two daughters. Her father of Peterboro and two brothers, John Allen of Edmonton and Patrick of 534 Concession street and three sisters, Mrs. B. Flood of Ennismore, Mrs. P. Menogue, Roger street and Miss Katherine of Peterboro, survive.

The funeral will take place to-morrow morning at eight o'clock from the family residence Douro, to St Joseph's Church and Cemetery, Douro.

JAMES A. FIFE.

The death occurred last night of James A. Fife, of 568 Division street, aged 81 years, after a short illness from pneumonia. The deceased was one of the most well known residents of Smith township, having resided there for some forty years, only retiring to Peterborough four years ago The late Mr. Fife was born in Otonabee, near Keene, and is very well known throughout that district also.

The deceased had always enjoyed good health and last fall he and his wife, who survives him, celebrated their golden wedding. During his long residence in Smith he made a host of friends and throughout that district his death has caused the deepest regret.

Besides his wife he leaves one son, W. A. of Smith township, and four daughters, Mrs. Nichols of Bridgenorth, Mrs. G. Hamilton of Douro, Mrs. Atchison, McGill street, Peterborough, and Miss Myrtle at home.

Funeral arrangements will be announced later. Please omit flowers.

SUDBURY FIRE TRAGEDY

Women and Five Children Prey of Flames—Eleven Families Homeless.

SUDBURY, March 17.—Six lives were lost in a fire at Sturgeon Falls early last Saturday morning, when a large frame tenement house occupied by 11 families was totally destroyed by fire. The occupants were forced to flee in light attire Mrs. Isodore Morreau and her two children were trapped in the flames. Three children of Mr. Hermidas Piche also perished. The unfortunate children were all of tender years. Several miraculous escapes and rescues were made by firemen and other citizens.

Do not have the oven too hot when cakes are to be baked. Allow the cake to rise in a moderate oven then make the oven hot to brown it.

LAYED WITH A SHILLALAH

It was St. Patrick's Day this morning, and we thought we would honour the occasion by reporting to The Examiner that we had played high prices with a shillalah. Being British to the backbone, we wanted every son of the soil to know what we had been up to.

We're over here, off George Street, where we can keep prices down—where the rents and expenses are comparatively a small item. The logical result is that you save the difference on your new Spring Suit and Overcoat, and the balance you can put in the bank. Our new stock of Cloths includes a wide and varied collection of the newest materials Fancy Hairline Stripes, Worsteds, and Serges for Easter will be very popular, and justly so: and we make them up in any of the new and pleasing models with the newest style features, and wonderful values Ordering now means maximum satisfaction in your purchase. Handsomely tailored to measure, with the real sunny details of finish at characterize the Tartan Tailor Shop Suits and Overcoats. And [illegible] the same to you.

St. Patrick's Day in the morning!

Has been chosen by us two,

To have a little party—

And we're invitin' you.

Please come — and wear an Irish smile.

We want you on the [illegible]

You'll find the shop [illegible]

The house is—

The Tartan Tailor Shop [illegible]

[illegible] Street—

Frank N. Hennigar, Manager.

SOCCER MEETING AT COLEMAN'S TO-NIGHT

Since 1914 when the Nomad football club volunteered to a man there has been no soccer in Peterboro. Lovers of the game are trying to restore it to the flourishing days when this city had a fine city league and also district group. A meeting will be held [illegible] Coleman's to-night and every footballer is invited to be present. It is hoped that a city league may be organized. All up for soccer.

VOL. XLVI NO. 66 PETERBOROUGH THURSDAY, MARCH 18, 1920 PRICE TWO CENTS

DIFFICULTY CONFRONTING THE DUTCH

ALLIES MAY ASK HOLLAND TO REMOVE FORMER KAISER TO THE WEST INDIES.

United Press.

LONDON, March 18. — Despite the former Kaiser's reported assurances to the Dutch government that he will refrain from all political activities the belief prevails in official circles here to-day that the entente will demand that Holland exile him to Curacao — East Indies.

Although the Kapp coup was short-lived, it was said to have furnished Holland with evidence that it will be impossible for Wilhelm to remain in Europe because of the endless trouble of guarding him from his enemies and his friends.

The sentiment throughout Holland was authoritatively reported to have changed since the allies practically placed upon that little country the responsibility of preventing the former Kaiser from influencing the future peace of Europe, either directly or indirectly.

HEINTZMAN & CO. PIANO IN SOUTH AMERICA

Influenced by the high reputation that the Piano of Ye Olde Firme of Heintzman & Co., Limited, George and Hunter Streets, Peterborough, Ont., have borne during these many years, an order has just been received for one of the beautiful Empire design Uprights, in Mahogany, of this firm, to be shipped to Mr. Robert A. Guerreso, Santa Maria, Republica de Columbira. The export trade of this firm to-day is expanding at many different points, frequent shipments being made to New Zealand, Australia and South Africa, as well as Great Britain.

NOTE—The Basic Table of Re-establisment may also be constructed on a monthly pro rata basis instead of straight annual periods as shown.

The above Basic Table of Re-establishment, which illustrates the amount of Financial Aid which under this plan of Re-establishment is made available to qualified applicants, shall be the accepted standard for "combatant."

All "non-combatants" to be awarded 25% less than the basic amounts shown therein.

THE CONTENTIOUS QUESTIONAIRE

The form of Questionaire shall be so arranged that the applicant shall be required to answer all questions as from their best knowledge and belief as regards Military, Naval, Mercantile Marine or Air Service, and any slight inaccuracy as to day or date shall not be construed to mean that the applicant has made a false declaration. A false declaration shall be determined by the Board upon comparison of the official record with the Questionaire, and their decision in the matter shall be final.

Below the applicant's answers a space shall be provided for a certificate of verification by the Board, who shall designate the basis of financial aid as pro-vided under the Basic Table of Re-establishment.

The Questionaire having been filled out by the applicant and duly verified by the Board, who have entered in the space provided the amount of financial aid may be granted, shall refer the Questionaire to the Provincial Board concerned. The Provincial Board shall then require the applicant to designate a chosen form of Re-establishment, which shall consist of one or any acceptable combination of the following features:

The remainder of the questionaire deals with the use to which the money is to be put and the financial standing of the applicant. The whole of the questionaire was objected to in yesterday's debate and was finally eliminated from the G. W. V. Gratuity Scheme.

FIGHTING REPORTED IN SEVERAL PARTS BERLIN

REVOLUTIONARY TROOPS REPORTED TO HAVE EVACUATED BERLIN—CHAOS CONTINUES THROUGHOUT GERMANY.

DEFENCE MINISTERS ARRIVES IN BERLIN

(United Press.)

LONDON, March 18.—A Berlin despatch by way of Copehagen quotes Daumig and Cohn head of the combination of radical parties, as declaring that the proletariat "will not recognize the workingmen's forces for Ebert's front."

The proletariat demands power for itself, the despatch quoted the leaders as asserting.

Another despatch said that the Independent Socialists, Communists and Right Parties had held a conference and selected a cabinet, naming Daumig and Chancellor Kurt Beyer as Minister of the Interior, Herr Newmann or Herr Levy Minister of Foreign Affairs, and Herr Cofin as Minister of Justice.

The cabinet list, it was said, includes only Independent Socialists and Communists.

HEAD OF MOVEMENT HAS RESIGNED

(United Press.)

PARIS, May 18.— The resignation of General Baron Von Luettwitz as head of the revolutionary movement in Berlin was accepted at 5.40 p.m. yesterday, a Berlin despatch to-day said.

Von Luettwitz was head of the revolution for only a few hours, following the resignation of Chancellor Von Kapp

General Von Seeckt, the despatch said, took over the Ministry of War pending the arrival of Gustav Noske, President Ebert's Minister of Defence. Von Seeckt also resumed command of the Reichswehr troops.

General Von Oven took command of regular soldiers now in Berlin. These will be removed from the city as soon as possible, he said.

The Ehrhardt naval brigade, which furnished the military power of the revolution has evacuated Berlin, but burned all records showing its part in the movement before leaving.

Troops which remained favourable to the constitution, were posted as guards over all public buildings.

BLOODY FIGHTING WITH THE WORKMEN

(United Press.)

BERLIN, March 18—Bloody fighting also was reported from Hagen, Westphalia, where workingmen and troops clashed when the soldiers attempted to occupy the city. The troops, according to a despatch by way of Copenhagen, were disarmed after they had surrendered, and were held as prisoners by the workingmen. Thirty soldiers were killed and seventy wounded in fighting that preceded the troops surrender. Two workingmen were killed and several wounded.

DEFENCE MINISTER TRAVELS BY AEROPLANE

(Canadian Press.)

COBLENZ, March 18. — Gustav Noske, Minister of Defence in the Ebert Cabinet, arrived in Berlin by airplane late yesterday, having made the trip from Stuttgart. General Von Seecht, Chief of Staff for Constantinople Government, has replaced General Von Luettwitz as commander in Berlin.

Danger from Bolshevism seems to be extreme. The Kappist troops are withdrawing from Berlin and forces commanded by Spartacan leaders are expected to attack the city at any time. A consolidation of all parties to fight Bolshevism has been formed. Elections will be held no later than June according to the latest despatches from Stuttgart.

CROWDS REPORTED IN FIGHTING MOOD

(Canadian Press.)

PARIS March 18.—Official advices from Berlin describing conditions there last night, said that the public places of the city were filled with crowds in an ugly humor The military appeared to be of panicky disposition. Many of the Baltic troops joined forces with the Independent Socialists who were reported to have twelve thousand armed men at their command

KAPP'S SUICIDE REPORTED.

(Canadian Press.)

LONDON, March 18.—Rumors are current in Berlin that Dr Wolfgang Kapp head of the Reactionary government set up in Berlin last Saturday, and whose resignation was announced yesterday, had committed suicide The reports were received by telephone in Amesterdam from the German capital

DUTCH TORPEDO BOAT DEPARTED YESTERDAY

MAJOR A. T. HUNTER OF TORONTO.

Who addressed the Convention last evening, and brought down the house with one of his characteristic jokes.

THE FORMER KAISER IS GREATLY INTERESTED IN EVENTS IN GERMANY.

BOXING BOUT

(Canadian Press.)

WIERENGEN, Holland, March 18. —The Dutch torpedo boat which arrived here Monday, presumably to guard former Crown Prince William, departed yesterday by order of the Dutch government. William, who is thoroughly informed of progress of events in Germany, is greatly interested but seems not to be perturbed at the falling fortunes of the Kapp regime. Yesterday he boxed with a son of Burgomaster Hereboom, who was a good match for him, but much younger No special guards have as yet arrived here and the former Crown Prince is quite free to move about the island. He reiterates that he would like to return to Germany some time, but not under the present circumstances.

WILL INVESTIGATE THE GAS SITUATION

COMMISSIONER IS TRAVELLING THROUGH ONTARIO ON OFFICIAL VISIT.

(Special to the Examiner)

TORONTO, March 18.—Estlin, the Commissioner of Natural Gas for Ontario is at the Queen's Hotel to-day. In addition to his regular duties he was recently empowered to hold a series of enquiries in this connection in the different districts where gas is found and consumed, under the Public Enquiries Act and so far he has visited Sarnia, Windsor, Chatham and Hamilton.

More than 1,000,000 families have been affected by the rapid decline of gas in various wells throughout the province. Mr. Estlin declared, and the situation during the past winter, owing to the severity of weather, has been unusually serious.

From here Mr. Estlin is proceeding to Woodstock to-night, and he hopes to conclude one or two additional enquiries in time to permit his reports thereon to be sent in before the present session of the Legislature ends.

BANK CLEARINGS FOR THE WEEK

Clearings week ending 18th March 1920, $846,981.

Same week last month, $951,018.

Same week last year, $577,171

Same week 2 years ago, $667,133.

PRESIDENT EBERT ARRIVES IN BERLIN.

(Canadian Press.)

LONDON, March 18. — President Ebert arrived in Berlin last last night, according to a message received from the German capital.

Ebert has ordered the Imperial Court at Leipzic to bring action against the leaders of the revolution—Dr. Kapp, General Von Luettwitz, Gottlieb von Jagow, Admiral Trotsa, and Captain Erhardt.

UNITED STATES IN A BUILDING RACE

ADDING SEVERAL NEW WARSHIPS TO THE PRESENT TONNAGE.

(Canadian Press.)

WASHINGTON, March 18.—The United States, American naval experts say, is building more warship tonnage than any other nation.

Twelve super-Dreadnoughts and six great battle-cruisers, aggregating 665,400 tons, are under construction in navy yards. They will carry a total of 152 16-inch guns and 24 14-inch guns, and all will have new electric drive engines.

With the completion of this fleet, probably in 1923, the United States will have a battle force of 19 super-Dreadnoughts and six battle-cruisers in the first line and eight Dreadnoughts and a number of smaller battleships in the second line.

COMRADE W. D. SHARPE OF BRAMPTON.

Who took an active part in the discussion on State Insurance for War Veterans at last night's session of the G. W. V. A. Convention

TELEPHONE SERVICES RESTORED

ALLIES ARE KEEPING THE TURKS QUIET IN CONSTANTINOPLE—ASSEMBLY MEETING.

(Canadian Press.)

CONSTANTINOPLE, Marc 18.—The second day of the Inter-Alied occupation of Constantinople, carried out on Tuesday by large forces from the imposing war fleet in the Bosphorus, passed with an entire calm.

The Turkish police are co-operating in keep order.

The ferry and telephone services have been resumed.

Only small detachments of the Allied soldiers are visible in the streets and about the public buildings.

(Canadian Press.)

STUTTGART, March 18. — Two hundred and nity members of the German National Assembly held a meeting in the Art Hall here this afternoon.

Military forces are occupying the great open space before the hall.

No disorders occurred while the members were assembling.

Airplanes are flying over the city, warning the people against demonstrations.

GEORGE STREET METHODIST CHURCH

SPECIAL SERVICE LAST EVENING WAS WELL ATTENDED.

There was a good attendance at the meeting in George street church last night and the service throughout was inspirational and helpful In the early part of the service a large number gave individual testimony of the fact that they were children of God. Several responded to the appeal to decide for Christ.

Rev W. E Millson's address was based on that familiar passage of Scripture found in Rom. 15:1: "We then that are stroug ought to bear the infirmities of the weak." His subject was "Be a Lifter," or "A Call to Christian Service." Mr. Millson stated that his message had a double purpose: First, to be a stimulus or positive direction to Christians and also to help some to decide for Jesus.

Everyone has gone through an hour of sadness, difficulty or sorrow at some time We go through the world smiling, but one does not have to go very far to find out that people have had a time of sorrow, loneliness, misery or woe. The heart of the world aches it we could only get near enough to find it out.

"I believe," said Mr Millson, "that the panacea for the world's ills is Jesus Christ. There is a certain class of people who say that we need agitation, but agitation is not needed as much as regeneration Other people say education is the only thing. While agitation and education are good in their place, the world does not need them as much as it does reformation What the world needs to-night is more of the spirit of Jesus Christ exemplified by those who are his professed followers:

There are two or three classes of weak people. When people are in sorrow they are weak and very susceptible to influence. That is the time we should bear the message of the cross to them. The church of God has missed a chance to strengthen a man in his hour of weakness.

Young folks are weak and easily susceptible to influence "Don't you know," said the speaker, "that you were sent into this world to counteract the influence of evil. I have come to the conclusion that the devil was never as wary as he is now in entrapping the young people. If a boy never hears a man swear, or saw him drink or smoke he would never do these things. What is your influence upon the world?"

Another class most susceptible to influence is the stranger. "I want to tell you with all the enthusiasm and earnestness of my soul," declared Mr. Millson, "that there are too many people who walk in and out of our churches without anyone giving them the hand of welcome. Where should a fellow find friendship if he doesn't find it in the house of God? I venture to say that I could find a man within a short time who has been in this church a good deal and not five men in the church know who he is"

Mr. Millson then made a strong appeal to those out of Christ by pointing out that while a certain responsibility rests on the church, one also rests on the individual to come to a decision. God has put the desire into the soul and has given us the possibilities of acceding to that desire. It is a matter of making a definite decision and doing it within our own consciousness.

Only two more meetings remain in this campaign and it is hoped that they will be largely attended. Mr Millson's address this evening will be on "A Witness." He will also sing The service will be of special interest to young people and the Sunday school classes are asked to attend in a body. The meeting will also be helpful to others as well as young people

VETERANS REJECT IDEA OF FORMING POLITICAL PARTY

ARE IN FAVOUR, HOWEVER, OF DISCUSSING POLITICAL QUESTIONS IN THEIR LOCAL COMMANDS—BELIEVE DIRECT ACTION WOULD BE DISASTROUS AND FEAR EVEN DISCUSSION.

MAJORITY WAS LARGE

By a decisive majority the G. W. V. A. convention declared its approval of the Dominion executive in amending the constitution to permit the discussion of political questions in local commands, and rejected an an amendment, endorsing the Ontario referendum for political action and committing the provincial command to support it at the Dominion convention next week.

Some of the delegates contended that the whole question was out of order for the reason that the referendum had been in favor of political action. A. H. Peart was particularly emphatic in this view. Political action will carry at the Montreal convention despite what you do here, he predicted.

Most of the speakers during the 90-minute debate expressed the fear that the introduction of politics in the Great War Veteran' Association was a dangerous departure from the the course it had followed. They foresaw division of the ranks on questions which would fan old partizan feelings with the probable result of splitting the ranks.

The success in Riverdale, Toronto, in which Sergt.-Major McNamara was elected, was humorously balanced by A. T. Hunter's account of his defeat in Parkdale.

H. H. Hood of Kingston, related the success of the G.W.V.A. in the municipal elections last January, and B A. Devlin of London discounted that recommendation by the failure of the veterans in the municipal campaign in that city.

Many of the delegates affirmed the safest course was to formulate a progressive platform in the interests of the people as a whole and to endeavor to bring it into effect. It was even suggested that in a constituency that offered a good opportunity to elect a veteran that action there might be taken.

The resolution approving of the discussion of political questions was moved by J. Shute and seconded by T. C. Weatherhead of Welland, and the amendment for political action, was moved by I. C. Dunwell and H W. Marshall of Riverdale.

Mr. Shute said that the ideals of yesterday were the accepted principles of to-day and the ideals of to-day would be the accepted principles of to-morrow. He was an opponent of a separate political party.

"I maintain there is no class distinction to-day. What we lack is a distinction of character. Our organization is dammed for all time if we set up a political party. The great majority of our men were workers, either by brain or brawn."

Comrade Shute favored affiliation with the progressive thought of to-day.

Throw Constitution Away.

Comrade Marshall of Riverdale, recalled an experiment of his branch in which he said the constitution was practically thrown to the winds in the campaign for the election of Sergt.-Major McNamara last October. The name of the association was not mentioned, but the members worked individually for his election.

"All I want to see is the amendment changed in order that each branch can act in its own best interests."

The Politicians' Only Fear.

Delegate Peart, Hamilton, recalled that the last three conventions of the Ontario Command had been in favor of political action. "The only power we have is our threat to go into politics. The only threat that the politician is afraid of is the danger of losing his seat."

"Ninety per cent. of the G.W.V.A. are of the labor classes. I have no interest in machine politics."

Comrade Peart was on a top note when the President raised his gavel.

"Don't put the gag on me yet. The politicians seem to think that we are vulgar, lazy fellows coming back with only a desire to be idle. They can't realize our ideals because they have never been over there. They never can understand us. Political action will be carried at the Montreal convention despite what we do here. And I question our right to debate it here."

Action not Words.

H. Wilkes, Parkdale, asserted that political action could not be secured by loud talk in convention. His branh has sub-divided its electoral districts. The members are getting in touch with the people especially all the returned men, their wives and families.

C. E. Haight of Toronto, said that all questions that concern Canada concern us. I am absolutely opposed to going into politics as a party. We can however be politic. The first thing that we should do is to work, to be able to put our finger on each member. We can get results there.

Scientific Organization.

Comrade Haight illustrated his point with the accomplishment of the Prohibition Party in the United States, which working on a scientific basis and from the ground up, had developed a force that could elect almost whom they choose. In the same

GAVE AN ADDRESS AT THE COLLEGIATE

MOTOR BOAT TRIP FROM BELLEVILLE TO ORILLIA ON TRENT CANAL

Canada's natural resources were fully explained both in words and pictorially last evening in the Collegiate Institute Assembly Hall to a capacity house by Mr. D. W. Johnson of the Department of Trade and Commerce, who spoke under the auspices of the Local Council of Women and the I.O. D.E. of the city Mr. Johnson took his audience on a trip through the Dominion from coast to coast, incidentally showing the shipping and manufacturing of the different cities in Canada. In another film he showed a motor boat trip through Ontario from Belleville to Orillia with views of the Kawartha Lakes. He also showed pictures of making maple sugar in the old and improved manner His pictures of the national parks of the Dominion were especially interesting and gave a broad idea of the beauty spots of the country Mr A. Mowat occupied the chair.

MEMORIAL FOR NURSING SISTERS

TABLET WILL BE UNVEILED IN TORONTO.

Canadian Press

TORONTO, March 18. — A memorial tablet to the five nurses who gave their lives during the war will be unveiled by Matron-in-Chief McDonald, on March 20th, at the Parliament Buildings.

The tablet is the one erected to the nursing sisters at the Ontario Military Hospital, and has arrived at the Parliament Buildings and will be placed in position in a few days.

As far as possible all those who served on the hospital staff during the war have been invited to attend. It is hoped that Chief Matron Rayside, of the Militia Dept., Ottawa, and Matron Margaret Smith and Matron Morton, of Orpington Hospital, will be present.

NEWSPRINT TROUBLES IN THE CITY

TO-DAY'S EXAMINER CURTAILED TO EIGHT PAGES OWING TO NEWSPRINT SHORTAGE.

As intimated in our columns a week ago the newsprint shortage has struck the Examiner in earnest. We have been required to reduce the size of the paper to-day to eight pages, leaving out considerable advertising so as not to curtail the news matter to any extent We had exhausted every means to get paper from other offices. The Post of Lindsay and the Review of this city helping out to the best of their ability, and only for the fact that a small shipment reached Peterborough this afternoon for use to-morrow we would have had difficulty issuing to-morrow and not at all on Saturday.

However, with the arrival of the part car above referred to we have sufficient stock for a week, when we expect further shipments to have arrived.

CRUDE OIL ON FIRE IN MONTREAL.

(Canadian Press.)

MONTREAL, March 18. — Four hundred thousand gallons of crude oil blazed throughout the night at the plant of the Barrett Co., Ltd.

The whole fire-fighting force of the city was called out, and the blaze was successfully isolated to two tanks.

WHERE ACCURACY IS VITAL.

Girls! Your hair needs a little "Danderine"—that's all! When it becomes lifeless, thin or loses its lustre; when ugly dandruff appears, or your hair falls out, a 35-cent bottle of delightful, dependable "Danderine" from any store, will save your hair, also double it's beauty. Try "Danderine" and see!

CALEDONIAN CLUB UNVEIL WAR MEMORIAL TO FALLEN

A LARGE GATHERING OF THE PETERBORO SCOTS—MEMORIAL CONCERT AND UNVEILING PROCRAMME.

SCOTLAND IN CANADA

In presence of a large gathering of the Peterboro Scots and friends, the memorial to the fallen Peterboro Scots was unveiled in the Woodmen of the World Hall, last evening. Althought the "blast o' March wins" was very much in evidence, it did not prevent the members, wives and friends of the Peterboro Caledonian Club from coming out to honour and respect the departed soldiers, by being present.

Mr. Ed. G. Hardie, President of the Club, occupied the chair and in the course of his remarks outlined the details and reasons for such an occasion.

Memorial Programme

Mr. John Anderson, the well-known local tenor singer, was heard to advantage in "Fiona."

Miss Eastwood's rendering of "Rule Britannia", was appropriate for the occasion and had to respond to an encore.

"The Trumpeter" sang by Mr. John Smith, baritone, gave the audience something new and was a very suitable song.

In a sweet voice Mrs. Maurice Parks rendered 'Friend O' Mine' 'to perfection, and her encore, "Don't Cry", produced talent called to please an audience.

As per usual Mr. William Thomson entertained the company to the many humorous Scotch songs at his command.

The accompanist, Mr. George King gave great satisfaction to all.

Unveiling Progamme

Mr. S. Leith, on behalf of the Committee, related how the committee had it in their mind that although Peterboro was in Canada, there was no reason why they should not provide a suitable memorial and wherever Scottish men and women were to be found, no doubt; a satisfactory and appropriate memorial would be provided wherever they may be.

Rev. Mr. McKenzie of Knox Church in addressing the audience, said, no doubt, his voice would sound a little peculiar, owing to him having a slight cold, but he conveyed his message in a true spirit when he related how the Scotsmen had responded to the call of his native country to fight for freedom. Also, as to the various aspect of thought in regard to the choice of how the departed would like all to enjoy themselves and be of good cheer if they could have been present with us to-night. He complimented the club on having obtained a suitable memorial, which would be greatly appreciated in years to come.

Mrs. McKenzie came forward and unveiled the memorial shield.

Description of the Memorial

The memorial is in the form of a solid oak shield, surrounded on either side by gold gilt buttercup drops coming from the semi-circular gold painted casement containing the words "Peterboro Caledonian Club", in sanscrif letter, giving the memorial a true harmony of taste and workmanship. Mounted on the top is the Canadian Beaver and under the name of the club is the Scottish Thistle, both painted to suit the character of each subject. The following words proceeding the names runs as follows:

"In memory of the Peterboro Scots, who made the supreme sacrifice in the great war.

W. G. Affleck, Robert Burns, Alfred Black, Thomas C. Chalmers, James G. Hurry, William Hutchison, Sam McKinley, John McLeod, Harry Pearson, Robert Smith, William Smith, Andrew Thomson, Peter Smith.

"Greater love hath no man than this, that a man lay down his life for his friend."

The script on the top and bottom of the names is painted in old English letters and each name is gothic letters. The shield is fittingly finished by having three maple leaves at the bottom.

The memorial is a very handsome piece of handicraft specially designed and executed by the J. J. Turner & Sons, Co., of this city, who have shipped many of them as far west as they have done east.

Refreshments were served during the evening by the members of the club, and under the committee's service, everybody did justice to the good things provided.

The rest of the evening was spent in Carpet Bowling by the ladies present which brought many prominent players to view.

A dance will be held in Woodman of the World Hall, on Friday evening, March 26th., at 8 p.m. prompt. Tickets can be had from any member of the club.

CUTICURA HEALED ITCHING ECZEMA

On Little Boy's Face. In Blisters. Lost Sleep.

"My little boy had eczema on his face, and it caused itching and loss of sleep. The trouble began with red blotches, and his face got red, almost like raw beef, and then it broke out in blisters. The blisters broke and caused his face to become sore.

"Then I used Cuticura Soap and Ointment. In a short time all traces of the eczema were gone." (Signed) Mrs. Z. Alexander, Box 35, Trout Creek, Mont., January 21, 1919.

Make Cuticura Soap, Ointment and Talcum your daily toilet preparations.

Soap 25c. Ointment 25 and 50c. Sold throughout the Dominion. Canadian Depot: Lymans, Limited, St. Paul St., Montreal. Cuticura Soap shaves without mug.

FIUME CHILDREN ALLOWED IN ITALY

TRIESTE, March 15—Gen. Caviglia, Commander of Italian troops along the Fiume-Jugo-Slavia armistice line, has agreed to send children out of Fiume to Italian cities in smalll groups, beginning Tuesday. The food situation is critical.

Hair Often Ruined By Careless Washing

Soap should be used very carefully, if you want to keep your hair looking its best. Most soaps and prepared shampoos contains too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is Mulsified cocoanut Oil shampoo (which is pure and greaseless), and is better than anything else you can use.

One or two teaspoonfuls will cleanse the hair and scalp thoroughly Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get Mulsified cocoanut oil shampoo at any pharmacy, it's very cheap, and a few ounces will supply every member of the family for months.

DEBATE ON GRATUITY QUESTION

THE SESSION YESTERDAY AFTERNOON WAS FEATURED BY A SPIRITED DISCUSSION OF THE G.W.V.A. SCHEME—COMRADE M'NAMARA, M.P.P., ADDRESSED THE MEETING.

Comrade Harrison D. Williams, Indian delegate from Wapole Island branch, read an address on comradeship and other matters relating to the Wapole branch. "The Indian should be congratulated for surviving under the conditions under which he is compelled to live," said the dusky looking comrade. These conditions, the speaker continued, are unfair to the Indians. All went well until the British government turned over the care of the Indians to the Dominion government. The main object of the present Indian Act is to keep the Indian an Indian all his life.

"Shame," cried several of the delegates.

"Over three thousand Indians responded to the call during the war. Seventy-eight per cent. of the Indian population of Wapole Island enlisted for service in the great war. The Indian of to-day demands judgment and fair dealing. The Indian should be allowed to live in terms of to-day and not in terms of forty or fifty years ago.

Comrade Williams' remarks were cheered to the echo.

Comrade H. E. Green, Oshawa, seconded by F. Turner, Ottawa, moved a resolution of thanks for the able manner in which the Indian problem had been presented by Comrade Williams.

A committee was named to draft a resolution memorializing the Dominion government to give the Indian soldiers the same privileges as the white soldiers.

Stand by Principle.

Comrade J. McNamara, M.P.P. for Riverdale constituency, was asked to address the convention. The speaker made an appeal for unity. "Stand by your principle to protect this country as you stood behind them in Flanders. Keep out of politics as a soldier body or they will brand you as they did the farmers in the House yesterday," said the khaki clad speaker.

Speaking of the gratuity scheme Comrade McNamara said he had been accused of runnig on a two thousand dollar gratuity ticket. This he branded as a falsehood. He said he was not so much opposed to the two thousand dollar gratuity scheme as he was opposed to the principle as represented in the Calgary resolution.

Re-establishment Debate.

The special committee reporting on the soldiers' re-establishment question endorsed the G.WV.A. soldiers' re-establishment scheme as submitted to the Dominion government in October, 1919, together with an amendment eliminating the questionaire on page 10 of the report. The questionaire removes the need for proof of the applicant's financial standing and other personal questions required to be answered, as the scheme was originally drafted. The convention took it for granted that every man who served during the war was entitled to the gratuity on the basis of service.

Comrade C. E. Wilson, Toronto, in presenting the scheme to the convention, did not offer it as a perfect solution, but one that could be safely accepted by the convention. It is a re-establishment scheme not only for the soldier and dependents, but for the country as well, said Comrade Wilson. It is not a cash compensation. At Ottawa we had the spectacle of the government saying no until inundated with telegrams, following which a parliamentary commitee was appointed. Several phases of our scheme have been adopted with good results. The government claimed to have no money for the soldiers, but shortly afterwards they found money for the Grand Trunk railway. Mr. J. H. Burnham, M.P., brought forward a resolution in support of a re-establishment scheme, said the speaker in commendation of Mr. Burnham's effort to help the soldiers.

Proving the Need.

Proving the need is the safeguard of the scheme. In many cases many men who returned in 1914 or 1915 had a better chance to re-establish themselves than oither men who were away for a much longer duration. Another feature of the scheme is that the money is spent in Canada. We have put the responsibility up to the government and I hope we will not rest satisfied until every man has been justly dealt with.

Comrade J. C. Dunwell, Riverdale branch, Toronto, also approved of the G.W.V.A. re-establishment scheme. The speaker said it was up to the government to find the money. He had no doubt of the success of the scheme.

The Calgary Resolution.

Comrade A. H. Peart of the East Hamilton branch, mover of the clause removing the questionaire from the G. W. V. A. scheme, was the next speaker. He referred to the Calgary resolution which he regarded as a failure. It was apparent from the start that the government had no idea of accepting such a scheme. The questionaire, said Comrade Peart, should be cut out because it is unnecessary to have a man swear his life away in order to get what has been characterized as a "dole." In New Zealand, gratuity is paid according to the number of children possessed by the soldier. We claim it is none of your business what we are going to do with the money We have earned it. We should have unity in our ranks. There are several other schemes in the air. We should stick by our resolution and present it to the proper authorities. The speaker quoted gratuity figures for New Zealand, Australia and other countries, which he claimed were much higher than in Canada We have been too easy with the authorities at Ottawa We should take our gloves off and go to the government in the right way, said the speaker in conclusion.

Comrade Hope of East Hamilton, endorsed Comrade Peart's remarks in a spirited address. "Let us vote solidly on the G.W.V.A. scheme." said Comrade Hope.

Comrade J. W. Hagie, of Kitchener, moved that the gratuity scheme be placed on a monthly basis. This he considered more fair to the men who have been overseas. The questionaire, said the speaker, places the gratuity applicant in the position of seeking money as a pauper would apply for assistance.

Board Not Necessary.

Comrade C. D. Morgan, Beaches branch, Toronto, could not see why a Board was necessary to distribute the gratuuity. The discharge certificate should be sufficient to meet the needs. A Board would be a burden to the country, and as we all know, be productive of considerable and unnecessary red tape.

Objected to Gratuity.

Comrade Warburton, of Kingston, declared that the need of the soldier is re-establishment and not gratuity. "I do not think," said Comrade Warburton, "that we are entitled to anything more than we have already received. When we enlisted we were entitled to our pay and rations. That is all we are entitled to. Belgium soldiers received no gratuuity, and it is a matter of record that Belgium has made the quickest economic recovery of any country involved in the war. The fact that New Zealand or Australia pays a gratuity has nothing to do with us. What we want is an adequate form of re-establishment. If the needy clause is struck out the first people to apply for gratuity will be the brigadier-gennerals, colonels and other officers.

Three Classes.

I regret to say there are three classes of returned soldiers: continued Comrade Warburton.

The first class wants two thousand dollars gratuity, but does not need it.

The second class needs assistance, but the government has made a feeble attempt to supply that assistance.

The third class needs it, but what would they do after it was spent?

The Rank and File.

Comrade J. Hossacks of Westboro, declared the man who has been overseas is in imperative need of a re-establishment gratuity. The soldier members did not do very much to help the scheme. The rank and file are the life of the association and they are the men who will keep it alive.

Comrade J. B. Bateman-Jones, of Cobalt, made a strong claim for the gratuity scheme. He urged the members to back the scheme and eliminate the questionaire. "We may be called radicals and Bolsheviks, but we are sincere," said the northerner.

A United Front.

The G.W.V.A. scheme has the solid support of Mount Dennis and that means a lot, said Comrade R. C. Armstrong, whose brogue revealed his Scotch nationality. The questionaire in the G.W.V.A. scheme makes us feel as though we are members of the Salvation Army instead of the C. E.F.

We must and should present a united front. Belgium is a poor place to go for a comparison. Any community has its dregs; any good glass of wine has its dregs."

Mr. C. E. Haight, of Central branch, Toronto, attributed the failure of the scheme to lack of publicity. There have been too many complications in the scheme. We have not been sufficiently united in this matter.

Equal Sacrifice.

Comrade J. Withers, Brantford, said the Brantford branch was in accord with the G.W.V.A. scheme. "It has been said that some men came back in 1915. For that matter no man made more of a sacrifice than another," said Comrade Withers.

Comrade J. Rigby of Ottawa, declared that the Ottawa branch had always been behind the G.W.V.A. and its basic scheme for re-establishment.

Comrade M. M. Hood, Kingston, brought a mandate from the Kingston branch to support the G.W.V.A. scheme. "We do not believe that we ought to commercialize our patriotism. The Kingston branch was desirous of having the need for re-establishment proven," said the eastern delegate.

Convention Had a Laugh.

President E. E. Jeakins read a telegram from Mr. J. H. Burnham, M.P., Ottawa, which stated that "Sir George E. Foster had agreed to appoint another committee to further consider the claims of the G.W.V.A." This brought a roar of laughter from the convention.

Comrade G Whitworth of St. Thomas, advocated the adoption of the re-establishment scheme as proposed by the G.W.V.A.

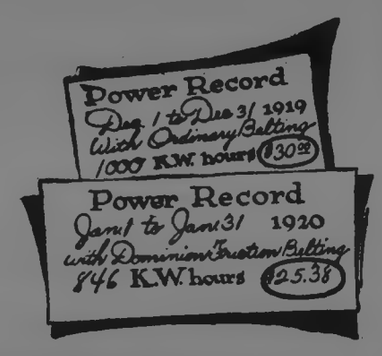
"There is no reason why ninety-nine men should suffer for the sins of one man who abused the privileges offered by the G.W.V.A. scheme."

Comrade Whitworth was of the opinion that greater publicity should have been given the scheme.

Windsor Man's Experience.

Comrade R. H. Harrison of Windsor, said he would not consider himself paid in full if he received a cheque for two thousand dollars. When he enlisted as a full buck pri-

(Continued on Page 5)



Belt Efficiency Lowers Power Cost

Do you know how many drives in your plant are wasting power? There are a number in most every plant. Each one a leak that is helping to create a stream of lost production dollars. These leaks are called pulley slippage, idle machines, idle employees, spoiled material, undersized belts, poor fabric and worse construction.

Dominion Friction Surface Belting

will place your transmission equipment on the nearest possible approach to 100 per cent. efficiency that you may ever expect to obtain.

Dominion Friction Surface Belting is not merely rubberized fabric. It is saturated with a special friction rubber compound, which makes it water-proof, vulcanizes the fabric plies together, and practically eliminates all slipping on the pulleys—whether it is used on main drive, inter-shaft or machine.

Dominion Rubber System Belting Engineers, after thoroughly studying your requirements, without cost to you, will specify the correct belt for each given purpose that all power waste may be eliminated—that idle employees may be forgotten, and that your production may be brought to the greatest volume possible with practically no increase in overhead.

Your Most Important Deal

When a man applies for Life Insurance, he is taking up the most important deal of his life, for, presumably, he will not be here when it is settled.

How important then that he select the best obtainable.

The record of the SUN LIFE of Canada for the past 49 years of its existence, has been an unbroken march of progress obtained through square dealing, and the past year has surpassed all others with its assets of over ONE HUNDRED MILLION and Income of TWENTY-FIVE MILLIONS and surplus on Government Standard of over TEN MILLIONS. Where can you find its equal?

Is it not to your interest therefore to place your Life Insurance with the Sun Life of Canada?

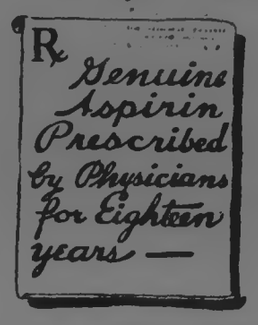
ONLY TABLETS MARKED "BAYER" ARE ASPIRIN

Not Aspirin at All without the "Bayer Cross"



The name "Bayer" identifies the genuine Aspirin, prescribed by physicians for over nineteen years and now made in Canada. Always buy an unbroken package of "Bayer Tablets of Aspirin" which contains proper directions for Colds, Headache, Toothache, Earache, Neuralgia, Lumbago, Rheumatism, Neuritis, Joint Pains, and Pain generally. Tin boxes of 24 tablets cost but a few cents. Larger "Bayer" packages.

There is only one Aspirin—"Bayer"—You must say "Bayer"

Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monoaceticacidester of Salicylicacid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

"Peterborough Presents Possibilities Unsurpassed."

THURSDAY, MARCH 18TH, 1920.

CURBING THE ORATORY.

Although there is not the slightest chance that his resolution will be carried Levi Thompson, member for Qu'Appelle deserves credit for endeavoring to curb the flow of oratory in the House of Commons. Mr. Thompson's resolution which will be placed before Parliament today sets forth that "in the opinion of the House it is desirable that the rules should be so amended that a limit may be placed on the time that may be taken by members in addressing the House and that a Select Committee be appointed to inquire and report upon such an amendment." The resolution is a step in the right direction. There is to o much time wasted in debating questions of little or no importance. Men with nothing to say, take a couple of hours to say it. Issues that would be for better left buried are dug up and discussed at boring length and the same arguments are used over and over again, filling Hansard with page after page of repetitions. Mr. Thompson's move to shorten the speeches in the House will be popular with the newspapers and with the country generally whatever reception it may get from Parliament. Many of the addresses could be cut in two with benefit to the speakers and their auditors and many more would be better unsaid. But it is hoping too much to believe that the resolution of the member from Qu'Appelle will be endorsed.

AN INSPIRING ADDRESS.

The high standard reached in the address of President Jeakins of the Great War Veteran at the Provincial convention yesterday should disabuse the minds of many citizens prone to make snap judgments, of the idea that the majority of returned men are of the same type as Serty. Flynn of the United Veterans' League. It was an inspiring message that revealed the aims and object of the G. W.V.A. in their real light. "The G. W. V.A. would proclaim to the citizens of the Dominion" declared the President, "that its members, bound together as they are by the strongest bonds of blood-welded comradeship, will do their utmost to prevent the spread of such Bolshevistic principles, as well as positively assert that their Association is an association governed by moral ideas which place justice, honour, right, goodwill and brotherhood amongst the things of life that are worth while." That declaration of principle is an effective answer to those who cannot differentiate between the ideals of the G.W.V.A. and the selfish aims of other organizations of returned men. Rev. Mr. Jeakins address was straightforward and from the shoulder and his frank handling of contentious subjects was impressive. For instance he did not hesitate to comment on the defeat of a number of soldier candidates in municipal elections, pointing out that "the returned soldiers' button in itself is no criterion for capability of service in the governing councils of our lands." "It is folly" he added "to try and fit a round peg into a square hole. The cure for this attitude is that the members of the G.W.V.A. should realize that they are, first of all, citizens of this country and returned soldiers second, using that last only to forward the first.

CANADA'S NATIONAL GAME.

The movement under way to revive the grand old game of lacrosse in Peterboro this season will undoubtedly be hailed with pleasure by the many old time enthusiasts in the city who in recent years have mourned the absence of Canada's national pahtime and have signed for the halycon days when many of the staid business men of the present era used to carry the gutted stick with skill and cleverness in glorious battles with the athletes of other communities. Lacrosse is a magnificent game that develops strength and manliness and self control. In the days when the game flourished everywhere it made healthier men and better Canadians of those who took part in the pastime, and it has been a source of deep regret that gradually its prestige has been undermined by the American game of baseball. The influence of manly sports upon a nation cannot be over estimated. If Waterloo was won on the playing fields of Eton, then it is equally true that the invincible resistance of the "contemptible little army" at Mons was made possible by the spirit developed on the football field and the cricket crease of old England and that the dash and courage of the Canadian troops was partly at least due to the development of the fighting instinct in the vigorous sports of the Dominion, particularly lacrosse and hockey and rugby football.

The campaign to bring lacrosse back to its old standing in Peterboro should receive every encouragement. While it is true that the glad days when every merchant closed his store and a half holiday was declared for every important lacrosse game are gone for ever yet something of the enthusiasm and interest of those times should be sought.

EDITORIAL NOTES.

"Passing the buck" to the Provincial Legislatures will not furnish a solution of the eight-hour day question. In Ontario for instance Premier Drury declares that his Government does not propose, to be stampeded over this issue.

The new Legislature shows no improvement over its predecessors in the matter of the debate on the address from the Throne which continues to drag along in the same old tedious way it always did.

BEWARE OF TENDER GUMS

Unhealthy soil kills the best of wheat. Unhealthy gums kill the best of teeth. To keep the teeth sound keep the gums well. Watch for tender and bleeding gums. This is a symptom of Pyorrhea, which afflicts four out of five people over forty.

Pyorrhea menaces the body as well as the teeth. Not only do the gums recede and cause the teeth to decay, loosen and fall out, but the infecting Pyorrhea germs lower the body's vitality and cause many serious ills.

To avoid Pyorrhea, visit your dentist frequently for tooth and gum inspection. And use Forhan's For the Gums.

Forhan's For the Gums will prevent Pyorrhea—or check its progress, if used in time and used consistently. Ordinary dentifrices cannot do this. Forhan's will keep the gums firm and healthy, the teeth white and clean. Start using it today. If gum-shrinkage has set in, use Forhan's according to directions, and consult a dentist immediately for special treatment.

35c and 60c tubes in Canada and U. S. If your druggist cannot supply you, send to us direct and we will mail tube postpaid.

FORHAN'S, LTD., Montreal

Forhan's FOR THE GUMS

17TH MARCH CONCERT

On o previous occasion have citizens of Peterborough more ably demonstrated their talent than in the presentation last evening by St. Peter's Dramatic Society of the new Irish-American comedy drama, "On the Level," written and arranged by George F. Lynch.

The plot was undoubtedly clever and the play well staged, and the sentiment, which in every scintillating line bespoke of troubled Ireland, was admirably suited to St. Patrick's Day.

The Story.

The story of the play, the action of which covers a period of three days, is of Mrs. Dolan, an Irish lady whose husband some sixteen years previous had left for America to seek his fortune in the oil fields. With no word from Mr. Dolan she had faced the world in reduced circumstances, living with her only son, Gerald, her adopted nephew Master Robert Desmond and Molly Casey her maid.

During the year 1912 Bill Davis, a wealthy prospector and mine owner, visits Ire land with the object of finding his partner's, the missing Dolan's, relatives, bringing with him Breen, a detective from New York, to assist him in his quest and in pursuing the object of his visit meets Mrs. Harrington, a beautiful and wealthy widow. By cross-examining Jerry Maloney, the jealous-minded admirer of Molly Casey, Breen locates Mrs. Dolan, and with the assistance of Helen Fitzgerald, Gerald Dolan's sweetheart, also succeeds in rounding up Frederick Richmond, an enemy of the Dolan family, through whose infamous plotting Mrs. Dolan had been prevented from receiving word from her husband, who is now, she learns from Davis, dead, while she is the heiress of his huge fortune. It also develops that Gerald's dismissal from the bank undr the shadow of suspicion is due to the cunning plotting of Richmond, who in the end confesses, but insists that his action was based upon a spirit of adventure.

The Characters.

Each of the parts were admirably acted, all taking part showing a marked histrionic ability. In the character of Breen, Mr. George Lynch, who was greeted with applause, made a big hit, adding to his already enviable reputation as an amateur actor. Miss Agnes Murray, Miss Genevieve O'Heron, Miss Maud Leahy and Miss Anna McGuire, who took the parts respectively of Molly Casey Helen Fitzgerald, Mrs. Harrington and Mrs. Dolan, were extremely clever, each being free from the self consciousness which too often marks the amateur. Mr. James O'Brien as Jerry Maloney, made a splendid Irish lover, whose jealousy leads him into all manner of complications, and brought down the house with his step dancing, which was introduced as a feature of the play Mr. Cecil Wolff in the part of Frederick Richmond, made a most convincing villain while William Collins as Gerald Dolan, formed an admirable contrast. As Darby Rooney, the Irish coachman, asking everyone to "tread on the tail of his coat," Mr. Tim Dineen left nothing to be desired and handled the part he played in an exceptionally clever and convincing manner. Mr. Egbert Kelly's delieation of Bill Davis the prospective mayor of Walla Walla and wealthy mine owner was excellent.

A feature of the play was the really talented acting of Master Gregory Wolff as Robert Desmond. The little fellow knew his part and he knew how to play it never stumbling or needing prompting throughout the action of the play.

Presented Bouquets.

At the conclusion of the play each of the young ladies and Gregory Wolff were presented with huge bouquets, the gifts of admiring friends.

Clergy Present.

The clergy present in the crowded houses were His Lordship Bishop O'Brien, Dean McColl, Rev. C. J. Phelan, Rev. Paul Costello, Fathers Cantillon, Meagher, of Lakefield, O'Gorman, John O'Brien, McGuire, Cote and McCarthy of Norwood.

Executive Staff.

DESERTER IS CHARGED WITH BRUTAL MURDER

Said to Have Killed Trapper With Axe in the North.

TORONTO, March 17.—Joseph Arthur Currie, alias Walker, was brought to Toronto from Windsor by Provincial Inspector Storey of Sudbury and Constable Smith. Currie is charged with the murder of Michael Donoghue, a trapper, who lived in a shack near Crerar on the C.N.R., and who was killed in January. The trapper's head had been beaten with an axe. Currie is stated to have confessed to the crime and to have also stated that he robbed the body of $250, and went to Montreal, where he was robbed of $200. Thence he beat his way to Toronto and on to Windsor. Currie is also a deserter from the C.E.F.

Atlantic Passenger Fares Will Be Further Increased

LIVERPOOL—A further surcharge of 13 1-3 per cent. in passenger fares has been decided upon by the North Atlantic steamship companies, according to The Liverpool Post.

The increase in the cost of a voyage to America since July will now amount to 33 1-3 per cent.

PILES Do not suffer another day with Itching, Bleeding, or Protruding Piles. No surgical operation required. Of Tweeds, Homespuns and Jerseys Are The New Knock-about Suits

Rain or shine they are ready for anything, from airing in the park or marketing or other general utility wear for which a sturdy little suit is meant.

The materials are favorable to hard wear, while the style is youthful in the simplicity of patch pockets, bone buttons, good fitting shoulders and sleeves. They are attractively priced at $49.50 and $62.

Fashions Most Favored Effects in Millinery

Cellophane In a Leading Role

Cellophane, which is really celluloid in disguise, has a stellar role in the season's Millinery. Beaded effects on net foundations form the shiny bonnets which so smartly accompany tailleurs and street frocks. Glistening little colored flowers fashioned from Cellophane add greatly to hats of straw. Everyone wants some touch of this brand new material.

What Is Spring Without a Sailor?

Something to pin a veil on and step smartly out in a brisk breeze, to wear with one's street things or sports togs and feel securely and well dressed, that's a Sailor. The strictly plain, mannish Sailor and many pleasant variations may be had in pine-apple, Milan and other straws in all desired smart shades.

AT OUR LADIES' SHOE SHINE STAND

you can have the colored tops of your shoes cleaned and also your colored leather shoes dyed black, if you leave them with us, and prompt delivery will be made. It is located on 2nd floor adjoining the Ladies' Shoe Department.

G.W.V.A. RESOLUTION OFFENSIVE TO TRADES AND LABOUR COUNCIL

PROPOSED BY NOVA SCOTIA PROVINCIAL COMMAND FOR DOMINION CONVENTION—RECOMMENDS LEGISLATION AFFECTING RIGHTS OF ORGANIZED LABOUR.

HOW COUNCIL WOULD CENSOR IT

"And be it further resolved that in the event of organized Labour pursuing illegal and unconstitutional methods, the G.W.V.A. will consider it their right and duty, as Canadian citizens to oppose and assist to repress such illegal and unconstitutional methods."

This clause of a resolution of the Nova Scotia provincial command of the G.W.V.A. to be introduced at the Dominion convention of the Veterans in Montreal next week with the recommendation to the Federal Government that it be adopted as legislation proved probably the most objectionable to the Trades and Labour Council last night as they discussed the entire resolution, to which they suggested several amendments.

President A. J. Bolwell informed the Council that a copy of the resolution had been handed to him yesterday by a delegate to the Ontario convention for an expression of Labour's opinion upon its contents and import. He understood that it would be submitted to the Ontario delegates this week.

Scope of Resolution.

The clauses were as follows:—

(1) The right of Labour to organize;

(2) Recognition of organized Labour and its right to negotiate with its employers;

(3) The right to strike within the constitutional authority of Canada;

(4) All Labour organizations to be incorporated;

(5) All contracts between employers and organized Labour within the constitution of Canada shall be binding on both parties;

(6) Reasonable trade tests for candidates to Trades Unions for the protection of the public from incompetence and inefficiency;

(7) In order for a strike to be legal it shall be necessary for the majority of the employees affected to give their approval;

(8) Such legislation should not circumscribe the objects of Labour or the direction of its policies but should regulate its methods.

Were Uncertain at First.

"There is nothing on our books against constitutional law," declared one delegate who proposed that the Labour Council take no action whatever but await the decision of the G.W.V.A.

Other members saw the hand of the capitalist in the writing of the above clauses, but some pointed out that a large number of the Veterans were members of Trades Unions and would be the first to oppose the restrictions this resolution would place upon Labour. Suspicions of its underlying motive were not dispelled by the broadest interpretation of the resolution, and the Council instead of standing aloof from the Veterans concluded that the wisest course was to indicate to them their attitude toward the offending clauses and the reasons for Labour's disapproval.

The Council's Action.

The first two clauses were obviously acceptable. The third that Labour should have the right to strike within the constitutional authority of Canada was amended to "the right to strike within the constitution of the International Unions."

"We don't know what the constitutional of Canada is" said one member; another questioned Hon. Mr. Doherty's knowledge of it, and a third suggested that this clause be suspended until Canada obtained a constitution.

The fourth clause requiring incorporation of Unions was struck out.

The fifth was altered to the effect that contract between employers and Labour within the constitution of the International Unions shall be binding on both parties.

"This clause as it stands would put a stop to direct action" was one comment. "The sanction of the Internationals is sufficient."

The sixth requiring tests for apprentices was elided, for several reasons. The tests would be made by the employers it was believed and that method was fraught with danger to Labour's interests.

The seventh clause is already in effect in all Unions.

Number eight was regarded as the most offensive, and was cordially condemned together with the ninth quoted in the introduction above.

The inspiration of the resolution as a whole deeply intrigued the Labour men.

"This means nothing but coercion of the working man, if it was in force. It would be worse than slavery" was one opinion.

Its spirit was dictatorial to Labour, another delegate commented, and in regard to possible action by the War Veterans it was believed that although a great number of their members belonged to Trades Unions, others had no sympathy whatever for organized Labour.

Mr. Bolwell announced that he would return the G.W.V.A. bulletin to the delegate who had given it to him and would explain the objectionable features of the clauses which the Council has disapproved or amended.

TORONTO DELEGATE SOLVES ONE PHASE OF THE HOUSING PROBLEM

LAST NIGHT'S SESSION OF THE CONVENTION PRODUCES INTERESTING DISCUSSION OF HOUSING ACT—MAKES PROFIT ON FIVE-ROOMED HOUSES.

On the matter of state insurance, Comrade Miller of Sarnia, urged paying particular attention to the protection of men suffering from tuberculosis and other diseases, the outgrowth of their war-serving.

A committee of members, preferably with some insurance men on it, was suggested to look after this question, and the following committee was appointed, with Comrade Coles as chairman: Comrades McPeep Hood, Sharpe Withers, Conroy.

The president requested the committee to refire.

Housing Problem.

A resolution was read from the Ottawa branch, having been referred to the convention by the Housing Committee dealing with the Federal Housing Act.

The resolution, or rather clauses in the resolution, for there were some 12 of them, were read.

Different opinions were expressed on the matter by the delegates. One of the delegates urged the necessity of controlling exportation of lumber and building materials, and prices, if possible, in order to make building costs less prohibitive.

Endorsed Act.

Comrade Hutchins of Brantford claimed that the Housing Act was the best that could be desired if it was workable, but he said that the payments were too large and the loans to either civilians or soldiers to build not large enough. "A working man cannot meet the payments on 40 or 50 cents an hour," he said.

Clause 1 of the resolution "that a recommendation be made to the Federal government for the enactment of the Federal Housing Act, aroused much discussion. The concensus of opinoin seemed to be that the housing scheme is all right but needs amending and improving.

Comrade Spades of Central Hamilton urged the lessening of the initial payment so that those in straightened circumstances or a man with a mortgage over his head could purchase a home.

Scarce in Kingston.

Comrade Warburton of Kingston, dwelt on the scarcity of houses in the Limestone City. "Anything to allay the housing problem will be welcomed. The great stumbling block has been the cost of construction.

Comrade Pierce showed up another phase of the problem when he asked "if it would not be a slap in the face for the Provincial Command after they had been largely responsible for a Provincial Act to ask for a Federal one." He suggested that the provincial government be asked to amend it.

Several complaints about the Act were made by Comrade Marshall of Toronto, who claimed that the way the scheme was carried out made it impossible for a man to meet requirements and Comrade Bateman reiterated his words stating that the returned soldiers had been unable to take it up and the number who did were almost negligible while their need was greater than others.

Made a Good Profit.

Comrade Payne of Toronto, broke in rudely on the discussion, refuting the statement that there was no money in building the houses. "I have been building five roomed houses and selling them for $3000 and making a darned good profit beside" he added. Graft, poor administration and other evils were charged as the reasons for the high cost of the housing scheme.

An amendment to the motion that the resolution be accepted asked for a committee of experts to go into the matter fully and see what could be done to further better administration of the act.

Comrade J. Shute of Brantford, termed the housing problem "one of the most vital questions confronting us as a nation," and impressed the need for good homes for the children.

"We are here to legislate. Why can't we do it. Sending the question back to a committee will not help any and only be wasting time," said Comrade Wilcox of Oshawa.

Comrade Turner of Ottawa, maintained that the entire problem should be under the Soldiers' Settlement Board, and upheld the resolution, asking for their approval of it.

President Jeakins commended the suggestion of a committee. The immensity of the plan was referred to. The Provincial Command went into it fully and it was largely through their efforts that the act came into being.

The amendment carried and the following committee was appointed to convene to-morrow morning at 8.30 o'clock: Comrade Ambrose, of Central Hamilton, Comrade Payne of West Toronto, Comrade Turner, of Ottawa; Comrade Whiteworth of St. Thomas; Comrade Ford of North Toronto, Comrade Strayner of Winchester; Comrade Leslie of St. Mary's and Comrade Wilson of Port Arthur.

DEBATE ON GRATUITY QUESTION

(Continued from page 3.)

vate he was earning in the neighbourhood of five thousand dollars a year. While overseas, surplus money was used for family needs and his insurance lapsed. Comrade Harrison subsequently received gratuity to the extent of $600, which he put to good use. After his return he was turned down as a poor insurance risk. Clause five in the scheme would debar good Canadian citizens living in Detroit and other American cities from participating in the gratuity scheme," said Comrade Harrison.

Comrade S. Fraser, North Bay, favoured a propaganda scheme. "The Comrades do not understand, and the public generally do not understand, the aims and objects of the scheme," he said.

American Veterans.

Comrade Peacock of Windsor, said he represented three or four hundred Americans who fought in the great war. He could not go back without presenting their claims.

A Blind Veteran.

Comrade Shute of Brantford, a blind veteran, asked if there was ever any need of a man who was robbed having to appeal to the robber to return what he was robbed of because he was in need. We have got to get together, eliminate the non-essential and work for the common good.

Word For the Widows.

Comrade W. Q. Miller, of Fort William, said he not only represented the comrades of Fort William, but also the widows and dependents. "The widows of fallen comrades are in a worse condition than anyone," said Comrade Miller. He cited a case of one woman in Fort William who was in the habit of telephoning the Fort William branch for soldiers' widows to go out and do their washing.

"No Good Men."

Comrade S. C. McKidney, of Clinton, said that now the veterans are agreed on a policy they should keep a proper perspective and not overlook the widows and those in hospitals who are not in a position to talk as the delegates were placed the percentage of "no good men" at five per cent or less.

Comrade H. O. Wright, of Woodstock, said there has been too much publicity. The speaker said he knew there were black sheep. "There are black sheep in every flock," he declared.

Comrades J. L. Mills of Sarnia, L. Evans of Galt, J. H. Rawlinson of the Central branch, Toronto, H. Davidson of Riverdale, R. Payne, Toronto, and others also spoke in endorsation of the gratuity scheme.

Comrade S. Whatley of the Peterborough branch, arrived after the debate had closed and was ruled out of order by President Jeakins.

Party Line Consideration

A two-party line is a single circuit, shared in common by two subscribers. It is not reserved for a single user and should be used on the share-and-share alike basis.

On a two-party line, it is possible for both users to try to talk out on the same circuit at the same time. There is also the liability of both being wanted at the same time to receive incoming calls.

Therefore, there are certain considerations which we urge a party-line user to keep in mind.

1. *Long conversations prevent the use of the line by the other subscriber; therefore party-line talks should be as brief as possible.*
2. *Whenever another party-line subscriber requests the use of the line for an emergency, courtesy should prompt the first user temporarily to give up the use of the line.*
3. *Whenever a party-line subscriber takes the receiver from the hook and finds the line in use, the receiver should be replaced at once in a careful manner.*
4. *At the end of a conversation the receiver should be replaced upon the hook immediately, otherwise the other subscriber cannot signal the central office.*
5. *Be sure always to give the operator the letters W or J in calling a party-line subscriber.*

Co-operation is required to ensure good service of any kind.

ALD. CROWE'S ACTION APPROVED BY TRADES AND LABOUR COUNCIL

FOLLOWED A PRINCIPLE LAID DOWN BY ORGANIZED LABOUR FOR THE EQUALIZATION OF SALARIES—SAID FIREMEN WERE TREATED WELL.

MEAT SHOPS SHOW LABEL

Ald Crowe replied to his critics of the Firemen's Union at last night's meeting of the Trades and Labour Council, giving a lengthy review of the position he had taken in regard to civic salaries and showing that he had tried to apply it to the city's entire pay roll. The Council approved his action and commended him especially in his effort to secure the equalization of wages.

None of the firemen's delegates were present last night and Ald. Crowe stated that while the reflections upon him had been made in his absence he preferred to reply directly to the firemen.

Ald. Crowe read the first letter Fire Chief Grange had addressed to the Council on the salary question, quoting a sentence that the increase asked for by the department was required to meet the cost of living. He then decided that, since it cost one fireman as much to live as another, $200 to each member of the department would be equitable and fair.

"They can't blame me for taking them at their own word," said Ald. Crowe, "and if there was any wrong impression it was they who left it by that letter."

He denied absolutely that he had suggested in the City Council that an increase of $100 would be sufficient for the firemen. He considered that they were being well treated, and were well paid. Most of them couldn't earn their present salaries at any other work. They weren't required to spend a long apprenticeship, and any practical man could soon make a good fireman. The average number of calls was one every three weeks, and yet the firemen said they were always under a strain which the platoon system had not lessened, although the firemen assured the Council last year that the two shifts would be of great relief and benefit to them.

In support of his contention that Peterborough's firemen were well paid Ald. Crowe stated that in Sherbrooke practically the same size as Peterborough, the Chief received $1,500, Captain $1,200, Lieutenant $1,144 and the men $1,066.

In Belleville the Chief was paid $1,230, Assistant Chief $1,080, drivers and regular firemen $1,020; in Brockville the Chief $1,500, Captain $1,150, Lieutenant $1,125, Firemen $1,100.

"I don't want anyone to think that because I am a Labor alderman I am going to be made a tool of," Ald. Crowe concluded. "That principle is not right I want to see that everyone gets a fair deal and I believe the firemen have got it. I have also a responsibility to the ratepayers as a whole.

Organization Committee.

The Trade Council's Organization committee will meet next Monday night at 8 o'clock.

Fair Meat Dealers.

The Meat Cutters reported the following retail shops using the Union label: N. E. Stabler, J. Howland, T. J. Brooks, R. A. Castle, Fitzpatrick and Geraghty, James Grady, Fred Taylor, Robert Dale, Wm. Kemp, City Meat Market, J. W. Edwards and John Mervin.

Revive Builders' League.

A delegate of the Electrical Workers stated that some of the electricians in a few of the uptown shops had not joined the Union. It was believed that if the Union carpenters, labourers, bricklayers and other builders would refuse to perform any work over that of the hold-out electricians the effect might be salutary. Co-operation of this kind should close up the ranks. An effort will be made to revive the Builders' League for the benefit of all the unions that had affiliated with it last year.

"Some of our best men with the Hydro-Electric were removed simply because they were union men," said a delegate of the Electric Workers. "He could never get his job back, and I think the Labour aldermen should try to see that no discrimination of that kind should be permitted."

YOU WILL NOT GET THE "FLU"

If You Build Up Your Run-Down Condition

It Attacks People Who Are All Worn Out, Anaemic, Devitalized and Weak

Strong People Never Get Influenza

During every epidemic it is always the weak, run-down, overworked, devitalized men, women and children who so quickly fall a prey to the ravages of disease.

When, therefore, an epidemic is prevalent why not use a little precaution and build up the tired out, run-down over-worked, devitalized members of your family by giving them VINOL.

There is nothing that acts so quickly as a tonic reconstructor. It makes red corpuscles, enriches the blood, quickens the circulation, sharpens the appetite, promotes sound sleep, and imparts strength, vitality and energy to every organ and muscle in the body.

Your physician recommends VINOL and your druggist agrees to return your money if it fails to benefit.

For all run-down, nervous, anaemic conditions, weak women, overworked men, feeble old people and delicate children there is no remedy like VINOL.

WOMEN WILL RUN IN MANITOBA

(Special to The Examiner.)

WINNIPEG, Man., March 18. — Women's organizations are arranging to run women candidates in every constituency in Winnipeg at the forthcoming elections for the Manitoba legislature. Announcement to this effect was made by Mr. Paulley, secretary Provincial Educational League. A mass meeting to which every woman in th city is invited, has been arranged to take place Wednesday evening, March 31 in the Board of Trade building to further the proposal.

What Women in Their "Forties" Need

BY A SPECIALIST

Many women approach the critical changing period of their lives that comes between the ages of forty and fifty, unmindful of its tremendous importance to their future health and happiness. Not understanding the functional changes taking place in their bodies, they work beyond their strength, often break down, becoming nervous wrecks, their bodies suffering with fatigue and their weakened nerves trembling at every step. Often in their weakened condition capillary hemorrhage becomes excessive this added drain compelling them to take to their beds from nervous exhaustion.

What these women need is something that will instantly relieve the pressure on the overworked nerve centres and give them the vitality to stand up under the gruelling strain. Wonderfully effective results are often given in such conditions by the simple use of Ferro-Peptine, a skillful combination of six of the best nerve vitalizing elements known to modern chemistry. These little tablets contain no dangerous habit-forming drugs and are entirely harmless in their action.

Thousands of women can testify that Ferro-Peptine strengthens the jaded nerves, revives the tired brain and puts the energy and courage into the body that enables one to stand up under the unusual strain of the changing period. Ferro-Peptine has to do these things or it costs nothing, as all leading druggists sell it on a positive guarantee of relief or money back.

DRIVE IN N. Y. AGAINST PROFITEERING GROCERS

NEW YORK, March 17.—A drive against profiteering in army food was opened here when hundreds of dollars worth of canned goods were confiscated in raids on grocery stores by an armed squad, led by Captain Jaffray Peterson, who is in charge of a retail store conducted by the army. The raiders went from store to store with a motor truck and a limousine. Wherever Captain Peterson thought an excessive profit was being made on canned peas and tomatoes bought from the army at 9 and 11 cents a can, respectively, the stocks were confiscated.

This Frees Your Skin From Hair or Fuzz

(Toilet Tips)

The method here suggested for the removal of superfluous hair is quick and certain and unless the growth is extremely stubborn, a single application does the work. Make a stiff paste with some powdered delatone and water; apply this to the hairy surface and after about 2 minutes rub it off, wash the skin and the hairs are gone. To avoid disappointment, be sure your druggist sells you delatone.

WHO GOES THERE?

"Oh, it's you Jack, why, what's all your hurry?" "My hurry?" "Well, if you had as much on your nerves as I have, you'd be on the dead run. Why, it's all excitement at our house and has been so for more'n a week." "I see, but you haven't told me the cause of all this excitement. Is any one hurt, sick, or getting married? Has there been a fire or a robbery? What's up anyway, Fresh Air Rates?" "Oh, keep quiet will you, and let me speak. As near as I can figure out it's all about some Old time, Hard time, Cheap time affair, that is comin' off at Mark street Church, next Friday night." "At Mark street Church? Well, I never heard of such a church as Mark street. All at it. Always at it. The People's Church, everybody welcome, money or no money, pay or no pay, one man as good as another, if he is honest. Now, when did you say this affair, as you call it, is coming off?" "Oh, on Friday night next, the 19th, and the comical thing is, you can wear old clothes and be as welcome as if you wore broadcloth, and welcomer. Yes, and if you can scrape up 20 cents, you can take your place with the best of them." "Well, whose gettin' this up, the Ladies Aid"? "Now, who do you think, you might know." "Say let's boost the thing, and pack the building next Friday night, and we better get their early, as they expect an awful crowd."

16,000 SCHOOL PUPILS HAVE MILITARY OUTFITS

OTTAWA—P. A. Seguin, L'Assomption, was told in the house today that 230 institutions, colleges or schools in Canada had been provided by the department of militia with military uniforms for their pupils. These were odd, partly worn and undersized uniforms. Approximately 16,000 pupils were so outfitted, but all of these were only partially furnished. The total cost of these uniforms was $63,481.

TORONTO DELEGATE SOLVES ONE PHASE OF THE HOUSING PROBLEM

(Continued from Page 5)

Increased Pensions.

Resolutions from Brantford, Niagara Falls, Ottawa, Oshawa were read advocating increased pensions.

Comrade Hutchins of Brantford, raised an objection. "We are not getting enough help from the resolution committee on these resolutions," were the essence of his remarks. He moved, seconded by Comrade Abbott of Guelph, that these resolutions be referred back to the Resolution Committee.

Canteen Fund Surplus.

The resolution passed by the local branch some time ago that the balance left in the army canteen fund be established as a fund, the interest to be used for Great War Memorial Scholarships for soldiers' children, proved to be identical to that of the Resolutions Committee.

The resolution after being amended to cover the children of members of the C.E.F., was adopted.

A motion was brought in that the Dominion government be memoralized to place Indians on the same basis as other soldiers in the soldiers' re-establishment and was greeted with applause and carried unanimously.

Political Action.

President Jeakins announced two important resolutions. One on political action, the other on the question of how many delegates to send to the Dominion convention.

Political action will not be looked into till to-morrow but the latter, embracing two reports from the Resolution Committee, caused a lengthy discussion.

The resolution is to amend bylaw No. 54 and the two reports were both explained at length.

The majority report gives one delegate for each hundred members, and one additional for each 200 in excess of 50.

From 300 up to 1000 one additional delegate is allowed and one for each additional 500 in excess of 1000.

The minority report allows one delegate to 100, two for 101 to 300, and three for 301 to 600, four for associations with a membership between 601 and 1000 and five for anything over 1000 members.

Comrade E. G. Huxley of Iroquois Falls, said that they could not go on forever asking the President how many to send or not to send, and there should be a ruling. The majority system was held to be the better of the two but a straight percentage system was favored.

An amendment that the resolution be filed and each assocaition be limited to two delegates to curtail expenses, was withdrawn.

After much comment it was moved that the minority report be adopted, but amended so that one additional delegate would be allowed for each additional 500 over 1000.

Insurance Committee.

The report of the Insurance Committee was brought in by Comrade Coles that the Dominion Government be memorialized to establish a scheme of Federal Life Insurance for all males and females whose disabilities as a result of war service prevent them from taking out insurance in the regular way and that at the cost be as low as possible.

The necessity for some action along this line was emphasized by the different delegates, and Comrade Sharpe moved an amendment that this group insurance cost only as much as ordinary insurance would to a healthy male.

This amendment was seconded by Comrade C. Armstrong of Mount Dennis, who spoke on the responsibility of the Government in this matter and the great necessity for this measure.

An amendment made by Comrade Wilcox of Oshawa that the insurance be made to take in men who died previously to it coming into force, caused some merriment and lacked a seconder.

The amendment of Comrade Sharpe was defeated and the orginal motion of the Committee carried.

After announcing the meetings of the Housing Committee, the Ways and Means Committee, and the Smoker to be given to the S. O. E. delegates by the local organizations to-morrow night the first night of the convention was brought to a close about 10.30 with the singing of the National Anthem.

Dominion Raynsters

"Made-in-Canada" Raincoats

—At Popular Prices

—For Every Member of the Family

"DOMINION RAYNSTERS" came into being in response to a pressing need.

Men, women and children wanted coats that were absolutely *waterproof*, and at the same time, cut on graceful lines, well tailored, comfortable and serviceable.

How well "DOMINION "RAYNSTERS" have filled this need is shown by the large number of stores carrying these double service coats, as well as the steadily increasing demand for them by every member of the family.

"DOMINION RAYNSTERS" are not merely showerproof—the cloth is not "treated", but is "rubber lined" and made waterproof. They have the same style and finish as you see in the custom-made top coats.

"DOMINION RAYNSTERS" coats, even to the seams, are absolutely waterproof; and the guarantee label of the Dominion Rubber System is an assurance of quality and service.

DOMINION RUBBER

Sold By The Leading Stores Throughout Canada.

WANT A CONFERENCE ON CAPITAL AND LABOR

TORONTO March 17.—A resolution was passed at the Toronto General Ministerial Association here recommending the holding of a convention of the Churches for the discussion of the differences that separate and cause friction between Capital and Labor.

The ministers are of the opinion that a great many workingmen have through a false impression, that the Church is for the rich man only, and that in catering to him the laboring man is neglected.

CITY LEAGUE ORGANIZED GOOD SEASON EXPECTED

WILL AGAIN AFFILIATE WITH O.B.A.A., LIKELY IN THE INTERMEDIATE SERIES, WHILE CANADIAN PACKERS WILL OPERATE PETERBOROUGH TEAM IN THE CENTRAL LEAGUE—OFFICERS ELECTED.

At an enthusiastic meeting held at Dreyfogle, Edgar Worth, K. C. Peterborough Hotel last evening, with ten present, Mr. G. Graham, Mr. Gordon Matthews in the chair, President—Gordon Matthews. the City Baseball League was re- Vice-President—L. Rutter organized for the season and consid- Secretary-Treasurer—N. Phelan. erable progress made in preparing Executive—Two representatives for this years activities in the from each team. sport.

The most important development of the evening was the handing over of the Central League franchise to the City League by Mr. J. L. Gordon who at the early time announced his retirement for business reasons from active participation in baseball, and the decision of the meeting that the Canadian Packers' team should represent Peterboro in the Central League. The team will be known as the Peterboro team.

It is altogether likely that the Peterboro City League will enter the intermediate series of the O.B.A.A. although it was not definitely decided upon last night. A motion was passed that the League again affiliate with the O.B.A.A. and the question of series will be decided later.

A resolution in favour of daylight saving was unanimously passed and a letter forwarded to the City Council.

The following officers were elected: Hon. Presidents, Mayor McIntyre, Ald. G. A. Gordon, Messrs. W. R. [illegible]

Of last years four teams the Orientals and Matthews-Blackwell teams will enter in this years race, De Lavals and the G.W.V.A. will enter again and there are a number of new comers, including the Thistles, Belmont Club and the Canadian Woollens, who are likely starters. A committee composed of Messrs. Gordon Matthews, Ward Patterson and E. J. Rutter was appointed to interview prospective teams as to their intentions.

The entrance fee of $25 adopted last year will again be in force this season.

Messrs. Matthews, Rutter and McCabe were appointed as a committee to wait upon Mr. Alex. Kay and endeavour to secure his services as umpire.

There will be another meeting of the League on Wednesday, March 31st, to hear reports of the Committees, appoint delegates to the O.B.A.A. and to attend to other general business.

VETERANS REJECT IDEA OF FORMING POLITICAL PARTY

(Continued from page 1.)

[illegible] the G. W. V. A. could exercise [illegible]

Comrade Armstrong of Mount Dennis opposed direct political action. "Select the best of those who are running. We then hold the key."

Rev. Mr. McKegney of Clinton, and J. Bateman of Guelph, supported this opinion.

Tired of Political Machines.

Comrade Hutchins predicted that a popular "peoples' movement would sweep Canada in the next election. "The people are tired of dead political machines. They want government of the people by the people."

Be Independent.

"The soldier is the only man who can consider his grievances," said Comrade Withers of Brantford, "but I am opposed to political action. In the first place we find the two old parties and neither was of any use to the people. When you go into political action be independent. Do your own thinking. You must have certain ideas, a platform.

"The question is not whether we are going to have a political party but whether political discussion shall be permitted in our Commands." J. W. Haggey of Kitchener observed, advising that there should be some previous understanding and unanimity in order that partizan differences should not develop and split the Association.

"I think we are standing on very thin ice," warned G. L. Cole. "If you have a constituency where you think you can elect a man, bring him out. But I see only defeat if we try to form a political party. We might succeed in some of the larger centres, from the rural parts we can see now the U.F.O. will have a large representation in the next House. I consider this question already decided. We have a referendum on it."

Mr. Cole withdrew a statement that in the last Dominion election the Union Government had purchased the press of the country, except the London "Advertiser."

FLAYED WITH A BIG SHILLALAH

It was St. Patrick's Day yesterday, and we thought we would honour the occasion by reporting to The Examiner that we had flayed high prices with a shillalah. Being British to the backbone, we wanted every son of the soil to know what we had been up to.

We're over here, off George Street, where we can keep prices down—where the rents and expenses are comparatively a small item. The logical result is that you save the difference on your new Spring Suit and Overcoat, and the balance you can put in the bank. Our new stock of Cloths includes a wide and varied collection of the newest materials. Fine Hairline Stripes, Worsteds, and Serges for Easter will be very popular, and justly so, and we make them up in any of the new and pleasing models, with the newest style features, and wonderful values. Ordering now means maximum satisfaction in your purchase. Handsomely tailored to measure, with the real smart details of finish that characterize the Tartan Tailor Shop Suits and Overcoats. No matter how lightly the young man's fancy may turn to thoughts of love, the springtime fancy for nifty Suits and Top Coats is now centred heavily in The Tartan Tailor Shop, 161 Hunter Street (just off George Street). RIGGS DISEASE OF TEETH AND GUMS

Don't Lose Your Teeth From Pyorrhoea. Make Diseased Gums Healthy and Teeth Tight With This New Prescription—Instant Relief.

If you have Pyorrhea or Riggs Disease and your teeth are loosening, if your gums are receding or are sore and tender, inflamed or bleeding, spongy or flabby, or if they discharge pus, do not give up in despair and decide that you must have your teeth pulled and wear a set of false teeth all your life.

A prominent New York state dentist has discovered a new prescription called Pyorhol which works wonders in just such cases, and it is sold here in one-ounce jars by leading druggists on an absolute guarantee that unless it corrects your trouble and makes your gums sound and healthy and teeth tight, the money you paid for it will be refunded.

People who have used Pyorhol say its action is wonderful. Glen Smith says: "My gums were sore and I had a terrible time. I used Epithol a short time and all soreness has disappeared and my gums are healthy and well." Epithol works quickly. Its promptness, certainty, and ease in overcoming diseases of the gums are a revelation to those who try it.

PENSIONS STATIONARY WHILE THE COST OF LIVING MOVES STEADILY ON

VETERANS TO ASK FOR INCREASES AND MORE GENEROUS ALLOWANCES FOR WIDOWS AND DEPENDANT PARENTS—CASH PAYMENT INSTEAD OF SMALLER PENSIONS FOUND IN FAVOUR.

The G.W.V.A. delegates gave a conference "rap" this morning to a clause in the resolution on pensions providing for a cash payment in lieu of the pension in cases below twenty per cent disability. This would apply to men receiving small pensions.

"Keep the pension if it is only $2 or $5 a month. You will have something anyway as long as you need it," advised one delegate.

The clause recommending a pension to the widow of a disabled soldier who married before his discharge was substituted by an amendment that all such cases be dealt with on their individual merits.

J. H. Rawlinson, of Toronto, moved, seconded by H. Wilkes, of Parkdale that men with permanent disabilities be not subject to recall for medical examination.

Other clauses ask for more generous provision for the maintenance of widows and dependents, and also that pensions be increased sufficient to cover the higher cost of living.

NOTICE.

GROWING DEAF WITH HEAD NOISES? TRY THIS

If you are growing hard of hearing and fear Catarrhal Deafness or if you have roaring, rumbling, hissing noises in your ears go to your druggist and get 1 ounce of Parmint (double strength), and add to it ¼ pint of hot water and a little granulated sugar. Take 1 teaspoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who is troubled with Catarrhal Deafness or who has head noises should give this prescription a trial.

BELLEVILLE BOARD OF TRADE TO PROMOTE SPORT

Mr. Graham, Chairman of the Recreation Committee of the Board of Trade, reported very favorable progress in the plans under way to secure an athletic field for the coming season. He also laid before the directors a plan for organizing the various athletic activities of the city under the head of an athletic association and a public meeting to discuss this plan will be called in the near future.—Belleville Ontario.

WHY Does Your Head Ache?

Headaches, sick or other kinds, don't happen to people whose livers are busy and whose bowels are as regular as a clock.

Thousands of folks who *used* to have headaches say this is the way they removed the cause:

One pill at bedtime, regularly. Largerdose if there's a suspicion of biliousness or constipation.

SOCCER PLAYERS HELD A MEETING

SEVERAL TEAMS WILL CHASE THE PIGSKIN THIS SUMMER.

A very enthusiastic meeting of those interested in the formation of a soccer league in this city was held last night in Coleman's upper store, George street. Some twenty-four men were present and the success of the first meeting augurs well for the success of the league.

Those present elected Mr. Clarke secretary-pro tem, but at the big general meeting to be held next Wednesday at 8 o'clock at Coleman' Upper Store the regular officer will be elected. The following team have so far signified their intention of joining the league: C.G.I., De Lavals, Canadian Woollens, G. W. V. A., Maple Grove Section, Oddfellows, and the Caledonian Club. Each team is asking two representatives to form the league committee and other teams wishing to join are requested to send their representatives. The desire of the league is to get 12 teams and revive this game which has fallen into disgrace in Peterboro in the last few years and it is hoped that all those interested will back up the league and try to get more teams to enter.

HOCKEY

The Y.M.C.A. hockey team accept the challenge of the De Lavals, the game to be played Friday night between 7 and 8 o'clock.

VOICE OF THE PEOPLE

Sporting Editor, Examiner:

Dear Sir—In a pool on the last game between the Granites and Tigers I had 5-2; B had 4-1 in favour of Granites. The correct score was 5-0. A claims he is nearest to the correct score because he had the right score of the winning team. Who wins? The nearest to the correct score wins the money in the pool. Trusting you will answer in the evening paper and oblige.

A HOCKEY FAN.

[illegible]—Sporting Editor.

DID YOU EVER USE SLOAN'S?

Keep It Handy to Promote Prompt Relief From Rheumatic Pains and Aches.

When you know what Sloan's Liniment will do as thousands of men and women the country over know, you, too, will keep it handy. You will use it for those twinges of rheumatic, for relieving that lame back, muscle stiffness and soreness, aches, all sorts of external pains and exposure aftermaths.

Only takes a little, applied without rubbing. Soon penetrates, scattering congestion, bringing merciful relief to the throbbing, jumping part.

Three sizes—35c, 70c, $1.40. Any druggist has it. If not, we'd like to [illegible]. Made in Canada.

Sloan's Liniment Keep it handy

The Hacking Cough Strains the Lungs

The terrible, hacking, lung-wracking cough that sticks to you in spite of everything you have done to get rid of it is a great source of danger to your health, and the longer it is allowed to stick the more serious the menace becomes.

You can easily get rid of the cough or cold at its inception by using Dr. Wood's Norway Pine Syrup, a remedy that has been universally used throughout Canada for the past 30 years.

Mrs. Samuel Matthews, Portage, P. E. I., writes: "Last winter I caught a heavy cold, and was laid up for sometime. I had such a hacking cough I could not sleep at night and did not think I would ever get over it. One day a friend dropped in to see me and was surprised to see how bad my cough was. She advised me to use Dr. Wood's Norway Pine Syrup, so the next day I sent for a bottle, and soon got relief and before I had taken two bottles my cough was all gone. I doubt there is anything to equal it."

Dr. Wood's Norway Pine Syrup is put up in a yellow wrapper; 3 pine trees the trade mark; price 25c and 50c. Manufactured only by the T. Milburn Co., Limited, Toronto, Ont.

FIRE HALL WIN FROM LOCK WORKS

Last night the Fire Hall Team won from the Peterboro Lock Works Team. The game was fast and clean. For the Fire Hall everyone started and it would be hard to select the best man. With for the Lock Works, Baxter and Williams were the stars. For the teams as follows:

Goal, H. Wellbrook; R. DeForest, L. LeBarr; L. DeForest, Cpl. LeBar; Centre, Clarence Parrington; R. Wing, Jack Pethick; L. Wing, G. McDougal; Sub, Henry. Referee, Hendle.

ST. PATRICK WAS HONOURED IN CITY BY MANY TEAS AND DANCES

SEVERAL SOCIAL EVENTS IN PETERBORO MARKED WELL-KNOWN DATE IN HISTORY—APPROPRIATE DECORATIONS.

St. Patrick's day was fittingly celebrated in the city by several teas and dances, each event attended by unusually large numbers. In the afternoon under the auspices of the Otonabee Chapter I.O.D.E., a most enjoyable tea was given at the beautiful home of Judge and Mrs. Huycke, Englehurn Park. The house had been cleverly decorated in tokens of St. Patrick's day while tea table appointments were especially charming; the central decoration being a minature Irish village surrounded by huge bouquets of daffodils and tiny green shaded candles. Mrs. W. H. Dunsford and Miss Morrow presided at the tea table and were assisted by Mrs. F. L. Robinson, Mrs. Spriggs, Mrs. Charles Stapleton, Mrs. Rose and Mrs. C. H. Moore, each of whom were becomingly clad as Colleens in white dresses, mob caps and green aprons. A few of those who attended were Mrs. E. V. Frederick, Mrs. Gliddon, Mrs. Duncan Walker, Mrs. MacElderry, Mrs. D. N. Carmichael, Mrs. C. L. Brewer, Miss Linda Hall, Mrs. B. Poole, Mrs. T. Quartermaine, Mrs. Northedge, Birch, Miss Kathleen O'Birne, Mrs. W. A. Sanderson, Miss Helen Dennison, Mrs. E. L. Goodwill, Mrs. J. W. Fraser, Mrs. Kellale, Mrs. Fred Sullivan, Miss Lillian Hurley, Miss Hurley, Miss Taylor, Mrs. J. A. Rogerson, Mrs. F. G. Kerr, Mrs. [illegible], Miss Hall, Miss Coulthard, Miss Georgie Stevenson, Miss Robin, Gordon-Cumming, Miss Seaborne Hamilton, Miss Mabel Patterson, Mrs. Hartstone, Miss Nan Hall, Miss Dorothy Hill and Miss Helen MacLaren.

The Programme.

During the afternoon a cleverly arranged programme was given to which His Honour Judge Huycke contributed a reading, Mr. Maurice Park, solos, Miss Hurley, piano solos, Miss Helen MacLaren, a solo, Miss Hazel Davidson, a recitation, and three of Miss Lenore Sandersons pupils, Misses Doris Clegg, Daisy Davidson and Edna Cluton, dances.

Parsonage Tea.

Another and equally successful event was the St. Patrick's tea given by a committee of the Ladies' Aid of the George Street church at the parsonage. Here the tea tables in the dining room very cleverly carried out the 17th of March sentiment in the pretty decorations of green and white while the ladies assisting were appropriately dressed in [illegible] costumes of white with touches of green. During the afternoon a short musical programme was given to which Mrs. C. A. Smalley and Miss Doris Rutherford contributed solos, accompanied by Mrs. C. S. Thompson. Refreshments were also kindly donated by Mr. J. [illegible] Greene, [illegible]

AUCTION SALE

of Farm Stock, implements and household furniture, belonging to Mr. A. E. Deck, Lot No. 1 in 11th concession of Douro; half mile east of Curtis brick yard, on Saturday, March 27th, beginning at one o'clock p.m. Sale without reserve. See bills for terms. George Jackson, Auctioneer. tw 12 2d 18-24

SIGNS OF SPRING.

Spring is here if the re appearance of the crows may be taken as gharbinger of spring. Caw! Caw! Caw! cackled from the black coated birds early this morning as they sailed and circled over the Hunter street housetops. The first robin has also been reported and several enthusiastic citizens have been observed driving nails and spigots into maple trees.

AUCTION SALE.

On Thursday, March 18th at the home of Mr. Arthur Herron, 542 Waterford street. His household furniture and furnishings, including very fine solid oak leather-seated, 3-piece suite, library table, dining suite complete, also fine new Davenoprt, Pictures, gas range, dishes, also very fine piano, mahogany case. Rockers, chairs, 2 very fine bedroom suites, and etc. A very fine collection, and all must be sold as my employer is leaving town. Sale at 1.30 o'clock. Don't miss this sale. J. F. Thornton, Auctioneer. 3d-63-8188

TRINITY W.M.S. HELD A MEETING

There was a large attendance at the Easter meeting of the Trinity W.M.S. on Tuesday, March 16. Mrs. (Rev.) A. J. Thomas gave the Easter message which when applied to present need was very helpful.

Miss Layton of the Y.W.C.A. in her usual pleasing manner told a beautiful story about "A Handful of Clay".

The solos by Mrs. Park and Miss Wilson were enjoyed by all.

The responsive Scripture lesson was taken by Mrs. Robinson.

The guests of the afternoon were the ladies of St Paul's Church and the strangers.

All enjoyed a social half hour at the close of the meeting.

GOSPEL HALL NOTES.

An interested audience listened to Mr. Harper in the Gospel Hall last evening as he discussed the subjects, "Satan Cast out of Heaven," and "The Marriage Supper of the Lamb."

In the beginning of his address, the speaker pointed out the fact that unless men were born again of the Spirit of God, they could not understand the truths of God.

Reading Rev. 12:3-9, it was noted that the character of Satan is given in that chapter. He is described as a persecutor, a deceiver, and accuser, and a devourer.

The war in heaven was next dwelt upon. "Some folks say there will not be war any more," said the speaker, "but the Scriptures speak of war both in earth and in heaven."

Passing to Rev. 10:1-9, the marriage supper of the Lamb was discussed. The speaker portrayed in glowing terms the glory of that scene and exhorted all present to be sure and be there.

"The Great Tribulation" will be the subject discussed to-night at 8 p.m. All are invited.

NOTICE

Hand and power clipper blades sharpened to cut again like new. We also weld machinery parts by the Oxy-Acetylene process. Broken parts in all metals made as good as new. Consult us before buying new parts. Millard's Bicycle Shop, Hunter St., near Aylmer. Phone 234J.

BILLY SUNDAY SAYS:

Good resolutions without works will eventually bring a person to everlasting punishment. Jimmie Monday says, people who intend to give local merchants business, but buy outside, should be consigned to everlasting punishment. This is an open question, but we think all things being equal or nearly so, local merchants should have the preference of good intentions put into practice.

JIMMY, at NELSON'S TYPEWRITER OFFICE, 332½ George Street (old Opera House Block).

OSGOODE HALL.

Re Storey Estate.—J. A. Mackintosh, for executors, moved for order construing will of James A. Storey, J. F. Strickland, Peterborough, for beneficiaries—F. C. Cattanach for infant. Judgment: It seems to me there is no real inconsistency between the clauses. Clause 5 is merely explanatory of and not a revocation of Clause 4. The testator in Clause 5 is simply expressing clearly how he desires his daughter to have the advantage of his gifts in Clause 4, consequently Clause 5 prevails, and the result is the same as if the more stringent rule were to be applied. Costs as usual.

BUY OGILVIE'S ROYAL HOUSEHOLD.

Canada's Best Flour.

at FRANK WHITE'S Flour and Feed Store 384 Water Street

SOCIAL AND PERSONAL

Mr. Frank Curtis of Peterboro is spending a few days with friends in Lindsay.

Lieut.-Col. Hunter and Major Bell, of Toronto, are guests of Mr. and Mrs. G. N. Gordon during the Great War Veterans' convention.

His many friends have been congratulating Mr. Thomas Hooper, Sr., on his eighty-second birthday, which he celebrated on Monday. Mr. Hooper has been a resident of Peterborough for almost fifty years.

Miss Winnifred MacKenzie, whose wedding to Mr. Archibald Lampman, son of the late Archibald Lampman, poet laureate of Canada takes place in Lakefield next month returned yesterday from Toronto.

Judge and Mrs. Huycke were in Toronto this week attending the unveiling of a tablet erected to the members of the fraternity of which their son, Meredith, was a member.

Mrs. John Foster has returned from Mattewa, where she attended the funerals of her father and brother-in-law.

Mr. Otto Gliddon, of the Conservatory of Music, is in Toronto to-day to hear Levitzki, the well-known solo pianist, at Massey Hall.

Mr. Alfred R. Lambe of the Dominion Water Power Board, of Ottawa, who will address the Peterboro Branch of the Engineering Institute, this evening on Institute affairs, is registered at the Empress. Mr. Lambe is a former member of the city.

KEEPING DOWN THE COST OF CLOTHES

VERY REASONABLE PRICE ASKED BY REGENT TAILORS FOR SUITS AND OVERCOATS.

The fine stock of materials for men's spring and summer suits and overcoats now being shown by the Regent Tailors at their store, 320 George Street Arcade, have attracted wide attention both on account of their beauty and their low prices. The Regent Tailors make a specialty of a suit or an overcoat to order or ready to put on for only $25, and guarantee perfect fit and tailoring satisfaction. They state that the profit on a suit or an overcoat is actually less than one dollar, so that customers certainly receive wonderful value for their money in the clothes made by this firm.

Men who are looking for style and value in the clothes they wear should visit this store and get an idea of what the Regent Tailors have to offer. It may mean to them a big saving in money, owing to the high prices that are usually charged for clothes nowadays.

DEFORGE MURDER FIRST FOR WINNIPEG GRAND JURY

Canadian Press

WINNIPEG, March 17. The Spring Assizes have opened here. The Deforge murder case will be the first placed before the Grand Jury. Three men charged with the murder—Blinck Clements and Burdie — will be tried separately. Chief Justice Mathers in addressing the Grand Jury, explained the various crimes which appeared in the indictments. His Honor remarked on the fact that most of the indictments were against foreign-born citizens.

Note: Deforge formerly resided in Peterboro.

VOICE OF THE PEOPLE

To the Editor of the Examiner.

Dear Sir,—I was pleased to see the Council suggest changing name of Concession street to Armour Road. Some years ago I got a number to sign a petition for the change but a counter petition was taken round setting forth, that deeds of property would be nullified by change. Then nervous people were against the change. The prospects of our East Ward becoming more of a business centre, I would say let the old rural name go for Armour Road.

Yours truly,

ED. COURTNEY.

BORN

THOMPSON — On Wednesday, March 17th., 1920 to Mr. and Mrs. W. R. Thompson, 577 Homewood Ave., a daughter.

TWO PARTY LINES ONLY INSTALLED

PETERBORO TELEPHONE USERS ON THE INCREASE.

Owing to the considerable increase in the number of telephones in use in the city the Bell Telephone Company some time ago decided to discontinue the installation of residential 'phones unless they are two party lines. Mr. G. O. Cameron is accepting no other orders and is compelled to reject all single line propositions as the shortage of material and skilled labor has become so acute. At the present time there are approximately 4,200 'phones in the city or an increase of about 33 per cent. from March 1917. The system of party lines is 20 per cent. cheaper than the single line system. Mr. Cameron says to-day that he has very few if any complaints from parties troubled by a third party listening on the 'phone to a conversation not intended for his ears.

LATE DESPATCHES

(Canadian Press.)

LONDON, March 18.—Despite recent reports to the contrary, it is evident that the recent South African elections have gone overwhelmingly in favour of British connection.

Nationalists will have 44 members, South African Party 30, Unionists 23, Labour 21, and Independent 4.

It is believed that Labour will give General Smuts qualified support, and that the Nationalists and South Africans will effect a compromise.

(Canadian Press.)

WASHINGTON, March 18.—Concluding his long arraignment of the Navy Department's conduct of the war, Rear-Admiral Simms laid before the United States Senate Investigating Committee to-day thirteen specific counts in his indictment charging mistakes and costly delays.

TOUGHS HARD ON LINDSAY POLICE

Police matters again engaged the attention of the Lindsay town council in a special session here. The discussion was of an informal nature and was featured by the presence of Charlie Ling, the proprietor of the Dominion Cafe, the scene of the melee on Tuesday in which Chief Short was rather roughly handled.

A rather lengthy discussion took place regarding the reorganization of the police department, with a view to increasing its efficiency. The addition of a third man in the force was suggested, but no action was taken owing to the absence of a number of the Aldermen.—Lindsay Post.

W. McGEE WON BLIND SCORE OF 150.

Last night, at the Water Street Alleys the blind score of 150 was played off, when Mr. W. McGee made the perfect score of 150, and won the prize in the Business Men's Five-Pin League. The game was exciting all the way, and every man in the game had a chance till the last frame was rolled. Following are the names and scores.

McGee, 150; Carroll, 149; Ballard, 148; Gillespie, 152; Perry, 153; Roberts, 147; Anderson, 154; Lether, 146; Herbison, 145; Allen, 140; Rightmeyer, 130; Arrowsmith, 131; Thorndyke, 130.

The blind score of 128 will be played off on Friday. Following are the names: Robson, Johnson, Anderson, Allen, Roberts, Bourne, Barrette, French, Herbison. The game will start at 8 o'clock sharp.

BUSINESS MEN'S TEN PIN LEAGUE

Following is the balance of the schedule:

March 22— Grocers vs Business Men.

March 24—De Laval vs King Pins.

March 26—High Rollers vs Quaker Oats.

March 29— High Rollers vs King Pins.

March 31—Business Men vs Quaker Oats.

April 2—Grocers vs De Laval.

April 5—High Rollers vs Grocers.

April 7—King Pins vs Quaker Oats.

April 9— De Laval vs Business Men.

April 12—De Laval vs Quaker Oats.

April 14— Business Men vs High Rollers.

April 16—Grocers vs King Pins.

"Y" PLAYERS GOT AWFUL TRIMMING

An exciting game of hockey was staged at Brock Street rink last night between 7 and 8 when the Cadets of the "Y" went down to defeat before the speedier Little Lake Flyers by the score of 9 to 2. Sheehan, Foley and Collins were the best puck chasers for the Flyers while Thornbeck, Lawson and Bergoine starred on the "Y" side. A good crowd of fans witnessed the "Y" aggregation and saw a pretty fair game of hockey into the bargain. The lineups were:

Y.M.C.A.

Goal, Bergoine; Centre, McDougall; R. Defence, Lawson; L. Defence, Herbison; R. Wing, Thornbeck; L. Wing, Hampton; Sub., Pethick.

Flyers.

Goal, Levasseur; Centre, Ranger; R. Defence, Sheehan; L. Defence, Foley; R. Wing, T. Collins; L. Wing, N. Collins; Sub., King.

"Doc" Scully, referee.

Radish, beet and parsnip seeds may be sowed all in one row to save space and time.

VOL. XLVI NO. 67 PETERBOROUGH FRIDAY, MARCH 19, 1920 PRICE TWO CENTS

The Old Government Is Gaining Control In Germany

MODERATES OBJECTED TO RESOLUTION

TORONTO MEMBERS OF TRADES AND LABOUR COUNCIL EXPRESS SYMPATHY FOR PROLETARIAT OF GERMANY.

Canadian Press.

TORONTO, March 19. — "We express our sympathy with the proletariat of Germany who are now struggling for liberty and freedom from the thraldom of the Junker Imperial caste and we express our disapproval of Britain's action in aiding and abetting the German capitalist interests in the occupied zone; we furthermore hope for the ultimate success of the workers' cause, realizing as we do that their victory is also ours."

The foregoing resolution was greeted with cheers and passed with only the hands of two returned soldiers indicating disfavor at the close of a meeting of the District Trades and Labor Council last night.

The motion, sponsored by Delegate F. Trueman, appeared when a number of the moderates of the Council, evidently suspecting some such move by the "Radicals" had left the meeting.

John McDonald scathingly attacked the "delegates who left when such a question was brought up."

"We are all aware that Brother Trueman is an extremist but that is no excuse for them pooh-poohing such a motion especially when we all know who read the papers that the British capitalist class and the British government are conniving with the capitalist class of Germany. Do they not realize that if the German workers are able to join forces with those of Russia it will sound the death knell of capitalism the world over. I commend the resolution. Surely we can see the success of the Soviet government in Russia and why should we pooh-pooh when there is now a possibility of the working class in Germany coming to its own. The least we can do is to follow in the footsteps of Germany and of the workers the world over."

Delegate Braithwaite said: "Do we know that $25,000,000 have been advanced to Germany to re-establish capitalism and the Junkers whom not long ago every one in this country was attacking," he demanded hotly. "I believe and I know that if the working class is to come into its own place it must take the same steps here as it has in Europe unless the government sees fit to relieve the present condition of society."

Delegate Higgins, who wears a service button: "when there is anything comes up where fresh air is needed the delegates here are ready. But they are not so keen to dip into their pockets when it comes to backing up a strike at home."

"If they want to help the workers in Germany why don't they go over there and help them? I am in favor of minding our own business."

Delegate Palmer: "If the allied trade unionists had pledged themselves to take no part in the international war would there have been any war? Decidedly no."

When the vote was taken practically all the moderates had left the room.

PREPARED TO PRESENT SHIPS TO CANADA

(Canadian Press.)

OTTAWA, March 19.— Examination of report of Admiral Jellicoe, recently tabled in the House of Commons, shows that the British government is prepared to present to Canada a fleet of ships which at pre war prices would be worth $16,500, and at present prices would have a much higher value. Admiral Jellicoe's scheme provides for an increase by construction of new cruisers in Canada, but this need not be undertaken until the finances of the country would warrant it. Until these vessels are built the annual expenditure would be between four and a half and five million dollars.

Ontario Gets Big Share of Domestic Servants

SEVERAL PARTIES HAVE REACHED THIS PROVINCE WITHIN THE LAST FEW WEEKS—MORE COMING.

(Special to The Examiner.)

MONTREAL, Que., March 9. — Montreal and other parts of the province of Quebec are experiencing a great shortage in the supply of domestic servants and much disappointment is felt here that the number that have been coming for years past from the old land and finding situations to their liking, is dropping off alarmingly. The Rev. John Chisholm, superintendent of the Presbyterian General Assembly, says: "Ontario is getting all the domestics they want. From the Metagama which docked on Tuesday a party of 62 girls disembarked of whom only 11 stopped at Montreal, the rest went to Ontario. There will be sixty more from Glasgow next week for Ontario." He gave as the chief reason that Ontario has an agent in the British Isles whose duty it was to recruit in that respect. "Apparently the province of Quebec is showing no interest in the matter."

Miss Louttit, Lady Superintendent of Immigration here confirmed Mr. Chisholm's statement and said the domestics going through to Ontario were a very fine class of women

THE FORMATION OF REPUBLICS

"A FEW MARKS AND A PIECE OF BACON" INFLUENCE DESERTERS.

(Canadian Press.)

THE HAGUE, March 19. — The "Handelsblad" takes the view that no one should be frightened by despatches announcing that Soviet republics have been proclaimed here and there in Germany. These proclamations says the paper, are only the work of troops and armed labourers, supported by army deserters whose political convictions "depend largely on a couple of hundred marks and a piece of bacon."

"They occupy the town hall, chase out the trembling burgomaster, install themselves behind a green table and proclaim a Soviet republic," the newspaper adds. "This is only a matter of a few minutes, but the chase the whole government away it would take longer."

BERLIN "BARREL" OF GUNPOWDER

WORKMEN PEEVED AT ACTION OF TROOPS.

(Canadian Press.)

LONDON, March 19. — All Germany, with the exception of Southern States, is rebellious, and Berlin is a "barrel of gun powder which may be ignited at any time," says a Berlin despatch to the Exchange Telegraph correspondent at Berlin yesterday.

Workmen are especially provoked at the action of Von Kapp's troops in turning their machine guns on the crowds as they left Berlin.

STOCK MARKET OPENED STRONG

LEADING ISSUES SHOW INCREASING ACTIVITY—STERLING EXCHANGE.

(United Press.)

NEW YORK, March 19. — The stock market opened strong. U. S. Steel opened at 103, up 3-8; Pressed Steel, 104 1-2, up 2 7-8; U. R. Stores, 77 3-8, up 1 1-8; Bethlehem, 96 1-2, up 1 1-4; Baldwin, 135 3-4, up 1; central Leather, 90 1-2, up 5-8; U. S. Rubber, 113 3-8, up 7-8, Texas Company, 213 1-2, up 1; Studebaker, 107 3-8 up 1-8; Republic, 105 1-2, up 1; American Loco., 108, up 1 3-4; Reading, 87, up 1-8; Chandler, 150, ex-div. up 1-2; General Motors, 339, up 4; American Woollen 137, up 1, and International Paper 89 3-4, up 1-8. Sterling was up 5 1-2, and this strength reflected in other foreign exchange quotations, had a favourable effect on stock market prices. General Motors sold at 343, up 8. Studebaker sold up to 109 1-2.

It was a typical dull market, one group and then another being taken up and given a whirl. There was no evidence of pressure on any part of the list during early trading. Stutz touched 196, an advance of nearly 50 in three days. Pan Amn sold at 103, up 3

Exchange Market.

The market opened strong with demand sterling at $3.79 1-4, up 5 1-2 cents; Franc checks 13.60, up 4 centimes; Lire checks 18.62, up 2; Marks demand $.013, up $.0001 and Canadian dollars $.8895.

PROTEST RESTRICTIONS ON MOTHERS' PENSIONS.

BRANTFORD, March 19 — The Equal Franchise Club to-day sent a protest to Ottawa against the placing of restrictions on mothers' pensions dependent upon the amount of property or money possessed by the widow. They also demanded that the Hearst paper [illegible] Canada.

HUNDREDS KILLED BY THE SOLDIERS

FIGHTING CONTINUES THROUGHOUT GERMANY.

(Canadian Press.)

LONDON, March 19.—Hundreds of persons have been killed in Mining Districts of Germany in collisions between miners and troops, it is declared in reports from Germany received from big towns in Germany Correspondent says. Telegrams received fro mbig towns in Germany message states, show that fighting is proceeding in nearly all thickly populated places where soldiers and workers are opposed.

EXCHANGE RATES ARE HIGHER TO-DAY

(Canadian Press.)

NEW YORK, March 19.—Foreign Exchange rates were substantially higher at opening of stock market here to-day. Demand bills on the English pound sterling were quoted at $3.79 1-4 or 5 1-2 cents above yesterday's closing prices. Canadian dollar was quoted here at 88.95 cents.

MASS MEETING FOR RETURNED SOLDIERS

Will Protest Against Release of Coloured Man.

(Canadian Press.)

HAMILTON, March 19 Returned soldiers have called a mass meeting for Saturady night at the market square to protest against the decision of Magistrate Jelfs in releasing a coloured man charged with assault on a fourteen year old girl.

Line up as follows: Goal, Morrison right defence, Jackson, left defence, McDougall, right wing Morrison, left wing Frein, centre McDougall.

SPARTICAN UPRISINGS IN GERMANY

EBERT GOVERNMENT FACES INSISTENT DEMAND FOR RE-ORGANIZATION.

By Ed. L. Keen.
(United Press.)

LONDON, March 19.—The government of President Ebert, returning from Stuttgart to Berlin, will face an insistent and widespread demand for re-organization, despatches here indicated.

Advices from French, British and Italian officials in Germany said the danger of the Soviet movement, backed by the Spartacan elements, cannot be minimized. The officials urged their government to give Ebert support in his efforts to restore order throughout Germany. Some French circles opposed this, believing the Germans would take advantage of a change in the Allied attitude to demand further concessions in enforcement of the Treaty of Versailles, particularly the clauses governing disarmament of German military forces.

Other official telegrams from the capital said that radical uprisings are most serious and that the Spartacans threaten to gain complete control in some districts.

Entente officials were keeping in close touch with the entire situation.

LIGHT SESSION THIS AFTERNOON

Farmer and Labour Members Held a Caucus To-day.

(Canadian Press.)

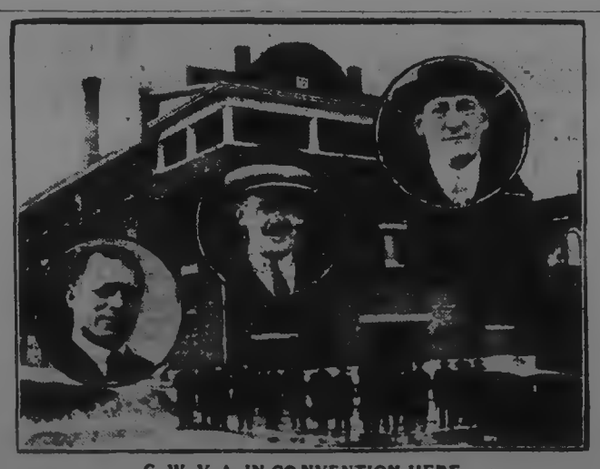
TORONTO, March 19.—The Ontario Government's Legislative programme was further reviewed at a caucus of farmer and labour members at Queen's Park this morning. Various measures were under discussion during the meeting. It is know that the government is now determined to wind up the debate on the Speech from the Throne with all possible speed, in order to clear the way for fresh business. No efforts would be spared to bring the debate to a close before the end of next week, although the list of speakers is still a lengthy one. Private members' day in the House this afternoon means a light session.

PREPARING FOR THE FINAL VOTE

SENATE ADOPTED MODIFIED TREATY RESERVATION.

(Canadian Press.)

WASHINGTON, March 19.—Preparing for final vote on ratification of Peace Treaty Senate to-day adopted modified reservation premable worked out in the Bi-Partisan Conference under which affirmative acceptance of reservation by other powers would not be required.



G. W. V. A. IN CONVENTION HERE

Here is the splendid club house of the G. W. V. A. at Peterboro where the Veterans are now in convention. Inset are pictures of Provicial Secretary Turley, President-elect O'Flynn, of Belleville, Ont. and President Jeakins.

OLD GOVETNMENT LEADERS CONDEMN THE ATTEMPTED GERMAN REVOLUTION.

Canadian Press.

BERNE, March 19 — Chancellor Bauer caused a sensation at yesterday's sitting of the German National Assembly at Stuttgart, when he revealed the conditions presented the government by Dr. Kolfgang Kapp and General Von Luettwitz, before they entered Berlin last Saturday morning.

They wished to [illegible]

"Pitiless punishment must come to these offenders. Their fortunes must be seized and they must be tried before the Supreme Court at Leipsic."

Philip Scheidemann, the leader of the Majority Socialists, Herr Burlage of the Centre Party, Herr Kron, of the German Nationalists and Herr Becker of the People Party, [illegible] condemnation of the attempted [illegible] according to the [illegible] received here.

Ebert Government Plans to Return to German Capital

MANY LIVES BELIEVED LOST IN A BLIZZARD WHICH SWEPT OVER THE WESTERN PROVINCES

RAILWAYS HELD UP SINCE MONDAY LAST—TWENTY MILES OF TELEPHONE POLES SNAPPED OFF IN ONE SECTION.

(Special to The Examiner.)

WINNIPEG, Man., March 19. — Railway trainmen arriving back in Winnipeg from the west to-night, said the blizzard of Monday which swept the west, was about the worst in experience, and believe when the wires are working again and detailed information received it will be found that many lives were lost in different parts of Manitoba and Saskatchewan. Hundreds of cattle and horses perished.

Between Elie and Portage La Prairie, Man., twenty miles of telephone poles were snapped off about six feet from the ground. Heavy damage was done to telegrah poles along the main lines

During the blizzard on Monday afternoon the semaphore tower at Neepawa was burned down and so bad was the storm that people 100 feet away could not see the fire.

Grand Trunk officials state the railway has been held up since Monday by the most severe storm experienced for many years. Trains are two days late in arriving from the west.

Despatch from Gladstone, 70 miles north-west of Winnipeg, states: "After raging for thirty-six hours the most vicious blizzard that has struck these parts within memory of the oldest settlement, abated this evening and people were then able to get out and take stock of the damage done."

Reports of lives lost have come in. Word of school children spending the night in schools or at some of the neighbours. Party of five loading pressed hay at Golden Stream siding, spent twenty-four hours in a church there. It is feared that many cattle perished.

SPRING MILLINERY OPENING AT P. BLACK'S

The ladies are very cordially invited to attend our Spring Millinery Opening to-morrow and inspect the new seasons fashions in Trimmed Hats. We are showing of the new creations of the milliner's art in hand made hats, of crepe, satin, caterpillar straw, pine apple straw combined with crepe and pine apple straw sailors, also patent leather hats. CANADIAN ISSUES ACTIVE IN STATES

Provincial Bond Offerings Are Quickly Gobbled Up.

(United Press)

NEW YORK, N.Y., March 19. —In the heightened activity in the bond market of recent days Canadian issues have been in particular demand. The new offerings of the provinces of Quebec, Ontario and Manitoba were not only quickly gobbled up, but also the floating supply of outstanding Canadian provincial and Dominion bonds was substantially reduced. According to bond men most of the business on the Canadian issues have been done over the counter.

LOCAL VOTE ON DAYLIGHT SAVING

STREET FIGHTING MARKED THE RETIREMENT OF THE REVOLUTIONARY FORCES—ALLIED HEADQUARTERS SCENE OF FIGHT.

DISORDERS IN MANY SECTIONS

(United Press)

BERLIN, March 19. Violent fighting between crowds of workmen and soldiers marked the evacuation of the capital by the insurrectionary military forces to-day.

Several persons were killed and many others wounded in the vicinity of the Hotel Adlon this afternoon as the Ehrhardt marine brigade, the backbone of the revolutionists' military power, evacuated the Wilhelmstrasse.

Order was restored by safety police supporting the Ebert government.

As the marine brigade retired a large crowd in Unter Den Linden hooted it and there was some shooting. Safety police, who followed the marines, were forced to shoot down the street to clear a passage. As the safety police progressed down the street, a second group of marines appeared and for three or four minutes shooting was general. Other marines appeared before the Hotel Adlon and fired on the crowds there. Heavy firing also was heard in the vicinity of the Bradenburg gate.

Rushed Hotel.

The only attempt against the lives of foreigners came early this afternoon when a mob attempted to rush the Hotel Adlon, headquarters of the various foreign missions. The mob was repulsed by guards.

Baltic troops which had been supporting Von Kapp, left the city this morning. As they passed through Charlottenburg, a suburb, they fired shots into a meeting of Independent Socialists. Forty persons were reported to have been killed.

The troops members of the old "iron division" of General Von Der Goltz were reported to have marched on to Spandau, where they clashed with radical workmen. The troops scattered the radicals, killing and wounding several.

Sixteen persons were reported to have been killed in an undetermined explosion in the Charlottenburg electrical works.

The safety police and other loyal Ebert troops were busy clearing the city to-night, removing barbed wire entanglements and barricades erected by the insurrectionists.

Strike Situation.

The demand of the lefts for continuance of the strike was considered most serious, as it was considered aimed directly at the Ebert government.

Agitation against Jews also has been noticebale. The people accuse the Jews of profiteering and illicit trading and talk of pogroms has been heard on all sides.

Advices from South Germany tonight indicated the situation there is quieting. Some fighting was reported from the industrial district in Westphilia, with efforts at establishment of workers' soviets in different areas.

Disorders also were reported in Stettin and violent fighting in parts of Thuringia.

Fled From Berlin.

(United Press.)

PARIS, March 12. — General Von Luettwitz, military of the monarchist counter revolution has committed suicide according to the Kolner Tageblatt. Von Luettwitz resigned simultaneous with Dr. Woitmann, Kapp, Chancellor of the short lived monarchist government and fled from Berlin Wednesday night.

Will Return.

(Canadian Press.)

COBLENZ, March 19 — The Ebert government will return from Stutt-

NO TIME FOR CRAPE-HANGERS

(From Editor and Publisher.)

William W. Canfield, editor of the Utica Observer, believes that the newspapers should do their part in putting a check to the wave of discouragement, pessimism and "blues" which is sweeping the country. He recognizes the soundness of Shakespeare's philosophy, "There's nothing good or bad but thinking makes it so."

Editor Canfield has had posted in the editorial and local rooms a notice to the staff of which the following extracts are typical:

"What I want to do is to keep out of the Observer all the crape-hanger, gloomy Gus, sordid, doleful, discontented, muttering, fault-finding and threatening talk. Boost every bit of encouraging news. Ten hopeful outlook lines are of more worth than a column of complaint about conditions and prices. Above all, we do not want to give space to any predictions about "prices are going to be higher," "better buy now" and all that sort of bunk, which, traced to its moving spirit, will nearly always be discovered to be propaganda of someone who has got something to sell, and wants to unload it on the public.

"Let's try, every one of us, to get some courage, confidence and faith into the homes which the Observer visits. It isn't much, of course, as it is only a little patch of light in the curtain of gloom which most papers seem to take delight in constantly magnifying; but perhaps it will spread.

"At all events, we will have the consciousness of having done our share."

Mr. Canfield has set an excellent example. It should be emulated by editors in every city that is feeling the cumulative effects of months of growing discontent, of negative thinking. The world has become too prone to introspection, to gloomy judgment, to a belief that things must be much worse before they can become better.

The newspapers exercise upon the minds of their readers an influence that makes for community good or ill. Few editors realize the farreaching effect of the work they do in dealing with and presenting the story of the day. In every day's news grist there is material for both optimism and pessimism, faith, or discouragement, hope or cynical despair. It is for those who edit and write the great record to preserve the proper balances, giving to the forward-moving events right of way.

Crape-hangers should be forced to find other channels than the newspapers for the dissemination of their doctrines.

EBERT GOVERNMENT

(Continued from page 1.)

gart to Berlin on Saturday, it is learned. The National Assembly and Russian Diet ahve been convoked to meet in Berlin on Sunday.

Twenty persons were killed when General Von Luettwitz's troops fired into the crowd as the soldiers were leaving Berlin yesterday afternoon, according to Berlin advices received here. Troops of the Ebert government are now guarding the city, add the advices, which state that a general Communist outbreak is still threatening. Information direct from Berlin is that Independent Socialists have decided to continue the strike. Food conditions are reported serious as no trains have come into Berlin for five days.

Fifty Killed.

(Canadian Press.)

STUTTGART, March 19. — Fifty persons were killed in most violent fighting at Leipsic, it is reported. Workmen, in their clash with the troops drew up barricades dug trenches and fought almost organized warfare. Mines were exploded near the railway station.

WHALE 2,000 MILES INLAND.

Dawson, Yukon territory, is exercised by a report that a whate was seen in the Yukon River, at the mouth of Sixty Mile River, a little south of that city and 2,000 miles inland. Angus Cameron, a prospector, arrived in a small boat and vows he saw the big fellow beside the boat. A whale was killed in the Yukon at the mouth of the Tanana river two years ago after travelling 1,000 miles inland.

By-Law Number 2237

A By-Law to Regulate the Closing of Barber Shops in the City of Peterborough.

PASSED THE 16TH DAY OF MARCH, 1920.

WHEREAS an application has been presented to and received by the Council of the Corporation of the City of Peterborough praying for the passing of a By-law requiring the closing of all barbers' shops situate within the City of Peterborough, under and by virtue of FACTORY, SHOP AND OFFICE BUILDING ACT, and the said Council is satisfied that such application is signed by not less than three-fourths in number of the occupiers of such barber shops within the Municipality of the City of Peterborough, and belonging to the class to which such application relates, and in accordance with the terms and provisions of the said Act above mentioned, it is compulsory upon the said Counicl to pass this By-law.

AND WHEREAS it has been made to appear to the satisfaction of the said Council that more than one-third in number of the occupiers of barbers' shops within the City of Peterborough are opposed to the continuance of By-law Number 2089, being a By-law to regulate the closing of barber shops in the City of Peterborough and desire that the same be repealed.

BE IT THEREFORE ENACTED BY THE MUNICIPAL COUNCIL OF THE CORPORATION OF THE CITY OF PETERBOROUGH AS FOLLOWS:

1. Under and in accordance with the FACTORY, SHOP AND OFFICE BUILDING ACT, all barber shops within the City of Peterborough, shall be closed on each day of the week (except Saturday and the day before every Public Holiday) at and during the time between the hour of seven o'clock in the afternoon and five o'clock in the forenoon of the next following day, and shall be closed and remain closed on each Saturday of the week at the hour of ten o'clock in the afternoon until five o'clock in the forenoon of the next following Monday and on each and every day before a Public holiday between the hour of ten o'clock in the afternoon and the hour of five o'clock of the next following day.

2. Any occupier of a barber shop within the City of Peterborough, refusing to close and keep closed, the barber shop which he occupies, and in which such business is carried on at and after the hour named for the closing thereof on each day on which the same is hereby required to be closed, according to the true intent and meaning of the said Act and of this By-law, shall on conviction thereof, be liable to a fine not exceeding FIFTY DOLLARS and costs, to be levied in case of non-payment thereof by distress and sale, of the goods of the offender, and in default of sufficient distress, such offender shall be liable to be imprisoned in the common gaol of the County of Peterborough, for any period not exceeding six monthes, unless the fine inflicted and the costs (if any) including the cost of distress and of the committal and conveyance of the offender to the said gaol are sooner paid.

3. By-law Number 2089 of the City of Peterborough is hereby repealed, but nothing herein contained shall revive or bring into force and effect By-law Number 1461 repealed by said By-law Number 2089.

4. This By-law shall take effect on the 29th day of March 1920.

5. This By-law shall be published by the insertion of a copy thereof, once in the following newspapers, published in the City of Peterborough, namely: The Evening Examiner and The Daily Review.

(Sgd.) A. A. McINTYRE, Mayor.
(Sgd.) S. R. ARMSTRONG, Clerk

PREDICT GASOLINE JUMP.

Oil Men Say Price May Be 40 or 50 Cents a Gallon Next Year.

CHICAGO, March. 18—Predictions that gasoline would increase in price during 1920, possibly to 35 cents a gallon, were made here by delegates attending the National Petroleum Congress at the Congress Hotel.

This time next year the price may be 40 cents a gallon and possibly 50 cents, they say.

Fred W. Lehmann, Jr., general counsel for the Western Petroleum Refiners' Association, declared that protective measures must be taken if the country is to avoid an oil famine with prohibitive prices.

"The price of gasoline in England is $1.78 a gallon," he said, "and the Government Commission has recommended $1.39 as a fair price. So, you see, Americans don't know anything about high prices yet. In 1915 there were 2,500,000 automobiles in this country and 288,000,000 barrels of crude oil were produced at a cost of 53 cents a barrel. In 1919 there were 7,400,000 automobiles and 370,000,000 barrels of crude oil were produced at a cost of $2.25 a barrel. To-day crude oil is $4.50 a barrel. Figure it out for yourself."

Cinnaform Pastilles

dissolved in the mouth, effectively destroy the many disease germs which are constantly floating in the air, and lodging in the throat. Cinnaform Pastilles are wonderfully successful in preventing Sore Throat, Tonsilitis, Quinsy. Excellent for children who suffer with Sore Throats and Colds.

SANDRA THE JEALOUS

BY JANE PHELPS

IRMA BARTON TELLS SANDRAOF LEOLA.

CHAPTER LXXV.

I felt horribly ill at ease awfully young, and in a way silly, as I walked along beside Mrs. Barton. But she chatted so easily, was evidently so unconscious of my feelings, that I had partially recovered a certain amount of poise before we reached her house.

Luncheon was served almost immediately. It was simple, but delicious. I remembered that Everett had said she was a past master at planning a menu. I wondered if there was anything he thought she couldn't do.

The waitress left us alone at an order from Mrs. Barton. I didn't wait, but plunged at once into the reason for accepting her invitation.

"You knew Mr. Everett's first wife?" I asked.

"Why—yes—" her surprise was very evident.

"Will you tell me about her? What she looked like, how she acted. Of course I know the servant's version, and some little more, but I should like to have you tell me about her."

"Perhaps—it would—be—as well," she said, more to herself than to me. Then, very seriously, looking keenly at me as she talked: "She was very much your coloring—as you have doubtless been told—"

"So many times I hate the very sight of myself!" I exclaimed vehemently.

"You have no reason to." Her voice was very cool, very calm, but someway I received the impression that she as not surprised—that she rather sympathized with me. "Especially as you have the richer coloring. Leola was very gay, her insouciant manner was very attractive to men. She was a great favorite, yet the most careless, most indiscreet woman I ever have known. The world overlooks many things in so beautiful a woman, if also she is the wife of a prominent man who allows her the utmost freedom."

"Yes, I now. Everett never questioned anything she did," said bitterly. "Two or three people have told me."

"He loved her devotedly. While she was not bad, she was bent upon having her own way, and often hurt him cruelly. He was extremely jealous of her, perhaps you know. He has the most jealous disposition of any man I ever have met. That he keeps it under control as he does, is marvelous."

I smiled in a superior manner. He might have been jealous of Leola, but he had buried it with her; he surely never had been the slightest bit jealous of me. If he had been I would have thought he cared a little for me.

"She was a remarkable woman in many ways," Mrs Burton went on after a moment. "She was the most versatile hostess and entertaining companion I ever have known. A man would have had to be proud of her. She also dressed exquisitely, always in shades of blue, usually sapphire. She knew that particular shade brought out all the wonderful beauty of her hair and eyes. She was a daring horsewoman. In fact, she did everything—tennis—golf—dancing, just a little better, with a little more spirit, than other women."

"No wonder it is hard for me to follow such a paragon," the words had slipped out. I had not meant to say them.

"Yes—I can see that it would be hard," she said seriously—without looking at me, for which I was grateful. "Yet I do not think you need envy Leola. Poor girl! She never was real happy."

"Why—how—what do you mean?"

"She possessed the most perverse sort of a nature. If anyone objected to her doing anything she immediately was intrigued to do that very thing. Everett at first did not know how to handle such a nature—he never really learned. But he tried to hold her by compulsion at first. Then she would defy him—threaten to leave him, and meant it too at the time. Then Everett went to the other extreme. He indulged her slightest whim, never objected, whatever she did. She, with her passionate nature thought because he had changed, that he had lost his love for her, and used no discretion at all.

"But do not get the impression that Leola was wicked—she was not. She was horribly indiscreet that was all. She knew she made Everett very unhappy at times, then was unhappy herself, altho she never would acknowledge it. Unhappy because of her love for him. He never knew it, would not believe it now. But in spite of her wild ways and her selfishness, Leola adored him. Have I told you what you want to know?"

"Yes"—I was very serious. "Was she very highly educated? Did she study and read a great deal?"

"She was very well informed indeed. She spoke French and Italian fluently, and was always well posted upon everyday topics."

I left soon after—left without even remembering that Mrs. Burton had said she wanted to tell me something. I recalled it after I reached home, but had so much to think of in connection with Leola that my curiosity was not even aroused.

To-morrow—Sandra is delighted to dance with hes husband.

COAL SHORTAGE IS IN PROSPECT

MINERS PRESENT NEW DEMANDS TO OWNERS.

TORONTO, March 19. — "There seems to be no doubt in New York among Wall Street men that there will be a complete suspension of coal mining on April 1."

Mr. Chas. McGill of the McGill Coal Company, Limited, Toronto, returned from the United States, where he has been studying th coal situation made this statement in reply to a query as to the coal situation in the United States at the present time. The reason for this apparently well-founded belief, Mr. McGill continued, is that the bituminous coal miners, whose present four-year agreement terminates on March 31, have presented demands with which the operators will be unable to comply. Briefly, they ask for an increase of $2 per day for men paid by the day; the reduction of working hours to six per day in a five-day week, full recognition of their union, and that, whenever practicable, coal be paid for on the short-ton basis. The short-ton basis refers to the difference in Canadian and American tonnage of 40 pouds. For contract miners 60 per cent. increase is asked.

Although this agreement is only at present affecting bituminous miners, Mr. McGill stated the anthracite miners whose agreement also terminates at the end of this month, are refraining from presenting their demands until they see with what reception the demands of the bituminous men meet. If a strike becombes inevitable, and Mr. McGill is almost certain that it will, the anthracite miners will join the general walk-out.

The effect of a strike on Ontario, said Mr. McGill would be to leave the Province absolutely without means of obtaining fuel. There are at present no reserve supplies in the Province and the operators themselves are depending on the supply mined from day to day.

The sortage in the present supply, Mr. McGill stated, is due chiefly to the fact that only 60 per cent. of the coal cars on United States railroads are in use, a condition which he attributes to the policy pursued by the U. S. Railroad Administration in failing to repair cars when repairs are required.

PRESIDENT WILSON POSES FOR MOVING PICTURE FILMS

WASHINGTON, March 19.—President Wilson is now well enough to pose ofr the movies. By special permission a number of moving picture photographers filmed him as he started for an automobile ride this morning. The camera men some weeks ago hid themselves in a load of hay and attempted to photograph the President as he sat on the White House lawn, but their plot was discovered and frustrated by Secret Service men.

INGENIOUS INVENTION

An ingenious little instrument, devised by a London physician, enables the doctor to examine the throat and ears of his patients in their homes, as hitherto onl ythe specialist in his consulting room has been able to do. With the old apparatus the room had to be darkened, but with this instrument examinations can be carried out in daylight.

Few People Know This

Large doses of pills for the liver are not as efficient as small doses.

The big dose purges its way through the system fast, but does not cleanse thoroughly.

The small dose (if *right*) acts gently on the liver, and gives it just the slight help it needs to do its own work, and do it well.

Take one pill regularly, until you *know* you are all right.

Keeping Pace With the Weather Is Our Task These Days

It is not nearly as easy as it was several years ago when the markets were normal. In those days the prompt delivery of merchandise was assured. Huge boxes and bundles arrived with mechanical precision. A bountiful supply of everything was possible. To-day it is not a question of buying but a question of deliveries. This store is constantly in touch with the markets and is ever on the alert for goods that can be delivered immediately or within a reasonable time. It is all in the business of keeping pace with the weather and that is the reason that throughout this entire store Spring merchandise is now being displayed in abundance.

Springtime Needs With Saturday Prices Attached That Present Themselves For One Day Only

$6 Treco Cord, Coating and Suiting Fabric, $4.75 Yard

Nearly every one is in search of new apparel, and naturally every one wishes to do it as economically as possible. This opportune offering will help you.

The first thing we want you to know is that it is All-Wool. The second, that it is an excellent material and is 56 inches wide.

The colour range includes: taupe, grey, sapphire blue, reindeer and elk. We purchased all the manufacturer had, and are now in a position to sell it at this moderate price.

35c White Cotton, 27c Yard

It comes in a 36-inch width and is fully bleached. It is known as a Canadian cambric and is a firm, even weave. We suggest that you purchase your spring and summer needs.

40c Yard Wide Stripe Flannelette, 33c Yard

We will not tell you the number of yards that we have sold of this Flannelette, for you would be inclined to doubt us. We would, too, if it were not that we have kept count.

There are several Pieces left of this excellent Cloth. The width is 36 inches, and you have choice of several stripe patterns.

A Handsome Collection of Modish Suits—Any One Can Be Had for $52

This assortment gives your taste a wide latitude. There are coats of various lengths and cuts, braids and embroidery smartly and variously arranged, and the materials are principally those old reliables, the ever popular—gabardine and serge. Each model possesses a distinctive note that makes a strong appeal.

$2.25 Taffetine Petticoats $1.98

A new dress, skirt or suit is never complete without a new underskirt, and many women wish to reduce their expenditure on this part of their wardrobe. You will find these skirts stylish and well cut.

The top is fitted and the bottom is finished with a 14-inch flounce. Some are all Black and others are Black with a floral or coloured flounce.

For the Jaunty Young Miss, the Slim or Medium Figure, a Polo Coat Is the Answer and $29 Is the Price

It has all the swagger of the short model, and a stitched panel gives it a smart back and inverted pleats form the sides. Patch pockets, deep cuffs and a cross-over collar are in evidence. The colours are soft greens and tan tones.

$5.95 Sample Voile Blouses at a Dismissal Price, $3.89

For the business woman who wants something that will launder or the separate skirt that needs a companion to complete it, they will be ideal.

Some are French and others English Voile—all are beautifully fine. There are various styles arrayed for your choosing. Filet, Val, Venice, and Macrame Lace and dainty Tuckings are discreetly used. All sizes.

A Tweed Coat Can Be Had for $27.50

You have become weary of slipping your winter coat over your smart dress and you want something jaunty and new. These swagger tweeds will satisfy your need. They are made on straight lines with smart belts, pockets and collars. The material is a Donegal tweed and the colours are grey and fawn mixtures.

$39 and $42 Serge Dresses for $34.95

All-wool botany serge is the material, and is garnished with braid and embroidery touches on the sleeves, bodice and skirt. You have choice of black, navy and fawn. The woman who requires a costume dress and has set aside this price for one will find them difficult to resist.

$1.75 Stamped Gowns, $1.29

You can use your idle hours to good advantage with needle and thread and have something handsome and useful at the finish.

These Gowns are made of a good quality Cloth, and are stamped with pleasing designs. They are hemmed and ready for use.

20c and 25c Soiled Wool, 3 for 30c

Single and Double Wool, in a variety of colours. There are only a few Skeins of each colour, but you can match it from our regular stock if there is not sufficient of the damaged Wool for your purpose.

"JUST WRIGHT" SHOES FOR MEN IN OUR MEN'S CLOTHES SHOP

Any man who wishes to be fashionably and comfortably shod when he steps out in his Spring Suit cannot do better than wear Just Wright Footwear.

They are expertly made from selected skins. They are synonymous with good style, and we are justified in placing emphasis on durability.

Our First Spring Sale of Ladies' Silk Hose

They Are Holeproof Seconds and Will Sell at 98c Pair, or 2 Pairs $1.85

We purchased these slightly imperfect stockings direct from the makers, and this enables us to give Peterborough women an opportunity to buy silk hosiery at a price that sounds like a quotation of three or four years ago. We had to contract for a large quantity to secure them at a price that permits us to sell them at such a low figure, but we know we can easily dispose of them.

It is difficult to find the imperfections in most cases, and when your search is rewarded you will usually discover that the flaw is but a slight irregularity in the weave in the Lisle portion of the foot. The colour range includes: Black, White, Champagne, Brown, and a few Navy.

Early shopping is advisable, for if past experiences are a standard to go by, there will be hundreds of eager buyers.

All sizes—8½ to 10.

Sound Reductions from the Redfern Store

$49 SERGE SUITS FOR $42

The coat boasts of a pretty ripple effect and is trimmed with braid. The collar is shawl pattern and the waist is encircled with a belt. The skirt is gathered under a narrow belt. Can be had in navy, black or castor.

$30.95 TWEED COATS FOR $27.00

Their colours are dark hues and an inverted pleat extends down the centre of the back. The fullness is restricted by a narrow belt that fastens with a buckle. The principal trimming is buttons and the collar is convertible pattern.

A HOUSE DRESS FOR $1.69

Neat, good looking garments for the mornings that you need not be ashamed of when you are called to your front door.

They are made of a good quality Striped Print — Blue and White mostly — made on a comfortable style, with a sailor collar and ¾ sleeves. Sizes 36 and 38.

SEVERAL $35 TAFFETA SILK DRESSES THAT WE HAVE DECIDED TO SELL AT $27.50

They are fashionable models and in most instances, they are combined with georgette and are trimmed with dainty embroidery touches. The colours are brown, navy, taupe and black.

$3.95 VOILE BLOUSES CAN BE HAD FOR $3.19

The voile is a fine French quality and is trimmed with dainty clusters of pin tucks and narrow lace. You have choice of either convertible or sailor collar; all are long sleeves.

The CRESSMAN Company Limited

G.W.V.A. WANT PROPERTY QUALIFICATIONS IN MUNICIPAL ELECTIONS ABOLISHED

MANY RESOLUTIONS PASSED AT THURSDAY AFTERNOON'S SESSION OF THE CONVENTION—WOULD DISFRANCHISE MILITARY DESERTERS AND DEMAND GUARANTEE OF SERVICE FROM UNNATURALIZED RESIDENTS.

REALIZE NEED OF PAPER

From two until six o'clock yesterday afternoon the G.W.V.A. convention reeled off innumerable resolutions many of which will find their way to the desks of Federal and Provincial legislators. Some of them were put through without comment, others were stayed by lengthly discussions.

A request to the Ontario Government to abolish property qualifications in favour of ex-service candidates in municipal elections for the offices of mayor, reeve or councillor was finally broadened to apply to all citizens.

Dr. C. E. Wilson of Toronto pointed out that many returned men were forced by the scarcity of houses and the high costs of materials to live in apartments and were thus prevented under the property qualification clause of the Municipal Act from contesting elections.

H. E. Green defended the statute stating that there were many returned soldiers in the floating population of most communities. If elected to municipal office they might be heavy expenditures pile up taxes that would be burdensome to the property owners who in the long run had to remain and pay the taxes.

L. Evans of Galt said that the property qualification had been abolished in all civilized countries.

Comrade Preston proposed that the convention should not ask that an exception be made for the benefit of the returned men, but that the amendment to the Act should include all citizens. This is in line with legislation which it has been reported the Drury Government will introduce this session.

Equipment for Funerals.

A resolution asking the Militia Department to supply for military funerals a gun carriage and equipment for a firing party to every branch of the G.W.V.A. having a membership of 500, drew several amendments in which the delegates from the smaller centres asserted their claims.

As altered the resolution calls for the equipment in every convenient place where a returned soldiers' association is established, for the use of the local G.W.V.A.

"We haven't had a good military funeral in Toronto for a year" said A. R. Wilkes of Parkdale, Toronto. "The only time we get one is when a man on the staff dies. Then they turn out with spurs and the rest of it."

"We've had no trouble in Brantford" Comrade J. Shute remarked. "Surely we are not admitting that the comrades are not turning out for firing parties."

"I didn't say the men wouldn't turn out" Mr. Wilkes replied. "Some times lately as many as five of our men died in a day. Then there was a rush to see who get the equipment first. What I did mean was the men were not allowed to come out. When they asked to get off work their employers refused."

"If a man upheld the Union Jack when he was alive, surely we should give him the glamour of it when we carry him to his last resting place" said J. Hossack of Westboro.

Delegates from comparatively small branches urged that the request to the Militia Department consider their claims. It was then suggested that the equipment for military funerals be placed in county towns, but G. E. Payne suggested the more general location of the most convenient place for local commands.

G.W.V.A. Journal Needed.

The convention pondered long on a proposal that the Ontario provincial command publish a weekly journal for the purpose of keeping the members in close touch with the G.W.V.A.

President Jeakins reported that this question has been considered in detail by the executive who could figure only a deficit of $5,000 in six months.

J. Armstrong of Mount Dennis wanted action if it was at all possible, and H. D. Peacock of Windsor suggested that the provincial per capita tax be doubled.

"It is essential to the interests of the G.W.V.A. that we have a paper of our own" he declared.

C. E. Haight outlined a scheme on the lines the Alberta "Veteran" is conducted, and stated that the Association couldn't calculate its numerical losses through the lack of an interesting weekly that would be read by all the men. "The Veteran" magazine, he believed, went "over the heads" of most of the men.

T. C. Weatherhead of the St. Catharines "Standard," speaking as a newspaper man advocated "a real live newspaper if the G.W.V.A. hopes to become the organization it should be."

It was brought home to the convention that the publishing costs these days have to be reckoned with.

R. F. Layfield of Peterboro was satisfied with the service the newspapers gave the veterans.

A committee of practical newspaper men, Comrades Haight, Peart, Livingston, Hood and Weatherhead was appointed to consider this question further and report before the close of the convention.

Restrict Timber Export.

Eighty-five per cent. of Canada's timber is exported to the United States who are conserving their own supply for higher prices, was the substance of the preamble of a resolution by J. V. Conroy of Toronto and A. Smees of Hamilton urging the Dominion Government to restrict by embargo the export of timber, and also to make a greater effort for reforestation.

Encourage Canadian Mines.

We are absolutely dependent

Upland Coffee

Coffee, grown in the cool, dry mountain plantations, is rich in those qualities which give the wonderful fragrance and flavour to

SEAL BRAND

—the perfect Coffee. Blended and roasted and put into air-tight packages, its goodness and exhilarating aroma sealed safe from the deteriorating air.

Ground and fine-ground. In ¼, ½ and 1-lb. tins. At good dealers everywhere. Write for "Perfect Coffee — Perfectly Made"—free on request.

Chase & Sanborn MONTREAL

the whims of the American dealers and market" C. E. Haight of Toronto said introducting his motion that the convention bring before the Dominion House the necessity of encouraging the greater production and use of Canadian coal, whether by bounty reduced freight rates or any other method that Government might decide as a means of overcoming the cost of the longer haul and meeting American competition on better terms.

Shut the Door on Hearst.

A sheaf of resolutions demanding that the Government exclude the Hearst publications from Canada reflected the temper of the local commands toward the anti-British campaign that has been waged for months in the New York "American" and other Hearst sheets and periodicals printed throughout the United States.

No Deportation.

"Let us make Canadians of them said A. H. Peart in opposing a resolution for the deportaton of enemy aliens. "The war is over, peace is signed. There are no enemies now in the general sense." The motion was defeated.

Why Do Canadians Emigrate.

A resolution urging the Government to investigate by commission or otherwise the reasons for the exodus of Canadians to the United States and to take steps to retain them here, met with some opposition through the idea of coercion that was interpreted from the second clause.

H. H. Hood construed it as a curb upon ambition. If Canadians were going to the United States it was because there were greater opportunities for them there.

It was explained, however, that the intention was to direct the Government's notice to this movement and to strive to make conditions more attractive in Canada.

Want Promise of Service.

Legislation is sought whereby unnaturalized citizens shall be examined by a properly constituted Board and if in its opinion they are undesirable that they be deported; if they are regarded desirable that they give a written statement of citizenship including military service.

Ladies Are Emulative

The suggestion of the Ladie's Auxiliary of the Peterboro branch of the G.W.V.A. that all the auxiliaries meet in convention was heartily endorsed, and will be proposed at the Dominion convention.

Resolutions were also passed advising Canadian consumption of Canadian goods and of trade within the Empire

Other Resolutions.

That, in view of prospective vacancies on the Bench in Ontario and for the advantage of securing a man who is conversant with the problems of the returned soldiers, the Dominion Government give preference to overseas barristers.

That the convention approve of the action of the Manitoba Government providing for the teaching of English to the alien youth in that province.

That the Government of Ontario institute juvenile courts where they do not at present exist.

That military deserters be deprived of the franchise for twenty years.

That the electoral system of proportional representation be endorsed.

Observe Armistice Day

That Armistice Day, November 11th, be recognized by the Association and that memorial services be held on the Sunday nearest to that date.

Fair Deal for the Youngest

That minors who are taking or have taken vocational training be granted the bonus which is provided for other vocational students.

Hands Off "Oleo."

That the convention protest against any prohibition of the manufacture or sale of oleomargarine in Canada.

That the free treatment of members of the C.E.F. be extended for three years, treatment to be given by a medical practitioner who may be selected by the patient.

That the Ontario Department of Health be put on a better basis and brought up-to-date in view of the large number of persons engaged in industrial operations whose health is below 100 per cent. and also because several cases are now receiving proper attention.

VOL. XLVI NO. 67 PETERBOROUGH FRIDAY, MARCH 19, 1920 PRICE TWO CENTS

The Old Government Is Gaining Control In Germany

MODERATES OBJECTED TO RESOLUTION

TORONTO MEMBERS OF TRADES AND LABOUR COUNCIL EXPRESS SYMPATHY FOR PROLETARIAT OF GERMANY.

Canadian Press.

TORONTO, March 19. — "We express our sympathy with the proletariat of Germany who are now struggling for liberty and freedom from the thraldom of the Junker Imperial caste and we express our disapproval of Britain's action in aiding and abetting the German capitalist interests in the occupied zone; we furthermore hope for the ultimate success of the workers' cause, realizing as we do that their victory is also ours."

The foregoing resolution was greeted with cheers and passed with only the hands of two returned soldiers indicating disfavor at the close of a meeting of the District Trades and Labor Council last night.

The motion, sponsored by Delegate F. Trueman, appeared when a number of the moderates of the Council, evidently suspecting some such move by the 'Radicals" had left the meeting.

John McDonald scathingly attacked the "delegates who left when such a question was brought up."

"We are all aware that Brother Trueman is an extremist but that is no excuse for them pooh-poohing such a motion especially when we all know who read the papers that the British capitalist class and the British government are conniving with the capitalist class of Germany. Do they not realize that if the German workers are able to join forces with those of Russia it will sound the death knell of capitalism the world over. I commend the resolution. Surely we can see the success of the Soviet government in Russia and why should we pooh-pooh when there is now a possibility of the working class in Germany coming to its own. The least we can do is to follow in the footsteps of Germany and of the workers the world over."

Delegate Braithwaite said: "Do we know that $25,000,000 have been advanced to Germany to re-establish capitalism and the Junkers whom not long ago every one in this country was attacking," he demanded hotly. "I believe and I know that if the working class is to come into its own place it must take the same steps here as it has in Europe unless the government sees fit to relieve the present condition of society."

Delegate Higgins, who wears a service button: "when there is anything comes up where fresh air is needed the delegates here are ready. But they are not so keen to dip into their pockets when it comes to backing up a strike at home."

"If they want to help the workers in Germany why don't they go over there and help them? I am in favor of minding our own business."

Delegate Palmer: "If the allied trade unionists had pledged themselves to take no part in the international war would there have been any war? Decidedly no."

When the vote was taken practically all the moderates had left the room.

PREPARED TO PRESENT SHIPS TO CANADA

(Canadian Press.)

OTTAWA, March 19.— Examination of report of Admiral Jellicoe, recently tabled in the House of Commons, shows that the British government is prepared to present to Canada a fleet of ships which at pre war prices would be worth $16,500, and at present prices would have a much higher value. Admiral Jellicoe's scheme provides for an increase by construction of new cruisers in Canada, but this need not be undertaken until the finances of the country would warrant it. Until these vessels are built the annual expenditure would be between four and a half and five million dollars.

Ontario Gets Big Share of Domestic Servants

SEVERAL PARTIES HAVE REACHED THIS PROVINCE WITHIN THE LAST FEW WEEKS—MORE COMING.

(Special to The Examiner.)

MONTREAL, Que., March 9. — Montreal and other parts of the province of Quebec are experiencing a great shortage in the supply of domestic servants and much disappointment is felt here that the number that have been coming for years past from the old land and finding situations to their liking, is dropping off alarmingly. The Rev. John Chisholm, superintendent of the Presbyterian General Assembly, says: "Ontario is getting all the domestics they want. From the Metagama which docked on Tuesday, a party of 62 girls disembarked of whom only 11 stopped at Montreal, the rest went to Ontario. There will be sixty more from Glasgow next week for Ontario." He gave as the chief reason that Ontario has an agent in the British Isles whose duty it was to recruit in that respect. "Apparently the province of Quebec is showing no interest in the matter."

Miss Loutit, Lady Superintendent of Immigration here confirmed Mr. Chisholm statement and said the domestics going through to Ontario were a very fine class of women.

THE FORMATION OF REPUBLICS

"A FEW MARKS AND A PIECE OF BACON" INFLUENCE DESERTERS.

(Canadian Press.)

THE HAGUE, March 19. — The "Handelsblad" takes the view that no one should be frightened by despatches announcing that Soviet republics have been proclaimed here and there in Germany. These proclamations says the paper, are only the work of troops and armed labourers, supported by army deserters whose political convictions "depend largely on a couple of hundred marks and a piece of bacon."

"They occupy the town hall, chase out the trembling burgomaster, install themselves behind a green table and proclaim a Soviet republic," the newspaper adds. "This is only a matter of a few minutes, but the chase the whole government away it would take longer."

BERLIN "BARRFL" OF GUNPOWDER

WORKMEN PEEVED AT ACTION OF TROOPS.

(Canadian Press.)

LONDON, March 19. — All Germany, with the exception of Southern States, is rebellious, and Berlin is a "barrel of gun powder which may be ignited at any time," says a Berlin despatch to the Exchange Telegraph correspondent at Berlin yesterday.

Workmen are especially provoked at the action of Von Kapp's troops in turning their machine guns on the crowds as they left Berlin.

STOCK MARKET OPENED STRONG

LEADING ISSUES SHOW INCREASING ACTIVITY—STERLING EXCHANGE.

(United Press.)

NEW YORK, March 19. — The stock market opened strong. U. S. Steel opened at 103, up 3-8; Pressed Steel, 104 1-2, up 2 7-8; U. R. Stores, 77 5-8, up 1 1-8; Bethlehem, 96 1-2, up 1 1-4; Baldwin, 135 3-4, up 1; Central Leather, 90 1-2, up 5-8; U. S. Rubber, 113 3-8, up 7-8, Texas Company, 213 1-2, up 1; Studebaker, 107 3-8 up 1-8; Republic, 105 1-2, up 1; American Loco., 108, up 1 3-4; Reading, 87, up 1-8; Chandler, 150, ex-div. up 1-2; General Motors, 339, up 4; American Woollen 137, up 1, and International Paper 89 3-4, up 1-8. Sterling was up 5 1-2, and this strength reflected in other foreign exchange quotations, had a favourable effect on stock market prices. General Motors sold at 343, up 8. Studebaker sold up to 109 1-2.

It was a typical dull market, one group and then another being taken up and given a whirl. There was no evidence of pressure on any part of the list during early trading. Stutz touched 196, an advance of nearly 50 in three days. Pan Amn sold at 103 up 3.

Exchange Market.

The market opened strong with demand sterling at $3.79 1-4, up 5 1-2 cents; Franc checks 13.60 up 4 centimes; Lire check 18.62, up 2; Marks demand $.013, up $.0001 and Canadian dollars $.8895.

PROTEST RESTRICTIONS ON MOTHERS' PENSIONS.

BRANTFORD, March 19. — The Equal Franchise Club to-day sent a protest to Ottawa against the placing of restrictions on mothers' pensions dependent upon the amount of property or money possessed by the widow. They also demanded that the Hearst papers [illegible] Canada

HUNDREDS KILLED BY THE SOLDIERS

FIGHTING CONTINUES THROUGHOUT GERMANY.

(Canadian Press.)

LONDON, March 19.—Hundreds of persons have been killed in Mining Districts of Germany in collisions between miners and troops, it is declared in reports from Germany received from big towns in Germany Correspondent says. Telegrams received fro mbig towns in Germany message states, show that fighting is proceeding in nearly all thickly populated places where soldiers and workers are opposed.

EXCHANGE RATES ARE HIGHER TO-DAY

(Canadian Press.)

NEW YORK, March 19.—Foreign Exchange rates were substantially higher at opening of stock market here to-day. Demand bills on the English pound sterling were quoted at $3.79 1-4 or 5 1-2 cents above yesterday's closing prices. Canadian dollar was quoted here at 88.05 cents.

MASS MEETING FOR RETURNED SOLDIERS

Will Protest Against Release of Coloured Man.

(Canadian Press.)

HAMILTON, March 19. — Returned soldiers have called a mass meeting for Saturady night at the market square to protest against the decision of Magistrate Jelfs in releasing a coloured man charged with assault on a fourteen year old girl.

HOCKEY

The South Central Flyers challenge the Queen Alexandra school to a game of hockey at Brock street rink any day next week from 5 to 6.

Line up as follows: Goal, Morrison right defence, Jackson, left defence, McDougall, righ. wing Morrison, left wing Frein, centre McDougall.

SPARTICAN UPRISINGS IN GERMANY

EBERT GOVERNMENT FACES INSISTENT DEMAND FOR RE-ORGANIZATION.

By Ed. L. Keen.
(United Press.)

LONDON, March 19.—The government of President Ebert, returning from Stuttgart to Berlin, will face an insistent and widespread demand for re-organization, despatches here indicated.

Advices from French, British and Italian officials in Germany said the danger of the Soviet movement, backed by the Spartacan elements, cannot be minimized. The officials urged their government to give Ebert support in his efforts to restore order throughout Germany. Some French circles opposed this, believing the Germans would take advantage of a change in the Allied attitude to demand further concessions in enforcement of the Treaty of Versailles, particularly the clauses governing disarmament of German military forces.

Other official telegrams from the capital said that radical uprisings are most serious and that the Spartacans threaten to gain complete control in some districts.

Entente officials were keeping in close touch with the entire situation.

LIGHT SESSION THIS AFTERNOON

Farmer and Labour Members Held a Caucus To-day.

(Canadian Press.)

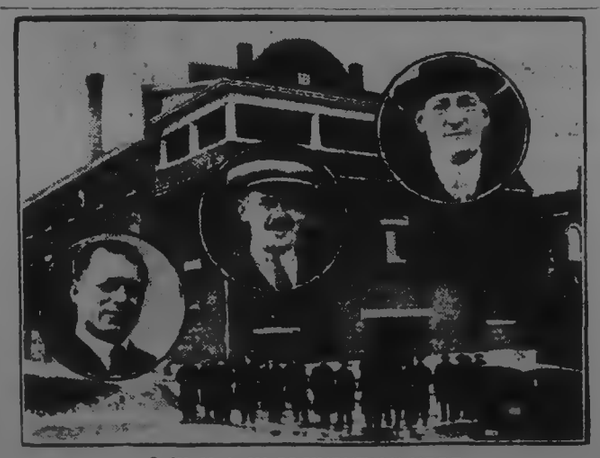
TORONTO, March 19.—The Ontario Government's Legislative programme was further reviewed at a caucus of farmer and labour members at Queen's Park this morning. Various measures were under discussion during the meeting. It is know that the government is now determined to wind up the debate on the Speech from the Throne with all possible speed, in order to clear the way for fresh business. No efforts would be spared to bring the debate to a close before the end of next week, although the list of speakers is still a lengthy one. Private members' day in the House this afternoon means a light session.

PREPARING FOR THE FINAL VOTE

SENATE ADOPTED MODIFIED TREATY RESERVATION.

(Canadian Press.)

WASHINGTON, March 19.—Preparing for final vote on ratification of Peace Treaty Senate to-day adopted modified reservation premable worked out in the Bi-Partisan Conference under which affirmative acceptance of reservation by other powers would not be required.



G. W. V. A. IN CONVENTION HERE

Here is the splendid club house of the G. W. V. A. at Peterboro where the Veterans are now in convention. Inset are pictures of Provicial Secretary Turley, President-elect O'Flynn, of Belleville, Ont. and President Jenkins.

OLD GOVETNMENT LEADERS CONDEMN THE ATTEMPTED GERMAN REVOLUTION.

Canadian Press.

BERNE, March 19. — Chancellor Bauer caused a sensation at yesterday's sitting of the German National Assembly at Stuttgart, when he revealed the conditions presented the government by Dr. Kofigang Kapp and General Von Luettwitz before they entered Berlin last Saturday morning.

"They wished to [illegible]

"Pitiless punishment must come to these offenders. Their fortunes must be seized and they must be tried before the Supreme Court at Leipsic."

Philip Scheidemann, the leader of the Majority Socialists, Herr Burlage of the Centre Party, Herr Kron of the German Nationalists and Herr Becker of the People's Party are unanimous in the condemnation of the attempte[illegible]

Ebert Government Plans to Return to German Capital

MANY LIVES BELIEVED LOST IN A BLIZZARD WHICH SWEPT OVER THE WESTERN PROVINCES

RAILWAYS HELD UP SINCE MONDAY LAST—TWENTY MILES OF TELEPHONE POLES SNAPPED OFF IN ONE SECTION.

(Special to The Examiner.)

WINNIPEG, Man., March 19. — Railway trainmen arriving back in Winnipeg from the west to-night, said the blizzard of Monday which swept the west, was about the worst in experience, and believe when the wires are working again and detailed information received it will be found that many lives were lost in different parts of Manitoba and Saskatchewan. Hundreds of cattle and horses perished.

Between Elie and Portage La Prairie, Man., twenty miles of telephone poles were snapped off about six feet from the ground. Heavy damage was done to telegrah poles along the main lines.

During the blizzard on Monday afternoon the semaphore tower at Neepawa was burned down and so bad was the storm that people 100 feet away could not see the fire.

Grand Trunk officials state the railway has been held up since Monday by the most severe storm experienced for many years. Trains are two days late in arriving from the west.

Despatch from Gladstone, 70 miles north-west of Winnipeg, states: "After raging for thirty-six hours the most vicious blizzard that has struck these parts within memory of the oldest settlement, abated this evening and people were then able to get out and take stock of the damage done."

Reports of lives lost have come in. Word of school children spending the night in schools or at some of the neighbours. Party of five loading pressed hay at Golden Stream siding, spent twenty-four hours in a church there. It is feared that many cattle perished.

SPRING MILLINERY OPENING AT P. BLACK'S

The ladies are very cordially invited to attend our Spring Millinery Opening to-morrow and inspect the new seasons fashions in Trimmed Hats. We are showing of the new creations of the milliner's art in hand made hats, of crepe, satin, caterpillar straw, pine apple straw combined with crepe and pine apple straw sailors, also patent leather hats. Many different straws, and braids. Most all colours, charmingly trimmed, becomgravel, 45c; Mrs. W. H. Moore, graving to every age, young girl's misses, matrons. Prices are only a fraction of present value namely, from $1.98 to $6.50.

What 10 cents will do!—Mrs. Black has been busy collecting a lot of pretty and useful trimmings for hats, such as jet and bead ornaments, mounts, sprays, buckles of all kinds, silver and black. Some worth up to 75 cents your choice for only Ten cents.

Provincial Bond Offerings Are Quickly Gobbled Up.

(United Press)

NEW YORK, N.Y., March 19. —In the heightened activity in the bond market of recent days Canadian issues have been in particular demand. The new offerings of the provinces of Quebec, Ontario and Manitoba were not only quickly gobbled up, but also the floating supply of outstanding Canadian provincial and Dominion bonds was substantially reduced. According to bond men most of the business on the Canadian issues have been done over the counter.

LOCAL VOTE ON DAYLIGHT SAVING

FOURTEEN FACTORIES TO HEAR FROM—MAJORITY IN FAVOUR OF SUMMER TIME.

With fourteen factories still to hear from the voting for daylight saving now stands at eleven for three against. Added to the list of factories already announced the following results have been received:

STREET FIGHTING MARKED THE RETIREMENT OF THE REVOLUTIONARY FORCES—ALLIED HEADQUARTERS SCENE OF FIGHT.

DISORDERS IN MANY SECTIONS

(United Press.)

BERLIN, March 19.—Violent fighting between crowds of workmen and soldiers marked the evacuation of the capital by the insurrectionary military forces to-day.

Several persons were killed and many others wounded in the vicinity of the Hotel Adlon this afternoon as the Ehrhardt marine brigade, the backbone of the revolutionists' military power, evacuated the Wilhelmstrasse.

Order was restored by safety police supporting the Ebert government.

As the marine brigade retired a large crowd in Unter Den Linden hooted it and there was some shooting. Safety police, who followed the marines, were forced to shoot down the street to clear a passage. As the safety police progressed down the street, a second group of marines appeared and for three or four minutes shooting was general. Other marines appeared before the Hotel Adlon and fired on the crowds there. Heavy firing also was heard in the vicinity of the Bradenburg gate.

Rushed Hotel.

The only attempt against the lives of foreigners came early this afternoon when a mob attempted to rush the Hotel Adlon, headquarters of the various foreign missions. The mob was repulsed by guards.

Baltic troops which had been supporting Von Kapp, left the city this morning. As they passed through Charlottenburg, a suburb, they fired shots into a meeting of Independent Socialists. Forty persons were reported to have been killed.

The troops, members of the old "iron division" of General Von Der Goltz were reported to have marched on to Spandau, where they clashed with radical workmen. The troops scattered the radicals, killing and wounding several.

Sixteen persons were reported to have been killed in an undetermined explosion in the Charlottenburg electrical works.

The safety police and other loyal Ebert troops were busy clearing the city to-night, removing barbed wire entanglements and barricades erected by the insurrectionists.

Strike Situation.

The demand of the lefts for continuance of the strike was considered most serious, as it was considered aimed directly at the Ebert government.

Agitation against Jews also has been noticeable. The people accuse the Jews of profiteering and illicit trading and talk of pogroms has been heard on all sides.

Advices from South Germany to-night indicated the situation there is quieting. Some fighting was reported from the industrial district in Westphalia, with efforts at establishment of workers' soviets in different areas.

Disorders also were reported in Stettin and violent fighting in parts of Thuringia.

Fled From Berlin.

(United Press.)

PARIS, March 19. — [illegible] Von Luettwitz, military of the monarchist counter revolution has [illegible] suicide according to the Koln Tageblatt. Von Luettwitz resigned simultaneously with Dr. Wolfgang Kapp, chancellor of the short lived monarchist government and fled from Berlin Wednesday night.

Will Return.

NO TIME FOR CRAPE-HANGERS

(From Editor and Publisher.)

William W. Canfield, editor of the Utica Observer, believes that the newspapers should do their part in putting a check to the wave of discouragement, pessimism and "blues" which is sweeping the country. He recognizes the soundness of Shakespeare's philosophy, "There's nothing good or bad but thinking makes it so."

Editor Canfield has had posted in the editorial and local rooms a notice to the staff of which the following extracts are typical:

"What I want to do is to keep out of the Observer all the crape-hanger, gloomy Gus, sordid, doleful, discontented, muttering, fault-finding and threatening talk. Boost every bit of encouraging news. Ten hopeful outlook lines are of more worth than a column of complaint about conditions and prices. Above all, we do not want to give space to any predictions about "prices are going to be higher," "better buy now" and all that sort of bunk, which, traced to its moving spirit, will nearly always be discovered to be propaganda of someone who has got something to sell, and wants to unload it on the public.

"Let's try, every one of us, to get some courage, confidence and faith into the homes which the Observer visits. It isn't much, of course, as it is only a little patch of light in the curtain of gloom which most papers seem to take delight in constantly magnifying; but perhaps it will spread.

"At all events, we will have the consciousness of having done our share."

Mr. Canfield has set an excellent example. It should be emulated by editors in every city that is feeling the cumulative effects of months of growing discontent, of negative thinking. The world has become too prone to introspection, to gloomy judgment, to a belief that things must be much worse before they can become better.

The newspapers exercise upon the minds of their readers an influence that makes for community good or ill. Few editors realize the farreaching effect of the work they do in dealing with and presenting the story of the day. In every day's news grist there is material for both optimism and pessimism, faith, or discouragement, hope or cynical despair. It is for those who edit and write the great record to preserve the proper balances, giving to the forward-moving events right of way.

Crape-hangers should be forced to find other channels than the newspapers for the dissemination of their doctrines.

EBERT GOVERNMENT

(Continued from page 1.)

gart to Berlin on Saturday, it is learned. The National Assembly and Russian Diet ahve been convoked to meet in Berlin on Sunday.

Twenty persons were killed when General Von Luettwitz's troops fired into the crowd as the soldiers were leaving Berlin yesterday afternoon, according to Berlin advices received here. Troops of the Ebert government are now guarding the city, add the advices, which state that a general Communist outbreak is still threatening. Information direct from Berlin is that Independent Socialists have decided to continue the strike. Food conditions are reported serious as no trains have come into Berlin for five days.

Fifty Killed.

(Canadian Press.)

STUTTGART, March 19. — Fifty persons were killed in most violent fighting at Leipsic, it is reported. Workmen, in their clash with the troops drew up barricades dug trenches and fought almost organized warfare. Mines were exploded near the railway station.

WHALE 2,000 MILES INLAND.

Dawson, Yukon territory, is exercised by a report that a whate was seen in the Yukon River, at the mouth of Sixty Mile River, a little south of that city and 2,000 miles inland. Angus Cameron, a prospector, arrived in a small boat and vows he saw the big fellow beside the boat. A whale was killed in the Yukon at the mouth of the Tanana river two years ago after travelling 1,000 miles inland.

By-Law Number 2237

A By-Law to Regulate the Closing of Barber Shops in the City of Peterborough.

PASSED THE 16TH DAY OF MARCH, 1920.

WHEREAS an application has been presented to and received by the Council of the Corporation of the City of Peterborough praying for the passing of a By-law requiring the closing of all barbers' shops situate within the City of Peterborough, under and by virtue of FACTORY, SHOP AND OFFICE BUILDING ACT, and the said Council is satisfied that such application is signed by not less than three-fourths in number of the occupiers of such barber shops within the Municipality of the City of Peterborough, and belonging to the class to which such application relates, and in accordance with the terms and provisions of the said Act above mentioned, it is compulsory upon the said Counicl to pass this By-law.

AND WHEREAS it has been made to appear to the satisfaction of the said Council that more than one-third in number of the occupiers of barbers' shops within the City of Peterborough are opposed to the continuance of By-law Number 2089, being a By-law to regulate the closing of barber shops in the City of Peterborough and desire that the same be repealed.

BE IT THEREFORE ENACTED BY THE MUNICIPAL COUNCIL OF THE CORPORATION OF THE CITY OF PETERBOROUGH AS FOLLOWS:

1. Under and in accordance with the FACTORY, SHOP AND OFFICE BUILDING ACT, all barber shops within the City of Peterborough, shall be closed on each day of the week (except Saturday and the day before every Public Holiday) at and during the time between the hour of seven o'clock in the afternoon and five o'clock in the forenoon of the next following day, and shall be closed and remain closed on each Saturday of the week at the hour of ten o'clock in the afternoon until five o'clock in the forenoon of the next following Monday and on each and every day before a Public holiday between the hour of ten o'clock in the afternoon and the hour of five o'clock of the next following day.

2. Any occupier of a barber shop within the City of Peterborough, refusing to close and keep closed, the barber shop which he occupies, and in which such business is carried on at and after the hour named for the closing thereof on each day on which the same is hereby required to be closed, according to the true intent and meaning of the said Act and of this By-law, shall on conviction thereof, be liable to a fine not exceeding FIFTY DOLLARS and costs, to be levied in case of non-payment thereof by distress and sale of the goods of the offender, and in default of sufficient distress, such offender shall be liable to be imprisoned in the common gaol of the County of Peterborough, for any period not exceeding six monthes, unless the fine inflicted and the costs (if any) including the cost of distress and of the committal and conveyance of the offender to the said gaol are sooner paid.

3. By-law Number 2089 of the City of Peterborough is hereby repealed, but nothing herein contained shall revive or bring into force and effect By-law Number 1461 repealed by said By-law Number 2089.

4. This By-law shall take effect on the 29th day of March 1920.

5. This By-law shall be published by the insertion of a copy thereof, once in the following newspapers, published in the City of Peterborough, namely: The Evening Examiner and The Daily Review.

(Sgd.) **A. A. McINTYRE,** Mayor.
(Sgd.) **S. R. ARMSTRONG,** Clerk.

ADDRESSED THE LOCAL ENGINEERS

MR. ALFRED R. LAMBE, OF OTTAWA, SPOKE ON INSTITUTE MATTERS.

Mr. Alfred R Lambe, of the Dominion Water Power Board, Ottawa, and honorary secretary of the Ontario division of the Engineering Institute, gave an address to the local branch of the Engineering Institute last night at the Empress Hotel. Mr. John Murphy of Ottawa who was to speak on "Ice" and show different slides on the subject, was unable to be present, so Mr. Lambe was secured. Mr. Lambe is a former resident of this city.

Mr. R. H. Parsons presided at the meeting with the following members present: Messrs. Killaly, Rogers, Reid, Holman, Sutherland, Evans, Langley, Dickenson, Perks, Fife, Westbye, Allison, Shirley, Sisson, Cruthers, Bowness and Dobbin.

Letters of condolence were received from the Montreal branch and the Ontario division in the loss of the president of the local branch, Mr. Reid Munro. At this, the first meeting since Mr. Munro's death, Mr. R. A. Parsons spoke feelingly of his association with the deceased and of his inestimable work in starting and organizing the local branch.

It was moved by Mr. E R. Shirley that the secretary be instructed to send a letter of condolence to Mr. Munro's family and that the branch go on record as deeply appreciative of the work of the deceased for the engineering institute. The motion was unanimously endorsed and was followed by a motion that a similar letter of condolence be sent to Mrs. A. F. Bookhout and family in the loss of her husband, Mr. A. F. Bookhout.

According to by-law the Nominating committee had to be elected before April 1st, so last evening the following were elected: R. B. Rogers, C. E. Sisson, R. H. Parsons, Mr. Sisson to be chairman.

Power Committee.

In reporting on the Power committee, C. E. Sisson, chairman, said that a power map was being prepared at the C.G.E. but it hadn't been completed. The next meeting the report and map will be ready.

The matter of membership came up, and the need for an active campaign to get new members was urged by Mr. P. L. Allison and also by the chairman. In introducing the speaker Mr. Parsons referred to his office in the institute and his zealousness in its work. Mr. Lambe spoke on the loss sustained in the death of the late Reid Munro in beginning his address. The excellence of the address they would have heard if Mr. Murphy had been present was dwelt on, while the speaker said that he would just give a short address on institute matters.

He traced the engineering profession from its inception by the military first, to a civil occupation; hence civil engineers and the Canadian Society of Civil Engineers was formed, covering mechanical, electrical, chemical and other engineering bodies under the head of civil engineers, but the men did not appreciate the true meaning of the word, so finally the name was changed to its present one ,yet not without causing some trouble among the older members of the society, who loved its former name.

He outlined its growth "The institute will undoubtedly become authoritative, helpful and the standard in engineering circles in Canada," he said. The officers and other executives were fully explained and many other matters pertaining to the work of the institute. "The aim of the institute is to foster and help the dissemination of knowledge," he said, "and thus perform a great service to the community."

The important part the Engineer plays in any community was emphasized fully and their poor remuneration for their services. The Journal, the paper of the Institute, received nothing but praise, and Mr. Lambe bespoke the support of all in sending any timely articles whenever possible. The different divisions of Ontario were explained and the matter of legislation for the engineers. In several provinces good acts to this end are under way and in Quebec a scale of fees has been drawn up for approval by the governor-in-council to have the force of law if approved. This question of legislation is being gone into by an advisory conference committee on legislation and much material has been prepared with a view of bringing the matter before the Provincial house.

Mr Lambe spoke at length on the provincial meeting to be held in Niagara Falls next September and promised them an enjoyable time, besides the opportunity to see the Niagara power plants, the Welland canal works and the Queenston-Chippewa developments for the hydro. He urged them to bring their wives if possible and make the event a holiday for all.

A hearty vote of thanks was moved to Mr. A. R. Lambe by Mr. R B. Rogers, who spoke on the success of the Engineering Institute in the last year and its advancement in public favour. Mr. A. L. Killaly seconded the motion, which was tendered to the evening's speaker by Mr. Parsons. Mr. Lambe expressed his appreciation of having the opportunity to speak on institute matters.

STOP LOOK and LISTEN

before purchasing a baking powder that may possibly contain injurious ingredients. Many food scientists claim that baking powder containing alum is unsafe for use in food. The mere fact that some brands of baking powder have the words "No Alum" on the label is not sufficient proof that they are what they are represented to be. Our chemists find a good many have "No Alum" on the outside but large quantities of it inside.

MAGIC BAKING POWDER

Contains No Alum

Pure Wholesome Economical

NAPOLEON'S YACHT SOLD.

PARIS, March 19. — The yacht which belonged to Napoleon III, and upon which the Empress Eugenie sailed to inaugurate the Suez Canal, has been sold to the city of Marseilles for 130,000 francs. For some time it has been used as a pontoon.

BRAZILIAN CREDITS TO ITALY

Government Grants $25,000,000 for the Purchase of Food Products, Etc.

RIO DE JANEIRO.—The Brazilian Government has granted credit of $25,000,000 to Italy for the purchase in Brazil of various food products, including frozen beef, cereals, lard, coffee, sugar, cotton and rubber.

The creditc will be handled by the Bank of Brazil, which will issue it in instalments of $1,250,000. The credits will be based on the New York rate of dollar exchange on the date of issue of the various installments. The agreement will become effective immediately.

Why Stay Fat? You Can Reduce

The answer of most fat people is that it is too hard, too troublesome, and too dangerous to force the weight down. However, in Marmola Prescription Tablets, all these difficulties are overcome. They are absolutely harmless, entail no dieting or exercise ,and have the added advantage of cheapness. A large case is sold by druggists at $1. Of if preferable they can be obtained by sending price direct to the Marmola Co., 864 Woodward ave., Detroit, Mich. Now that you know this you have no excuse for being too fat, but can reduce two, three or four pounds a week without fear of bad after-effects.

SILK SHIRTS

TOPEKA CAPITAL—Shirt manufacturers now say that $15 silk shirts (which were $6 a few years ago) will soon be $25. The country will be well served by these manufacturers if they made it $50 or $100. Fancy silk shirts are one luxury that cannot be put too high in price. Because they are in such demand not enough cheaper shirts are made. The sooner the lunatics who pay such prices for silk shirts reach their limit the better for goods are necessaries.

VETERANS HAD A NIGHT OUT

No brighter or more fitting programme could have ben chosen by the management of theGrand Opera House for Veterans Night than that which was presented last evening. The vaudeville was splendid and the pictures interesting and every member of the G.W.V.A. who totalled some three hundred appreciated each feature to the fullest extent. Johnson Bros and Johnson who kept the audience highly amused proved the favorites of the evening with their witty sallies cleverly introducing the G.W.V.A. sentiment and their marvellous step dancing. Miss Cinko Panno with a novelty European musical act was repeatedly encored, her crowning success being 'The Maple Leaf' accompanied by the veterans who called for the entire house to stand to join in the chorus. Leonard and Wright introduced a pretty dancing feature and were delightfully graceful in the different steps.

Picture.

"The Egg Crate Wallop" starring Charles Ray proved an all around interesting film. The story is good and the different parts splendidly acted. The plot which is based upon guilt of stealing $2,000, wrongly placed upon a young express agent introduces an exciting prize fight in which the express man, who has escaped from the small town he is supposed to have robbed, gives his opponent in the ring in Chicago, the "egg crate wallop" knocks him out and carries off the stakes of $2,500. Returning to the home town he establishes his innocence through a marked bill and the real robber confesses. A Tom Mix picture was as usual a good live film and the Paramount magazine exceptionally interesting.

SILVER LOSES ITS OLD HIGH ESTATE

Reduction by Canada of Fineness of Coins of Little Importance.

NEW YORK, March 19.—The New York Times in its financial gossip says:

"It is reported that the Canadian Minister of Finance is anxious to have the fineness of Canadian silver coins reduced from 935-1,000 to 800-1000, the idea being to make it less profitable for individuals to export or melt down the coins for their bullion value.

"This of course, is debasement, a thing much deplored by all 'sound money' advocates. But, after all, silver has lost much of its 'money' value. The Latin Union virtually is a thing of the past, and except in the Far East silver is not in demand as 'bank money.' At the present time it is little more than metal, with none of the psychological attributes it once enjoyed."

A good railway engine will travel about one million miles before it

Stomach Disorder

ONLY 6 MONTHS TO LIVE EAD WHAT B.B.B. DID FOR HIM

Mr. Hanz Kehki, Magnolia, Alta, writes:— "Some time ago I became very sick from stomach disorder, which the doctor told me had started from drinking bad water. I tried local doctors, but finding I got worse from day to day I went to a doctor in Edmonton. He told me that I must have an operation, and that if I didn't I couldn't live any longer than six months. I told him I had better die after six months than be cut to pieces. I did not have the operation, but returned hom. No one was there to meet me at the station, because they did not know I was coming. I felt so bad I couldn't walk further than 10 yards without resting. It took me 6 hours to walk 2 miles; the distance from the station to my home.

Some weeks later I read an advertisement about your Burdock Blood Bitters. After I had used one bottle I felt much better, and after I had used three bottles I was completely cured; therefore you see your B.B.B. has saved my life, and I cannot praise it too highly."

Burdock Blood Bitters puts the stomach into shape by promoting perfect digestion, and restoring health and strength to the sysem. Manufactured only by The T. Milburn Co, Limited, Toronto, Ont.

EL CERRITO TOWN BARS OUIJA BOARD

Entire Population to be Examined by Alienists.

MARTINEZ, Calif., March 17.—The village of El Cerrito was getting ready here for an alienist examination for "ouijamania." A mass meeting in the town hall decided everyone of the 1,200 citizens should be examined by mental experts to determine if the ouija board craze had got them. Arrangements were made for the alienists. The meeting decided to bar the ouija board as pernicous from the city limits. El Cerrito's action followed the arrest of seven persons here on charges of insanity after they had become ouija fiends.

THE C.G.E. BY-LAW.

On Tuesday next, March 23rd, the vote on the by-law to grant the Canadian General Electric Company a fixed assessment of $150,000 for a term of ten years will be taken. The passing of the measure means a $1,000,000 addition to the plant of the Canadian General Electric Company and the doubling of the local pay-roll; its defeat may, and undoubtedly will, result in some other city being selected as the location of the new plant which the company proposes to build. Other cities are keen to secure this plum, and inducements of a substantial nature are being offered the company, inducements that in the event of the refusal of the Peterborough ratepayer to favour the extension of the present assessment for another ten years would very likely result in the new plant being lost to this city Can Peterborough afford to let a million dollar industry that will give employment to hundreds of men get away? That is the point that the ratepayers should settle in their minds before marking their ballots on Tuesday

A CHANGE NEEDED.

The advisability of securing a new head for the Department of Soldiers' Civil Re-establishment, which has been ventilated often at meetings of returned soldiers and in the press has at last been discussed before Parliament. Sir James Lougheed, the Minister in charge of the Department has not succeeded in convincing those most directly concerned in the work of re-establishment that he is the right man to be at the head of such a responsible and important branch. [illegible] what is thought of Senator Lougheed as the Minister in charge of civil re-establishment was voiced in the House on Wednesday when he came under fire from both Opposition and Government members, Mr. Mackie a Government supporter being among the most severe of his critics. It is claimed that he is too cold and unsympathetic in his attitude towards his duties and fails to take the proper interest in the problems of his Department. Someone with a greater and a more warm-blooded interest in the returned soldiers is needed at the head of the Department and the members who discussed this point in the House left no doubt in the minds of their hearers about Senator Lougheed's failure to measure up to his responsibilities.

NO WONDER THEY LAUGHED.

When a wire from Mr. J. H. Burnham, M.P., was read at the G.W.V.A. convention on Wednesday stating that Sir George E. Foster has announced that a special Parliamentary Committee would be appointed to consider questions in regard to returned soldiers, it was greeted with loud laughter by the delegates. Is it any wonder that the representatives of the ex-service men found it amusing? The committee method of getting rid of the re-establishment question is an old and favourite device of the Federal Government and its adoption on this occasion was therefore not a surprise to delegates who with the sense of humour that characterizes the Canadian as well as the British soldier accepted the announcement in hearty if derisive laughter. The trouble with referring such questions to a committee is not merely the delay that is necessarily caused but rather in the difficulty in inducing the Government to take action on the recommendations that may be made. Last years Parliamentary Committee submitted a number of suggestions that would have been of much assistance to the returned men but only a few of these have been put into force by the Government.

INCREASE THE PENSIONS.

There does not seem to be any doubt of the fact that the present pension scale in force in Canada is not high enough to enable the recipient to meet the increased cost of living. The decision of the Ontario war veterans to press for a minimum pension of $1,200 a year for totally disabled soldiers and a proportionate increase in the pensions of widows and orphans and in all disability pensions therefore seems a fair and reasonable one, and the Examiner has no doubt that it will be viewed as such by the people of Canada generally, who, no matter how they may be divided in opinion as to further gratuities for all soldiers who served, are one in their desire that justice shall be done those who were badly injured and the dependents of those who died for Canada overseas. $1,200 a year, in view of the present living conditions, is not a princely sum. In the industries of Canada, in the civil service, among the employees of various municipalities, firemen, policemen, etc., everywhere claims for higher wages than the remuneration decided upon by the Ontario veterans, are being pressed on the plea that increases are absolutely necessary because of the cost of the necessities of life. Canada then, cannot ask the men who have sacrificed their health and strength and have been pronounced by a medical board as totally disabled, to live on a pittance that is considered inadequate by practically all other classes in the country. The testimony of one of the delegates who was blinded at the front, as given at the convention here yesterday, is a typical proof of the need of an upward revision of the pension rates. This unfortunate hero is asked by a grateful country to exist on a pension of $74.58 a month, of which $14.68 is an allowance for the hiring of an attendant. It is almost impossible for him to get about unaccompanied and yet out of his pension it is difficult to secure the services of a responsible guide. The G. W.V.A. asks that he and his other totally disabled comrades be given $100 a month. Is there any one who will say that is too much with the cost of living as it is to-day?

FIRST—A BAD COLD

Then—Down with 'Flu

Don't let your cold develop into an attack of Influenza and Pneumonia, or bring on a hacking, irritating cough which may last all winter.

At the first sneeze or shiver, open the Red Box and take a Dominion C.B.Q. Take these Cascara, Bromide & Quinine Tablets, regularly until every trace of the cold is gone. You won't have to take many.

DOMINION C. B. Q. break up a cold in a few hours—often over night—clear the head—stop headaches and neuralgia—drive away that "grippy" feeling.

Keep DOMINION C. B. Q. always in the house. Get the red box at your druggist's today, so you will have them on hand when needed. Prepared by the National Drug and Chemical Co. of Canada, Limited.

To Stop a Cold

in a few hours take

MOVING PICTURE POSSIBILITIES

Mary Pickford, granted her divorce in an American court, tearfully declared that she will never marry again, but will henceforth devote her life unreservedly and completely to spreading sunshine and happiness through the medium of the cinema. With avid interest a world of old and young, of men and women, devoured the news despatches which told of Mary's tears and reconsecration of her life to the service and entertainment of her millions of admirers and friends who know her through the films, says the Belleville Ontario.

The little Canadian girl who once played in the slums of Toronto, has in the space of a very few years become the most-noted and best-known woman in America. Her spectacular rise in public favor and in the international limelight, has been concurrent very largely with remarkable developments in the motion picture industry and field itself. The development of the movie has been spectacularly successful because it rests on the inviolable right of the masses to the same enjoyment and instruction as the classes. And where thousands were thrilled by Sarah Bernhardt, literally many millions are daily cheered and delighted by the girlish antics of Mary and the sunshine philosophy that always is predominant in her plays.

The phenomenal success of the motion picture theatre suggests the question why the movies are not utilised in a more general way to make learning easy and education more thorough for the boys and girls in the schools and Sunday Schools. Geography brightened by a few reels of movies, illustrating resources, industries and characteristics of various countries would soon be one of the most popular subjects in the school curriculum. History illuminated by short films of famous battles and the signing of important charters and treaties would be indelibly impressed upon the youthful mind.

Sunday schools faced with the difficulty of holding their pupils beyond a very youthful age, might fittingly present films of Bible stories and parables to elucidate the moral teaching contained in the international Sunday school lessons. The attendance on missionary Sundays could be greatly stimulated by showing educational films of missionary lands and heathen peoples.

It is so easy to learn from pictures, and facts of science, history, invention, geography and industrial progress, through the films are driven easily home to the comprehension of the most unimaginative minds. While the same information could be learned in less time by quicker and more deductive minds from the printed page, yet the fact remains that a very few people patronize the libraries and bookstores in comparison with the number who attend motion picture theatres. Undeniably the movies have taken their place along with church, school, newspaper and library as an essential medium of popular instruction and inspiration. Whether the cinema in time may supersede some of these is still a theme for purely visionary reflection, but undoubtedly the world which has scarcely heard of it, two or three decades ago, will never again be able to get along without the increasingly popular movie.

Grip, Influenza

Hamlin's Wizard Oil a Reliable, Antiseptic Preventive

During influenza epidemics spray the nose and throat several times a day with one part Wizard Oil and two parts water, using an atomizer. If you haven't an atomizer, gargle the throat and snuff the mixture up the nose. This treatment sets up an antiseptic wall of defense against "Flu" germs.

Chest colds and sore throat lead to grip. Stop them at once with Wizard Oil before they can develop into dangerous influenza.

Get it from druggists for 30c. If not satisfied, return the bottle and get your money back.

Ever constipated or have sick headache? Just try Wizard Liver Whips, pleasant little pink pills, 30c at druggists. Guaranteed.

GRATUITIES IN THE UNITED STATES.

(New York Times)

It is said to be the "general feeling" among the former service men in Georgia that "the Government should do something for them." When the civil war was over and Union veterans of the four years' struggle returned to the plow, the factory and the shop, they did not ask for a cash payment of $50 for every month they had served. Yet the civil war cost the country in pensions $4,017,245,599 between 1865 and 1918 In 1918, fifty-three years after the return of peace, there were 340,313 disabled veterans and invalids on the pension list and 306,582 widows and dependents, a total of 466,895 pensioneers. When the United States entered the war on the side of the Allies in April, 1917, it was hoped to avoid pension disbursements of billions, and at the same time do justice to American soldiers and sailors called into service, by providing insurance at low rates and on easy terms It was forseen that the cost of the war would strain the resources of the country to the point of danger, that after the war taxation would be a heavy burden for the people to carry, and that economic conditions would not permit of a return to normal prices for an indefinite period.

But most of the service men, those who fought in France and those who did not leave the country, soon tired of the insurance plan, liberal as it was and so much to their advantage if they would practise thrift to pay their premiums. Then began the agitation for a money bonus to all who had served during the war, that is to say, to more than 4,000,000 soldiers and sailors who had served in any capacity, had gone overseas or had not left the country, had been in battle or had not been under fire, had suffered hardships or gone through no ordeal at all, had been disabled bywounds or were whole and able-bodied. No distinction was to be made between those who did not need financial aid and the necessitous, between those who had remunerative work to do and those who could not find places for themselves and were "down on their luck." All were to draw $50 a month from the Treasuryfor each month they had worn the uniform, no matter what amount was added to the burden of taxation. It would certainly be $2,000,000,000, and might be $4,000,000,000. Congress could arrange the details with the advice of the Treasury Department. Many veterans said that they had earned the bonus, and that a grateful country should pay it. What thoughtful men are thinking about today is the pension list that would be sure to follow the bonus disbursements; and, remembering that the civil war cost the American people nearly $5,000,000,000 in pensions, they are wondering what the great war will cost the American people during the next fifty years.

Inquiries in all parts of the country to sound the sentiment of the former service men show that, with exceptions in some localities, they agree with their comrades in Georgia that "the Government should do something for them." Here and there, in the North as well as in the South and West the cash bonus does not ment with favor, approval of it being confined to a minority. Few American Legion posts have gone on record, and of those that have spoken some are opposed to the plan. In Virginia a rehabilitation for disabled veterans is preferred, whatever it may cost. In sevral of the States the question of a bonus is still an open one, and not much stress is laid upon a cash expression of the gratitude of the American people.

It will never be possible for the American people to prove a gratitude which is in the heart by paying money into the Treasury to be divided among their saviors. It is clear that the American Legion is not committed to the bonus plan, and among service men everywhere there is a thoughtful minority opposed. It is one of the unsettled questions before the people, and it should be settled right; that is to say, wisdom, honesty, moral courage should be brought to the consideration of a matter so momentous in its effects and consequences. Political expediency, the desire to win votes, should not be brought into play at a".

ITALIAN PRESS PESSIMISTIC

Whole World Seen as a Seething Cauldron by One Paper

ROME—Commenting on the international situation and the events in Germany, the Popolo Romano asks: "Where is the peace of Clemenceau and Wilson when the whole world is a seething cauldron?" The newspaper says that for Italy the necessity of keeping out of the new impending conflicts is more important than concluding peace.

"What will happen in Germany, Turkey, Hungary and elsewhere?" the Popolo Romano continues. "In Tunisia and India there are signs of rebellion against France and England. The Turks and Arabs are turning against the Europeans, and Russia is with them. Germany can cement and direct the coalition."

The Tempo says:

"The coup in Germany is a step backward, as Germany needs to regain the confidence of her former enemies. The episode cannot help the empire internally. It may lead to Spartacide riots and reaction on the part of the masses, while externally it will complicate the moral positon of the German Empire and increase suspicion against it.

Our New Spring Styles Are Now Ready!

SPECIAL REDUCTIONS FOR SATURDAY

PREDICT GASOLINE JUMP.

Oil Men Say Price May Be 40 or 50 Cents a Gallon Next Year.

CHICAGO, March 18—Predictions that gasoline would increase in price during 1920, possibly to 35 cents a gallon, were made here by delegates attending the National Petroleum Congress at the Congress Hotel.

This time next year the price may be 40 cents a gallon and possibly 50 cents, they say.

Fred W. Lehmann, Jr., general counsel for the Western Petroleum Refiners' Association, declared that protective measures must be taken if the country is to avoid an oil famine with prohibitive prices.

"The price of gasoline in England is $1.78 a gallon," he said, "and the Government Commission has recommended $1.30 as a fair price. So, you see, Americans don't know anything about high prices yet. In 1915 there were 2,500,000 automobiles in this country and 288,000,000 barrels of crude oil were produced at a cost of 53 cents a barrel. In 1919 there were 7,400,000 automobiles and 370,000,000 barrels of crude oil were produced at a cost of $2.25 a barrel. To-day crude oil is $3.50 a barrel. Figure it out for yourself."

Cinnaform Pastilles

dissolved in the mouth, effectively destroy the many disease germs which are constantly floating in the air, and lodging in the throat. Cinnaform Pastilles are wonderfully successful in preventing Sore Throat, Tonsilitis, Quinsy. Excellent for children who suffer with Sore Throats and Colds.

SANDRA THE JEALOUS

BY JANE PHELPS

IRMA BARTON TELLS SANDRAOF LEOLA.

CHAPTER LXXV.

I felt horribly ill at ease awfully young, and in a way silly, as I walked along beside Mrs. Barton. But she chatted so easily, was evidently so unconscious of my feelings, that I had partially recovered a certain amount of poise before we reached her house.

Luncheon was served almost immediately. It was simple, but delicious. I remembered that Everett had said she was a past master at planning a menu. I wondered if there was anything he thought she couldn't do.

The waitress left us alone at an order from Mrs. Barton. I didn't wait, but plunged at once into the reason for accepting her invitation.

"You knew Mr. Everett's first wife?" I asked.

"Why—yes—" her surprise was very evident.

"Will you tell me about her? What she looked like, how she acted. Of course I know the servant's version, and some little more, but I should like to have you tell me about her."

"Perhaps—it would—be—as well," she said, more to herself than to me. Then, very seriously, looking keenly at me as she talked: "She was very much your coloring—as you have *doubtless been told*—"

"So many times I hate the very sight of myself!" I exclaimed vehemently.

"You have no reason to." Her voice was very cool, very calm, but someway I received the impression that she was not surprised—that she rather sympathized with me. "Especially as you have the richer coloring. Leola was very gay, her insouciant manner was very attractive to *men*. She was a great favorite, yet the most careless, most indiscreet woman I ever have known. The world overlooks many things in so beautiful a woman, if also she is the wife of a prominent man who allows her the utmost freedom."

"Yes, I now. Everett never questioned anything she did," said bitterly. "Two or three people have told me."

"He loved her devotedly. While she was not bad, she was bent upon having her own way, and often hurt him cruelly. He was extremely jealous of her, perhaps you know. He has the most jealous disposition of any man I ever have met. That he keeps it under control as he does, is marvelous."

I smiled in a superior manner. He might have been jealous of Leola, but he had buried it with her; he surely never had been the slightest bit jealous of me. If he had been I would have thought he cared a little for me.

"She was a remarkable woman in many ways," Mrs. Burton went on after a moment. "She was the most versatile hostess and entertaining companion I ever have known. A man would have had to be proud of her. She also dressed exquisitely, always in shades of blue, usually sapphire. She knew that particular shade brought out all the wonderful beauty of her hair and eyes. She was a daring horsewoman. In fact, she did everything—tennis—golf—dancing, just a little better, with a little more spirit, than other women."

"No wonder it is hard for me to follow such a paragon," the words had slipped out. I had not meant to say them.

"Yes—I can see that it would be hard," she said seriously—without looking at me, for which I was grateful. "Yet I do not think you need envy Leola. *Poor girl!* She never was real happy."

"Why—how—what do you mean?"

"She possessed the most perverse sort of a nature. If anyone objected to her doing anything she immediately was intrigued to do that very thing. Everett at first did not know how to handle such a nature—he never really learned. But he tried to hold her by compulsion at first. Then she would defy him—threaten to leave him, and meant it too at the time. Then Everett went to the other extreme, he indulged her slightest whim, never objected, whatever she did. She, with her passionate nature thought because he had changed, that he had lost his love for her, and used no discretion at all.

"But do not get the impression that Leola was wicked—she was not. She was horribly indiscreet that was all. She knew she made Everett very unhappy at times, then was unhappy herself, altho she never would acknowledge it. Unhappy because of her love for him. He never knew it would not believe it now. But in spite of her wild ways and her selfishness, Leola adored him. Have I told you what you want to know?"

"Yes"—I was very serious. "Was she very highly educated? Did she study and read a great deal?"

"She was very well informed indeed. She spoke French and Italian fluently, and was always well posted upon everyday topics."

I left soon after—left without even remembering that Mrs. Barton had said she wanted to tell me something. I recalled it after I reached home, but had so much to think of in connection with Leola that my curiosity was not even aroused.

To-morrow—Sandra is delighted to dance with hes husband.

COAL SHORTAGE IS IN PROSPECT

MINERS PRESENT NEW DEMANDS TO OWNERS.

TORONTO, March 19. — "There seems to be no doubt in New York among Wall Street men that there will be a complete suspension of coal mining on April 1."

Mr. Chas. McGill of the McGill Coal Company, Limited, Toronto, returned from the United States, where he has been studying th coal situation made this statement in reply to a query as to the coal situation in the United States at the present time. The reason for this apparently well-founded belief, Mr. McGill continued, is that the bituminous coal miners, whose present four-year agreement terminates on March 31, have presented demands with which the operators will be unable to comply. Briefly, they ask for an increase of $2 per day for men paid by the day; the reduction of working hours to six per day in a five-day week, full recognition of their union, and that, whenever practicable, coal be paid for on the short-ton basis. The short-ton basis refers to the difference in Canadian and American tonnage of 40 pouds. For contract miners 60 per cent. increase is asked.

Although this agreement is only at present affecting bituminous miners, Mr. McGill stated, the anthracite miners, whose agreement also terminates at the end of this month, are refraining from presenting their demands until they see with what reception the demands of the bituminous men meet. If a strike becomes inevitable, and Mr. McGill is almost certan that it will, the anthracite miners will join the general walk-out.

The effect of a strike on Ontario, said Mr. McGill would be to leave the Province absolutely without means of obtaining fuel. There are at present no reserve supplies in the Province, and the operators themselves are depending on the supply mined from day to day.

The sortage in the present supply, Mr. McGill stated, is due chiefly to the fact that only 60 per cent. of the coal cars on United States railroads are in use, a condition which he attributes to the policy pursued by the U. S. Railroad Administration in failing to repair cars when repairs are required.

PRESIDENT WILSON POSES FOR MOVING PICTURE FILMS

WASHINGTON, March 19.—President Wilson is now well enough to pose for the movies. By special permission a number of moving picture photographers filmed him as he started for an automobile ride this morning. The camera men some weeks ago hid themselves in a load of hay and attempted to photograph the President as he sat on the White House lawn, but their plot was discovered and frustrated by Secret Service men.

INGENIOUS INVENTION

An ingenious little instrument, devised by a London physician, enables the doctor to examine the throat and ears of his patients in their homes, as hitherto out the specialist in his consulting room has been able to do. With the old apparatus the room had to be darkened, but with this instrument examinations can be carried out in daylight.

Few People Know This

Large doses of pills for the liver are not as efficient as small doses.

The big dose purges its way through the system fast, but does not cleanse thoroughly.

The small dose (if *right*) acts gently on the liver, and gives it just the slight help it needs to do its own work, and do it well.

Take one pill regularly, until you *know* you are all right.

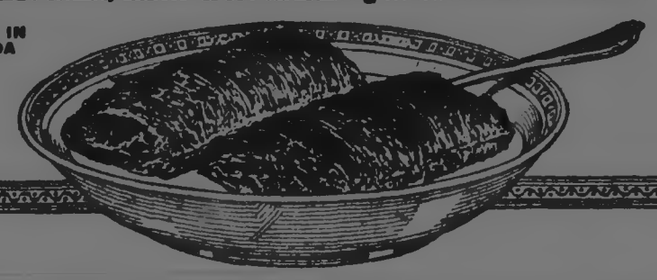
HOW CAN WE DO IT?

We pay more for wheat, more for labor, more for taxes - but Shredded Wheat sells at about the same old price - very little advance on account of the war. How can we do it? We can do it because the volume of sales now reaches many millions of Biscuits per day. Considering its real food value Shredded Wheat is the cheapest food in the world today. It is 100 per cent whole wheat in a digestible form. Two Biscuits, with hot milk, make a nourishing meal for a few cents.

MADE IN CANADA



MILLBROOK CORRESPONDENCE

MILLBROOK, Mar. 18—The March meeting of the W. M. S. of the Methodist Church was held at the home of Mrs. William Pendrie. The meeting was opened by the president, Mrs. Tucker. Interesting talks from the Study Book were given by Mrs. P. Stinson and the Misses S. Hetherington and A. Stewart. It was decided that the members of the W. M. S. would deny themselves for the month of March and increase their Easter offering. Duets were played by the Misses S. Hetherington, P. Richards, and G. Tucker. The April meeting will be held at the home of Mrs. Tucker.

HOY—LUNN.

A very pretty event took place at the home of Mr. and Mrs. Charles Lunn, of Cavan, on Wednesday afternoon, 10th March, 1920, when their daughter, Margaret Jennie, was united in marriage to James Henry Hoy, of Kendall, in the presence of a number of relatives and friends. Rev. S. T. Tucker, of Millbrook, officiated. At 3 o'clock the bridal party entered the parlour to the strains of the wedding march played by Miss Kirkland. The bride looked charming in her wedding gown of white lace over blue silk. She was attended by her cousin, Miss Martha Lunn, who was dressed in pink satin and Georgette crepe. Mr. Wilbert Lunn, brother of the bride, supported the groom. The groom's present to the bridesmaid was a cameo ring, to the groomsman a fountain pen. After the register was signed, a very sumptuous dinner was partaken of. The bride received many beautiful and costly presents, among them being a piano from her brother. Guests were present from Orono, Peterborough, Port Hope, and Toronto. The happy young couple left amid showers of confetti for their honeymoon trip. On their return they will reside in Kendall.

Before leaving on her trip, Mrs Hoy was given a shower by her friends. The adress was as followst To Mrs. James Hoy.

Dear Friend,—We, your friends, have gathered here to-night to express to you our hearty and best wishes as you embark on the sea of matrimony. You have always taken a keen interest in the community in which you have resided, and especially in the social gatherings. We, therefore, ask you to accept this miscellaneous shower as a small token of the esteem in which you were held by your many friends in Cavan Township.

Signed on behalf of friends and neighbours,

Gertrude Grey.
Ella Elgar.
Archie Lunn.

The March meeting of St. Thomas' Branch of the W. A. was held at the home of Mrs. Whyte on Monday night. The president being absent, the meeting was taken by Mrs. Spencer. It was decided not to pack the bale for the Indian school until the first week in April. "The Life of Hunt as a Missionary to the Fiji Islands" was read by Miss Armstrong. The April meeting will be held at the home of Mrs. Mulligan.

PERSONALS.

Mr. and Mrs. T. Ingram were visitors to Omemee on Monday.

Mr. Howard Collins, of Toronto, was the guest of his mother, Mrs. C. Collins over Sunday.

Mr. Edgar Burnham, Peterborough, was the guest of his parents, Dr. and Mrs. Burnham.

Mr. W. Pitt, of Toronto, was in town over the week-end.

Messrs. J. H. Paul and Wm. Bingham attended a meeting of the Black Perceptory held at Cobourg on Tuesday.

Miss Gertie Richards was in Peterborough on Saturday.

Mr. M. Moncrief, of Omemee, was the guest of his aunt, Mrs. T. Ingram.

Mr. and Mrs. George Raymes, of Campbellford, were guests of her father, Mr. H. Richards.

Mrs. Lacheur and daughter, Margaret, of Peterborough, are visiting her parents, Mr. and Mrs. Noble Stewart.

Rev. Canon and Mrs. Allen have returned to their home at Shenley House. Their many friends will be pleased to learn that Canon Allen is much improved in health.

THE LATE FRED OLVER.

The death of Fred Olver, of Toronto, son of the late Frank Olver, at one time a resident of Millbrook, took place on Saturday, 13th March. The deceased gentleman was injured by an elevator shaft about ten days ago, and succumbed to his injuries on the above date. Deceased carried on a merchant tailoring business in Toronto for many years. His wife, one son (a veteran of the recent war), three daughters, one brother, and two sisters survive him. The funeral took place in Toronto on Tuesday. We join in extending sympathy to those bereaved by his passing.

Died—at Kelowna Hospital, B.C., on Tuesday, March 9, 1920, Margaret Campbell, beloved wife of William Shand, aged 34 years. A funeral service was held at St. Andrew's Church, Okanagan Mission, on Thursday afternoon, 11th March, at 2.30 o'clock.

The many friends in Millbrook and vicinity will regret to learn of the death of Mrs. Shand. Deceased is a daughter of the late George Campbell, ex-M.P.P. for East Durham. Before her marriage to her now sorrowing husband, she was a trained nurse, and was for some time in the Yukon Territory. She was beloved by all her acquaintances. Besides her husband an an infant, she leaves to mourn her loss two brothers, Messrs. T. C. and Arthur, to all of whom we join in extending sincere sympathy.

Church Happenings.

The Boneka class and the Young Men's Bible class of the Methodist church enjoyed a pleasant evening together in the Waverly parlours on Monday, March 15, the occasion being a farewell to Mr. and Mrs. Hilliard Strong and daughter Verna. After games had been enjoyed and refreshments partaken of, Mr. Stinson took charge of affairs. In a few well chosen words he expressed the regret all felt at losing faithful members from the Bible classes and from the church. He then called on Miss Byam who spoke appreciatively of Mrs. Strong as a member of the Boneka class and particularly as a faithful efficient president. Mrs. Sayles, on behalf of the class presented her with an electric iron as an expression of esteem and good will in which she is held. Mrs Strong though surprised and nearly overcome by her feelings, made a suitable reply. Mr. Sayles was then asked to read an address, which expressed the regret of the men's class at losing Mr Strong. In reply, Mr. Strong said it made him feel lonesome to think of leaving so many good friends, but all will be very heartily welcome at 537 Harvey street, Peterborough. Miss Hampton when called up spoke of how much they would miss Mr. Strong from their class and how both he and Mrs. Strong would be missed from the choir. Mr. Byam said that he had particularly appreciated Mr. Strong's willingness to help in the Sunday school, that no matter who was in charge he had always been ready to do anything he was asked to do. Mr. Tucker voiced his appreciation and good wishes and hoped they would find a congenial place to work and be useful in their new home. He also referred to our regret at so soon losing Mr and Mrs. Rowan, Mrs. Rowan being a member of the Boneka class. They were both present. All joined hands and sang "Auld Lange Syne" and the good-byes were said as Mr. and Mrs. Strong were leaving the next day for Peterborough.

Mothers' Advice

The responsibility for a daughter's future largely rests with the mother. The right influence and the information which is of vital interest to the daughter imparted at the proper time has not only saved the life but insured the success of many a beautiful girl. When a girl's thoughts become sluggish with headaches, dizziness, or a disposition to sleep, pains in back or lower limbs and a desire for solitude, her mother should come to her aid and remember that Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, will at this time prepare the system for the coming change and start this trying period in a young girl's life without pain or irregularities. Thousands of women residing in every part of the United States bear willing testimony to the wonderful virtues of this medicine, and what it has done for their daughters.

Brooklyn, N. Y.—"I cannot praise Lydia E. Pinkham's Vegetable Compound enough for what it has done for my daughter. She was 15 years of age, very sickly and pale and she had to stay home from school most of the time. She suffered agonies from backache and dizziness and was without appetite. For 3 months she was under the doctor's care and got no better, always complaining about her back and side aching so I did not know what to do. I read in the papers about your wonderful medicine so I made up my mind to try it. She has taken five bottles of Lydia E. Pinkham's Vegetable Compound and doesn't complain any more with her back and side aching. She has gained in weight and feels much better. I recommend Lydia E. Pinkham's Vegetable Compound to all mothers and daughters."—Mrs. M. Fuchs, 516 Marcy Avenue, Brooklyn, N.Y.

Lydia E. Pinkham's Vegetable Compound

KEENE NEWS

KEENE, March 17.

Mr. Joseph Thornton, who spent the past four months with his mother at Blackpool, England, returned home last Tuesday bringing with him a bride, to whom he was married on February 13th. Hearty congratulations are extended to Mr. and Mrs. Thornton.

Miss Belle Weir has sold her home property to Mr. John Edwards.

Mrs. Wilber Howson of Peterboro, and niece, Miss Elva McIntyre of Toronto, were in the village last Wednesday.

Mrs. Thomas O'Neil of Hastings, spent the week end with friends at the Victoria House.

Mrs. Wallis Wood of Toronto, visited at the home of her father, Mr. William Campbell over the week end.

Mr. John Edwards moved into the property on Friday, which he recently purchased off Miss Belle Weir.

Mr. William Kempt was in Peterboro Saturday on business.

Miss Belle Weir has moved into the property belonging to Mr. James McNeil recently occupied by R. H. Campbell.

Mr. James Dickson has in Peterboro Saturday on business.

Mr. A. Kempt visited Peterboro friends over the week end.

Mrs. Samuel Comrie and the daughter were in Peterboro, on Saturday.

Mr. and Mrs. W. R. Wedlock of Peterboro spent the week end with Mrs. Wedlock's parents, Mr. and Mrs. H. McLachlan.

Mrs. Archie Kempt is spending the week with Peterboro friends.

Mr. Joseph Dougherty, who has been ill the past two weeks at his home in Peterboro with the influenza was able to make his usual semi-weekly trip to Keene on Tuesday on his butcher route.

Miss Vina Christie is at the home of Mr. and Mrs. Edward Braden.

Mrs. James Dailey of Peterboro, spent the week end with Keene friends.

Mrs. Edward Braden returned home on Saturday from Havelock where she spent the past three weeks with friends.

Mr. Louis Roche spent the week end in Peterboro.

Mr. and Mrs. William Bell and little daughter were in Peterboro on Saturday.

Miss Lizzie Nelson of Toronto, is visiting her mother, Mrs. William Nelson.

Word was received on Monday of the death of Mr. John Mcfarlane at his home in Peterboro. The late Mr. Macfarlane was a former resident of Keene being engaged in the making and repairing of boots and shoes, and was widely known. Mrs. Mcfarlane and family have the deepest sympathy of the entire community in their bereavement.

Mr. Harry Clemmens spent the week end with friends in Warkworth.

On Thursday afternoon of last week there passed away one of Keene's most highly respected residents in the person of Mr. Thomas Howson. The late Mr. Howson was a farmer by occupation for a number of years until seven years ago he retired and came to Keene, a person of sterling character, a kindly disposition and always willing to lend a helping hand in the time of need and will be greatly missed.

The funeral was held in Monday afternoon at three o'clock from the Methodist Church, Reverend Honey officiating.

The pall bearers were Messrs. Guilbert Howson, Joseph Taylor, William Stewart, Stanley Braden, Earnest Howson and James Stewart.

Those from out of town attending the funeral were: Mr. George Howson and son, Earnest, Mr. and Mrs. Wilber Howson, and Mrs. Reid, Mr. and Mrs. Rome, Mr. William Pilling all of Peterboro, Mr and Mrs. Prue and daughter, Mrs. Wood of Frazerville, Miss Maude Howson of Denver, Colorado, Miss Minnie Howson, Calgary.

TETRAZZINI KISSES FAT ROLL GOOD-BYE

NEW YORK, March 17.—Kissing a fat roll of bills a laughing good-bye, Mme. Tetrazzini, the popular opera star, passed them over to "Big Bill" Edwards, internal revenue collector, to pay her first income tax instalment here.

"How much income did she declare?" the collector was asked.

"That would be telling, and the law doesn't allow me to tell," replied "Big Bill." He admitted, however, that it was more than $100,000."

KEEP STRONG

One bottle of pure, emulsified medicinal cod-liver oil taken now, may do you more good than a dozen taken a month hence. It's more economical to give your body help before resistance to disease is broken down. A very little

SCOTT'S EMULSION

OF PURE MEDICINAL COD-LIVER OIL

goes a long way in sustaining strength and keeping up resistance. ***Resolve that you will buy a bottle of Scott's Emulsion at your druggist's on your way home, and start protecting your strength. It's Scott's you ask for.***

CHANGES IN THE MUNICIPAL LAWS

LOCAL DEPUTATION WAITS ON PREMIER DRURY.

A deputation of representatives from Ontario municipalities waited upon Premier Drury yesterday morning asking for a number of changes in the municipal laws. Mayor A. A. McIntyre and Ald. J. J. Turner represented the city.

Change of Vote.

The deputation asked for a change in time for the municipal elections from New Year's day to some date in December and that the time between nomination day and election day be attended from the present seven days to at least ten days. Both these matters the Premier said would be dealt with later.

The Premier was also asked that the cities might be allowed to retain fines imposed in the Police Courts where informations were laid by officers of the law in the municipalities. This matter will be dealt with and considered.

In answer to a request that cities be given the automobile licenses collected on city owned automobiles for the purpose of improving the city high ways the Premier replied that he considered such a matter should not be taken up on account of the generous manner in which the government has dealt with the good roads system.

BUILDING PERMIT FOR A NEW HOUSE

CONCRETE DWELLING ON CHAMBERLEN STREET.

This week the first building permit for the erection of a new house to be issued from the City Hall this year was issued to Mr. George Sloan, for a concrete dwelling at 552 Chamberlain street costing $2,500.

Other Permits.

A. Sherwood $250, dwelling, Gladstone avenue.

Trent Canal, $1,500, pattern store at Lock 20.

A. Brault $60 poultry house 881 Water street.

H. A. Yenney $180, sun room, 190 Barnardo avenue.

ENTERTAINED THE INMATES OF HOME

A very enjoyable entertainment of music readings and recitations was given last evening to the old people at the Protestant Home by Mrs. (Dr.) Scott's Bible Class followed by refreshments. The evening was thoroughly enjoyed by the old people and they are deeply indebted to Mrs. (Dr.) Scott for her kindness in arranging the programme. Rev. J. R. Webb occupied the chair and gave a short address.

A few nights previously the young people of Park Street Baptist Church also entertained the inmates to a concert and refreshments and Mrs. Best and her class of St. Paul's Sunday School made a very enjoyable evening for the old people by a programme of music followed by home made candy.

The thanks of the old people are extended to all who contribute to these entertainments, which mark a red letter day in the life at the Home and are so much looked forward to. They are deeply indebted to the Caledonian Club for cake and other donations sent to the Home after their meeting the other evening.

NEW ORLEANS CROWDS SEEK CURE BY HEALER

Press at His Houseboat, Led by Cripples, Is So Great That Five Guards Fall Into River.

NEW ORLEANS—Led by a score of crippled and ailing men and women hundreds of persons crowded the Mississippi River levee, trying to reach the ramshackle houseboat of John Cudney, a kindling pedler, known as "Brother Isaiah," from reputed cures by the laying on of hands.

The press was so great that twenty-five policemen were assigned to preserve order, and on a rumor that Cudney was about to appear, there was a rush which bore five of the guards into the river. All were rescued.

Cudney, a native Canadian, 73 years old, has been working as a "healer" for some time, and reports yesterday that he had restored sight to the blind started a rush to the levee, a number of invalids being taken there on cots. He was forced to work all night, only retiring at dawn, when threatened with physical collapse. Many wealthy persons sought treatment, but all their offers of money or other assistance were refused.

State and municipal authorities refused to disturb the pedler. Dr. Oscar F. Dowling, President of the State Board of Health, said no legal action could be taken against the "healer" because he was "accepting no money, prescribing no medicines and violating none of the rules of religious practice."

THAMES DOING A DOWNIE STREET STUNT.

CHATHAM, March 16. — The Thames River at this point is at present 13 feet above the normal water mark. A four mile jam of ice is reported on the lower reach of the river and forms a solid wall of ice to the river bed.

Over 1,400 acres in Dover Township are covered by two feet of water and the lands in the vicinity of Prairie Siding are also inundated. Some farmers anticipated the flood and have moved their stock. So far no losses have been reported. The ice at the mouth of the river remains solid.

KEEP IT SWEET

Keep your stomach sweet today and ward off the indigestion of tomorrow—try

KI-MOIDS

the new aid to digestion. As pleasant and as safe to take as candy.

PROGRESSIVE CLUB

Two letters of thanks from Lady Jellicoe, wife of Sir Admiral Jellicoe, to the Peterborough Progressive Club thanking them for their cheque of $169.77 for the Women's United Services League have been received by Mrs. W. R. Morris. The first letter expresses their appreciation of the gift warmly and intimates that it will be used for the benefit of sailors of the Mercantile Marine or their dependents.

The following is the second letter:

The Women's United Services League
35 Parkhurst Rd.,
Islington, London,
Feb. 12th, 1920.

Dear Madam:—

I am instructed by Lady Jellicoe and the Committee of the Women's United Services League to thank the Members of the Peterborough Progressive Club most warmly for the very welcome cheque for $169.77. They are indeed grateful for this kind gift, and I will endeavour to see that it is used for the benefit of war sufferers of the British Mercantile Marine or their dependants.

I am, dear madam,
Yours faithfully,
GWYNNETH BURNS,
Hon.-Sec.

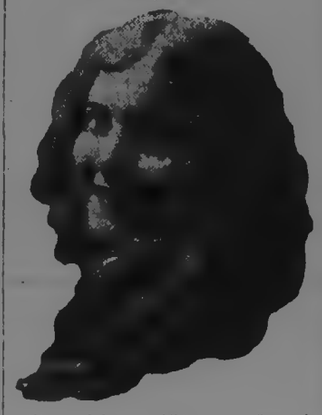
Mrs. W. Morris,
483 Homewood Ave.,
Peterborough, Ont.

HOMEMADE HEARTH BRUSH.

A handy hearth brush is made by cutting the broom straws until they are even across the bottom. Give the broom an occasional bath in warm suds and then rinse it in cold water. Allow it to stand on the straw end for a few minutes after its bath. Either keep it always hanging or stand it in a corner with the handle resting on the floor.

To Beautify Complexion

All you Need is Stuart's Calcium Wafers to Clear the Skin of Pimples, Rash, Blackheads And Such Local Skin Eruptions.



The calcium sulfide in Stuart's Calcium Wafers in nature's contribution to skin health. It is the substance that seeks the skin, assists in its activity to prevent stagnant pores to stimulate circulation and divert impurities from finding lodgment in the skin texture. It sweeps its way through the bowels, removing wastes that otherwise may be absorbed into the circulation and thus try to escape through the skin. Use these wafers regularly for a few days and notice how the skin clears, how pimples, blackheads and such kinds of skin eruptions are removed. They simply cannot remain. Their redness and itching disappear. Proper food and Stuart's Calcium Wafers will surely take the place of all your creams and lotions and you won't need your powder puff. Get a 50-cent box of Stuart's Calcium Wafers to-day at any drug store and join the ever-growing throng of American complexion beauties.

IF HAIR IS TURNING GRAY, USE SAGE TEA

Here's Grandmother's Recipe to Darken and Beautify Faded Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural colour and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the grey hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.

MARCH MORNING.

A pale sun glints across the swirling drifts.
Bent trees are crackling with a silver load.
A wild gale shrieks in mischief as it lifts
A stinging screen of flakes across the road.

It seems midwinter still, and still the world
Lies wrapped in sleep upon the year's high shelf.

But March is such a rogue, his challenge hurled
In fury cannot hide his other self.

A softer azure tints the sky's cold blue.
Sometimes, for moments, all the wind is quiet.
Ice jewels melt to tears the rendezvous
Of ruffled sparrows teems with April riot.
Still roars the lion, but the lamb is bolder.

The madness has a subtle touch of play.
The night was Winter, but the Spring, grown older.
Knows what a sham of Winter is today.

EDNA MEAD

Keeping Pace With the Weather Is Our Task These Days

It is not nearly as easy as it was several years ago when the markets were normal. In those days the prompt delivery of merchandise was assured. Huge boxes and bundles arrived with mechanical precision. A bountiful supply of everything was possible. To-day it is not a question of buying but a question of deliveries. This store is constantly in touch with the markets and is ever on the alert for goods that can be delivered immediately or within a reasonable time. It is all in the business of keeping pace with the weather and that is the reason that throughout this entire store Spring merchandise is now being displayed in abundance.

Springtime Needs With Saturday Prices Attached That Present Themselves For One Day Only

$6 Treco Cord, Coating and Suiting Fabric, $4.75 Yard

Nearly every one is in search of new apparel, and naturally every one wishes to do it as economically as possible. This opportune offering will help you.

The first thing we want you to know is that it is All-Wool. The second, that it is an excellent material and is 56 inches wide.

The colour range includes: taupe, grey, sapphire blue, reindeer and elk. We purchased all the manufacturer had, and are now in a position to sell it at this moderate price.

35c White Cotton, 27c Yard

It comes in a 36-inch width and is fully bleached. It is known as a Canadian cambric and is a firm, even weave. We suggest that you purchase your spring and summer needs.

40c Yard Wide Stripe Flannelette, 33c Yard

We will not tell you the number of yards that we have sold of this Flannelette, for you would be inclined to doubt us. We would, too, if it were not that we have kept count.

There are several Pieces left of this excellent Cloth. The width is 36 inches, and you have choice of several stripe patterns.

Invigorating and Healthful

During the change of seasons is a shampoo or face massage in our Hair-Dressing and Manicuring Parlours. Two expert attendants at your service. Call 138 or 139 if you wish to make an appointment beforehand.

Switches of genuine hair, ranging in colour from light to dark. Moderately priced

WHEN YOU PAINT, USE MARTIN-SENOUR 100% PURE

We sell it in every colour that Paint is made. Also Varnishes, Alabastine, Muresco, Floor Wax, Mops, Carpet Sweepers, and the celebrated Hoover Suction Sweeper

A Handsome Collection of Modish Suits—Any One Can Be Had for $52

This assortment gives your taste a wide latitude. There are coats of various lengths and cuts, braids and embroidery smartly and variously arranged, and the materials are principally those old reliables, the ever popular—gabardine and serge. Each model possesses a distinctive note that makes a strong appeal.

$2.25 Taffetine Petticoats $1.98

A new dress, skirt or suit is never complete without a new underskirt, and many women wish to reduce their expenditure on this part of their wardrobe. You will find these skirts stylish and well cut.

The top is fitted and the bottom is finished with a 14-inch flounce. Some are all Black and others are Black with a floral or coloured flounce.

For the Jaunty Young Miss, the Slim or Medium Figure, a Polo Coat Is the Answer and $29 Is the Price

It has all the swagger of the short model, and a stitched panel gives it a smart back and inverted pleats form the sides. Patch pockets, deep cuffs and a cross-over collar are in evidence. The colours are soft greens and tan tones.

$5.95 Sample Voile Blouses at a Dismissal Price, $3.89

For the business woman who wants something that will launder or the separate skirt that needs a companion to complete it, they will be ideal.

Some are French and others English Voile—all are beautifully fine. There are various styles arrayed for your choosing. Filet, Val, enice, and Macrame Lace and dainty Tucking are discreetly used. All sizes.

A Tweed Coat Can Be Had for $27.50

You have become weary of slipping your winter coat over your smart dress and you want something jaunty and new. These swagger tweeds will satisfy your need. They are made on straight lines with smart belts, pockets and collars. The material is a Donegal tweed and the colours are grey and fawn mixtures.

$39 and $42 Serge Dresses for $34.95

All-wool botany serge is the material, and is garnished with braid and embroidery touches on the sleeves, bodice and skirt. You have choice of black, navy and fawn. The woman who requires a costume dress and has set aside this price for one will find them difficult to resist.

$1.75 Stamped Gowns, $1.29

You can use your idle hours to good advantage with needle and thread and have something handsome and useful at the finish.

These Gowns are made of a good quality Cloth, and are stamped with pleasing designs. They are hemmed and ready for use.

20c and 25c Soiled Wool, 3 for 30c

Single and Double Wool, in a variety of colours. There are only a few Skeins of each colour, but you can match it from our regular stock if there is not sufficient of the damaged Wool for your purpose.

"JUST WRIGHT" SHOES FOR MEN IN OUR MEN'S CLOTHES SHOP

Any man who wishes to be fashionably and comfortably shod when he steps out in his Spring Suit cannot do better than wear Just Wright Footwear.

They are expertly made from selected skins. They are synonymous with good style, and we are justified in placing emphasis on durability.

Our First Spring Sale of Ladies' Silk Hose

They Are Holeproof Seconds and Will Sell at 98c Pair, or 2 Pairs $1.85

We purchased these slightly imperfect stockings direct from the makers, and this enables us to give Peterborough women an opportunity to buy silk hosiery at a price that sounds like a quotation of three or four years ago. We had to contract for a large quantity to secure them at a price that permits us to sell them at such a low figure, but we know we can eas dispose of them.

It is difficult to find the imperfections in most cases, and when your search is rewarded you will usually discover that the flaw is but a slight irregularity in the weave in the Lisle portion of the foot. The colour range includes: Black, White, Champagne, Brown, and a few Navy.

Early shopping is advisable, for if past experiences are a standard to go by, there will be hundreds of eager buyers.

All sizes—8½ to 10.

Sound Reductions from the Redfern S[illegible]e

$49 SERGE SUITS FOR $42

The coat boasts of a pretty ripple effect and is trimmed with braid. The collar is shawl pattern and the waist is encircled with a belt. The skirt is gathered under a narrow belt. Can be had in navy, black or castor.

$30.95 TWEED COATS FOR $27.00

Their colours are dark hues and an inverted pleat extends down the centre of the back. The fullness is restricted by a narrow belt that fastens with a buckle. The principal trimming is buttons and the collar is convertible pattern.

A HOUSE DRESS FOR $1.69

Neat, good looking garments for the mornings that you need not be ashamed of when you are called to your front door.

They are made of a good quality Striped Print — Blue and White mostly — made on a comfortable style, with a sailor collar and ¾ sleeves. Sizes 36 and 38.

SEVERAL $35 TAFFETA SILK DRESSES THAT WE HAVE DECIDED TO SELL AT $27.50

They are fashionable models and in most instances they are combined with georgette and are trimmed with dainty embroidery touches. The colours are brown, navy, taupe and black.

$3.95 VOILE BLOUSES CAN BE HAD FOR $3.19

The voile is a fine French quality and is trimmed with dainty clusters of pin tucks and narrow lace. You have choice of either convertible or sailor collar; all are long sleeves.

The CRESSMAN Company Limited

G.W.V.A. WANT PROPERTY QUALIFICATIONS IN MUNICIPAL ELECTIONS ABOLISHED

MANY RESOLUTIONS PASSED AT THURSDAY AFTERNOON'S SESSION OF THE CONVENTION—WOULD DISFRANCHISE MILITARY DESERTERS AND DEMAND GUARANTEE OF SERVICE FROM UNNATURALIZED RESIDENTS.

REALIZE NEED OF PAPER

From two until six o'clock yesterday afternoon the G.W.V.A. convention reeled off innumerable resolutions many of which will find their way to the desks of Federal and Provincial legislators. Some of them were put through without comment, others were stayed by lengthly discussions.

A request to the Ontario Government to abolish property qualifications in favour of ex-service candidates in municipal elections for the offices of mayor, reeve or councillor was finally broadened to apply to all citizens.

Dr. C. E. Wilson of Toronto pointed out that many returned men were forced by the scarcity of houses and the high costs of materials to live in apartments and were thus prevented under the roperty qualification clause of the Municipal Act from contesting elections.

H. E. Green defended the statute stating that there were many returned soldiers in the floating population of most communities. If elected to municipal office they might be heavy expenditures pile up taxes that would be burdensome to the property owners who in the long run had to remain and pay the taxes.

L. Evans of Galt said that the property qualification had been abolished in all civilized countries.

Comrade Preston proposed that the convention should not ask that an exception be made for the benefit of the returned men, but that the amendment to the Act should include all citizens. This is in line with legislation which it has been reported the Drury Government will introduce this session.

Equipment for Funerals.

A resolution asking the Militia Department to supply for military funerals a gun carriage and equipment for a firing party to every branch of the G.W.V.A. having a membership of 500, drew several amendments in which the delegates from the smaller centres asserted their claims.

As altered the resolution calls for the equipment in every convenient place where a returned soldiers' association is established, for the use of the local G.W.V.A.

"We haven't had a good military funeral in Toronto for a year" said A. R. Wilkes of Parkdale, Toronto. "The only time we get one is when a man on the staff dies. Then they turn out with spurs and the rest of it."

"We've had no trouble in Brantford" Comrade J. Shute remarked. "Surely we are not admitting that the comrades are not turning out for firing parties."

"I didn't say the men wouldn't turn out" Mr. Wilkes replied. "Some times lately as many as five of our men died in a day. Then there was a rush to see who get the equipment first. What I did mean was the men were not allowed to come out. When they asked to get off work their employers refused."

"If a man upheld the Union Jack when he was alive, surely we should give him the glamour of it when we carry him to his last resting place" said J. Hossack of Westboro.

Delegates from comparatively small branches urged that the request to the Militia Department consider their claims. It was then suggested that the equipment for military funerals be placed in county towns, but G. E. Payne suggested the more general location of the most convenient place for local commands.

G.W.V.A. Journal Needed.

The convention pondered long on a proposal that the Ontario provincial command publish a weekly journal for the purpose of keeping the members in close touch with the G.W.V.A.

President Jeakins reported that this question has been considered in detail by the executive who could figure only a deficit of $5,000 in six months.

J. Armstrong of Mount Dennis wanted action if it was at all possible, and H. O. Peacock of Windsor suggested that the provincial per capita tax be doubled.

"It is essential to the interests of the G.W.V.A. that we have a paper of our own" he declared.

C. E. Haight outlined a scheme on the lines the Alberta "Veteran" is conducted, and stated that the Association couldn't calculate its numerical losses through the lack of an interesting weekly that would be read by all the men. "The Veteran" magazine, he believed, went "over the heads" of most of the men.

T. C. Weatherhead of the St. Catharines "Standard," speaking as a newspaper man advocated "a real live newspaper if the G.W.V.A. hopes to become the organization it should be."

It was brought home to the convention that the publishing costs these days have to be reckoned with.

R. F. Layfield of Peterboro was satisfied with the service the newspapers gave the veterans.

A committee of practical newspaper men, Comrades Haight, Peart, Livingston, Hood and Weatherhead was appointed to consider this question further and report before the close of the convention.

Restrict Timber Export.

Eighty-five per cent. of Canada's timber is exported to the United States who are conserving their own supply for higher prices, was the substance of the preamble of a resolution by J. V. Conroy of Toronto and A. Smees of Hamilton urging the Dominion Government to re-trict by embargo the export of timber, and also to make a greater effort for re forestation.

Encourage Canadian Mines.

We are [illegible] dependent

Upland Coffee

Coffee, grown in the cool, dry mountain plantations, is rich in those qualities which give the wonderful fragrance and flavour to

SEAL BRAND

—the perfect Coffee. Blended and roasted and put into air-tight packages, its goodness and exhilarating aroma sealed safe from the deteriorating air.

Ground and fine-ground. In ¼, ½ and 1 lb. tins. At good dealers everywhere. Write for "Perfect Coffee — Perfectly Made"—free on request.

Clarke & Sanborn MONTREAL.

the whims of the American dealers and market" C. E. Haight of Toronto said introducting his motion that the convention bring before the Dominion House the necessity of encouraging the greater production and use of Canadian coal, whether by bounty reduced freight rates or any other method that Government might decide as a means of overcoming the cost of the longer haul and meeting American competition on better terms.

Shut the Door on Hearst.

A sheaf of resolutions demanding that the Government exclude the Hearst publications from Canada reflected the temper of the local commands toward the anti-British campaign that has been waged for months in the New York "American" and other Hearst sheets and periodicals printed throughout the United States.

No Deportation.

"Let us make Canadians of them said A. H. Peart in opposing a resolution for the deportaton of enemy aliens. "The war is over, peace is signed. There are no enemies now in the general sense." The motion was defeated.

Why Do Canadians Emigrate.

A resolution urging the Government to investigate by commission or otherwise the reasons for the exodus of Canadians to the United States and to take steps to retain them here, met with some opposition through the idea of coercion that was interpreted from the second clause.

H. H. Hood construed it as a curb upon ambition. If Canadians were going to the United States it was because there were greater opportunities for them there.

It was explained, however, that the intention was to direct the Government's notice to this movement and to strive to make conditions more attractive in Canada.

Want Promise of Service.

Legislation is sought whereby unnaturalized citizens shall be examined by a properly constituted Board and if in its opinion they are undesirable that they be deported; if they are regarded desirable that they give a written statement of citizenship including military service.

Ladies Are Emulative

The suggestion of the Ladie's Auxiliary of the Peterboro branch of the G.W.V.A. that all the auxiliaries meet in convention was heartily endorsed, and will be proposed at the Dominion convention.

Resolutions were also passed advising Canadian consumption of Canadian goods and of trade within the Empire

Other Resolutions.

That, in view of prospective vacancies on the Bench in Ontario and for the advantage of securing a man who is conversant with the problems of the returned soldiers, the Dominion Government give preference to overseas barristers.

That the convention approve of the action of the Manitoba Government providing for the teaching of English to the alien youth in that province.

That the Government of Ontario institute juvenile courts where they do not at present exist.

That military deserters be deprived of the franchise for twenty years.

That the electoral system of proportional representation be endorsed.

Observe Armistice Day

That Armistice Day, November 11th, be recognized by the Association and that memorial services be held on the Sunday nearest to that date.

Fair Deal for the Youngest.

That minors who are taking or have taken vocational training be granted the bonus which is provid for other vocational students.

Hands Off "Oleo."

That the convention protest against any prohibition of the manufacture or sale of oleomargarine in Canada.

That the free treatment of members of the C.E.F. be extended for three years, treatment to be given by a medical practitioner who may be selected by the patient.

That the Ontario Department of Health be put on a better basis and brought up-to-date in view of the large number of persons engaged in industrial operations whose health is below 100 per cent. and also because [illegible] proper attention.

Grandmother was a good housekeeper, who kept the house swept and garnished, and considering the tools she had at her disposal—the broom and the scrubbing brush—she did a good job. Houses in those days looked clean; there was no visible dirt. But were they really clean?

Since grandmother kept house our ideas of true cleanliness in the home have changed. We now know that we must do more than remove visible dirt and dust, and to do this we suggest, **The Eureka Vacuum Cleaner.** It gets the dirt, not the rug. The Eureka sucks the dirt out of the rug, cushions, draperies, etc., but does not spoil them such as a broom or a brush does. Eureka Supremacy is based upon these two things—**Great Volume of Air and the High Velocity at which it travels.**

Eureka Cleaner **$56.00**
With Attachments **$66.00**

They are plain yet attractive in appearance, constructed to give lasting service and unsurpassed for cooking and heating. Dont' overlook this opportunity if you want complete range satisfaction and economy in fuel consumption.

See these ranges in our Economy Basement.

The Style of All Ages Finds Expression In These New Gowns

NAVY BLUE SUITS MODERATELY PRICED. One would never dream that with a foundation of navy blue serge or tricotine, so many different things could be done and individuality so cleverly attained. For example—at $65.00 is one of thosemannish affairs of all wool serge which forms a distinctive type in fashion this season. It has anotched collar, narrow sleeves finished at cuffs with buttons. Beautifully lined.

Another striking model in Navy All Wool Gabardine inclines to the strictly tailored mode, also beltless, and with braid and button trimming. Beautifully lined. Price **$75.00**

Misses' Model in Navy Blue Serge, bouffant hip, trimmed with braid, pretty vest made of grey tricolette nicely trimmed. Skirt full at the back, slashed pockets, narrow belt. Price **$55.00**

Pleats and plaid strike new notes in the showing of smart skirts. Box pleats, Knife pleats, Accordion pleats. These are terms to conjure with where the spring Skirt is concerned. They enter into the description of some of the smartest models and all the smartest array on view this week. As for plaids they are the pet medium of the new mode. Not only for sport, but for the informal wear in general. Out-and-out Plaids of goodly size, combinations of green and brown, Copen, and Navy, Brown and Beige. Prices on such skirts in plain and pleated plaids range from $18.00 to $35.00. A most attractive offering.

In KUMSI-KUMSA are delightful shades for evening wear in pearl grey and black—a boon for her of slight and youthful figure. Price **$45.00**

Skirts for Golf and other outdoor sports include some very swagger, well-tailored specimens in plaids, wool, tweeds, home-spuns—plain with pockets and belts, at prices varying from **$12.50 to** **$20.00**

Skirts of Navy and Black Serge in tailored and fancy styles, pockets and tucks the predominating feature, finished with narrow string belt. Prices range From ..... **$8.50 to** **$20.00**

Third Floor.

An exceptional bargain for Saturday in all wool Tweed Coats made in the trench style; finished with belt and buckle, pockets and convertible collar. Color, brown and grey mixture. All sizes **$16.50**

Third Floor

In our Millinery Department, 3rd Floor

You will find a most comprehensive showing of Spring Hats. For the matron you will see black shimmering straw shapes, some turned up frontand back decked with beautiful ostrich plumes; others in the broad brimmed style with its valance of Chantilly lace and jet ornaments.

Others in the Tricorne or English admiral lines, with enveloping veils. Flowers and fruit in bright colors seem to stand out as one of the most popular modes of trimming for spring, and here you will find them in abundance harmoniously worked together on bright colored shiny straw.

Third Floor.

GOSSARD FRONT LACING CORSETS

A NEW ADDITION TO OUR CORSET DEPT.

The world famous Gossard Corset with a graduate corsetierre to help you solve your corset problems. Here you will find service unequalled.

YOU CAN TELL THE WOMAN WHO WEARS A GOSSARD

She walks with an ease and lithe gracefulness that is the charm of youth, and ends the most exacting day fresh and unfatigued. There is much more to Gossard corsetry than just figure improvement.

Do not casually shop for your corset. The woman who takes the time to understand herself and her corset problems spends less because she buys the right corset in the first place. The woman who lacks the corset understanding buys twice and is not satisfied either time.

Gossard Brassiere designed for the woman with the full figure.

Back is of heavy granite cloth to take care of flesh at top of corset. Front has wide band of elastic to take care of full diaphragm. Upper portion of front is made of tricot mesh. Hooks in the back. Colors pink. Sizes 30 to 42. Special **$1.95**

Third Floor.

The J. C. TURNBULL COMPANY, Limited

"OPEN DOOR" POLICY IS ENDORSED AT TO-DAY'S SESSION OF G.W.V.A.

RESULT OF REFERENDUM SUSTAINED PROPOSING TO ADMIT ALL PERSONS WHO HAVE AT ANY TIME SERVED HONOURABLY IN THE FORCES OF GREAT BRITAIN AND THE ALLIES.

MOVE TO UNIFY ALL VETERANS

The admission to membership in the G.W.V.A. of any person who at any time served honourably in the forces of Great Britain and her allies was endorsed at this morning's session of the convention by a per capita vote of 18,191 to 5,320.

The returns of the Ontario referendum on this question up to March 1st showed 5,984 members for and 1,344 against.

The 'open door' policy was brought before the convention to-day by the resolution of A. Smees and F. W. Ambrose of Hamilton recommending to the Dominion command the admission of all those who served honorably in the armies of Great Britain and her allies during the war, irrespective of time and place.

The endorsation of the referendum, which would open the door not only to the veterans of this war, but also those who saw service in others, was submitted by J. W. Marshall and H. W. Davidson of Toronto.

A. M. Hood, of Kingston, objected that the amendment was too comprehensive, sanctioning the admission of Greeks, Italians simply on the strength of their military training twenty years ago, apart from actual service in the great war.

"Does the comrade really believe that any branch would admit men of that kind," A. H. Peart of Hamilton, asked.

J. Rigby of Ottawa, asked for a per capita vote, explaining that his branch had instructed him to demand it on any proposal to amend the constitution.

Comrade Ambrose, speaking to the motion, said that a considerable number of returned men in Hamilton were eager to join the association if the door was opened to them.

Comrade Slemin, Brantford, advised that the "door" be unlocked and the key thrown away.

Admit Men Who Got to France.

A. H. Peart, Hamilton, said this question would be dealt with by the Dominion convention, where he would support it. He was particularly in favour of admitting conscripted men who got to France.

"I was opposed to this last year," S. Armstrong of Mt. Dennis said. "We wanted quality instead of quantity. We can still get quality by careful choice."

T. C. Morrison of Ottawa, argued [illegible] "We cannot lose 100 per cent. of it if we open the door. The ladies, I don't think, would give their votes to us if we ever needed their assistance, if we let in everybody."

C. E. Haight.

"I'm very much opposed to allowing the entrance of any draftee who didn't leave Canada," said C. E. Haight Toronto, who at the same time pointed out that ex-service men of other armies, who had been conscripted, might be admitted while Canadians of the same standing were excluded.

J. W. Hagen, of Kitchener, said that there were young men of that district who would have volunteered had their parents permitted them. Many of them were actually glad when conscription took them. He pointed out that it seemed hardly fair to debar such men.

"Rather than keep one good man out of the Association we would take a chance on admitting a dozen bad ones" was the comment of L. Evans of Galt. His branch was solid for the open door.

Draftees Help Make Record.

L. Turton, Preston—"We should remember that the records of Canada were not made only during the period of the volunteers, but also during the time the draftees were in France. I'm not in favour of admitting 17,000 draftees who never left Canada. There is a large German settlement around Preston and we know that many of the boys there would have enlisted if they hadn't been swayed by their parents."

Make Better Citizens.

Comrade Pugsley of London, advised that since the Association prided itself in its patriotism it would be preferable to absorb those who didn't volunteer, and thereby endeavour to raise their moral standard.

Strength in Unity.

J. Horsack, Westboro— "We will not become an effective force without the unification of soldier organizations. That unification cannot be accomplished if we exclude the men of other associations."

The eggs of a blue-bottle fly, if placed in the sun, will hatch in two or three hours.

CHATHAM TO HAVE GRAVITY FILTRATION WATERWORKS PLANT

Work on New System to Be Started in Three Months.

CHATHAM, March 17.—The Chatham Waterworks Commission, at a special meeting adopted a report of Major Adams, city engineer, in which he recommended a new rapid sand gravity filtration system as the solution to the local water problem. The proposed system will necessitate the scrapping of the old plant, and building an entirely new system with the intake pipe located several miles up stream at an estimated cost of $371,000.

The city engineer was instructed to prepare plans and specifications, to be approved by expert waterworks engineers. His offer of four per cent. of the total cost of the work as his fee was accepted. He estimates that construction can be commenced in three months' time. The usual money bylaw will be submitted to the ratepayers at a convenient date.

JUVENILE BRANCH RECOMMENDED ONTARIO G.W.V.A. CONVENTION

DELEGATES REQUEST GOVERNMENT TO ASSIST RETURNED MEN IN SECURING HOMES INDEPENDENT OF MUNICIPAL SCHEMES—ENDORSE BOARD OF COMMERCE.

MORNING RESOLUTIONS

After their round of pleasures last night, including the parade down town to the tune of the old marching song "Mademoiselle of Armentieres" the theatre party and the dance afterwards in the convention hall, the G.W.V.A. delegates were as bright and keen as this spring morning when they began their last day's work this morning.

President Jeakins' gavel worked over time under the pressure of business that preceded the election of officers.

Recommend Juvenile Branches.

The formation of juvenile branches for the sons of veterans was recommended by the resolution of J. H. Davidson of Riverdale, Toronto.

M. M. Hood, Kingston, urged the substitution of the word auxiliaries for branches stating that the question of membership was involved. He demanded a per capita vote but afterwards waived his right remarking that the question would come up a another meeting.

For Truck Farms

I. Turner, Ottawa, submitted a resolution seconded by A. H. Peart, Hamilton, requesting that the regulations of the Soldier Settlement Board be amended to allow applicants to take small holdings of five acres and less for market and truck gardening was unanimously adopted.

A Separate Housing Scheme

Moved by M. M. Hood and Whitworth of St. Thomas, that the government be again urgently requested to deal at once with the housing situation, and to provide direct measure of assistance to veterans to build or purchase homes, by means of long term loans independent of the action of the municipality in which they live and that the administration of this scheme be placed under the Soldiers Settlement Board.

Mr. Turley Popular As Ever

West Toronto's annual resolution calling for the resignation of Secretary W. Turley was submitted by W. Payne, delegate for that branch, but was thrown out with prolonged cheering for the secretary.

Endorse Commerce Board.

The convention expressed its hearty support of the Board of Commerce and urged that it continue its activities with broader scope.

Would Pay Presidents.

A recommendation to the Dominion command suggests that the Presidents of the Dominion and Provincial commands receive remuneration providing they give their time solely to the duties of their office.

Protest to McGill.

The convention passed a resolution of protest against the action of the Board of Governors of McGill University for their appointment of a German professor, which resulted in the resignation of Dr. Edgar.

A resolution by Dr. Grant that the Ontario representative to the Dominion command be selected in open Council and be a non-voting member of the Ontario executive was altered by the amendment of H. Payne of Toronto, making the representative a voting member of the provincial executive.

J. E. Payne's resolution proposing that the pension age limit for the children of widows be extended to 21 years for boys and girls 18 was adopted.

"NIGHTY NIGHT"

Nightie Night," which created a fashion in farces during its al-on run in New York will start fun rolling at the Grand Opera se, March 27th, Saturday mati and night. This masterpiece of ly moral merriment—notwith-ding its pink pyjama girl—makes lph Klauber's sensationally suc-ful debut as a producing mana-

Only a few years ago Mr. Klau- was dramatic editor of one of leading New York papers, and it then he made the acquaintance the two gifted authors of this roughly innocous but enormously sing play, Martha M Stanley and laide Matthews. The authors two married couples, with one more fiercely jealous husband, tangled them up in a comedy for twenty weeks drew capa- audiences to the Princess Thea- New York. It is recommended outburst of fun that a man can e his wife to see without fear and nbling. Mr. Klauber in associ-n with the Selwyns are sending original New York cast, headed Francis Byrne, and comprising expert farceurs a Dorothy timer, Suzanne Wills, Malcolm can, Grant Mills, Ruby Craven, Marie Chambers, all of whom are minent in this domestic delirium.

BELMONTS WON ANOTHER GAME

INDOOR BASEBALL PLAYED AT THE ARMOURIES,

In the City Indoor Baseball League left the Belmont Club added another scalp to their belt last evening when they defeated the Y.M.C.A. by the score of 17-6.

Harrison, in the box for the Belmont was in his usual form and kept the "Y" guessing.

For the first three innings the game was a neck and neck affair but from then on the Belmonts practically had the game on ice.

The Line-up.

The teams lined up as follows:—

Belmont Club— Lowes, Holyman, Harrison, Jobbitt, Haskill, Head, Stuart, Darling and Moore.

Y.M.C.A.—Tudhope, White, Doughty, Bergoine, M. Long, Long, Flowers Armstrong, MacIntosh.

Umpires—Cobb and Williams.

END OF SCHOOL LEAGUE GAMES

QUEEN ALEXANDRIA SCHOOL WON THE CHAMPIONSHIP.

The Queen Alexandra School hockey team won the championship of the Peterboro Public Schools, from South Central on Thursday night, at the Brock street rink by a score of 2-1. The ice was in good condition, and the game fast.

South Central scored in the first minute. After a hard battle of about 20 minutes Manning evened the tally for Queen Alexandra. In the last five minutes Ash for Queen Alexandra broke the tie. South Central tried hard to score but could not pass the Queen Alexandra defence.

Mr. Steer, principal of the South Centrals handled the game in a most efficient manner.

Line up: South Central. Centre W. McDonald; Wings, K. Mien, W. Cowling, Rover, H. McDougal, Defence, M. McDougal, I. Morrison; Goal, Ed. Morrison.

Queen Alexandra: Centre, D. Cameron; Wings, S. Hamilton, F. Ash; Rover, C. Ash, defence, T. Outram, G. Manning; Goal, F. Whitehouse, subs, H. Doughty, A. Baird.

PASTIMES WON FROM BRINTON CARPET PLACING THEM IN 3RD PLACE

Last night in the Business Men's Five Pin League in the play off for third place between the Brinton Carpet and Pastimes. The Pastimes rolled a strong game defeating the Carpet Bunch and winning third place. The Pastimes rolled in their second game a score of 1042. Aikins was high man of the evening with 620. King next 580. Cocks 581. Craig 547, rolling the total of 2802. For the Brinton Carpet Arrowsmith was high man with 564, Anderson 539, Bishop 536, rolling the total of 2527.

LINDSAY READY FOR BALL SEASON

CENTRAL ONTARIO LEAGUE CLUB ORGANIZED—CANON BALL SCOTT STILL THERE.

LINDSAY, March 18.—At an enthusiastic meeting of baseball fans here to-day it was decided to enter a team in the Central Ontario Base-Ball League. The following officers were elected:—Hon. Presidents, John Carew and C. M. Squier; President, James W. Anderson, Vice-Presidents G. A. Little, and A. F. Palen; Secretary-Treasurer, R. Butler; Managing Committee, M. J. Dedman, N. Mark, F. J. Carew, T. Bakogeorge, L. Richman, F. Martin and Ed. C. Armstrong. The prospects for a fast team are good, with "Cannon Ball" Ed. Scott on the mound and Coombs behind the bat.

Following are the delegates to the Central Ontario League annual meeting: James Anderson, R. Butler, M. J. Dedman and F. W. Moynes.

A NEW FINE PIN LEAGUE WILL BE FORMED TO START NEXT WEEK

The Business Men's Five Pin League are starting a new league next week, if all the team can be entered. Any new team wishing to enter should apply at once to the Water Street Alleys.

FINAL GAME OF THE LEAGUE

The last league game in the De La-val Bowling League for 1920 was played last night at the Water street Alleys, between the Midgets and the Crescents.

The Midgets won two out of three putting them third place. White Cap Murray's Crescents, stay in fourth place.

H. Allen was high with 541, he also had high single with 198.

A pleasing feature was the welcome return of our genial President, Mr. A. Robinson, who got away with a nice game of 533.

The following is the complete league standing.

Name	Played	Won	Lost
Giants	27	17	10
Separators	27	15	12
Midgets	27	13	14
Crescents	27	10	17

BOWLING

The Y.M.C.A. witnessed a lively match last night when George street Bowling Team won two from St. Paul's. The present standing leaves St. Paul's teams at the head of the first round with one match to be played to-night All Saints vs. St. Andrews.

George street won the first game St. Paul's the second, but the last game went to George street.

Next weeks schedule:—

Tuesday, March 23rd., at 7.30—George street vs. St. Andrew's.

Thursday, March 25th at 7.30 St. Paul's vs. Murray.

Friday, March 26th., at 7.30—Excelsiors vs. All Saints.

Scores:

George Street

Mayneord	126	174	194—497
Pratt	134	137	215—486

BASEBALL

The Collegiate Institute and Machine Gun Company's team will meet in a City Indoor Ball League Game at the Armouries to-night.

"FLO-FLO"

"Flo-Flo" the delightful medley of music, comedy, costumes and pretty girls which John Cort will bring to the Grand Theatre on Wednesday eve, comes to this city following a solid year's run at the Cort Theatre, New York, and its successful Boston and Chicago engagements.

The musical concert, the book of which is the work of Fred De Gresac has brilliance and sparkle while the music by Silvio Hein is considered the most catchy of his compositions. The distinction of beautiful girls and exquisite gowns, a background of resplendent scenery and a star cast including Hazel Alger, W. J. McCarthy, Carl George, Eddie Lloyd, Augustus Buell, Rhea Norton, Elinore McCune, Marie Dantes, Robert Dale, Frank Masters and Frank Hodgins, a perfect thirty-six chorus and an augmented orchestra combined to make this organization one of the foremost now touring.

NEW ENGLISH BOOKINGS MADE BY TRANS-CANADA THEATRES FOR DOMINION

An announcement of great interest to theatre-goers is made by Trans-Canada Theatres, Ltd., the new All-Canadian theatrical organization. It has already been made public that Mr. Tyrone Power, now touring in "The Servant in the House" and "The Little Brother," will cover the same ground from coast to coast, next season, in "A Bunch of Violets" and "The Middleman." Further plans now embrace the return of this distinguished artist over the same territory in "Claudius," made famous by the late Wilson Barrett, and "The Red Lamp," Canon Doyle's fascinating romantic drama.

In addition to this, Mr. Power will be followed over the Trans-Canada circuit of playhouses next season by two notable All-English productions, —Grossmith's famous farce-comedy, "The Night of the Party," and a new play, "Lucky Durham," which has been drawing crowded houses throughout the English provinces, and which is still on tour across the water.

The success which attended the opening of Mr. Power's tour in "The Servant in the House" is being duplicated all along the route. From the middle West he will play that drama and "The Little Brother," in which he made a big impression in Toronto, alternately.

The All-Canadian tour of Mr. Wilkie Bard, the greatest of all comedians now upon the stage, will embrace two acts by Mr. Bard and a series of first-class vaudeville attractions in addition. The selection of the acts in which Mr. Bard will appear has not yet been made, but it will most likely include at least one in which he has never before been seen on this side of the Atlantic.

HAVE THE RABBITS INJURED YOUR TREES?

Now is the time when orchardists and other owners of trees are likely to discover that serious injury has been done by mice, rabbits and other rodents during the winter. Especially where a few young trees are situated some distace from the house or garden, the trunks are likely to have been gnawed during the cold weather, particularly during a winter when, as has been the case of this year, snow has remained heaped up around the trees for many weeks at a time.

Of course it is too late, for this season at least, to talk about preventive measures. The thing to do now is to find out how serious the damage, and take steps to prevent its being the cause of serious injury or even death to the affected trees. If only a small section of the bark has been eaten, the best thing to do is to smooth and if possible in an oval shape with the longest dimension running up and down the trunk. Then clean away any shreds of bark left within the wounded area and cover the whole surface with a pure, rather thick lead paint. Some authorities advise the use of other protective materials, such as coal tar, etc. The aim in any case is to prevent the introduction of moisture and the rotting of the wood while the bark makes new growth and covers up the wound.

If the trunk is nearly or completely girdled, that is, if the bark is eaten off over an area that almost joins around the trunk, the only thing to do is to practise bridge grafting. This is a technical, but not very difficult operation, in which twigs or cions are sharpened at both ends and inserted under the loosened bark at the top and bottom of the injured belt. These twigs may be put side by side an inch or so apart all the way around the trunk if necessary. Later, some of them may have to be removed while others may fail to make a union with the tree and may die and drop off. The remainder, in successful cases, will gradually grow together and supply the tree with a new channel for the movement of the sap, thus giving it a new lease of life. In the case of valuable trees, it is best to consult an experienced orchardist or tree surgeon who is familiar with this work.

AMERICAN MARKETS FOR BRITISH GOODS

An interesting article in the January number of Anglo-American Trade, the monthly publication of the American Chamber of Commerce in London, deals with the sale of British goods in the United States. For months the Chamber has been endeavouring to increase British exports to the United States as one way of improving the exchange, and making it possible in turn for Great Britain to continue buying America goods. The Chamber has enlisted the co-operation of the best known advertising and merchandising associations in the United States in the development of a market in that country for British goods. A typical letter states that "any product made by a British manufacturer adapted to use in the United States should find a ready and profitable market." Another reply says that "a man who could come into these markets with a good old-fashioned article of wearing apparel with quality behind it, would be welcomed with open arms. We need linens, woollens, cotton goods, silks and the various articles manufactured from them." Other products which could be sold include linoleums, men's pipes, travelling rugs foods, sauces and condiments, fancy drugs, cosmetics and toilet articles, jams, etc., canes, and high grade motor cars. It is pointed out that there is a great field for the sale of British marine machinery and ship equipment. Regardless of cost, many British articles of this nature are specified by American naval architects, and the market for them in America is greatr than ever before. A suggestion is made from an American association that British firms who cannot now afford a special sales organization of their own in the United States should co-operate in the establishment of a consolidated sales bureau, with offices in New York and Chicago. British business is indebted to the American Chamber of Commerce in London for the assistance being given in working the United States market, and we hope their efforts will result in a larger trade volume on both sides.

Have shortening very cold before it is put into the flour.

Scrambled eggs should be served immediately to be at their best.

VOICE OF THE PEOPLE

To the Editor of the Examiner.

Dear Sir,—I understand a by-law is being prepared, to change the name Concession street to Armour street. Very well. But why change it from Armour street, to Armour Road, as was intimated in yesteday's paper. It would not after the rural part of it, any to cut out "Concession" and still use "Road".

Yours truly,
MRS. J. O'DONOGHUE,
542 Concession St.

COLLAPSIBLE SULKIES

These are still favourites, because of their convenience, and they take up less room. There's a good choice—up from.... **$2.98**

HASTINGS NEWS OF INTEREST

HASTINGS, March 16.—Mr. Walter H. Humphries of Stouffville, at present engaged as operator in the G.T.R. station here, has taken to himself a wife, in the person of Miss Laura Smith, eldest daughter of Mr. and Mrs. Alex. Smith, town. Mr and Mrs. Burkholder will reside for the present in Hastings.

We regret to have to record the demise of another citizen of Hastings in the person of Miss Jane Pickens, who has been a life-long resident of this community. Miss Pickens was taken to Nicholls Hospital, Peterborough some months ago, where she received the best of medical attention, but all was of no avail as she gradually grew worse until the end came. The funeral was held on Wednesday from the Presbyterian church, where service was conducted by Rev. D. A. Thomson. Four brothers and three sisters remain to mourn her loss.

It was with deep regret that we learned during the week of the death in Marmora of Mrs. Ed. Lynch, formerly of Westwood. The funeral was held on Thursday, interment being made in the R. C. cemetery here. Much sympathy is expressed for the sorrowing husband and four children.

A St Patrick's social was held in the basement of the Methodist church on March 17th, when a good programme was given by the choir of the church.

At the March meeting of the town council a communication was read from [illegible] stating that [illegible] of the Railway Commissioners, Ottawa [illegible] seconded by McGrail, that the Reeve have power to act in this matter and report at next meeting of the Council.

An application was read from Mr. George Lynch, applying for the position of engineer for the fire department.

An application was read from Mr. T. A. Coughlan for the position of treasurer at a salary of $60 a year.

Moved by Doxsee, seconded by McGrail, that the application for engineer of the fire department be laid over until next meeting.—Carried.

Moved by Lynch, seconded by McGrail, that Mr. J. M. Thomson be appointed town treasurer for 1920.—Carried.

Moved by Chapman, seconded by Doxsee, that the auditors report be received and 100 copies of the same be printed.

Moved by McGrail, seconded by Doxsee that the Reeve and Clerk be sent to Peterborough to see the town solicitor in reference to the electric lighting contract and the railway watchman.

Council adjourned.

Mr. Howard Fife was in Peterborough on Saturday.

Mrs. Sam. Hatherly has been in Lakefield with friends.

We are glad to hear that Mr. Harry Chapman is recovering from his recent illness.

Mr. Alex. Wilson was in Peterborough on Friday.

Miss Joyce Richardson has been the guest of her sister, Mrs. J. Armour.

Rev. D. A. Thompson attended a meeting of the Presbytery in Peterborough during the week.

Mr. and Mrs. Harold Beavis have moved their household effects to Norwood, where they will reside.

Mr. Geo. Stevenson was in Peterborough last week.

Mr. and Mrs. Roy Oliver have been guests of Mr. and Mrs. J. Oakley.

Rev. D. A. Thomson concluded his series of sermons on Sunday evening in the Presbyterian church, taking as his subject, "The Man Who Overcomes." These sermons have been much enjoyed.

"Gee-Whiz! How it Hurts—The Pain in My Foot!"

"Sometimes it is in my arm. Merciful Heaven, how my back hurts in the morning!" It's all due to an overabundance of that poison called uric acid. The kidneys are not able to get rid of it. Such conditions you can readily overcome, and prolong life by taking the advice of Dr. Pierce, which is "keep the kidneys in good order." "Avoid too much meat, alcohol or tea. Drink plenty of pure water, preferably hot water, before meals, and drive the uric acid out of the system by taking Anuric." This can be obtained at almost any drug store.

Send a bottle of water to the chemist at Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., and you will receive free medical advice as to whether the kidneys are affected. When your kidneys get sluggish and clog, you suffer from backache, sick-headache, dizzy spells, or twinges and pains of lumbago, rheumatism or gout; or sleep is disturbed two or three times a night, take heed, before too late. Get Anuric (anti-uric-acid), for it will put new life into your kidneys and your entire system. Ask your nearest druggist for it or send Dr. Pierce ten cents for trial package.

Voice Of The People

Winnipeg, March 14th.

Dear Mr. Editor,— To-day the members of the Anglican church in Peterborough, in common with their co-worshippers throughout the Dominion, are doubtless holding special services of Thanksgiving for the great success that has attended the Forward Movement And yet, judging from the letters that have appeared in your paper, and from the individual comments of which I have learned through personal correspondence, to many it will be an outward observance only. There are many who are unsympathetic.

One takes exception to the superannuation fund for aged ministers, another considers a fund for the care of widows and orphans of deceased clergy superfluous, and "One of the Workers," in your issue of March fourth, takes issue and asks: "Is the church doing its duty towards the working class— has the church got the means to do so one might ask. If "one of the Workers" will refer back to the old testament Hebraic law, which is embraced in our religion as unmistakably as the Divine teachings of Christ, he will observe that every man was tithed for a tenth of his possessions Did every man in every community do HIS duty by the church according to that interpretation there would be no need for "coal collections" or "forward movement" campaigns. There would be enough to carry on the Lord's work in every phase

Against "One of the Workers" complaints regarding the high cost of living, which all we workers DO feel most severely, let me cite a few instances of what the clergy have always had to contend with. Not long ago, the Bishop of Ottawa pleaded that the stipends of the country's clergy should be **increased to seven hundred dollars a year.** I know a gentle old man in this diocese who serves two parishes, miles apart. During the last year of the war, he said to his vestrymen, "I must ask you to pay my salary in future, all my funds are gone, and unless you pay me my stipend I cannot keep out of debt."

Small hopes of clergy taking out insurance for the protection of their families, or saving for their old age under those circumstances, you will agree.

They are not isolated cases. I have seen the men from the prairie missions come in to the synod meetings, dressed in shabby, weather stained Tweeds that the average man would think only fit for "choring." They have to submit to the indignity of accepting gifts of food from their parishioners who can oftener spare a bushel of potatoes or a round of beef than the scarce dollars. They are gifted men who would doubtless have been eminently succesful in any work they undertook, but because they are consecrated to the service of the Lord, they are the most underpaid workers in Christendom.

Don't criticize, dig for facts, and face them, and, as with the war time subscriptions you'll want to "give till it hurts."

One other phase of this Forward movement that must not be overlooked. After maintaining the missions to the Eskimos and Indians for a hundred years, the British and Foreign Mission Society is relinquishing the work to the church in Canada. Part of the funds collected in the campaign will be applied to an endowment fund. Would you not rather feel that you had contributed your mite

I am not writing as an outsider; the warmest spot in my heart is reserved for Peterborough.

Hope this is not too lengthy, Mr. Editor, for publication in your letter box, and that it will lead some of our friends to study this question a little more closely.

Thanking you in anticipation, I remain,

Yours very sincerely,
ANNIE E. TIMM.

POST TOASTIES

"Montcalm"
A new model

Semi-ready Tailoring
is perfect fitting

Spring Top Coats—with shoulder-fitting supreme, and the drape hanging just right, tailored from new fabrics imported from England.

Semi-ready Company excels on fine fabrics, and on plain cheviots, meltons and serges, because they manufacture much of their own cloth in England.

Safe and Sane
You cannot afford to be without a Spring Top Coat to shelter you from the cool and often piercing breezes experienced in this climate at this time of the year. A reasonable and just price—this adds to comfort.

Style Correct
If style correctness is your thought, a Top Coat of the new fashion designed by Semi-ready should be a part of your wardrobe. The new styles are different—quite a bit more artistic.

Value First
Price-in-the-pocket labels in Semi-ready Tailoring are based on a "fair profit," less than the minimum fixed by Commerce Boards. Texture and fabrics are the basis of cost—and one can reckon on true value.

LOWER SLESVIG VOTES FOR GERMANY

DANES LOSE CHANCE OF RECOVERING THE TERRITORY IN PLEBISCITE BY NEARLY 3 TO 1.

COPENHAGEN.—The second Schleswig zone, including the important port of Flensburg, where a plebiscite was held on Sunday under the provisions of the Treaty of Versailles to determine the future nationality of the region, voted to remain German according to the latest returns of the balloting. The figures, while unofficial, show the population overwhelmingly in favor of German nationality. With four districts still to be heard from, 48,148 votes were cast for German control and 13,025 for Denmark.

In Flensburg, according to official figures given out this morning the voting was as follows: Voters domiciled and resident in Flensburg, 7,589 for Denmark and 19,416 for Germany; voting on the part of those entitled to vote but not domiciled in Flensburg, 1,358 for Denmark and 7,405 for Germany.

The districts of Goting, Hedehusum and Utersun show Danish majorities.

The Extrabladet's Flensburg correspondent telegraphs that early today the Flensburg Avis newspaper office was wrecked by a German mob. The correspondent says that since the result of the voting has been known the Germans have become increasingly belligerent several Danes being threatened with shouts of: "Tomorrow all Danes must leave town—we will prepare a new St. Bartholomew's night."

A message from Tonderm, on the edge o fthe plebiscite area, says a German mob at Horsboel yesterday threw the local chief of the international police into the water. He has not been seen since and it is presumed he was drowned. Authorities have arrived to investigate the affair.

The International Commission, in control of the plebiscite, determined to run no risks of disturbances and had mounted machine guns at all strategic positions and armed squads patroled the streets.

It is charged by the Danes, however, that there was several cases in which Germans clandestinely used the names of Danish voters, who were thus prevented from using their ballots.

Th Flensburg correspondent of the Politiken telegraphs that he learns the International Commission, which, under the Peace Treaty, shall trace the new front ers, will be ready within a fortnight and the new boundary line will then be put before the Supreme Council at Paris for final decision.

Commenting on the result of yesterday's vote the Politiken says: "In this national reverse comes the consolation that we Danes, united, tried hard to recover what we honestly thought was ours."

SAYS GRIEVANCES WERE JUSTIFIED TO SOME EXTENT

(Canadian Press.)

TORONTO, March 19.—The Commission which investigated the Kapuskasing camp, finds that many of the soldiers' grievances were justified, that soldiers begiven the privilege of staying or leaving nd that compensation be given. Speedy action is urged in closing up the organization as it exists at present.

EXPERIMENTAL FARMS UP FOR CONSIDERATION

Conference at Ottawa this Week Will Deal With Them.

The important question whether the Provinces or the Dominion will conduct experimental farms is to be discussed at a gathering of prominent officials of the Provincial and Federal Departments of Agriculture at a conference in Ottawa on Wednesday, Thursday and Friday of this week. Bert Roadhouse, Deputy Minister of Agriculture for Ontario, with other high officials of the Ontario Department will attend and speak. Representatives will be present from all the Provinces of the most important agricultural gatherings of the year.

THIN, NERVOUS PEOPLE NEED BITRO-PHOSPHATE

Weak, thin people—men or women—are nearly always nervous wrecks; thus conclusively proving that thinness, weakness, debility and neurasthenia are almost invariably due to nerve starvation. Feed your nerves and all these symptoms due to nerve starvation will disappear.

Eminent specialists state that one of the best things for the nerves is an organic phosphate known among druggists as Bitro-Phosphate, a five-grain tablet of which should be taken with each meal. Being a genuine nerve builder and not a stimulant or habit-forming drug, Bitro-Phosphate can be safely taken by the weakest and most delicate sufferer, and the results following its use are often simply astonishing.

By strengthening the nerves, weak, tired people regain energy and vigor; thinness and angularity give way to plumpness and curves; sleep returns to the sleepless; confidence and cheerfulness replace debility and gloom; dull eyes become bright, and pale, sunken cheeks regain the pink glow of health.

CAUTION.—Bitro-Phosphate, the use of which is inexpensive, also wonderfully promotes the assimilation of food so much so that many people report marked gains in weight in a few weeks. Those taking it who do not desire to put on flesh, should use extra care in choosing the proper foods.

RHEUMATISM

This is just the season when Rheumatism with its grinding pain and stiffening of joints gets hold of you. Fight it with

Templeton's Rheumatic Capsules

Templeton's Rheumatic Capsules bring certain relief, and permanent results. They are recommended by doctors, and sold by reliable druggists everywhere for $1.06 a box, or write to Templetons, 142 King St. W., Toronto. Mailed anywhere on receipt of price.

Ask at McDermid & Jury's and E. Payne's Drug Stores.

SCRIVEN MEMORIAL UNVEILING MAY 24

Author of Well-known Hymn Honored by Monument at Rice Lake

MILLBROOK, March 17.—The monument to the memory of Joseph Scriven, author of the hymn, "What a Friend We Have in Jesus," is to be unveiled at Scriven's grave in Pengelley Cemetery, Rice Lake, on Monday, May 24, at 2 o'clock. The Premier of Ontario, Hon. E. C. Drury, has promised to be present to perform the unveiling. All interested are cordially invited by the Memorial Fund Committee to attend. The spot may be reached by rail via either Millbrook or Port Hope, thence by carriage.

A Simple Way To Remove Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

CANADIAN CLUB MEETING

W. F. COCKSHUTT, M.P., SPEAKER.

The Canadian Club of Peterboro has arranged for a meeting to be held in the Empress Hotel on Monday, March 22nd., at 6.15 p.m. The meeting will be commenced by the usual banquet and after the banquet Mr. W. F. Cockshutt, M.P., of Brantford, will address the meeting. Mr. Cockshutt is widely known throughout the Dominion as one of the leading manufacturers and statesmen of the country and the Canadian Club feels that it is exceedingly fortunate in being able to secure him for the evening. Anyone desiring to have a seat reserved at the banquet will confer a favour on the Executive by notifying Mr. Graham, at the Empress Hotel of his intention of being present.

1d 67 8268

OUTLOOK IS PROMISING FOR BUMPER FRUIT CROP

ST. CATHERINES, March 19.—The outlook at present is good for a bumper crop of practically everything in fruit this year because of the exceptionally favorable winter.

Thus far few if any contracts have been made by the growers of the Niagara fruit belt for the disposal of the coming season's fruit crop. Representatives of the canners have been through the district looking for contracts, but in view of the uncertainty as to prices so far not many growers have signed up for tomatoes cherries, peaches, strawberries, etc.

There is a large demand for the Niagara belt yield by United States canneries and fruit concerns, but the growers here say they will not make any contracts with the United States firms until they hold a meeting to decide what this year's prices shall be.

FORMER JOCKEY TARAL RECOVERS HIS PROPERTY

WHITE PLAINS, N.Y., March 17.—By the admission of his wife's will to probate in the Surrogate Court here today, Frederick Taral, of Mount Vernon, famous jockey, will regain possession of his property, amounting to $18,000. Taral's property has been in the possession of the Alien Property Custodian. Just before the war Taral went to Germany to train horses in the stables of the Crown Prince. While there his wife, to whom he had transferred all of his property, died.

In the meantime war was declared between Germany and the United States, and the Alien Property Custodian seized Taral's property on the ground that he was trading with the enemy.

PICKING IMPERIAL SETTLERS

OTTAWA, March 17.—The Soldier Settlement Board has been advised by its London, Eng., office that the committee sent to England to select Imperial veterans for settlement in Canada is now operating. Already approximately 100 applicants have been approved. Of this number 35 per cent. have had experience in farming. These veterans will be required to spend at least one year on farms in Canada to become familiar with Canadian methods. Th others will be absorbed into the board's training establishment and will be required to spend at least two years farming in Canada before becoming eligible for the land benefits of the Soldier Settlement Act.

DOWNEYVILLE CORRESPONDENCE

DOWNEYVILLE, March 18.—The funeral of Mrs. Eugene Quinn took place here on Friday last. Deceased died in Midland on Wednesday and was brought here on Thursday. The funeral took place from St. Rev. Father Cote officiating. Interment took place in St. ... Cemetery. She leaves ... daughters ... Deceased was in her ... year. Downeyville.

Mr. Joseph Hou... has been visiting ... Peterboro ... last.

Messrs. Charles ... and Andrew Lucas were in Lindsay on Saturday.

Mr. William Dean, who has been working in the States for the past few years, returned to his home here Thursday.

Mr. Joseph Lucas, Jr. was in Omemee on Monday.

Mr. Charles S. Lucas was a Omemee visitor on Monday.

Mr. Thomas Herlihy of Rochester, and Mr. Delaney of Dourn, are visiting relatives and friends here during the past week. The former has not been here in 35 years.

Rev. Father Cote will address the parish here and all others who may attend on Friday night, March 19th. His thrilling experiences while overseas will provide an interesting subject. It will be held in the parish hall and a musical programme will be provided.

MY SPRING LAMENT.

Sing me no springtime roundelays—
Of sunny daffodils and cheerful birds;
These are but wrath-inspiring words
To him who has an income tax to pay.

The fleecy lambkin soon may skip and bound—
A stranger still at my too humble board;
The hen-yard may with braggart cries resound;
Let millionaires those pearly ovals hoard!

And what care I for leaping brooks and springs?
My leaky roof, my cellar pond's enough.
My household hints at Easter hats and things,
And no one heeds my chill and stern rebuff.

Let birds in happy folly sing and mate;
Their bridal togs are furnished free of charge,
No tax return can vex one feathered pate;
The rent for nest and tree-space can't be large.

No roundelays of spring can charm my heart.
When I behold how birds and beasts exist,
For them, the happy "Parkinson" part
For me the plumber's bill, the grocer's list.

—MARIE L. EGLINTON.

TRY MAGNESIA FOR STOMACH TROUBLE

It Naturalizes Stomach Acidity, Prevents Food Fermentation, Sour, Gassy, Stomach and Acid Indigestion.

Doubtless, if you are a sufferer from indigestion, you have already tried pepsin, bismuth, soda, charcoal, drugs and various digestive tools and you know those things will not cure your trouble — in some cases do not even give relief.

But before giving up hope and deciding you are a chronic dyspeptic just try the effect of a little bisurated magnesia—not the ordinary commercial carbonate, citrate, oxide or milk, but the pure bisurated magnesia which you can obtain from practically any druggist in either powdered or tablet form.

Take a teaspoonful of the powder or two compressed tablets with a little water after your next meal, and see what a difference this makes. It will instantly neutralize the dangerous, harmful acid in the stomach which now causes your food to ferment and sour, making gas, wind, flatulence, heartburn, and the bloated or heavy, lumpy feeling that seems to follow most everything you eat.

You will find that provided you take a little bisurated magnesia immediately after a meal you can eat almost anything and enjoy it without any danger of pain or discomfort to follow and moreover, the continued use of the bisurated magnesia cannot injure the stomach in any way so long as there are any symptoms of acid indigestion.

WHY IS IT

that chronic skin diseases which have defied all other treatments yield to Zam-Buk?

It is because Zam-Buk is germicidal, and also has such power of penetration that it reaches disease in the underlying tissue and cures from the "root" up. That is the only way a permanent cure can be effected.

Mr. H. C. Buckley of 461 E. Broadway, Portland, Oregon, says: "For chronic skin diseases there is nothing like Zam-Buk. For fifteen years I had eczema, and I tried an endless number of so-called 'eczema cures,' but nothing was capable of curing me permanently until I used Zam-Buk. Ten months' use of Zam-Buk has effected a complete cure."

For ulcers, abscesses, boils, ringworm, blood-poisoning, piles, burns, scalds and cuts, Zam-Buk is equally good. All dealers or Zam-Buk Co., Toronto. 50c. box, 3 for $1.25.

Zam-Buk

U. S. SENATE TABLED A "17TH" RESOLUTION.

BY VOTE OF 54 TO 21 REJECTED REFERENCE TO BRITAIN.

(Canadian Press.)

WASHINGTON, March 17.—The Senate to-day chocked off a St. Patrick's Day debate and demonstration and cleared the way for the Peace Treaty debate, when a resolution that Britain should declare Ireland free was tabled by a vote of 54 to 21.

Faint and Dizzy Spells
Weakness and Shortness of Breath

You can generally tell when the heart is affected by the faint and dizzy spells, the shortness of breath, palpitation, throbbing, irregular beating, smothering sensations, weak, sinking, all-gone feeling, choking sensation, etc.

Many men and women becomes run-down and worn out when otherwise they could be strong and healthy if they would only pay some attention to the first sign of heart weakness.

No remedy will do so much to make the heart regain strength and vigor, regulate its beat and restore it to a healthy and normal condition as Milburn's Heart and Nerve Pills.

Mrs. C. A. S. Drake, Paris, Ont., writes: "I have used six boxes of the second box of Milburn's Heart and Nerve Pills and feel they have done me good. I had those fainting, dizzy spells, once in a while, and also weakness and shortness of breath, and would become so choked up I could hardly sleep without sitting up in bed. When walking too fast I would have to stop and rest to catch my breath. I feel a lot better since I have used your pills and hope that they have helped me wonderfully as I have improved very much."

Price, 50c. a box, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

STANLEY YOUNG WAS ACCIDENTALLY SHOT

(Canadian Press.)

HAMILTON, March 19. - Stanley Young died in hospital this morning as a result of a bullet fired by his brother Joseph, aged 13, while at target practice in the cellar of their home, with a 22 calibre rifle, which clogged and went off unexpectedly. Inquiry is held by the police.

REVENUE FOR POLICE COURT

OVER FOUR HUNDRED DOLLARS ADDED TO TREASURY.

The O. T. A continues to be the biggest revenue producer for the local Police Department. This morning two well-known young men pleaded guilty to contraventions of the Act—one in having liquor in a place other than a private dwelling-house, the other to drinking it in an unlawful place.

Mr. J. O'Brien represented the two thirsty ones, and in asking for the minimum fine, let out the fact that they were married men and needed their money to support their families to drive off the wolf from the door.

Two hundred dollars, and costs, apiece, pronounced the Magistrate.

The costs amounted to $9.10 — so the young men found themselves faced with the problem of raising a fine of $418.20.

The next case involved the same young men. A sixteen-year-old girl, who originally hailed from Kinmount, but has been living here for some time, pleaded guilty to the charge of vagrancy, in tears.

It is the same old story, as old as the world itself, and it is alleged that the girl has gone down into the depths of her own accord.

This was her second appearance before the Magistrate, for she is now out on suspended sentence on a theft charge. The Chief explained that all the efforts of Father Phelan to induce her to lead a life beyond reproach had failed. She still persisted in running around at night with questionable characters, and indulging in alcoholic stimulants.

"That is, she chooses a life worse than death. How can you, with any commonsense, choose such a vile life?" said the Magistrate. "It's a quick life and a quick destruction," he concluded.

After sentencing her to a term in the Home of the Good Shepherd, Toronto, a Catholic institution for fallen girls, not exceeding two years, Magistrate Dumble urged her to follow only the straight and narrow path, to lead a life of usefulness and service, and keep away from such characters who sought nothing but her destruction.

In the neighborhood of Sydney, N. S. W., such fruits as the peach, nectarine, apricot, plum, grape, fig, cherry and orange are as plentiful as blackberries.

TURKS BECOMING PANIC STRICKEN

GOVERNMENT IS ON THE POINT OF FALLING.

(Special to The Examiner.)

LONDON, March 19.—The correspondent of the Post reported to-day that the Turkish Government is on the point of falling, as the result of the Allied occupation of Constantinople.

The Turks became panic-stricken when the Allied troops marched into the city, and organised resistance was quickly broken, he said.

British military officials have arrested Rouf Bey and Karavashif Bey, representatives of Mustapha Kamal.

URIC ACID IN MEAT CLOGS THE KIDNEYS

Take a Glass of Salts if Your Back Hurts or Bladder Bothers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rehumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes, and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure and makes a delightful effervescent lithia-water drink.

SOUTH AFRICAN ELECTIONS

(Canadian Press.)

LONDON, March 19.—Discussing the South African elections the Manchester Guardian says there must either be a new election shortly, or General Smuts must be kept in office by Hertzogites or Laborites, probably by laborites who although extremists have been more in sympathy with Smuts than other parties.

RIDPATH RINK WON THE FINAL

CURLING SEASON CLOSES IN LAKEFIELD.

LAKEFIELD, March 19.—Langley's Rink being defeated, in the final games for the Championship of the local Curling Club, it remained for J. C. Strickland and J. W. Ridpath's Rinks to play off the finals, Mr. J. W. Ridpath being ill with the influenza and Mr. J. C. Strickland having to attend a council meeting on Monday evening, it was decided that the subs-skips should play off the finals. On Monday evening the rinks met at the Curling rink being lined up as follows:

Strickland Rink.

R. J. Jory, W. W. Leonard, C. S. Tanner, D. H Charlton, Sub-Skip 7.

Ridpath Rink.

J. E. Galvin, Frank Morin, Thompson Braden, B. Q. Dench, Sub-Skip 6.

The game was a very close and exciting game, at the end of the eleventh end the score stood 6 to 6 and at the 12th end after Charlton and Dench had cast a stone Dench had a lead of three, but with the usual Charlton luck, Dave Charlton through his stone which went into first place and Dench with his last stone was unable to knock it out which enabled sub-skip Charlton and his men to win the championship of the Lakefield Club which was also accompanied with 4 pipes for the boys worth $2.50 each.

The game was a splendid, close and exciting game all through and made a fitting climax for the last game of the season.

GEORGE STREET METHODIST CHURCH

The attendance at George Street Church last night was the largest of any of the week-night services since the campaign commenced, the body of the church being well filled. A large number of those present were young people, and several decisions were made for Christ

Mr. Millson's text last night was taken from Romans 1 16: "For I am not ashamed of the gospel of Christ, for it is the power of God unto salvation to everyone that believeth."

However much Paul may have been responsible for establishing the church to which afterwards he wrote his letter to the Romans, if we read his letter we will be immediately convinced that a number of the members of this church did not show up very well. There were many things that would cause one to be discouraged. Mr. Millson said he had seen many discouraged preachers in his time, and many who sometimes wondered if it was really worth while. But he had never seen a preacher who had as much reason to think of failure on the part of his people as had Paul. In the face of it all, however, Paul cries out, "I am not ashamed of the gospel of Christ." He wasn't ashamed to declare his allegiance nor his faith, even amidst all the criticism, slurs, sneers, and taunts.

"I want to say with all the positiveness of my nature," said Mr. Millson, "that I am not ashamed of the gospel of Christ. I am not ashamed because of what I know He has done for me, because of what I know He has done for others, and because of what I know He can do for you."

By the use of several forceful illustrations, Mr. Millson told his audience why he was not ashamed of the gospel because of what it had done for him. In dealing with the second phase, what it has done for others, the speaker pointed out that there are a lot of people who apparently have not gotten along very far in religion. They are failures in religion as well as in other things. When setting out for an ideal, however, why look at the failures? Let us rather think of those who have made a success of religion. We all know of people who have made a positive success of their religion.

"Because of what I know it has done for me and for others," said Mr. Millson, "I am not ashamed to advocate this religion for my brother out of Christ. Your relationship to God is the most vital issue of your whole life. The longer you put it off, the harder it will be to make good. If you wait until you are perfectly sure in your own heart that you will make a success of religion, you will never find the kingdom. Do you believe in the religion of Jesus Christ? The greatest thing for you to do is to surrender your life to Jesus."

To-night is the last night of the series. In a campaign of this nature the last night is oftentimes the most crucial service of all. It is anticipated that a large gathering of earnest people will rally to this service. These services are not for George Street people only. Everyone is welcome. Mr. Millson will sing and speak to-night.

FIVE LIVES LOST IN QUEBEC FIRE

EXPLODING OIL LAMP SET HOUSE ON FIRE WITH FATAL RESULTS.

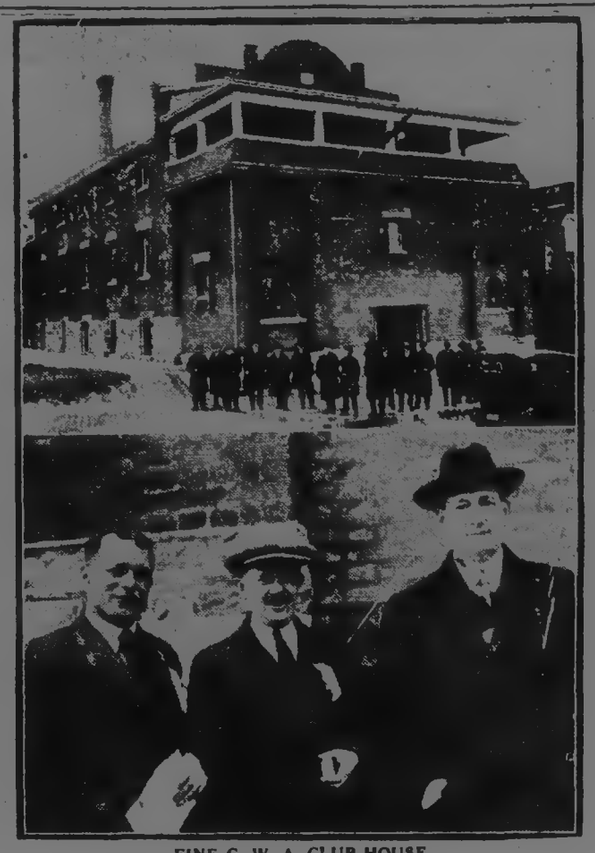
Canadian Press.

ST. JOHN'S QUE, March 19. — Mrs. Phillipe Lariviere, age 29 her brother in law, S. Bessette, aged 30, and three of the former's children, were all burned to death early to-day when their home was destroyed by fire.

The husband of the dead woman escaped with one child by jumping from a second floor window.

Another family living in another part of the house escaped in their night clothes.

The fire originated from an exploding oil lamp.



FINE G. W. A. CLUB HOUSE.

Above is shown the Peterboro G. W. V. A. Club House said to be the finest Veterans' Building in the Dominion. The photographer shows inset Provincial Secretary Turley on the left, Comrade O'Flynn, of Belleville, centre, President-elect, and President C. E. Jeakins.

G.W.V.A. RESOLUTION ON LABOUR STRIKES

The following resolution applying to the relations of G.W.V.A. members to organized Labour was adopted at this afternoon's session of the convention:

Whereas about 98 per cent of our returned men are of the wage earning class and, we believe, support organized labour in general so long as the demands are just and made in a constitutional way, be it resolved that this convention pledge our moral support to labour in all their just demands, and use our best influence to discourage our members or other veterans from taking the place of striking workmen, or remaining at work in factories or other works where reasonable strikes are declared.

Make It an Offence

A petition passed this afternoon requests the government to enact legislation that will make it a civil offence for any employer to take advantage of employees receiving pensions in fixing their wages.

E. D. O'FLYNN ELECTED PRESIDENT OF ONTARIO COMMAND OF G.W.V.A.

E. D. O'Flynn was elected President of the Ontario Command of the G.W.V.A. by acclamation this morning. The other nominees were the retiring president, Rev. C. E. Jeaking of Brantford, Dr. C. E. Wilson of Toronto, R. A. McKessock of Sudbury, P. Hossack of Westboro.

"I feel that this occasion requires an officer who has had experience in executive work", said Dr. Wilson in asking that his name be withdrawn. "We need a few "egg-crate wallops" to be delivered at Ottawa and I feel that we should make this unanimous for Mr. O'Flynn."

Peterboro may claim a share of the honours that have come to Lieut. Col. O'Flynn, because of his service overseas with the original 2nd Battalion, and especially through his connection as second in command of the 247th Battalion during its period of recruiting in this city.

Col. O'Flynn thanked the convention for the honour conferred upon him and said he would try to carry on the work begun so successfully by Mr. Jeakins.

The officers elected were:

1st Vice President—J. R. Harrison of Windsor.

2nd Vice-President—L. Hossack, Westboro.

President J. E. Jeakins was elected delegate from the Provincial command to the Dominion Convention.

SECOND GROUP LOCAL BONSPIEL

FINALS WERE PLAYED OFF LATS EVENING.

The finals in the second group of the local bonspiel last night resulted in W. R. Widdess winning by one shot over W. H. Taylor by the score of 15-5. The game was played on fine ice, which continues because of the slight drop in temperature, but the curlers cannot fail to see the bare sidewalks and roads and other signs of spring, and their thoughts turn involuntarily to motoring, golfing or fishing or some other summer sports far removed from curling.

The two rinks last night were:

J. Penrose	J. A Madill
J. W. Richmond	F. Bartlett
R. F. Downey	J. T. A Fitzgerald
W. H. Taylor	W. R. Widdess
Skip 5	Skip 0

The wind up of the curling will likely be scratch games. Next Monday is the annual meeting and a full attendance is requested.

There is one lighthouse to every fourteen miles of coast in Great Britain.

COMMERCIAL AVIATION IN CHINA

ANOTHER VICKERS ENTERPRISE

That the Chinese are fully alive to the future possibilities of the aeroplane is shown by the fact that the Chinese Government have recently made a contract with Messrs. Vickers, Ltd., to spend £1,800,000 in developing an aviation service. The famous Vickers-Vimy-Rolls bomber type of machine was selected in the face of keen competition, the Chinese authorities having no doubt been largely influenced by the marvellous flight of this machine in crossing the Atlantic.

The Vickers-Vimy-Rolls commercial aeroplane, similar to those ordered for China dimensions are as follows:—

Overall length	42 ft. 8 in.
Overall height	15 ft. 3 in.
Span	67 ft. 0 in.
Gap	10 ft. 0 in.
Chord	10 ft. 6 in.

Two pilots are carried side by side, well forward, high up in the nose of the machine, thus giving a very wide range of vision. Two Rolls-Royce "Eagle" Mark VIII engines are fitted, developing a total of 750 h.p. In the event of one engine failing completely the machine can fly on the other engine at a speed of 70 miles per hour. The maximum speed is 110 miles per hour, the cruising speed 90 miles per hour, and the landing speed 45 miles per hour. Sufficient petrol can be carried for a continuous flight for six hours, which is ample for ordinary commercial and mail purposes, and, if necessary, extra tanks can be carried. The cabin, which is totally enclosed, has seating capacity for 12 passengers in separate armchairs. There are cupboards for light luggage and telephonic connection is installed between pilots and passengers. Ventilation and eating can be regulated to suit any atmospheric conditions.

For freight and mail carrying the seats in the car can be detached in a few minutes, leaving a floor area for 53 square feet. The maximum weight which can be carried is one and a half tons. Steel enters very largely into the construction of the machines, to meet the climatic conditions in China.

The establishment of the new aerial services will give a considerable impetus to commerce and open up new possibilities for enterprise in China. It must be remembered that there are practically no roads in China, but there is a highly-developed system of waterways, which will pay an important part in the working of commercial aeroplane routes, as aerodromes and supply and repair depots will have to be constructed on existing lines of transportation.

LEADERS IN THE G.W. A. CONVENTION.

Some of those taking a prominent part in the Provincial G. W. V. A. convention at Peterboro was snapped by the photographer, are shown above. They are top row, left to right, J. R. Bell, Toronto, member of the Provincial Executive; E. D. O'Flynn, of Belleville, First Vice-President of the Provincial Command; H. B. Williams, the only Indian attending the convention. Lower row, H. J. Staunton, Peterboro, member of the Provincial Committee, C. R. Wilkes, Secretary of the Parkdale Branch.

SPRING MILLINERY OPENINGS ARE LOOKED FOR IN PETERBORO

JADE GREEN, BLACK, JAY BLUE, MELON COLOUR, ETC., POPULAR FOR SPRING--CANADIAN HAT COMES INTO ITS OWN.

THE EASTER BONNETS FETE

The bonnets are restless—Easter was early this year—and for months back, as whirring machines swiftly braided and sewed the golden straw into various shapes, they had been accumulating on the factory tables each awaiting the proud moment when they would adorn my lady's dainty head.

Finally all were finished—the big machines stopped and hats that had mysteriously disappeared from their comrades' midst, reappeared once more, only this time a different color—the straw-colored ones giggled at first when they saw bright blues, pinks, red and green ones, also at the darker shades—but soon stopped when they found their dyed sisters had adopted a superior attitude towards them and were inclined to patronize—"they say we're just plain ordinary folks," whispered her chum to the one reclining gracefully beside her, at which even the frivolous hat was for the moment silenced.

Buyers Come.

Then one day strange men and women visited the factories, selected the styles that pleased them most and carried them bodily off to their wholesale houses.

It was quite an experience for the bonnets being whisked around in this fashion, and now in the second stage of their existence they found themselves spread out once more on tables or displayed on stands—a large number remained untrimmed, but again a number of comrades were spirited off into workrooms where to their astonishment they were covered with flowers, aigrettes, ornaments, feathers, ribbons, etc., or at least partially trimmed with these. These hats didn't like the fuss at first, but after catching glimpses of themselves in mirrors, repeating coquettishly on a little milliner's soft hair, they become absurdly conceited, and congratulated themselves that it had been a case of separating the sheep from the goats, and that they had been the chosen ones.

Millinery Opening.

"It will soon be time for the wholesales' millinery openings to take place," announced the head lady one day, and the bonnets fairly trembled with excitement—finally the eventful day dawned.

Perched jauntily on stands or artistically arranged on tables the hats were looking their very best when the crowds came—retail buyers—this time they learned—then an interesting event happened.

Miss Peterboro, it appeared, had been also busy, keeping one eye sternly fixed on the H.C. of L., ever fearful of a further advance in the price of headgear, that she might have to do without her annual Easter bonnet.

Not as It Used to Be.

So musing, Miss Peterboro stood on tip toe in her cupboard whilst lifting down a dusty bandbox from the topmost shelf. Gingerly she brought forth, what every feminine mind knows as "Last Year's," tried it on and as usual discovered the same thing had happened again—it had grown away from her—no longer did it nestle coyly on her head, the flowers looked passe—any illusion she had preserved as to it having been becoming the previous season was forever dispelled.

Eying the offending bonnet disconsolately she suddenly brightened—one would visit the wholesale firms and refresh her soul by a view the latest modes for spring—yes, and for summer, too—if the "Powers" that preside over each "creation" would let her.

Miss Peterboro's Visit.

That afternoon all thoughts of spring were momentarily banished, as Miss Peterboro sallied forth. They revived again presently.

Visiting a wholesale firm, first she was courteously received and ushered into a room where hundreds of shiny straw shapes sparkled and lured her to try them on—seeming to say "Don't pity us, we much prefer to be untrimmed—everyone knows it's the hats with nothing on them that are the most expensive and popular."

M. J. Turner, the Toronto representative of the firm, stated the colors for early spring to be jay blue, castor, bigger brown, leek green, blues of every kind, also a strong showing of black with later on a predominance of mauve for summer. The advance styles were small for spring, merging gradually into large ones for summer. Most of the hats are turned up—"off the face," and he understood that profits the reason was that hats rolled up from the face add to "My Lady's" youthfulness.

Cellaphane the Slogan.

"Cellaphane flowers—cellaphane straw—cellaphane is the slogan this year," explained Mr. Turner, and whilst Miss Peterboro was endeavoring to learn to spell the name, showed her a box of gaudy, shiny pink ones—"the flowers are flat," he added.

"I don't like them at all," snapped Miss Peterboro. "Oh, but you will," reproved he—"one cellaphane flower will brighten a whole lot of old, shabby ones." At which Miss Peterboro became more thoughtful. Milan straw in black and white were featured and dainty shapes with gold or silver threads running through the straw. "3 N. Jap" straw was also popular—one hat especially—somewhat of a tricorn shape, beautifully pliable, with the front brim rolling back a considerable depth against the crown—woven hat—picturesque flops, with brims of black and white—or jay blue and white toques also were much in evidence.

The Canadian Hat.

Patriotically inquiring as to the "Made in Canada hat" she was told that "our people this year are expressing themselves as perfectly contented with the Canadian hat, and in spite of the American exchange American dealers are being hard hit. We are buying wherever possible in Canada, but a number of hats are being imported from the United States—we have, say, 110 manufacturers to probably 500 over there. No hats are being imported direct from Paris, or have been for about a year."

At another wholesale house jade green, black, melon color were among the advance shades, while French novelties were the hood and cap effects, a later idea than the tams, which, however, are still favorites; ribbons—navy blues, black, brown, etc., with pin stripes of red, green and gold are being used for trimmings—and, "yes, there are hats being imported from Paris this season," she was told here—"a shipment has arrived today." Paris hats are featuring a lot of lace (Chantilly), and there are many smart little veil hats with the veil just coming to the nose. Transparent hats will be much worn this summer.

Preparing for Summer.

"Those people who are continually prating about the rush and hurrying age we live in would have received a distinct shock if, with Miss Peterboro, they had visited still another millinery establishment. "Spring hats," echoed the lady in charge, smiling. "Oh, yes of course, but our opening is almost finished; we are preparing for summer ones now. Yes, these dress hats are all made in Canada." Stepping from the gloomy old elevator into a veritable land of sunshine your gaze fell on palms, flowers, on a beautiful green rug, wicker chairs, a bower of apple blossoms, beneath which girls were tripping to and fro. To the left in rooms behind can be old vista of what can only be termed "creations," one which would make the husband of Peterboro matrons tremble for their bank rolls.

Sounds Good!

One charming little jade green toque with a jade arrow hatpin was most alluring, a beautiful close-fitting hat, with French blue georgette crown and cellaphane brim and flowers was adorable, while possibly the palm must be given to a stunning black toque, with cellaphane brim, rolled up from the face, black georgette crown and trimmed with one single black rose in front. A novelty was the ear-ring hat with cherries dangling coquettishly at each side, net crown and cellaphane brim. Reposing on one side was a beautiful golden or "melon" colored bonnet, which somehow looked familiar, and proved to be the frivolous straw which had come into her own.

A Great Chance.

"We've only one more big day now," she whispered, "that is the retail stores' millinery openings a week or two before Easter, and then we'll know who we belong to and our fate." She gazed hopefully at the visitor. "I'll watch out for you, comforted Miss Peterboro laughingly, as she turned to go, at which the melon hat fairly beamed.

"Altogether," Miss Peterboro told her friends later, "you have the chance of your lives this year. No one is confined to any particular style; people are realizing that it is their individuality that counts, as well as the color of their costumes, etc., so go to it, my dears."

BAKER WON'T COME BACK

Yankees' Third Baseman Announces He is Through With Big Leagues.

CHESTER, Pa.—Franklin Baker informed Frank M. Miller, manager of the Upland Baseball Club, this afternoon that he was done with the New York Yankees and would come with Upland this season. Baker said he was through with big league baseball, but was willing to play an occasional game with the Uplanders, with whom he played a couple of seasons ago.

With the announcement came an offer from John P. Crozier, millionaire manufacturer and sportsman, to finance an all-star team for Upland, and entertain the fans with the best baseball ever offered in the local field.

BILLY SUNDAY SAYS:

Good resolutions without works will eventually bring a person to everlasting punishment. Jimmie Monday says, people who intend to give local merchants business, but buy outside, should be consigned to everlasting punishment. This is an open question, but we think all things being equal or nearly so, local merchants should have the preference of good intentions put into practice.

JIMMY, at NELSON'S TYPEWRITER OFFICE, 332½ George Street (old Opera House Block).

GOSPEL HALL NOTES.

A good sized audience listened to Evangelist Harper in Gospel Hall last evening as he discussed the subject, "The Great Tribulation."

Interest is keen as the meetings draw to a close. Just two more meetings on the chart—to-night a large audience is expected.

Mr. Harper made it clear from the Word of God that no believer in Jesus would ever be left for the Great Tribulation as when the Lord comes every believer will be caught away. The events leading up to the closing of this dispensation all were visible to the student of Scripture, viz., lawlessness, apostacy, infidelity and many other signs were all spoken of as just preceding the close of the present condition of things.

Mr. Harper pointed out that the Holy Spirit would leave the earth during the Great Tribulation and that Satan would be in complete control, and exhorted every one who was not saved to make haste for the time is short.

SOCIAL AND PERSONAL

Miss Kathleen O'Bierne, who has been the guest of Mr. and Mrs. John Crane for the past few weeks returns home to-day.

Mrs. Alfred B. Lambe of Ottawa, is spending a few days with her sisters the Misses Rubidge, Stewart street.

Comrade C. H. Reason entertained the members of the Resolution Committee from the G. W. V. A. delegation last evening at supper at Hooper's after the theatre party at the Grand.

Miss Kathleen Baker of Lindsay, is in the city visiting her grandmother, Mrs. Lynch, Elm street.

Master Harold O'Toole, 216 Berry street, left yesterday for New York City, where he will visit his aunt, Mrs. H. Rosenfeld. His many friends will be glad to see him around and hope upon his return he will be greatly improved in health.

WEDDING BELLS

FAULKNER—HARRISON.

A very pretty wedding took place at the Omemee Methodist parsonage March 17th, at 4.30 o'clock, when Ada, the youngest daughter of Mr and Mrs. Wm. Harrison, Emily, became the bride of Elwood W. Faulkner, son of Mr. and Mrs. Andrew Faulkner, also of Emily.

The Rev. Mr. Herrington, of Bethel church, officiated, while Miss Della Faulkner acted as bridesmaid, and Mr. Gordon Harrison supported the groom.

The bride looked charming in a navy blue suit and black lace hat with touches of silver and wore the groom's gift, a beautiful pearl sunburst.

After the ceremony the bridal party returned to the home of the bride's parents, where the guests awaited them. A sumptuous wedding supper was served and the usual social hours enjoyed. The young couple received many useful and beautiful gifts. Mr. and Mrs. Faulkner left for their home amid showers of confetti and good wishes of the guests.

OBITUARY

The death occurred at his home at Madoc, Ont., on March 12th., of Rev. Edward Alexander Sanderson, a retirtired Methodist minister of the Bay of Quinte Conference, aged 85 years. The funeral which took place on Monday was under the auspices of the Orangemen of Madoc district of which deceased was chaplin.

His wife who was Miss Laura Allen, daughter of Dr. James Allen of Napanee, died several years ago.

The surviving members of the family are:—

Rev. E. George Sanderson, D. D. of Wisconsin, Frank, retired school teacher of Madoc, Rev. Richard A. Sanderson, of Minneapolis, Dr. Arthur Sanderson, Doctor of Dentistry, Grand Forks, N.D., Rev. Henry H. Sanderson, M. A. Boston, Mass., Mrs. Maxwell Cromie and Mrs. James White of Smith township and Miss E. E. Sanderson of Madoc.

The late Sandy Sanderson, G. T.R. Engineer, who lived in town several years was a son.

Mrs. Oscar Cromie and Misses Helen and Enid Lewis of Smith township, are grand daughters. Rev. S. Crookshanks, George street, Peterboro, is a cousin.

MRS. FREDERICK ALLEN.

Mrs. Frederick Allen of 292 Dalhousie street, died at 2.30 this afternoon after a short illness from pneumonia.

MRS THOMAS HARRIS

COBOURG, March 19.—Death came with startling suddenness to Mrs. Harris, wife of Thomas Harris, at her home at Gore's Landing. Besides her husband, she is survived by two sons—Fred, proprietor of the Rice Lake House, and Capt. Wilbert Harris, a well-known mariner on Rice Lake—and one daughter, Mrs. France, of Chicago. Up to the day of her death she was in her usual health.

VOL. XLVI NO. 66 PETERBOROUGH THURSDAY, MARCH 18, 1920 PRICE TWO CENTS

DIFFICULTY CONFRONTING THE DUTCH

ALLIES MAY ASK HOLLAND TO REMOVE FORMER KAISER TO THE WEST INDIES.

United Press.

LONDON, March 18. — Despite the former Kaiser's reported assurances to the Dutch government that he will refrain from all political activities the belief prevails in official circles here to-day that the entente will demand that Holland exile him to Curacao — East Indies.

Although the Kapp coup was short-lived, it was said to have furnished Holland with evidence that it will be impossible for Wilhelm to remain in Europe because of the endless trouble of guarding him from his enemies and his friends.

The sentiment throughout Holland was authoritatively reported to have changed since the allies practically placed upon that little country the responsibility of preventing the former Kaiser from influencing the future peace of Europe, either directly or indirectly.

HEINTZMAN & CO. PIANO IN SOUTH AMERICA

Influenced by the high reputation that the Piano of Ye Olde Firme of Heintzman & Co., Limited, George and Hunter Streets, Peterborough, Ont., have borne during these many years, an order has just been received for one of the beautiful Empire design Uprights, in Mahogany, of this firm, to be shipped to Mr. Robert A. Guerreso, Santa Maria, Republica de Columbia. The export trade of this firm to-day is expanding at many different points, frequent shipments being made to New Zealand, Australia and South Africa, as well as Great Britain.

PUBLIC INVITED TO THE SESSION

BASIC TABLE OF RE-ESTABLISHMENT

Year of Enlistment	For Service in Canada	Year of Arrival	For Service England	Year of Arrival	For Service France
A 1914	$500.00	F 1914	$1000.00	L 1914	$1000.00
B 1915	400.00	G 1915	800.00	M 1915	800.00
C 1916	300.00	H 1916	600.00	N 1916	600.00
D 1917	200.00	J 1917	400.00	O 1917	400.00
E 1918	100.00	K 1918	200.00	P 1918	200.00

NOTE—The Basic Table of Re-establisment may also be constructed on a monthly pro rata basis instead of straight annual periods as shown.

The above Basic Table of Re-establishment, which illustrates the amount of Financial Aid which under this plan of Re-establishment is made available to qualified applicants, shall be the accepted standard for "combatant."

All "non-combatants" to be awarded 25% less than the basic amounts shown therein.

THE CONTENTIOUS QUESTIONAIRE

The form of Questionaire shall be so arranged that the applicant shall be required to answer all questions as from their best knowledge and belief as regards Military, Naval, Mercantile Marine or Air Service, and any slight inaccuracy as to day or date shall not be construed to mean that the applicant has made a false declaration. A false declaration shall be determined by the Board upon comparison of the official record with the Questionaire, and their decision in the matter shall be final.

Below the applicant's answers a space shall be provided for a certificate of verification by the Board, who shall designate the basis of financial aid as provided under the Basic Table of Re-establishment.

The Questionaire having been filled out by the applicant and duly verified by the Board, who have entered in the space provided the amount of financial aid may be granted, shall refer the Questionaire to the Provincial Board concerned. The Provincial Board shall then require the applicant to designate a chosen form of Re-establishment, which shall consist of one or any acceptable combination of the following features:

The remainder of the questionaire deals with the use to which the money is to be put and the financial standing of the applicant. The whole of the questionaire was objected to in yesterday's debate, and was finally eliminated from the G. W. V. Gratuity Scheme.

FIGHTING REPORTED IN SEVERAL PARTS BERLIN

REVOLUTIONARY TROOPS REPORTED TO HAVE EVACUATED BERLIN—CHAOS CONTINUES THROUGHOUT GERMANY.

DEFENCE MINISTERS ARRIVES IN BERLIN

(United Press.)

LONDON, March 18.—A Berlin despatch by way of Copehagen quotes Daumig and Cohn head of the combination of radical parties, as declaring that the proletariat "will not recognize the workingmen's forces for Ebert's profit."

The proletariat demands power for itself, the despatch quoted the leaders as asserting.

Another despatch said that the Independent Socialists, Communists and Right Parties had held a conference and selected a cabinet, naming Daumig and Chancellor Kurt Beyer as Minister of the Interior, Herr Newmann or Herr Levy Minister of Foreign Affairs, and Herr Cohen as Minister of Justice.

The cabinet list, it was said, includes only Independent Socialists and Communists.

HEAD OF MOVEMENT HAS RESIGNED

(United Press.)

PARIS, May 18.— The resignation of General Baron Von Luettwitz as head of the revolutionary movement in Berlin was accepted at 5.40 p.m. yesterday, a Berlin despatch to-day said.

Von Luettwitz was head of the revolution for only a few hours, following the resignation of Chancellor Von Kapp

General Von Seeckt, the despatch said, took over the Ministry of War pending the arrival of Gustav Noske, President Ebert's Minister of Defence. Von Seeckt also resumed command of the Reichswehr troops.

General Von Oven took command of regular soldiers now in Berlin. These will be removed from the city as soon as possible, he said.

The Ehrhardt naval brigade, which furnished the military power of the revolution has evacuated Berlin, but burned all records showing its part in the movement before leaving.

Troops which remained favourable to the constitution, were posted as guards over all public buildings.

BLOODY FIGHTING WITH THE WORKMEN

(United Press.)

BERLIN, March 18—Bloody fighting also was reported from Hagen, Westphalia, where workingmen and troops clashed when the soldiers attempted to occupy the city. The troops, according to a despatch by way of Copenhagen, were disarmed after they had surrendered, and were held as prisoners by the workingmen. Thirty soldiers were killed and seventy wounded in fighting that preceded the troops surrender. Two workingmen were killed and several wounded.

DEFENCE MINISTER TRAVELS BY AEROPLANE

(Canadian Press.)

COBLENZ, March 18. — Gustav Noske, Minister of Defence in the Ebert Cabinet, arrived in Berlin by airplane late yesterday, having made the trip from Stuttgart. General Von Seecht, Chief of Staff for Constantinople Government, has replaced General Von Luettwitz as commander in Berlin.

Danger from Bolshevism seems to be extreme. The Kappist troops are withdrawing from Berlin and forces commanded by Spartacan leaders are expected to attack the city at any time. A consolidation of all parties to fight Bolshevism has been formed. Elections will be held no later than June according to the latest despatches from Stuttgart.

CROWDS REPORTED IN FIGHTING MOOD

(Canadian Press.)

PARIS, March 18.—Official advices from Berlin describing conditions there last night, said that the public places of the city were filled with crowds in an ugly humor. The military appeared to be of panicky disposition. Many of the Baltic troops joined forces with the Independent Socialists who were reported to have twelve thousand armed men at their command

KAPP'S SUICIDE REPORTED.

(Canadian Press.)

LONDON, March 18.—Rumors are current in Berlin that Dr Wolfgang Kapp head of the Reactionary government set up in Berlin last Saturday, and whose resignation was announced yesterday, had committed suicide The reports were received by telephone in Amesterdam from the German capital.

DUTCH TORPEDO BOAT DEPARTED YESTERDAY

MAJOR A. T. HUNTER OF TORONTO.

Who addressed the Convention last evening, and brought down the house with one of his characteristic jokes.

THE FORMER KAISER IS GREATLY INTERESTED IN EVENTS IN GERMANY.

BOXING BOUT

(Canadian Press.)

WIERENGEN, Holland, March 18. —The Dutch torpedo boat which arrived here Monday, presumably to guard former Crown Prince William, departed yesterday by order of the Dutch government. William, who is thoroughly informed of progress of events in Germany, is greatly interested but seems not to be perturbed at the falling fortunes of the Kapp regime. Yesterday he boxed with a son of Burgomaster Hereboom, who was a good match for him, but much younger No special guards have as yet arrived here and the former Crown Prince is quite free to move about the island. He reiterates that he would like to return to Germany some time, but not under the present circumstances.

WILL INVESTIGATE THE GAS SITUATION

COMMISSIONER IS TRAVELLING THROUGH ONTARIO ON OFFICIAL VISIT.

(Special to the Examiner)

TORONTO, March 18.—Estlin, the Commissioner of Natural Gas for Ontario is at the Queen's Hotel to-day. In addition to his regular duties he was recently empowered to hold a series of enquiries in this connection in the different districts where gas is found and consumed, under the Public Enquiries Act and so far he has visited Sarnia, Windsor, Chatham and Hamilton.

More than 1,000,000 families have been affected by the rapid decline of gas in various wells throughout the province. Mr. Estlin declared, and the situation during the past winter, owing to the severity of weather, has been unusually serious.

From here Mr. Estlin is proceeding to Woodstock to-night, and he hopes to conclude one or two additional enquiries in time to permit his reports thereon to be sent in before the present session of the Legislature ends.

BANK CLEARINGS FOR THE WEEK

Clearings week ending 18th March, 1920, $836,981.

Same week last month, $651,018.

Same week last year, $577,171.

Same week 2 years ago, $667,133.

UNITED STATES IN A BUILDING RACE

ADDING SEVERAL NEW WARSHIPS TO THE PRESENT TONNAGE.

(Canadian Press.)

WASHINGTON, March 18.—The United States, American naval experts say, is building more warship tonnage than any other nation.

Twelve super-Dreadnoughts and six great battle-cruisers, aggregating 665,400 tons, are under construction in navy yards. They will carry a total of 152 16-inch guns and 24 14-inch guns, and all will have new electric drive engines.

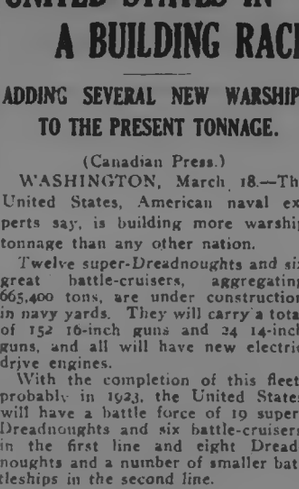
With the completion of this fleet, probably in 1923, the United States will have a battle force of 19 super-Dreadnoughts and six battle-cruisers in the first line and eight Dreadnoughts and a number of smaller battleships in the second line.

PRESIDENT EBERT ARRIVES IN BERLIN.

(Canadian Press.)

LONDON, March 18. — President Ebert arrived in Berlin last last night, according to a message received from the German capital.

Ebert has ordered the Imperial Court at Leipzic to bring action against the leaders of the revolution—Dr. Kapp, General Von Luettwitz, Gottlieb von Jagow, Admiral Trotsa, and Captain Erhardt.



COMRADE W. D. SHARPE OF BRAMPTON.

Who took an active part in the discussion on State Insurance for War Veterans at last night's session of the G. W. V. A. Convention

TELEPHONE SERVICES RESTORED

ALLIES ARE KEEPING THE TURKS QUIET IN CONSTANTINOPLE—ASSEMBLY MEETING.

(Canadian Press.)

CONSTANTINOPLE, Marc 18.—The second day of the Inter-Alied occupation of Constantinople, carried out on Tuesday by large forces from the imposing war fleet in the Bosphorus, passed with an entire calm.

The Turkish police are co-operating in keep order.

The ferry and telephone services have been resumed.

Only small detachments of the Allied soldiers are visible in the streets and about the public buildings.

(Canadian Press.)

STUTTGART, March 18. — Two hundred and fifty members of the German National Assembly held a meeting in the Art Hall here this afternoon.

Military forces are occupying the great open space before the hall.

No disorders occurred while the members were assembling.

Airplanes are flying over the city warning the people against demonstrations.

GEORGE STREET METHODIST CHURCH

SPECIAL SERVICE LAST EVENING WAS WELL ATTENDED.

There was a good attendance at the meeting in George street church last night and the service throughout was inspirational and helpful In the early part of the service a large number gave individual testimony of the fact that they were children of God. Several responded to the appeal to decide for Christ.

Rev W. E Millson's address was based on that familiar passage of Scripture found in Rom. 15:1: "We then that are strong ought to bear the infirmities of the weak." His subject was "Be a Lifter," or "A Call to Christian Service." Mr. Millson stated that his message had a double purpose: First, to be a stimulus or positive direction to Christians and also to help some to decide for Jesus..

Everyone has gone through an hour of sadness, difficulty or sorrow at some time We go through the world smiling, but one does not have to go very far to find out that people have had a time of sorrow, loneliness, misery or woe. The heart of the world aches if we could only get near enough to find it out.

"I believe," said Mr Millson, "that the panacea for the world's ills is Jesus Christ. There is a certain class of people who say that we need agitation, but agitation is not needed as much as regeneration Other people say education is the only thing. While agitation and education are good in their place, the world does not need them as much as it does reformation What the world needs tonight is more of the spirit of Jesus Christ exemplified by those who are his professed followers:

There are two or three classes of weak people. When people are in sorrow they are weak and very susceptible to influence. That is the time we should bear the message of the cross to them. The church of God has missed a chance to strengthen a man in his hour of weakness.

Young folks are weak and easily susceptible to influence "Don't you know," said the speaker, "that you were sent into this world to counteract the influence of evil. I have come to the conclusion that the devil was never as wary as he is now in entrapping the young people. If a boy never hears a man swear, or saw him drink or smoke he would never do these things. What is your influence upon the world?"

Another class most susceptible to influence is the stranger. "I want to tell you with all the enthusiasm and earnestness of my soul," declared Mr. Millson, "that there are too many people who walk in and out of our churches without anyone giving them the hand of welcome. Where should a fellow find friendship if he doesn't find it in the house of God? I venture to say that I could find a man within a short time who has been in this church a good deal and not five men in the church know who he is"

Mr. Millson then made a strong appeal to those out of Christ by pointing out that while a certain responsibility rests on the church, one also rests on the individual to come to a decision. God has put the desire into the soul and has given us the possibilities of acceding to that desire. It is a matter of making a definite decision and doing it within our own consciousness.

Only two more meetings remain in this campaign and it is hoped that they will be largely attended. Mr Millson's address this evening will be on "A Witness." He will also sing The service will be of special interest to young people and the Sunday school classes are asked to attend in a body. The meeting will also be helpful to others as well as young people

VETERANS REJECT IDEA OF FORMING POLITICAL PARTY

ARE IN FAVOUR, HOWEVER, OF DISCUSSING POLITICAL QUESTIONS IN THEIR LOCAL COMMANDS—BELIEVE DIRECT ACTION WOULD BE DISASTROUS AND FEAR EVEN DISCUSSION.

MAJORITY WAS LARGE

By a decisive majority the G. W. V. A. convention declared its approval of the Dominion executive in amending the constitution to permit the discussion of political questions in local commands, and rejected an an amendment, endorsing the Ontario referendum for political action and committing the provincial command to support it at the Dominion convention next week.

Some of the delegates contended that the whole question was out of order for the reason that the referendum had been in favor of political action. A. H. Peart was particularly emphatic in this view. Political action will carry at the Montreal convention despite what you do here, he predicted.

Most of the speakers during the 90-minute debate expressed the fear that the introduction of politics in the Great War Veterans' Association was a dangerous departure from the the course it had followed. They foresaw division of the ranks on questions which would fan old partisan feelings with the probable result of splitting the ranks.

The success in Riverdale, Toronto, in which Sergt.-Major McNamara was elected, was humorously balanced by A. T. Hunter's account of his defeat in Parkdale.

H. H. Hood of Kingston, related the success of the G.W.V.A. in the municipal elections last January, and B A. Devlin of London discounted that recommendation by the failure of the veterans in the municipal campaign in that city.

Many of the delegates affirmed the safest course was to formulate a progressive platform in the interests of the people as a whole and to endeavor to bring it into effect. It was even suggested that in a constituency that offered a good opportunity to elect a veteran that action there might be taken.

The resolution approving of the discussion of political questions was moved by J. Shute and seconded by T. C. Weatherhead of Welland, and the amendment for politcal action, was moved by I. C. Dunwell and H. W. Marshall of Riverdale.

Mr. Shute said that the ideals of yesterday were the accepted principles of to-day and the ideals of to-day would be the accepted principles of to-morrow. He was an opponent of a separate political party.

"I maintain there is no class distinction to-day. What we lack is a distinction of character. Our organization is dammed for all time if we set up a political party. The great majority of our men were workers, either by brain or brawn."

Comrade Shute favored affiliation with the progressive thought of to-day.

Throw Constitution Away.

Comrade Marshall of Riverdale, recalled an experiment of his branch in which he said the constitution was practically thrown to the winds in the campaign for the election of Sergt.-Major McNamara last October. The name of the association was not mentioned, but the members worked individually for his election.

"All I want to see is the ameudment changed in order that each branch can act in its own best interests."

The Politicians' Only Fear.

Delegate Peart, Hamilton, recalled that the last three conventions of the Ontario Command had been in favor of political action. "The only power we have is our threat to go into politics. The only threat that the politician is afraid of is the danger of losing his seat."

"Ninety per cent. of the G.W.V.A. are of the labor classes. I have no interest in machine politics."

Comrade Peart was on a top note when the President raised his gavel.

"Don't put the gag on me yet. The politicians seem to think that we are vulgar, lazy fellows coming back with only a desire to be idle They can't realize our ideals because they have never been over there They never can understand us. Political action will be carried at the Montreal convention despite what we do here. And I question our right to debate it here."

Action not Words.

H. Wilkes, Parkdale, asserted that political action could not be secured by loud talk in convention. His branh has sub-divided its electoral districts. The members are getting in touch with the people especially all the returned men, their wives and families

C. E. Haight of Toronto, said that all questions that concern Canada concern us. I am absolutely opposed to going into politics as a party. We can however be politic. The first thing that we should do is to work, to be able to put our finger on each member. We can get results there.

Scientific Organization.

Comrade Haight illustrated his point with the accomplishment of the Prohibition Party in the United States, which working on a scientific basis and from the ground up, had developed a force that could elect almost whom they choose. In the same

GAVE AN ADDRESS AT THE COLLEGIATE

MOTOR BOAT TRIP FROM BELLEVILLE TO ORILLIA ON TRENT CANAL

Canada's natural resources were fully explained both in words and pictorially last evening in the Collegiate Institute Assembly Hall to a capacity house by Mr. D. W. Johnson of the Department of Trade and Commerce, who spoke under the auspices of the Local Council of Women and the I.O. D.E. of the city Mr. Johnson took his audience on a trip through the Dominion from coast to coast, incidentally showing the shipping and manufacturing of the different cities in Canada. In another film he showed a motor boat trip through Ontario from Belleville to Orillia with views of the Kawartha Lakes. He also showed pictures of making maple sugar in the old and improved manner His pictures of the national parks of the Dominion were especially interesting and gave a broad idea of the beauty spots of the country. Mr A. Mowat occupied the chair.

MEMORIAL FOR NURSING SISTERS

TABLET WILL BE UNVEILED IN TORONTO.

Canadian Press

TORONTO, March 18. — A memorial tablet to the five nurses who gave their lives during the war will be unveiled by Matron-in-Chief McDonald, on March 20th, at the Parliament Buildings.

The tablet is the one erected to the nursing sisters at the Ontario Military Hospital, and has arrived at the Parliament Buildings and will be placed in position in a few days.

As far as possible all those who served on the hospital staff during the war have been invited to attend. It is hoped that Chief Matron Rayside, of the Militia Dept., Ottawa, and Matron Margaret Smith and Matron Morton, of Orpington Hospital, will be present.

NEWSPRINT TROUBLES IN THE CITY

TO-DAY'S EXAMINER CURTAILED TO EIGHT PAGES OWING TO NEWSPRINT SHORTAGE.

As intimated in our columns a week ago the newsprint shortage has struck the Examiner in earnest. We have been required to reduce the size of the paper to-day to eight pages, leaving out considerable advertising so as not to curtail the news matter to any extent We had exhausted every means to get paper from other offices. The Post of Lindsay and the Review of this city helping out to the best of their ability, and only for the fact that a small shipment reached Peterborough this afternoon for use to-morrow we would have had difficulty issuing to-morrow and not at all on Saturday.

However, with the arrival of the part car above referred to we have sufficient stock for a week, when we expect further shipments to have arrived.

CRUDE OIL ON FIRE IN MONTREAL.

(Canadian Press.)

MONTREAL, March 18. — Four hundred thousand gallons of crude oil blazed throughout the night at the plant of the Barrett Co., Ltd.

The whole fire-fighting force of the city was called out, and the blaze was successfully isolated to two tanks.

WHERE ACCURACY IS VITAL.

Try "Danderine" and see!

CALEDONIAN CLUB UNVEIL WAR MEMORIAL TO FALLEN

A LARGE GATHERING OF THE PETERBORO SCOTS—MEMORIAL CONCERT AND UNVEILING PROCRAMME.

SCOTLAND IN CANADA

In presence of a large gathering of the Peterboro Scots and friends, the memorial to the fallen Peterboro Scots was unveiled in the Woodmen of the World Hall, last evening. Althought the "blast o' March wins" was very much in evidence, it did not prevent the members, wives and friends of the Peterboro Caledonian Club from coming out to honour and respect the departed soldiers, by being present.

Mr. Ed. G. Hardie, President of the Club, occupied the chair and in the course of his remarks outlined the details and reasons for such an occasion.

Memorial Programme

Mr. John Anderson, the well-known local tenor singer, was heard to advantage in "Fiona."

Miss Eastwood's rendering of "Rule Britannia", was appropriate for the occasion and had to respond to an encore.

"The Trumpeter" sang by Mr. John Smith, baritone, gave the audience something new and was a very suitable song.

In a sweet voice Mrs. Maurice Parks rendered 'Friend O' Mine' to perfection, and her encore, "Don't Cry", produced talent called to please an audience.

As per usual Mr. William Thomson entertained the company to the many humorous Scotch songs at his command.

The accompanist, Mr. George King gave great satisfaction to all.

Unveiling Programme

Mr. S. Leith; on behalf of the Committee, related how the committee had it in their mind that although Peterboro was in Canada, there was no reason why they should not provide a suitable memorial and where e Scottish men and women were to be found, no doubt; a satisfactory and appropriate memorial would be provided wherever they may be.

Rev. Mr. McKenzie of Knox Church in addressing the audience, said, no doubt, his voice would sound a little peculiar, owing to him having a slight cold, but he conveyed his message in a true spirt when he related how the Scotsmen had responded to the call of his native country to fight for freedom. Also, as to the various aspect of thought in regard to the choice of how the departed would like all to enjoy themselves and be of good cheer if they could have been present with us to-night. He complimented the club on having obtained a suitable memorial, which would be greatly appreciated in years to come.

Mrs. McKenzie came forward and unveiled the memorial shield.

Description of the Memorial

The memorial is in the form of a solid oak shield, surrounded on either side by gold gilt buttercup drops coming from the semi-circular gold painted casement containing the words "Peterboro Caledonian Club", in sanscrif letter, giving the memorial a true harmony of taste and workmanship. Mounted on the top is the Canadian Beaver and under the name of the club is the Scottish Thistle, both painted to suit the character of each subject. The following words proceeding the names runs as follows:

"In memory of the Peterboro Scots, who made the supreme sacrifice in the great war.

W. G. Affleck, Robert Burns, Alfred Black, Thomas C. Chalmers, James G. Hurry, William Hutchison, Sam McKinley, John McLeod, Harry Pearson, Robert Smith, William Smith, Andrew Thomson, Peter Smith.

"Greater love hath no man than this, that a man lay down his life for his friend."

The script on the top and bottom of the names is painted in old English letters and each name is gothic letters. The shield is fittingly finished by having three maple leaves at the bottom.

The memorial is a very handsome piece of handicraft specially designed and executed by the J. J. Turner & Sons, Co., of this city, who have shipped many of them as far west as they have done east.

Refreshments were served during the evening by the members of the club, and under the committee's service, everybody did justice to the good things provided.

The rest of the evening was spent in Carpet Bowling by the ladies present which brought many prominent players to view.

A dance will be held in Woodman of the World Hall, on Friday evening, March 26th., at 8 p.m. prompt. Tickets can be had from any member of the club.

CUTICURA HEALED ITCHING ECZEMA

On Little Boy's Face. In Blisters, Lost Sleep.

"My little boy had eczema on his face, and it caused itching and loss of sleep. The trouble began with red blotches, and his face got red, almost like raw beef, and then it broke out in blisters. The blisters broke and caused his face to become sore.

"Then I used Cuticura Soap and Ointment. In a short time all traces of the eczema were gone." (Signed) Mrs. Z. Alexander, Box 35, Trout Creek, Mont., January 21, 1919.

Make Cuticura Soap, Ointment and Talcum your daily toilet preparations.

Soap 25c. Ointment 25 and 50c. Sold throughout the Dominion. Canadian Depot: Lymans, Limited, St. Paul St., Montreal. Cuticura Soap shaves without mug.

CATTLE MARKET

(Canadian Press.)

TORONTO, March 18. — Cattle market receipts light, trade steady. Prices firm, Heavy beef steers, $13.35 to $14.00; medium butcher cows, $10.50 to $11.75; choice calves, $19.00 to $22.25; hogs, select, $20.25 to $20.50.

FIUME CHILDREN ALLOWED IN ITALY

TRIESTE, March 15— Gen. Caviglia, Commander of Italian troops along the Fiume-Jugo-Slavia armistice line, has agreed to send children out of Fiume to Italian cities in small groups, beginning Tuesday. The food situation is critical.

Hair Often Ruined By Careless Washing

Soap should be used very carefully, if you want to keep your hair looking its best. Most soaps and prepared shampoos contains too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is Mulsified cocoanut oil shampoo (which is pure and greaseless), and is better than anything else you can use.

One or two teaspoonfuls will cleanse the hair and scalp thoroughly Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get Mulsified cocoanut oil shampoo at any pharmacy, it's very cheap, and a few ounces will supply every member of the family for months.

Constipation or Costiveness

Constipation, although generally described as a disease, can never exist unless some of the organs are deranged, which is generally found to be the liver.

There is nothing more productive of general ill health than constipation of the bowels, and a regular action is absolutely essential to general health. One of the most common, painful and troublesome troubles caused by constipation is piles, and unless the bowels are kept open by the use of a good laxative such as Milburn's Laxa-Liver Pills the whole system will be poisoned and many different complications of diseases arise, so if you would be well, keep your bowels regular.

Mr. A. Roder, Hastings St. E., Vancouver, B.C., writes:—"I desire to express my thanks for what Milburn's Laxa-Liver Pills have done for me. I had been suffering from constipation for two years, and also had a bad cough and headaches. I tried all sorts of cures and remedies, but got no relief until I was advised to try your pills. I got great relief after the first few doses."

Get Milburn's Laxa-Liver Pills when you ask for them or send 25c. and they will be sent by return of mail by The T. Milburn Co., Limited, Toronto, Ont.

SPRING FESTIVAL BY TEACHERS' GUILD.

Splendid Entertainment at Collegiate Hall, Friday Evening, April 16, 1920.

The members of the Women's Teachers' Guild are holding their second Spring Festival of song and dance in the Collegiate Institute Assembly Hall on Friday evening, April the sixteenth.

This event, which was inaugurated last year, proved to be a very great success. The members of the Guild feel that the citizens should take advantage of this treat, not only on account of the enjoyment that is to be derived but also because they will have an opportunity of seeing the results of the work done by the students in all of our city schools.

Few of us perhaps realize the excellent work that is being carired on by the Teachers' Guild. Over a year ago a little French orphan was adopted and the money derived from this Festival is to be used for its support. In addition to this work the members have also been able to assist local charities.

Attractive drills and dances by the students of the Normal, Collegiate, Separate and Public Schools will be a charming feature of the programme and altogether a most delightful evening is promised.

DEBATE ON GRATUITY QUESTION

THE SESSION YESTERDAY AFTERNOON WAS FEATURED BY A SPIRITED DISCUSSION OF THE G.W.V.A. SCHEME—COMRADE M'NAMARA, M.P.P., ADDRESSED THE MEETING.

Comrade Harrison D. Williams, Indian delegate from Wapole Island branch, read an address on comradeship and other matters relating to the Wapole branch. "The Indian should be congratulated for surviving under the conditions under which he is compelled to live," said the dusky looking comrade. These conditions, the speaker continued, are unfair to the Indians. All went well until the British government turned over the care of the Indians to the Dominion government. The main object of the present Indian Act is to keep the Indian an Indian all his life.

"Shame," cried several of the delegates.

"Over three thousand Indians responded to the call during the war. Seventy-eight per cent. of the Indian population of Wapole Island enlisted for service in the great war. The Indian of to-day demands judgment and fair dealing. The Indian should be allowed to live in terms of to-day and not in terms of forty or fifty years ago.

Comrade Williams' remarks were cheered to the echo.

Comrade H. E. Green, Oshawa, seconded by F. Turner, Ottawa, moved a resolution of thanks for the able manner in which the Indian problem had been presented by Comrade Williams.

A committee was named to draft a resolution memorializing the Dominion government to give the Indian soldiers the same privileges as the white soldiers.

Stand by Principle.

Comrade J. McNamara, M.P.P. for Riverdale constituency, was asked to address the convention. The speaker made an appeal for unity. "Stand by your principle to protect this country as you stood behind them in Flanders. Keep out of politics as a soldier body or they will brand you as they did the farmers in the House yesterday," said the khaki clad speaker.

Speaking of the gratuity scheme Comrade McNamara said he had been accused of runnig on a two thousand dollar gratuity ticket. This he branded as a falsehood. He said he was not so much opposed to the two thousand dollar gratuity scheme as he was opposed to the principle as represented in the Calgary resolution.

Re-establishment Debate.

The special committee reporting on the soldiers' re-establishment question endorsed the G.W.V.A. soldiers' re-establishment scheme as submitted to the Dominion government in October, 1919, together with an amendment eliminating the questionaire on page 10 of the report. The questionaire removes the need for proof of the applicant's financial standing and other personal questions required to be answered, as the scheme was originally drafted. The convention took it for granted that every man who served during the war was entitled to the gratuity on the basis of service.

Comrade C. E. Wilson, Toronto, in presenting the scheme to the convention, did not offer it as a perfect so-solution, but one that could be safely accepted by the convention. It is a re-establishment scheme not only for the soldier and dependents, but for the country as well, said Comrade Wilson. It is not a cash compensation. At Ottawa we had the spectacle of the government saying *no* until inundated with telegrams, following which a parliamentary commitee was appointed. Several phases of our scheme have been adopted with good results. The government claimed to have no money for the soldiers, but shortly afterwards they found money for the Grand Trunk railway. Mr. J. H. Burnham, M.P., brought forward a resolution in support of a re-establishment scheme, said the speaker in commendation of Mr. Burnham's effort to help the soldiers.

Proving the Need.

Proving the need is the safeguard of the scheme. In many cases many men who returned in 1914 or 1915 had a better chance to re-establish themselves than oither men who were away for a much longer duration. Another feature of the scheme is that the money is spent in Canada. We have put the responsibility up to the government and I hope we will not rest satisfied until every man has been justly dealt with.

Comrade J. C. Dunwell, Riverdale branch, Toronto, also approved of the G.W.V.A. re-establishment scheme. The speaker said it was up to the government to find the money. He had no doubt of the success of the scheme.

The Calgary Resolution.

Comrade A. H. Peart of the East Hamilton branch, mover of the clause removing the questionaire from the G. W. V. A. scheme, was the next speaker. He referred to the Calgary resolution which he regarded as a failure. It was apparent from the start that the government had no idea of accepting such a scheme. The questionaire, said Comrade Peart, should be cut out because it is unnecessary to have a man swear his life away in order to get what has been characterized as a "dole." In New Zealand, gratuity is paid according to the number of children possessed by the soldier. We claim it is none of your business what we are going to do with the money We have earned it. We should have unity in our ranks. There are several other schemes in the air. We should stick by our resolution and present it to the proper authorities. The speaker quoted gratuity figures for New Zealand, Australia and other countries, which he claimed were much higher than in Canada We have been too easy with the authorities at Ottawa We should take our gloves off and go to the government in the right way, said the speaker in conclusion.

Comrade Hope of East Hamilton, endorsed Comrade Peart's remarks in a spirited address. "Let us vote solidly on the G.W.V.A. scheme." said Comrade Hope.

Comrade J. W. Hagie, of Kitchener, moved that the gratuity scheme be placed on a monthly basis. This he considered more fair to the men who have been overseas. The questionaire, said the speaker, places the gratuity applicant in the position of seeking money as a pauper would apply for assistance.

Board Not Necessary.

Comrade C. D. Morgan, Beaches branch, Toronto, could not see why a Board was necessary to distribute the gratuuity. The discharge certificate should be sufficient to meet the needs. A Board would be a burden to the country, and as we all know, be productive of considerable and unnecessary red tape.

Objected to Gratuity.

Comrade Warburton, of Kingston, declared that the need of the soldier is re-establishment and not gratuity. "I do not think," said Comrade Warburton, "that we are entitled to anything more than we have already received. When we enlisted we were entitled to our pay and rations. That is all we are entitled to. Belgium soldiers received no gratuuity, and it is a matter of record that Belgium has made the quickest economic recovery of any country involved in the war. The fact that New Zealand or Australia pays a gratuity has nothing to do with us. What we want is an adequate form of re-establishment. If the needy clause is struck out the first people to apply for gratuity will be the brigadier-gennerals, colonels and other officers.

Three Classes.

I regret to say there are three classes of returned soldiers: continued Comrade Warburton.

The first class wants two thousand dollars gratuity, but does not need it.

The second class needs assistance, but the government has made a feeble attempt to supply that assistance.

The third class needs it, but what would they do after it was spent?

The Rank and File.

Comrade J. Hossacks of Westboro, declared the man who has been overseas is in imperative need of a re-establishment gratuity. The soldier members did not do very much to help the scheme. The rank and file are the life of the association and they are the men who will keep it alive.

Comrade J. B. Bateman-Jones, of Cobalt, made a strong claim for the gratuity scheme. He urged the members to back the scheme and eliminate the questionaire. "We may be called radicals and Bolsheviks, but we are sincere," said the northerner.

A United Front.

The G.W.V.A. scheme has the solid support of Mount Dennis and that means a lot, said Comrade R. C. Armstrong, whose brogue revealed his Scotch nationality. The questionaire in the G.W.V.A. scheme makes us feel as though we are members of the Salvation Army instead of the C. E.F.

We must and should present a united front. Belgium is a poor place to go for a comparison. Any community has its dregs; any good glass of wine has its dregs."

Mr. C. E. Haight, of Central branch, Toronto, attributed the failure of the scheme to lack of publicity. There have been too many complications in the scheme. We have not been sufficiently united in this matter.

Equal Sacrifice.

Comrade J. Withers, Brantford, said the Brantford branch was in accord with the G.W.V.A scheme. "It has been said that some men came back in 1915 For that matter no man made more of a sacrifice than another," said Comrade Withers.

Comrade J. Rigby of Ottawa, declared that the Ottawa branch had always been behind the G.W.V.A. and its basic scheme for re-establishment.

Comrade M. M. Hood, Kingston, brought a mandate from the Kingston branch to support the G.W.V.A. scheme. "We do not believe that we ought to commercialize our patriotism. The Kingston branch was desirous of having the need for re-establishment proven," said the eastern delegate.

Convention Had a Laugh.

President E. E. Jeakins read a telegram from Mr. J. H. Burnham, M.P., Ottawa, which stated that "Sir George E. Foster had agreed to appoint another committee to further consider the claims of the G.W.V.A." This brought a roar of laughter from the convention

Comrade G Whitworth of St. Thomas, advocated the adoption of the re-establishment scheme as proposed by the G.W.V.A.

"There is no reason why ninety-nine men should suffer for the sins of one man who abused the privileges offered by the G.W.V.A. scheme."

Comrade Whitworth was of the opinion that greater publicity should have been given the scheme.

Windsor Man's Experience.

Comrade R. H. Harrison of Windsor, said he would not consider himself paid in full if he received a cheque for two thousand dollars. When h enlisted as a full buck pri-

Power Record Jan 1 to Jan 31 1920 with Dominion Friction Belting 846 K.W. hours (25.38)

Belt Efficiency Lowers Power Cost

Do you know how many drives in your plant are wasting power? There are a number in most every plant. Each one a leak that is helping to create a stream of lost production dollars. These leaks are called pulley slippage, idle machines, idle employees, spoiled material, undersized belts, poor fabric and worse construction.

Dominion Friction Surface Belting

will place your transmission equipment on the nearest possible approach to 100 per cent. efficiency that you may ever expect to obtain.

Dominion Friction Surface Belting is not merely rubberized fabric. It is saturated with a special friction rubber compound, which makes it water-proof, vulcanizes the fabric plies together, and practically eliminates all slipping on the pulleys—whether it is used on main drive, inter-shaft or machine.

Dominion Rubber System Belting Engineers, after thoroughly studying your requirements, without cost to you, will specify the correct belt for each given purpose that all power waste may be eliminated—that idle employees may be forgotten, and that your production may be brought to the greatest volume possible with practically no increase in overhead.

Phone or wire our nearest service branch.

Your Most Important Deal

When a man applies for Life Insurance, he is taking up the most important deal of his life, for, presumably, he will not be here when it is settled.

How important then that he select the best obtainable.

The record of the SUN LIFE of Canada for the past 49 years of its existence, has been an unbroken march of progress obtained through square dealing, and the past year has surpassed all others with its assets of over ONE HUNDRED MILLION and Income of TWENTY-FIVE MILLIONS and surplus on Government Standard of over TEN MILLIONS. Where can you find its equal?

Is it not to your interest therefore to place your Life Insurance with the Sun Life of Canada?

D. H. MOORE, J. D. CAMERON | Inspectors. W. H. HILL, Mgr. Central Ontario Div., Peterboro', Ont

It Is Not Enough

to have the bowels move. It is more important to persuade liver, kidneys, skin, and bowels to act in harmony and against self-poisoning. BEECHAM'S PILLS act favorably upon all organs concerned in food-digestion and waste-elimination; they remove causes as well as relieve symptoms.

THURSDAY, MARCH 18TH, 1920.

CURBING THE ORATORY.

Although there is not the slightest chance that his resolution will be carried Levi Thompson, member for Qu'Appelle deserves credit for endeavoring to curb the flow of oratory in the House of Commons. Mr. Thompson's resolution which will be placed before Parliament today sets forth that "in the opinion of the House it is desirable that the rules should be so amended that a limit may be placed on the time that may be taken by members in addressing the House and that a Select Committee be appointed to inquire and report upon such an amendment." The resolution is a step in the right direction. There is to o much time wasted in debating questions of little or no importance. Men with nothing to say, take a couple of hours to say it. Issues that would be for better left buried are dug up and discussed at boring length and the same arguments are used over and over again, filling Hansard with page after page of repetitions. Mr. Thompson's move to shorten the speeches in the House will be popular with the newspapers and with the country generally whatever reception it may get from Parliament. Many of the addresses could be cut in two with benefit to the speakers and their auditors and many more would be better unsaid. But it is hoping too much to believe that the resolution of the member from Qu'Appelle will be endorsed.

AN INSPIRING ADDRESS.

The high standard reached in the address of President Jeakins of the Great War Veteran at the Provincial convention yesterday should disabuse the minds of many citizens prone to make snap judgments, of the idea that the majority of returned men are of the same type as Serty. Flynn of the United Veterans' League. It was an inspiring message that revealed the aims and object of the G. W.V.A. in their real light. "The G. W. V.A. would proclaim to the citizens of the Dominion" declared the President, "that its members, bound together as they are by the strongest bonds of blood-welded comradeship, will do their utmost to prevent the spread of such Bolshevistic principles, as well as positively assert that their Association is an association governed by moral ideas which place justice, honour, right, goodwill and brotherhood amongst the things of life that are worth while." That declaration of principle is an effective answer to those who cannot differentiate between the ideals of the G.W.V.A. and the selfish aims of other organizations of returned men. Rev. Mr. Jeakins address was straightforward and from the shoulder and his frank handling of contentious subjects was impressive. For instance he did not hesitate to comment on the defeat of a number of soldier candidates in municipal elections, pointing out that "the returned soldiers' button in itself is no criterion for capability of service in the governing councils of our lands." "It is folly" he added "to try and fit a round peg into a square hole. The cure for this attitude is that the members of the G.W.V.A. should realize that they are, first of all, citizens of this country and returned soldiers second, using that last only to forward the first.

CANADA'S NATIONAL GAME.

The movement under way to revive the grand old game of lacrosse in Peterboro this season will undoubtedly be hailed with pleasure by the many old time enthusiasts in the city who in recent years have mourned the absence of Canada's national pahtime and have signed for the halycon days when many of the staid business men of the present era used to carry the gutted stick with skill and cleverness in glorious battles with the athletes of other communities. Lacrosse is a magnificent game that develops strength and manliness and self control. In the days when the game flourished everywhere it made healthier men and better Canadians of those who took part in the pastime, and it has been a source of deep regret that gradually its prestige has been undermined by the American game of baseball. The influence of manly sports upon a nation cannot be over estimated. If Waterloo was won on the playing fields of Eton, then it is equally true that the invincible resistance of the "contemptible little army" at Mons was made possible by the spirit developed on the football field and the cricket crease of old England and that the dash and courage of the Canadian troops was partly at least due to the development of the fighting instinct in the vigorous sports of the Dominion, particularly lacrosse and hockey and rugby football.

The campaign to bring lacrosse back to its old standing in Peterboro should receive every encouragement. While it is true that the glad days when every merchant closed his store and a half holiday was declared for every important lacrosse game are gone for ever yet something of the enthusiasm and interest of those times should be sought.

EDITORIAL NOTES.

"Passing the buck" to the Provincial Legislatures will not furnish a solution of the eight-hour day question. In Ontario for instance Premier Drury declares that his Government does not propose to be stampeded over this issue.

The new Legislature shows no improvement over its predecessors in the matter of the debate on the address from the Throne which continues to drag along in the same old tedious way it always did.

BEWARE OF TENDER GUMS

Unhealthy soil kills the best of wheat. Unhealthy gums kill the best of teeth. To keep the teeth sound keep the gums well. Watch for tender and bleeding gums. This is a symptom of Pyorrhea, which afflicts four out of five people over forty.

Pyorrhea menaces the body as well as the teeth. Not only do the gums recede and cause the teeth to decay, loosen and fall out, but the infecting Pyorrhea germs lower the body's vitality and cause many serious ills.

To avoid Pyorrhea, visit your dentist frequently for tooth and gum inspection. And use Forhan's For the Gums.

Forhan's For the Gums will prevent Pyorrhea—or check its progress, if used in time and used consistently. Ordinary dentifrices cannot do this. Forhan's will keep the gums firm and healthy, the teeth white and clean. Start using it today. If gum-shrinkage has set in, use Forhan's according to directions, and consult a dentist immediately for special treatment.

35c and 60c tubes in Canada and U. S. If your druggist cannot supply you, send to us direct and we will mail tube postpaid.

FOR THE GUMS

17TH MARCH CONCERT

On o previous occasion have citizens of Peterborough more ably demonstrated their talent than in the presentation last evening by St. Peter's Dramatic Society of the new Irish-American comedy drama, "On the Level," written and arranged by George F. Lynch.

The plot was undoubtedly clever and the play well staged, and the sentiment, which in every scintillating line bespoke of troubled Ireland, was admirably suited to St. Patrick's Day.

The Story.

The story of the play, the action of which covers a period of three days, is of Mrs. Dolan, an Irish lady whose husband some sixteen years previous had left for America to seek his fortune in the oil fields. With no word from Mr. Dolan she had faced the world in reduced circumstances, living with her only son, Gerald, her adopted nephew Master Robert Desmond and Molly Casey her maid.

During the year 1912 Bill Davis, a wealthy prospector and mine owner, visits Ire land with the object of finding his partner's, the missing Dolan's, relatives, bringing with him Breen, a detective from New York, to assist him in his quest and in pursuing the object of his visit meets Mrs. Harrington, a beautiful and wealthy widow. By cross-examining Jerry Maloney, the jealous-minded admirer of Molly Casey, Breen locates Mrs. Dolan, and with the assistance of Helen Fitzgerald, Gerald Dolan's sweetheart, also succeeds in rounding up Frederick Richmond, an enemy of the Dolan family, through whose infamous plotting Mrs. Dolan had been prevented from receiving word from her husband, who is now, she learns from Davis, dead, while she is the heiress of his huge fortune. It also develops that Gerald's dismissal from the bank undr the shadow of suspicion is due to the cunning plotting of Richmond, who in the end confesses, but insists that his action was based upon a spirit of adventure.

The Characters.

Each of the parts were admirably acted, all taking part showing a marked histrionic ability. In the character of Breen, Mr. George Lynch, who was greeted with applause, made a big hit, adding to his already enviable reputation as an amateur actor. Miss Agnes Murray, Miss Genevieve O'Heron, Miss Maud Leahy and Miss Anna McGuire, who took the parts respectively of Molly Casey Helen Fitzgerald, Mrs. Harrington and Mrs. Dolan, were extremely clever, each being free from the self consciousness which too often marks the amateur. Mr. James O'Brien as Jerry Maloney, made a splendid Irish lover, whose jealousy leads him into all manner of complications, and brought down the house with his step dancing, which was introduced as a feature of the play Mr. Cecil Wolff in the part of Frederick Richmond, made a most convincing villain, while William Collins as Gerald Dolan, formed an admirable contrast. As Darby Rooney, the Irish coachman, asking everyone to "tread on the tail of his coat," Mr. Tim Dineen left nothing to be desired and handled the part he played in an exceptionally clever and convincing manner. Mr. Egbert Kelly's delieation of Bill Davis the prospective mayor of Walla Walla and wealthy mine owner was excellent.

A feature of the play was the really talented acting of Master Gregory Wolff as Robert Desmond. The little fellow knew his part and he knew how to play it never stumbling or needing prompting throughout the action of the play.

Presented Bouquets.

At the conclusion of the play each of the young ladies and Gregory Wolff were presented with huge bouquets, the gifts of admiring friends.

Clergy Present.

The clergy present in the crowded houses were His Lordship Bishop O'Brien, Dean McColl, Rev. C. J. Phelan, Rev. Paul Costello, Fathers Cantillon, Meagher, of Lakefield, O'Gorman, John O'Brien, McGuire, Cote and McCarthy of Norwood.

Executive Staff.

DESERTER IS CHARGED WITH BRUTAL MURDER

Said to Have Killed Trapper With Axe in the North.

TORONTO, March 17.—Joseph Arthur Currie, alias Walker, was brought to Toronto from Windsor by Provincial Inspector Storey of Sudbury and Constable Smith. Currie is charged with the murder of Michael Donoghue, a trapper, who lived in a shack near Crerar on the C.N.R., and who was killed in January. The trapper's head had been beaten with an axe. Currie is stated to have confessed to the crime and to have also stated that he robbed the body of $250, and went to Montreal, where he was robbed of $200. Thence he beat his way to Toronto and on to Windsor. Currie is also a deserter from the C.E.F.

Atlantic Passenger Fares Will Be Further Increat

LIVERPOOL—A further surcharge of 13 1-3 per cent. in passenger fares has been decided upon by the North Atlantic steamship companies, according to The Liverpool Post.

The increase in the cost of a voyage to America since July will now amount to 33 1-3 per cent.

PILES Do not suffer another day with Itching, Bleeding, or Protruding Piles. Surgical operation required. Of Tweeds, Homespuns and Jerseys Are The New Knock-about Suits

Rain or shine they are ready for anything, from airing in the park or marketing or other general utility wear for which a sturdy little suit is meant.

The materials are favorable to hard wear, while the style is youthful in the simplicity of patch pockets, bone buttons, good fitting shoulders and sleeves. They are attractively priced at $49.50 and $62.

Fashions Most Favored Effects in Millinery

Cellophane In a Leading Role

Cellophane, which is really celluloid in disguise, has a stellar role in the season's Millinery. Beaded effects on net foundations form the shiny bonnets which so smartly accompany tailleurs and street frocks. Glistening little colored flowers fashioned from Cellophane add greatly to hats of straw. Everyone wants some touch of this brand new material.

What Is Spring Without a Sailor?

Something to pin a veil on and step smartly out in a brisk breeze, to wear with one's street things or sports togs and feel securely and well dressed, that's a Sailor. The strictly plain, mannish Sailor and many pleasant variations may be had in pine-apple, Milan and other straws in all desired smart shades.

AT OUR LADIES' SHOE SHINE STAND

you can have the colored tops of your shoes cleaned and also your colored leather shoes dyed black, if you leave them with us, and prompt delivery will be made. It is located on 2nd floor adjoining the Ladies' Shoe Department.

G.W.V.A. RESOLUTION OFFENSIVE TO TRADES AND LABOUR COUNCIL

PROPOSED BY NOVA SCOTIA PROVINCIAL COMMAND FOR DOMINION CONVENTION—RECOMMENDS LEGISLATION AFFECTING RIGHTS OF ORGANIZED LABOUR.

HOW COUNCIL WOULD CENSOR IT

"And be it further resolved that in the event of organized Labour pursuing illegal and unconstitutional methods, the G.W.V.A. will consider it their right and duty, as Canadian citizens to oppose and assist to repress such illegal and unconstitutional methods."

This clause of a resolution of the Nova Scotia provincial command of the G.W.V.A. to be introduced at the Dominion convention of the Veterans in Montreal next week with the recommendation to the Federal Government that it be adopted as legislation proved probably the most objectionable to the Trades and Labour Council last night as they discussed the entire resolution, to which they suggested several amendments.

President A. J. Bolwell informed the Council that a copy of the resolution had been handed to him yesterday by a delegate to the Ontario convention for an expression of Labour's opinion upon its contents and import. He understood that if would be submitted to the Ontario delegates this week.

Scope of Resolution.

The clauses were as follows:—

(1) The right of Labour to organize;

(2) Recognition of organized Labour and its right to negotiate with its employers;

(3) The right to strike within the constitutional authority of Canada;

(4) All Labour organizations to be incorporated;

(5) All contracts between employers and organized Labour within the constitution of Canada shall be binding on both parties;

(6) Reasonable trade tests for candidates to Trades Unions for the protection of the public from incompetence and inefficiency;

(7) In order for a strike to be legal it shall be necessary for the majority of the employees affected to give their approval;

(8) Such legislation should not circumscribe the objects of Labour or the direction of its policies but should regulate tis methods.

Were Uncertain at First.

"There is nothing on our books against constitutional law" declared one delegate who proposed that the Labour Council take no action whatever but await the decision of the G.W.V.A.

Other members saw the hand of the capitalist in the writing of the above clauses, but some pointed out that a large number of the Veterans were members of Trades Unions and would be the first to oppose the restrictions this resolution would place upon Labour. Suspicions of its underlying motive were not dispelled by the broadest interpretation of the resolution, and the Council instead of standing aloof from the Veterans concluded that the wisest course was to indicate to them their attitude toward the offending clauses and the reasons for Labour's disapproval.

The Council's Action.

The first two clauses were obviously acceptable. The third that Labour should have the right to strike within the constitutional authority of Canada was amended to "the right to strike within the constitution of the International Unions."

"We don't know what the constitutional of Canada is" said one member; another questioned Hon. Mr. Doherty's knowledge of it, and a third suggested that this clause be suspended until Canada obtained a constitution.

The fourth clause requiring incorporation of Unions was struck out.

The fifth was altered to the effect that contract between employers and Labour within the constitution of the International Unions shall be binding on both parties.

"This clause as it stands would put a stop to direct action" was one comment. "The sanction of the Internationals is sufficient."

The sixth requiring tests for apprentices was slided, for several reasons. The tests would be made by the employers it was believed and that method was fraught with danger to Labour's interests.

The seventh clause is already in effect in all Unions.

Number eight was regarded as the most offensive, and was cordially condemned together with the ninth quoted in the introduction above.

The inspiration of the resolution as a whole deeply intrigued the Labour men.

"This means nothing but coercion of the working man, if it was in force. It would be worse than slavery" was one opinion.

Its spirit was dictatorial to Labour, another delegate commented, and in regard to possible action by the War Veterans it was believed that although a great number of their members belonged to Trades Unions, others had no sympahty whatever for organized Labour.

Mr. Bolwell announced that he would return the G.W.V.A. bulletin to the delegate who had given it to him and would explain the objectionable features of the clauses which the Council has disapproved or amended.

TORONTO DELEGATE SOLVES ONE PHASE OF THE HOUSING PROBLEM

LAST NIGHT'S SESSION OF THE CONVENTION PRODUCES INTERESTING DISCUSSION OF HOUSING ACT—MAKES PROFIT ON FIVE-ROOMED HOUSES.

On the matter of state insurance, Comrade Miller of Sarnia, urged paying particular attention to the protection of men suffering from tuberculosis and other diseases, the outgrowth of their war-serving.

A committee of members, preferably with some insurance men on it, was suggested to look after this question, and the following committee was appointed, with Comrade Coles as chairman: Comrades McBee, Hood, Sharpe Withers, Conroy.

The President requested the committee to retire.

Housing Problem.

A resolution was read from the Ottawa branch, having been referred to the convention by the Housing Committee dealing with the Federal Housing Act.

The resolution, or rather clauses in the resolution, for there were some 12 of them, were read.

Different opinions were expressed on the matter by the delegates. One of the delegates urged the necessity of controlling exportation of lumber and building materials, and prices, if possible, in order to make building costs less prohibitive.

Endorsed Act.

Comrade Hutchins of Brantford claimed that the Housing Act was the best that could be desired if it was workable, but he said that the payments were too large and the loans to either civilians or soldiers to build not large enough. "A working man cannot meet the payments on 40 or 50 cents an hour," he said.

Clause 1 of the resolution "that a recommendation be made to the Federal government for the enactment of the Federal Housing Act, aroused much discussion. The concensus of opinoin seemed to be that the housing scheme is all right but needs amending and improving.

Comrade Spades of Central Hamilton urged the lessening of the initial payment so that those in straightened circumstances or a man with a mortgage over his head could purchase a home.

Scarce in Kingston.

Comrade Warburton of Kingston, dwelt on the scarcity of houses in the Limestone City. "Anything to allay the housing problem will be welcomed. The great stumbling block has been the cost of construction.

Comrade Pierce showed up another phase of the problem when he asked "if it would not be a slap in the face for the Provincial Command after they had been largely responsible for a Provincial Act to ask for a Federal one." He suggested that the provincial government be asked to amend it.

Several complaints about the Act were made by Comrade Marshall of Toronto, who claimed that the way the scheme was carried out made it impossible for a man to meet requirements and Comrade Bateman reiterated his words stating that the returned soldiers had been unable to take it up and the numbers who did were almost negligible while their need was greater than others.

Made a Good Profit.

Comrade Payne of Toronto, broke in rudely on the discussion, refuting the statement that there was no money in building the houses. "I have been building five roomed houses and selling them for $3000 and making a darned good profit beside" he added. Graft, poor administration and other evils were charged as the reasons for the high cost of the housing scheme.

An amendment to the motion that the resolution be accepted asked for a committee of experts to go into the matter fully and see what could be done to further better administration of the act.

Comrade J. Shute of Brantford, termed the housing problem "one of the most vital questions confronting us as a nation," and impressed the need for good homes for the children.

"We are here to legislate. Why can't we do it. Sending the question back to a committee will not help any and only be wasting time," said Comrade Wilcox of Oshawa.

Comrade Turner of Ottawa, maintained that the entire problem should be under the Soldiers' Settlement Board, and upheld the resolution, asking for their approval of it.

President Jeakins commended the suggestion of a committee. The immensity of the plan was referred to. The Provincial Command went into it fully and it was largely through their efforts that the act came into being.

The amendment carried and the following committee was appointed to convene to-morrow morning at 8.30 o'clock: Comrade Ambrose, of Central Hamilton, Comrade Payne of West Toronto, Comrade Turner, of Ottawa; Comrade Whiteworth of St. Thomas; Comrade Ford of North Toronto, Comrade Strayner of Winchester; Comrade Leslie of St. Mary's and Comrade Wilson of Port Arthur.

DEBATE ON GRATUITY QUESTION

(Continued from page 3.)

vate he was earning in the neighbourhood of five thousand dollars a year. While overseas, surplus money was used for family needs and his insurance lapsed. Comrade Harrison subsequently received gratuity to the extent of $600, which he put to good use. After his return he was turned down as a poor insurance risk. Clause five in the scheme would debar good Canadian citizens living in Detroit and other American cities from participating in the gratuity scheme," said Comrade Harrison.

Comrade S. Fraser, North Bay, favoured a propaganda scheme. "The Comrades do not understand, and the public generally do not understand, the aims and objects of the scheme," he said.

American Veterans.

Comrade Peacock of Windsor, said he represented three or four hundred Americans who fought in the great war. He could not go back without presenting their claims.

A Blind Veteran.

Comrade Shute, of Brantford, a blind veteran asked if there was ever any need of a man who was robbed having to appeal to the robber to return what he was robbed of because he was in need. We have got to get together, eliminate the non-essential and work for the common good.

Word For the Widows.

Comrade W. C. Miller, of Fort William, said he not only represented the comrades of Fort William, but also the widows and dependents. "The widows of fallen comrades are in a worse condition than anyone," said Comrade Miller. He cited a case of one woman in Fort William who was in the habit of telephoning the Fort William branch for soldiers' widows to go out and do their washing.

"No Good Men."

Comrade S. C. McKinney, of Clinton, said that now the veterans are agreed on a policy they should keep a proper perspective and not overlook the widows and those in hospitals who are not in a position to talk as the delegates were placed the percentage of "no good men" at five per cent or less

Comrade H. O. Wright, of Woodstock, said there has been too much publicity. The speaker said he knew there were black sheep. "There are black sheep in every flock," he declared.

Comrades J. L. Mills of Sarnia, L. Evans of Galt, J. H. Rawlinson of the Central branch, Toronto, H. Davidson of Riverdale, R. Payne, Toronto, and others also spoke in endorsation of the gratuity scheme.

Comrade S. Whatley of the Peterborough branch, arrived after the debate had closed and was ruled out of order by President Jeakins

Party Line Consideration

A two-party line is a single circuit, shared in common by two subscribers. It is not reserved for a single user and should be used on the share-and-share alike basis.

On a two-party line, it is possible for both users to try to talk out on the same circuit at the same time. There is also the liability of both being wanted at the same time to receive incoming calls.

Therefore, there are certain considerations which we urge a party-line user to keep in mind.

1. Long conversations prevent the use of the line by the other subscriber; therefore party-line talks should be as brief as possible.
2. Whenever another party-line subscriber requests the use of the line for an emergency, courtesy should prompt the first user temporarily to give up the use of the line.
3. Whenever a party-line subscriber takes the receiver from the hook and finds the line in use, the receiver should be replaced at once in a careful manner.
4. At the end of a conversation the receiver should be replaced upon the hook immediately, otherwise the other subscriber cannot signal the central office.
5. Be sure always to give the operator the letters W or J in calling a party-line subscriber.

Co-operation is required to ensure good service of any kind.

ALD. CROWE'S ACTION APPROVED BY TRADES AND LABOUR COUNCIL

FOLLOWED A PRINCIPLE LAID DOWN BY ORGANIZED LABOUR FOR THE EQUALIZATION OF SALARIES—SAID FIREMEN WERE TREATED WELL.

MEAT SHOPS SHOW LABEL

Ald. Crowe replied to his critics of the Firemen's Union at last night's meeting of the Trades and Labour Council, giving a lengthy review of the position he had taken in regard to civic salaries and showing that he had tried to apply it to the city's entire pay roll. The Council approved his action and commended him especially in his effort to secure the equalization of wages.

None of the firemen's delegates were present last night and Ald. Crowe stated that while the reflections upon him had been made in his absence he preferred to reply directly to the firemen.

Ald. Crowe read the first letter Fire Chief Grange had addressed to the Council on the salary question, quoting a sentence that the increase asked for by the department was required to meet the cost of living. He then decided that, since it cost one fireman as much to live as another, $200 to each member of the department would be equitable and fair.

"They can't blame me for taking them at their own word," said Ald. Crowe, "and if there was any wrong impression it was they who left it by that letter."

He denied absolutely that he had suggested in the City Council that an increase of $100 would be sufficient for the firemen. He considered that they were being well treated, and were well paid. Most of them couldn't earn their present salaries at any other work. They weren't required to spend a long apprenticeship, and any practical man could soon make a good fireman. The average number of calls was one every three weeks, and yet the firemen said they were always under a strain which the platoon system had not lessened, although the firemen assured the Council last year that the two shifts would be of great relief and benefit to them.

In support of his contention that Peterborough's firemen were well paid Ald. Crowe stated that in Sherbrooke practically the same size as Peterborough, the Chief received $1,500, Captain $1,200, Lieutenant $1,144 and the men $1,066.

In Belleville, the Chief was paid $1,230, Assistant Chief $1,080, drivers and regular firemen $1,020; in Brockville the Chief $1,500, Captain $1,150, Lieutenant $1,125, Firemen $1,100.

"I don't want anyone to think that because I am a Labor alderman I am going to be made a tool of," Ald. Crowe concluded. "That principle is not right I want to see that everyone gets a fair deal and I believe the firemen have got it. I have also a responsibility to the ratepayers as a whole.

Organization Committee.

The Trade Council's Organization committee will meet next Monday night at 8 o'clock.

Fair Meat Dealers.

The Meat Cutters reported the following retail shops using the Union label: N. E. Stabler, J. Howland, T. J. Brooks, R. A. Castle, Fitzpatrick and Geraghty, James Grady, Fred Taylor, Robert Dale, Wm. Kemp, City Meat Market, J. W. Edwards and John Mervin.

Revive Builders' League.

A delegate of the Electrical Workers stated that some of the electricians in a few of the uptown shops had not joined the Union. It was believed that if the Union carpenters, labourers, bricklayers and other builders would refuse to perform any work over that of the hold-out electricians the effect might be salutary. Co-operation of this kind should close up the ranks. An effort will be made to revive the Builders' League for the benefit of all the unions that had affiliated with it last year.

"Some of our best men with the Hydro-Electric were removed simply because they were union men," said a delegate of the Electric Workers. "He could never get his job back, and I think the Labour aldermen should try to see that no discrimination of that kind should be permitted."

YOU WILL NOT GET THE "FLU"

If You Build Up Your Run-Down Condition

It Attacks People Who Are All Worn Out, Anaemic, Devitalized and Weak

Strong People Never Get Influenza

During every epidemic it is always the weak, run-down, overworked, devitalized men, women and children who so quickly fall a prey to the ravages of disease.

When, therefore, an epidemic is prevalent why not use a little precaution and build up the tired out, run-down over-worked, devitalized members of your family by giving them VINOL.

There is nothing that acts so quickly as a tonic reconstructor. It makes red corpuscles, enriches the blood, quickens the circulation, sharpens the appetite, promotes sound sleep, and imparts strength, vitality and energy to every organ and muscle in the body.

Your physician recommends VINOL and your druggist agrees to return your money if it fails to benefit.

For all run-down, nervous, anaemic conditions, weak women, overworked men, feeble old people and delicate children there is no remedy like VINOL.

WOMEN WILL RUN IN MANITOBA

(Special to The Examiner.)

WINNIPEG, Man., March 18. — Women's organizations are arranging to run women candidates in every constituency in Winnipeg at the forthcoming elections for the Manitoba legislature. Announcement to this effect was made by Mr. Paulley, secretary Provincial Educational League. A mass meeting to which every woman in th city is invited, has been arranged to take place Wednesday evening, March 31 in the Board of Trade building to further the proposal.

What Women in Their "Forties" Need

BY A SPECIALIST

Many women approach the critical changing period of their lives that comes between the ages of forty and fifty, unmindful of its tremendous importance to their future health and happiness. Not understanding the functional changes taking place in their bodies, they work beyond their strength, often break down, becoming nervous wrecks, their bodies suffering with fatigue and their weakened nerves trembling at every step. Often in their weaken ed condition capillary hemorrhage becomes excessive this added drain compelling them to take to their beds from nervous exhaustion.

What these women need is something that will instantly relieve the pressure on the overworked nerve centres and give them the vitality to stand up under the gruelling strain. Wonderfully effective results are often given in such conditions by the simple use of Ferro-Peptine, a skillful combination of six of the best nerve vitalizing elements known to modern chemistry. These little tablets contain no dangerous habit-forming drugs and are entirely harmless in their action.

Thousands of women can testify that Ferro-Peptine strengthens the jaded nerves, revives the tired brain and puts the energy and courage into the body that enables one to stand up under the unusual strain of the changing period. Ferro-Peptine has to do these things or it costs nothing, as all leading druggists sell it on a positive guarantee of relief or money back.

DRIVE IN N. Y. AGAINST PROFITEERING GROCERS

NEW YORK, March 17.—A drive against profiteering in army food was opened here when hundreds of dollars worth of canned goods were confiscated in raids on grocery stores by an armed squad, led by Captain Jaffray Peterson, who is in charge of a retail store conducted by the army. The raiders went from store to store with a motor truck and a limousine. Wherever Captain Peterson thought an excessive profit was being made on canned peas and tomatoes bought from the army at 9 and 11 cents a can, respectively, the stocks were confiscated.

This Frees Your Skin From Hair or Fuzz

(Toilet Tips)

The method here suggested for the removal of superfluous hair is quick and certain and unless the growth is extremely stubborn, a single application does the work. Make a stiff paste with some powdered delatone and water; apply this to the hairy surface and after about 2 minutes rub it off, wash the skin and the hairs are gone. To avoid disappointment, be sure your druggist sells you delatone.

WHO GOES THERE?

"Oh, it's you Jack, why, what's all your hurry?" "My hurry?" "Well, if you had as much on your nerves as I have, you'd be on the dead run. Why, it's all excitement at our house and has been so for more'n a week." "I see, but you haven't told me the cause of all this excitement. Is any one hurt, sick, or getting married? Has there been a fire or a robbery? What's up anyway, Fresh Air Rates?" "Oh, keep quiet will you, and let me speak. As near as I can figure out it's all about some Old time, Hard time, Cheap time affair, that is comin' off at Mark street Church, next Friday night." "At Mark street Church? Well, I never heard of such a church as Mark street. All at it. Always at it. The People's Church, everybody welcome, money or no money, pay or no pay, one man as good as another, if he is honest. Now, when did you say this affair, as you call it, is coming off?" "Oh, on Friday night next, the 19th, and the comical thing is, you can wear old clothes and be as welcome as if you wore broadcloth, and welcomer. Yes, and if you can scrape up 20 cents, you can take your place with the best of them." "Well, whose gettin' this up, the Ladies Aid"? "Now, who do you think, you might know." "Say let's boost the thing, and pack the building next Friday night, and we better get their early, as they expect an awful crowd."

16,000 SCHOOL PUPILS HAVE MILITARY OUTFITS

OTTAWA—P. A. Seguin, L'Assomption, was told in the house today that 230 institutions, colleges or schools in Canada had been provided by the department of militia with military uniforms for their pupils. These were odd, partly worn and undersized uniforms. Approximately 16,000 pupils were so outfitted, but all of these were only partially furnished. The total cost of these uniforms was $63,481.

TORONTO DELEGATE SOLVES ONE PHASE OF THE HOUSING PROBLEM

(Continued from Page 5)

Increased Pensions.

Resolutions from Brantford, Niagara Falls, Ottawa, Oshawa were read advocating increased pensions.

Comrade Hutchins of Brantford, raised an objection. "We are not getting enough help from the resolution committee on these resolutions," were the essence of his remarks. He moved, seconded by Comrade Abbott of Guelph, that these resolutions be referred back to the Resolution Committee.

Canteen Fund Surplus.

The resolution passed by the local branch some time ago that the balance left in the army canteen fund be established as a fund, the interest to be used for Great War Memorial Scholarships for soldiers' children, proved to be identical to that of the Resolutions Committee.

The resolution after being amended to cover the children of members of the C.E.F., was adopted.

A motion was brought in that the Dominion government be memoralized to place Indians on the same basis as other soldiers in the soldiers' re-establishment and was greeted with applause and carried unanimously.

Political Action.

President Jeakins announced two important resolutions. One on political action, the other on the question of how many delegates to send to the Dominion convention.

Political action will not be looked into till to-morrow but the latter, embracing two reports from the Resolution Committee, caused a lengthy discussion.

The resolution is to amend by-law No. 54 and the two reports were both explained at length.

The majority report gives one delegate for each hundred members, and one additional for each 200 in excess of 50.

From 300 up to 1000 one additional delegate is allowed and one for each additional 500 in excess of 1000.

The minority report allows one delegate to 100, two for 101 to 300, and three for 301 to 600, four for associations with a membership between 601 and 1000 and five for anything over 1000 members.

Comrade E. G. Huxley of Iroquois Falls, said that they could not go on forever asking the President how many to send or not to send, and there should be a ruling. The majority system was held to be the better of the two but a straight percentage system was favored.

An amendment that the resolution be filed and each association be limited to two delegates to curtail expenses, was withdrawn.

After much comment it was moved that the minority report be adopted, but amended so that one additional delegate would be allowed for each additional 500 over 1000.

Insurance Committee.

The report of the Insurance Committee was brought in by Comrade Coles that the Dominion Government be memorialized to establish a scheme of Federal Life Insurance for all males and females whose disabilities as a result of war service prevent them from taking out insurance in the regular way and that at the cost be as low as possible.

The necessity for some action along this line was emphasized by the different delegates, and Comrade Sharpe moved an amendment that this group insurance cost only as much as ordinary insurance would to a healthy male.

This amendment was seconded by Comrade C. Armstrong of Mount Dennis, who spoke on the responsibility of the Government in this matter and the great necessity for this measure.

An amendment made by Comrade Wilcox of Oshawa that the insurance be made to take in men who died previously to it coming into force, caused some merriment and lacked a seconder.

The amendment of Comrade Sharpe was defeated and the orginal motion of the Committee carried.

After announcing the meetings of the Housing Committee, the Ways and Means Committee, and the Smoker to be given to the S. O. E. delegates by the local organizations to-morrow night the first night of the convention was brought to a close about 10.30 with the singing of the National Anthem.

Dominion Raynsters

"Made-in-Canada" Raincoats

—At Popular Prices

—For Every Member of the Family

"DOMINION RAYNSTERS" came into being in response to a pressing need.

Men, women and children wanted coats that were absolutely *waterproof*, and at the same time, cut on graceful lines, well tailored, comfortable and serviceable.

How well "DOMINION "RAYNSTERS" have filled this need is shown by the large number of stores carrying these double service coats, as well as the steadily increasing demand for them by every member of the family.

"DOMINION RAYNSTERS" are not merely showerproof—the cloth is not "treated", but is "rubber lined" and made waterproof. They have the same style and finish as you see in the custom-made top coats.

"DOMINION RAYNSTERS" coats, even to the seams, are absolutely waterproof; and the guarantee label of the Dominion Rubber System is an assurance of quality and service.

WANT A CONFERENCE ON CAPITAL AND LABOR

TORONTO, March 17.—A resolution was passed at the Toronto General Ministerial Association here recommending the holding of a convention of the Churches for the discussion of the differences that separate and cause friction between Capital and Labor.

The ministers are of the opinion that a great many workingmen have through a false impression that the Church is for the rich man only, and that in catering to him the laboring man is neglected.

CITY LEAGUE ORGANIZED GOOD SEASON EXPECTED

WILL AGAIN AFFILIATE WITH O.B.A.A., LIKELY IN THE INTERMEDIATE SERIES, WHILE CANADIAN PACKERS WILL OPERATE PETERBOROUGH TEAM IN THE CENTRAL LEAGUE—OFFICERS ELECTED.

At an enthusiastic meeting held in the Empress Hotel last evening, with Mr. Gordon Matthews in the chair, the City Baseball League was reorganized for the season and considerable progress made in preparing for this year's activities on the diamond.

The most important development of the evening were the handing over of the Central League franchise to the City League by Mr. J. J. Solomon who at the same time announced his retirement for business reasons from active participation in baseball, and the decision of the meeting that the Canadian Packers' team should represent Peterboro in the Central League. The team will be known as the Peterboro team.

It is altogether likely that the Peterboro City League will enter the intermediate series of the O. B.A.A. although it was not definitely decided upon last night. A motion was passed that the League again affiliated with the O.B.A.A. and the question of series will be decided later.

A resolution in favour of daylight saving was unanimously passed and will be forwarded to the City Council.

The following officers were elected Hon. Presidents Mayor McIntyre, Ald. G. N. Gordon, Messrs. W. R. Breyfogle, Edgar Worth, E. G. Patterson, C. G. Graham.

President—Gordon Matthews.
Vice-President—E. J. Ruiter.
Secretary-Treasurer—N. Phelan.
Executive — Two representatives from each team.

Of last year's four teams, the Orientals and Matthews-Blackwell teams will not be in this year's race, De Laval and the G.W.V.A. will enter again and there are a number of new comers, including the Thistles, Belmont Club and the Canadian Woollens, who are likely starters. A committee composed of Messrs. Gordon Matthews, Ward Patterson and E. J. Ruiter was appointed to interview prospective teams as to their intentions.

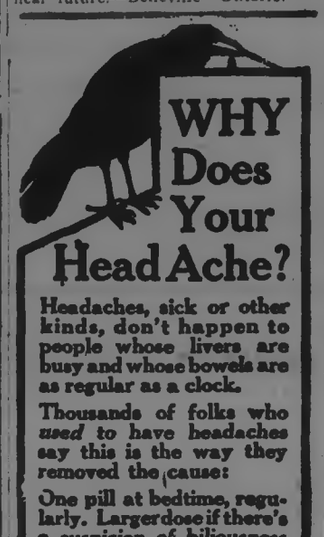
The entrance fee of $25 adopted last year will again be in force this season.

Messrs. Matthews, Ruiter and McCabe were appointed as a committee to wait upon Mr. Alex. Kay and endeavour to secure his services as umpire.

There will be another meeting of the League on Wednesday, March 31st., to hear reports of the Committees, apoint delegates to the O.B.A.A. and to attend to otrer general business.

BELLEVILLE BOARD OF TRADE TO PROMOTE SPORT

Mr. George K. Graham, Chairman of the Recreation Committee of the Board of Trade, reported very favorable progress in the plans under way to secure an athletic field for the coming season. He also laid before the directors a plan for organizing the various athletic activities of the city under the head of an athletic association and a public meeting to discuss this plan wil be called in the near future.—Belleville "Ontario."



WHY Does Your Head Ache?

Headaches, sick or other kinds, don't happen to people whose livers are busy and whose bowels are as regular as a clock.

Thousands of folks who *used* to have headaches say this is the way they removed the cause:

One pill at bedtime, regularly. Larger dose if there's a suspicion of biliousness or constipation.

Colorless faces often show the absence of Iron in the blood.

CARTER'S IRON PILLS will help this condition.

SOCCER PLAYERS HELD A MEETING

SEVERAL TEAMS WILL CHASE THE PIGSKIN THIS SUMMER.

A very enthusiastic meeting of those interested in the formation of a soccer league in this city was held last night in Coleman's upper store, George street. Some twenty-four men were present and the success of the first meeting augurs well for the success of the league.

Those present elected Mr. Clarke secretary, pro tem, but at the big general meeting to be held next Wednesday at 8 o'clock at Coleman' Upper Store the regular officer will be elected. The following team have so far signified their intention of joining the league: C.G.E. De Laval Canadian Woollens, G. W. V.A., Machine Gun Section, Odd Fellows, and the Caledonian Club. Each team is sending two representatives to form the league committee and other teams wishing to join are requested to send ther irepresentatives. The desire of the league is to get 12 teams and revive this game which has fallen into disabuse in Peterboro in the last few years and it is hoped that all those interested will back up the league and try to get more teams to enter.

HOCKEY

The Y.M.C.A. hockey team accept the challenge of the De Laval, the game to be played Friday night betwetn 7 and 8 o'clock.

VOICE OF THE PEOPLE

Sporting Editor, Examiner,

Dear Sir.—In a pool on the last game between the Granites and Tigers: A had 5-2; B had 4-1 in favour of Granites. The correct score was 5-0. A claims he is nearest to the correct score, because he had the right score of the winning team. Who wins? The nearest to the correct score wins the money in the pool. Trusting you will answer in the evening paper and oblige.

A HOCKEY FAN.

B wins.—Sporting Editor.

DID YOU EVER USE SLOAN'S?

Keep It Handy to Promote Prompt Relief From Rheumatic Pains and Aches.

WHEN you know what Sloan's Liniment will do, as thousands of men and women the world over know, you, too, will keep it handy. You will use it for those "twinges of rheumatiz," for relieving that lame back, muscle stiffness and soreness, aches, all sorts of external pains, and exposure aftermaths.

Only takes a little, applied without rubbing. Soon penetrates, scattering congestion, bringing mericiful relief to the throbbing, jumping part.

Three sizes—35c., 70c., $1.40. Any druggist has it. If not, we'd like to know his name. Made in Canada.

Sloan's Liniment Keep it handy

VETERANS REJECT IDEA OF FORMING POLITICAL PARTY

(Continued from page 1.)

way the G. W. V. A. could exercise its power.

Comrade Armstrong of Mount Dennis opposed direct political action. "Select the best of those who are running. We then hold the key."

Rev. Mr. McKegney of Clinton, and J. Bateman of Cobalt, supported this opinion.

Tired of Political Machines.

Comrade Hutchins predicted that a popular peoples' movement would sweep Canada in the next election. "The people are tired of dead political machines. They want government of the people by the people."

Be Independent.

"The soldier is the only man who can consider his grievances," said Comrade Withers of Brantford, "but I am opposed to political action. In the first place we had the two old parties and neither was of any use to the people. When you go into political action be independent. Do your own thinking. You must have certain ideas, a platform.

"The question is not whether we are going to have a political party but whether political discussion shall be permitted in our Commands." J. W. Haggey of Kitchener observed, advising that there should be some previous understanding and unanimity in order that partizan differences should not develop and split the Association.

"I think we are stepping on very thin ice," warned G. E. Cole. "If you have a constituency where you think you can elect a man, bring him out. But I see only defeat if we try to form a political party. We might succeed in some of the larger centres. From the rural parts we can see now the U.F.O. will have a large representation in the next House. I consider this question already decided. We have a referendum on it."

Mr. Cole withdrew a statement that in the last Dominion election the Union Government had purchased the press of the country, except the London "Advertiser."

FIRE HALL WIN FROM LOCK WORKS

Last night the Fire Hall Team won from the Peterboro Lock Works 7-1. The game was fast and clean. For the Fire Hall everyone starred and it would be hard to select the best man. While for the Lock Works, Batten and Williams were the stars: Fire Hall line-up as follows:

Goal, H. Whitlow; R. Defence, Lou LeBarr, L. Defence, Cecil LeBar Centre, Clarence Parrington; R. Wing, Jack Pethick, L. Wing, G. McDougal, Sub. Henry. Referee, Hensley.

The Hacking Cough Strains the Lungs

The terrible, hacking, lung-wracking cough that sticks to you in spite of everything you have done to get rid of it is a great source of danger to your health, and the longer it is allowed to stick the more serious the menace becomes.

You can easily get rid of the cough or cold at its inception by using Dr. Wood's Norway Pine Syrup, a remedy that has been universally used throughout Canada for the past 30 years.

Mrs. Samuel Matthews, Portage, P. E.I., writes:—"Last winter I caught a heavy cold, and was laid up for sometime. I had such a hacking cough I could not sleep at night and did not think I would ever get over it. One day a friend dropped in to see me and was surprised to see how bad my cough was. She advised me to use Dr. Wood's Norway Pine Syrup, so the next day I sent for a bottle and soon got relief and by time I had taken two bottles my cough was all gone. I doubt there is anything to equal it."

Dr. Wood's Norway Pine Syrup is put up in a yellow wrapper; 3 pine trees the trade mark; price 25c and 50c. Manufactured only by the T. Milburn Co., Limited, Toronto, Ont.

FLAYED WITH A BIG SHILLALAH

It was St. Patrick's Day yesterday, and we thought we would honour the occasion by reporting to The Examiner that we had flayed high prices with a shillalah. Being British to the backbone, we wanted every son of the soil to know what we had been up to.

We're over here, off George Street, where we can keep prices down—where the rents and expenses are comparatively a small item. The logical result is that you save the difference on your new Spring Suit and Overcoat, and the balance you can put in the bank. Our new stock of Cloths includes a wide and varied collection of the newest materials. Fancy Hairline Stripes, Worsteds, and Serges for Easter will be very popular, and justly so; and we make them up in any of the new and pleasing models, with the newest style features, and wonderful values. Ordering now means maximum satisfaction in your purchase. Handsomely tailored to measure, with the real smart details of finish that characterise the Tartan Tailor Shop Suits and Overcoats. No matter how lightly the young man's fancy may turn to thoughts of love, the springtime fancy for nifty Suits and Top Coats is now centred heavily in The Tartan Tailor Shop, 161 Hunter Stret (just off George Street)—Frank N. Hourigan Manager.

RIGGS DISEASE OF TEETH AND GUMS

Don't Lose Your Teeth From Pyorrhoea. Make Diseased Gums Healthy and Teeth Tight With This New Prescription—Instant Relief.

If you have Pyorrhea or Riggs Disease and your teeth are loosening or if your gums are receding or are sore and tender, inflamed or bleeding, spongy or flabby, or if they discharge pus, do not give up in despair and decide that you must have your teeth pulled and wear a set of false teeth all your life.

A prominent New York State dentist has discovered a new prescription—Epithol—which works wonders in just such cases, and it is sold here in one-ounce jars by leading druggists on an absolute guarantee that unless it corrects your trouble and makes your gums sound and healthy and teeth tight, the money you paid for it will be refunded.

People who have used Epithol say its action is wonderful. Glen Stiner says: "My gums were sore and badly inflamed. I used Epithol a short time and all soreness has disappeared and my gums are healthy and well." Epithol works quickly. Its promptness, certainty, and ease in overcoming diseases of the gums are a revelation to those who try it.

PENSIONS STATIONARY WHILE THE COST OF LIVING MOVES STEADILY ON

VETERANS TO ASK FOR INCREASES AND MORE GENEROUS ALLOWANCES FOR WIDOWS AND DEPENDANT PARENTS—CASH PAYMENT INSTEAD OF SMALLER PENSIONS FOUND IN FAVOUR.

The G.W.V.A. delegates gave a vociferous "no" this morning to a clause in the resolution on pensions providing for a cash payment in lieu of the pension in cases below twenty per cent. disability. This would apply to men receiving small pensions.

"Keep the pension if it is only $2 or $5 a month. You will have something anyway as long as you need it," advised one delegate.

The clause recommending a pension to the widow of a disabled soldier who married before his discharge was substituted by an amendment that all such cases be dealt with on their individual merits.

J. H. Rawlinson, of Toronto, moved, seconded by H. Wilkes, of Parkdale that men with permanent disabilities be not subject to recall for medical examination.

Other clauses ask for more generous provision for the maintenance of widows and dependents, and also that pensions be increased sufficient to cover the higher cost of living

GROWING DEAF WITH HEAD NOISES? TRY THIS

If you are growing hard of hearing and fear Catarrhal Deafness or if you have roaring, rumbling, hissing noises in your ears go to your druggist and get 1 ounce of Parmint (double strength), and add to it 1-4 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who is threatened with Catarrhal Deafness or who has head noises should give this prescription a trial.

ST. PATRICK WAS HONOURED IN CITY BY MANY TEAS AND DANCES

SEVERAL SOCIAL EVENTS IN PETERBORO MARKED WELL-KNOWN DATE IN HISTORY—APPROPRIATE DECORATIONS.

St. Patrick's day was fittingly celebrated in the city by several teas and dances each event attended by unusually large numbers. In the afternoon under the auspices of the Otonabee Chapter I.O.D.E., a most enjoyable tea was given at the beautiful home of Judge and Mrs. Huycke, Engleburn Park. The house had been cleverly decorated in tokens of St. Patrick's day while tea table appointments were especially charming; the central decoration being a minature Irish village surrounded by huge bouquets of daffodils and tiny green shaded candles. Mrs. W. H. Dunsford and Miss Morrow presided at the tea table and were assisted by Mrs. F. L. Robinson, Mrs. Spriggs, Mrs. Charles Stapleton, Mrs. Rose and Mrs. C. H. Moore, each of whom were becomingly clad as Coleens in white dresses, mob caps and green aprons. A few of those who attended were Mrs. F. V. Frederick, Mrs. Gliddon, Mrs. Duncan Walker, Mrs. MacElderry, Mrs. D. N. Carmichael, Mrs C. L. Brewer, Miss Linda Hall, Mrs. B. Poole, Mrs. T. Quartermaine, Mrs. Northedge Birks, Miss Kathleen O'Birne, Mrs. W. A. Sanderson, Miss Helen Dennison, Mrs. F. L. Goodwill, Mrs. J. W. Fraser, Mrs Killaly, Mrs. Fred Sullivan, Miss Lillian Hurley, Miss Hugel, Miss Archer, Mrs. J. A. Robinson, Mrs. F. D. Kerr, Rev. and Mrs. F. F. Maiott, Miss Hall, Mr. John Crane, Mr. Maurice Park, Mrs. Coulthard, Miss Georgie Stevenson, Miss Robina Gordon-Cumming, Miss Seaborne Hamilton, Miss Mabel Patterson, Mrs. Hartstone, Miss Nan Hall, Miss Dorothy Hill and Miss Helen MacLaren.

The Programme.

During the afternoon a cleverly arranged programme was given to which His Honour Judge Huycke contributed a reading, Mr. Maurice Park, solos, Miss Hurley, piano solos, Miss Helen MacLaren, a solo. Miss Hazel Davidson, a recitation, and three of Miss Lenore Sandersons pupils, Misses Doris Clegg, Daisy Davidson and Edna Connor dances.

Parsonage Tea.

Another and equally successful event was the St. Patrick's tea given by a committee of the Ladies' Aid of the George Street church at the parsonage. Here the tea tables in the dining room very cleverly carried out the 17th of March sentiment in the pretty decorations of green and white while the ladies assisting were appropriately dressed in charming costumes of white with touches of green. During the afternoon a short musical programme was given to which Mrs. C. E. Smalley and Miss Doris Rathbone contributed solos accompanied on a victrola kindly loaned by Mr. J. M. Greene added materially to the general success of the afternoon.

Thornton, Auctioneer. 3d-63-8188

TRINITY W.M.S. HELD A MEETING

There was a large attendance at the Easter meeting of the Trinity W.M.S. on Tuesday March 16. Mrs. (Rev.) A. J. Thomas gave the Easter message which when applied to present need was very helpful.

Miss Layton of the Y.W.C.A. in her usual pleasing manner told a beautiful story about "A Handful of Clay".

The solos by Mrs. Park and Miss Wilson were enjoyed by all.

The responsive Scripture lesson was taken by Mrs. Robinson.

The guests of the afternoon were the ladies of St. Paul's Church and the strangers.

All enjoyed a social half hour at the close of the meeting.

GOSPEL HALL NOTES.

An interested audience listened to Mr. Harper in the Gospel Hall last evening as he discussed the subjects, "Satan Cast out of Heaven," and "The Marriage Supper of the Lamb."

In the beginning of his address, the speaker pointed out the fact that unless men were born again of the Spirit of God, they could not understand the truths of God.

Reading Rev. 12:3-9, it was noted that the character of Satan is given in that chapter. He is described as a persecutor, a deceiver, and accuser, and a devourer.

The war in heaven was next dwelt upon. "Some folks say there will not be war any more," said the speaker, "but the Scriptures speak of war both in earth and in heaven."

Passing to Rev. 10:1-9, the marriage supper of the Lamb was discussed. The speaker portrayed in glowing terms the glory of that scene and exhorted all present to be sure and be there.

"The Great Tribulation" will be the subject discussed to-night at 8 p.m. All are invited.

NOTICE.

THE REGULAR MEETING OF THE NASSAU JUVENILE ROYAL ORANGE LODGE NO. 457, WILL BE HELD IN VICTORIA HALL, MARCH 19TH, 1920, AT 8 O'CLOCK SHARP. A LARGE ATTENDANCE IS REQUESTED. SIGNED BY THE SECRETARY.

Hand and power clipper blades sharpened to cut again like new. We also weld machinery parts by the Oxy-Acetylene process. Broken parts in all metals made as good as new. Consult us before buying new parts. Millard's Bicycle Shop, Hunter St., near Aylmer. Phone 234J.

BILLY SUNDAY SAYS:

Good resolutions without works will eventually bring a person to everlasting punishment. Jimmie Monday says, people who intend to give local merchants business, but buy outside, should be consigned to everlasting punishment. This is an open question, but we think all things being equal or nearly so, local merchants should have the preference of good intentions put into practice.

JIMMY, at NELSON'S TYPEWRITER OFFICE, 332½ George Street (old Opera House Block).

OSGOODE HALL.

Re Storey Estate.—J. A. Mackintosh, for executors, moved for order construing will of James A. Storey. J. F. Strickland, Peterborough, for beneficiaries—E. C. Cattanach for infant. Judgment: As it seems to me there is no real inconsistency between the clauses. Clause 5 is merely explanatory and not a revocation of Clause 4. The testator in Clause 5 is simply expressing clearly how he desires his daughter to have the advantage of his gifts in Clause 4, consequently Clause 5 prevails, and the result is the same as if the more stringent rule were to be applied. Costs as usual.

SOCIAL AND PERSONAL

Mr. Frank Curtis of Peterboro is spending a few days with friends in Lindsay.

Lieut.-Col. Hunter and Major Bell, of Toronto, are guests of Mr. and Mrs. G. N. Gordon during the Great War Veterans' convention.

His many friends have been congratulating Mr Thomas Hooper, Sr., on his eighty-second birthday, which he celebrated on Monday. Mr. Hooper has been a resident of Peterborough for almost fifty years.

Miss Winnifred MacKenzie, whose wedding to Mr. Archibald Lampman, son of the late Archibald Lampman, poet laureate of Canada takes place in Lakefield next month returned yesterday from Toronto.

Judge and Mrs. Huycke were in Toronto this week attending the unveiling of a tablet erected to the members of the fraternity of which their son, Meredith, was a member.

Mrs. John Foster has returned from Mattewa, where she attended the funerals of her father and brother-in-law.

Mr. Otto Gliddon, of the Conservatory of Music, is in Toronto to-day to hear Levitzki, the well-known solo pianist, at Massey Hal.

Mr. Alfred R. Lambe of the Dominion Water Power Board, of Ottawa, who will address the Peterboro Branch of the Engineering Institute, this evening on Institute affairs, is registered at the Empress. Mr. Lambe is a former member of the city.

KEEPING DOWN THE COST OF CLOTHES

VERY REASONABLE PRICE ASKED BY REGENT TAILORS FOR SUITS AND OVERCOATS.

The fine stock of materials for men's spring and summer suits and overcoats now being shown by the Regent Tailors at their store, 326 George Street Arcade, have attracted wide attention both on account of their beauty and their low prices. The Regent Tailors make a specialty of a suit or an overcoat to order or ready to put on for only $27, and guarantee perfect fit and tailoring satisfaction They state that the profit on a suit or an overcoat is actually less than one dollar, so that customers certainly receive wonderful value for their money in the clothes made by this firm.

Men who are looking for style and value in the clothes they wear should visit this store and get an idea of what the Regent Tailors have to offer. It may mean to them a big saving in money, owing to the high prices that are usually charged for clothes nowadays.

DEFORGE MURDER FIRST FOR WINNIPEG GRAND JURY

Canadian Press

WINNIPEG, March 18. — The Spring Assizes have opened here. The Deforge murder case will be the first placed before the Grand Jury. Three men charged with the murder —Elnick Clements and Burdie — will be tried separately. Chief Justice Mathers in addressing the Grand Jury, explained the various crimes which appeared in the indictments. His Honor remarked on the fact that most of the indictments were against foreign-born citizens.

Note: Deforge formerly resided in Peterboro.

VOICE OF THE PEOPLE

To the Editor of the Examiner,

Dear Sir.—I was pleased to see the Council suggest changing name of Concession street to Armour Road Some years ago I got a number to sign a petition for the change but a counter petition was taken round setting forth, that deeds of property would be nullified by change. Then nervous people were against the change. The prospects of our East Ward becoming more of a business centre. I would say let the old rural name go for Armour Road.

Yours truly,

ED. COURTNEY.

BORN

TWO PARTY LINES ONLY INSTALLED

PETERBORO TELEPHONE USERS ON THE INCREASE.

Owing to the considerable increase in the number of telephones in use in the city the Bell Telephone Company some time ago decided to discontinue the installation of residential 'phones unless they are two party lines. Mr. G. O. Cameron is accepting no other orders and is compelled to reject all single line propositions as the shortage of material and skilled labor has become so acute. At the present time there are approximately 7,200 'phones in the city or an increase of about 33 per cent. from March 1917. The system of party lines is 20 per cent. cheaper than the single line system. Mr. Cameron said to-day that he has very few if any complaints from parties troubled by a third party listening on the 'phone to a conversation not intended for his ears.

LATE DESPATCHES

(Canadian Press.)

LONDON, March 18.—Despite recent reports to the contrary, it is evident that the recent South African elections have gone overwhelmingly in favour of British connection.

Nationalists will have 44 members, South African Party 39, Unionists 23, Labour 21, and Independent 3.

It is believed that Labour will give General Smuts qualified support, and that the Nationalists and South Africans will effect a compromise.

(Canadian Press.)

WASHINGTON, March 18.—Concluding his long arraignment of the Navy Department's conduct of the war, Rear-Admiral Simms laid before the United States Senate Investigating Committee to-day thirteen specific counts in his indictment charging mistakes and costly delays.

TOUGHS HARD ON LINDSAY POLICE

Police matters again engaged the attention of the Lindsay town council in a special session here The discussion was of an informal nature and was featured by the presence of Charlie Ling, the proprietor of the Dominion Cafe, the scene if the melee on Tuesday in which Chief Short was rather roughly handled.

A rather lengthy discussion took place regarding the reorganization of the police department, with a view to increasing its efficiency. The addition of a third man in the force was suggested, but no action was taken owing to the absence of a number of the Aldermen.—Lindsay Post.

W. McGEE WON BLIND SCORE OF 150.

Last night, at the Water Street Alleys the blind score of 150 was played off, when Mr. W McGee made the perfect score of 150, and won the prize in the Business Men's Five-Pin League. The game was exciting all the way, and every man in the game had a chance till the last frame was rolled. Following are the names and scores:

McGee, 150; Carroll, 149; Ballard, 148; Gillespie, 152; Perry, 153; Roberts, 147; Anderson, 154; Leether, 146; Herbison, 145; Allen, 140; Rightmeyer, 130; Arrowsmith, 131; Thorndyke, 130.

The blind score of 128 will be played off on Friday. Following are the names: Robson, Johnson, Anderson, Allen, Roberts, Bourne, Barrette, French Herbison. The game will start at 8 o'clock sharp.

BUSINESS MEN'S TEN PIN LEAGUE

Following is the balance of the schedule:

March 22— Grocers vs. Business Men.
March 24—De Laval vs King Pins.
March 26—High Rollers vs. Quaker Oats.
March 29- High Rollers vs King Pins.
March 31—Business Men vs. Quaker Oats
April 2—Grocers vs De Laval.
April 5—High Rollers vs. Grocers.
April 7 —King Pins vs. Quaker Oats.
April 9— De Laval vs. Business Men.
April 12—De Laval vs Quaker Oats.
April 14— Business Men vs High Rollers.
April 16—Grocers vs. King Pins.

"Y" PLAYERS GOT AWFUL TRIMMING

An exciting game of hockey was staged at Brock Street rink last night between 7 and 8 when the Unknowns of the "Y" went down to defeat before the speedier Little Lake Flyers by the score of 6 to 2. Sheehan Foley and Collins were the best puck chasers for the Flyers while Thirnbeck, Lawson and Bergoine shinned on the "Y" side. A good crowd of fans witnessed the "Y" execution and saw a pretty fair game of hockey into the bargain. The line-ups were:

Y.M.C.A.

Goal, Bergoine, Centre, McDougall R. Defence, Lawson, L. Defence, Herbison, R. Wing, Thirnbeck, L. Wing, Hamilton, Sub. Pethick.

Flyers.

Goal, Levasseur, Centre, Ranger, R. Defence Sheehan, L. Defence, Foley, R. Wing, F. Collins, L. Wing, N. Collins, Sub. King.

"Doc" Scully, referee.

Radish, beet and parsnip seeds may be sowed all in one row to save space and time.

MINERAL OIL

FOR CHRONIC CONSTIPATION

By buying this produce from us you can get the highest in quality that can be procured at an ESPECIALLY LOW PRICE.

There are many thin oils on the market that are not suitable for internal use; other oils have irritating qualities which render them also unsuitable. The one we are selling is guaranteed thick and entirely pure.

It is recognized that a good grade of Mineral Oil is one of the best remedies for CHRONIC CONSTIPATION that is being used. It acts mechanically and does not irritate the intestinal tract, nor does the dose have to be constantly increased as is the case with ordinary purgatives.

It is much better and cheaper than Castor Oil as a laxative for children, since Castor Oil has two effects, the first of which is purgative and the second or after-effect, which is Constipating.

VOL. XLVI NO. 67 PETERBOROUGH FRIDAY, MARCH 19, 1920 PRICE TWO CENTS

The Old Government Is Gaining Control In Germany

MODERATES OBJECTED TO RESOLUTION

TORONTO MEMBERS OF TRADES AND LABOUR COUNCIL EXPRESS SYMPATHY FOR PROLETARIAT OF GERMANY.

Canadian Press.

TORONTO, March 19. — "We express our sympathy with the proletariat of Germany who are now struggling for liberty and freedom from the thraldom of the Junker Imperial caste and we express our disapproval of Britain's action in aiding and abetting the German capitalist interests in the occupied zone; we furthermore hope for the ultimate success of the workers' cause, realizing as we do that their victory is like ours."

The foregoing resolution was greeted with cheers and passed with only the hands of two returned soldiers indicating disfavor at the close of a meeting of the District Trades and Labor Council last night.

The motion, sponsored by Delegate F. Trueman, appeared when a number of the moderates of the Council, evidently suspecting some such move by the 'Radicals" had left the meeting.

John McDonald scathingly attacked the "delegates who left when such a question was brought up."

"We are all aware that Brother Trueman is an extremist but that is no excuse for them pooh-poohing such a motion especially when we all know who read the paners that the British capitalist class and the British government are conniving with the capitalist class of Germany. Do they not realize that if the German workers are able to join forces with those of Russia it will sound the death knell of capitalism the world over. I commend the resolution. Surely we can see the success of the Soviet government in Russia and why should we pooh-pooh when there is now a possibility of the working class in Germany coming to its own The least we can do is to follow in the footsteps of Germany and of the workers the world over."

Delegate Braithwaite said: "Do we know that $25,000,000 have been advanced to Germany to re-establish capitalism and the Junkers whom not long ago every one in this country was attacking," he demanded hotly. "I believe and I know that if the working class is to come into its own place it must take the same steps here as it has in Europe unless the government sees fit to relieve the present condition of socity."

Delegate Higgins, who wears a service button: "when there is anything comes up where fresh air is needed the delegates here are ready. But they are not so keen to dip into their pockets when it comes to backing up a strike at home."

"If they want to help the workers in Germany why don't they go over there and help them? I am in favor of minding our own business."

Delegate Palmer: "If the allied trade unionists had pledged themselves to take no part in the international war would there have been any war? Decidedly no."

When the vote was taken practically all the moderates had left the room.

PREPARED TO PRESENT SHIPS TO CANADA

(Canadian Press.)

OTTAWA, March 19.— Examination of report of Admiral Jellicoe, recently tabled in the House of Commons, shows that the British government is prepared to present to Canada a fleet of ships which at pre war prices would be worth $16,500, and at present prices would have a much higher value: Admiral Jellicoe's scheme provides for an increase by construction of new cruisers in Canada, but this need not be undertaken until the finances of the country would warrant it. Until these vessels are built the annual expenditure would be between four and a half and five million dollars.

Ontario Gets Big Share of Domestic Servants

SEVERAL PARTIES HAVE REACHED THIS PROVINCE WITHIN THE LAST FEW WEEKS—MORE COMING.

(Special to The Examiner.)

MONTREAL, Que., March 9. — Montreal and other parts of the province of Quebec are experiencing a great shortage in the supply of domestic servants and much disappointment is felt here that the number that have been coming for years past from the old land and finding situations to their liking, is dropping off alarmingly. The Rev. John Chisholm, superintendent of the Presbyterian General Assembly, says: "Ontario is getting all the domestics they want. From the Metagama which docked on Tuesday, a party of 62 girls disembarked of whom only 11 stopped at Montreal, the rest went to Ontario. There will be sixty more from Glasgow next week for Ontario." He gave as the chief reason, that Ontario has an agent in the British Isles whose duty it was to recruit in that respect. "Apparently the province of Quebec is showing no interest in the matter."

Miss Louttit, Lady Superintendent of Immigration here confirmed Mr. Chisholm's statement and said the domestics going through to Ontario were a very fine class of women.

THE FORMATION OF REPUBLICS

"A FEW MARKS AND A FIECE OF BACON" INFLUENCE DESERTERS.

(Canadian Press.)

THE HAGUE, March 19. — The "Handelsblad" takes the view that no one should be frightened by despatches announcing that Soviet republics have been proclaimed here and there in Germany. These proclamations says the paper, are only the work of troops and armed labourers, supported by army deserters whose political convictions "depend largely on a couple of hundred marks and a piece of bacon."

"They occupy the town hall, chase out the trembling burgomaster, install themselves behind a green table and proclaim a Soviet republic," the newspaper adds. "This is only a matter of a few minutes, but the chase the whole government away it would take longer."

BERLIN "BARREL" OF GUNPOWDER

WORKMEN PEEVED AT ACTION OF TROOPS.

(Canadian Press.)

LONDON, March 19. — All Germany, with the exception of Southern States, is rebellious, and Berlin is a "barrel of gun powder which may be ignited at any time," says a Berlin despatch to the Exchange Telegraph correspondent at Berlin yesterday.

Workmen are especially provoked at the action of Von Kapp's troops in turning their machine guns on the crowds as they left Berlin.

STOCK MARKET OPENED STRONG

LEADING ISSUES SHOW INCREASING ACTIVITY—STERLING EXCHANGE.

(United Press.)

NEW YORK, March 19. — The stock market opened strong. U. S. Steel opened at 103, up 3-8; Pressed Steel, 104 1-2, up 2 7-8; U. R. Stores, 77 5-8, up 1 1-8; Bethlehem, 96 1-2, up 1 1-4; Baldwin, 135 3-4, up 1; entral Leather, 90 1-2, up 5-8; U. S. Rubber, 113 3-8, up 7-8, Texas Company, 213 1-2, up 1; Studebaker, 107 3-8 up 1-8; Republic, 105 1-2, up 1; American Loco., 108, up 1 3-4; Reading, 87, up 1-8; Chandler, 150, ex-div. up 1-2; General Motors, 339, up 4; American Woollen 137, up 1, and International Paper 89 3-4, up 1-8. Sterling was up 5 1-2, and this strength reflected in other foreign exchange quotations, had a favourable effect on stock market prices. General Motors sold at 343, up 8. Studebaker sold up to 109 1-2.

It was a typical dull market, one group and then another being taken up and given a whirl. There was no evidence of pressure on any part of the list during early trading. Stute touched 196, an advance of nearly 50 in three days. Pan Amn. sold at 103, up 3

Exchange Market.

The market opened strong with demand sterling at $3.79 1-4, up 5 1-2 cents; Franc checks 13.60, up 4 centimes; Lire checks 18.62, up 2; Marks demand 0.013, up 0.0001 and Canadian dollars $.8895.

PROTEST RESTRICTIONS ON MOTHERS' PENSIONS.

BRANTFORD, March 16. — The Equal Franchise Club to-day sent a protest to Ottawa against the placing of restrictions on mothers' pensions dependent upon the amount of property or money possessed by the widow. They also demanded that the Hearst papers be barred from Canada.

HUNDREDS KILLED BY THE SOLDIERS

FIGHTING CONTINUES THROUGHOUT GERMANY.

(Canadian Press.)

LONDON, March 19.—Hundreds of persons have been killed in Mining Districts of Germany in collisions between miners and troops, it is declared in reports from Germany received from big towns in Germany Correspondent says. Telegrams received fro mbig towns in Germany message states, show that fighting is proceeding in nearly all thickly populated places where soldiers and workers are opposed.

EXCHANGE RATES ARE HIGHER TO-DAY

(Canadian Press.)

NEW YORK, March 19.—Foreign Exchange rates were substantially higher at opening of stock market here to-day. Demand bills on the English pound sterling were quoted at $3.79 1-4 or 5 1-2 cents above yesterday's closing prices. Canadian dollar was quoted here at 88. 95 cents.

MASS MEETING FOR RETURNED SOLDIERS

Will Protest Against Release of Coloured Man.

(Canadian Press.)

HAMILTON, March 19.—Returned soldiers have called a mass meeting for Saturady night at the market square to protest against the decision of Magistrate Jelfs in releasing a coloured man charged with assault on a fourteen year old girl.

HOCKEY

The South Central Flyers challenge the Queen Alexandra school to a game of hockey at Brock street rink any day next week from 5 to 6.

Line up as follows: Goal, Morrison right defence, Jackson, left defence, McDougall, right wing Morrison, left wing Frein, centre McDougall.

SPARTICAN UPRISINGS IN GERMANY

EBERT GOVERNMENT FACES INSISTENT DEMAND FOR RE-ORGANIZATION.

By Ed. L. Keen.
(United Press.)

LONDON, March 19.—The government of President Ebert, returning from Stuttgart to Berlin, will face an insistent and widespread demand for re-organization, despatches here indicated.

Advices from French, British and Italian officials in Germany said the danger of the Soviet movement, backed by the Spartacan elements, cannot be minimized. The officials urged their government to give Ebert support in his efforts to restore order throughout Germany. Some French circles opposed this, believing the Germans would take advantage of a change in the Allied attitude to demand further concessions in enforcement of the Treaty of Versailles, particularly the clauses governing disarmament of German military forces.

Other official telegrams from the capital said that radical uprisings are most serious and that the Spartacans threaten to gain complete control in some districts.

Entente officials were keeping in close touch with the entire situation.

LIGHT SESSION THIS AFTERNOON

Farmer and Labour Members Held a Caucus To-day.

(Canadian Press.)

TORONTO, March 19.—The Ontario Government's Legislative programme was further reviewed at a caucus of farmer and labour members at Queen's Park this morning. Various measures were under discussion during the meeting and it is known that the government is now determined to wind up the debate on the Speech from the Throne with all possible speed, in order to clear the way for fresh business. No efforts would be spared to bring the debate to a close before the end of next week, although the list of speakers is still a lengthy one. Private members' day in the House this afternoon means a light session.

PREPARING FOR THE FINAL VOTE

SENATE ADOPTED MODIFIED TREATY RESERVATION.

(Canadian Press.)

WASHINGTON, March 19.—Preparing for final vote on ratification of Peace Treaty Senate to-day adopted modified reservation premable worked out in the Bi-Partisan Conference under which affirmative acceptance of reservation by other powers would not be required.

G. W. V. A. IN CONVENTION HERE

Here is the splendid club house of the G. W. V. A. at Peterboro where the Veterans are now in convention. In set are pictures of Provicial Secretary Turley, President-elect O'Flynn, of Belleville, Ont., and President Jeakins.

OLD GOVETNMENT LEADERS CONDEMN THE ATTEMPTED GERMAN REVOLUTION

Canadian Press.

BERNE, March 19. — Chancellor Bauer caused a sensation at yesterday's sitting of the German National Assembly at Stuttgart, when he revealed the conditions presented the government by Dr. Kolfgang Kapp and General Von Luettwitz, before they entered Berlin last Saturday morning.

"They wished to prepare for a [illegible] of revenge and plunge the [illegible] another catachysm," cried the Chancellor.

"Pitiles punishment must come to these offenders. Their fortunes must be seized and they must be tried before the Supreme Court at Leipsic."

Philip Scheidemann, the leader of the Majority Socialists, Herr Burlage of the Centre Party, Herr Kron, of the German Nationalists and Herr Becker, of the People's Party, are unanimous in their condemnation of the attempted revolution, according to the advices received here.

Ebert Government Plans to Return to German Capital

MANY LIVES BELIEVED LOST IN A BLIZZARD WHICH SWEPT OVER THE WESTERN PROVINCES

RAILWAYS HELD UP SINCE MONDAY LAST—TWENTY MILES OF TELEPHONE POLES SNAPPED OFF IN ONE SECTION.

(Special to The Examiner.)

WINNIPEG, Man., March 19. — Railway trainmen arriving back in Winnipeg from the west to-night, said the blizzard of Monday which swept the west, was about the worst in experience, and believe when the wires are working again and detailed information received it will be found that many lives were lost in different parts of Manitoba and Saskatchewan. Hundreds of cattle and horses perished.

Between Elie and Portage La Prairie, Man., twenty miles of telephone poles were snapped off about six feet from the ground. Heavy damage was done to telegrah poles along the main lines.

During the blizzard on Monday afternoon the semaphore tower at Neepawa was burned down, and so bad was the storm that people 100 feet away could not see the fire.

Grand Trunk officials state the railway has been held up since Monday by the most severe storm experienced for many years. Trains are two days late in arriving from the west.

Despatch from Gladstone, 70 miles north-west of Winnipeg, states: "After raging for thirty-six hours the most vicious blizzard that has struck these parts within memory of the oldest settlement, abated this evening and people were then able to get out and take stock of the damage done."

Reports of lives lost have come in. Word of school children spending the night in schools or at some of the neighbours. Party of five loading pressed hay at Golden Stream siding, spent twenty-four hours in a church there. It is feared that many cattle perished.

SPRING MILLINERY OPENING AT P. BLACK'S

The ladies are very cordially invited to attend our Spring Millinery Opening to-morrow and inspect the new seasons fashions in Trimmed Hats. We are showing of the new creations of the milliner's art in hand made hats, of crepe, satin, caterpillar straw, pine apple straw combined with crepe and pine apple straw sailors, also patent leather hats. CANADIAN ISSUES ACTIVE IN STATES

Provincial Bond Offerings Are Quickly Gobbled Up.

(United Press)

NEW YORK, N.Y., March 19. —In the heightened activity in the bond market of recent days Canadian issues have been in particular demand. The new offerings of the provinces of Quebec, Ontario and Manitoba were not only quickly gobbled up, but also the floating supply of outstanding Canadian provincial and Dominion bonds was substantially reduced. According to bond men most of the business on the Canadian issues have been done over the counter.

STREET FIGHTING MARKED THE RETIREMENT OF THE REVOLUTIONARY FORCES—ALLIED HEADQUARTERS SCENE OF FIGHT.

DISORDERS IN MANY SECTIONS

(United Press.)

BERLIN, March 19.—Violent fighting between crowds of workmen and soldiers marked the evacuation of the capital by the insurrectionary military forces to-day.

Several persons were killed and many others wounded in the vicinity of the Hotel Adlon this afternoon as the Ehrhardt marine brigade, the backbone of the revolutionists' military power, evacuated the Wilhelmstrasse.

Order was restored by safety police supporting the Ebert government.

As the marine brigade retired a large crowd in Unter Den Linden hooted it and there was some shooting. Safety police, who followed the marines, were forced to shoot down the street to clear a passage. As the safety police progressed down the street, a second group of marines appeared and for three or four minutes shooting was general. Other marines appeared before the Hotel Adlon and fired on the crowds there. Heavy firing also was heard in the vicinity of the Bradenburg gate.

Rushed Hotel.

The only attempt against the lives of foreigners came early this afternoon when a mob attempted to rush the Hotel Adlon, headquarters of the various foreign missions. The mob was repulsed by guards.

Baltic troops which had been supporting Von Kapp, left the city this morning. As they passed through Charlottenburg, a suburb, they fired shots into a meeting of Independent Socialists. Forty persons were reported to have been killed.

The troops members of the old "iron division" of General Von Der Goltz were reported to have marched on to Spandau, where they clashed with radical workmen. The troops scattered the radicals, killing and wounding several.

Sixteen persons were reported to have been killed in an undetermined explosion in the Charlottenburg electrical works.

The safety police and other loyal Ebert troops were busy clearing the city to-night, removing barbed wire entanglements and barricades erected by the insurrectionists.

Strike Situation.

The demand of the lefts for continuance of the strike was considered most serious, as it was considered aimed directly at the Ebert government.

Agitation against Jews also has been noticebale. The people accuse the Jews of profiteering and illicit trading and talk of pogroms has been heard on all sides.

Advices from South Germany tonight indicated the situation there is quieting. Some fighting was reported from the industrial district in Westphlia, with efforts at establishment of workers' soviets in different areas.

Disorders also were reported in Stettin and violent fighting in parts of Thuringia.

Fled From Berlin.

(United Press.)

PARIS, March 12. — General Von Luettwitz, military of the monatchist counter revolution, has committed suicide according to the Kolner Tageblatt. Von Lusttwitz resigned simultaneous with Dr. Wolfmang Kapp, Chancellor of the short lived monarchist government and fled from Berlin Wednesday night.

Will Return.

(Canadian Press.)

COBLENZ, March 19.—The Ebert government will return from Stett-

NO TIME FOR CRAPE-HANGERS

(From Editor and Publisher.)

William W. Canfield, editor of the Utica Observer, believes that the newspapers should do their part in putting a check to the wave of discouragement, pessimism and "blues" which is sweeping the country. He recognizes the soundness of Shakespeare's philosophy, "There's nothing good or bad but thinking makes it so."

Editor Canfield has had posted in the editorial and local rooms a notice to the staff of which the following extracts are typical:

"What I want to do is to keep out of the Observer all the crape-hanger, gloomy Gus, sordid, doleful, discontented, muttering, fault-finding and threatening talk. Boost every bit of encouraging news. Ten hopeful outlook lines are of more worth than a column of complaint about conditions and prices. Above all, we do not want to give space to any predictions about "prices are going to be higher," "better buy now" and all that sort of bunk, which, traced to its moving spirit, will nearly always be discovered to be propaganda of someone who has got something to sell, and wants to unload it on the public.

"Let's try, every one of us, to get some courage, confidence and faith into the homes which the Observer visits. It isn't much, of course, as it is only a little patch of light in the curtain of gloom which most papers seem to take delight in constantly magnifying; but perhaps it will spread.

"At all events, we will have the consciousness of having done our share."

Mr. Canfield has set an excellent example. It should be emulated by editors in every city that is feeling the cumulative effects of months of growing discontent, of negative thinking. The world has become too prone to introspection, to gloomy judgment, to a belief that things must be much worse before they can become better.

The newspapers exercise upon the minds of their readers an influence that makes for community good or ill. Few editors realize the farreaching effect of the work they do in dealing with and presenting the story of the day. In every day's news grist there is material for both optimism and pessimism, faith, or discouragement, hope or cynical despair. It is for those who edit and write the great record to preserve the proper balances, giving to the forward-moving events right of way.

Crape-hangers should be forced to find other channels than the newspapers for the dissemination of their doctrines.

EBERT GOVERNMENT

(Continued from page 1.)

gart to Berlin on Saturday, it is learned. The National Assembly and Russian Diet ahve been convoked to meet in Berlin on Sunday.

Twenty persons were killed when General Von Luettwitz's troops fired into the crowd as the soldiers were leaving Berlin yesterday afternoon, according to Berlin advices received here. Troops of the Ebert government are now guarding the city, add the advices, which state that a general Communist outbreak is still threatening. Information direct from Berlin is that Independent Socialists have decided to continue the strike. Food conditions are reported serious as no trains have come into Berlin for five days.

Fifty Killed.

(Canadian Press.)

STUTTGART, March 19. — Fifty persons were killed in most violent fighting at Leipsic, it is reported. Workmen, in their clash with the troops drew up barricades dug trenches and fought almost organized warfare. Mines were exploded near the railway station.

WHALE 2,000 MILES INLAND.

Dawson, Yukon territory, is exercised by a report that a whate was seen in the Yukon River, at the mouth of Sixty Mile River, a little south of that city and 2,000 miles inland. Angus Cameron, a prospector, arrived in a small boat and vows he saw the big fellow beside the boat. A whale was killed in the Yukon at the mouth of the Tanana river two years ago after travelling 1,000 miles inland.

By-Law Number 2237

A By-Law to Regulate the Closing of Barber Shops in the City of Peterborough.

PASSED THE 16TH DAY OF MARCH, 1920.

WHEREAS an application has been presented to and received by the Council of the Corporation of the City of Peterborough praying for the passing of a By-law requiring the closing of all barbers' shops situate within the City of Peterborough, under and by virtue of FACTORY, SHOP AND OFFICE BUILDING ACT, and the said Council is satisfied that such application is signed by not less than three-fourths in number of the occupiers of such barber shops within the Municipality of the City of Peterborough, and belonging to the class to which such application relates, and in accordance with the terms and provisions of the said Act above mentioned, it is compulsory upon the said Council to pass this By-law.

AND WHEREAS it has been made to appear to the satisfaction of the said Council that more than one-third in number of the occupiers of barbers' shops within the City of Peterborough are opposed to the continuance of By-law Number 2089, being a By-law to regulate the closing of barber shops in the City of Peterborough and desire that the same be repealed.

BE IT THEREFORE ENACTED BY THE MUNICIPAL COUNCIL OF THE CORPORATION OF THE CITY OF PETERBOROUGH AS FOLLOWS:

1. Under and in accordance with the FACTORY, SHOP AND OFFICE BUILDING ACT, all barber shops within the City of Peterborough, shall be closed on each day of the week (except Saturday and the day before every Public Holiday) at and during the time between the hour of seven o'clock in the afternoon and five o'clock in the forenoon of the next following day, and shall be closed and remain closed on each Saturday of the week at the hour of ten o'clock in the afternoon until five o'clock in the forenoon of the next following Monday and on each and every day before a Public holiday between the hour of ten o'clock in the afternoon and the hour of five o'clock of the next following day.

2. Any occupier of a barber shop within the City of Peterborough, refusing to close and keep closed, the barber shop which he occupies, and in which such business is carried on at and after the hour named for the closing thereof on each day on which the same is hereby required to be closed, according to the true intent and meaning of the said Act and of this By-law, shall on conviction thereof, be liable to a fine not exceeding FIFTY DOLLARS and costs, to be levied in case of non-payment thereof by distress and sale, of the goods of the offender, and in default of sufficient distress, such offender shall be liable to be imprisoned in the common gaol of the County of Peterborough, for any period not exceeding six monthes, unless the fine inflicted and the costs (if any) including the cost of distress and of the committal and conveyance of the offender to the said gaol are sooner paid.

3. By-law Number 2089 of the City of Peterborough is hereby repealed, but nothing herein contained shall revive or bring into force and effect By-law Number 1461 repealed by said By-law Number 2089.

4. This By-law shall take effect on the 29th day of March 1920.

5. This By-law shall be published by the insertion of a copy thereof, once in the following newspapers, published in the City of Peterborough, namely: The Evening Examiner and The Daily Review.

(Sgd.) A. A. McINTYRE, Mayor.
(Seal.) S. R. ARMSTRONG, Clerk.

It will do your Winter-weary eye good just to see these NEW SEASON'S CREATIONS in SPRING COSTUMES.

Select your EASTER GARMENTS TO-MORROW, AND SAVE MONEY at the

NEW FASHION SHOP 440 GEORGE STREET, NORTH

ADDRESSED THE LOCAL ENGINEERS

MR. ALFRED R. LAMBE, OF OTTAWA, SPOKE ON INSTITUTE MATTERS.

Mr. Alfred R. Lambe of the Dominion Water Power Board, Ottawa, and honorary secretary of the Ontario division of the Engineering Institute, gave an address to the local branch of the Engineering Institute last night at the Empress Hotel. Mr. John Murphy of Ottawa who was to speak on "Ice" and show different slides on the subject, was unable to be present, so Mr Lambe was secured. Mr. Lambe is a former resident of this city.

Mr. R. H. Parsons presided at the meeting with the following members present: Messrs. Killaly, Rogers, Reid, Holman, Sutherland, Evans, Langley, Dickenson, Perks, Fife, Westbye, Allison, Shirley, Sisson, Cruthers, Bowness and Dobbin.

Letters of condolence were received from the Montreal branch and the Ontario division in the loss of the president of the local branch, Mr. Reid Munro. At this, the first meeting since Mr. Munro's death, Mr. R. A. Parsons spoke feelingly of his association with the deceased and of his inestimable work in starting and organizing the local branch.

It was moved by Mr E R. Shirley that the secretary be instructed to send a letter of condolence to Mr. Munro's family and that the branch go on record as deeply appreciative of the work of the deceased for the engineering institute. The motion was unanimously endorsed and was followed by a motion that a similar letter of condolence be sent to Mrs. A. F. Bookhout and family in the loss of her husband, Mr. A. F. Bookhout.

According to by-law the Nominating committee had to be elected before April 1st, so last evening the following were elected: R. B. Rogers, C. E. Sisson, R. H. Parsons, Mr. Sisson to be chairman.

Power Committee.

In reporting on the Power committee, C. E. Sisson, chairman, said that a power map was being prepared at the C.G.E. but it hadn't been completed. The next meeting the report and map will be ready.

The matter of membership came up, and the need for an active campaign to get new members was urged by Mr. P. L. Allison and also by the chairman. In introducing the speaker Mr. Parsons referred to his office in the institute and his zealousness in its work. Mr. Lambe spoke on the loss sustained in the death of the late Reid Munro in beginning his address. The excellence of the address they would have heard if Mr. Murphy had been present was dwelt on, while the speaker said that he would just give a short address on institute matters.

He traced the engineering profession from its inception by the military first., to a civil occupation, hence civil engineers and the Canadian Society of Civil Engineers was formed, covering mechanical, electrical, chemical and other engineering bodies under the head of civil engineers, but the men did not appreciate the true meaning of the word, so finally the name was changed to its present one ,yet not without causing some trouble among the older members of the society, who loved its former name

He outlined its growth "The institute will undoubtedly become authoritative, helpful and the standard in engineering circles in Canada," he said. The officers and other executives were fully explained and many other matters pertaining to the work of the institute. "The aim of the institute is to foster and help the dissemination of knowledge," he said "and thus perform a great serv to the community."

The important part the engineer plays in any community was emphasized fully and their poor remuneration for their services. The Journal, the paper of the Institute, received nothing but praise, and Mr. Lambe bespoke the support of all in sending any timely articles whenever possible. The different divisions of Ontario were explained and the matter of legislation for the engineers. In several provinces good acts to this end are under way and in Quebec a scale of fees has been drawn up for approval by the governor-in-council to have the force of law if approved. This question of legislation is being gone into by an advisory conference committee on legislation and much material has been prepared with a view of bringing the matter before the Provincial house

Mr. Lambe spoke at length on the provincial meeting to be held in Niagara Falls next September and promised them an enjoyable time, besides the opportunity to see the Niagara power plants, the Welland canal works and the Queenston Chippewa developments for the hydro. He urged them to bring their wives if possible and make the event a holiday for all.

A hearty vote of thanks was moved to Mr A. R. Lambe by Mr. R. B. Rogers, who spoke on the success of the Engineering Institute in the last year and its advancement in public favour. Mr. A. L. Killaly seconded the motion, which was tendered to the evening's speaker by Mr Parsons. Mr. Lambe expressed his appreciation of having the opportunity to speak on institute matters.

STOP LOOK and LISTEN

before purchasing a baking powder that may possibly contain injurious ingredients. Many food scientists claim that baking powder containing alum is unsafe for use in food. The mere fact that some brands of baking powder have the words "No Alum" on the label is not sufficient proof that they are what they are represented to be. Our chemists find a good many have "No Alum" on the outside, but large quantities of it inside.

MAGIC BAKING POWDER

Contains No Alum

Pure Wholesome Economical

NAPOLEON'S YACHT SOLD.

PARIS, March 19. — The yacht which belonged to Napoleon III, and upon which the Empress Eugenie sailed to inaugurate the Suez Canal, has been sold to the city of Marseilles for 130,000 francs. For some time it has been used as a pontoon.

BRAZILIAN CREDITS TO ITALY

Government Grants $25,000,000 for the Purchase of Food Products, Etc.

RIO DE JANEIRO.—The Brazilian Government has granted credit of $25,000,000 to Italy for the purchase in Brazil of various food products, including frozen beef, cereals, lard, coffee, sugar, cotton and rubber.

The credite will be handled by the Bank of Brazil, which will issue it in instalments of $1,250,000. The credits will be based on the New York rate of dollar exchange on the date of issue of the various installments. The agreement will become effective immediately.

Why Stay Fat? You Can Reduce

The answer of most fat people is that it is too hard, too troublesome, and too dangerous to force the weight down. However, in Marmola Prescription Tablets, all these difficulties are overcome. They are absolutely harmless, entail no dieting or exercise ,and have the added advantage of cheapness. A large case is sold by druggists at $1. Of if preferable they can be obtained by sending price direct to the Marmola Co., 864 Woodward ave., Detroit, Mich. Now that you know this you have no excuse for being too fat, but can reduce two, three or four pounds a week without fear of bad after-effects.

SILK SHIRTS

TOPEKA CAPITAL.—Shirt manufacturers now say that $15 silk shirts (which were $6 a few years ago) will soon be $25. The country will be well served by these manufacturers if they made it $50 or $100. Fancy silk shirts are one luxury that cannot be put too high in price. Because they are in such demand not enough cheaper shirts are made. The sooner the lunatics who pay such prices for silk shirts reach their limit the better for goods are necessaries

VETERANS HAD A NIGHT OUT

No brighter or more fitting programme could have ben chosen by the management of theGrand Opera House for Veterans Night than that which was presented last evening. The vaudeville was splendid and the pictures interesting and every member of the G.W.V.A. who totalled some three hundred appreciated each feature to the fullest extent. Johnson Bros and Johnson who kept the audience highly amused proved the favorites of the evening with their witty sallies cleverly introducing the G.W.V.A. sentiment and their marvellous step dancing. Miss Cinko Panno with a novelty European musical act was repeatedly encored, her crowning success being 'The Maple Leaf' accompanied by the veterans who called for the entire house to stand to join in the chorus. Leonard and Wright introduced a pretty dancing feature and were delightfully graceful in the different steps.

Picture.

"The Egg Crate Wallop" starring Charles Ray proved an all around interesting film. The story is good and the different parts splendidly acted. The plot which is based upon guilt of stealing $2,000, wrongly placed upon a young express agent introduces an exciting prize fight in which the express man, who has escaped from the small town he is supposed to have robbed, gives his opponent in the ring in Chicago, the "egg crate wallop" knocks him out and carries off the stakes of $2,500. Returning to the home town he establishes his innocence through a marked bill and the real robber confesses. A Tom Mix picture was as usual a good live film and the Paramount magazine exceptionally interesting.

SILVER LOSES ITS OLD HIGH ESTATE

Reduction by Canada of Fineness of Coins of Little Importance.

NEW YORK, March 19.—The New York Times in its financial gossip says:

"It is reported that the Canadian Minister of Finance is anxious to have the fineness of Canadian silver coins reduced from 935-1.000 to 800-1000, the idea being to make it less profitable for individuals to export or melt down the coins for their bullion value.

"This of course, is debasement, a thing much deplored by all 'sound money' advocates. But, after all, silver has lost much of its 'money' value. The Latin Union virtually is a thing of the past, and except in the Far East silver is not in demand as 'bank money.' At the present time it is little more than metal, with none of the psychological attributes it once enjoyed."

A good railway engine will travel about one million miles before it

Stomach Disorder

ONLY 6 MONTHS TO LIVE EAD WHAT B.B.B. DID FOR HIM

Mr. Hanz Kehki, Magnolia, Alta., writes:— "Some time ago I became very sick from stomach disorder, which the doctor told me had started from drinking bad water. I tried local doctors, but finding I got worse from day to day I went to a doctor in Edmonton. He told me that I must have an operation, and that if I didn't I couldn't live any longer than six months. I told him I had better die after six months than be cut to pieces. I did not have the operation, but returned hom. No one was there to meet me at the station, because they did not know I was coming. I felt so bad I couldn't walk further than 10 yards without resting. It took me 6 hours to walk 2 miles; the distance from the station to my home.

Some weeks later I read an advertisement about your Burdock Blood Bitters. After I had used one bottle I felt much better, and after I had used three bottles I was completely cured; therefore you see your B.B.B. has saved my life, and I cannot praise it too highly."

Burdock Blood Bitters puts the stomach into shape by promoting perfect digestion, and restoring health and strength to the sysem. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

EL CERRITO TOWN BARS OUIJA BOARD

Entire Population to be Examined by Alienists.

MARTINEZ, Calif., March 17.—The village of El Cerrito was getting ready here for an alienist examination for "ouijamania." A mass meeting in the town hall decided everyone of the 1200 citizens should be examined by mental experts to determine if the ouija board craze had got them. Arrangements were made for the alienists The meeting decided to bar the ouija board as pernicous from the city limits. El Cerrito's action followed the arrest of seven persons here on charges of insanity after they had become ouija fiends.

"Peterborough Presents Possibilities Unsurpassed."

FRIDAY, MARCH 19TH, 1920.

THE C.G.E. BY-LAW.

On Tuesday next, March 23rd, the vote on the by-law to grant the Canadian General Electric Company a fixed assessment of $150,000 for a term of ten years will be taken. The passing of the measure means a $1,000,000 addition to the plant of the Canadian General Electric Company and the doubling of the local pay-roll; its defeat may, and undoubtedly will, result in some other city being selected as the location of the new plant which the company proposes to build. Other cities are keen to secure this plum, and inducements of a substantial nature are being offered the company, inducements that in the event of the refusal of the Peterborough ratepayer to favour the extension of the present assessment for another ten years would very likely result in the new plant being lost to this city. Can Peterborough afford to let a million dollar industry that will give employment to hundreds of men get away? That is the point that the ratepayers should settle in their minds before marking their ballots on Tuesday

A CHANGE NEEDED.

The advisability of securing a new head for the Department of Soldiers' Civil Re-establishment, which has been ventilated often at meetings of returned soldiers and in the press has at last been discussed before Parliament. Sir James Lougheed, the Minister in charge of the Department has not succeeded in convincing those in the forces concerned in the work of re-establishment that he is the proper man to be at the head of such a responsible and important branch. Something of what is thought of Senator Lougheed as the Minister in charge of civil re-establishment was voiced in the House on Wednesday when he was under fire from both Opposition and Government members, Mr. Mackie a Government supporter being among the most severe of his critics. It is claimed that he is too cold and unsympathetic in his attitude towards his duties and fails to take the proper interest in the problems of his Department. Someone with a greater and a more warm-blooded interest in the returned soldiers is needed at the head of the Department and the members who discussed this point in the House left no doubt in the minds of their hearers about Senator Lougheed's failure to measure up to his responsibilities.

NO WONDER THEY LAUGHED.

When a wire from Mr. J. H. Burnham, M.P., was read at the G.W.V.A. convention on Wednesday stating that Sir George E. Foster has announced that a special Parliamentary Committee would be appointed to consider questions in regard to returned soldiers, it was greeted with loud laughter by the delegates. Is it any wonder that the representatives of the ex-service men found it amusing? The committee method of getting rid of the re-establishment question is an old and favourite device of the Federal Government and its adoption on this occasion was therefore not a surprise to delegates who with the sense of humour that characterizes the Canadian as well as the British soldier accepted the announcement in hearty if derisive laughter. The trouble with referring such questions to a committee is not merely the delay that is necessarily caused but rather in the difficulty in inducing the Government to take action on the recommendations that may be made. Last years Parliamentary Committee submitted a number of suggestions that would have been of much assistance to the returned men but only a few of these have been put into force by the Government.

INCREASE THE PENSIONS.

There does not seem to be any doubt of the fact that the present pension scale in force in Canada is not high enough to enable the recipient to meet the increased cost of living. The decision of the Ontario war veterans to press for a minimum pension of $1,200 a year for totally disabled soldiers and a proportionate increase in the pensions of widows and orphans and in all disability pensions therefore seems a fair and reasonable one, and the Examiner has no doubt that it will be viewed as such by the people of Canada generally, who, no matter how they may be divided in opinion as to further gratuities for all soldiers who served, are one in their desire that justice) shall be done those who were badly injured and the dependents of those who died for Canada overseas. $1,200 a year, in view of the present living conditions, is not a princely sum. In the industries of Canada, in the civil service, among the employees of various municipalities, firemen, policemen, etc., everywhere claims for higher wages than the remuneration decided upon by the Ontario veterans, are being pressed on the plea that increases are absolutely necessary because of the cost of the necessities of life. Canada then, cannot ask the men who have sacrificed their health and strength and have been pronounced by a medical board as totally disabled, to live on a pittance that is considered inadequate by practically all other classes in the country. The testimony of one of the delegates who was blinded at the front, as given at the convention here yesterday, is a typical proof of the need of an upward revision of the pension rates. This unfortunate hero is asked by a grateful country to exist on a pension of $74.58 a month, of which $14.68 is an allowance for the hiring of an attendant. It is almost impossible for him to get about unaccompanied and yet out of his pension it is difficult to secure the services of a responsible guide. The G. W.V.A. asks that he and his other totally disabled comrades be given $100 a month. Is there any one who will say that is too much with the cost of living as it is to-day?

FIRST—A BAD COLD

Then—Down with 'Flu

Don't let your cold develop into an attack of Influenza and Pneumonia, or bring on a hacking, irritating cough which may last all winter.

At the first sneeze or shiver, open the Red Box and take a Dominion C.B.Q. Take these Cascara, Bromide & Quinine Tablets, regularly until every trace of the cold is gone. You won't have to take many.

DOMINION C. B. Q. break up a cold in a few hours—often over night—clear the head—stop headaches and neuralgia—drive away that "grippy" feeling.

Keep DOMINION C. B. Q. always in the house. Get the red box at your druggist's today, so you will have them on hand when needed. Prepared by the National Drug and Chemical Co. of Canada, Limited.

To Stop a Cold
in a few hours take

MOVING PICTURE POSSIBILITIES

Mary Pickford, granted her divorce in an American court, tearfully declared that she will never marry again, but will henceforth devote her life unreservedly and completely to spreading sunshine and happiness through the medium of the cinema. With avid interest a world of old and young, of men and women, devoured the news despatches which told of Mary's tears and reconsecration of her life to the service and entertainment of her millions of admirers and friends who know her through the films, says the Belleville Ontario.

The little Canadian girl who once played in the slums of Toronto, has in the space of a very few years become the most-noted and best-known woman in America. Her spectacular rise in public favor and in the international limelight, has been concurrent very largely with remarkable developments in the motion picture industry and field itself. The development of the movie has been spectacularly successful because it rests on the inviolable right of the masses to the same enjoyment and instruction as the classes. And where thousands were thrilled by Sarah Bernhardt, literally many millions are daily cheered and delighted by the girlish antics of Mary and the sunshine philosophy that always is predominant in her plays.

The phenomenal success of the motion picture theatre suggests the question why the movies are not utilised in a more general way to make learning easy and education more thorough for the boys and girls in the schools and Sunday Schools. Geography brightened by a few reels of movies, illustrating resources, industries and characteristics of various countries would soon be one of the most popular subjects in the school curriculum. History illuminated by short films of famous battles and the signing of important charters and treaties would be indelibly impressed upon the youthful mind.

Sunday schools faced with the difficulty of holding their pupils beyond a very youthful age, might fittingly present films of Bible stories and parables to elucidate the moral teaching contained in the international Sunday school lessons. The attendance on missionary Sundays could be greatly stimulated by showing educational films of missionary lands and heathen peoples.

It is so easy to learn from pictures, and facts of science, history, invention, geography and industrial progress, through the films are driven easily home to the comprehension of the most unimaginative minds. While the same information could be learned in less time by quicker and more deductive minds from the printed page, yet the fact remains that a very few people patronize the libraries and bookstores in comparison with the number who attend motion picture theatres. Undeniably the movies have taken their place along with church, school, newspaper and library as an essential medium of popular instruction and inspiration. Whether the cinema in time may supersede some of these is still a theme for purely visionary reflection, but undoubtedly the world which has scarcely heard of it, two or three decades ago, will never again be able to get along without the increasingly popular movie.

Grip, Influenza

Hamlin's Wizard Oil a Reliable, Antiseptic Preventive

During influenza epidemics spray the nose and throat several times a day with one part Wizard Oil and two parts water, using an atomizer. If you haven't an atomizer, gargle the throat and snuff the mixture up the nose. This treatment sets up an antiseptic wall of defense against "Flu" germs.

Chest colds and sore throat lead to grip. Stop them at once with Wizard Oil before they can develop into dangerous influenza.

Get it from druggists for 30c. If not satisfied, return the bottle and get your money back.

Ever constipated or have sick headache? Just try Wizard Liver Whips, pleasant little pink pills, 30c at druggists. Guaranteed.

GRATUITIES IN THE UNITED STATES.

(New York Times)

It is said to be the "general feeling" among the former service men in Georgia that "the Government should do something for them." When the civil war was over and Union veterans of the four years' struggle returned to the plow, the factory and the shop, they did not ask for a cash payment of $50 for every month they had served. Yet the civil war cost the country in pensions $4,017,245,599 between 1865 and 1918. In 1918, fifty-three years after the return of peace, there were 340,313 disabled veterans and invalids on the pension list and 306,582 widows and dependents, a total of 466,895 pensioneers. When the United States entered the war on the side of the Allies in April, 1917, it was hoped to avoid pension disbursements of billions, and at the same time do justice to American soldiers and sailors called into service, by providing insurance at low rates and on easy terms. It was forseen that the cost of the war would strain the resources of the country to the point of danger, that after the war taxation would be a heavy burden for the people to carry, and that economic conditions would not permit of a return to normal prices for an indefinite period.

But most of the service men, those who fought in France and those who did not leave the country, soon tired of the insurance plan, liberal as it was and so much to their advantage if they would practise thrift to pay their premiums. Then began the agitation for a money bonus to all who had served during the war, that is to say, to more than 4,000,000 soldiers and sailors who had served in any capacity, had gone overseas or had not left the country, had been in battle or had not been under fire, had suffered hardships or gone through no ordeal at all, had been disabled bywounds or were whole and able-bodied. No distinction was to be made between those who did not need financial aid and the necessitous, between those who had remunerative work to do and those who could not find places for themselves and were "down on their luck." All were to draw $50 a month from the Treasuryfor each month they had worn the uniform, no matter what amount was added to the burden of taxation. It would certainly be $2,000,000,000, and might be $4,000,000,000. Congress could arrange the details with the advice of the Treasury Department. Many veterans said that they had earned the bonus, and that a grateful country should pay it. What thoughtful men are thinking about today is the pension list that would be sure to follow the bonus disbursements; and, remembering that the civil war cost the American people nearly $5,000,000,000 in pensions, they are wondering what the great war will cost the American people during the next fifty years.

Inquiries in all parts of the country to sound the sentiment of the former service men show that, with exceptions in some localities, they agree with their comrades in Georgia that "the Government should do something for them." Here and there, in the North as well as in the South and West the cash bonus does not ment with favor, approval of it being confined to a minority. Few American Legion posts have gone on record, and of those that have spoken some are opposed to the plan. In Virginia a rehabilitation for disabled veterans is preferred, whatever it may cost. In sevral of the States the question of a bonus is still an open one, and not much stress is laid upon a cash expression or the gratitude of the American people.

It will never be possible for the American people to prove a gratitude which is in the heart by paying money into the Treasury to be divided among their saviors. It is clear that the American Legion is not committed to the bonus plan, and among servic men everywhere there is a thoughtful minority opposed. It is one of the unsettled questions before the people, and it should be settled right; that is to say, wisdom, honesty, moral courage should be brought to the consideration of a matter so momentous in its effects and consequences. Political expediency, the desire to win votes, should not be brought into play at all.

FRANCE HAS FOUND MANY COAL BEDS

LYONS—Deposits of coal have been discovered near Lyons and also in the Departments of Saone and Nievre. Anthracite has been found recently at Colombiers, near Commentry in the Departmenet of Cher.

ITALIAN PRESS PESSIMISTIC

Whole World Seen as a Seething Cauldron by One Paper

ROME—Commenting on the international situation and the events in Germany, the Popolo Romano asks: "Where is the peace of Clemenceau and Wilson when the whole world is a seething cauldron?" The newspaper says that for Italy the necessity of keeping out of the new impending conflicts is more important than concluding peace.

"What will happen in Germany, Turkey, Hungary and elsewhere?" The Popolo Romano continues. "In Russia and India there are signs of rebellion against France and England. The Turks and Arabs are turning against the Europeans, and Russia is with them. Germany can cement and direct the coalition."

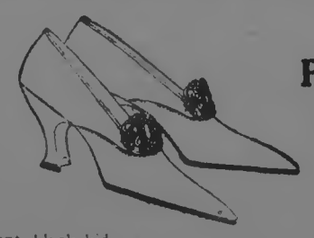
The Tempo says:

"The coup in Germany is a step backward, as Germany needs to regain the confidence of her former enemies. The episode cannot help the empire internally. It may lead to Spartacide riots and reaction on the part of the masses, while externally it will complicate the moral positon of the German Empire and increase suspicion against it.

Our New Spring Styles Are Now Ready!

SPECIAL REDUCTIONS FOR SATURDAY

Oxfords Will be Very Popular This Spring



Pretty Pumps in Plain or Colonial Styles

PREDICT GASOLINE JUMP.

Oil Men Say Price May Be 40 or 50 Cents a Gallon Next Year.

CHICAGO, March 18—Predictions that gasoline would increase in price during 1920, possibly to 35 cents a gallon, were made here by delegates attending the National Petroleum Congress at the Congress Hotel.

This time next year the price may be 40 cents a gallon and possibly 50 cents, they say.

Fred W. Lehmann, Jr., general counsel for the Western Petroleum Refiners' Association, declared that protective measures must be taken if the country is to avoid an oil famine with prohibitive prices.

"The price of gasoline in England is $1.78 a gallon," he said, "and the Government Commission has recommended $1.39 as a fair price. So, you see, Americans don't know anything about high prices yet. In 1915 there were 2,500,000 automobiles in this country and 288,000,000 barrels of crude oil were produced at a cost of 53 cents a barrel. In 1919 there were 7,400,000 automobiles and 376,000,000 barrels of crude oil were produced at a cost of $2.25 a barrel. To-day crude oil is $3.50 a barrel. Figure it out for yourself."

Cinnaform Pastilles

dissolved in the mouth, effectively destroy the many disease germs which are constantly floating in the air, and lodging in the throat. Cinnaform Pastilles are wonderfully successful in preventing Sore Throat, Tonsilitis, Quinsy. Excellent for children who suffer with Sore Throats and Colds.

SANDRA THE JEALOUS

BY JANE PHELPS

IRMA BARTON TELLS SANDRAOF LEOLA.

CHAPTER LXXV.

I felt horribly ill at ease awfully young, and in a way silly, as I walked along beside Mrs. Barton. But she chatted so easily, was evidently so unconscious of my feelings, that I had partially recovered a certain amount of poise before we reached her house.

Luncheon was served almost immediately. It was simple, but delicious. I remembered that Everett had said she was a past master at planning a menu. I wondered if there was anything he thought she couldn't do.

The waitress left us alone at an order from Mrs. Barton. I didn't wait, but plunged at once into the reason for accepting her invitation.

"You knew Mr. Everett's first wife?" I asked.

"Why—yes—" her surprise was very evident.

"Will you tell me about her? What she looked like, how she acted. Of course I know the servant's version, and some little more, but I should like to have you tell me about her."

"Perhaps—it would—be—as well," she said, more to herself than to me. Then, very seriously, looking keenly at me as she talked: "She was very much your colorng—as you have doubtless been told—"

"So many times I hate the very sight of myself!" I exclaimed vehemently.

"You have no reason to." Her voice was very cool, very calm, but someway I received the impression that she was not surprised—that she rather sympathized with me. "Especially as you have the richer coloring. Leola was very gay, her insouciant manner was very attractive to men. She was a great favorite, yet the most careless, most indiscreet woman I ever have known. The world overlooks many things in so beautiful a woman, if also she is the wife of a prominent man who allows her the utmost freedom."

"Yes, I now. Everett never questioned anything she did," said bitterly. "Two or three people have told me."

"He loved her devotedly. While she was not bad, she was bent upon having her own way, and often hurt him cruelly. He was extremely jealous of her, perhaps you know. He has the most jealous disposition of any man I ever have met. That he keeps it under control as he does, is marvelous."

I smiled in a superior manner. He might have been jealous of Leola, but he had buried it with her; he surely never had been the slightest bit jealous of me. If he had been I would have thought he cared a little for me.

"She was a remarkable woman in many ways," Mrs. Burton went on after a moment. "She was the most versatile hostess and entertaining companion I ever have known. A man would have had to be proud of her. She also dressed exquisitely, always in shades of blue, usually sapphire. She knew that particular shade brought out all the wonderful beauty of her hair and eyes. She was a daring horsewoman. In fact, she did everything—tennis—golf—dancing, just a little better, with a little more spirit, than other women."

"No wonder it is hard for me to follow such a paragon," the words had slipped out. I had not meant to say them.

"Yes—I can see that it would be hard," she said seriously—without looking at me, for which I was grateful. "Yet I do not think you need envy Leola. Poor girl! She never was real happy."

"Why—how—what do you mean?"

"She possessed the most perverse sort of a nature. If anyone objected to her doing anything she immediately was intrigued to do that very thing. Everett at first did not know how to handle such a nature—he never really learned. But he tried to hold her by compulsion at first. Then she would defy him—threaten to leave him, and meant it too at the time. Then Everett went to the other extreme, he indulged her slightest whim, never objected, whatever she did. She, with her passionate nature thought because he had changed, that he had lost his love for her, and used no discretion at all.

"But do not get the impression that Leola was wicked—she was not. She was horribly indiscreet that was all. She knew she made Everett very unhappy at times, then was unhappy herself, altho she never would acknowledge it. Unhappy because of her love for him. He never knew it, would not believe it now. But in spite of her wild ways and her selfishness, Leola adored him. Have I told you what you want to know?"

"Yes"—I was very serious. "Was she very highly educated? Did she study and read a great deal?"

"She was very well informed indeed. She spoke French and Italian fluently, and was always well posted upon everyday topics."

I left soon after—left without even remembering that Mrs. Barton had said she wanted to tell me something. I recalled it after I reached home, but had so much to think of in connection with Leola that my curiosity was not even aroused.

To-morrow—Sandra is delighted to dance with hes husband.

COAL SHORTAGE IS IN PROSPECT

MINERS PRESENT NEW DEMANDS TO OWNERS.

TORONTO, March 19. — "There seems to be no doubt in New York among Wall Street men that there will be a complete suspension of coal mining on April 1."

Mr. Chas. McGill of the McGill Coal Company, Limited, Toronto, returned from the United States, where he has been studying th coal situation made this statement in reply to a query as to the coal situation in the United States at the present time. The reason for this apparently well-founded belief, Mr. McGill continued, is that the bituminous coal miners, whose present four-year agreement terminates on March 31, have presented demands with which the operators will be unable to comply. Briefly, they ask for an increase of $2 per day for men paid by the day; the reduction of working hours to six per day in a five-day week, full recognition of their union, and that, whenever practicable, coal be paid for on the short-ton basis. The short-ton basis refers to the difference in Canadian and American tonnage of 40 pouds. For contract miners 60 per cent. increase is asked.

Although this agreement is only at present affecting bituminous miners, Mr. McGill stated, the anthracite miners, whose agreement also terminates at the end o fthis month, are refraining from presenting their demands until they see with what reception the demands of the bituminous men meet. If a strike becombes inevitable, and Mr. McGill is almost certan that it will, the anthracite miners will join the general walk-out.

The effect of a strike on Ontario, said Mr. McGill would be to leave the Province absolutely without means of obtaining fuel. There are at present no reserve supplies in the Province, and the operators themselves are depending on the supply mined from day to day.

The sortage in the present supply, Mr. McGill stated, is due chiefly to the fact that only 60 per cent. of the coal cars on United States railroads are in use, a condition which he attributes to the policy pursued by the U. S. Railroad Administration in failing to repair cars when repairs are required.

PRESIDENT WILSON POSES FOR MOVING PICTURE FILMS

WASHINGTON, March 19—President Wilson is now well enough to pose for the movies. By special permission a number of moving picture photographers filmed him as he started for an automobile ride this morning. The camera men some weeks ago hid themselves in a load of hay and attempted to photograph the President as he sat on the White House lawn, but their plot was discovered and frustrated by Secret Service men.

INGENIOUS INVENTION

An ingenious little instrument, devised by a London physician, enables the doctor to examine the throat and ears of his patients in their homes, as hitherto onl vthe specialist in his consulting room has been able to do. With the old apparatus the room had to be darkened, but with this instrument examinations can be carried out in daylight.

Few People Know This

Large doses of pills for the liver are not as efficient as small doses.

The big dose purges its way through the system fast, but does not cleanse thoroughly.

The small dose (*if right*) acts gently on the liver, and gives it just the slight help it needs to do its own work, and do it well.

Take one pill regularly, until you *know* you are all right.

READY-TO-WEAR

SUITS AND OVERCOATS

Are recognized as the most durable and most stylish clothes made. Being Ready-to-Wear they enable you to determine before buying, that the clothes you have under consideration—fit you, and the style becomes you. They give you a definite idea beforehand how the colour and pattern of the fabric look IN THE GARMENTS. They show you the tailoring before you obligate yourself. In other words they give you the advantage of trying on as many garments as you like until you find the one that pleases you entirely. This season we show better garments than any shown since the first year of the war.

Fit, Style, Tailoring, Finish are all combined in our garments in such a manner, that no matter what price you pay, you could not do better. Take your first look at our Spring Styles for Easter Clothes To-Morrow. You should see them before investing one cent for clothes this season.

HOW CAN WE DO IT ?

We pay more for wheat, more for labor, more for taxes - but Shredded Wheat sells at about the same old price - very little advance on account of the war. How can we do it? We can do it because the volume of sales now reaches many millions of Biscuits per day. Considering its real food value Shredded Wheat is the cheapest food in the world today. It is 100 per cent whole wheat in a digestible form. Two Biscuits, with hot milk, make a nourishing meal for a few cents.

MADE IN CANADA

MILLBROOK CORRESPONDENCE

MILLBROOK, Mar. 18—The March meeting of the W. M. S. of the Methodist Church was held at the home of Mrs. William Pendrie. The meeting was opened by the president, Mrs. Tucker. Interesting talks from the Study Book were given by Mrs. P. Stinson and the Misses N. Hetherington and A. Stewart. It was decided that the members of the W. M. S. would deny themselves for the month of March and increase their Easter offering. Duets were played by the Misses S. Hetherington, P. Richards, and G. Tucker. The April meeting will be held at the home of Mrs. Tucker.

HOY—LUNN.

A very pretty event took place at the home of Mr. and Mrs. Charles Lunn, of Cavan, on Wednesday afternoon, 10th March, 1920, when their daughter, Margaret Jennie, was united in marriage to James Henry Hoy, of Kendall, in the presence of a number of relatives and friends. Rev. S. T. Tucker, of Millbrook, officiated. At 3 o'clock the bridal party entered the parlour to the strains of the wedding march played by Miss Kirkland. The bride looked charming in her wedding gown of white lace over blue silk. She was attended by her cousin, Miss Martha Lunn, who was dressed in pink satin and Georgette crepe. Mr. Wilbert Lunn, brother of the bride, supported the groom. The groom's present to the bridesmaid was a cameo ring, to the groomsman a fountain pen. After the register was signed, a very sumptuous dinner was partaken of. The bride received many beautiful and costly presents, among them being a piano from her brother. Guests were present from Orono, Peterborough, Port Hope, and Toronto. The happy young couple left amid showers of confetti for their honeymoon trip. On their return they will reside in Kendall.

Before leaving on her trip, Mrs Hoy was given a shower by her friends. The adress was as follows: To Mrs. James Hoy.

Dear Friend,—We, your friends, have gathered here to-night to express to you our hearty and best wishes as you embark on the sea of matrimony. You have always taken a keen interest in the community in which you have resided, and especially in the social gatherings. We, therefore, ask you to accept this miscellaneous shower as a small token of the esteem in which you were held by your many friends in Cavan Township.

Signed on behalf of friends and neighbours.

Gertrude Grey.
Ella Elgar.
Archie Lunn.

The March meeting of St. Thomas' Branch of the W. A. was held at the home of Mrs. Whyte on Monday night. The president being absent, the meeting was taken by Mrs. Spencer. It was decided not to pack the bale for the Indian school until the first week in April. "The Life of Hunt as a Missionary to the Fiji Islands" was read by Miss Armstrong. The April meeting will be held at the home of Mrs. Mulligan.

PERSONALS.

Mr. and Mrs. T. Ingram were visitors to Omemee on Monday.

Mr. Howard Collins, of Toronto, was the guest of his mother, Mrs. T. Collins over Sunday.

Mr. Edgar Burnham, Peterborough, was the guest of his parents, Dr. and Mrs. Burnham.

Mr. W. Pitt, of Toronto, was in town over the week-end.

Messrs. J. H. Paul and Wm. Bingham attended a meeting of the Black Perceptory held at Cobourg on Tuesday.

Miss Gertie Richards was in Peterborough on Saturday.

Mr. M. Moncrief, of Omemee, was the guest of his aunt, Mrs. T. Ingram.

Mr. and Mrs. George Raymes, of Campbellford, were guests of her father, Mr. H. Richards.

Mrs. Lacheur and daughter Margaret, of Peterborough, are visiting her parents, Mr. and Mrs. Noble Stewart.

Rev. Canon and Mrs. Allen have returned to their home at Shenley House. Their many friends will be pleased to learn that Canon Allen is much improved in health.

COREGA Co. MILAN to Cleveland O.

THE LATE FRED OLVER.

The death of Fred Olver, of Toronto, son of the late Frank Olver, at one time a resident of Millbrook, took place on Saturday, 13th March. The deceased gentleman was injured by an elevator shaft about ten days ago, and succumbed to his injuries on the above date. Deceased carried on a merchant tailoring business in Toronto for many years. His wife, one son (a veteran of the recent war), three daughters, one brother, and two sisters survive him. The funeral took place in Toronto on Tuesday. We join in extending sympathy to those bereaved by his passing.

Died—at Kelowna Hospital, B.C., on Tuesday, March 9, 1920, Margaret Campbell, beloved wife of William Shand, aged 34 years. A funeral service was held at St. Andrew's Church, Okanagan Mission, on Thursday afternoon, 11th March, at 2.30 o'clock.

The many friends in Millbrook and vicinity will regret to learn of the death of Mrs. Shand. Deceased is a daughter of the late George Campbell, ex-M.P.P. for East Durham. Before her marriage to her now sorrowing husband, she was a trained nurse, and was for some time in the Yukon Territory. She was beloved by all her acquaintances. Besides her husband an an infant, she leaves to mourn her loss two brothers, Messrs. T. C. and Arthur, to all of whom we join in extending sincere sympathy.

Church Happenings.

The Boneka class and the Young Men's Bible class of the Methodist church enjoyed a pleasant evening together in the Waverly parlours on Monday, March 15, the occasion being a farewell to Mr. and Mrs. Hilliard Strong and daughter Verna. After games had been enjoyed and refreshments partaken of, Mr Stinson took charge of affairs. In a few well chosen words he expressed the regret all felt at losing faithful members from the Bible classes and from the church. He then called on Miss Byam who spoke appreciatively of Mrs. Strong as a member of the Boneka class and particularly as a faithful efficient president. Mrs. Sayles, on behalf of the class presented her with an electric iron as an expression of esteem and good will in which she is held. Mrs Strong though surprised and nearly overcome by her feelings, made a suitable reply. Mr. Sayles was then asked to read an address, which expressed the regret of the men's class at losing Mr Strong. In reply, Mr. Strong said it made him feel lonesome to think of leaving so many good friends, but all will be very heartily welcome at 537 Harvey street, Peterborough. Miss Hampton when called up spoke of how much they would miss Mr. Strong from their class and how both he and Mrs. Strong would be missed from the choir. Mr. Byam said that he had particularly appreciated Mr. Strong's willingness to help in the Sunday school, that no matter who was in charge he had always been ready to do anything he was asked to do. Mr. Tucker voiced his appreciation and good wishes and hoped they would find a congenial place to work and be useful in their new home. He also referred to our regret at so soon losing Mr and Mrs. Rowan. Mrs. Rowan being a member of the Boneka class. They were both present. All joined hands and sang "Auld Lange Syne" and the good-byes were said as Mr. and Mrs. Strong were leaving the next day for Peterborough.

KEENE NEWS

KEENE, March 17.

Mr. Joseph Thornton, who spent the past four months with his mother at Blackpool, England, returned home last Tuesday bringing with him a bride, to whom he was married on February 13th. Hearty congratulations are extended to Mr. and Mrs. Thornton.

Miss Belle Weir has sold her home property to Mr. John Edwards.

Mrs. Wilber Howson of Peterboro, and niece, Miss Elva McIntyre of Toronto, were in the village last Wednesday.

Mrs. Thomas O'Neil of Hastings, spent the week end with friends at the Victoria House.

Mrs. Wallis Wood of Toronto, visited at the home of her father, Mr. William Campbell over the week end.

Mr. John Edwards moved into the property on Friday, which he recently purchased off Miss Belle Weir.

Mr. William Kempt was in Peterboro Saturday on business.

Miss Belle Weir has moved into the property belonging to Mr. James McNeil recently occupied by R. H. Campbell.

Mr. James Dickson has in Peterboro Saturday on business.

Mr. A. Kempt visited Peterboro friends over the week end.

Mrs. Samuel Conrie and little daughter were in Peterboro, on Saturday.

Mr. and Mrs. W. R. Wedlock of Peterboro spent the week end with Mrs. Wedlock's parents, Mr. and Mrs. H. McLachlan.

Mrs. Archie Kempt is spending the week with Peterboro friends.

Mr. Joseph Dougherty, who has been ill the past two weeks at his home in Peterboro with the influenza was able to make his usual semi-weekly trip to Keene on Tuesday on his butcher route.

Miss Vina Christie is at the home of Mr. and Mrs. Edward Braden.

Mrs. James Dailey of Peterboro, spent the week end with Keene friends.

Mrs. Edward Braden returned home on Saturday from Havelock where she spent the past three weeks with friends.

Mr. Louis Roche spent the week end in Peterboro.

Mr. and Mrs. William Bell and little daughter were in Peterboro on Saturday.

Miss Lizzie Nelson of Toronto, is visiting her mother, Mrs. William Nelson.

Word was received on Monday of the death of Mr. John Mcfarlane at his home in Peterboro. The late Mr. Macfarlane was a former resident of Keene being engaged in the making and repairing of boots and shoes, and was widely known. Mrs. Mcfarlane and family have the deepest sympathy of the entire community in their bereavement.

Mr. Harry Clemmens spent the week end with friends in Warkworth.

On Thursday afternoon of last week there passed away one of Keene's most highly respected residents in the person of Mr. Thomas Howson. The late Mr. Howson was a farmer by occupation for a number of years until seven years ago he retired and came to Keene, a person of sterling character, a kindly disposition and always willing to lend a helping hand in the time of need and will be greatly missed.

The funeral was held in Monday afternoon at three o'clock from the Methodist Church, Reverend Honey officiating.

The pall bearers were Messrs. Gilbert Howson, Joseph Taylor, William Stewart, Stanley Braden, Earnest Howson and James Stewart.

Those from out of town attending the funeral were: Mr. George Howson and son, Earnest, Mr. and Mrs. Wilber Howson, and Mrs. Reid, Mr. and Mrs. Rome, Mr. William Pilling all of Peterboro, Mr and Mrs. Prue and daughter, Mrs. Wood of Frazerville, Miss Maude Howson of Denver, Colorado, Miss Minnie Howson, Calgary.

TETRAZZINI KISSES FAT ROLL GOOD-BYE

NEW YORK, March 17.—Kissng a fat roll of bills a laughing good-bye, Mme. Tetrazzini, the popular opera star, passed them over to "Big Bill" Edwards, internal revenue collector, to pay her first income tax instalment here.

"How much income did she declare?" the collector was asked.

"That would be telling, and the law doesn't allow me to tell," replied "Big Bill." He admitted, however, that it was more than $100,000."

Mothers' Advice

The responsibility for a daughter's future largely rests with the mother. The right influence and the information which is of vital interest to the daughter imparted at the proper time has not only saved the life but insured the success of many a beautiful girl. When a girl's thoughts become sluggish with headaches, dizziness, or a disposition to sleep, pains in back or lower limbs and a desire for solitude, her mother should come to her aid and remember that Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, will at this time prepare the system for the coming change and start this trying period in a young girl's life without pain or irregularities. Thousands of women residing in every part of the United States bear willing testimony to the wonderful virtues of this medicine, and what it has done for their daughters.

Brooklyn, N. Y.—"I cannot praise Lydia E. Pinkham's Vegetable Compound enough for what it has done for my daughter. She was 15 years of age, very sickly and pale and she had to stay home from school most of the time. She suffered agonies from backache and dizziness and was without appetite. For 3 months she was under the doctor's care and got no better, always complaining about her back and side aching so I did not know what to do. I read in the papers about your wonderful medicine so I made up my mind to try it. She has taken five bottles of Lydia E. Pinkham's Vegetable Compound and doesn't complain any more with her back and side aching. She has gained in weight and feels much better. I recommend Lydia E. Pinkham's Vegetable Compound to all mothers and daughters."—Mrs. M. FINCHS, 518 Marcy Avenue, Brooklyn, N.Y.

Lydia E. Pinkham's Vegetable Compound

KEEP STRONG

One bottle of pure, emulsified medicinal cod-liver oil taken now, may do you more good than a dozen taken a month hence. It's more economical to give your body help before resistance to disease is broken down. A very little

SCOTT'S EMULSION

OF PURE MEDICINAL COD-LIVER OIL

goes a long way in sustaining strength and keeping up resistance. *Resolve that you will buy a bottle of Scott's Emulsion at your druggist's on your way home, and start protecting your strength. It's Scott's you ask for.*

RICHARD HALL & SON LIMITED

CHANGES IN THE MUNICIPAL LAWS

LOCAL DEPUTATION WAITS ON PREMIER DRURY.

A deputation of representatives from Ontario municipalities waited upon Premier Drury yesterday morning asking for a number of changes in the municipal laws. Mayor A. A. McIntyre and Ald. J. J. Turner represented the city.

Change of Vote.

The deputation asked for a change in time for the municipal elections from New Year's day to some date in December and that the time between nomination day and election day be attended from the present seven days to at least ten days. Both these matters the Premier said would be dealt with later.

The Premier was also asked that the cities might be allowed to retain fines imposed in the Police Courts where informations were laid by officers of the law in the municipalities. This matter will be dealt with and considered.

In answer to a request that cities be given the automobile licenses collected on city owned automobiles for the purpose of improving the city high ways the Premier replied that he considered such a matter should not be taken up on account of the generous manner in which the government has dealt with the good roads system.

BUILDING PERMIT FOR A NEW HOUSE

CONCRETE DWELLING ON CHAMBERLEN STREET.

This week the first building permit for the erection of a new house to be issued from the City Hall this year was issued to Mr. George Sloan, for a concrete dwelling at 552 Chamberlain street costing $2,500.

Other Permits.

A. Sherwood $250, dwelling, Gladstone avenue.

Trent Canal, $1,500, pattern store at Lock 20.

A. Brault $60 poultry house 881 Water street.

H. A. Yenney $180, sun room, 190 Barnardo avenue.

ENTERTAINED THE INMATES OF HOME

A very enjoyable entertainment of music readings and recitations was given last evening to the old people at the Protestant Home by Mrs. (Dr.) Scott's Bible Class followed by refreshments. The evening was thoroughly enjoyed by the old people and they are deeply indebted to Mrs. (Dr.) Scott for her kindness in arranging the programme. Rev. J. R. Webb occupied the chair and gave a short address.

A few nights previously the young people of Park Street Baptist Church also entertained the inmates to a concert and refreshments and Mrs. Best and her class of St. Paul's Sunday School made a very enjoyable evening for the old people by a programme of music followed by home made candy.

The thanks of the old people are extended to all who contribute to these entertainments, which mark a red letter day in the life at the Home and are so much looked forward to. They are deeply indebted to the Caledonian Club for cake and other donations sent to the Home after their meeting the other evening.

NEW ORLEANS CROWDS SEEK CURE BY HEALER

Press at His Houseboat, Led by Cripples, Is So Great That Five Guards Fall Into River.

NEW ORLEANS—Led by a score of crippled and ailing men and women hundreds of persons crowded the Mississippi River levee, trying to reach the ramshackle houseboat of John Cudney, a kindling pedler, known as "Brother Isaiah," from reputed cures by the laying on of hands.

The press was so great that twenty-five policemen were assigned to preserve order, and on a rumor that Cudney was about to appear, there was a rush which bore five of the guards into the river. All were rescued.

Cudney, a native Canadian, 73 years old, has been working as a "healer" for some time, and reports yesterday that he had restored sight to the blind started a rush to the levee, a number of invalids being taken there on cots. He was forced to work all night, only retiring at dawn, when threatened with physical collapse. Many wealthy persons sought treatment, but all their offers of money or other assistance were refused.

State and municipal authorities refused to disturb the pedler. Dr. Oscar F. Dowling, President of the State Board of Health, said no legal action could be taken against the "healer" because he was "accepting no money, prescribing no medicines and violating none of the rules of religious practice."

THAMES DOING A DOWNIE STREET STUNT.

CHATHAM, March 16. — The Thames River at this point is at present 13 feet above the normal water mark. A four mile jam of ice is reported on the lower reach of the river and forms a solid wall of ice to the river bed.

Over 1,200 acres in Dover Township are covered by two feet of water and the lands in the vicinity of Prairie Siding are also inundated. Some farmers anticipated the flood and have moved their stock. So far no losses have been reported. The ice at the mouth of the river remains solid.

KEEP IT SWEET
Keep your stomach sweet today and ward off the indigestion of tomorrow—try
KI-MOIDS
the new aid to digestion. As pleasant and as safe to take as candy.

PROGRESSIVE CLUB

Two letters of thanks from Lady Jellicoe, wife of Sir Admiral Jellicoe, to the Peterborough Progressive Club thanking them for their cheque of $169.77 for the Women's United Services League have been received by Mrs. W. R Morris. The first letter expresses their appreciation of the gift warmly and intimates that it will be used for the benefit of sailors of the Mercantile Marine or their dependents.

The following is the second letter:

The Women's United Services League
35 Parkhurst Rd.,
Islington, London,
Feb 12th, 1920.

Dear Madam:—
I am instructed by Lady Jellicoe and the Committee of the Women's United Services League to thank the Members of the Peterborough Progressive Club most warmly for the very welcome cheque for $169.77. They are indeed grateful for this kind gift, and I will endeavour to see that it is used for the benefit of war sufferers of the British Mercantile Marine or their dependants.

I am, dear madam,
Yours faithfully,
GWYNNETH BURNS,
Hon.-Sec.

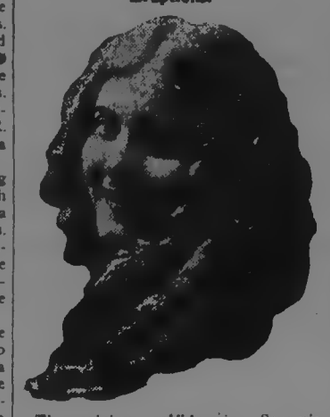
Mrs. W. Morris,
483 Homewood Ave.,
Peterborough, Ont.

HOMEMADE HEARTH BRUSH.

A handy hearth brush is made by cutting the broom straws until they are even across the bottom. Give the broom an occasional bath in warm suds and then rinse it in cold water. Alow it to stand on the straw end for a few minutes after its bath. Either keep it always hanging or stand it in a corner with the handle resting on the floor.

To Beautify Complexion

All you Need is Stuart's Calcium Wafers to Clear the Skin of Pimples, Rash, Blackheads And Such Local Skin Eruptions.



The calcium sulfide in Stuart's Calcium Wafers in nature's contribution to skin health. It is the substance that seeks the skin, assists in its activity to prevent stagnant pores to stimulate circulation and divert impurities from finding lodgment in the skin texture. It sweeps its way through the bowels, removing wastes that otherwise may be absorbed into the circulation and thus try to escape through the skin. Use these wafers regularly for a few days and notice how the skin clears, how pimples, blackheads and such kinds of skin eruptions are removed. They simply cannot remain. Their redness and itching disappear. Proper food and Stuart's Calcium Wafers will surely take the place of all your creams and lotions and you won't need your powder puff. Get a 50-cent box of Stuart's Calcium Wafers to-day at any drug store and join the ever-growing throng of American complexion beauties.

IF HAIR IS TURNING GRAY, USE SAGE TEA

Here's Grandmother's Recipe to Darken and Beautify Faded Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural colour and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.

MARCH MORNING.

A pale sun glints across the swirling drifts,
Bent trees are crackling with a silver load,
A wild gale shrieks in mischief as it lifts
A stinging screen of flakes across the road.

It seems midwinter still, and still the world
Lies wrapped in sleep upon the year's high shelf.
But March is such a rogue, his challenge hurled
In fury cannot hide his other self.

A softer azure tints the sky's cold blue,
Sometimes, for moments, all the wind is quiet,
Ice jewels melt to tears the rendezvous
Of ruffled sparrows teems with April riot.

Still roars the lion, but the lamb is bolder,
The madness has a subtle touch of play,
The night was Winter, but the Spring, grown older,
Knows what a sham of Winter is today.

EDNA MEAD

Keeping Pace With the Weather Is Our Task These Days

It is not nearly as easy as it was several years ago when the markets were normal. In those days the prompt delivery of merchandise was assured. Huge boxes and bundles arrived with mechanical precision. A bountiful supply of everything was possible. To-day it is not a question of buying but a question of deliveries. This store is constantly in touch with the markets and is ever on the alert for goods that can be delivered immediately or within a reasonable time. It is all in the business of keeping pace with the weather and that is the reason that throughout this entire store Spring merchandise is now being displayed in abundance.

Springtime Needs With Saturday Prices Attached That Present Themselves For One Day Only

$6 Treco Cord, Coating and Suiting Fabric, $4.75 Yard

Nearly every one is in search of new apparel, and naturally every one wishes to do it as economically as possible. This opportune offering will help you.

The first thing we want you to know is that it is All-Wool. The second, that it is an excellent material and is 56 inches wide.

The colour range includes: taupe, grey, sapphire blue, reindeer and elk. We purchased all the manufacturer had, and are now in a position to sell it at this moderate price.

35c White Cotton, 27c Yard

It comes in a 36-inch width and is fully bleached. It is known as a Canadian cambric and is a firm, even weave. We suggest that you purchase your spring and summer needs.

40c Yard Wide Stripe Flannelette, 33c Yard

We will not tell you the number of yards that we have sold of this Flannelette, for you would be inclined to doubt us. We would, too, if it were not that we have kept count.

There are several Pieces left of this excellent Cloth. The width is 36 inches, and you have choice of several stripe patterns.

Invigorating and Healthful

During the change of seasons is a shampoo or face massage in our Hair-Dressing and Manicuring Parlours. Two expert attendants at your service. Call 138 or 139 if you wish to make an appointment beforehand.

Switches of genuine hair, ranging in colour from light to dark. Moderately priced.

WHEN YOU PAINT, USE MARTIN-SENOUR 100% PURE

We sell it in every colour that Paint is made. Also Varnishes, Alabastine, Muresco, Floor Wax, Mops, Carpet Sweepers, and the celebrated Hoover Suction Sweeper

A Handsome Collection of Modish Suits—Any One Can Be Had for $52

This assortment gives your taste a wide latitude. There are coats of various lengths and cuts, braids and embroidery smartly and variously arranged, and the materials are principally those old reliables, the ever popular—gabardine and serge. Each model possesses a distinctive note that makes a strong appeal.

$2.25 Taffetine Petticoats $1.98

A new dress, skirt or suit is never complete without a new underskirt, and many women wish to reduce their expenditure on this part of their wardrobe. You will find these skirts stylish and well cut.

The top is fitted and the bottom is finished with a 14-inch flounce. Some are all Black and others are Black with a floral or coloured flounce.

For the Jaunty Young Miss, the Slim or Medium Figure, a Polo Coat Is the Answer and $29 Is the Price

It has all the swagger of the short model, and a stitched panel gives it a smart back and inverted pleats form the sides. Patch pockets, deep cuffs and a cross-over collar are in evidence. The colours are soft greens and tan tones.

$5.95 Sample Voile Blouses at a Dismissal Price, $3.89

For the business woman who wants something that will launder or the separate skirt that needs a companion to complete it, they will be ideal.

Some are French and others English Voile—all are beautifully fine. There are various styles arrayed for your choosing. Filet, Val, Venice, and Macrame Lace and dainty Tuckings are discreetly used. All sizes.

A Tweed Coat Can Be Had for $27.50

You have become weary of slipping your winter coat over your smart dress and you want something jaunty and new. These swagger tweeds will satisfy your need. They are made on straight lines with smart belts, pockets and collars. The material is a Donegal tweed and the colours are grey and fawn mixtures.

$39 and $42 Serge Dresses for $34.95

All-wool botany serge is the material, and is garnished with braid and embroidery touches on the sleeves, bodice and skirt. You have choice of black, navy and fawn. The woman who requires a costume dress and has set aside this price for one will find them difficult to resist.

$1.75 Stamped Gowns, $1.29

You can use your idle hours to good advantage with needle and thread and have something handsome and useful at the finish.

These Gowns are made of a good quality Cloth, and are stamped with pleasing designs. They are hemmed and ready for use.

20c and 25c Soiled Wool, 3 for 30c

Single and Double Wool, in a variety of colours. There are only a few Skeins of each colour, but you can match it from our regular stock if there is not sufficient of the damaged Wool for your purpose.

"JUST WRIGHT" SHOES FOR MEN IN OUR MEN'S CLOTHES SHOP

Any man who wishes to be fashionably and comfortably shod when he steps out in his Spring Suit cannot do better than wear Just Wright Footwear.

They are expertly made from selected skins. They are synonymous with good style, and we are justified in placing emphasis on durability.

Our First Spring Sale of Ladies' Silk Hose

They Are Holeproof Seconds and Will Sell at 98c Pair, or 2 Pairs $1.85

We purchased these slightly imperfect stockings direct from the makers, and this enables us to give Peterborough women an opportunity to buy silk hosiery at a price that sounds like a quotation of three or four years ago. We had to contract for a large quantity to secure them at a price that permits us to sell them at such a low figure, but we know we can easily dispose of them.

It is difficult to find the imperfections in most cases, and when your search is rewarded you will usually discover that the flaw is but a slight irregularity in the weave in the Lisle portion of the foot. The colour range includes: Black, White, Champagne, Brown, and a few Navy.

Early shopping is advisable, for if past experiences are a standard to go by, there will be hundreds of eager buyers.

All sizes—8½ to 10.

Sound Reductions from the Redfern Store

$49 SERGE SUITS FOR $42

The coat boasts of a pretty ripple effect and is trimmed with braid. The collar is shawl pattern and the waist is encircled with a belt. The skirt is gathered under a narrow belt. Can be had in navy, black or castor.

$30.95 TWEED COATS FOR $27.00

Their colours are dark hues and an inverted pleat extends down the centre of the back. The fullness is restricted by a narrow belt that fastens with a buckle. The principal trimming is buttons and the collar is convertible pattern.

A HOUSE DRESS FOR $1.69

Neat, good looking garments for the mornings that you need not be ashamed of when you are called to your front door.

They are made of a good quality Striped Print — Blue and White mostly — made on a comfortable style, with a sailor collar and ¾ sleeves. Sizes 36 and 38.

SEVERAL $35 TAFFETA SILK DRESSES THAT WE HAVE DECIDED TO SELL AT $27.50

They are fashionable models and in most instances they are combined with georgette and are trimmed with dainty embroidery touches. The colours are brown, navy, taupe and black.

$3.95 VOILE BLOUSES CAN BE HAD FOR $3.19

The voile is a fine French quality and is trimmed with dainty clusters of pin tucks and narrow lace. You have choice of either convertible or sailor collar; all are long sleeves.

The GRESSMAN Company Limited

G.W.V.A. WANT PROPERTY QUALIFICATIONS IN MUNICIPAL ELECTIONS ABOLISHED

MANY RESOLUTIONS PASSED AT THURSDAY AFTERNOON'S SESSION OF THE CONVENTION—WOULD DISFRANCHISE MILITARY DESERTERS AND DEMAND GUARANTEE OF SERVICE FROM UNNATURALIZED RESIDENTS.

REALIZE NEED OF PAPER

From two until six o'clock yesterday afternoon the G.W.V.A. convention reeled off innumerable resolutions many of which will find their way to the desks of Federal and Provincial legislators. Some of them were put through without comment, others were stayed by lengthly discussions.

A request to the Ontario Government to abolish property qualifications in favour of ex-service candidates in municipal elections for the offices of mayor, reeve or councillor was finally broadened to apply to all citizens.

Dr. C. E. Wilson of Toronto pointed out that many returned men were forced by the scarcity of houses and the high costs of materials to live in apartments and were thus prevented under the property qualification clause of the Municipal Act from contesting elections.

H. E. Green defended the statute stating that there were many returned soldiers in the floating population of most communities. If elected to municipal office they might be heavy expenditures pile up taxes that would be burdensome to the property owners who in the long run had to remain and pay the taxes.

L. Evans of Galt said that the property qualification had been abolished in all civilized countries.

Comrade Preston proposed that the convention should not ask that an exception be made for the benefit of the returned men, but that the amendment to the Act should include all citizens. This is in line with legislation which it has been reported the Drury Government will introduce this session.

Equipment for Funerals.

A resolution asking the Militia Department to supply for military funerals a gun carriage and equipment for a firing party to every branch of the G.W.V.A. having a membership of 500, drew several amendments in which the delegates from the smaller centres asserted their claims.

As altered the resolution calls for the equipment in every convenient place where a returned soldiers' association is established, for the use of the local G.W.V.A.

"We haven't had a good military funeral in Toronto for a year" said A. R. Wilkes of Parkdale, Toronto. "The only time we get one is when a man on the staff dies. Then they turn out with spurs and the rest of it."

"Weve had no trouble in Brantford" Comrade J. Shute remarked. "Surely we are not admitting that the comrades are not turning out for firing parties."

"I didn't say the men wouldn't turn out" Mr. Wilkes replied. "Some times lately as many as five of our men died in a day. Then there was a rush to see who get the equipment first. What I did mean was the men were not allowed to come out. When they asked to get off work their employers refused."

"If a man upheld the Union Jack when he was alive, surely we should give him the glamour of it when we carry him to his last resting place" said J. Hossack of Westboro.

Delegates from comparatively small branches urged that the request to the Militia Department consider their claims. It was then suggested that the equipment for military funerals be placed in county towns, but G. E. Payne suggested the more general location of the most convenient place for local commands.

G.W.V.A. Journal Needed.

The convention pondered long on a proposal that the Ontario provincial command publish a weekly journal for the purpose of keeping the members in close touch with the G.W.V.A.

President Jeakins reported that this question has been considered in detail by the executive who could figure only a deficit of $5,000 in six months.

J. Armstrong of Mount Dennis wanted action if it was at all possible, and H. D. Peacock of Windsor suggested that the provincial per capita tax be doubled.

"It is essential to the interests of the G.W.V.A. that we have a paper of our own" he declared.

C. E. Haight outlined a scheme on the lines the Alberta "Veteran" is conducted, and stated that the Association couldn't calculate its numerical losses through the lack of an interesting weekly that would be read by all the men. "The Veteran" magazine, he believed, went "over the heads" of most of the men.

T. C. Weatherhead of the St. Catharines "Standard," speaking as a newspaper man advocated "a real live newspaper if the G.W.V.A. hopes to become the organization it should be."

It was brought home to the convention that the publishing costs these days have to be reckoned with.

R. E. Layfield of Peterboro was satisfied with the service the newspapers gave the veterans.

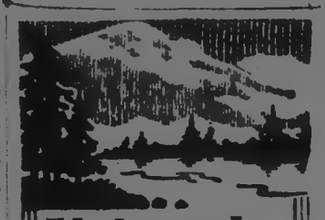
A committee of practical newspaper men, Comrades Haight, Peart, Livingston, Hood and Weatherhead, was appointed to consider this question further and report before the close of the convention.

Restrict Timber Export.

Eighty-five per cent. of Canada's timber is exported to the United States who are conserving their own supply for higher prices, was the substance of the preamble of a resolution by J. V. Conroy of Toronto and A. Smees of Hamilton urging the Dominion Government to restrict by embargo the export of timber, and also to make a greater effort for reforestation.

Encourage Canadian Mines.

We are absolutely dependent



Upland Coffee

Coffee, grown in the cool, dry mountain plantations, is rich in those qualities which give the wonderful fragrance and flavour to

SEAL BRAND

—the perfect Coffee. Blended and roasted and put into air-tight packages, its goodness and exhilarating aroma sealed safe from the deteriorating air.

Ground and bean-ground. In ½, 1 and 2-lb. tins. At good dealers everywhere. Write for "Perfect Coffee — Perfectly Made"—free on request.

Chase & Sanborn MONTREAL.

the whims of the American dealers and market" C. E. Haight of Toronto said introducting his motion that the convention bring before the Dominion House the necessity of encouraging the greater production and use of Canadian coal, whether by bounty reduced freight rates or any other method that Government might decide as a means of overconing the cost of the longer haul and meeting American competition on better terms.

Shut the Door on Hearst.

A sheaf of resolutions demanding that the Government exclude the Hearst publications from Canada reflected the temper of the local commanda toward the anti-British campaign that has been waged for months in the New York "American" and other Hearst sheets and periodicals printed throughout the United States.

No Deportation.

"Let us make Canadians of them said A. H. Peart in opposng a resoluton for the deportaton of enemy aliens. "The war is over, peace is signed. There are no enemies now in the general sense." The motion was defeated.

Why Do Canadians Emigrate.

A resolution urging the Government to investigate by commission or otherwise the reasons for the exodus of Canadians to the United States and to take steps to retain them here, met with some opposition through the idea of coercion that was interpreted from the second clause.

H. H. Hood construed it as a curb upon ambition. If Canadians were going to the United States it was because there were greater opportunities for them there.

It was explained, however, that the intention was to direct the Government's notice to this movement and to strive to make conditions more attractive in Canada.

Want Promise of Service.

Legislation is sought whereby unnaturalized citizens shall be examined by a properly constituted Board and if in its opinion they are undesirable that they be deported; if they are regarded desirable that they give a written statement of citizenship including military service.

Ladies Are Emulative

The suggestion of the Ladie's Auxiliary of the Peterboro branch of the G.W.V.A. that all the auxiliaries meet in convention was heartily endorsed, and will be proposed at the Dominion convention.

Resolutions were also passed advising Canadian consumption of Canadian goods and of trade within the Empire.

Other Resolutions.

That, in view of prospective vacancies on the Bench in Ontario and for the advantage of securing a man who is conversant with the problems of the returned soldiers, the Dominion Government give preference to overseas barristers.

That the convention approve of the action of the Manitoba Government providing for the teaching of English to the alien youth in that province.

That the Government of Ontario institute juvenile courts where they do not at present exist.

That military deserters be deprived of the franchise for twenty years.

That the electoral system of proportional representation be endorsed.

Observe Armistice Day.

That Armistice Day, November 11th, be recognized by the Association and that memorial services be held on the Sunday nearest to that date.

Fair Deal for the Youngest.

That minors who are taking or have taken vocational training be granted the bonus which is provided for other vocational students.

Hands Off "Oleo"

That the convention protest against any prohibition of the manufacture or sale of oleomargarine in Canada.

That the free treatment of members of the C.E.F. be extended for three years, treatment to be given by a medical practioner who may be selected by the patient.

That the Ontario Department of Health be put on a better basis and brought up-to-date in view of the large number of persons engaged in industrial operations whose health is below 100 per cent., and also because venereal diseases are not receiving proper attention

Grandmother was a good housekeeper, who kept the house swept and garnished, and considering the tools she had at her disposal—the broom and the scrubbing brush—she did a good job. Houses in those days looked clean; there was no visible dirt. But were they really clean?

Since grandmother kept house our ideas of true cleanliness in the home have changed. We now know that we must do more than remove visible dirt and dust, and to do this we suggest, **The Eureka Vacuum Cleaner.** It gets the dirt, not the rug. The Eureka sucks the dirt out of the rug, cushions, draperies, etc., but does not spoil them such as a broom or a brush does. Eureka Supremacy is based upon these two things—**Great Volume of Air and the High Velocity at which it travels.**

Eureka Cleaner **$65.00**
With Attachments **$95.00**

THE Spring Display of New Modes Continues on Saturday

Third Floor.

An exceptional bargain for Saturday in all wool Tweed Coats made in the trench style; finished with belt and buckle, pockets and convertble collar. Color, brown and grey mixture. All sizes **$16.50**

Third Floor

In our Millinery Department, 3rd Floor

You will find a most comprehensive showing of Spring Hats. For the matron you will see black shimmering straw shapes, some turned up frontand back decked with beautiful ostrich plumes; others in the broad brimmed style with its valance of Chantilly laceand jet ornaments.

Others in the Tricorne or English admiral lines, with enveloping veils. Flowers and fruit in bright colors seem to stand out as one of the most popular modes of trimming for spring, and here you will find them in abundance harmoniously worked together on bright colored shiny straw.

Third Floor.

GOSSARD FRONT LACING CORSETS

A NEW ADDITION TO OUR CORSET DEPT.
The world famous Gossard Corset with a graduate corsetierre to help you solve your corset problems. Here you will find service unequalled.

YOU CAN TELL THE WOMAN WHO WEARS A GOSSARD
She walks with an ease and lithe gracefulness that is the charm of youth, and ends the most exacting day fresh and unfatigued. There is much more to Gossard corsetry than just figure improvement.

Do not casually shop for your corset. The woman who takes the time to understand herself and her corset problems spends less because she buys the right corset in the first place. The woman who lacks the corset understanding buys twice and is not satisfied either time.

Gossard Brassiere designed for the woman with the full figure.

Back is of heavy granite cloth to take care of flesh at top of corset. Front has wide band of elastic to take care of full diaphragm. Upper portion of front is made of tricot mesh. Hooks in the back. Colors pink. Sizes 36 to 42.
Special **$1.95**

Third Floor.

The J. C. TURNBULL COMPANY, Limited

"OPEN DOOR" POLICY IS ENDORSED AT TO-DAY'S SESSION OF G.W.V.A.

RESULT OF REFERENDUM SUSTAINED PROPOSING TO ADMIT ALL PERSONS WHO HAVE AT ANY TIME SERVED HONOURABLY IN THE FORCES OF GREAT BRITAIN AND THE ALLIES.

MOVE TO UNIFY ALL VETERANS

The admission to membership in the G.W.V.A. of any person who at any time served honourably in the forces of Great Britain and her allies was endorsed at this morning's session of the convention by a per capita vote of 16,191 to 5,326.

The returns of the Ontario referendum on this question up to March 1st showed 5,984 members for and 1,344 against

The 'open door' policy was brought before the convention to-day by the resolution of A. Smees and F. W. Ambrose of Hamilton recommending to the Dominion command the admission of all those who served honorably in the armies of Great Britain and her allies during the war, irrespective of time and place.

The endorsation of the referendum, which would open the door not only to the veterans of this war, but also those who saw service in others, was submitted by J. W. Marshall and H. W. Davidson of Toronto.

M. M. Hood, of Kingston, objected that the amendment was too comprehensive, sanctioning the admission of Greeks, Italians simply on the strength of their military training twenty years ago, apart from actual service in the great war.

"Does the comrade really believe that any branch would admit men of that kind," A. H. Peart of Hamilton, asked.

J. Rigby of Ottawa, asked for a per capita vote, explaining that his branch had instructed him to demand it on any proposal to amend the constitution.

Comrade Ambrose, speaking to the motion, said that a considerable number of returned men in Hamilton were eager to join the association if the door was opened to them.

Comrade Slemin, Brantford, advised that the "door" be unlocked and the key thrown away.

Admit Men Who Got to France.

A. H. Peart, Hamilton, said this question would be dealt with by the Dominion convention, where he would support it He was particularly in favour of admitting conscripted men who got to France.

"I was opposed to this last year," S. Armstrong of Mt. Dennis said, "We wanted quality instead of quantity. We can still get quality by careful selection.

T. C. Moores of Ottawa, argued against the G.W.V.A. [illegible] "We would lose 100 per cent. of it if we open the door. The ladies, I don't think, would give their votes to us if we ever needed their assistance, if we let in everybody."

C. E. Haight.

"I'm very much opposed to allowing the entrance of any draftee who didn't leave Canada," said C. E. Haight, Toronto, who at the same time pointed out that ex-service men of other armies, who had been conscripted, might be admitted while Canadians of the same standing were excluded.

J. W. Hagey, of Kitchener, said that there were young men of that district who would have volunteered had their parents permitted them. Many of them were actually glad when conscription took them. He pointed out that it seemed hardly fair to debar such men.

"Rather than keep one good man out of the Association we would take a chance on admitting a dozen bad ones" was the comment of L. Evans of Galt. His branch was solid for the open door.

Draftees Help Make Record.

L. Taylor (Preston—"We should remember that the records of Canada were not made only during the period of the volunteers, but also during the time the draftees were in France. I'm not in favour of admitting 17,000 draftees who never left Canada. There is a large German settlement around Preston and we know that many of the boys there would have enlisted if they hadn't been swayed by their parents.

Make Better Citizens.

Comrade Pugsley, of London, advised that since the Association prided itself in its patriotism it would be preferable to absorb those who didnt volunteer, and thereby endeavour to raise their moral standard.

Strength in Unity.

J. Horsack, Westboro— "We will not become an effective force without the unification of soldier organizations. That unification cannot be accomplished if we exclude the men of other associations.

The eggs of a blue-bottle fly, if placed in the sun, will hatch in two or three hours.

CHATHAM TO HAVE GRAVITY FILTRATION WATERWORKS PLANT

Work on New System to Be Started in Three Months.

CHATHAM, March 17.—The Chatham Waterworks Commission, at a special meeting adopted a report of Major Adams, city engineer, in which he recommended a new rapid sand gravity filtration system as the solution to the local water problem. The proposed system will necessitate the scrapping of the old plant, and building an entirely new system with the intake pipe located several miles up stream at an estimated cost of $371,000.

The city engineer was instructed to prepare plans and specifications, to be approved by expert waterworks engineers. His offer of four per cent. of the total cost of the work as his fee was accepted. He estimates that construction can be commenced in three months' time. The usual money bylaw will be submitted to the ratepayers at a convenient date

JUVENILE BRANCHES RECOMMENDED BY ONTARIO G.W.V.A. CONVENTION

DELEGATES REQUEST GOVERNMENT TO ASSIST RETURNED MEN IN SECURING HOMES INDEPENDENT OF MUNICIPAL SCHEMES—ENDORSE BOARD OF COMMERCE.

MORNING RESOLUTIONS

After their round of pleasures last night, including the parade down town to the tune of the old marching song "Mademoiselle of Armentieres" the theatre party and the dance afterwards in the convention hall, the G.W.V.A. delegates were as bright and keen as this spring morning when they began their last day's work this morning.

President Jeakins' gavel worked over time under the pressure of business that preceded the election of officers.

Recommend Juvenile Branches.

The formation of juvenile branches for the sons of veterans was recommended by the resolution of J. H. Davidson of Riverdale, Toronto.

M. M. Hood, Kingston, urged the substitution of the word auxiliaries for branches stating that the question of membership was involved. He demanded a per capita vote but afterwards waived his right remarking that the question would come up at another meeting.

For Truck Farms

I. Turner, Ottawa, submitted a resolution seconded by A. H. Peart, Hamilton, requesting that the regulations of the Soldier Settlement Board be amended to allow aplicants to take small holdings of five acres and less for market and truck gardening was unanimously adopted.

A Separate Housing Scheme

Moved by M. M. Hood and Whitworth of St. Thomas, that the government be again urgently requested to deal at once with the housing situation, and to provide direct measure of assistance to veterans to build or purchase homes, by means of long term loans independent of the action of the municipality in which they live and that the administration of this scheme be placed under the Soldiers Settlement Board.

Mr. Turley Popular As Ever

West Toronto's annual resolution calling for the resignation of Secretary W. Turley was submitted by W. Payne, delegate for that branch, but was thrown out with prolonged cheering for the secretary.

Endorse Commerce Board.

The convention expressed its hearty support of the Board of Commerce and urged that it continue its activities with broader scope.

Would Pay Presidents.

A recommendation to the Dominion command suggests that the Presidents of the Dominion and Provincial commands receive remuneration providing they give their time solely to the duties of their offics.

Protest to McGill.

The convention passed a resolution of protest against the action of the Board of Conveners of McGill University for their appointment of a German professor, which resulted in the resignation of Dr. Elgar.

A resolution by Dr. Grant that the Ontario representative to the Dominion command be selected in open Council and be a non-voting member of the Ontario executive was altered by the amendment of H. Payne of Toronto, making the representative a voting member of the provincial executive.

J. E. Payne's resolution proposing that the pension age limit for the children of widows be extended to 21 years for boys and girls 18 was adopted.

"NIGHTY NIGHT"

"Nightie Night," which created a new fashion in farces during its all-season run in New York will start the fun rolling at the Grand Opera House, March 27th, Saturday matinee and night. This masterpiece of highly moral merriment—notwithstanding its pink pyjama girl—makes Adolph Klauber's sensationally successful debut as a producing manager. Only a few years ago Mr. Klauber was dramatic editor of one of the leading New York papers, and it was then he made the acquaintance of the two gifted authors of this thoroughly innocous but enormously amusing play, Martha M Stanley and Adelaide Matthews. The authors took two married couples, with one still more fiercely jealous husband, and tangled them up in a comedy that for twenty weeks drew capacity audiences to the Princess Theatre in New York. It is recommended as an outburst of fun that a man can take his wife to see without fear and trembling. Mr. Klauber in association with the Selwyns are sending the original New York cast, headed by Francis Byrne, and comprising such expert farceurs as Dorothy Mortimer, Suzanne Wills, Malcolm Duncan, Grant Mills, Ruby Craven, and Marie Chambers, all of whom are prominent in this domestic delirium.

BELMONTS WON ANOTHER GAME

INDOOR BASEBALL PLAYED AT THE ARMOURIES.

In the City Indoor Baseball League left the Belmont Club added another scalp to their belt last evening when they defeated the Y.M.C.A. by the score of 17-0.

Harrison, in the box for the Belmont was in his usual form and kept the "Y" guessing.

For the first three innings the game was a neck and neck affair but from then on the Belmonts practically had the game on ice.

The Line-up.

The teams lined up as follows:—

Belmont Club— Lowes, Holyman, Harrison, Jobbitt, Haskill, Head, Stuart, Darling and Moore.

Y.M.C.A.—Tudhope, White, Doughty, Bergoine, M. Long, Long, Flowers Armstrong, MacIntosh.

Umpires—Cobb and Williams.

END OF SCHOOL LEAGUE GAMES

QUEEN ALEXANDRIA SCHOOL WON THE CHAMPIONSHIP.

The Queen Alexandra School hockey team won the championship of the Peterboro Public Schools, from South Central on Thursday night, at the Brock street rink by a score of 2-1. The ice was in good condition, and the game fast.

South Central scored in the first minute. After a hard battle of about 20 minutes Manning evened the tally for Queen Alexandra. In the last five minutes Ash for Queen Alexandra broke the tie. South Central tried hard to score but could not pass the Queen Alexandra defence.

Mr. Steer, principal of the South Centrals handled the game in a most efficient manner.

Line up: South Central, Centre W. McDonald; Wings, K. Mien, W. Cowling, Rover, H. McDougal, Defence, M. McDougal, J. Morrison; Goal, Ed. Morrison.

Queen Alexandra: Centre, D. Cameron; Wings, S. Hamilton, F. Ash; rover, C. Ash, defence, T. Outram, G. Manning; Goal, F. Whitehouse; subs, H. Doughty, A. Baird.

PASTIMES WON FROM BRINTON CARPET PLACING THEM IN 3RD PLACE

Last night in the Business Men's Five Pin League in the play off for third place between the Brinton Carpet and Pastimes. The Pastimes rolled a strong game defeating the Carpet Bunch and winning third place. The Pastimes rolled in their second game a score of 1042. Aikins was high man of the evening with 620. King next 589, Cocks 581, Craig 547, rolling the total of 2802. For the Brinton Carpet Arrowsmith was high man with 564, Anderson 539, Bishop 536, rolling the total of 2527.

LINDSAY READY FOR BALL SEASON

CENTRAL ONTARIO LEAGUE CLUB ORGANIZED—CANON BALL SCOTT STILL THERE.

LINDSAY, March 18.—At an enthusiastic meeting of baseball fans here to-day it was decided to enter a team in the Central Ontario Base-Ball League. The folowing officers were elected:—Hon. Presidents, John Carew and C. M. Squier; President, James W. Anderson, Vice-Presidents G. A. Little, and A. F. Palen; Secretary-Treasurer, R. Butler; Managing Committee, M. J. Dedman, N. Mark, F. J. Carew, T. Bakogeorge, L. Richman, F. Martin and Ed. C. Armstrong

The prospects for a fast team are good, with "Cannon Ball" Ed. Scott on the mound and Coombs behind the bat.

Following are the delegates to the Central Ontario League annual meeting: James Anderson, R. Butler, M J. Dedman and F. W. Moynes.

A NEW FINE PIN LEAGUE WILL BE FORMED TO START NEXT WEEK

The Business Men's Five Pin League are starting a new league next week, i. all the team can be entered. Any new team wishing to enter should apply at once to the Water Street Alleys.

FINAL GAME OF THE LEAGUE

The last league game in the De Laval Bowling League for 1920 was played last night at the Water street Alleys, between the Midgets and the Crescents.

The Midgets won two out of three putting them third place. White Cap Murray's Crescents, stay in fourth place.

H. Allen was high with 541, he also had high single with 198.

A pleasing feature was the welcome return of our genial President, Mr. A. Robinson, who got away with a nice game of 533.

The following is the complete league standing.

Name	Played	Won	Lost
Giants	27	17	10
Separators	27	15	12
Midgets	27	13	14
Crescents	27	10	17

BOWLING

The Y.M.C.A. witnessed a lively match last night when George street Bowling Team won two from St. Paul's. The present standing leaves St. Paul's teams at the head of the first round with one match to be played to-night All Saints vs. St. Andrews.

George street won the first game St. Paul's the second, but the last game went to George street.

Next weeks schedule:—

Tuesday, March 23rd., at 7.30—George street vs. St. Andrew's.

Thursday, March 25th at 7.30 St. Paul's vs. Murray.

Friday, March 26th., at 7.30—Excelsiors vs. All Saints.

Scores:

BASEBALL

The Collegiate Institute and Machine Gun Company's team will meet in a City Indoor Ball League Game at the Armouries to-night.

"FLO-FLO"

"Flo-Flo" the delightful medley of music, comedy, costumes and pretty girls which John Cort will bring to the Grand Theatre on Wednesday eve, comes to this city following a solid year's run at the Cort Theatre, New York, and its successful Boston and Chicago engagements.

The musical concert, the book of which is the work of Fred De Gresac has brilliance and sparkle while the music by Silvio Hein is considered the most catchy of his compositions. The distinction of beautiful girls and exquisite gowns, a background of resplendent scenery and a star cast including Hazel Alger, W. J. McCarthy, Carl George, Eddie Lloyd, Augustus Buell, Rhea Norton, Elinore McCune, Marie Dantes, Robert Dale, Frank Masters and Frank Hodgins, a perfect thirty-six chorus and an augmented orchestra combined to make this organization one of the foremost now touring.

NEW ENGLISH BOOKINGS MADE BY TRANS-CANADA THEATRES FOR DOMINION

An announcement of great interest to theatre-goers is made by Trans-Canada Theatres, Ltd., the new All-Canadian theatrical organization. It has already been made public that Mr. Tyrone Power, now touring in "The Servant in the House" and "The Little Brother," will cover the same ground from coast to coast, next season, in "A Bunch of Violets" and "The Middleman." Further plans now embrace the return of this distinguished artist over the same territory in "Claudius," made famous by the late Wilson Barrett, and "The Red Lamp," Canon Doyle's fascinating romantic drama.

In addition to this, Mr. Power will be followed over the Trans-Canada circuit of playhouses next season by two notable All-English productions, —Grossmith's famous farce-comedy, "The Night of the Party," and a new play, "Lucky Durham," which has been drawing crowded houses throughout the English provinces, and which is still on tour across the water.

The success which attended the opening of Mr. Power's tour in "The Servant in the House" is being duplicated all along the route. From the middle West he will play that drama and "The Little Brother," in which he made a big impression in Toronto, alternately.

The All-Canadian tour of Mr. Wilkie Bard, the greatest of all comedians now upon the stage, will embrace two acts by Mr. Bard and a series of first-class vaudeville attractions in addition. The selection of the acts in which Mr. Bard will appear has not yet been made, but it will most likely include at least one in which he has never before been seen on this side of the Atlantic.

HAVE THE RABBITS INJURED YOUR TREES?

Now is the time when orchardists and other owners of trees are likely to discover that serious injury has been done by mice, rabbits and other rodents during the winter. Especially where a few young trees are situated some distace from the house or garden, the trunks are likely to have been gnawed during the cold weather, particularly during a winter when, as has been the case of this year, snow has remained heaped up around the trees for many weeks at a time.

Of course it is too late, for this season at least, to talk about preventive measures. The thing to do now is to find out how serious the damage, and take steps to prevent its being the cause of serious injury or even death to the affected trees. If only a small section of the bark has been eaten, the best thing to do is to smooth and if possible in an oval shape with the longest dimension running up and down the trunk. Then clean away any shreds of bark left within the wounded area and cover the whole surface with a pure, rather thick lead paint. Some authorities advise the use of other protective materials, such as coal tar, etc. The aim in any case is to prevent the introduction of moisture and the rotting of the wood while the bark makes new growth and covers up the wound.

If the trunk is nearly or completely girdled, that is, if the bark is eaten off over an area that almost joins around the trunk, the only thing to do is to practise bridge grafting. This is a technical, but not very difficult operation, in which twigs or cions are sharpened at both ends and inserted under the loosened bark at the top and bottom of the injured belt. These twigs may be put side by side an inch or so apart all the way around the trunk if necessary. Later, some of them may have to be removed while others may fail to make a union with the tree and may die and drop off. The remainder, in successful cases, will gradually grow together and supply the tree with a new channel for the movement of the sap, thus giving it a new lease of life. In the case of valuable trees, it is best to consult an experienced orchardist or tree surgeon who is familiar with this work.

AMERICAN MARKETS FOR BRITISH GOODS

An Interesting article in the January number of Anglo-American Trade, the monthly publication of the American Chamber of Commerce in London, deals with the sale of British goods in the United States. For months the Chamber has been endeavouring to increase British exports to the United States as one way of improving the exchange, and making it possible in turn for Great Britain to continue buying America goods. The Chamber has enlisted the co-operation of the best known advertising and merchandising associations in the United States in the development of a market in that country for British goods. A typical letter states that "any product made by a British manufacturer adapted to use in the United States should find a ready and profitable market." Another reply says that "a man who could come into these markets with a good old-fashioned article of wearing apparel with quality behind it, would be welcomed with open arms. We need linens, woollens, cotton goods, silks and the various articles manufactured from them." Other products which could be sold include linoleums, men's pipes, travelling rugs foods, sauces and condiments, fancy drugs, cosmetics and toilet articles, jams, etc., canes, and high grade motor cars. It is pointed out that there is a great field for the sale of British marine machinery and ship equipment. Regardless of cost, many British articles of this nature are specified by American naval architects, and the market for them in America is greatr than ever before. A suggestion is made from an American association that British firms who cannot now afford a special sales organization of their own in the United States should co-operate in the establishment of a consolidated sales bureau, with offices in New York and Chicago. British business is indebted to the American Chamber of Commerce in London for the assistance being given in working the United States market, and we hope their efforts will result in a larger trade volume on both sides.

Have shortening very cold before it is put into the flour.

Scrambled eggs should be served immediately to be at their best.

VOICE OF THE PEOPLE

To the Editor of the Examiner.

Dear Sir,—I understand a by-law is being prepared, to change the name Concession street to Armour street. Very well. But why change it from Armour street, to Armour Road, as was intimated in yesteday's paper. It would not alter the rural part of it, any to cut out "Concession" and still use "Road".

Yours truly,
MRS. J. O'DONOGHUE,
542 Concesion St.

We have Complete Outfits, including Table, Buffet, Arm Chair, and Five other Chairs .... **$85.00** as low as ....

"Montcalm"
A new model

Semi-ready Tailoring
is perfect fitting

Spring Top Coats—with shoulder-fitting supreme, and the drape hanging just right, tailored from new fabrics imported from England.

Semi-ready Company excels on fine fabrics, and on plain cheviots, meltons and serges, because they manufacture much of their own cloth in England.

Safe and Sane
You cannot afford to be without a Spring Top Coat to shelter you from the cool and often piercing breezes experienced in this climate at this time of the year. A reasonable and just price—this adds to comfort.

Style Correct
If style correctness is your thought, a Top Coat of the new fashion designed by Semi-ready should be a part of your wardrobe. The new styles are different—quite a bit more artistic.

Value First
Price-in-the-pocket labels in Semi-ready Tailoring are based on a "fair profit," less than the minimum fixed by Commerce Boards. Texture and fabrics are the basis of cost—and one can reckon on true value.

LOWER SLESVIG VOTES FOR GERMANY

DANES LOSE CHANCE OF RECOVERING THE TERRITORY IN PLEBISCITE BY NEARLY 3 TO 1.

COPENHAGEN.—The second Schleswig zone, including the important port of Flensburg, where a plebiscite was held on Sunday under the provisions of the Treaty of Versailles to determine the future nationality of the region, voted to remain German, according to the latest returns of the balloting. The figures, while unofficial, show the population overwhelmingly in favor of German nationality. With four districts still to be heard from, 48,148 votes were cast for German control and 13,025 for Denmark.

In Flensburg, according to official figures given out this morning the voting was as follows: Voters domiciled and resident in Flensburg, 7,589 for Denmark and 19,416 for Germany; voting on the part of those entitled to vote but not domiciled in Flensburg, 1,358 for Denmark and 7,495 for Germany.

The districts of Goting, Hedehusum and Utersun show Danish majorities.

The Extrabladet's Flensburg correspondent telegraphs that early today the Flensburg Avis newspaper office was wrecked by a German mob. The correspondent says that since the result of the voting has been known the Germans have become increasingly belligerent several Danes being threatened with shouts of: "Tomorrow all Danes must leave town—we will prepare a new St. Bartholomew's night."

A message from Tonderm, on the edge o fthe plebiscite area, says a German mob at Horsboel yesterday threw the local chief of the international police into the water. He has not been seen since and it is presumed he was drowned. Authorities have arrived to investigate the affair.

The International Commission, in control of the plebiscite, determined to run no risks of disturbances and had mounted machine guns at all strategic positions and armed squads patroled the streets.

It is charged by the Danes, however, that there was several cases in which Germans clandestinely used the names of Danish voters, who were thus prevented from using their ballots.

Th Flensburg correspondent of the Politiken telegraphs that he learns the International Commission, which, under the Peace Treaty, shall trace the new front ers, will be ready within a fortnight and the new boundary line will then be put before the Supreme Council at Paris for final decision.

Commenting on the result of yesterday's vote the Politiken says: "In this national reverse comes the consolation that we Danes, united, tried hard to recover what we honestly thought was ours."

SAYS GRIEVANCES WERE JUSTIFIED TO SOME EXTENT

(Canadian Press.)

TORONTO, March 19.—The Commission which investigated the Kapuskasing camp, finds that many of the soldiers' grievances were justified, that soldiers begiven the privilege of staying or leaving nd that compensation be given. Speedy action is urged in closing up the organization as it exists at present.

EXPERIMENTAL FARMS UP FOR CONSIDERATION

Conference at Ottawa this Week Will Deal With Them.

The important question whether the Provinces or the Dominion will conduct experimental farms is to be discussed at a gathering of prominent officials of the Provincial and Federal Departments of Agriculture at a conference in Ottawa on Wednesday, Thursday and Friday of this week. Bert Roadhouse, Deputy Minister of Agriculture for Ontario, with other high officials of the Ontario Department will attend and speak. Representatives will be present from all the Provinces of the most important agricultural gatherings of the year.

THIN, NERVOUS PEOPLE NEED BITRO-PHOSPHATE

Weak, thin people—men or women—are nearly always nervous wrecks; thus conclusively proving that thinness, weakness, debility and neurasthenia are almost invariably due to nerve starvation. Feed your nerves and all these symptoms due to nerve starvation will disappear.

Eminent specialists state that one of the best things for the nerves is an organic phosphate known among druggists as Bitro-Phosphate, a five-grain tablet of which should be taken with each meal. Being a genuine nerve builder and not a stimulant or habit-forming drug, Bitro-Phosphate can be safely taken by the weakest and most delicate sufferer, and the results following its use are often simply astonishing.

By strengthening the nerves, weak, tired people regain energy and vigor; thinness and angularity give way to plumpness and curves; sleep returns to the sleepless; confidence and cheerfulness replace debility and gloom; dull eyes become bright, and pale, sunken cheeks regain the pink glow of health.

CAUTION.—Bitro-Phosphate, the use of which is inexpensive, also wonderfully promotes the assimilation of food so much so that many people report marked gains of weight in a few weeks. Those taking it who do not desire to put on flesh, should use extra care in avoiding fat producing foods.

RHEUMATISM

This is just the season when Rheumatism with its grinding pain and stiffening of joints gets hold of you. Fight it with

Templeton's Rheumatic Capsules

Templeton's Rheumatic Capsules bring certain relief, and permanent results. They are recommended by doctors, and sold by reliable druggists everywhere for $1.06 a box, or write to Templetons, 142 King St. W., Toronto. Mailed anywhere on receipt of price.

Ask at McDermid & Jury's and E. Payne's Drug Stores.

SCRIVEN MEMORIAL UNVEILING MAY 24

Author of Well-known Hymn Honored by Monument at Rice Lake

MILLBROOK, March 17—The monument to the memory of Joseph Scriven, author of the hymn, "What a Friend We Have in Jesus," is to be unveiled at Scriven's grave in Pengelley Cemetery, Rice Lake, on Monday, May 24, at 2 o'clock. The Premier of Ontario, Hon. E. C. Drury, has promised to be present to perform the unveiling. All interested are cordially invited by the Memorial Fund Committee to attend. The spot may be reached by rail via either Millbrook or Port Hope, thence by carriage.

A Simple Way To Remove Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

CANADIAN CLUB MEETING

W. F. COCKSHUTT, M.P., SPEAKER.

The Canadian Club of Peterboro has arranged for a meeting to be held in the Empress Hotel on Monday, March 22nd., at 6.15 p.m. The meeting will be commenced by the usual banquet and after the banquet Mr. W. F. Cockshutt, M.P., of Brantford, will address the meeting. Mr. Cockshutt is widely known throughout the Dominion as one of the leading manufacturers and statesmen of the country and the Canadian Club feels that it is exceedingly fortunate in being able to secure him for the evening. Anyone desiring to have a seat reserved at the banquet will confer a favour on the Executive by notifying Mr. Graham, at the Empress Hotel of his intention of being present

1d 67 8268

OUTLOOK IS PROMISING FOR BUMPER FRUIT CROP

ST. CATHERINES, March 19.—The outlook at present is good for a bumper crop of practically everything in fruit this year because of the exceptionally favorable winter.

Thus far few if any contracts have been made by the growers of the Niagara fruit belt for the disposal of the coming season's fruit crop. Representatives of the canners have been through the district looking for contracts, but in view of the uncertainty as to prices so far not many growers have signed up for tomatoes cherries, peaches, strawberries, etc

There is a large demand for the Niagara belt yield by United States canneries and fruit concerns, but the growers here say they will not make any contracts with the United States firms until they hold a meeting to decide what this year's prices shall be.

FORMER JOCKEY TARAL RECOVERS HIS PROPERTY

WHITE PLAINS, N.Y., March 17.—By the admission of his wife's will to probate in the Surrogate Court here today, Frederick Taral, of Mount Vernon, famous jockey, will regain possession of his property, amounting to $18,000. Taral's property has been in the possession of the Alien Property Custodian. Just before the war Taral went to Germany to train horses in the stables of the Crown Prince. While there his wife, to whom he had transferred all of his property, died.

In the meantime war was declared between Germany and the United States, an the Alien Property Custodian seized Taral's property on the ground that he was trading with the enemy.

PICKING IMPERIAL SETTLERS

OTTAWA, March 17.—The Soldier Settlement Board has been advised by its London, Eng., office that the committee sent to England to select Imperial veterans for settlement in Canada is now operating. Already approximately 100 applicants have been approved. Of this number 35 per cent. have had experience in farming. These veterans will be required to spend at least one year on farms in Canada to become familiar with Canadian methods. Th others will be absorbed into the board's training establishment and will be required to spend at least two years farming in Canada before becoming eligible for the loan benefits of the act.

DOWNEYVILLE CORRESPONDENCE

DOWNEYVILLE, March 18.—The funeral of Mrs. Eugene Shine took place here on Friday last. Deceased died in Midland on Wednesday and was brought here on Thursday, the funeral taking place on Friday, Rev. Father Galvin officiating. The interment took place in St. Luke's vault. She leaves to mourn her loss, five daughters and three sons. Deceased was an old resident of Downeyville.

Mr. Joseph Houlihan who has been visiting, returned home is Saturday last.

Messrs. Charles S and Albert Lucas were in Lindsay on Saturday.

Mr. William Flynn, who has been working in the States for the past few years, returned to his home here Thursday.

Mr. Joseph Lucas, Jr., was in Omemee, on Monday.

Mr. Charles S. Lucas was a Omemee visitor on Monday.

Mr. Thomas Herlihy of Rochester, and Mr. Delaney of Douro, are visiting relatives and friends here during the past week. The former has not been here in 35 years.

Rev. Father Cote will address the parish here and all others who may attend on Friday night, March 19th. His thrilling experiences while overseas will provide an interesting subject. It will be held in the parish hall and a musical programme will be provided.

MY SPRING LAMENT.

Sing me no springtime roundelay—
Of sunny daffodils and cheerful birds;
These are but wrath-inspiring words
To him who has an income tax to pay.

The fleecy lambkin soon may skip and bound—
A stranger still at my too humble board;
The hen-yard may with braggart cries resound;
Let millionaires those pearly ovals hoard!

And what care I for leaping brooks and springs?
My leaky roof, my cellar pond's enough.
My household hints at Easter hats and things,
And no one heeds my chill and stern rebuff.

Let birds in happy tolly sing and mate;
Their bridal togs are furnished free of charge.
No tax return can vex one feathered pate;
The rent for nest and tree-space cant' be large.

No roundelays of spring can charm my heart,
When I behold how birds and beasts exist;
For them, the happy "Pollyanna" part
For me the plumber's bill, the grocer's list.

MARIE L. EGLINTON.

TRY MAGNESIA FOR STOMACH TROUBLE

It Naturalizes Stomach Acidity, Prevents Food Fermentation, Sour, Gassy, Stomach and Acid Indigestion.

Doubtless, if you are a sufferer from indigestion, you have already tried pepsin, bismuth, soda, charcoal, drugs and various digestive aids and you know these things will not cure your trouble — in some cases do not even give relief.

But before giving up hope and deciding you are a chronic dyspeptic just try the effect of a little bisurated magnesia—not the ordinary commercial carbonate, citrate, oxide or milk, but the pure bisurated magnesia which you can obtain from practically any druggist in either powdered or tablet form

Take a teaspoonful of the powder or two compressed tablets with a little water after your next meal, and see what a difference this makes. It will instantly neutralize the dangerous, harmful acid in the stomach which now causes your food to ferment and sour, making gas, wind, flatulence, heartburn, and the bloated or heavy, lumpy feeling that seems to follow most everything you eat.

You will find that provided you take a little bisurated magnesia immediately after a meal you can eat almost anything and enjoy it without any danger of pain or discomfort to follow and more over, the continued use of the bisurated magnesia cannot injure the stomach in any way so long as there are any symptoms of acid indigestion.

WHY IS IT

that chronic skin diseases which have defied all other treatments yield to Zam-Buk?

It is because Zam-Buk is germicidal, and also has such power of penetration that it reaches disease in the underlying tissues and cures from the "root" up. That is the only way a permanent cure can be effected.

Mr. H. C. Buckley of 461 E. Broadway, Portland, Oregon, says: "For chronic skin diseases there is nothing like Zam-Buk. For fifteen years I had eczema, and I tried an endless number of so-called 'eczema cures,' but nothing was capable of curing me permanently until I used Zam-Buk. Ten months' use of Zam-Buk has effected a complete cure."

For ulcers, abscesses, boils, ringworm, blood-poisoning, piles, burns, scalds and cuts, Zam-Buk is equally good. All dealers or Zam-Buk Co., Toronto. 50c. box, 3 for $1.25.

Zam-Buk

U. S. SENATE TABLED A "17TH" RESOLUTION.

BY VOTE OF 54 TO 21 REJECTED REFERENCE TO BRITAIN.

(Canadian Press.)

WASHINGTON, March 17.—The Senate to-day chocked off a St. Patrick's Day debate and demonstration, and cleared the way for the Peace Treaty debate, when a resolution that Britain should declare Ireland free was tabled by a vote of 54 to 21.

Faint and Dizzy Spells
Weakness and Shortness of Breath

You can generally tell when the heart is affected by the faint and dizzy spells, the shortness of breath, palpitation, throbbing, irregular beating, smothering sensations, weak, sinking, all-gone feeling, choking sensation, etc.

Many men and women becomes run-down and worn out when otherwise they could be strong and healthy if they would only pay some attention to the first sign of heart weakness.

No remedy will do so much to make the heart regain strength and vigor, regulate its beat and restore it to a healthy and normal condition as Milburn's Heart and Nerve Pills.

Mrs. C. A. S. Drake, Paris, Ont., writes:—"I have used on towards the second box of Milburn's Heart and Nerve Pills and find they have done me good. I had those fainting, dizzy spells, once in a while, and also weakness and shortness of breath, and would become so choked up at times I could hardly sleep without sitting up in bed. When walking too fast I would have to stop and try to catch my breath. I feel a lot better since I have used your pills and know that they have helped me wonderfully as I have improved very much."

Price 50c a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

STANLEY YOUNG WAS ACCIDENTALLY SHOT

(Canadian Press.)

HAMILTON, March 19.— Stanley Young died in hospital this morning as a result of a bullet fired by his brother Joseph, aged 13, while at target practice in the cellar of their home, with a 22 calibre rifle, which clogged and went off unexpectedly. Joseph is held by the police.

REVENUE FOR POLICE COURT

OVER FOUR HUNDRED DOLLARS ADDED TO TREASURY.

The O. T. A. continues to be the biggest revenue producer for the local Police Department. This morning two well-known young men pleaded guilty to contraventions of the Act—one in having liquor in a place other than a private dwelling-house, the other to drinking it in an unlawful place.

Mr. J. O'Brien represented the two thirsty ones, and in asking for the minimum fine, let out the fact that they were married men and needed their money to support their families to drive off the wolf from the door.

Two hundred dollars, and costs, apiece, pronounced the Magistrate.

The costs amounted to $9.10 — so the young men found themselves faced with the problem of raising a fine of $418.20.

The next case involved the same young men. A sixteen-year-old girl, who originally hailed from Kinmount, but has been living here for some time, pleaded guilty to the charge of vagrancy, in tears.

It is the same old story, as old as the world itself, and it is alleged that the girl has gone down into the depths of her own accord.

This was her second appearance before the Magistrate, for she is now out on suspended sentence on a theft charge. The Chief explained that all the efforts of Father Phelan to induce her to lead a life beyond reproach had failed. She still persisted in running around at night with questionable characters, and indulging in alcoholic stimulants.

"That is, she chooses a life worse than death. How can you, with any commonsense, choose such a vile life?" said the Magistrate. "It's a quick life and a quick destruction," he concluded.

After sentencing her to a term in the Home of the Good Shepherd, Toronto, a Catholic institution for fallen girls, not exceeding two years, Magistrate Dumble urged her to follow only the straight and narrow path, to lead a life of usefulness and service, and keep away from such characters, who sought nothing but her destruction.

In the neighborhood of Sydney, N. S. W., such fruits as the peach, nectarine, apricot, plum, grape, fig, cherry and orange are as plentiful as blackberries.

TURKS BECOMING PANIC STRICKEN

GOVERNMENT IS ON THE POINT OF FALLING.

(Special to The Examiner.)

LONDON, March 19.—The correspondent of the Post reported to-day that the Turkish Government is on the point of falling, as the result of the Allied occupation of Constantinople.

The Turks became panic-stricken when the Allied troops marched into the city, and organised resistance was quickly broken, he said.

British military officials have arrested Riouf Bey and Karavashif Bey, representatives of Mustapha Kamal.

URIC ACID IN MEAT CLOGS THE KIDNEYS

Take a Glass of Salts if Your Back Hurts or Bladder Bothers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyze the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rehumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes, and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure and makes a delightful effervescent lithia-water drink.

SOUTH AFRICAN ELECTIONS.

(Canadian Press.)

LONDON, March 19.—Discussing the South African elections the Manchester Guardian says there must either be a new election shortly, or General Smuts must be kept in office by Hertzogites or Laborites, probably by laborites who although extremists have been more in sympathy with Smuts than other parties.

RIDPATH RINK WON THE FINAL

CURLING SEASON CLOSES IN LAKEFIELD.

LAKEFIELD, March 19.—Langley's Rink being defeated, in the final games for the Championship of the local Curling Club, it remained for J. C. Strickland and J. W. Ridpath's Rinks to play off the finals. Mr. J. W. Ridpath being ill with the influenza and Mr. J. C. Strickland having to attend a council meeting on Monday evening, it was decided that the subs-skips should play off the finals. On Monday evening the rinks met at the Curling rink being lined up as follows:

Strickland Rink.

R. J. Jory, W. W. Leonard, C. S. Tanner, D. H Charlton, Sub-Skip 7.

Ridpath Rink.

J. E. Galvin, Frank Morin, Thompson Braden, B. Q. Dench, Sub-Skip 6.

The game was a very close and exciting game, at the end of the eleventh end the score stood 6 to 6 and at the 12th end after Charlton and Dench had cast a stone Dench had a lead of three, but with the usual Charlton luck, Dave Charlton through his stone which went into first place and Dench with his last stone was unable to knock it out which en ..led sub-skip Charlton and his men ... win the championship of the Lakefield Club which was also accompanied with 4 pipes for the boys worth $2.50 each.

The game was a splendid, close and exciting game all through and made a fitting climax for the last game of the season.

GEORGE STREET METHODIST CHURCH

The attendance at George Street Church last night was the largest of any of the week-night services since the campaign commenced, the body of the church being well filled. A large number of those present were young people, and several decisions were made for Christ.

Mr. Millson's text last night was taken from Romans 1, 16: "For I am not ashamed of the gospel of Christ, for it is the power of God unto salvation to everyone that believeth."

However much Paul may have been responsible for establishing the church to which afterwards he wrote his letter to the Romans, if we read his letter we will be immediately convinced that a number of the members of this church did not show up very well. There were many things that would cause one to be discouraged. Mr. Millson said he had seen many discouraged preachers in his time, and many who sometimes wondered if it was really worth while. But he had never seen a preacher who had as much reason to think of failure on the part of his people as had Paul. In the face of it all, however, Paul cries out, "I am not ashamed of the gospel of Christ." He wasn't ashamed to declare his allegiance nor his faith, even amidst all the criticism, slurs, sneers, and taunts.

"I want to say with all the positiveness of my nature," said Mr. Millson, "that I am not ashamed of the gospel of Christ. I am not ashamed because of what I know He has done for me, because of what I know He has done for others, and because of what I know He can do for you."

By the use of several forceful illustrations, Mr. Millson told his audience why he was not ashamed of the gospel because of what it had done for him. In dealing with the second phase, what it has done for others, the speaker pointed out that there are a lot of people who apparently have not gotten along very far in religion. They are failures in religion as well as in other things. When setting out for an ideal, however, why look at the failures? Let us rather think of those who have made a success of religion. We all know of people who have made a positive success of their religion.

"Because of what I know it has done for me and for others," said Mr Millson, "I am not ashamed to advocate this religion for my brother out of Christ. Your relationship to God is the most vital issue of your whole life. The longer you put it off, the harder it will be to make good. If you wait until you are perfectly sure in your own heart that you will make a success of religion, you will never find the kingdom. Do you believe in the religion of Jesus Christ? The greatest thing for you to do is to surrender your life to Jesus."

To-night is the last night of the series. In a campaign of this nature the last night is oftentimes the most crucial service of all. It is anticipated that a large gathering of earnest people will rally to this service. These services are not for George Street people only. Everyone is welcome. Mr. Millson will sing and speak to-night.

FIVE LIVES LOST IN QUEBEC FIRE

EXPLODING OIL LAMP SET HOUSE ON FIRE WITH FATAL RESULTS.

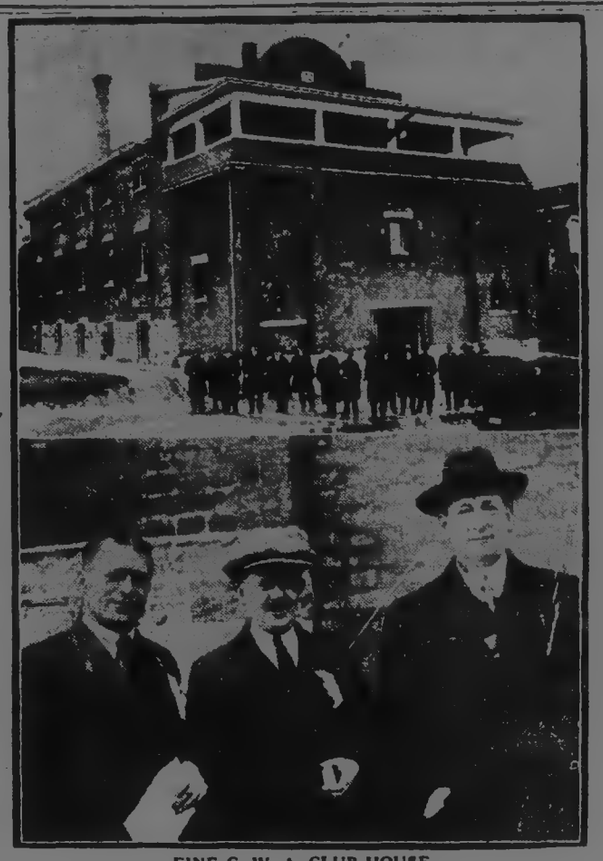
Canadian Press.

ST. JOHN'S QUE, March 19. — Mrs. Phillipe Lariviere, age 29, her brother in law, S. Bessette, aged 30, and three of the former's children, were all burned to death early to-day when their home was destroyed by fire.

The husband of the dead woman escaped with one child by jumping from a second floor window.

Another family living in another part of the house escaped in their night clothes.

The fire originated from an exploding oil lamp.



FINE G. W. A. CLUB HOUSE.

Above is shown the Peterboro G. W.V.A. Club House said to be the finest Veterans' Building in the Dominion. The photographer shows inset Provincial Secretary Turley on the left, Comrade O'Flynn, of Belleville, centre, President-elect, and President C. E. Jeakins.

G.W.V.A. RESOLUTION ON LABOUR STRIKES

The following resolution applying to the relations of G.W.V.A. members to organized Labour was adopted at this afternoon's session of the convention:

Whereas about 98 per cent. of our returned men are of the wage earning class and, we believe, support organized labour in general so long as the demands are just and made in a constitutional way, be it resolved that this convention pledge our moral support to labour in all their just demands, and use our best influence to discourage our members or other veterans from taking the place of striking workmen, or remaining at work in factories or other works where reasonable strikes are declared.

Make It an Offence

A petition passed this afternoon requests the government to enact legislation that will make it a civil offence for any employer to take advantage of employees receiving pensions in fixing their wages.

E. D. O'FLYNN ELECTED PRESIDENT OF ONTARIO COMMAND OF G.W.V.A.

E. D. O'Flynn was elected President of the Ontario Command of the G.W.V.A. by acclamation this morning. The other nominess were the retiring president, Rev. C. E. Jeakins of Brantford, Dr. C. E. Wilson of Toronto, R. A. McKessock of Sudbury, P. Hossack of Westboro.

"I feel that this occasion requires an officer who has had experience in executive work", said Dr. Wilson in asking that his name be withdrawn "We need a few "egg-crate wallops" to be delivered at Ottawa and I feel that we should make this unanimous for Mr. O'Flynn."

Peterboro may claim a share of the honours that have come to Lieut. Col. O'Flynn, because of his service overseas with the original 2nd Battalion, and especially through his connection as second in command of the 247th Battalion during its period of recruiting in this city.

Col. O'Flynn thanked the convention for the honour conferred upon him and said he would try to carry on the work begun so successfully by Mr. Jeakins.

The officers elected were:

1st Vice President—R. Harrison of Windsor.

2nd Vice-President—J. Hossack, Westboro.

President J. E. Jeakins was elected delegate from the Provincial command to the Dominion Convention.

SECOND GROUP LOCAL BONSPIEL

FINALS WERE PLAYED OFF LATS EVENING.

The finals in the second group of the local bonspiel last night resulted in W. R. Widdess winning by one shot over W. H. Taylor by the score of 15-5. The game was played on fine ice, which continues because of the slight drop in temperature, but the curlers cannot fail to see the bare sidewalks and roads and other signs of spring, and their thoughts turn involuntarily to motoring, going or fishing or some other summer sports far removed from curling.

The two rinks last night were:

J. Penrose	J. A. Madill
J. W Richmond	F. Bartlett
R. F Downey	J. E. A Fitzgerald
W H Taylor	W. R. Widdess
Skip 5	Skip 0

The wind-up of the curling will likely be scratch games. Next Monday is the annual meeting and a full attendance is requested.

There is one lighthouse to every fourteen miles of coast in Great Britain.

MEDICAL.

KLINE'S One Door North of Gordons Flower Store 430 George St.

COMMERCIAL AVIATION IN CHINA

ANOTHER VICKERS ENTERPRISE

That the Chinese are fully alive to the future possibilities of the aeroplane is shown by the fact that the Chinese Government have recently made a contract with Messrs. Vickers, Ltd., to spend £1,800,000 in developing an aviation service. The famous Vickers-Vimy-Rolls bomber type of machine was selected in the face of keen competition, the Chinese authorities having no doubt been largely influenced by the marvellous flight of this machine in crossing the Atlantic.

The Vickers-Vimy-Rolls commercial aeroplane, similar to those ordered for China dimensions are as follows:—

Overall length	42 ft. 8 in.
Overall height	15 ft. 3 in.
Span	67 ft. 0 in.
Gap	10 ft. 0 in.
Chord	10 ft. 6 in.

Two pilots are carried side by side, well forward, high up in the nose of the machine, thus giving a very wide range of vision. Two Rolls-Royce "Eagle" Mark VIII engines are fitted, developing a total of 750 h.p. In the event of one engine failing completely the machine can fly on the other engine at a speed of 70 miles per hour. The maximum speed is 110 miles per hour, the cruising speed 90 miles per hour, and the landing speed 45 miles per hour. Sufficient petrol can be carried for a continuous flight for six hours, which is ample for ordinary commercial and mail purposes, and, if necessary, extra tanks can be carried. The cabin, which is totally enclosed, has seating capacity for 12 passengers in separate armchairs. There are cupboards for light luggage and telephonic connection is installed between pilots and passengers. Ventilation and eating can be regulated to suit any atmospheric conditions.

For freight and mail carrying the seats in the car can be detached in a few minutes, leaving a floor area for 53 square feet. The maximum weight which can be carried is one and a half tons. Steel enters very largely into the construction of the machines, to meet the climatic conditions in China.

The establishment of the new aerial services will give a considerable impetus to commerce and open up new possibilities for enterprise in China. It must be remembered that there are practically no roads in China, but there is a highly-developed system of waterways, which will pay an important part in the working of commercial aeroplane routes, as aerodromes and supply and repair depots will have to be constructed on existing lines of transportation.

LEADERS IN THE G.W. A. CONVENTION.
Some of those taking a prominent part in the Provincial G. W. V. A. convention at Peterboro was snapped by the photographer, are shown above. They are top row, left to right, J. R. Bell, Toronto, member of the Provincial Executive; E. D. O'Flynn, of Belleville, First Vice-President of the Provincial Command; H. B. Williams, the only Indian attending the convention. Lower row, H. J. Staunton, Peterboro, member of the Provincial Committee. C. R. Wilkes, Secretary of the Parkdale Branch.

SPRING MILLINERY OPENINGS ARE LOOKED FOR IN PETERBORO

JADE GREEN, BLACK, JAY BLUE, MELON COLOUR, ETC., POPULAR FOR SPRING—CANADIAN HAT COMES INTO ITS OWN.

THE EASTER BONNETS FETE

The bonnets are restless—Easter was early this year—and for months back, as whirring machines swiftly braided and sewed the golden straw into various shapes, they had been accumulating on the factory tables each awaiting the proud moment when they would adorn my lady's dainty head.

Finally all were finished—the big machines stopped and hats that had mysteriously disappeared from their comrades' midst, reappeared once more, only this time a different color—the straw-colored ones giggled at first when they saw bright blues, pinks, red and green ones, also at the darker shades—but soon stopped when they found their dyed sisters had adopted a superior attitude towards them and were inclined to patronize—"they say we're just plain ordinary folks," whispered her chum to the one reclining gracefully beside her, at which even the frivolous hat was for the moment silenced.

Buyers Come.

Then one day strange men and women visited the factories, selected the styles that pleased them most and carried them bodily off to their wholesale houses.

It was quite an experience for the bonnets being whisked around in this fashion, and now in the second stage of their existence they found themselves spread out once more on tables or displayed on stands—a large number remained untrimmed, but again a number of comrades were spirited off into workrooms where to their astonishment they were covered with flowers, aigrettes, ornaments, feathers, ribbons, etc., or at least partially trimmed with them. These hats didn't like the fuss at first, but after catching glimpses of themselves in mirrors, reposing coquettishly on a little milliner's soft hair, they become absurdly conceited, and congratulated themselves that it had been a case of separating the sheep from the goats and that they had been the chosen ones.

Millinery Opening.

"It will soon be time for the wholesales' millinery openings to take place," announced the head lady one day, and the bonnets fairly trembled with excitement—finally the eventful day dawned.

Perched jauntily on stands or artistically arranged on tables the hats were looking their very best when the crowds came—retail buyers—this time they learned—then an interesting event happened.

Miss Peterboro, it appeared, had been also busy, keeping one eye sternly fixed on the H.C. of L., ever fearful of a further advance in the price of headgear, that she might have to do without her annual Easter bonnet.

Not as It Used to Be.

So musing, Miss Peterboro stood on tip toe in her cupboard whilst lifting down a dusty bandbox from the topmost shelf. Gingerly she brought forth, what every feminine mind knows as "Last Year's," tried it on and as usual discovered the same thing had happened again—it had grown away from her—no longer did it nestle cosily on her head, the flowers looked passe—any illusion she had preserved as to it having been becoming the previous season was forever dispelled.

Eying the offending bonnet disconsolately she suddenly brightened—she would visit the wholesale firms and refresh her soul by viewing the latest modes for spring—yes, and for summer, too—if the "Powers" that preside over each "creation" would let her.

Miss Peterboro's Visit.

That afternoon all thoughts of spring were momentarily banished, as Miss Peterboro sallied forth. They revived again presently.

Visiting a wholesale firm, first she was courteously received and ushered into a room where hundreds of shiny straw shapes sparkled and lured her to try them on—seeming to say "Don't pity us, we much prefer to be untrimmed—everyone knows it's the hats with nothing on them that are the most expensive and popular."

M. J. Turner, the Toronto representative of the firm, stated the colors for early spring to be jay blue, castor, tigger brown, leek green, blues of every kind, also a strong showing of black with later on a predominance of mauve for summer. The advance styles were small for spring, working gradually into large ones for summer. "Most of the hats are turned up—off the face," said he and agreed that probably the reason was that hats rolled up from the face add to "My Lady's" youthfulness.

Cellaphane the Slogan.

"Cellaphane flowers—cellaphane straw—cellaphane is the slogan this year," explained Mr. Turner, and whilst Miss Peterboro was endeavoring to learn to spell the name, showed her a box of gaudy, shiny pink ones—"the flowers are flat," he added.

"I don't like them at all," snapped Miss Peterboro. "Oh, but you will," reproved he—"one cellaphane flower will brighten a whole lot of old, shabby ones." At which Miss Peterboro became more thoughtful. Milan straw in black and white were featured and dainty shapes with gold or silver threads running through the straw. "3 N. Jap" straw was also popular—one hat especially—somewhat of a tricorn shape, beautifully pliable, with the front brim rolling back a considerable depth against the crown—woven hats—picturesque flops, with brims of black and white—or jay blue and white toques also were much in evidence.

The Canadian Hat.

Patriotically inquiring as to the "Made in Canada hat" she was told that "our people this year are expressing themselves as perfectly contented with the Canadian hat, and in spite of the American exchange American dealers are being hard hit. We are buying wherever possible in Canada, but a number of hats are being imported from the United States—we have, say, 110 manufacturers to probably 500 over there. No hats are being imported direct from Paris, or have been for about a year."

At another wholesale house jade green, black, melon color were among the advance shades, while French novelties were the hood and cap effects, a later idea than the tams, which, however, are still favorites, ribbons—navy blues, black, brown, etc., with pin stripes of red, green and gold are being used for trimmings—and, "yes, there are hats being imported from Paris this season," she was told here—"a shipment has arrived today." Paris hats are featuring a lot of lace (Chantilly), and there are many smart little veil hats with the veil just coming to the nose. Transparent hats will be much worn this summer.

Preparing for Summer.

"Those people who are continually prating about the rush and hurrying age we live in would have received a distinct shock if, with Miss Peterboro, they had visited still another millinery establishment. "Spring hats," echoed the lady in charge, smiling. "Oh, yes, of course, but our opening is almost finished; we are preparing for summer ones now. Yes, these dress hats are all made in Canada." Stepping from the gloomy old elevator into a veritable land of sunshine your gaze fell on palms, flowers, on a beautiful green rug, wicker chairs, a bower of apple blossoms, beneath which girls were tripping to and fro. To the left in rooms beyond one beheld vistas of what can only be termed "creations" and which would make the husbands of Peterboro matrons tremble for their bank rolls.

Sounds Good!

One charming little jade green toque with a jade arrow hatpin was most alluring, a beautiful close-fitting hat, with French blue georgette crown and cellaphane brim and flowers was adorable, while possibly the palm must be given to a stunning black toque, with cellaphane brim, rolled up from the face, black georgette crown and trimmed with one single black rose in front. A novelty was the ear-ring hat with cherries dangling coquettishly at each side, net crown and cellaphane brim. Reposing on one side was a beautiful golden or "melon" colored bonnet, which somehow looked familiar, and proved to be the frivolous straw which had come into her own.

A Great Chance.

"We've only one more big day now," she whispered, "that is the retail stores' millinery openings a week or two before Easter, and then we'll know who we belong to and our fate." She gazed hopefully at the visitor. "I'll watch out for you, comforted Miss Peterboro laughingly, as she turned to go, at which the melon hat fairly beamed.

"Altogether," Miss Peterboro told her friends later, "you have the chance of your lives this year. No one is confined to any particular style; people are realizing that it is their individuality that counts, as well as the color of their costumes, etc., so go to it, my dears."

BAKER WON'T COME BACK

Yankees' Third Baseman Announces He is Through With Big Leagues.

CHESTER, Pa.—Franklin Baker informed Frank M. Miller, manager of the Upland Baseball Club, this afternoon that he was done with the New York Yankees and would come with Upland this season. Baker said he was through with big league baseball, but was willing to play an occasional game with the Uplanders, with whom he played a couple of seasons ago.

With the announcement came an offer from John P. Crozier, millionaire manufacturer and sportsman, to finance an all-star team for Upland, and entertain the fans with the best baseball ever offered in the local field.

OBITUARY

The death occurred at his home at Madoc, Ont., on March 12th., of Rev. Edward Alexander Sanderson, a retirtired Methodist minister of the Bay of Quinte Conference, aged 85 years. The funeral which took place on Monday was under the auspices of the Orangemen of Madoc district of which deceased was chaplin.

His wife who was Miss Laura Allen, daughter of Dr. James Allen of Napanee, died several years ago.

The surviving members of the family are:—

Rev. E. George Sanderson, D. D. of Wisconsin, Frank, retired school teacher of Madoc, Rev. Richard A. Sanderson, of Minneapolis, Dr. Arthur Sanderson, Doctor of Dentistry, Grand Forks, N.D., Rev. Henry H. Sanderson, M. A. Boston, Mass., Mrs. Maxwell Cromie and Mrs. James White of Smith township and Miss E. E. Sanderson of Madoc.

The late Sandy Sanderson, G. T.R. Engineer, who lived in town several years was a son.

Mrs. Oscar Cromie and Misses Helen and Enid Lewis of Smith township, are grand daughters. Rev. S. Crookshanks, George street, Peterboro, is a cousin.

MRS. FREDERICK ALLEN.

Mrs. Frederick Allen of 292 Dalhousie street, died at 2.30 this afternoon after a short illness from pneumonia.

MRS THOMAS HARRIS

COBOURG, March 19.—Death came with startling suddenness to Mrs. Harris, wife of Thomas Harris, at her home at Gore's Landing. Besides her husband, she is survived by two sons—Fred, proprietor of the Rice Lake House, and Capt. Wilbert Harris, a well-known mariner on Rice Lake—and one daughter, Mrs. France, of Chicago. Up to the day of her death she was in her usual health.

GOSPEL HALL NOTES.

A good sized audience listened to Evangelist Harper in Gospel Hall last evening as he discussed the subject, "The Great Tribulation."

Interest is keen as the meetings draw to a close. Just two more meetings on the chart—to-night a large audience is expected.

Mr. Harper made it clear from the Word of God that no believer in Jesus would ever be left for the Great Tribulation as when the Lord comes every believer will be caught away. The events leading up to the closing of this dispensation all were visible to the student of Scripture, viz., lawlessness, apostacy, infidelity and many other signs were all spoken of as just preceding the close of the present condition of things.

Mr. Harper points out that the Holy Spirit would leave the earth during the Great Tribulation and that Satan would be in complete control, and exhorted every one who was not saved to make haste for the time is short.

SOCIAL AND PERSONAL

Miss Kathleen O'Bierne, who has been the guest of Mr. and Mrs. John Crane for the past few weeks returns home to-day.

Mrs. Alfred B. Lambe of Ottawa, is spending a few days with her sisters the Misses Rubidge, Stewart street.

Miss Kathleen Baker of Lindsay, is in the city visiting her grandmother, Mrs. Lynch, Elm street.

Master Harold O'Toole, 210 Perry street, left yesterday for New York City, where he will visit his aunt, Mrs H. Rosenfield. His many friends will be glad to see him around and hope upon his return he will be greatly improved in health.

WEDDING BELLS

FAULKNER—HARRISON.

A very pretty wedding took place at the Omemee Methodist parsonage March 17th, at 4.30 o'clock, when Ada, the youngest daughter of Mr and Mrs Wm. Harrison, Emily, became the bride of Elwood W. Faulkner, son of Mr. and Mrs. Andrew Faulkner, also of Emily.

The Rev. Mr. Herrington, of Bethel church, officiated, while Miss Della Faulkner acted as bridesmaid, and Mr. Gordon Harrison supported the groom.

The bride looked charming in a navy blue suit and black lace hat with touches of silver and wore the groom's gift, a beautiful pearl sunburst.

After the ceremony the bridal party returned to the home of the bride's parents, where the guests awaited them. A sumptuous wedding supper was served and the usual social hours enjoyed. The young couple received many useful and beautiful gifts. Mr. and Mrs. Faulkner left for their home amid showers of confetti and good wishes of the guests.

THE CLOSING EVENT

"You fought for right, truth and honour, you fought to make Canada and Great Britain better, you fought for a land of justice and freedom and for the sacred truth of Christianity. Your offered your lives in defence of these high ideals of right, truth and justice, and it is for you to maintain these ideals you have fought for. The honor and dignity of Canada is in your hands."

Such was the message, the inspiration to the expression of hope and confidence given to the G.W.V.A. convention by Judge E. C. S. Huycke, in proposing the toast to the G. W. V. A. at the civic banquet tendered to the visiting delegates last evening in the G.W.V.A. Hall at 8 o'clock.

This dinner ,the concluding function of the convention that opened Wednesday morning, will long be remembered by those participating as completing a most successful convention, and by the inspiring messages and confident assurances expressed in the G.W.V.A. by the different peakers.

The members left the city feeling that their efforts have not been in vain to make the G.W.V.A. the symbol of the ideals eulogized by Judge Huycke and which ideals they have constantly before them for not only Canada but for the whole British Empire.

The hall which for three days had been the centre of much strenuous debate took on a new aspect last night.

The banquet supplied to the convention a fitting finish and one which added to the estimatio of the veterans of Peterboro to whom the memory of the welcome extended to them by the city and citizens in their fourth Provincial convention will be ever a pleasant memory.

The catering of Hooper's, assisted by the Ladies' Auxiliary of the G.W. V. A., was spendidly carried out, and the menu lacked nothing.

Throughout the dinner the G.W.V. A. band played the old marching songs of the army, that carried the Veterans back two, three, four and five years, and supplied the atmosphere of comradeship of the trenches on which the G.W.V.A. is built.

Welcomed the Delegates.

President Robert H. Muir of the Peterboro Branch presided and previous to the dinner welcomed the delegates. Mrs. Jos. Mills and Mrs. W. R. Morris on behalf of the Ladies Auxiliary, echoed his words of welcome.

Following the toast to the King, proposed by the chairman and the singing of the National Anthem, the "Veteran's Song," by Comrade M. Park proved an enjoyable musical number.

In proposing the toast to "Our Empire, Alderman G. N. Gordon said in part: "The warmth of your welcome to the city of Peterborough is because of the service you have given to our Empire which toast I have the honor to propose. While the British Empire has always been great it has emerged from the struggle through your efforts greater than ever." Ald Gordon spoke on how firmly the war had bound together the ties of the Dominions. Justice, equality and fraternity form the basis of the empire, and also the basis of the G.W.V.A. The same principles which are maintained by the Empire are maintained by the G.W.V.A. and he believed they are making and building the greatest organization ever built in Canada for the good and service of the Empire. It is the greatest empire that has ever existed, the greatest empire that ever will exist and it will ever recognize and protect those nations that need it most.

Rev. F. E. Malott.

The seconder of the toast Rev. F. E. Malott, although called upon at a moment's notice, spoke on his subject in a masterful way. "Our Empire—not merely the British Empire—but our Empire, of which we are justly proud." The British flag, wherever it flies, stands for honor, justice and freedom, he said, continuing to dwell on the deeds and traditions of the Empire—traditions which have been upheld in all climes. The British Empire still has a mission to perform—to carry on the beneficent righteous rule over her subjects she always has and she will be greater than ever.

Mr. A. J. Bolwell proposed the toast to "Our City," expressing the pleasure on behalf of the citizens in having the Veterans come to Peterboro. He expressed the hope that they had seen the many institutions and advatages of Peterboro, of which we are proud and that they would carry away with them nothing but the most pleasant memories of their stay here.

THE TROOPS BOMB PUBLIC BUILDINGS

One Hundred Killed and Two Hundred Wounded in Street Fighting.

(Canadian Press.)

LONDON, March 20.— Ebert Government troops have bombed the public buildings at Leipzic in an attempt to dislodge the German workers' forces, and several hundred persons have been killed as a result, says a Berlin despatch to the Exchange Telegraph Coy.

The message says 100 were killed and 200 wounded in the street fighting in Berlin on Thurday.

A DEMAND FOR FARM LABOUR

LOCAL LABOUR BUREAU HAS NUMBER OF APPLICATIONS.

There is still a great demand for farm labour and the Labour Bureau now has 35 vacancies.

During the past week the Bureau had 38 applications, there were 40 vacancies, 31 were placed locally and one was transferred to Windsor.

VOTE ON DAYLIGHT SAVING

Vancouver Council in Favour of it.

VANCOUVER, B.C., March 19.— The Vancouver city council has formally endorsed the principleof day light saving and will probably exercise the power of local option in adopting it, provided the legislature extends the same privilege in that respect as last year.

PETERBORO MOTOR SHOW, APRIL 14, 15, 16, WILL SURPASS ALL PREVIOUS LOCAL SHOWS

The plans for the Peterborough Motor Show—to be held in the Armouries, 14th, 15th, and 16th April—are rapidly crystallising in all details.

In scope, extent, and variety of attractions, this year's Show shall surpass that of any previous year.

At a fully attended meeting of the Advisory Board of the Red Cross Association, which has undertaken to conduct the Show in behalf of and with the co-operation of the Health Association, all committees reported their respective arrangements to give Peterborough a real surprise.

All available space for auto exhibits has already been allotted, and the 1920 line-up of cars and trucks—latest models—will be as complete as any shown in larger cities. The enthusiasm of the local dealers is evidenced in their active preparation of their respective exhibits.

To the many features of previous years carried out by the several organisations that have always contributed to the success of the Show, will be several entirely new exhibits, novelties, and "stunts" of the different kinds appealing to all, and make the Show more than ever one that everyone can visit and enjoy.

No need to point out to the people of Peterborough why their support and attendance is expected. The worthy work of the Health Association in promoting the welfare of Peterborough places a duty on all of Peterborough's people to answer its call for support—the entire proceeds of the Show goes to help the Association in its work.

Apart from this, the Show this year will be "worth your money," in amusements, motor information, and from an educational standpoint.

Announcements will be made from time to time—but there are some surprises that will be held in store and remain a secret until the Show is opened.

COME ON, IT'S YOUR SHOW

VOTE FOR BY-LAW TUESDAY

To the Editor of The Examiner
Dear Sir,

Permit me to call the attention of the electors to the vote to be taken on the Canadian General Electric Company By-law on Tuesday next.

The extensions which the Company will make to their works here, if the By-law is carried, are very extensive. The illustrations given in Ald. Turner's letter are very striking—for instance, that they will be equal to a building fifty feet wide and extending from Hunter Street nearly to Dalhousie Street. Such an addition to our industries will certainly be of inestimable advantage to the City.

The Company's pay-roll is now about $120,000.00 a month, and with these additions, Senator Nicholls estimates that it will be about doubled.

A new industrial concern that would spend $1,000,000.00 in buildings and machinery and that would have a pay-roll of $120,000.00 a month, would be prized by any city, and that is what the Electric Company proposes to expend here, if the electors endorse the By-law.

If the By-law is not passed, the extensions will not be put up here.

And that is not all, for if the By-law should not be carried the Company will not only erect these additions to their factories in Toronto or Montreal, but future extensions will follow this one—and we will have no further large additions to the Electric Works here. That is something that we cannot afford.

It is in the interest of the City that this By-law should be endorsed, and I hope that the electors will turn out on Tuesday and support it. A little time given by each one on that day will help the City a great deal.

Yours sincerely,
A. A. McINTYRE, Mayor.

Treaty Comment

NEW YORK PAPERS REGARD THE DEFEAT OF THE TREATY AS A TRAGEDY.

"DISCREDITED"

NEW YORK, March 20.— Comment of the New York morning news papers upon the Senate's defeat of the peace treaty was as follows:

World:—"The commanding prestige that the United States won in the war has been frittered away, and the country after all its superb achievements stand before the world today discredited and without a real friend."

Times:—"Mr. Lodge might at any time have secured ratification with reservation sufficient for every reasonable purpose, reservations not obviously intended as dagger thrusts he has been beaten at his own game a most despicable, deadly game and upon him as leader of the Republican majority, the actual responsibility falls and will rest."

Tribune:—"The treaty's defeat is a tragedy whose poignancy is intensified by the Sordidness of the final scene, the country beholds the President wrecking a great undertaking for no better reason than because he could not unconstitutionally have his own way."

NOTED CANADIAN TENOR

Edward Johnson, the great tenor of the Chicago Opera Company, has returned after seven years absence. Mr. Johnson is a Canadian—a native of Guelph, Ont. He sang in New York as a choir boy and later in comic opera and then went to Europe. His Pagliacci—Vesti la Guibba (On With the Play), No. 64,840, his Victor Record costing $1.25, will delight every Canadian, and may be had in the Victrola Parlors of Ye Olde Firme of Heintzman & Co., Limited, George and Hunter Streets, Peterboro, Ont.

COMMUNIST PARTY FORMED IN BRITAIN

Ultimate Aim is to Create a Revolutionary Movement.

(Canadian Press.)

LONDON, March 20. — Steps are being taken in Great Britain to form a Communist Party affiliated with Third International, the ultimate aim being to create a Revolutionary Communist Party, says the Daily Herald, organ of labour.

It is hoped to form a party from a fusion of existing left wing organisations, the newspaper says, and in the meantime active work for the organisation of local Communistic bodies called Social Soviets, is going on.

Violent Fighting

ARMED WORKMEN CAPTURED ESSEN AFTER TWO DAYS HARD FIGHTING—HEAVY DEATH LIST.

EBERT IN BERLIN

(By Carl D. Groat, United Press.)

BERLIN, March 20.—Violent disorders growing out of attempts by the Radicals to institute a Soviet Government were reported from many parts of Germany to-day.

Armed workmen were reported to have captured Essen after two days' hard fighting.

More than 300 persons were reported to have been killed and many others wounded.

Social Democratic artillery was reported moving towards Susl.

Troops armed with machine guns and flame throwers, a despatch said, were leaving Unterkirchen near Stuttgart, for the disturbed areas in Westphalia.

Armed workmen were said to occupy the greater part of Westphalia, including the Ruhr industrial district.

Armed forces of Radicals also were reported in control of Bitterfeld, Langen Salza, and Meiningen.

The situation was reported acute, with armed conflict imminent in Muenster, Bremen, Thuringia, and Mecklenburg.

In Berlin the Majority Socialists have demanded of the Government immediate disarmament of all troops and other concessions, including participation in the Government.

It was impossible to obtain telephone connections outside Berlin, but motorists who came through the suburbs said that citizens in Schoenburg yesterday captured a truck loaded with retreating Von Kapp insurrectionary troops, and massacred them.

The dead were variously reported at from 50 to 100, with more than 200 wounded.

Scores were killed or wounded in yesterday's fighting in Berlin. The fighting was especially severe near the Brandenburg gate and the Adlon Hotel.

Additional fighting took place, at 11 a.m. to-day near the hotel, but as far as could be learned, none were killed.

One apparently reliable report said that President Ebert arrived secretly in the capital last night, accompanied by Philip Scheindmann, the Majority Socialist leader. Scheindmann will be entrusted with the organisation of the Cabinet.

LITTLE CHANGE IN THE LOCAL MARKET

MARKET WAS NOT VERY LARGE—PRICES UNCHANGED.

This morning's market was not as large as usual and the prices remained fairly steady.

Pork, per lb., 20c to 28c.
Potatoes, bag, $4.
Parsnips, peck, 50c.
Carrots, peck, 50c
Beets, peck, 50c.
Chickens, lb., 40c
Eggs, dozen, 68 to 70c.
Butter, lb., 70c to 75c.

Towards 12 o'clock prices took a slump and eggs were freely offered at 48c and 50c a dozen. Butter dropped to 63c, 65c and 67c.

SAYS CANADA NEEDS MORE FACTORIES AND SKILLED CRAFTSMEN

TORONTO, March 20.— "Canada ought to have more factories and skilled craftsmen and for the training of these, more technical schools," in the opinion of Rev. Thos. Carter, Ph.D., of London, England, a keen and interesting visitor in the city at present from India, where he is the general secretary of the famous Zenana Bible and Medical Mission.

Entente Neutral

ALLIES' REPRESENTATIVES CONGRATULATE GOVERNMENT ON SPEEDY REMOVAL OF KAPP

(Canadian Press.)

BERLIN, March 20.—Representatives of Great Britain, Italy, and Belgium in this city visited Vice-Chancellor Schiffer yesterday and congratulated the Government on "the speedy removal of the Kappist usurpers," according to a semi-official news agency announcement.

They assured Herr Schiffer, it is said, that the Entente representatives had not recognised the leaders of the revolt, but had remained sympathetic to the Constitutional Government, and expressed the hope that the new crisis caused by the general strike might be quickly overcome.

ENJOYABLE RECITAL ST. MARY'S CONVENT

"AN HOUR WITH IRELAND"—GOOD PROGRAMME.

A very enjoyable recital was given at St. Mary's Convent last evening; which entertained a large number of pleased guests, who thoroughly appreciated the talent displayed by those who took part.

An instrumental solo was given by Miss Marion Hayes which received much applause.

A play entitled "Those Shamrocks from Ireland" was an interesting feature of the evening. The characters were:—

K. O'Meara, E. McManus; E. Moore, M. Hayes; Annette, F. Giroux; Teresa, D. Garden; Mrs. Moore, B. Giroux; Mrs. Farrell, G. Primeau.

The audience was then entertained by Miss Mae Perry who deserves great credit for the manner which she played several Irish airs on the Hawaiian Guitar, which were much enjoyed by all.

A duet by the Misses Daily and Marjorie Evans was a pleasing number on the programme.

Miss E. McManus with her rich, steady voice rendered a most enjoyable solo, which delighted the audience.

A recitation was given by Miss D. Garden.

The "Hand Drill", by eight girls was very pretty; those taking part were: — Misses Mary Donoghue, Mary McPherson, Phylis Malane, Kathleen Burke, Vera Hiland, Dorothy Garden, Margaret Pape, and Helen Lynch. All who were daintly dressed and decorated with Shamrocks.

The closing chorus sung by twenty five girls, "Go Where Glory Awaits Thee" was much appreciated.

PETERBORO MEMBERS INTRODUCED BILLS

In the Legislature Mr. T. Tooms moved a bill, seconded by Mr. Halcrow, Hamilton, to amend the Ontario Railway Act, also a bill to ameud the Municipal Act, which was seconded by Mr. Asmussen of Kitchener. Mr. Ernest McDonald, of East Peterboorugh moved a bill to amend the Statute Labour Act.

Badly spotted tan shoes should be put on a shoe tree and scrubbed with soap and water.

DOMINION POLITICIANS HAVE UNEVENTFUL WEEK IN LEGISLATIVE MATTERS

Regulate Industry

ANOTHER PRESIDENTIAL DECREE ISSUED IN MEXICO ON OIL CONCESSIONS.

(Canadian Press.)

MEXICO CITY, March 20. — A presidential decree issued to-day authorises the granting of concessions for the exploitation of oil in territories belonging to the nation.

The decree provided that concessionaires must comply with existing laws regulating the petroleum industry, including their assent to organic petroleum law, which the future congress must enact.

In addition to affirming national dominion over both surface and subsoil of those national lands which are to be opened to exploitation, the decree reaffirms the national right to the subsoil of all oil lands in Mexico.

TWO THOUSAND CASUALTIES IN FIGHTING

(Canadian Press.)

LONDON, March 20.—There are many indications according to dispatch from Cologne to-day that allies are preparing to advance their concentrations of troops at Strassburg and Metz further into Germany, if that country does not quiet down soon, Exchange Telegraph Correspondent at Amsterdam reports.

Two thousand persons have been killed to date in fighting incident to German revolutionary movement and disturbances of past week, it is estimated in Berlin.

The capture of Essen was effected Friday by a Spartacan army of about one hundred thousand men with 77 guns and an equipment of armoured automobiles, according to advices from Aix-De-Chapelle to-day. The Spartacans proclaimed a Soviet Republic there.

HAMBURG—The German Schooner's Schwarzburg, Regensburg and Wittlesbach were taken possession of at Kiel without bloodshed yesterday morning by sailors at naval station after government troops in station had been disarmed, according to reports from Kiel received here. The officers on cruisers were deposed and white flag was hoisted over vessels. Captain off Wittleshach report adds committed suicide by shooting.

CANADA HAS A NEW STATUS AMONG THE NATIONS OF THE WORLD—NAVAL PROGRAMME NOT APPROVED.

LABOUR SHORTAGE

(Special to The Examiner.)

OTTAWA, March 20 The week at the capital has been far from momentous. The government has succeeded in the face of but little opposition in advancing certain of its legislative items through various stages, but there has been no controversy. Canada is now at peace with the Bulgars and in the course of the ratification of the treaty a number of striking pronouncements have been made with regard to the status of the Dominion among the nations of the world. Hon. Mackenzie King in the course of an extensive and obviously carefully prepared speech has placed himself on record as strongly in approval of the steps which have been taken toward the denning and recognition of the nationhood of the Dominion and as unalterably opposed to the relinquishment of any of the rights obtained in that regard. In this connection he struck a note more in accord with the life-long attitude of his predecessor, Sir Wilfrid Laurier than did Hon. W. S. Fielding, who has frequently spoken before. Incidentally to his pronouncement as above set forth was his suggestion that steps be taken to enable Canada to amend its own constitution and the statement of Hon. C. J. Doherty, to the effect that the government was already in communication with the provincial authorities with that end in view. The most important feature of the week perhaps was the rejection by the government caucus of the proposals of Hon. C. C. Ballantyne, Minister of Marine and Naval Affairs regarding the implementing of the Jellicoe report. Members plainly expressed themselves against any naval programme being adopted at the present time, the only exceptions being some of the British Columbia representatives who were attracted by the promise that Great Britain would supply the ships needed free of cost, and that Canada would be only called on to pay the cost of maintenance.

Western members declared that they wanted railway extension more than they did battleships. But the edict of the railway builders appears to be that there will be no railway construction in Canada this year excepting by Oriental labour. On this point it is said not only the officials of the Canadian Pacific are agreed, but also those of the National railways.

Oriental Labour.

Aside altogether from any sentiment for or against the entrance into Canada of Chinese railway men, in fact appear to be absolutely agreed that the labor situation in Canada at the present time is such as to preclude the possibility of railway construction without opening the bars to the entrance of Orientals. No plea has been made for their entrance but the inference is clear—there will be no railway construction of any consequence this year unless it is done by Chinese or Japanese. Western members combined during the week to demand the completion of the Hudson Bay railway the reply was "no labour," no man cares to openly advocate the solution of the question by Orientals. British Columbia members in particular object to committing political suicide by either advocating or condoning such action. It would appear that the deportation or voluntary departure out of Canada of a very large number of "foreigners" has created a situation which is acute. The men who in the past did the heavy work of railway construction are mostly gone and there is nobody to take their place.

THE C.G.E. BY-LAW WILL BE SUBMITTED TO RATEPAYERS THURSDAY, MARCH 23

THE PROPOSED EXTENSIONS WILL BE AN IMPORTANT ASSET TO THE CITY—POINTS TO CONSIDER.

To the Editor of the Examiner.

Dear Sir:—

On Tuesday, March 23rd, the electors of Peterborough will have to decide a question that is one of the most important for the future of the city that has ever come before them, when they will be called upon to vote upon the By-law to fix the assessment of the Canadian General Electric Co. It is not too much to say that the establishment of the electric works here was the foundation for the expansion of the City that has taken place. The increase in population in the last Dominion census decade was 63 per cent., which was greater than in any of the smaller cities of Ontario, including Brantford and Windsor. This was a remarkable record, and while other industries contributed largely to this growth, we should remember that the repeated enlargements of the General Electric Co's factory was a very important factor. The first factory building erected by this company was considered a large one, and rightly so considered, but it forms now a small part of the whole extensive plant of the company. The City is deeply, ever vitally, interested in the continued expansion of this industry. The company's business will continue to grow, and it will add to the employment it gives, and the question that will be decided on the vote on this By-law is whether this increased growth and augmented employment will take place in Peterborough or in Toronto and Montreal.

Two considerations should be taken into account. One consideration is the agreement that was made and the By-law that was passed in 1906, and the other is the extensive additions the Electric Company proposes to make now.

By-law Number 1228, passed on the 16th, day of May, 1906, provided that if the Canadian General Electric Company constructed buildings "of substantial material suitable for its manufacturing business at the cost of at least $200,000" the lands "personal and other property of the company for a period of twenty years, computed from the first day of January, 1911, shall be annually assessed for all purposes en bloc at the sum of $150,000 and no more as a fixed assessment, including business assessment, and the said lands and premises and property shall be for such time exempt from any further assessments."

At that time the Municipal Act provided that such a By-law should only be effective upon being favoured by a vote of two-thirds of all the electors on the voters' list. This was an impractible provision, impossible of being carried out, for even at an annual election that many electors did not poll their votes. The practice of the Council, in view of this, was to apply to the Legislature for the confirmation of industrial by-laws. Such an application was made with respect to this Electric Co. By-law. The Legislature confirmed it, except that they made the Company liable for full school taxes and made the period ten years instead of twenty. In regard to the period they said that the general law provided that "exemption from taxation or a fixed assessment shall not be for longer than ten years, but may be renewed from time to time for further periods not exceeding ten years at any one time," and that they would make the By-law comply with this, leaving the question of renewal for another ten years as it was in the general law.

The company now ask for that renewal. They say that they carried out their part of the bargain then made, which they did, and that the City can now carry out its part of the bargain by passing the present By-law and thus keep faith with the company. Senator Nicholls based his request on this ground, that they having done their part fully the City should keep faith and do its part.

It is true that, the Legislature not having confirmed the By-law as it was passed, the twenty years exemption is not legally binding. If it were this By-law now to be voted upon would not be needed. But the company acted in good faith, and went ahead and erected the buildings called for, and as the City can now carry out its part of the bargain if it wishes the company will consider it an act of bad faith if it does not do so. Thus one consideration facing us is, can we or should we refuse to pass the By-law and give the impression that the City will not keep faith and will back out of a bargain made if it finds a way of doing it?

The other consideration is the additions the company will make to its factory if the By-law is passed.

When he met the Council Senator Nicholls said that the minimum expenditure would be $500,000.00, but that Mr. Patterson had asked for still further additions. Since then Senator Nicholls has written to the Mayor and stated that $1,000,000.00 will be expended on these improvements.

The new buildings will include an extension from the concrete building to Albert Street, and one from that extension along Albert Street to the machine shop building. Also a building connecting the building next east with the extension along Albert Street, and one connecting No. 2 building, the second west of Park Street, with the stores building on Albert Street. Parts of these new buildings will be two stories.

The additional floor space will be over 108,000 square feet, and it will be additional factory space.

Let us try to visualize what 168,000 square feet mean.

The factory building of the Nashua Paper Co. (the old Cordage Works), which consists of three large working rooms (apart from storehouse, etc.) has a litle over 34,000 square feet, so that the new factory buildings of the Electric Company will be over three times that size.

If the Electric Company's new buildings were all of one story they would cover the whole block from Hunter to Simcoe Streets and from George to Water Streets, and al about one-quarter of the next block

The new buildings will have space equal to a building 50 feet by over 2,000 feet. That is, they will be equal to a building 50 feet wide extending from Hunter Street to Sherbrooke Street and on more than half way to Dalhousie Street.

When the Electric Company first came to Peterborough they erected building 272 x 100 feet with galleries This was looked upon as a large building, a great acquisition, and it was. Yet the new buildings now proposed will be about two and a half times as large.

When we realize what these extensions mean, can we afford to lose them?

The company is not free of taxes and will not be. In the past five years they have paid $75,587.18 taxes, or over $15,000.00 a year. The new buildings, if erected, will be assessable for school, local improvement and patriotic purposes, and at this year's rate the company will pay about $5,300.00 a year additional in taxes on those new buildings.

The company's pay roll now amounts to over $59,000.00 for each pay or half month, and Senator Nicholls calculates that with the proposed extensions the pay roll will be doubled in amount.

If a new company were coming here to put up a plant such as these extensions I think we would more quickly recognize the value of the addition to our industries, but we should apreciate what these extensions will mean to the City.

One of the industrial needss of Peterborough is more female labour. Canadian Woollens, Limited, have in contemplation further extensive additions to both their Auburn and Bonner-Worth Mills which will give employment to several hundred people. But they will require more female employees, as do other factories which are in contemplation, and these extensive additions to the Electric Works would give employment to many more men, which would mean more families and more female employees available for the other factories. Thus the expansion of the Electric Works, great as it would be, would be of even more benefit to the city than the additional employment that would be given there.

Peterborough has done well in industrial growth. But to give a proper impetus a large factory expansion is needed at the present time, and the additions to the Electric Works would provide the necessary expansion and furnish the required impetus.

It is an important matter that is to be decided on March 23rd, very important for the future of the City. If the electors do not endorse the By-law the company will look upon it as breaking faith with them, and they will not erect the new buildings here. If the By-law is endorsed the additional buildings will be erected and equipped with machinery and the additional employment given, and the good will of the company will be retained so that future extensions will be made here, including, I hope before long, the manufacture of electric locomotives, which the company intended to take up when the war broke out.

Yours sincerely,
J. J. Turner.

INFLUENZA IN ALASKA.

Oil Fields in Alaska Hit by Epidemic.

(Canadian Press.)

SEATTLE, Wn., March 20.—Influenza has spread among the scores of Alaskans who stampeded to the Katalla, Alaska, oil fields. The coastguard cutter Algonquin with medicine and doctors has left Juneau for the oil fields. The fields were recently re-opened when the President signed the Oil Lands Leasing Bill.

BAD COLD LEFT HIM WITH BRONCHITIS

However slight a cold you have you should never neglect it; if you do it can have but one result. It leaves the throat or lungs, or both, affected.

Bronchitis is one of the most common affections of a neglected cold, and neglected bronchitis the most general cause of consumption.

Dr. Wood's Norway Pine Syrup is just the remedy you require to cure the bronchitis. It does this by loosening the phlegm and mucous, and stimulates the weakened bronchial organs, allays irritation and subdues inflammation, soothes and heals the irritated parts and thus prevents it becoming chronic.

Mr. R. P. Sundblad, Francis, Sask., writes:—"I had a very bad cold which left me with bronchitis. I tried several cough remedies and oils of all kinds, but they all failed. At last I got Dr. Wood's Norway Pine Syrup and after using two bottles I have never had a sign of bronchitis since. I therefore can honestly recommend it for coughs and colds."

Don't accept a substitute for "Dr Wood's. The genuine is put up in a yellow wrapper: 3 pine trees the trade mark; price 25c and 50c. Manufactured by The T. Milburn Co., Limited, Toronto, Ont.

Are you reading the weekly Canadian letters, telling stories of suffering from skin diseases and how cure was effected?

Here is part of a letter from Mrs. Henry Harvey, Black Lake, Que. Write her if you desire.

"Ten years of eczema on the face. Treated unavailingly by doctors. A sample alone of D. D. D. cured me, etc."

The proof of the pudding is in the eating. When a prescription for skin disease has letters of cure and endorsement from nearly every city and town in the Dominion, surely it is enough to convince the most skeptical.

***Relief from itching torment is immediate.* Just try one bottle of D. D. D. today on our positive guarantee. $1.00 a bottle. Try D. D. D. Soap, too.**

D.D.D.
Liquid Lotion for Skin Disease

McDermid & Jury, Druggists, ... L. Payne, Druggist, Peterborough.

MIXED FARMING— THE RICH prairies of Alberta, Saskatchewan and Manitoba are especially suited for mixed farming. Land that will produce big crops of grain and fodder, and well adapted for dairying or livestock raising, can still be had at prices averaging about $18 an acre, with twenty years to pay if you wish. Only 10 per cent. down. No further payment on the principal until the end of the fourth year; then sixteen annual payments. Interest 6 per cent.

In Southern Alberta the Canadian Pacific Railway has developed the largest individual irrigation undertaking on the American continent. The irrigated lands are sold on the same easy payment terms, with prices averaging about $50 an acre. Loan of $2,000—with no security except the land itself—toward improvements made to approved settlers on irrigated farms. Twenty years to repay this loan. Six per cent. interest. Write for free illustrated booklet to C. D. LA DUE NORWOOD, C.P.R. Land Agent, Windsor Station, Montreal, Que.

BIGGEST WASHING BOOK IN THE WORLD

The "Register of Laundries and Laundry Marks" which is kept at Scotland Yard is undoubtedly the biggest "washing book" in the world, comprising as it does seven massive volumes ,with an eighth in course of preparation.

Herein are recorded particulars that render it possible for the police to trace the ownership of any piece of wearing apparel that has ever passed through the wash provided only that the laundry mark is decipherable

Many scores of criminals have been brought to justice through its agency, two of the most notable being the notorious station thieves, who were sentenced to three years penal servitude at the Old Bailey in 1904 Arrested on a minor charge, the men were found, when taken to Pentonville Priso to be wearing marked linen stolen from the railway passengers, and were indicted accordingly.

It is however in cases where unidentified bodies are found, under circumstances pointing to foul play that the Yard's "washing book" is most rigorously scrutinized. In one instance, that known at the time as the "Yarmouth beach mystery," over 300 laundries were visited by the police in order to ascertain if possible the ownership of a woman's undergarment, which bore what is known in the trade as a "customer's mark," but from which the establishment's private mark had been accidentally omitted

It was traced at last to a small hand laundry at Woolwich, whither it had been sent by a Mrs. Bennett. Twelve hours later the dead woman had been identified and her husband was in custody charged with her murder.

He had he though obliterated every clue. He had persuaded the woman to stay at Yarmouth under an assumed name. He had also by specious pretences got her to hide her identity in every other possible way. And he had decoyed her to a lonely part of the beach at dead of night, and there strangled her—silently, swiftly, secretly—while pretending to caress her.

But he overlooked the existence of that one little tell-tale laundry mark, and was hanged accordingly.

ANNUAL CONCERT COLLEGIATE INSTITUTE LITERARY SOCIETY

EXCELLENT PROGRAMME PROVIDED —INTERPRETIVE DANCE—THE GLEE CLUB.

The annual concert of the Literary Society of the Collegiate Institute, held in the Collegiate Assembly Hall last evening before a crowded house, was a complete success from every standopint. The excellent programme was run through with precision and the choruses of the Glee Club, the dances by the girls of the Institute, the piano solos, and the play, "His Model Wife," were admirably presented and demonstrated the musical and dramatic ability of the students of the P.C.I.

Chairman's Address.

Mr. R. Allen Lewis, president of the Literary Society, occupied the chair, and in his opening remarks referred to the work of the Society, its development of the oratorical, musical and dramatic talent of the pupils, and its aim of making the P.C.I. "the best little old school on the map."

Opening Chorus.

The programme began with a chorus by the Glee Club under the direction of Mr. C. S. Browne, B.A., "The Soldiers Chorus from Faust." The chorus was well balanced and the presentation of the number reflected great credit both on the members of the Glee Club and its director, Mr. Browne.

Dance—"Roman Games."

This was followed by an interpretative dance by the Collegiate girls, "Roman Games," under the direction of Miss Lenore Sanderson, B.A. The dance was presented with a grace and symmetry of movement that charmed the audience.

"By the Camp Fire."

Following this the Glee Club again demonstrated their talent in a chorus, "By the Camp Fire."

Interpretative Dance.

The girls then presented another dance, "Greek Maiden Playing Ball," at the close of which Miss L. Sanderson was presented with a beautiful bouquet of flowers in recognition of her untiring efforts in training the girls.

"Land of Hope and Glory."

The Glee Club next repeated the chorus, "Land of Hope and Glory," which was presented so successfully at the commencement exercises two weeks ago. At the close of the chorus, the director, Mr. Brown, was presented with a beautiful silver pencil on behalf of the members of the Glee Club in appreciation of his services.

Piano Solo.

Following this Miss Agnes Logan rendered a piano solo, "The Witch's Dance" by Sapellnikoff, beautifully.

"His Model Wife."

The best part of the programme, however, was reserved until the last when a charming little one-act comedy, "His Model Wife," was presented. Though the play in places smacked a bit of the amateurish, it was on the whole one of the cleverest and best presented comedies which local audiences have had an opportunity of seeing presented by local talent.

The story of the play is woven about the difficulties of Arthur Everett, an artist, who, unable to sell his pictures, applies to his missionary aunt in the Fiji Islands for assistance, claiming that he has entered the bonds of matrimony. All is well until on the afternoon when Everett is giving his first studio tea in his Washington apartment the aunt arrives on the scene. Everett and his chum, Robert Parks, arrange with one of Everett's models, Wilhelmina, to pose as Everett's wife before the aunt. At the tea are Mrs. Mumford-Wells, a society woman and John Potts a Congressman from Omaha, his daughter Bella, and Miss Perry, Everett's fiancee. Everett and Wilhelmina get into all sorts of complications in carrying out their deception, which is at last found out by the missionary aunt. All ends happily, however, with Everett and Miss Perry, and Parks and Wilhelmian united.

Harold Huff made an excellent artist and took his part well, while Wilhelmina interpreted the model's role in a charming manner and was the star of the cast. Margaret Malott was the missionary aunt and with Allen Lewis as Congressman Potts, supplied the 'character' impersonations which were excellent. Robert Breyfogle in the part of Everett's chum, Lenore Lyle as Mrs. Mumford-Wells and Marjorie Ingall as Eleanor Perry took their parts well and naturally, while Helen Thompson gave a charming impersonation of Bella Potts. Jean Elliott as the maid, supplied much of the comedy along with Lenore Wolstenholme as Patsy the washwoman's daughter.

The members of the cast and Miss M. J. W. Wallace, B.A., and Miss Pearl Faint B.A., who directed the production, are to be congratulated upon the all round excellence of the presentation.

FRECKLE-FACE

Now Is The Time to Get Rid of These Ugly Spots.

Do you know how easy it is to remove those ugly spots so that no one will call you freckle-face?

Simply get an ounce of Othine, double strength, from your druggist, and a few applications should show you how easy it is to rid yourself of freckles and get a beautiful complexion. The sun and winds of March have a strong tendency to bring out freckles, and as a result more Othine is sold this month. Be sure to ask for the double strength Othine, as this is sold under guarantee of money back if it fails to remove the freckles.

WHEN NOISE CEASES AND MUSIC BEGINS

PROFESSOR BRAGG GIVES ORIGIN OF RHYTHM AND EXPLAINS HOW IT ALL STARTED.

By what magic is that enchanting difference obtained which one detects between music and noise — between the strains of a violin or grand organ and the sound made by the coalman when the empties a sack into the cellar? This, in effect, was the question put and answered by Prof. W. H. Bragg, Quain, professor of physics at the University of London in a lecture on "Sound and Music," given recently at the Royal Institution, with many interesting experiments and illustrations. The lecture hall was crowded.

Professor Bragg said that primitive man, when he first felt the impulse to make music, operated on wood To illustrate this the lecturer, amid laughter and cheers, ran up the scale of notes by the simple means of throwing pieces of wood on to the table. Sounds, he proceeded, were quiverings and pulsations caused by movements. A wave of a hand produced no sound, but if it were possible to repeat it thirty or forty times a second a booming sound would be heard. A uniform note was made by a rapid succession of pulsations. Professor Bragg illustrated his arugment by passing the edge of a knife rapidly over the covers of two books. One of the covers, having an even surface, gave forth only a sound, while the other, which had an irregular surface, and therefore caused numerous pulsations, yielded notes of quite a musical kind. Dealing with the question of how many times the same thing must occur to produce a note Professor Bragg, with a tuning-fork, sounded four different notes, and said the vibrations per second verse, respectively, 256, 320, 384 and 512.

Strings and pipes, said the professor, were the basis of musical instruments. A drawn string, when touched, made a low sound. It must be mounted on wood, as in the case of the violin, to send its vibrations into the air. Piles came before the stringed instrument. It was discovered that a note could be sounded by blowing across the mouth of a pipe provided the end of the pipe was closed. The lecturer, by means of a tuning-fork and a long, narrow glass jar, which he gradually filled with water, produced notes which grew louder and louder as more water was poured in, thus increasing the movement of air in the vessel and the number of its vibrations in a second of time. Variety of notes can be obtained by the use of pipes of different lengths. In this way, as the lecturer showed, the scale of notes is produced from an ordinary whistle—the tube of the whistle being shortened according as a finger is lifted from each hole, going upward.

MOOSEJAW POLICE GET INCREASE OF 10 . CIVIC EMPLOYEES LOOKING FOR 20.

MOOSE JAW, Sask., March 20.—At the meeting of the police commission it was decided to increase the wages of the members of the police force by ten per cent. No agreement has yet been reached with the civic employees who are demanding a twenty per cent increase in wages.

Is the Birthright of Men and Women

It all Depends Upon Good Blood and a Normal, Healthy Circulation

Men and women who are anaemic, thin, pallid, all run-down, dejected; no energy, no strength and no vitality, miss all the joy of life—are prone to disease, and a burden to themselves and families, and their lives are shortened by this condition.

Here is a guaranteed non-secret remedy, and if you have drifted into this condition, why not take advantage of your druggist's guarantee and give VINOL a good trial.

You will certainly find that in a very short time your appetite will improve—it will enrich your blood, quicken your circulation, and strength and vigor will be imparted to every organ and muscle in your body and the bloom of health will return and life be worth living.

The reason physicians recommend VINOL is because they know it contains iron in its most easily assimilated form, together with the tissue, flesh and strength-building elements of cod liver and beef peptones and glycerophosphates, which are recognized as the best blood and body building tonics known.

WINNIPEG TO BE AVIATION CENTRE

Will Be Hub of Aviation in Western Canada Flights to American Cities.

WINNIPEG, Man., March 20.—Winnipeg is expected this coming season to become the hub of aviation in Western Canada. Preparations are being made by the local companies to run aerial service from Winnipeg to the beaches. A service between Winnipeg, Minneapolis and St. Paul will be commenced, while flights will be made almost daily to the various towns and cities within a radial distance from the city. A scheme for a service of large passenger and freight machines connecting Winnipeg with towns and cities east, west and south is being projected. Winnipeg will be the northern station and will act as terminal, and will also be a stopping place for all trans-continental flights in Canada.

INDIANS ON LAND.

Indian Farmers Will Have More Under Cultivation Than Ever.

(Canadian Press.)

REGINA, Sask., March 20.—The officials here are organizing a program of farm work among the Indians this year. Indications are that more land will be under cultivation than ever and the Indians will contribute to small share of the increased production of the province as a class. The livestock of the Indians has wintered well and when spring work begins the farmers among the Indians will be ready with horses good shape to stand the work.

ONLY TABLETS MARKED "BAYER" ARE ASPIRIN

Not Aspirin at All without the "Bayer Cross"

The name "Bayer" identifies the only genuine Aspirin,—the Aspirin prescribed by physicians for over nineteen years and now made in Canada.

Always buy an unbroken package of "Bayer Tablets of Aspirin" which contains proper directions for Colds, Headache, Toothache, Earache, Neuralgia, Lumbago, Rheumatism, Neuritis, Joint Pains, and Pain generally

Tin boxes of 12 tablets cost but a few cents. Larger "Bayer" packages.

There is only one Aspirin—"Bayer"—You must say "Bayer"

Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monoaceticacidester of Salicylicacid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

Bona-Fide Bargains in New and Used Pianos

People who have considered a New Piano beyond their means will really appreciate these Bona-Fide Bargains:

"Peterborough Presents Possibilities Unsurpassed."

SATURDAY, MARCH 20TH, 1920.

A SUCCESSFUL CONVENTION.

The complimentary banquet tendered by the city to the delegates to the Ontario Great War Veterans' Association convention last night, was a fitting wind-up to a most successful gathering. The convention was notable for the amount of business that was transacted and for the orderly and harmonious nature of the proceedings. A large number of matters, some of them of a nature to bring out widely varied opinions, were dealt with in a business-like fashion and the meetings revealed debating power of no mean ability.

Incidentally the manner in which President Jeakins, of Brantford, presided over the sessions of the convention was a revelation It would have been a splendid education for budding aldermen and mayors and other aspirants for public office to have been present during the convention to watch the way in which the Veterans' president kept the meetings in order, the speakers from straying from the point at issue and the business of the gathering proceeding smoothly and briskly. There was no lost time, no deviations from the issues under discussion, and harmony and good will prevailed.

The convention has acted as a clearing house for the local branches in Ontario, enabling them to express their views on various problems in concrete fashion so that they may be considered at the Dominion convention in Montreal next week when the programme of reforms that will be placed before the Dominion government will be finally prepared.

CONGRATULATIONS.

The election of Major E. D. O'Flynn, of Belleville, as president of the Ontario Command of the Great War Veterans' Association is being received with as much satisfaction in Peterborough as if a local man had been honoured by being chosen for the position. In fact "Eddie" O'Flynn is looked upon as almost a Peterborough citizen, and with reason, for he has been closely connected with the military history of this city since the war began. Going overseas with the 1st Canadian Division, he fought with the Peterborough men in the 2nd Battalion, and when, after many months' service, he was invalided home, he was appointed second in command of the local 247th Battalion. In that capacity and as manager of the crack 247th Battalion hockey team he was brought into contact with hundreds of Peterborough citizens and made a host of friends who will unite in congratulating him upon his unanimous election as president of the organized body of Ontario's fighting men. President-elect O'Flynn should be a tower of strength to the G.W.V.A. He is a real veteran, a lawyer of ability, a speaker who can discuss public issues with clearness and conviction ,and a man with the ability to make and hold friends. Under his guidance the Great War Veterans' Association should continue to prosper and to advance as it has done since its organization.

A COSTLY FAILURE.

The report of the commission which investigated the conditions in the soldiers' settlement at Kapuskasing shows that the complaints made by returned soldiers and other citizens were well founded. The investigation has shown that this costly experiment of the Hearst government was almost a complete failure and the late Administration stands indicted on two counts, first that the fitness of the soldiers for pioneer work was not sufficiently considered, and secondly that although the government knew for a year that the conditions were not satisfactory, no real effort was made to remedy the situation "Consideration of the figures," declares the report of the Commission, "shows that the Province has spent a large amount of money for very small returns and your Commission is of the opinion that the unsatisfactory conditions should have been dealt with at a much earlier date. All the essential facts stated in this report were known to those in authority at least twelve months ago."

sent has been totally condemned by the Commissioners who urge immediate action upon the government in in closing it up as soon as possible. It is recommended that the soldier settlers be given the privilege of either remaining in colony or leaving. In the event of his deciding to leave the Commissioners believe that the soldier should be recompensed for the work he has done and the buildings erected and should also be given free transportation to any part of Ontario to which he may desire to go.

It has been claimed that a condemnation of the scheme would be a poor advertisement of the district as an agricultural country, but the Commissioners show that such an opinion should not be formed as a result of their report. The possibilities of the district from an agricultural standpoint do not enter into the question for as the report points out, "little or no weight out to be attached to the statements of the Kapuskasing soldier settlers with reference to the agricultural possibilitiles of that district. Their knowledge of the best methods of treating the soil and of general farming operations in such a district was entirely too limited to entitle their judgment."

THE ONE BIG ISSUE.

In a letter to the Examiner to-day, published elsewhere in this issue, Mayor McIntyre emphasizes a point in connection with the Canadian General Electric Company's by-law that should not be lost sight of by the ratepayers. His Worship makes it clear that if the measure is defeated on Tuesday that Peterborough will not only lose the proposed extensions to the Canadian General Electric Company's plant, but that all further extensions made by the company will be built elsewhere. In other words an adverse vote means that the C.G.E. has reached the limit of its expansion here. "That is something that we cannot afford," says the Mayor, and he is right. If Peterborough wants to develop into a bigger and busier city she certainly cannot afford to turn down a proposition that means the spending of a million dollars on buildings and machinery and the doubling of the present pay roll, which now averages $120,000 a month. The matter should be looked at in a broad light. There are a lot of petty issues that are being dragged into a discussion of the measure that fade into insignificance alongside the one significant fact that if the people fail to vote in sufficient numbers for the Canadian General Electric by-law on Tuesday, Peterborough will lose the new plant and all other extensions the company may decide upon in the future. That is the one big issue, and the only one that should be considered.

There is no question that if the proposition was to grant similar concessions to a new industry that promised to establish here on the scale offered by the C.G.E. the measure would be enthusiastically supported. There should therefore be an even warmer response on behalf of the company which has been such a factor in building up Peterborough—a concern that has in the past five years alone paid over $75,000 in taxes here. The amounts are as follows:

1915—$12,746.46.
1916—$13,090.82.
1917—$14.3 6.44.
1918—$20,816.46.
1919—$14,567.00.

The Examiner agrees with Mayor McIntyre and Mr. J. J. Turner that this by-law should be endorsed by the ratepayers and hopes that every friend of Peterborough will turn out and vote for the measure on Tuesday.

FREE SITES AND EXEMPTIONS.

The old question of the advisability of granting free sites and exemption from taxes for a number of years to industrial concerns coming to Kingston has again come to the fore, and it would appear to us that however much objection can be urged against the system, the city is powerless to oppose it, for the simple reason that other cities are continuing it, and are hereby attracting industries. It would therefore not be wise to hamper Kingston's efforts by refusing these favours.—Kingston Standard.

REDUCTION OF CREDITS.

Smaller stocks in the hands of merchants will be the order of the day in Canada, so far as the bankers can bring it about. Pressure is being brought to bear to this end, and it is said thta banks are carrying commercial credit closer than for some years, and urging their borrowers very strongly to keep their stocks at a minimum. They are also discouraging to the utmost applications for increased credit. While there is a great demand for money, it is a fact that money is scarce. One reason for the attitude of the banks is a desire to reduce the volume of credit, which has been extended to an embarrassing extent, and another is to protect the merchants themselves against losses when prices come down, as it is believed they will come down. Already a few classes of commodities show a reduction in price, but, on the whole, there is as yet little change. It is probable that the attitude of the banks towards manufacturers' credits is not quite so pronounced, especially where the article produced is one of necessity.

The whole situation is made more difficult by the high levels of prices, which makes it necessary to ask for a greatly reduced amount of credit in order to carry what would have been a few years ago only a normal stock. The fact is, the amount of money available is not large enough for the volume of stock many business men would like to carry.—Toronto Globe.

ADDRESSED THE HIGH SCHOOL CLUB

MR. G. A. GILLESPIE WAS SPEAKER LAST EVENING.

Mr. G. A. Gillespie addressed the High School Club of the Y.M.C.A. last evening on "The Industrial Development of Peterborough." Mr. Gillespie traced the industrial history of the city from early days and pointed out the importance of Peterborough in the industrial world. In conclusion he gave advice to the boys who, he said, would within the next ten or fifteen years be directing their city's development and business life.

BIG STEEL PLANT.

Powerful British Company to Locate in British Columbia.

(Canadian Press.)

VANCOUVER, B.C., March 20.—That a powerful British iron and steel company will locate in British Columbia and establish a complete plant for turning out all products of the industry is the word reaching Vancouver from England. Work on preliminaries connected with the firm's flotation for activity in this province has already started. The company will be capitalized at five million pounds sterling, and will work here with an established coal company having rail and water connections. Native ores of British Columbia are to be utilized.

Your Most Important Deal

When a man applies for Life Insurance, he is taking up the most important deal of his life, for, presumably, he will not be here when it is settled.

How important then that he select the best obtainable.

The record of the SUN LIFE of Canada for the past 49 years of its existence, has been an unbroken march of progress obtained through square dealing, and the past year has surpassed all others with its assets of over ONE HUNDRED MILLION and Income of TWENTY-FIVE MILLIONS and surplus on Government Standard of over THIRTY MILLIONS. Where can you find its equal?

Is it not to your interest therefore to place your Life Insurance with the Sun Life of Canada?

SANDRA THE JEALOUS

BY JANE PHELPS

SANDRA IS DELIGHTED TO DANCE WITH HER HUSBAND.

CHAPTER LXXVI

I did not tell Everett that I had lunched with Irma Barton. I spoke of my call at the hospital, told him Thomas would soon be at home, etc., But he was singularly distrait, seemer scarcely to know I was talking. Suddenly he spoke:

"Are you happy, Sandra?"

I dropped my fork in my surprise. "Why—sometimes."

"But you are unhappy often."

"I can't help being unhappy when I am left alone, and when you do not want me to have any young company or anything. I was used to so many people at home—not servants, but the boys and girls, and people who cared for me."

"And now you have no one who cares?"

"No—" I purposely misunderstood him. "Of course Alice Sloane and Dagmar Stewart may like me; they wouldn't ask me to their homes if they didn't. But no one really cares like the folks at home."

He said nothing more, but lapsed into silence again.

After dinenr was finishel he went to the telephone and called up the theater. He then turned to me and said:

"Run up stairs and fix your hair a little. We will go to a new play that opens to-night. It may amuse you."

I was not particularly anxious to go; my mind was too full of what Irma Barton had told me, and of amazement at his questions about my happiness. But he had said "It may amuse you." He had thought of my pleasure. That made me happy, and I hurried up stairs, humming a little song as I went.

As I passed the door of the brilliantly lighted library, I glanced in, and Leola's pictured face seemed to be looking at me with something like hatred lurking in their depths. Did she know I had taken her place and did she hate me for it? Some day soon I would ask Everett if that picture might not be put somewhere else—in the other room where I wouldn't see it so often. But first I must let him see more surely that I too was going to have my own way as she had had hers.

The play was delightful, and afterward we had supper. Everett was kind, and when he saw me looking enviously at the dancers he said:

"Would you like a turn?"

"Oh, Everett!" it was all I could say because of my combined surprise and delight.

"Come on, then. But remember, Sandra, you are never to go on the floor of a public place with anyone but me." I made no answer; I hadn't time, for just then he swung me off into a waltz.

"Good evening," a voice said just as we had seated ourselves after a delightful dance together. "How do you do, Mr. Graham? Your wife has no doubt told you of our meeting."

"Yes."

"May I have this two-step, Mrs. Graham?"

I looked helplessly at Everett. But he mad no sign that he intended to help me out. So I said:

"I never dance in public, Mr. Kemp, excepjt with Mr. Graham."

"Break your rule to-night, please? They say I am not such a bad partner."

"Mr. Kemp is a finished dancer, Sandra, yet that is scarcely a reason you should make an exception in his favor is it?"

"No, indeed !Someone who doesn't dance as well might ask me and be hurt by refusal, might think it is because of their awkwardness, you see."

Everett's smile was reward enough, altho I had desperately wanted to dance with Mr. Kemp. He took his dismissal gracefully and left us.

"Thank you for helping me out," I said to Everett."

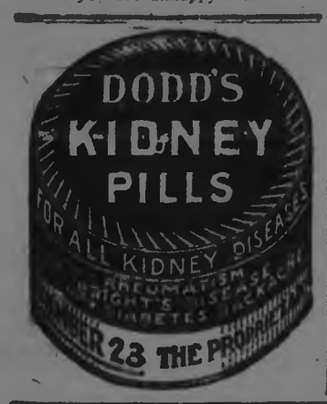
"I'll always help you when you try to do the right thing." Then: "We'll dance part of this two-step, and then go."

I knew he had had no intention of dancing again, and it more than made up to me for my disappointment.

"I've had SUCH a nice time." I said,as we reached home. "Thank you, Everett."

Before I slept I went over all Irma Barton had told me, all I had learned about Leola, and foolishly made up my mind that Everett's unusual kindness that evening had been the result of a sudden impulse. He had been afraid I would be indiscreet.

To-morrow—Gifts for the Home Folks.



Over the Top

$1365 GRAY-DORT

F.O.B. CHATHAM WAR TAX EXTRA

When the Gray-Dort was designed, our engineers had two definite orders.

"Build an economical, simple, low-priced car."

"Build a light car at least 50% stronger and finer and greater value than light-car purchasers have been getting."

The original Gray-Dort was built to these orders. Every improvement and refinement since that time has been in line with this policy.

And yet the price is only $1365. Note what you get in to-day's Gray-Dort for $1365.

A big motor—3½-inch bore and 5-inch stroke—finely finished and smooth running. A forty-pound crankshaft, against the usual twenty-five pounds or so. *Three*-ringed pistons, instead of two-ringed. *Cellular* radiator, instead of tube and finn. Newly improved *Carter* carburetor. Improved Connecticut ignition. The starting and lighting system is Westinghouse, a big-car feature.

We designed a bigger and better rear axle for light cars—and we are having it built exclusively for the Gray-Dort here in Chatham. We solved the spring problem in the same way—and you'll realize what we've done when you see the long, cantilever rear springs of the Gray-Dort. We've set a new standard of safety by using Thermoid brake-lining. We've increased safety by building a steering gear 50% bigger and stronger. We've put in a bigger gas tank—and put it in the rear, with a vacuum feed system.

Your comfort in driving or riding has been attended to. With a shorter cowl, there is more room in the driving department. There are several inches more leg-room in the tonneau. The side-curtains open with the doors. You sink into the seats at the most comfortable angle. The top is really a *one-man* top. The gears can be shifted with two fingers' pressure. The emergency brake is now on a lever. The instruments are handy.

The Gray-Dort is just as outstanding in appearance. Its lines are the lines of the really fine big cars—reduced in proportion. It has big car style. There is not a line nor an angle which is extreme. And it has what no other car ever can have—the wonderful Gray-Dort finish which had its beginning 60 years ago in our body plant.

There are other style touches—many of them new this year. French-pleated upholstery. A hood with many long, narrow louvres. A particularly smart top, hand-tailored in our own shops. Lamps raised to a new location. Short, smart cowl. Straight top-edge to the body.

So much does the Gray-Dort dominate the field, that our production, doubled this year, will probably not meet the demand. We would advise you to see the Gray-Dort dealer now.

PRICES

The Gray-Dort 5-passenger car; finished in Gray-Dort green and black, and with standard equipment, is $1365 f.o.b. Chatham. War tax extra.

The roomy 2-passenger roadster is the same price.

The Gray-Dort Special

For the man who wishes something a little extra in his car, we have built the Gray-Dort Special. Maroon body, with brown rayolite top. Plate-glass rear window. Gipsy curtains. Rookie tan wheels. Motometer. Tilting steering wheel. Real leather upholstery. Mahogany instrument board. Just the touches which lift this car above the ordinary. $150 extra on the standard.

And the Ace!

The Gray-Dort Ace—the most beautiful light car of to-day. Sapper green body with handsome California top to match.

Trouble lamp and bull's-eye flashlight. Electric cigar lighter. Rear-vision mirror. Plate-glass windows. Over-size grooved-tread tires. This is the *de luxe* car for the man who does not wish to pile up a tremendous operating cost. $255 extra on the standard.

SOCIAL EVENTS IN LAKEFIELD

EUCHRE PARTIES AND RUMMAGE SALES.

LAKEFIELD, March 20.—Mrs. Roy Hendren was the hostess of the S.O.N.G. Club on Tuesday evening. The evening was pleasantly spent in progressive euchre, Mrs. Osborne being the prize winner. This will probably be Mrs. Hendren's last appearance at the Club for some time as she is leaving the village sext week for her home in Toronto. She will be much missed as she has been a very popular member of the Club.

Mrs. C. S. Tanner entertained about twenty of her friends on Tuesday evening at progressive euchre. The evening was a very delightful one. Mrs. Wesley Sherrin being the prize winner.

Euchre Party.

Mr. and Mrs. W. M. Graham entertained a goodly number of their friends at a St. Patrick's day euchre on Wednesday evening. The house was prettily and appropiately decorated in honor of the occasion and the guests were decorated with favors, Irish flags for the ladies and artificial shramrocks for the gentlemen. Refreshments were served about midnight and shortly after that one o'clock the guests dispersed to their homes. Miss Tanner won the lady's prize and Mr. Wesley Sherin the gentleman's prize.

Mrs. Graham received a delightful box of real Irish Shamrock from Rev. Father Meagher and each guest was given a sprig with the favors.

Ladies' Auxiliary

At a meeting of the Ladies' Auxiliary of the G.W.V.A. held on Wednesday night Miss Hilliard tendered her resignation as president as she is leaving the village next month. The resignaton was accepted with deep regret as Miss Hilliard has been an efficient and popular officer. Mrs. Marling, who was appointed to take her place, had a splendid record as president of the Soldiers' Comfort Club, so it is an appointment which augers well for the Auxiliary's future

Rummage Sale.

The W.M.S. of the Presbyterian Church held an afternoon tea and rummage sale ni Leonard's Hall on Wednesday afternoon. The occasion being St. Patrick's day, the decoratios were suitable for the day and were both tasteful and pretty. The tables were decorated with cut flowers which were arranged by Misses Lelia Burgess and Edna Braden.

Mrs. (Dr.) Smith was in charge of the function and had a corps of able and attentive assistants among whom were noticed:—Mrs. B. Hunter, Mrs. Thompson, Miss Tanner, Mrs. Burgess and Mrs. Braden.

The rummage sale was very popular and profitable. The total receipts were $30.75.

A New Rink.

There is a rumor in sporting circles that a company will be started to build a new rink for next winter in a more central location as the present building is inconveniently situated for most of the patrons. Also the need is felt by both the curlers and skaters and as our local curlers have won their laurels in the district they feel that they require more room. The local hockey enthusiasts are also interested in the scheme

Will Move to New Home on the Coast.

LAKEFIELD, March 19.—Mr. J. Riddle sold the remains of his stock and some household furniture on Wednesday afternoon.

He leaves next week for his new home in British Columbia, accompanied by his family. He will be greatly missed in church work and in musical circles.

Purchased Home in Lakefield.

LAKEFIELD, March 20.—Mr. Geo. Hanison of Harvey has purchased the home of Mrs. Arthur Robson at the west end of the village.

LAKEFIELD PERSONALS

LAKEFIELD, March 19.—Mrs. Le Feve left on Tuesday to join her husband in Chili. She was accompanied by Miss "Peggy," and Master Bill and Miss Clements.

VOICE OF THE PEOPLE

Peterboro, March 19th, 1920.

To the Editor of the Examiner:

Dear Sir:—Would you kindly give this a space in your valuable paper and oblige. The voice of a great many of the people this last week is to know which of the two is running the affairs of the city or utilities. The question asked is the city running the utilities or are the utilities running the city. There has been no light on Simcoe Street crossing for over one week of the foggiest weather of the season. This crossing is considered one of the most dangerous crossings in the city, as there are three railway tracks to cross within six feet of the sidewalk and either a two or four story building on each corner, which renders it extremely dangerous, so much so, that the Grand Trunk is forced to put gates there and pay a man to operate them day and night. There is one light between Charlotte and Hunter Streets and one between Aylmer and Stewart Streets, and none on the crossing. Still, they expect the man that operates the gates to protect the public when he cannot see a man from one gate to the other. The utilities have been notified three times and the city once and nothing doing yet. We have a police force, which I think should see that these lights are kept in proper condition at all times

PETERBORO

You Pay only the Same Duty on Red Rose Orange Pekoe Tea as on the Very Poorest Tea

Before the war there was no duty on tea.

To-day there is a duty of 7 cents a pound on tea brought from British possessions, and one of 10c. a pound on tea brought from other countries, regardless of the quality.

If it were levied on the value of the tea, as is the case with other goods imported into Canada, the duty on a pound of Red Rose Orange Pekoe Tea would be about double that levied on common tea.

But the duty on a pound of this fine-quality, mountain-grown tea — Red Rose Orange Pekoe Tea—is the same as that on a pound of the very poorest tea.

This is one of the reasons that this tea of extra quality—as well as our standard, well-known Red Rose brand—is so much better value than ordinary teas.

You pay less duty.

This situation is appreciated by tea lovers all over Canada. There is a greater demand for fine-quality tea to-day than before the war. And our NEW fine-quality tea—Red Rose Orange Pekoe—is already enjoying a brisk demand.

Try it. Sold only in our new package—the *waxed board* carton.

T. H. ESTABROOKS COMP'NY, LIMITED
St. John, Montreal, Toronto, Winnipeg, Calgary, Edmonton, St. John's, Nfld., and Portland, Maine.

Mountain grown Orange Pekoes from the best plantations. A tea of quality at a little extra price.

Our well-known Red Rose Package, the sale of which is increasing faster than ever before. Red Rose consists chiefly of Assam teas, the richest and strongest in the world and therefore very economical.
(The Red Rose Orange Pekoe Package is a little different in design.)

AN IMPRESSIVE SERVICE HELD AT THE MOUNT

ELEVEN YOUNG WOMEN TAKE THE PLEDGE—AN IMPRESSIVE SERVICE.

Yesterday at Mount St. Joseph eleven young postulants received the holy habit of the order of St. Joseph, in the presence of a large number of clergy and friends. Their names together with the names they will now be known by in religion are as follows:—

Miss Annie Garvey, Douro, in religion Sister Mary Carmella.

Miss Cecelia Larue, Calgary, in religion Sister Mary Annette.

Miss Margaret Mary O'Neil, Arnprior, in religion Sister Mary Julitta

Miss Vivian Galvin, Ennismore, in religion Sister M St. Louis.

Miss Katie Ryan, Killaloe, in religion Sister M. St. Stephen.

Miss Mary Lackie, Calumette Island, in religion Sister Mary Geralda.

Miss Kathleen Davis, Ottawa, in religion Sister Mary Dolores

Miss Bridget A. Kiely, Mount St. Patrick, in religion Sister Mary Terestia

Miss Lillian Gillis, Charlottetown P. E. I., in religion Sister Helen Marie.

Miss Lorette Fitzgerald Peterborough, in religion Sister Mary Modesta

Miss Adele Landrigan, Charlottetown, in religion Sister M St. Victor.

The novices who made first vows Sr Daniel Joseph, Sr. Mary Isaiah Sr. M. Gonzaga, Sr. M. Austin, Sr Mary Esther, Sr. M. Carmena, Sr. M Gabriella, Sr. M. Carmena, Sr. M. St. Blanche.

An impressive and appropriate sermon was preached by Rev. Fateer McNiff, S. J. of Guelph. Father McNiff spoke of the good work accomplished by the Order. The world offered wealth, pleasure and position but the Order offered an opportunity to care for the sick and look after the poor in accordance with God's teachings.

It was the yearning of the human heart after that which it fondly imagines was hapiness. But even though we reach the summit of our ambitions—even though we mount to the pinnacle of our existence and are surrounded by all these transient things that we have longed for—will we be happy then? Will peace and contentment reign in our hearts amid all this luxury, when we see the world slipping away from us? No, it is not in the human heart to be satisfied with material things—the things of the world. It would still crave for more Nothing but the supernatural can satisfy the longing of the soul. And considering this, was it not a beautiful sight to see these young women, in the bloom of youth, turning away from a world that could never give them lasting happiness, and choosing a life of prayer and charitable labor?

Continuing, Father McNiff spoke of the good work accomplished by the order, an order which had started with "a handful of earth, a debt, and God's blessing," and had gradually grown into the flourishing community it is today.

His Lordship Bishop O'Brien, in a brief and eloquent address expressed sentiment of pleasure on the occasion of the sacred occasion, and touched at some length upon the splendid work of the Sisters.

The following clergy were present: His Lordship Bishop O'Brien, Rev. Dean McColl, Rev. Fathers McGuire and Cote, of the Church of the Immaculate Conception. Rev. Fathers O'Brien and Gorman of the Sacred Heart Church, Rev Fathers Cantillon and Costello, of St. Peter's Cathedral; Rev. Fr. Meagher, Lakefield; Rev. Fr. McAuley, Norwood; Rev. Fr. Ferguson, Warkworth; Rev. Fr Quiltie, of Douglas; Rev. Fr. Letang, Calumette Island; Rev. Fr. Garvey, of Trout Creek; Rev. Fr. Williams, Toronto; Rev. Fr. McNiff, Guelph.

The H. C. of B.

is largely caused by waste resulting from spoiled cakes, pies and pastry.

Many people do not consider baking powder a very important ingredient in baking, whereas it is *most important*—Success or failure depends upon the powder you select.

EGG-O Baking Powder

helps keeps down the *HIGH COST OF BAKING*, because, first, it is sold at a reasonable price, and second, its double acting qualities absolutely assure perfect baking at all times. Always follow the directions on the label, you use less powder.

Buying Egg-O in the larger tins is most economical for family use.

SEEN IN THE SHOPS.

A pretty breakfast cap—note the new name for the boudoir cap of old—is of sky-blue tulle, silver metal lace and delicate pink roses.

Heavy chain stitching of floss or chenille is an effective trimming used on both dresses and blouses This trimming is almost always in matching color to the material employed.

Some bolero suits are being shown and are suggested as being particularly smart and becoming for the young slender woman, for there are made only in misses' sizes.

The chemise type of dress is still with us.

This spring shows a vogue for checks, both large and small.

Spring coats are to large extent of three-quarter length on loose belted and semi-fitted models.

For Young Girl.

Heavy linen is popular for dresses for children and schoolgirls.

One frock shown is of burnt orange linen embroidered in heavy black wool and finished with a patent leather belt.

The three-piece tub frock is featured for girls of six to ten years. One of these has a plain linen skirt laid in wide box pleats, a blouse of linen, with a little square-cut detachable coat Lavender is also recorded as a color leader in next season's

BOOST FOR PETERBORO POLICE

The latest issue of the Canadian Police Bulletin contains the following:

The result of the investigation of the affairs of the Peterborough police made by the city's police commission must be a source of the utmost gratification to Chief Thompson and his staff and to the citizens of Peterborough generally, as it is to the police of the whole Dominion. Chief Thompson is known personally or by repute by all police officers in Canada as well as to many of those outside the Dominion, and is held in high esteem by all, for he is a most honorable and faithful officer. When it was announced at the Chief Constable's Convention at Calgary that Chief Thompson would not attend until the investigation was completed, every member of the conventin knew that the chief would come out of the inquiry absolutely absolved from wrong doing and this feeling has now been absolutely justified. The result of the investigation places Chief Thompson and his staff in a higher altitude in the city and in the esteem of the police forces, the administrators of the law, and that of all loyal, law-abiding citizens who keenly resent and strongly condemn the conduct of those who made charges so absolutely without foundation.

It would be well if the whole matter were left here, but unfortunately the open secret enemies of the police and of clean, decent government have already begun an agitation for placing the control of the police systems of Ontario under municipal councils. This revival of a movement first begun some years ago in a centre of disloyalty in the province, has been partly quiescent during the war, but is once more again raising its evil head. The awful rottenness and corruption, the laxity in police forces, and the favoritism shown to relatives and friends of aldermen, by which serious offences were overlooked, by-laws ignored, and the protection of life and property endangered, are not quite forgotten by the sober-minded citizens, and it is hoped that they will speak out plainly and let the Government clearly understand that a return to these former degrading conditions will not be tolerated.

There is a further grave danger at this moment in the proposed return to "Tammany" rule of the police, and that is the open avowal of certain classes for the right of the police to join the trades unions of Canada and thus put themselves under the control of the most radical wing of the Labor party. We have seen what this meant by the revolutionary One Big Union strike in Winnipeg. It has, we believe, opened the eyes of the people to what would happen in case the control of the police were once in the hands of councils and if the police were allowed to join trade unions and act as ordered by these union leaders.

If our police are to remain absolutely free from all control of councils and trade unions, and are to be left as at present controlled, so that they can act as they do at present, free from all partisan control, and be ready to meet and deal firmly with secret or open rebels, to guard impartially the lives and property of citizens, then they must be left under the control of the present police commission, which is composed of the mayor, elected by popular vote, the senior county judge and the police magistrate—a body much more representative of a community than are many councils.

SIMPLEX
SHOE POLISH
Brightest and Best

ODD USES OF SAWDUST.

Sawdust, which most of us regard as waste, has many uses besides the manufacture of paper, for which a century-old invention is to be applied.

Oxalic acid is made from it; it is used for packing as well as smoking fish. Carbonized, it makes a better filter than ordinary charcoal.

Box wood sawdust is used for cleaning jewelry, and rosewood sawdust is compressed into artificial ebony. Furriers use it for dressing skins, while even small fragments of some woods, such as pencil cedar, are made to yield perfumes.

A peculiarity of sawdust is that it sinks in water, although the wood from which it is cut floats.—London.

RAISE INTEREST

Government Action May Force Banks to pay 4 Per Cent.

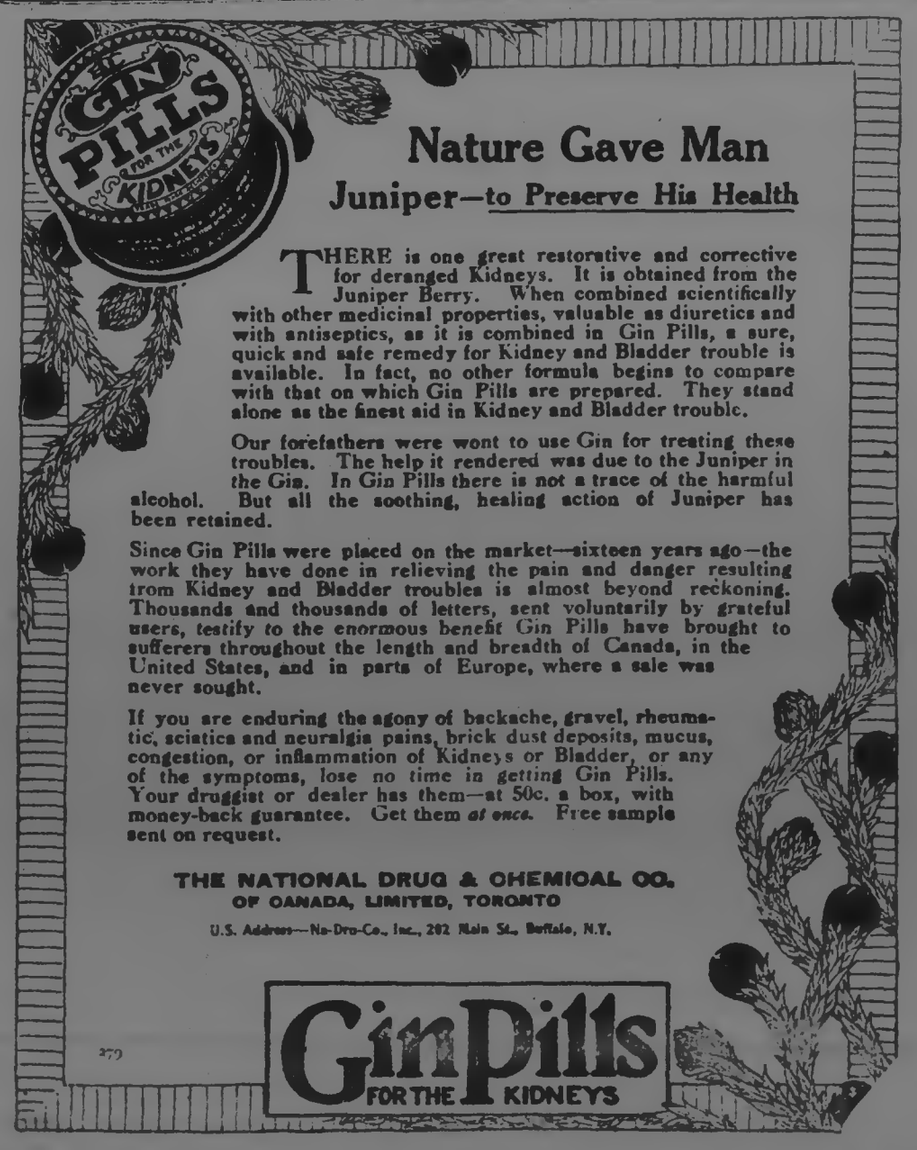
OTTAWA—Considerable interest attached here to the recent suggestion in the house of Hon. W. S. Fielding, former minister of finance, that in view of the fact that money is growing dearer, and is likely to continue dear for the next number of years, the government should increase the rate of interest in the government savings banks to four per cent., te rate of interest at the present time being three per cent. This is the same as that given by the chartered banks for the people's savings. Should the government decide to increase the rate in the government savings bank, the chartered would be forced to follow suit.

HIDES DOWN.

Prices of hide have taken a drop. Possibly the reason why prices of boots do not follow is that they now contain so little leather.

MAPLE SUGAR TIME APPROACHING

Many of the local farmers are preparing for the maple sugar season and with the prices of imported sugar on the jump, extra interest should be shown this year in tapping as many trees as possible. The maple groves of Canada offer a potential crop of home-grown sugar, which may be made available to relieve the shortage of imported supplies. The days of warm sunshine and cold nights are here, and a good flow of sap should be a certainty. The high price of sugar will undoubtedly create a largely increased demand for maple products. Heretofore, the latter have been considered more of a luxury by the general public, but, in the portions of Canada where maple sugar is produced, it is generally found upon the table in grated form, taking the place of imported sugar. Maple products are being used more and more in the confectionery trade and a considerable export trade is developing.



Nature Gave Man Juniper—to Preserve His Health

THERE is one great restorative and corrective for deranged Kidneys. It is obtained from the Juniper Berry. When combined scientifically with other medicinal properties, valuable as diuretics and with antiseptics, as it is combined in Gin Pills, a sure, quick and safe remedy for Kidney and Bladder trouble is available. In fact, no other formula begins to compare with that on which Gin Pills are prepared. They stand alone as the finest aid in Kidney and Bladder trouble.

Our forefathers were wont to use Gin for treating these troubles. The help it rendered was due to the Juniper in the Gin. In Gin Pills there is not a trace of the harmful alcohol. But all the soothing, healing action of Juniper has been retained.

Since Gin Pills were placed on the market—sixteen years ago—the work they have done in relieving the pain and danger resulting from Kidney and Bladder troubles is almost beyond reckoning. Thousands and thousands of letters, sent voluntarily by grateful users, testify to the enormous benefit Gin Pills have brought to sufferers throughout the length and breadth of Canada, in the United States, and in parts of Europe, where a sale was never sought.

If you are enduring the agony of backache, gravel, rheumatic, sciatica and neuralgia pains, brick dust deposits, mucus, congestion, or inflammation of Kidneys or Bladder, or any of the symptoms, lose no time in getting Gin Pills. Your druggist or dealer has them—at 50c. a box, with money-back guarantee. Get them *at once*. Free sample sent on request.

"All in Favor of Ice Cream Say Aye"!

Says the U.S. Department of Agriculture

Ice Cream is beautiful in its rich attractive colors, and tastes even better than it looks.

Made of pure wholesome delicious cream, milk and sugar, and flavored to suit the taste. As a dessert it is unexcelled; As a food it ranks among the very best. We like it with cake or without cake. Everybody likes it. Everybody eats it Like the manna that came from heaven, it is sweet, nourishing and palatable

Yes, it is good and tastes good

A healthy boy or girl, a spoon and a large dish of delicious Ice Cream make a splendid combination. The frozen cream disappears rapidly, but as it goes it nourishes and gives rosy cheeks, bright eyes, health, strength and happiness.

It is a real food for all classes and conditions of people sick or well, rich or poor, old or young, we can all enjoy Ice Cream.

Will you give us the opportunity of convincing you of the delicious Ice Cream being made at the Plant of the

Peterboro Milk Products

Just try it and you will be convinced how good it is.

In Bricks as well as Bulk.

Phone your order to 1900 and it will receive prompt attention

A Demonstration of the Hoover Electric Suction Sweeper

ON OUR MAIN FLOOR
BY AN EXPERT FROM THE FACTORY
—COMMENCING MONDAY

Even the clinging hairs that pets spread on rugs are instantly detached by the thorough sweeping of The Hoover. By its gentle beating it dislodges the destructive embedded grit. By its suction cleaning it withdraws the loosened dirt. These are the three essentials of thorough cleaning. Only The Hoover performs them all. And it is the largest selling electric cleaner in the world.

The HOOVER
ELECTRIC SUCTION SWEEPER

The CRESSMAN Company Limited

THE PETERBORO STORE WINDOWS

A BLAZE OF COLOUR HERALDS THE ARRIVAL OF SPRING AND THE SEASON'S BEST OFFERINGS FROM THE WORLD'S FASHION CENTRES.

A blaze of color heralded the arrival of Spring in the shop windows and seldom, if ever, has the city's main thoroughfare presented a more attractive appearance than this week. Each of the drygoods stores have conspired to make the most fitting background for the display of the unusually beautiful assortment of suits, dresses and accessories.

Cressman's widows are exceptionally attractive both in the setting and in the articles displayed. The large front windows have been transformed into a reception scene in a sun parlor overlooking some very attractive scenery and the color scheme of blue and gold has been most cleverly carried out by the artist who dressed the window. The dresses displayed on the figures are a revelation of Parisian and New York modistes art. The side windows ave been devoted to another phase of Spring necessity—the annual redecorating for the homes and some wonderful shades and tones in wall papers with up-to-date ideas for hanging them are displayed. The Redfern windows contain a particularly interesting assortment of suits and blouses.

The Well Dressed Woman

No well dressed woman or would be well dressed woman can pass the splendid display in Richard Hall's window without pangs of envy and admiration for the suits, hats, dresses, and materials for Spring sewing displayed so cleverly in the attractive windows with their tasteful color scheme of brown and fawn, and a riot of Spring blossoms which serves admirably as a backgroud for bringing out the lines and colors of the ready-to-wear clothes on exhibition.

G.W.V.A. Demonstration

Turnbull's window with an unusual color scheme of grey is a warm and beautiful tribute to the visiting delegates of the G.W.V.A. behind cleverly draped Union Jacks and emblems of the Great War Veterans. Their display covers every need of spring shoppers, featuring in one window suits, and in another gowns which speak of Paris and such articles dear to the feminine taste, as parasols and hosiery in all the newest shades.

Indoor Scenery.

At Fair's the setting for the up-to-date finery is composed of splendid indoor scenery which in itself represents many of the housekeeper's needs in the way of rugs and drapings. The suits, hats and dresses are marvellously chic while the other accessories to the well-dressed woman are the cause of no end of admiration on the part of the Spring shopper. The backgrounds to both the show windows are extremely artistic views

We have already given away $5.000 FREE. $200.00 more IN CASH and numbers of Merchandise Prizes will be GIVEN AWAY at an Early date.

1st Prize, **$50.00** in Cash. 2nd Prize, **$40.00** in Cash
3rd Prize, **$35.00** in Cash. 4th Prize. **$25.00** in Cash
5th to 9th Prizes—Each **$10.00** in Cash.
TOGETHER WITH MANY MERCHANDISE PRIZES

Herewith will be found the picture of a Log Hut in the Woods. At first glance all you see is a man, a woman and a dog. If you look closely the faces of 8 other persons will be found. Can you find them? It is no easy task but by patience and endurance can be accomplished.

You may win a cash prize by doing so. Many have done this as will be shown by the names and addresses which we will send you. If you find the faces mark each one with an X, cut out the picture and send it to us, together with a slip of paper on which you have written the words "I have found all the faces and marked them." Write these nine words plainly and neatly, as in case of ties, both writing and neatness are considered factors in this contest.

This may take up a little of your time but as TWO HUNDRED DOLLARS in cash and many merchandise prizes are given away, it is worth your time to take a little trouble over this matter. Remember all you have to do is to mark the faces, cut out the picture and write on a separate piece of paper the words, "I have found all the faces and marked them."

WE DO NOT ASK YOU TO SPEND ONE CENT OF YOUR MONEY IN ORDER TO ENTER THIS CONTEST

Send your answer at once; we will reply by Return Mail telling you whether your answer is correct or not, and we will send you a complete Prize List, together with the names and addresses of persons who have recently received over Five Thousand Dollars in Cash Prizes from us, and full particulars of a simple condition that must be fulfilled. (This condition does not involve the spending of any of your money.)

Although these persons are entirely unknown to us, they are our references. An enquiry from any one of them will bring the information that our contests are carried out with the utmost fairness and integrity.

Winners of cash prizes in our late competitions will not be allowed to enter this Contest.

This Competition will be judged by two well known business men of undoubted integrity, who have no connection with this Company, whose decisions must be accepted as final.

Your opportunity to win a good round sum is equally as good as that of anyone else as all previous winners of cash prizes are debarred from entering this contest.

SCOTCH EDITOR ON LATEST DANCING

THE WALTZ, FOX TROT, JAZZ—NONE OF THEM CALLING FOR DANCING.

For many generations the people of Scotland participated in dancing, such as highland fling, highland scottishe, barn dances and many other native dances but during the reconstruction period the latest dances gained prominence which brought forth the following criticism from a Scotch editor:—

"Looking down, as a pure spectator, on the gay company of dancers in the hall last Friday evening, was like being transported to a scene in the Arabian Nights The dresses were so varied, dainty, and bold that one could almost fancy oneself in dreamland. The disillusionment came when they began to dance. I was late in getting there, and the company was forming up for what I took to be an eightsome reel, but I music either, for the diabolical shrieks and yells of the dancers. Why, oh why must they make a pretty and lively dance hideous in this way? I expected to witness a great improvement in dancing and and dances since the time in which I could not make it out, nor the "tripped the light fantastic toe." I was sadly disillusioned. The jazzing is an abomination, the waltz has degenerated into a pair of walking automatons There were three pairs of waltzers there, who would have made a donkey laugh. They advanced the full length of the hall, and then retired the full length of the hall, simply walking clapsed together. One male partner was inclined to be intoed, and his girl had to walk five o'clock to avoid his corns. It was funny- Save the yelling thing—all the dancing, so long as I was there, was waltz—trot—jazz—as the spirit moved—none of them calling for dancing. Where and what has become of the quadrille, polka, La Varsovienne, gavotte, or minuet, and some of our good country dances? Not class enough! Great Scot! come up and have a look at yourselves.

NEW TOURIST HOTEL.

Grand Trunk Pacific to Erect Hotel at Jasper Park.

(Canadian Press.)

VANCOUVER, B.C., March 20.—The Grand Trunk Pacific Railway will spend $150,000 during the year in erecting a tourist hotel in Jasper Park, in addition to considerable sums in tent cities and camps for mountaineers and tourists in Robson Park, it has been announced.

AIR PATROL

Alberta Forests Will be Protected From Fires by Airplanes Says Chief Ranger.

EDMONTON, Alta., March 19.—The scheme to establish an air patrol of Alberta forest reserves will be put into effect during the coming summer, according to Col. R. H. Palmer, chief fire ranger for the northern section of the province. A patrol of the eastern slope of the Rocky Mountains, beginning in the south, is to be carried on this year. It will be entirely experimental at first. Suitable landing-places must be located before the patrol can really be established and wireless stations will also be a necessary part of the scheme. Two machines are already on the way. The plan is that the aeroplanes will be used for the purpose of locating fires, the fact that a 65-mile range is possible at an elevation of $5,000 feet indicates the great usefulness of the air patrol as an addition to the other protective measures.

OLDEST TUNE IN THE WORLD.

"For He's a Jolly Good Fellow," is said to be the oldest tune in the world. The origin of the air is lost in antiquity but it is supposed to have been learned from the ancient Babylonians by the Egyptians, who popularized it in Africa, and Asia Minor Arabs still sing it The Crusaders caught the tune from their Saracen enemies, and sang it under the walls of Jerusalem The air was ultimately carried into Europe, where it survived, in various forms, among the folk songs of the different nations In 1709, after the defeat at Malplaquet, the French, following a false rumor of the Duke of Marlborough's death in battle, composed a satiric lament, "Malbrook Is Off to the War" Like most topical songs, this one was of short-living popularity ,but in 1781 it suddenly echoed from one end of France to the other. The young Marie Antoinette gave birth to an heir, and the baby prince's nurse used to put her royal charge to sleep with the old song of her village home, and as if by magic the song became the craze of the day.

She Feels She Owes Her Life to Them

WHAT MISS EAGLE SAYS OF DODD'S KIDNEY PILLS

Ormsby lady who suffered from Diabetes for five years tells of the benefit she received from Dodd's Kidney Pills.

Ormsby, Ont., March 19th. (Special)—"I feel I owe my life to Dodd's Kidney Pills." This strong statement comes from the lips of Miss Gertrude Eagle, a well known and highly respected resident of this place. And Miss Eagle gives her reasons for speaking out in terms that none can fail to understand.

"I have been suffering from Diabetes for five years," she states. "I tried the doctors but they could do nothing for me."

"A friend told me of Dodd's Kidney Pills and of their great value. I tried one box and they helped me I have now taken three boxes and they have done me so much good I feel I owe my life to them."

Diabetes is one of the most advanced and dangerous forms of Kidney trouble. A remedy that will relieve Diabetes will act much more quickly on minor kidney ills. Ask your neighbors if Dodd's Kidney Pills are not the sovereign remedy for all forms of kidney troubles.

HOUSEWIVES WARNED TO BUY SUGAR.

OTTAWA, March 19.—Housewives of Canada are urged to begin now laying in a supply of sugar for the canning season buying a few pounds extra each week from now on, until they have sufficient set aside to cover their canning requirements.

SCOTLAND YARD AND THE DETECTION OF CRIME.

The epidemic of serious crime (including murder, Wild West hold-ups, shop gutting, post office safe lifting, etc.) which is raging just now, has revived the oft-heard suggestion that our various local detective systems should be placed in direct touch with Scotland Yard in London, to which department immediate communication of the details of the gravest offences should be made with a view especially to tracing a missing criminal or identifying an arrested suspect There seems a popular idea that something of this sort of liaison work already exists, but that is unfounded, and the consequence is that much priceless time is often wasted which can never be regained, and usually by the most slow and backward police organisations in the country, these keenly resenting the interference of those of superior skill. No one desires a return to the employment of the Blathers and Duff type of "Bow Street Runner," immortalised by Charles Dickens in "Oliver Twist," or even to such a dullard as Inspector Bucket of "Bleak House," probably the worst drawn detective in fiction. Those who remember the great Sergeant Cuff in Wilkie Collins's "Moonstone" will know the quiet scorn he poured on the local police for their lack of appreciation of obvious clues; and when reading the reports of certain very recent undetected crimes one sees so many points of resemblance that another Sergeant Cuff seems needed today to pour some further contempt on the inept. That the London police force has its own weaknesses is evident from the fact that seven constables have been taken in a bunch for leaving their "beats" in the weakthiest parts of the West-end of the Metropolis to go and play cards in an adjoining motor garage Things of this kind, coupled with the return of criminals from the Army and all the rest of the happenings that go to make up the crime boom that is now going on explain popular indignation and unrest in the matter.

Lingerie ribbons should not be ironed while wet or they will become stiff

HORTICULTURAL SOCIETY MEETING

MR. J. H. CALLENDAR APPOINTED SECRETARY-TREASURER.

At a meeting of the members of the Peterborough Horticultural Society last evening, Mr. E. H. D. Hall was appointed a director, to succeed Mr. E. Searight, resigned, and Mr. J. H. Callendar was appointed secretary, replacing Mr. E. Brunell, who efficiently held the office last year, but who resigned at the annual meeting owing to lack of time.

The Option List is to be revised, and will be distributed to members and others just as early as possible.

It was suggested that a committee be named to meet the newly formed Town Planning Commission of the Board of Trade in order that the two organisations may co-operate, as both have the same object in view—the beautifying of the city in general.

In the absence of the president, Mr. Alex. Weddell, through illness, Dr. Middleton filled the chair.

LIVELY TRADE IN SEED OATS

Dominion Seed Branch Busy.

(Canadian Press.)

EDMONTON, Alta., March 20.—Considerable activity in the shipment of seed oats from the central and northern parts of the province is reported now, the drought-stricken areas in the south having already drawn upon local supplies for their spring requirements. More than 300,000 bushels of seed oats have been supplied from the Dominion seed branch in Calgary in addition to what has been bought direct from farmers. The price is $1.11 for No. 1 and $1.02 for No. 2.

The CRESSMAN Company Limited

HARVEY J. STAUNTON ON G.W.V.A. EXECUTIVE

CONVENTION CLOSED WITHOUT REPORT ON PROPOSAL TO ESTABLISH A PROVINCIAL JOURNAL.

Mr. H. J. Stanton of Peterboro was one of the successful candidates elected to the executive of the Ontario provincial command of the G. W. V. A. yesterday afternoon. The convention sat without intermission from 9 a.m. until 4 p.m. in order to clean their slate of unfinished business. At that the special committee of newspaper men appointed to consider the question of establishing a weekly journal for the G.W.V.A. in Ontario did not report. It was stated that they had been unable to meet due to the fact that C. E. Haight, the chairman of the committee, was too busily engaged as one of the scrutineers of the elections.

The background of the G.W.V.A. lapel buttons will indicate by its color whether or not the wearer has paid his membership dues if a recommendation passed yesterday is adopted by the Dominion convention.

A petition will be submitted to the Ontario Government asking that memorial halls and G.W.V.A. Clubs be exempted from taxes.

A CONTRIBUTION TO THE GRENFELL MISSION.

The following letter was received by The Examiner the other day with a two-dollar contribution to the Grenfell Mission. The little girls who gave the musical tea are to be congratulated on their thoughtfulness:

March 15, Saturday.

Dear Sir,—We are the four members of the Sunshine and Smiles Club. We have just given a musical tea, and would like the proceeds, which is $2.00, to be sent to the Deep Sea Mission.—Yours sincerely, S. A. S.

SCHOOLS CLOSED.

Lack of Teachers Pressing in Alberta

EDMONTON, Alta., March 19. — Hon. George P. Smith, Minister of Education, stated in giving further information relative to educational problems in the province, that 557 schools are closed at present for lack of teachers, 377 being closed since the first of the year

FOR CONSTRUCTION OF GOOD ROADS

(Special to The Examiner.)

KINGSTON, March 20.—The sum of one hundred thousand dollars has been granted by the County of Prince Edward for roads this year. Fifty per cent. of the amount will be for the construction and fifty per cent. for maintenance.

SIX MASKED MEN SHOT LORD MAYOR

(Canadian Press.)

LONDON, March 20. — Advices from Cork indicate that a state of excitement prevailed this morning following the murder of Lord Mayor Thomas McGurin, a Sinn Feiner of that city by a gang of so far unidentified assassins at one a.m. to-day.

Mayor MacGurin was shot down without being given a chance to defend himself by six masked men who invaded his home.

His murderers escaped in an automobile.

LATEST NEWS DESPATCHES

LORD MAYOR SHOT.

(Canadian Press.)

LONDON, March 20.—The Lord Mayor of Cork, a Sinn Feiner, was shot down at one o'clock this morning by masked men.

REJECTED THE TREATY.

(Canadian Press.)

WASHINGTON, March 20. — The Senate rejected the Versailles Treaty, with reservations, last night. The Treaty was again sent back to the President.

ESSEN SURRENDERED.

(Canadian Press.)

BERLIN, March 20.—Essen surrendered to the Reds last night after violent fighting, in which over three hundred people were killed.

SITUATION CRITICAL.

(Canadian Press.)

BERLIN, March 20.—The situation in Berlin is critical. No food trains are reaching Berlin.

NEW ALLIED NOTE.

(Canadian Press.)

THE HAGUE, March 20.—A new Allied note to Holland will definitely demand the removal of the ex-Kaiser to some distant exile.

THE TREATY RETURNED

WASHINGTON, March 20.— The Treaty of Versailles was formally returned to President Wilson to-day by the Senate after it had failed of ratification last night for the fourth time.

APPOINTMENT FOR MR. R. HARSTONE

Mr. Robert Harstone has been appointed valuator of all G.T.R. property within the limits of the city and will begin work in the near future.

RETIRED AFTER LONG SERVICE

Veteran Mounted Policeman Leaves Forces After 40 Years

REGINA, Sask., March 20.—Assistant Commissioner John McGibbon of the Royal Canadian Mounted Police, will retire to civil life on April 1 of this year when he will start a six months' leave of absence which has been granted him. He has served with the force for 40 years being the 427th man to join the force.

A paper bag makes a handy cover to slip over a pitcher which contains milk or food.

FIRE THREATENS APARTMENT HOUSE

MR. A. H. STRATTON OF THIS CITY IS PRESIDENT OF COMPANY WHICH OWNS BUILDING.

(Special to The Examiner.)

TORONTO, March 20. — What threatened to be a treacherous fire broke out at one o'clock this morning in the St. George Apartments, a seven-storey building at the corner of St. George and Harboard Streets.

The fire was a disastrous one.

A large number of the families of this section of the building made their exit by means of the fire escape, many of the ladies in their night attire.

The damage to the building is estimated at about $1,500, and to the contents the same—making a total loss of $3,000.

The building is covered by insurance in several companies.

About 40 families have suites here.

Mr. A. H. Stratton, of this city, is president of the company which owns the above building.

LOWERING OF LAKES MAY DELETE PELT CROP

The raising of the stop logs in the Buckhorn dam, as reported from Curve Lake, is likely to cause great loss of fish and muskrats.

Some of the Indians who have been looking forward to the trapping season with expectations of a big catch and high prices are anxious about the effect of the lowering of the water, which they say is steadily falling.

They realize the canal department's need of avoiding damage actions for high water and also understand the system of conservation but they are of the opinion that the emptying of the lakes above Buckhorn begins too early and is too rapid.

The rat pelts this year will realize the highest prices the Indians have ever received and for that reason they are watching the recession of the water with something of the dismay that seizes farmers when they see their crops spoiling.

STOCK MARKET OPENS IRREGULAR

(United Press)

NEW YORK, March 20.—Prices were irregular at the opening to-day. U. S. Rubber opened at 114 up 1-4; Anaconda 62, off 3-8; Bethlehem B. 96 up 1-2; American Woollen 123 off 7/8; U. S. Ind. How I Cured My Rheumatism

by PETER GAVALA

I threw away my crutches in seven days, in two months, I was a well man—and I have never had a twinge from rheumatism since. This is what the remedy, which I obtained from my uncle in Greece, did for me.

I went home to Greece crippled, broken in spirit—sick. I returned to this country in two months, absolutely free of every trace of rheumatism.

The whole story of my life in America—how I became crippled with rheumatism and how I found the treatment which uprooted the disease and drove it out of my body—I will gladly tell you FREE.

It makes no difference how swollen or distorted your joints may be; how severe the pain; or how discouraged you are; I feel sure that I have the means of helping you to find relief in a few days and a lasting cure in just a few weeks.

Just write me personally, Say:—"Tell me how you cured your rheumatism and how I may cure mine."

Address your letter or post card to Peter Gavala, 50 St. Patrick St. D. 199 Montreal, Que.

BOMB EXPLODED.

(Canadian Press.)

LONDON, March 20.—Bomb was exploded here in front of the British Mission, several persons killed or injured but the Embassy apparently suffered no damage.

STIFF JOINTS

Limber Up After Being Rubbed With "ABSORBINE JR."

A stiff knee, due to rheumatism—or a stiff ankle, the result of a sprain—or a stiff arm, because of a fall—can be relieved of pain and stiffness, by the use of "ABSORBINE JR."

Many people who have limped and suffered for years, now have free use of their limbs since treating themselves with "ABSORBINE JR."

This successful home treatment gives prompt relief from Rheumatic Pain, Lumbago, Sciatica, Inflammation of the Joints, Weeping Sinew and Lameness and Stiffness.

No matter what else you have tried, get a bottle of "ABSORBINE JR." and see what relief it will give you.

$1.25 a bottle—at most druggists or sent postpaid by W. F. YOUNG, INC., Lyman Building, Montreal. 37

LIFT OFF CORNS!

Drop Freezone on a touchy corn, then lift that corn off with fingers

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic! No humbug! A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the callouses, without soreness or irritation.

Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

OPEN NOSTRILS! END A COLD OR CATARRH

How To Get Relief When Head and Nose are Stuffed Up.

Count fifty! Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more snuffling, hawking, mucous discharge, dryness or headache; no struggling for breath at night.

Get a small bottle of Elys Cream Balm from your druggist and apply a little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of your head, soothing and healing the swollen or inflamed mucous membrane, giving you *instant relief*. Head colds and catarrh yield like magic. Don't stay stuffed up and miserable. Relief is sure.

CONVENTION CONCLUDED

Continued from page 1

Mayor A. A. McIntyre replied to this toast on behalf of the city. We feel that Peterboro is indeed honored when a toast to the city is drunk by the company gathered here.

The Mayor's Address.

Mr. Chairman, Ladies and Gentlemen,—We feel that Peterboro is indeed honored when a toast to the city is drunk by company gathered here. We regard you not only as Veterans of the Great War, but also as representing all the Great War Veterans of the Province of Ontario, and it warms our hearts to have our city honoured by such a great company of brave men.

Your presence brings to our minds the long and anxious days of the four years of the tremendous struggle. There were many reasons for anxiety—personal reasons in the fear for the safety of those we knew,—national reasons for the flag we loved, and the success of the Empire to which we belonged, and anxiety for the liberties and the freedom of humanity.

It was more than the existence of a nation or an empire that was at stake in the fields of France and Flanders for while you defended the trenches or charged the foe it was the continuation of our civilization that hung in the balance.

It is to you who endured the trying times of the trench, the dugout and the mud, who held your ground against great odds in numbers and in armament, and who finally drove back and conquered the foe who considered himself unconquerable—it is to you that we owe the continued existence of our beloved Empire, and our liberties and freedom

We are glad to have you back with us. Your country still requires your services and civilization still needs you. The enemies are not all silent yet. Insidious attempts to undermine the civilization you fought to maintain and open attacks on the great principles of democracy you caused to triump in battle, must be met and overcome wherever they are discovered.

We are pleased that you have held your convention here. We hope that it has been successful and that it will be of great benefit to your association, we wish you continued success and prosperity.

The Mayor's reply was followed by a duet by Mr. M. Park and D. Carlisle. Judge E. C. S. Huycke proposed the toast of honour to the G.W.V.A. The Judge was given a rousing ovation by the delegates. "I feel deeply honoured in proposing the toast of the evening," said Judge Huycke. "I am glad to congratulate you on your success not only under the regime of Ex-President C. E. Jeakins, but, on electing Mr. E. O'Flynn to the office of President and I am sure the success will crown his work. It is an honour to be associated with the Veterans," he said. "They have been our guardians and protectors. We may well be proud of the record of the association and we look to it for great and greater things. Hope was expressed that some day soldier boys would fill all the important offices in this country even to Prime Minister. If I had my way I would like to see the country governed by men who were at the front." (Applause). Judge Huycke refuted any idea of advocating political action claiming that the public opinion would want these men who are looked up to every where. "You men do not want Canada or Great Britain in the place of Russia or Germany," he said in the plea given in this introduction. "There are men with the same ideals in all parts of the Empire. The boys who have fought are ready to live and strive for prosperity and purification for the country for which they fought. I wish for you all as an association, prosperity and greatness," he said in conclusion

E. C. Jeakins Responded

The stirring proposal made by Judge Huycke, was ably responded to by Ex-President E. C. Jeakins, who appreciated and felt all the comrades did the words of Judge Huycke. "The main ideals of the association is to harmonize the various parts and phases of Canada so that the nations who copied her in the arts of war will copy her in those of peace. A description of the convention proved entertaining but the past president said that to-night there was no distinction of officers. They were all meeting as comrades of one splendid organization. He said that the comrades had in view the very ideals outlined by Judge Huycke and they hoped to make it the greatest nation in the world.

Referring to the new president he gave a new version of the old saying "Life is one d— thing after another." Life is one d— Flynn after another", only the adjective was substituted by "plank". Last year J. H. Flynn of Toronto, was at his heels and now it was O'Flynn, he laughed. He paid glowing tribute to his successor and vouched his support at all times to the G.W.V. The Splendid building was highly commended and the generosity and foresight of the citizens. "The comrades are clean, straight cut, white, men and it is because the citizens know that they have given them this building

A Presentation.

A thorough surprise was then pulled on Comrade H. G. Staunton, past president of the local branch and former member of the Provincial Executive by the ex-president, who presented him with a handsome silver cup on behalf of the comrades of the local branch to show their appreciation of his work. Comrade Staunton expressed his thanks.

"Up from Somerset," a solo by Comrade M. Park was a very well received number.

The toast to the ladies was proposed by Mr. R. Denne, who spoke on the fine service of the ladies in the war and their untiring efforts in the Red Cross and other organizations. "We couldn't have kept the home fires burning without the ladies." His words of praise and admiration were reiterated by Comrade C. Ackerman, Ex-President Jeakins presented Mrs. Mills, president of the Ladies Auxiliary with a beautiful bouquet of roses. Mrs. Mills replied briefly thanking him and said she was proud of every lady in the association and the association itself.

The toast to "Our Country" was then announced by the toast master, Alderman F. Whitehouse in the absence of Adl. J. J. Turner proposed it and dwelt on the service of the returned men to Canada. Mr. G. A. Gillespie, Ex-M.P.P. in seconding it due to the absence of Bishop O'Brien dwelt on the great country we live in and our pride in it." The citizens appreciate the associations and its officers. It's judgment is sound and its appeals sound". Peterboro is ready to back it up and give the returned men every chance.

A vocal solo by Comrade Everett, "The Bells of St. Mary's" accompanied by the band made a very favourable impression on the delegates.

Incoming President

Rev. M. C. Appleyard of Woodstock, proposed the toast to the incoming president, Ontario Provincial Branch G.W.V.A. Confidence was expressed in the new officer and all officers. He promised that the ideals laid down by Judge Huycke would be ever before them and he also said that Ontario should be made Premier command of Dominion. His words were echoed by Dr. C. E. Wilson, who said that the association was one of the greatest motives for good in the province. The new president was highly comended.

The new president, E. O'Flynn of Belleville, made a stirring address paying tribute to the city for their welcome and for their interest taken in the veterans. The ladies were praised highly for their work at home with nothing but bleeding hearts to spur them on. He stated their main motto as service to help and assist their disabled comrades and widows and dependents of fallen soldiers shall be their constant endeavour." This great association of ours as long as we keep those high ideals in mind will be a great force for right in this great Canada of ours."

Comrade Armstrong of Mount Dennis proposed the toast to the incoming officers expressing their purpose only to serve. In response Comrade R. Harrison of Windsor, the incoming vice president, said they would strive on and fight for the ideals on which they stand.

The last toast, that to President Muir, President of the Peterboro Branch was proposed by ex-president C. E. Jeakins.

The last message of the convention was by President Muir—"Boost Peterboro."

"SYRUP OF FIGS" CHILD'S LAXATIVE

Look at tongue! Remove poisons from stomach, liver and bowels

Accept "California" Syrup of Figs only look for the name California on the package, then you are sure your child is having the best and most harmless laxative or physic for the little stomach, liver and bowels. Children love its delicious fruity taste. Full directions for child's dose on each bottle. Give it without fear. Mother! You must say "California"

GUARD AGAINST THE 'FLU

Serious Outbreaks of Influenza all over Canada

GOOD HEALTH IS THE SUREST SAFEGUARD

"FRUIT-A-TIVES" Brings Vigor and Vitality and Thus Protects Against Disease

There can be no doubt that the situation regarding the spread of Influenza throughout Canada is one of grave concern. It is quite true that the number of cases does not constitute an epidemic such as caused the suffering and sorrow during the terrible days of 1918. Yet there is no disguising the fact that everyone should be on their guard against the disease.

In Montreal alone, from January 20th to February 21st, *three thousand, one hundred an twenty-two cases* of Influenza and 189 deaths from the disease were reported to the Health Department.

If the outbreak had come at the beginning of the winter instead of the end, we might reasonably feel that the very cold weather would check the spread of the disease. But coming as it has, at the end of the winter, there is grave fear that an epidemic may occur. For spring, with its slush and rain under foot, its dampness and chill, its constant changing from cold to warm and back again, is a prolific source of coughs and colds, pleurisy and pneumonia.

The best protection, in fact, the only safeguard against the 'Flu, is, GOOD HEALTH.

Those who are not as well and strong as they should be; those who are underweight; those who are "run-down" through overwork or sickness; should build up at once. What they need is a Blood-purifier, a body-builder, a strength-giver, like "Fruit-a-tives", the wonderful fruit medicine.

"Fruit-a-tives" regulates the kidneys and bowels, causing these organs to eliminate waste regularly and naturally as nature intended. "Fruit-a-tives" keeps the skin active, and insures an abundant supply of pure, rich blood. "Fruit-a-tives" tones up and strengthens the organs of digestion, sharpens the appetite, brings restful sleep and renews the vitality of the nervous system. "Fruit-a-tives" contains everything that an ideal tonic should have; to purify the blood, to build up strength and vigor, and to regulate the eliminating organs, so that the whole system would be in the best possible condition to resist disease.

Now is the time to build up your health and strength, not only as a precaution against the ravages of Influenza, but also to protect you against "spring fever" and the inevitable reaction which comes with the appearance of warmer weather. Get a box of "Fruit-a-tives" today and let this fruit medicine keep you well.

"Fruit-a-tives" is sold by all dealers at 50c a box, 6 boxes for $2.50, trial size 25c, or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

Advises People to Cure Constipation Without Drugs; Suffered Ten Years, Well in Three Weeks by Internal Bathing.

Did you ever ever hear of a person being cured of chronic constipation with drugs? They relieve at the time some, but larger doses are usually necessary from time to time. Nature's own cure, just pure sterilized water, administered with the J.B.L. Cascade, is the only scientific and permanent treatment. Don't forget Nature with drugs. Bathe internally.

Mrs. A. McLeod, Middleboro', B.C., writes: "For ten years I suffered from constipation, and for the last year I became a wreck. I had awful pains in my back, severe headaches, indigestion and swollen limbs. I tried all kinds of medicine and many doctors without permanent benefit. It was an act of Providence that I saw the J.B.L. Cascade advetrised. The first time I used it I felt relieved, and in three weeks I was completely cured. My habits are now quite regular, and I am in better health than I have been for years. I am very thankful to be doing my own work again."

The J.B.L. Cascade is the perfected invention of Dr. Chas. A. Tyrrell of New York for internal bathing. It is now being shown and explained at Warne Drug Co.

'Phone or ask them for free booklet all about it—or write Tyrrell's Hygienic Institute, 163 College street, Toronto.

TWENTY THOUSAND CHEAP SUITS FOR CANADA

LONDON, March 19.—The Canadian clothes-buying public will benefit from the recent release of large quantities of woollen cloth by the British Government. Twenty-thousand ready-made men's suits are to be shipped to Canada from London at a wholesale export price of about 54 shillings per suit, which at present exchange rates is less than $12 dollars. The suits comprise Government tweeds, serges and worsteds, and are not of the type known here as "standard suits."

The shipment has been arranged under the auspices of the Canadian Export Pioneers, of Toronto, by J. Murray and Company, who have recently been active in developing the Indian market for Canadian products.

The recent establishment of the tailoring business in London by Mr. Mallaby Deely, millionaire member of Parliament, with the avowed object of fighting clothing profiteers is meeting with great success, so many orders have been booked from two to four pounds per suit that a ban has had to be temporarily imposed on further orders.

THE AFTER EFFECTS OF THE INFLUENZA OFTEN VERY SERIOUS

The Danger Seldom Over when the Acute Stage is Passed —Victims are Left Weak, Tired and Mentally Depressed —Tonic Treatment is Strongly Recommended.

No pestilence in years has caused more widespread suffering than the epidemic of influenza which swept over Canada in the fall and winter of 1918-19 and again this winter. The danger from this trouble is seldom over when the characteristic symptoms, the fever, headache and the depression of spirits have passed away. Influenza leaves behind it weakened vital powers, thin blood, impaired digestion and over-sensitive nerves. Men and women who were robust before stricken with influenza find their bodies racked with pains previously unknown to them. This condition is due to an abnormal thinning of the blood and leaves the system an easy prey to other serious troubles. This is the time when the convalescent from influenza should build up the blood, with a reliable blood-making tonic such as Dr. Williams Pink Pills. Weak blood means impoverished nerves, impaired digestion, a feeling of tiredness after even slight exertion, and sometimes even more serious symptoms. When the blood regains its rich red quality the nerves recover their strength and the organs of the body function naturally. In fact building up the blood will vitalize the whole system.

WEAK AND DESPONDENT

The experience of Mr. Andrew Marty, Bathurst, N.B., will prove of value to a host of influenza sufferers who still suffer from the effects of the disease. Mr. Marty says:—"The new life and consequently new hope brought into my life through the use of Dr. Williams Pink Pills is almost beyond my power of expression. Following a severe attack of influenza in 1918 I found myself rapidly failing in health, and was naturally much alarmed. I began to lose in weight, could not eat, did not sleep well, and in a word I was reduced to a mere shadow. I was forced to discontinue work because of my weakened condition and things had a very blue outlook. I tried a number of suggested remedies, but without benefit. And then one day Dr. Williams Pink Pills were suggested to me. I acted on my friend's advice, began taking these pills and soon felt an improvement. Every day I seemed to grow stronger, and after four weeks' treatment I felt fully restored to my old-time health. From my own experience I feel that, if given a fair trial, there is no medicine superior to Dr. Williams Pink Pills in building up a run down system."

THE TIRED FEELING GONE.

Mrs. E. Mac Pothier, Glace Bay, N.S., is another who has found the way to new health following a severe attack of influenza. She gives her experience as follows. Last winter I suffered from an attack of influenza, and being somewhat anaemic when the attack came on, I had a very hard time of it. For days I had a high fever and had to keep to my bed for some weeks. When I finally was able to get up I found that the trouble had left me in a thoroughly weakened and run down condition. My eyes were dull, the color had entirely left my face, and my appetite was so poor that I hardly ate enough to keep me going. I was always craving for something different from what I had to eat and when I got it a taste was all I wanted. My nights, even though I felt exhausted, were restless and when morning came I would rise so weak and worn out I could hardly dress and get down stairs. At this stage a friend who is in the drug business suggested that I try Dr. Williams Pink Pills. Following this advice I had not been taking the pills long when I felt an improvement, and by the time I had taken five or six boxes I felt like a new person. The old tired feeling was a thing of the past, my appetite had fully returned, and by spring I was in a strong and healthy condition. From my experience I can greatfully recommend Dr. Williams Pink Pills to those in a weak or run down condition."

AGAIN WELL AND STRONG.

Further proof of the undoubted value of this tonic is offered by Mr. Ronald J. Gillis, Margaree Harbour, N.S., who says:—"I suffered from an attack of influenza last winter, and after getting over the acute stage of the disease, I experienced the usual dire after effects. I was left weak and run down, and although my appetite seemed to be all right I did not gain strength and would get all fagged out, with even very light work. As this condition persisted I began taking Dr. Williams Pink Pills, a box of which my brother had purchased for me, largely I confess, as an experiment as I had never used the pills before. By the time the box was gone I began to notice beneficial effects, and I continued using the pills throughout the spring and by the first of May felt as strong and as well as ever I did in my life. The pills had brought me renewed strength and vigor, had improved my appetite, purified my blood and I am sure will prove equally beneficial to others who may be suffering from impaired or an impoverished condition of the blood."

A MEDICINE WORTH TRYING

Dr Williams Pink Pills are a tonic not a stimulant. They build up the blood, and not only the disastrous after effects of influenza but also troubles due to poor blood, such as anaemia, rheumatism, indigestion and the generally worn-out feeling that affects so many people, disappear. You can get these pills through any dealer in medicine, or by mail at 50 cents a box or 6 boxes for $2.50 from the Dr. Williams Medicine Co., Brockville, Ont.

CENTRAL HEATING PROPOSED

System Under Consideration in Moose Jaw Many Advantages

(Canadian Press.)

MOOSE JAW, Sask., March 20.—A proposal by the Engineering Corporation Limited, of Vancouver, to install a central heating system in this city has been brought before the City Council. While the advantages of the system are admittedly usually confined to the business section of the city, economy and the elimination of the smoke nuisance are claimed among the principal benefits of the central heating system. Brandon, Man., is the only city in western Canada at the present time with such a system. The light and power Committee of the council are considering the question.

THIS WILL INTEREST STOMACH SUFFERERS

Says Indigestion comes from an excess of hydrochloric acid.

A well-known authority states that stomach trouble and indigestion is nearly always due to acidity—acid stomach—and not, as most folks believe, from a lack of digestive juices. He states that an excess of hydrochloric acid in the stomach retards digestion and starts food fermentation, then our meals sour like garbage in a can, forming acrid fluids and gases which inflate the stomach like a toy balloon. We then get that heavy, lumpy feeling in the chest, we eructate sour food, belch gas, or have heartburn, flatulence, water-brash, or nausea.

He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast while it is effervescing, and furthermore, to continue this for one week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salts is used by thousands of people for stomach trouble with excellent results.

SENSATIONAL STORIES.

NEW YORK, March 20.—Sensational stories here that passengers on the steamship Imperator has been warned not to sail on the ship.

GEORGE STREET METHODIST CHURCH

FINAL MEETING OF THE CAMPAIGN LAST NIGHT.

Notwithstanding the inclemency of the weather, a goodly number were present at the meeting in George street church last night. Had the weather been more favourable, however, the attendance would undoubtedly have been much larger.

Mr. Millsons subject was "Indecision, or a Help to Decision." He briefly outlined the story of Ahab and Elijah as told in the 18th chapter of 1st Kings, taking his text from the question which Elijah asked the people, "How long halt ye between two opinions? If the Lord be God follow him, but if Baal, then follow him."

"If there be a God Almighty," said Mr. Millson, "who is able to save or to destroy, who with one volition of his will can lift a man up to heaven or thrust him down to hell, who is all wisdom and therefore knows the innermost secrets of your life; who knows you in the shadow and the sunshine, on Sunday and on Monday, whoh as marked every movemet of your career, why halt ye between two opinions?"

If there be a hell where evil is concentrated which means banishment eternally from the presence of God, why halt between two opinions? If there be a heaven to gain where sin and sorrow shall not be known, why halt between two opinions?

Some people say they will wait until they are more prosperious before becoming a follower of Jesus Christ. The strange thing about prosperity is that it never seems to turn people to God. As a matter of fact some men who have become prosperous have lost their religion. We cannot by artificial means make ourselves better prepared to surrender to God.

"If God be God who halt?" continued Mr. Millson. "I don't think there is a man or woman in this house but believes the Lord is God. Why not own Him and stand over on His

TO BRING 50,000 DEAD BACK FROM FRANCE

Twenty to Thirty Thousand American War Victims Will Be Left, Baker Informs Wadsworth.

WASHINGTON—The bodies of about 50,000 of the American dead in France will be returned to the United States, while between 20,000 and 25,000 will remain permanently interred overseas, Secretary Baker today informed Chairman Wadsworth of the Senate Military Committee.

The Secretary, who wrote in response to a Senate resolution, estimated the cost of returning the dead and concentrating the bodies remaining in cemeteries overseas at $30,000,000.

Congestion of the French transportation systems and shortage of materials used in the manufacture of coffins are handicapping the work, Mr. Baker said.

While 111 bodies of American dead have been returned from Archangel, Secretary Baker said that the some number still remained in Northern Russia and that it was improbable that anything could be done toward their removal for a year.

Evacuation of bodies in England is progressing, he added, while in Italy all bodies have been concentrated ready for return to this country.

How Many Women Keep Young Looking

"A woman may be old at 18 and young at 80," says a prominent clubwoman. "Years don't matter. Didn't Ninon de L'Enclos have a proposal at 90?"

The youth of our women is more lasting than it was a generation ago, because we are better acquainted with simple physiological laws. When the first ageing marks appear—wrinkles, bagginess of cheeks, neck and chin—we realize that the cause is a loosening of the skin and softening of the tissue underneath. We know the cause must be removed. Instead of laying on pastes we send to the drug store for an ounce of powdered saxolite and a half pint of witch hazel, mix them and bathe face, neck and hands in the solution. We know this tightens the skin, solidifies the tissue, induces a healthy circulation. We treat causes rather than effects. We use reason—and stay young.

GO THROUGH OUR BICYCLES

And you will see a wonderful collection of beautiful models—the very latest in design and color. Look them over some evening. Our Repair Department has been Improved, too, and is now fitted with the very latest equipment.

PRELIMINARY MEETING OF LACROSSE ENTHUSIASTS

WAS HELD IN Y.M.C.A. LAST EVENING—GENERAL MEETING NEXT FRIDAY.

A meeting of a number of lacrosse enthusiasts was held last evening in the Y. M. C. A. for the purpose of organising for a general meeting to be held in the Empress Hotel next Friday evening at eight o'clock.

Considerable interest is being manifested in the game here this spring, and a revival is hoped for by the old-timers, who in years past derived so much pleasure and physical benefit from the game.

HAD TO GO TO BED HEADACHES SO BAD

MILBURN'S LAXA-LIVER PILLS MADE HER WELL

When your liver gets sluggish and inactive, your whole health suffers. Your bowels become constipated, your head aches, your tongue is coated, breath bad, specks float before the eyes you are bilious, have heartburn, water-brash, pain under the right shoulder, muddy and brown spotted complexion, etc.

Help the liver to resume its proper function by removing the bile that is circulating in the blood and poisoning the system.

Mrs. E. Bambridge, 30 Maple Ave., Amherst, N.S., writes: "I take pleasure in writing you of the good I received by using Milburn's Laxa-Liver Pills for headaches. I was so bad I had to go to bed, and could not sit up. A friend told me about your wonderful medicine, and two vials have made me as well as I can be."

Milburn's Laxa-Liver Pills are small and easy to take, do not gripe, weaken or sicken, do not leave any bad after-effects. Price 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co. Limited, Toronto, Ont.

"FLO-FLO"

No musical comedy of the Broadway season has been more persistently hummed and whistled into fame than "Flo-Flo," John Cort's latest musical comedy success which he will present at the Grand Theatre on Wednesday evening only.

"Flo-Flo" delighted blase Broadwayites at the Cort Theatre, New York, being one of the few attrastions to remain an entire year, and comes to the city following a successful Boston engagement.

"I don't know what you see in Me" has been sung into popularity in every state in the country this season. It is one of the features in which Mr. Cort's "Perfect 36" chorus comes to the front to establish its claim to being the only comedy chorus in captivity. The eccentric dancing of the girls in this number captivated New York.

"NIGHTIE NIGHT"

A bedroomless farce comedy success describes "Nightie Night", an Adolph Klauber production, which, with a phenomenal all-season run to capacity business already standing to its credit in New York is due at the Grand matinee and night, Saturday, March 27th. Mr. Klauber, in association with the Selwyns, makes no attempt to hide the almost sensational reputation that "Nightie Night" enjoys as a comedy fit for the whole family to see, although a little bit of spice is furnished by the fact that one of the principal figures in this drama of domestic nightmares innocently appears in a fetching suit of pink pyjamas. This innocuous outbreak of mirthful misadventure, written by Martha M. Stanley and Adelaide Matthews, will be performed here by the original Princess Theatre cast headed by Frances Byrne, who has taken rank as one of the leading farceurs on the American stage. Dorothy Mortimer, Suzanne Wills, Marie Chambers and Grant Mills are also prominent.

DYED HER FADED SKIRT LIKE NEW

"Diamond Dyes" Make Shabby Apparel Fresh, Bright.

Don't worry about perfect results. Use "Diamond Dyes," guaranteed to give a new, rich, fadeless color to any fabric, whether it be wool, silk, linen, cotton or mixed goods.—dresses, blouses, stockings, skirts, children's coats, feathers, draperies, coverings.

The direction book with each package tells so plainly how to diamond dye over any color that you can not make a mistake.

To match any material, have druggist show you "Diamond Dye" Color Card.

SPRING MILLINERY OPENING AT P. BLACK'S

(An error having occurred in the following announcement, as it appeared yesterday it is repeated to-day in a corrected form.)

The ladies are very cordially invited to attend our Spring Millinery Opening and inspect the new season's fashions in Trimmed Hats. We are showing the new creations of the milliner's art in hand made hats, of crepe, satin caterpillar straw, pineapple straw, combined with crepe and pineapple straw sailors, also patent leather hats. Many different straws, and braids. Most all colours, charmingly trimmed, becoming to every age, young girls, misses and matrons. Prices are only a fraction of present value, namely, from $1.68 to $6.50.

What 10 cents will do!—Mrs. Black has been busy collecting a lot of pretty and useful trimmings for hats, such as jet, and bead ornaments, mounts, sprays, buckles of all kinds, silver and black. Some worth up to 75 cents, your choice for only Ten cents.

All our lines are complete in Ladies House Dresses, Waists, Sport Coats, Corsets, etc. Come to-morrow you will be welcome. P. BLACK, corner George and King streets. 1d

SODIUM SULPHATE DEPOSIT REPORTED IN SASKATCHEWAN

Announcement has come from Calgary of the discovery of a deposit of sodium sulphate estimated at over two million tons, near Fusher, Saskatchewan, on the Lacombe Kerrobert branch of the C.P.R.

This sodium sulphate, or glauber salt, is claimed to be 95 per cent. pure, by analysis, in its raw state. The lake is stated to be approximately one mile long and 1,000 yards wide, and the depth of the deposit ranges from two feet near the edge to eleven feet at the centre. A pit was dug in the centre of the Lake and this established the fact that a spring carrying a heavy solution of sodium sulphate flowed in. The discoverers propose to form a syndicate and market the product.

DEFEATED THE MACHINE GUNNERS

INDOOR BASEBALL RESULTS AT THE ARMOURIES.

In the City Indoor Baseball League the Collegiate Institute team easily defeated the Machine Gunners last evening by 33-2.

Hunter pitched for the P.C.I. and held the M. G.'s down to an almost negligible number of hits, while his team gave him good support and did heavy damage at the bat.

IN THE LITERARY WORLD

INTERESTING ARTICLE BY MR. F. M. DELA FOSSE—CHATS ABOUT BOOKS—LITERARY NOTES.

Archibald Marshall is an English novelist whose books are becoming increasingly popular on both sides of the Atlantic. It is a good sign, as he is a man who is eminently sane and whose writings show that he is not in the least bit tinctured with the prevailing taste for dabbling in the sordid cesspools of life. A few years ago his name was hardly known in Canada. Today most libraries would concede him a place amongst the more widely read authors in their clientele. He has written several books, of which the following are the best known:—Richard Baldock, Honour of the Clintons: The Graftons, and Watermeads. His latest book is entitled "Sir Harry" and will doubtless uphold the reputation of the author. Richard Baldock was published in 1906 and although interesting, is not as well-developed as some of his later stories. It is a psychological study of a young man's struggle against his environment. His father, a clergyman, is desirous that his son should follow in his footsteps and the story revolves around the question as to whether or not he shall carry out his father's wishes. The Honour of the Clintons is a story of English country life, as most of Mr. Marshall's books are, and its portrayal of real English men and women constitutes perhaps its chief value. For it shows them as they are and not as idiotic moving pictures and stage caricaturists sometimes love to exhibit them. Mr. Clinton's daughter-in-law is here depicted as a thief sheltering behind another woman's theft. Mr. Marshall is a deft hand at characterization and this power exerted in an interesting plot makes of "The Honour of the Clintons" a very readable story.

He has written many books, "The Greatest of These" is a tale of life in an English country parish. "Abington Abbey" deals with the life of George Grafton, a wealthy London banker, and his three lovely daughters. He purchases a country seat and in that rural paradise most of the incidents that go towards the making up of the novel occur. The inevitable clergyman figures in its pages. "The Graftons" carries on the story begun in "Abington Abbey" and exhibits Mr. Marshall probably at his best, as a splendid exponent of the character, temperament and ways of life of the English gentry. His books, as a whole, would not appeal to lovers of the novels of Oppenheim or of Ridgwell Cullum, but to the middle-aged and the elderly and all who prize restful reading the works of Archibald Marshall may be unreservedly recommended. The novelist to whom he approaches nearest in treatment and in choice of theme would seem to be Anthony Trollope.

Youthful Effusion.

There is a book which for the past year or so has been giving critics and the general public alike a good deal to talk about. I refer to that youthful effusion of Miss Daisy Ashford, "The Young Visiters." Notwithstanding Sir James Barrie's direct denial that he had absolutely nothing to do with the writing of it, even to the placing of one comma or semi-colon, and the further assurance by Mr. Frank Swinerton, the well-known novelist, who acts as reader to Messrs. Chatto & Windus, that he had not "touched it up," there are still many people who persist in believing that it must have been written by an adult hand. Those who are of this opinion can know very little indeed of the physchology of English life. England is full of homes where children of tender years are encouraged by every means in the power of their parents to amuse themselves in literary composition. In the quiet seclusion of the Yorkshire rectory the Bronte sisters first learned to plot out those stories which were destined to make them famous, and in many another home at the present time, we may rest assured that one of the chief joys of the children is to be found in attempts at composition. I have in mind as I write, one family where such juvenile efforts were carried on and developed such a taste for writing that when the family grew up and went out to the four corners of the world to engage in life's struggle, the idea was still carried on. The sister left at home, engaged to act as editor, and from Canada, from Australia, from India, from the United States and from Egypt articles dealing with the varied lives of the brothers and cousins found their way to England to be incorporated in a family journal, named after the parental roof-tree, "The Craigfoot Family Papers." Those journals are still in existence and contain not only productions quite as juvenile and humorous as "The Young Visiters," but most interesting and illuminating accounts of life in Texas, on the sheep-runs of Australia, on the battlefields of Isandula and Tel-er-Kebir and on the prairies of Westehn Canada. When one looks at it from a common-sense point of view, allowing for the difference in moral atmosphere, in home training and in general outlook of life, which form a line of demarcation between England and the self-governing dominions, it does not seem by any means a wonderful thing that a young girl should have been the writer of "The Young Visiters."

The book is simply a recital of life as it presented itself to one innocent of the ways of the world and who viewed it through the rose-coloured spectacles of a child's imagination. The strangeness of the names in the book seems to puzzle many people. They ask, "how could a child think of such a name as Saiteena or Procurio?" There is no definite answer to be given to such a question, but such names might easily be coined in a home where games of a literary flavor held sway. Young people can do and say most surprising things. One needs but to turn to the pages of Lady Glenconner's "Sayings of the Children" to gain abundant evidence of this. When a youngster of six or seven can talk of honey as "bee-jam" and describe the way by which he broke an egg by saying, "I took off the top, and I only just put in the spoon, and all the egg came caterpillaring out," or speak of the sensations produced in his throat by a cold as, "I've got a sort of feeling in my throat as if the moon was there, the pointed moon, scratching it, or the sun sticking his beams into it," one need not be unduly sceptical as to the authorship of "The Young Visiters."

As additional evidence of youthful precocity I can cite the case of a young boy of twelve who felt impelled on one occasion to write a letter to his big cousin, a cadet at Woolwich. His cousin told him in his reply that he had greatly contributed to the merriment of the Prince Imperial and the other officers of the mess by reading to them extracts from the letter. The Prince, he said, was overcome with hilarity at the boy's reference to the other boys in the school as "merely a horde of natural phenomenons." There is really no limit to the strange and unexpected flights, humorous and otherwise, that a child's imagination may take.

Younger Poets Series Creates Wide Interest.

With the apearance of the first two volumes in the Yale Series of Younger Poets, edited by Charlton Miner Lewis and published by the Yale University Press, this new incentive and practical aid to the younger poets of our country has been widely discussed and praised in the public press. As the series is open to any young poet whose work shows promise and who has not yet gained public recognition, it is natural that wherever the future of American poetry is being promoted, the Yale Series of Younger Poets should be welcomed as an excellent step in the right direction. The first two volumes were, "The Tempering" by Howard Swazey Buck, and "Forgotten Shrines" by John Chipman Farrar.

Posthumous Work of Josiah Royce.

"Lectures on Modern Idealism" by the late Josiah Royce (Yale University Press), fills a genuine need in philosophic literature. These so-called "Baltimore Lectures" deal with the idealistic doctrines of the Self, the Social Order, Nature, and the Absolute.

Benet's First Volume Reprinted.

"Merchants from Cathay," by William Rose Benet, a first volume of eighty odd poems, which appeared in 1913 under the imprint of the Century Company, has just been published by the University Press. As the first edition was out of print, a new edition became necessary, and the University Press was pleased to take over the book and thus become the publishers of Mr. Benet's complete works. The other volumes by Mr Benet are, "Perpetual Light," "The Burglar of the Zodiac, and Other Poems," "The Falconer of God, and Other Poems," and "The Great White Wall."

New Books.

Another of Edward Streeter's "Dere Mable" books, which have had an endrmous sale, and have probably produced more laughter than any other recent publications in this country, will be out in March by the Frederick A. Stokes Company. It will be called, "As You Were, Bill," and in it Bill, who has got his discharge and donned civilian clotoes, goes hunting for a job, and in his letters to Mable, tells her all about his adventures and difficulties.

With the renewed interest in things Victorian still growing, the Scribners announce for immediate publication two books concerning Tennyson from Henry Van Dyke. One, "The Poems of Tennyson" is a selection of the best representative poems with an introduction to the poet by Dr. Van Dyke, a life-long student of Tennyson—the other, "Studies in Tennyson," is a study of the growth of the poet's mind and of the perfection of his art.

Mr. Murray, London, is about to reissue a new edition of a novel originally published in 1854. It is a sign of quality, that after so many years there should still be a call for such a book, yet that call in this case is actual and sufficient. Its title is "A Lost Love," and the author Ashford Owen. It will be interesting to see how far the present-day public endorses the opinion of Browning and Swinburne and others of those who acclaimed it on its first appearance.

ANGLICAN MISSIONARY SEES STRANGE PHENOMENON

Large White Meteor Lights Entire Landscape With a Continuous Hissing.

(Canadian Press.)

WINNIPEG, Man., March 20.—Do meteors hiss? Rev. A. J. Warwick, Anglican missionary at Shoal River, Man., asserts they do. "I was returning across the river, near the mission on this reserve when all at once there was a brilliancy through the whole air, and I turned southward, to see a most intensely white meteor, in appearance about twice the apparent size of the planet Jupiter, and issuing from that point. Streamers of very vivid sparks trailed at all angles behind, and the whole river side was as though lighted by an electric bulb," he states. "There was one peculiarity, the sound of hissing, which was continuous, was without doubt present, along the whole course of the phenomenon; and was not supposition on my part. It was present with the light, the sparks and the meteor.

LABOR MAYOR.

F. J. Dixon, M.L.A., of Winnipeg may Be Candidate for Mayor.

(Canadian Press.)

WINNIPEG, Man., March 20.—A local paper states that F. J. Dixon, M.L.A., may be advanced next autumn as Labor's candidate for Mayor of Winnipeg in 1921. He is considered Labor's strongest candidate for the position, it was said.

Try Making Your Own Cough Remedy

You can save about $2, and have a better remedy than the ready-made kind. Easily done.

If you combined the curative properties of every known "ready-made" cough remedy, you probably could not get as much real curative power as there is in this simple home-made cough syrup, which is easily prepared in a few minutes.

Get from any druggist 2½ ounces of Pinex (50 cents worth), pour it into a 16-oz. bottle and fill the bottle with syrup, using either plain granulated sugar syrup, clarified molasses, honey, or corn syrup, as desired. The result is 16 ounces of really better cough syrup than you could buy ready-made and saves easily $2. Tastes pleasant and never spoils.

This Pinex and Syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty throat tickle and heals the sore, irritated membranes so gently and easily that it is really astonishing.

A day's use will usually overcome the ordinary cough and for bronchitis, croup, hoarseness and bronchial asthma, there is nothing better.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, and has been used for generations to break up severe coughs.

To avoid disappointment, ask your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

TAXES LESSENED

Change in Year Lessens the Taxes in Winnipeg.

WINNIPEG, Man., March 19.—Ratepayers will be required to pay approximately $1,500,000 less this year than during the fiscal year 1919-1920 owing to the city's decision to change the civic year to conform with the calendar year. This year's taxes will only cover eight months from May to Dec. 31, or two-thirds of the average year. Full year tax levies will be resumed next year.

Wednesday, March 24th, of household furniture, etc., at the home of the late Mrs. Carte, 547 Weller street. Everything will be sold without reserve, including rugs, beddings, dishes, furniture, etc. Sale 1.30 p.m. W. J. Hancock, Auctioneer. 4d-67-8227

MR. HARPER'S FAREWELL.

One of the most successful series of meetings ever held in Gospel Hall will close to-morrow night when Mr. Harper will speak on the final ending of things and the eternal state. In spite of the storm last night a good audience heard the address on the thousand years of peace on the earth. This is yet to come and will be ushered in by the coming again of the King of Kings.

BILLY SUNDAY SAYS:

Good resolutions without works will eventually bring a person to everlasting punishment. Jimmie Monday says, people who intend to give local merchants business, but buy outside, should be consigned to everlasting punishment. This is an open question, but we think all things being equal or nearly so, local merchants should have the preference of good intentions put into practice.

JIMMY, at NELSON'S TYPEWRITER OFFICE, 332½ George Street (old Opera House Block).

TRINITY CHURCH SUNDAY SERVICES.

At Trinity Church to-morrow morning, Mrs. Maurice Park will sing. There will be special music at night also. The pastor will preach at both services. His evening sermon will be the last of the series on "The Seven Deadly Sins." Visitors are always welcome. The Quarterly Board of Trinity Church are asked to meet at the close of the evening service.

ADJOURNED SINE DIE.

(Canadian Press.)

CONSTANTINOPLE, March 20.—The Turkish Chamber of Deputies adjourned sine die on Thursday as a protest against the Allied occupation of this city and the deportation of a number of the Turkish Nationalist leaders.

The highest or any tender not necessarily accepted.

S. R. ARMSTRONG,
Clerk.
3D-20-27-3-58-8298.

MIND OF CHRISTIAN CHURCH IS AGAINST SPIRITISM IDEA

DR. MANNING, OF NEW YORK, SAYS IT ADDS NOTHING TO RELIGION —DEPLORRS MEDIUMS AND BOARDS.

NEW YORK—The Rev. Dr. William T. Manning, rector of Trinity church, rebels against a possibility of the American people being given to wiards, mediums, and ouija boards. eHtold of his abhorrence of Christian people trying to get satisfaction out of spiritism, before an audience which packed St. Augustine's Chapel, 105 East Houston street. Dr. Manning's topic was "Communication With the Dead: Can We Look for Help From Spiritism?"

"The question for us Christians is not whether those that have gone from us are still alive," said Dr. Manning. "We know they are.

"The first question for us as Christians is, is it right for us to try to communicate with the dead? We do not believe it is possible for them to communicate with us, if it is God's will.

"In the Old Tetsament the Jews were distinctly forbidden to try to communicate with the dead. And the mind of the Christian church has always been against it, although there is no pronouncement in our own communion against it.

"Does spiritism offer us a means that we can rightly use, that we could accept as genuine? Are the methods that spiritism uses for establishing communication with the dead such as are calculated to inspire us with confidence? I think any open-minded person will admit that the methods are not reassuring.

"The darkened room, the tapping of tables, the mystery, the mediums, which may prove to be fraudulent, do not seem in harmony with the high and holy purpose. It is difficult to think of a ouija board as a fitting communication with those who are now in paradise.

"The next question is: Have we really reason to regards these message and communications as trustworthy? It is to my mind an astonishing and also a very touching thing that any educated people should be willing to accept these communications.

"Possibilities of error, deception and even of deliberate fraud are acknowledged to exist. The known facts as to telepathy, hypnotism and the workings of the sub-conscious mind leave the origin of the messages in the highest degree uncertain.

"It seems to be acknowledged, so far as I can find, that it is at least very doubtful whether any message has even been received which is not fully explained by telepathy. Why then are we asked to assume the agency of spirits in the matter?

"Have these alleged communications added anything to our knowledge of our life beyond the grave, even if we accept them at their face value? It cannot be claimed that they have. The most striking classification of them is an utter triviality and lack of any moral value whatever. It would certainly show a terrible mental deterioration of those who have gone before if these communications were genuine.

"Does spiritism make people more unselfish and fit them more to live in this world? No, the facts on the whole prove quite the reverse. In many cases it produces positive injury to body, mind and morals. I have myself seen cases of physical and mental disaster as the result of consulting mediums

"Does any one believe that it would be to our benefit if we as a nation became addicted to wizards, mediums and ouija boards?"

"In the light of what we know as to the physical, mental and moral results, I think we may at least be gravely doubtful as to whether spiritism has any contribution to make to religion. The evidence does not show that usually the practice of spiritualism had any tendency to bring people to a deeper serse of their duty to God and a truer faith in Jesus Christ. The evidence all points strongly the other way."

A VERNAL DAY.

I know at heart that there will come a day
In Springtime, when the old alluring call
Will thrill my ears, and I shall fling the thrall
Of care and Winter weariness away—
The call of wandering, and I shall stray
By shady slopes where trilliums grow tall,
And pause beside a lyric waterfall
That tosses down the silver of its spray.

And I shall sense the redolence of earth,
The fragrant breath of every growing thing,
Whether it be of fern or brier or vine;
And though I solve no mysteries of birth,
Yet shall I feel that something is divine,
In the widespread renascence of the Spring.

—Clinton Scollard in N. Y. Times.

WILL SUPPORT WOOD.

(United Press)

NEW YORK, March 20— Lieut.-Col Theodore Roosevelt is supporting Major-General Leonard Wood for the Republican nomination for President, according to an announcement by Rep Norma J. Jould, Woods' eastern manager.

REDUCTION IN ITALIAN ARMY.

(United Press)

ROME, March 20.—The Council of Ministers has decided to present a bill to Parliament, calling for a reduction in the army to 220,000 men, according to the Epoca.

LODGE SPENT A SOCIAL EVENING

ENTERTAINED VISITING DELEGATES OF THE SONS OF ENGLAND.

On Thursday evening the members of Lansdowne Lodge entertained a number of delegates to the G.W.V.A. convention who were members of the Sons of England.

At 8.30 p.m., the chairman, Bro. H. Wilford, after a few opening remarks, called on Bro. H. Follis for a selection on the piano. This was followed by the usual encore and well deserved the appreciation of the members.

Next followed a varied programme of vocal and instrumental music, and recitations

Amongst those who contributed were Bros. H. Wilford, F. Brand, Messrs. J. John, J. Ridyard, J. Knight, J. King and J. B. Cummer; also Bro. F. Ambrose of "Hearts of Oak" Lodge Hamilton.

During this part of the programme a number of selections were run off on the Pathephone by Bro P. G. Webb. A number of choruses were sung by those present.

After the musical programme the members and their friends adjourned to the banquet hall and sat down to an excellent banquet prepared and served by Coleman Bros.

When full justice had been done to the good things in front of them, in true English style, Bro. B. Lemmon, the president of Lansdowne Lodge, called the members to order, and the first toast of the evening, "The King," was honored in the usual way by the singing of the National anthem.

The next toast, "Our Visiting Brethren," was proposed by Bro. W. G. Shiner and was responded to by Bro. W. Kedricks and F. Somes, of Lodge Britannia," Hamilton, Bro. F. Ambrose, of Lodge "Hearts of Oak," Hamilton, Bro. Pratt, of "Royal George," Simcoe; Bro. G. Allen, of Lodge "Leeds," Weston, Bro. J. Parfett of Lodge "Dreadnaught," Dundas and Bro. T. Warmsley, of Lodge "Burlington."

Bro. A. Follis then proposed a toast to the members of the Sons of England who gave their lives in the Great War to vindicate England's honor and uphold the flag. This was honored by te members standing with heads bowed, while one verse of "Nearer, My God, to Thee" was played. This toast brought back to the minds of the members of Lansdowne Lodge the memory of Bro. F. Thomas, R. Gifford, G. Sadler, and J. Chandler, who went out from Lansdowne Lodge, and gave their lives that Canada might be free from the menace of the Hun.

After a few concluding remarks by the president, the company returned to the lodge room and spent an hour or two in social intercourse, cards and games. A game at carpet bowls between six of the visiting brethren, with Bro. W. G. Shiner, of Lansdowne Lodge as skip, and six members of Lansdowne Lodge with Bro C. Wood as skip, proved a very interesting game, the visiting brethren finally winning by one point, the score being 7 to 6. The members dispersed in the early hours of the morning with everyone well pleased and satisfied with one of the most enjoyable evenings ever spent by the Lansdowne Lodge

CONTINUE SESSIONS IN STUTTGART.

(Canadian Press.)

LONDON, March 20.—The German National Assembly will continue its sessions in Stuttgart until the conditions at Berlin are more normal, says a Stuttgart despatch to the Exchange Telegraph Company.

A BALLAD OF H.C.L.

I hired a little Swedish cook to simply make me toast;
She gave me notice half an hour before she took the post,
She said, "I ain't bane vork no yob before you valk der ghost"—
And I'm going to move to Africa to-morrow!"

I picked a pair of shoes up in an ordinary store,
The shoe clerk said "They're twenty-three—with laces, twenty-four.'
I said, "I'm only pricing—I'm not buying any more,"—
And I'm going to move to Africa to-morrow!"

I went down town to buy a suit of seasonable clothes—
The price was ninety dollars for the cheap ones that I chose.
I said "I will not pay it," and the tailor thumped his nose—
And I'm going to move to Africa to-morrow!"

I walked into an hotel for an inexpensive meal—
I had some mashed potatoes and a thinnish cut of veal.
They charged three silver dollars and I heard each eagle squeal—
And I'm going to move to Africa to-morrow!"

I dropped into the theatre, a Broadway piece to see;
I asked for two adjoining seats up in the balcony.
The ticket seller smirked and said, "Eight dollars that will be"—
And I'm going to move to Africa to-morrow!"

I have a small apartment and the landlord's raised the rent;
My lease is not yet broken, but he says it's badly bent
I can't afford to live indoors—I'll have to buy a tent—
And I'm going to move to Africa to-morrow!"

There are no costs in Africa, where living's free for all;
Throughout the pleasant jungle growth no landlords creep and crawl;
One's meals hang on the fruit trees and when they're ripe they fall.
And I'm going to move to Africa to-morrow!"

THE OTHER WAY

Her—Is she a high-brow?
Him—No, a low neck.

SOCIAL AND PERSONAL

Mr. C. K. Lech and W. E. Metheral, of Wm. Lech & Sons, left last night for Montreal to attend the raw fur sale next week. Mr. Keith G. Lech leaves for Montreal to-night.

Mr. Harry Jopling leaves to-night for Montreal to attend the Fur Sale.

Mr. T. Curvin leaves to-night for Montreal to attend the Fur Sale.

Miss Helen Brown, Weller street, is visiting in Norwood.

Mr. T. Tooms, M.P.P. for West Peterborough, was present at a dinner given by the Lieutenant-Governor at the Government House Thursday evening, March 18th.

Mr. Beresford Hamilton is the week end guest of Mr. and Mrs. G. B. Hilliard, "Cowley," Lakefield.

Miss Jean Harstone left this week to visit Miss MacLaren at Buckingham, near Ottawa.

SPRING WEATHER HARD ON BABY

The Canadian Spring weather one day mild and bright; the next raw and blusterly is extremely hard on the baby. Conditions are such that the mother cannot take the little one out for the fresh air so much to be desired. He is confined to the house which is often over-heated and badly ventilated. He catches cold; his little stomach and bowels become disardered and the mother soon has a sick baby to look after. To prevent this an occasional dose of Baby's Own Tablets should be given. They regulate the stomach and bowels, thus preventing or relieving colds, simple fevers, colic or any other of the many minor ills of childhood. The Tablets are sold by medicine dealers or by mail at 25 cents a box from the Dr. Williams Medicine Co., Brockville Ont.

OBITUARY

MRS. FREDERICK ALLEN.

The death occurred at her home, 292 Dalhousie street, on March 19, of Mrs. Frederick Allen (nee Vedra MacNabb), beloved wife of Mr. Frederick Allen, in her 24th year. The deceased was well known in Peterborough, where she has resided for the past ten years. She was for several years employed as stenographer with the Canadian Chicle Co. and was a general favourite with all who knew her. Besides a sorrowing husband and son, Jack, she leaves to mourn her loss her parents, Mr. and Mrs. Robert McNabb of St. Catharines, formerly of Peterborough, and brother Jack, also of St Catharines.

Deceased was a faithful member of St. Paul's church.

The immediate cause of death was pneumonia. The funeral will take place on Monday afternoon, March 22nd, from the residence, 292 Dalhousie street, to Little Lake cemetery. Funeral service at the house at 2.30, Rev. Robert Pogue officiating.

IN MEMORIAM.

In loving memory of Julia M. Hannon, who died March 20, 1903.
